PART I

Item 1. Business

History and Development of the Company

We are a leading global cruise company which operates the Norwegian Cruise Line, Oceania Cruises and Regent Seven Seas Cruises brands. As of December 31, 2017, we had 25 ships with approximately 50,400 Berths. We plan to introduce seven additional ships through 2025 and we have an option to introduce two additional ships for delivery in 2026 and 2027, subject to certain conditions.

Norwegian commenced operations from Miami in 1966. In February 2000, Genting HK acquired control of and subsequently became the sole owner of the Norwegian operations.

In January 2008, the Apollo Holders acquired 50% of the outstanding ordinary share capital of NCLC. As part of this investment, the Apollo Holders assumed control of NCLC's Board of Directors. Also, in January 2008, the TPG Viking Funds acquired, in the aggregate, 12.5% of NCLC's outstanding share capital from the Apollo Holders.

In February 2011, NCLH, a Bermuda limited company, was formed with the issuance to the Sponsors of, in aggregate, 10,000 ordinary shares, with a par value of \$.001 per share. In January 2013, NCLH completed its IPO, pursuant to which it sold 27,058,824 ordinary shares for net proceeds, after deducting underwriting discounts and commissions and expenses, of approximately \$473.9 million. In connection with the consummation of the IPO, the Sponsors' ordinary shares in NCLC were exchanged for the ordinary shares of NCLH, and NCLH became the owner of 100% of the ordinary shares and parent company of NCLC (the "Corporate Reorganization"). At the same time, NCLH contributed \$460.0 million to NCLC and the historical financial statements of NCLC became those of NCLH. The Corporate Reorganization was effected solely for the purpose of reorganizing our corporate structure. NCLH had not, prior to the completion of the Corporate Reorganization, conducted any activities other than those incidental to its formation and to prepare for the Corporate Reorganization and the IPO.

In November 2014, we completed the Acquisition of Prestige. We believe that the combination of Norwegian and Prestige creates a cruise operating company with a rich product portfolio and strong market presence.

The Sponsors have completed numerous Secondary Equity Offerings and as of December 31, 2017 have reduced their ownership to 16.8% of NCLH's ordinary shares.

Our Company

Business Overview

We are a leading global cruise company which operates the Norwegian Cruise Line, Oceania Cruises and Regent Seven Seas Cruises brands. As of December 31, 2017, we had 25 ships with approximately 50,400 Berths. We plan to introduce seven additional ships through 2025 and we have an option to introduce two additional ships for delivery in 2026 and 2027, subject to certain conditions. Norwegian Bliss and Norwegian Encore are on order for delivery in the spring of 2018 and fall of 2019, respectively. We also have an Explorer Class Ship, Seven Seas Splendor, on order for delivery in the winter of 2020. Project Leonardo will introduce an additional four ships with expected delivery dates through 2025. These additions to our fleet (exclusive of the option for two additional ships) will increase our total Berths to approximately 72,300. Our brands offer itineraries to worldwide destinations including Europe, Asia, Australia, New Zealand, South America, Africa, Canada, Bermuda, Caribbean, Alaska and Hawaii. Norwegian's U.S.-flagged ship, Pride of America, provides the industry's only entirely inter-island itinerary in Hawaii.

All of our brands offer an assortment of features, amenities and activities, including a variety of accommodations, multiple dining venues, bars and lounges, spa, casino and retail shopping areas and numerous entertainment choices. All brands also offer a selection of shore excursions at each port of call as well as hotel packages for stays before or after a voyage.

An innovator in cruise travel, Norwegian operates 15 ships that have been purpose-built to offer guests the freedom and flexibility to design their ideal cruise vacation on their schedule. Norwegian invites guests to enjoy a relaxed, resort style cruise vacation on some of the newest and most contemporary ships at sea with a wide variety of accommodation options, including, on certain ships, The Haven by Norwegian®, a luxury enclave with suites, private pools and dining, concierge service and personal butlers, that offers a

“ship within a ship” experience. The additional ships that we plan to add to our Norwegian fleet as part of Project Leonardo will introduce additional innovative features that we believe will further elevate the guest experience. Norwegian has been named “North America’s Leading Cruise Line” for the second time, along with being honored as the “Caribbean’s Leading Cruise Line” for the fifth consecutive year and “Europe’s Leading Cruise Line” for the tenth consecutive year at the 2017 World Travel Awards. Regent Seven Seas Cruises also consistently places in Travel + Leisure’s top 5 Best Ocean Cruise Lines with Midsized Ships and tops U.S. News & World Report’s best cruise lines rankings. In 2016, Cruise Critic recognized Seven Seas Explorer as the Best New Luxury Ship and Porthole Cruise Magazine recognized Seven Seas Explorer as the Best Luxury Ship. Our Competitive Strengths

We believe that the following business strengths will enable us to execute our strategy:

Rich Stateroom Mix

The Norwegian, Oceania Cruises and Regent fleets offer an attractive mix of staterooms, suites and villas. Norwegian's accommodations include the groundbreaking Studio staterooms designed for solo travelers centered around the Studio Lounge, a private lounge area solely for Studio guests, as well as ocean views, balconies, and connecting accommodations to meet the needs of all types of cruisers. Norwegian's suites range from two bedroom family suites to penthouses and owner suites, as well as three bedroom Garden Villas measuring up to 6,694 square feet. In addition, nine of Norwegian's ships offer The Haven, a key-card access enclave on the upper decks with luxurious suite accommodations, exclusive amenities, and 24/7 butler and concierge service. The Haven suites surround a private courtyard with pool, hot tubs, sundeck, fitness center and steam rooms. Onboard Norwegian Epic, the Breakaway Class Ships and the Breakaway Plus Class Ships, The Haven also includes a private lounge and fine dining restaurant.

The spacious and elegant accommodations on Oceania Cruises' six award-winning ships, the 684-Berth Regatta, Insignia, Sirena and Nautica, and the 1,250-Berth Marina and Riviera, range from 160-square foot inside staterooms to opulent 2,030-square foot owner suites. The Regent fleet is comprised of four ships — Seven Seas Voyager, Seven Seas Mariner and Seven Seas Explorer feature all-suite, all-balcony accommodations and a majority of the accommodations on Seven Seas Navigator include balconies.

High-Quality Service

The Norwegian, Oceania Cruises and Regent brands all offer a high level of onboard service. We collaborate amongst the brands to provide an enhanced guest experience across all brands. Norwegian offers guests the freedom and flexibility to design their ideal cruise vacation on their schedule with no set dining times, a variety of entertainment options and no formal dress codes. Oceania Cruises and Regent are known for their quality of service, including some of the highest crew-to-guest ratios in the industry and a staff trained to deliver personalized and attentive service in a country club, casual setting.

Diverse Selection of Premium Itineraries

We have expanded our already broad range of premium itineraries. Our fleet has a worldwide deployment, offering a few days to 180-day itineraries, including destinations in Scandinavia, Russia, the Mediterranean, the Greek Isles, Alaska, Canada and New England, Asia, Tahiti and the South Pacific, Australia and New Zealand, Africa, India, South America, the Panama Canal, and the Caribbean. We introduced a new destination, Harvest Caye, in November 2016. This destination in Southern Belize features Belize's only cruise ship pier, expansive seven acre white sand beach, 15,000 sq. ft. pool with swim up bar, multiple dining options and a nature center with wildlife experiences plus adventure tours.

Strong Cash Flow

We believe our business model will generate a significant amount of cash flow with high revenue visibility. All three of our brands afford the ability to pre-sell tickets, receive customer deposits and sell onboard activities in advance with long lead times ahead of sailing. In terms of newbuild capital expenditures, the cash flow impact is mitigated as we have obtained export credit financing for the ships which is expected to fund approximately 80% of the contract price of each ship expected to be delivered through 2025, subject to certain conditions.

Highly Experienced Management Team

Our senior management team is comprised of executives with extensive experience in the cruise, travel, leisure and hospitality-related industries. Frank J. Del Rio is our President and Chief Executive Officer of NCLH. He has been successful in leading the integration of Norwegian, Oceania Cruises and Regent brands. Prior to this, he had been responsible for the financial and strategic development of Prestige. Mr. Del Rio founded Oceania Cruises in October 2002 and played a vital role in the development of Renaissance Cruises from 1993 to 2001. Andrew Stuart is our President and Chief Executive Officer of our Norwegian brand. Mr. Stuart joined Norwegian in 1988 and has held several Senior Management positions in Sales, Marketing and Passenger Services during his tenure before becoming President and Chief Executive Officer. Robert Binder is our Vice Chairman for the Oceania Cruises and Regent brands and President and Chief Executive Officer, Oceania Cruises brand and Jason M. Montague is our President and Chief Executive Officer for the Regent brand. Mr. Binder and Mr. Montague were instrumental in launching Oceania Cruises in 2002 and are widely regarded as its co-founders. Our Business Strategies

Driving Demand

We seek to attract vacationers to our products and services in several ways, including:

- delivering an enhanced, value-added vacation experience to our guests relative to other vacation alternatives via our market-to-fill strategy;
- creating diverse and unique itineraries in new and existing markets for our current and upcoming ships;
- utilizing effective marketing and sales force initiatives; and
- expanding internationally.

Our market-to-fill strategy, itinerary diversification, marketing and sales force initiatives and international expansion strategies contribute to driving increased revenues for our fleet. Our market-to-fill strategy maintains pricing integrity by offering both the best price early in the booking cycle and value-added promotions when necessary to mitigate the need to compromise on price.

Diversification of deployment is achieved by our destination management team which reviews deployments across the fleet, either repositioning ships to new destinations or fine-tuning itineraries, with the goal of creating product scarcity which, in turn, leads to higher pricing.

We also seek to increase demand through effective marketing campaigns across various channels such as branding campaigns on nationwide television or targeted mail campaigns aimed at supporting seasonal deployments. Our sales forces are also drivers of demand, particularly in terms of educating travel agents on our products and services in order for them to better sell to potential vacationers.

Lastly, our international expansion efforts are aimed at increasing brand awareness across the globe which allows us to diversify our guest sourcing. We maintain numerous sales offices which support sales and marketing efforts in various markets outside of North America including the United Kingdom, Europe, China, Australia, Brazil, India, Japan and Singapore.

Leveraging Scale to Suppress Costs

We continue to leverage the combined purchasing power of our three brands to reduce costs throughout the organization. This initiative is bolstered by our Supply Chain and Logistics Management function which supports our three brands as well as our corporate and international offices.

Enhanced Product Offerings and Guest Experience

Norwegian's ships offer up to 28 dining options, a diverse range of accommodations and what we believe is the widest array of entertainment at sea. Oceania Cruises' award-winning onboard dining, with multiple open seating dining venues, is a central highlight of its cruise experience. Regent's all-inclusive offering includes air transportation, shore excursions, hotel packages, specialty restaurants, premium spirits and fine wines, gratuities, wi-fi and other amenities.

Maximize Revenue

We focus on growing revenue through various initiatives aimed at increasing ticket prices and Occupancy Percentages as well as onboard spending to drive higher overall revenue. Our specific initiatives include:

Strategic Relationships. We have strategic relationships with travel agencies and tour operators who commit to purchasing a certain level of inventory with long lead times.

Meetings, Incentives and Charters. We maintain our focus on the meetings, incentives and charters channel, which typically books very far in advance and can represent a significant portion of the ship, or even an entire sailing, in one transaction.

Promotional Strategy. With our Norwegian brand, we utilize a more inclusive product offering on certain sailings and in certain cabin selections which provides guests a choice of one to five onboard amenities.

Casino Player Strategy. We have non-exclusive arrangements with over 100 casino partners worldwide whereby loyal gaming guests are offered cruise reward certificates redeemable for cruises. Through property sponsored events and joint marketing programs, we have the opportunity to market cruises to these guests. These arrangements with casino partners have the dual benefit of filling open inventory and reaching guests expected to generate above average onboard revenue through the casino and other onboard spending.

Optimization of Deployment. We manage our ships' deployment to promote better breadth of itineraries and to offer sailings further in advance.

Ship Refurbishments. We have invested in revitalizations to our ships which provides a product which we believe delivers higher guest satisfaction and, in turn, higher pricing.

Disciplined Fleet Expansion

We have Norwegian Bliss and Norwegian Encore on order for delivery in the spring of 2018 and the fall of 2019, respectively. These ships will be the largest in our fleet, each reaching approximately 164,600 Gross Tons. With approximately 3,770 to 4,000 Berths each, they will be similar in design to our first Breakaway Plus Class Ship, Norwegian Escape, which was delivered in October 2015, and will include additional innovative features. We also have a contract to build a second Explorer Class Ship, Seven Seas Splendor to be delivered in the winter of 2020. Project Leonardo consists of four ships on order with expected delivery dates through 2025 with an option for two additional ships for delivery in 2026 and 2027, subject to certain conditions. The four Leonardo ships are each 140,000 gross tons with approximately 3,300 Berths. We have obtained export credit financing for the ships which is expected to fund approximately 80% of the contract price of each ship expected to be delivered through 2025, subject to certain conditions. We believe these new ships will allow us to continue expanding the reach of our brands, positioning us for accelerated growth and providing an optimized return on invested capital.

Expand and Strengthen Our Product Distribution Channels

As part of our growth strategy, we continually look for ways to deepen and expand our sales channels. We continue to invest in our brands by enhancing websites and passenger services departments through which travel agents and guests have the ability to book cruise vacations.

We focus on distribution through our three primary channels: "Retail/Travel Agent," "International," and "Meetings, Incentives and Charters."

Retail/Travel Agent. The retail/travel agent channel represents the majority of our ticket sales. Our travel partner base is comprised of an extensive network of approximately 23,000 independent travel agencies including brick and mortar, internet-based and home-based operators located in North America, South America, Europe, Africa, Asia and Australia. We have made substantial investments with improvements in booking technologies, transparent pricing strategies, effective marketing tools, improved communication and cooperative marketing initiatives. We have expanded sales force teams who work closely with our travel agency partners on maximizing their marketing and sales effectiveness across all three of our brands. Our focused account management is designed to create solutions catered to the individual retailer through product and sales training. This education creates a deeper understanding of all our offerings.

International. The international channel represents an underpenetrated channel of distribution and one that we have increased focus on since 2015. Focus on this market accomplishes the dual objective of allowing us to grow our yields and capacity faster than if we only focused on the North American market while also allowing us to diversify our risk. As part of this focus, we have undertaken a three-pronged strategy of:

- expanding the management, sales and marketing teams that oversees this area,
- broadening our travel agency distribution to multiple partners in each region, and
- expanding the geographic reach of our product by deploying our ships in areas that appeal to international guests and by personalizing our product for their tastes.

As part of this strategy, we have opened offices in Sydney, Shanghai, Beijing, Hong Kong, Mumbai, Tokyo, and Singapore and expanded or renovated our existing offices in Southampton, Sao Paulo and Wiesbaden.

For information regarding risks associated with our international operations, see Part I Item 1A-Risk Factors in this annual report on Form 10-K, including the risk factor titled “Conducting business internationally may result in increased costs and risks.”

Meetings, Incentives and Charters. This channel focuses on full ship charters as well as corporate meetings and incentive travel. These sales often have very long lead times and can fill a significant portion of the ship’s capacity, or even an entire sailing, in one transaction. The acquisition of Sixthman in 2012, a company specializing in developing and delivering music-oriented charters, opened up a new market for travel partners enabling travel partners to sell high-quality music experiences at sea to guests.

Itineraries

We offer cruise itineraries ranging from a few days to 180-days calling on worldwide locations, including destinations in Scandinavia, Russia, the Mediterranean, the Greek Isles, Alaska, Canada and New England, Asia, Tahiti and the South Pacific, Australia and New Zealand, Africa, India, South America, the Panama Canal, and the Caribbean. We have developed, and are continuing to develop, innovative itineraries to position our ships in new and niche markets as well as in the mainstream markets throughout the world.

We believe that these destination-focused itineraries, complemented by a comprehensive shore excursion program (which is included in the all-inclusive fare for cruises on the Regent ships), differentiate our brands from many of our competitors. We call on varied destinations, many of which include overnight stays in port, allowing guests to have more in-depth experiences than would otherwise be possible in only a single day port call.

For some of our longer itineraries, we strive to maximize profitability by selling segments of the longer itineraries as shorter cruises (i.e., which last 7 to 20 days) in order to capture more time-constrained customers. We believe the deployment flexibility created by the use of longer itineraries translates off-peak seasons into more profitable portions of longer cruises. We have bolstered our presence internationally by opening sales offices in Shanghai, Beijing, Hong Kong, Sydney, Singapore, Tokyo and Mumbai which will further increase sourcing from these markets for all three brands.

In addition to expanding our international sourcing efforts, we are in the process of deploying our vessels to new destinations around the world. Norwegian Joy homeports year-round in the Asia Pacific region with itineraries that include many of the region’s ports.

Additionally, all three of our brands sail to the Republic of Cuba. These sailings began in the spring of 2017, and offer U.S. travelers the opportunity to visit the culturally rich country on select Caribbean sailings that include calls in the historic city of Havana.

Passenger Ticket Revenue

We offer our guests a wide variety of cruise fare options when booking a cruise. Our cruise ticket prices generally include cruise fare and a wide variety of onboard activities and amenities, as well as meals and entertainment. In some instances, cruise ticket prices include round-trip airfare to and from the port of embarkation, complimentary beverages, unlimited shore excursions, free internet, pre-cruise hotel packages, and on some of the exotic itineraries pre or post land packages. Prices vary depending on the particular cruise itinerary, stateroom category selected and the time of year that the voyage takes place.

Onboard and Other Revenue

All three brands generate onboard and other revenue for additional products and services which are not included in the cruise fare, including casino operations, certain food and beverage, gift shop purchases, spa services, photo services and other similar items. Food and beverage, casino operations and shore excursions are generally managed directly by us while retail shops, spa services, art auctions and internet services may be managed through contracts with third-party concessionaires. These contracts generally entitle us to a fixed percentage for the gross sales derived from these concessions. Norwegian’s ticket prices typically include cruise accommodations, meals in certain dining facilities and many onboard activities such as entertainment, pool-side activities, some internet services and various sports programs. Norwegian generates additional revenue on our ships from casino operations, food and beverage, shore excursions, gift shop purchases, spa services, photo services and other similar items. To maximize onboard revenue, Norwegian uses various cross-marketing and promotional tools which are supported by point-of-sale systems permitting “cashless” transactions for the sale of these products and services. Oceania Cruises’ offerings may include air transportation and certain other amenities. Regent’s offerings typically include air transportation, a pre-cruise hotel night stay (for concierge level and above), premium wines and top shelf liquors, gratuities and unlimited shore excursions. Both Regent and Oceania Cruises generate additional revenue from casino operations, gift shop purchases, premium shore excursions and spa services.

Onboard and other revenue accounted for 31%, 30% and 28% of our consolidated revenue in 2017, 2016 and 2015, respectively.

Revenue Management Practices

Our revenue management function performs extensive analyses in order to determine booking history and trends by sailing, stateroom category, travel partner, market segment, itinerary and distribution channel in order to determine cruise ticket pricing. We concentrate on improving early booking occupancy rates to drive higher Net Yields. We execute targeted and high-frequency marketing campaigns that communicate a message of a value-packed cruise offering in both North American and select international markets. To increase the effectiveness of these targeted marketing programs, we emphasize communication to keep the travel agents engaged and informed and utilize call centers focusing on both inbound calls and outbound calls to high potential targeted customers. This

marketing strategy assists in maximizing the revenue potential from each customer contact generated by various marketing campaigns. We believe these strategies and other initiatives executed by our distribution channels will drive sustainable growth in the number of guests carried and in Net Yields achieved.

Seasonality

Our revenue is seasonal and based on the demand for cruises. Historically, the seasonality of the North American cruise industry generally results in the greatest demand for cruises during the Northern Hemisphere's summer months. This predictable seasonality in demand has resulted in fluctuations by quarter in our revenue and results of operations. The seasonality of our results is increased due to ships being taken out of service for regularly scheduled Dry-docks, which we typically schedule during non-peak demand periods.

Competition

Our primary competition includes operators such as Carnival Corporation & Carnival plc, which owns and operates Carnival Cruise Line, Holland America Line, Princess Cruises and Seabourn Cruise Line, among others, and Royal Caribbean Cruises Ltd., which owns and operates Royal Caribbean International, Celebrity Cruises and Azamara Club Cruises, among others, as well as other cruise lines such as MSC Cruises, Crystal Cruises, Silversea Cruises and Viking Ocean Cruises. In addition, we compete with land-based vacation alternatives, such as hotels and resorts, vacation ownership properties, casinos, and tourist destinations throughout the world.

Sales of cruises and onboard offerings are subject to consumer discretionary spending levels and may be influenced by geopolitical events and economic conditions.

Marketing Strategy

Our marketing teams work to enhance brand awareness and increase levels of understanding and consideration of our products and services among consumers and trade and travel partners with the ultimate goal of driving sales. We utilize a multi-channel strategy that may include a combination of print, television, radio, website/e-commerce, direct mail, social media, mobile and e-mail campaigns, partnerships, customer loyalty initiatives, market research, and business-to-business events.

Building customer loyalty among our past guests is an important element of our marketing strategy. We believe that attending to the needs and motivations of our past guests creates a cost-effective means of attracting business, particularly to our new ships and itineraries, because past guests are familiar with our brands, products and services and often return to cruise with us. We have shared customer databases across our brands to further enhance our communications with our past guests who receive newsletters and mailings with informative destination and product information and promotional amenities. Continued investments in our websites is also key to ensuring the optimal pre-cruise planning experience offering guests the ability to shop, reserve and purchase a breadth of onboard products and services. We have a strong communications stream that provides customized pre-cruise information to help guests maximize their cruise experience as well as a series of communications to welcome them home and ultimately engage them in booking another cruise.

Travel agents are crucial to our marketing and distribution efforts. We provide robust marketing support and enhanced tools for our travel agent partners through a variety of programs. Our travel partners can benefit from our online travel partner education programs that include a wide variety of courses about our ships, itineraries and other best-selling practices. Agents can also easily customize a multitude of consumer marketing materials for their use in promoting our products through our online platform.

Guest feedback is also a critically important element in the development of our overall marketing and business strategies. We regularly initiate guest feedback studies among both travel partners and consumers to assess the impact of various programs and/or to solicit information that helps shape future direction.

Ship Operations and Cruise Infrastructure

Ship Maintenance and Logistics

Sophisticated and efficient maintenance and operations systems support the technical superiority and modern look of our fleet. In addition to routine repairs and maintenance performed on an ongoing basis and in accordance with applicable requirements, each of our ships is generally taken out of service, approximately every 24 to 60 months, for a period of one or more weeks for scheduled maintenance work, repairs and improvements performed in Dry-dock. Dry-dock interval is a statutory requirement controlled under IMO requirements reflected in chapters of the International Convention of the Safety of Life at Seas ("SOLAS") and to some extent the International Load Lines Convention. Under these regulations, it is required that a passenger ship Dry-dock once in five years (depending on age of vessel), twice in 5 years (depending on flag state and age of vessel) and the maximum interval between each Dry-dock cannot exceed 3 years (depending age of vessel and flag state). However, most of our international ships qualify under a special exemption provided by the Bahamas and/or Marshall Islands (flag state), as applicable, after meeting certain criteria set forth by the ship's flag state to Dry-dock once every 5 years. To the extent practical, each ship's crew, catering and hotel staff remain with the ship during the Dry-dock period and assist in performing repair and maintenance work. Accordingly, Dry-dock work is typically performed during non-peak demand periods to minimize the adverse effect on revenue that results from ships being out of service. Dry-docks are typically scheduled in spring or autumn and depend on shipyard availability.

Suppliers

Our largest capital expenditures are for ship construction and acquisition. Our largest operating expenditures are for payroll and related (including our contract with a third party who provides certain crew services), fuel, food and beverage, advertising and marketing and travel agent services. Most of the supplies that we require are available from numerous sources at competitive prices. In addition, owing to the large quantities that we purchase, we can obtain favorable prices for many of our supplies. Our purchases are denominated primarily in U.S. dollars. Payment terms granted by the suppliers are generally customary terms for the cruise industry.

Crew and Staff

Best-in-class guest service levels are paramount in the markets in which we operate, where travelers have discriminating tastes and high expectations for service quality. We have dedicated increasing attention and resources to ensure that our service offerings on all of our ships meet the demands of our guests. Among other initiatives, we have implemented rigorous onboard training programs, with a focus on career development. We believe that our dedication to anticipating and meeting our guests' every need differentiates our operations and fosters close relationships between our guests and crew, helping to build customer loyalty.

We place the utmost importance on the safety of our guests and crew. We operate all of our vessels to meet and exceed the requirements of SOLAS and International Management Code for the Safe Operation of Ships and for Pollution Prevention ("ISM Code"), the international safety standards which govern the cruise industry. Every crew member is well trained in the Company's stringent safety protocols, participating in regular safety trainings, exercises and drills onboard every one of our ships.

Our captains are experienced seafarers. We further ensure that our captains regularly undergo rigorous training on navigation and bridge operations. To assist our captains and officers while at sea, we have extensive navigation protocols in place. Our bridge operations are based on robust navigational procedures and risk analysis. Our bridge teams follow pre-set voyage plans which are thoroughly reviewed and discussed by the captain and bridge team prior to port departures and arrivals. In addition, all of our ships employ the latest state-of-the-art navigational equipment and technology to ensure that our bridge teams have the most accurate data regarding the planned itinerary.

Prior to every cruise setting sail or upon departure, we hold a mandatory safety drill for all guests during which important safety information is reviewed and demonstrated. We also show an extensive safety video which runs continuously on the stateroom televisions. Our fleet is equipped with modern navigational control and fire prevention and control systems. In recent years, our ships have continuously been upgraded and include internal and external regulatory audits.

We have developed Safety Management Systems ("SMS"), which establish policies, procedures, training, qualification, quality, compliance, audit and self-improvement standards for all employees, both shipboard and shoreside. SMS also provides real-time reports and information to support the fleet and risk management decisions. Through these systems, our senior managers, as well as ship management, can focus on consistent, high quality operation of the fleet. Our SMS are approved and audited regularly by our classification society, Lloyds Register, and they also undergo regular internal audits as well as annual/semiannual inspections by the U.S. Coast Guard, flag state and other port and state authorities. We screen and train our crew to ensure crew familiarity and proficiency with the safety equipment onboard. Various safety measures have been implemented on all of our ships and additional personnel have been appointed in our ship operations departments.

Insurance

We maintain insurance on the hull and machinery of our ships, which are maintained in amounts related to the estimated market value of each ship. The coverage for each of the hull and machinery policies is maintained with syndicates of insurance underwriters from the European and U.S. insurance markets.

In addition to the insurance coverage on the hull and machinery of our ships, we seek to maintain comprehensive insurance coverage and believe that our current coverage is at appropriate levels to protect against most of the accident-related risks involved in the conduct of our business. The insurance we carry includes:

- Protection and indemnity insurance (coverage for passenger, crew and third-party liabilities), including insurance against risk of pollution liabilities;
- War risk insurance, including terrorist risk insurance. The terms of our war risk policies include provisions where underwriters can give seven days' notice to the insured that the policies will be cancelled in the event of a change of risk which is typical for policies in the marine industry. Upon any proposed cancellation the insurer shall, before expiry of the seven day period, submit new terms; and
- Insurance for our shoreside property and general liability risks.

We believe that all of our insurance coverage, including those noted above, is subject to market-standard limitations, exclusions and deductible levels.

The Athens Convention Relating to the Carriage of Passengers and Their Luggage by Sea (1974) (the "Athens Convention") and the Protocol to the Athens Convention Relating to the Carriage of Passengers and Their Luggage by Sea (1976) (the "1976 Protocol") are generally applicable to passenger ships. The U.S. has not ratified the Athens Convention; however, with limited exceptions, the 1976 Protocol may be contractually enforced with respect to cruises that do not call at a U.S. port. The IMO Diplomatic Conference agreed

to a new protocol to the Athens Convention on November 1, 2002 (the “2002 Protocol”). The 2002 Protocol, which took effect on April 23, 2014, establishes for the first time a level of compulsory insurance which must be maintained by passenger ship operators with a right of direct action against the insurer. In addition, on December 31, 2012, the European Union (“EU”) Passenger Liability Regulation became effective and requires us to carry a minimum level of financial responsibility per passenger per incident. We believe the amount of our protection and indemnity policy coverage provides the compulsory insurance; however, no assurance can be given that affordable and secure insurance markets will remain available to provide the level and type of coverage required.

Trademarks and Tradenames

Under the Norwegian brand, we own a number of registered trademarks relating to, among other things, the names “NORWEGIAN CRUISE LINE” and “FEEL FREE,” the names of our ships (except where trademark applications for these have been filed and are pending), incentive programs and specialty services rendered on our ships and specialty accommodations such as “THE HAVEN BY NORWEGIAN.” In addition, we own registered trademarks relating to the “FREESTYLE” family of names, including, “FREESTYLE CRUISING,” “FREESTYLE DINING” and “FREESTYLE VACATION.” We believe that these trademarks are widely recognized throughout North America, Europe and other areas of the world and have considerable value.

Under the Oceania Cruises brand, we own a number of registered trademarks relating to, among other things, the names “OCEANIA CRUISES” and its logo, “REGATTA,” “INSIGNIA,” and “YOUR WORLD. YOUR WAY.”

Under the Regent brand, we own registered trademarks relating to, among other things, the names “SEVEN SEAS CRUISES” and “LUXURY GOES EXPLORING” as well as the names of our ships (except where trademark applications have been filed and are pending).

We also claim common law rights in trademarks and tradenames used in conjunction with our ships, incentive programs, customer loyalty program and specialty services rendered onboard our ships for each of our brands.

The Regent ships have been operating under the Regent brand since 2006. We entered into a trademark license agreement with Regent Hospitality Worldwide, Inc., which we amended in February 2011, granting us the right to use the “Regent” brand family of marks. The amended trademark license agreement allows Regent to use the Regent tradename, in conjunction with cruises, in perpetuity, subject to the terms and conditions in the agreement.

Regulatory Issues

Registration of Our Ships

Seventeen of the ships that we currently operate are registered in the Bahamas. One of our ships, Pride of America, is a U.S.-flagged ship. Seven of our ships are registered in the Marshall Islands. Our ships registered in the Bahamas and the Marshall Islands are inspected at least annually pursuant to Bahamian and Marshall Islands requirements and are subject to International laws and regulations and to various U.S. federal regulatory agencies, including, but not limited to, the U.S. Public Health Service and the U.S. Coast Guard. Our U.S.-registered ship is subject to laws and regulations of the U.S. federal government, including, but not limited to, the Food and Drug Administration (“FDA”), the U.S. Coast Guard and U.S. Department of Labor. The international, national, state and local laws, regulations, treaties and other legal requirements applicable to our operations change regularly, depending on the itineraries of our ships and the ports and countries visited.

Our ships are subject to inspection by the port regulatory authorities in the various countries that they visit. Such inspections include verification of compliance with the maritime safety, security, environmental, customs, immigration, health and labor regulations applicable to each port as well as with international requirements.

Environmental Protection

Our ships are subject to various international, national, state and local laws and regulations relating to environmental protection, including those that govern air emissions, waste discharge, water management and disposal, and use and disposal of hazardous substances such as chemicals, solvents and paints. Under such laws and regulations, we are prohibited from discharging certain materials, such as petrochemicals and plastics, into waterways, and we must adhere to various air quality-related requirements.

With regard to air quality requirements, the International Maritime Organization’s (“IMO”) convention entitled Prevention of Pollution from Ships (“MARPOL”) has set a global limit on fuel sulfur content of 0.5% (reduced from the current 3.5% global limit) beginning January 2020. Alternative compliance methods, such as the use of alternative fuels, or sulfur scrubbers that reduce an equivalent amount of sulfur emissions, may also be utilized. This fuel standard was initially set in 2008 and was reviewed in 2016 to determine the availability of fuel oil to comply with this standard. The review took into account supply and demand in the global fuel oil market, an analysis of trends in fuel oil markets and other relevant issues. The result of the review was to confirm the date of implementation as January 2020.

MARPOL also requires stricter limitations on sulfur emissions within designated Emission Control Areas (“ECAs”), which include the Baltic Sea, the North Sea/English Channel, North American waters and the U.S. Caribbean Sea. Ships operating in these waters are required to use fuel with a sulfur content of no more than 0.1% or use approved alternative emission reduction methods. Additional ECAs may also be established in the future, with areas around Norway, Japan, and the Mediterranean Sea being considered.

Ballast water discharges are governed by the MARPOL Ballast Water Management Convention, which came into force in 2017 (“The Convention”), and which governs the discharge of ballast water from ships. Ballast water, which is seawater held onboard ships and used for stabilization, may contain a variety of marine species. The Convention is designed to regulate the treatment and discharge of ballast water to avoid the transfer of marine species to new, different, or potentially unsuitable environments.

MARPOL also sets forth requirements for discharges of garbage, oil and sewage from ships, including regulations regarding the ships’ equipment and systems for the control of such discharges, and the provision of port reception facilities for sewage handling. Ships are generally prohibited from discharging sewage into the sea within a specified distance from the nearest land. Governments are required to ensure the provision of adequate reception facilities at ports and terminals for the reception of sewage, without causing delay to ships. Ships are generally required to be equipped with either approved sewage treatment plants, disinfecting systems or sewage holding tanks.

Recently adopted amendments to MARPOL will make the Baltic Sea a “Special Area” where sewage discharges from passenger ships will be prohibited. Stricter discharge restrictions will be in effect for new passenger ships in 2019, and for existing passenger ships starting in 2021.

These requirements may impact our operations unless suitable port waste facilities are available, or new technologies for onboard waste treatment are developed. Accordingly, the cost of complying with these requirements is not determinable at this time.

In the U.S., the Clean Water Act of 1972, and other laws and regulations, provide the Environmental Protection Agency (“EPA”) with the authority to regulate commercial vessels’ incidental discharges of ballast water, bilge water, gray water, anti-fouling paints and other substances during normal operations while a vessel is in inland waters, within three nautical miles of land, and in designated federally-protected waters. The U.S. National Pollutant Discharge Elimination System (“NPDES”) program, authorized by the Clean Water Act, was established to reduce pollution within U.S. territorial waters. For our affected ships, all of the NPDES requirements are set forth in the EPA’s Vessel General Permit (“VGP”). The VGP establishes effluent limits for 26 specific discharge streams incidental to the normal operation of a vessel. In addition to these discharge- and vessel-specific requirements, the VGP includes requirements for inspections, monitoring, reporting and recordkeeping.

The Act to Prevent Pollution from Ships, which implements the MARPOL in the U.S., provides for potentially severe civil and criminal penalties related to ship-generated pollution for incidents in U.S. waters within three nautical miles of land and, in some cases, within the 200-nautical mile Exclusive Economic Zone (“EEZ”).

The Oil Pollution Act of 1990 (“OPA 90”) provides for strict liability for water pollution caused by the discharge of oil in the 200-nautical mile EEZ of the U.S., subject to defined monetary limits. OPA 90 requires that in order for us to operate in U.S. waters, we must have Certificates of Financial Responsibility (“COFR”) from the U.S. Coast Guard for each ship. Our continued OPA 90 certification signifies our ability to meet the requirements for related OPA 90 liability in the event of an oil spill or release of a hazardous substance.

Many coastal U.S. states have also enacted environmental regulations that impose strict liability for removal costs and damages resulting from a discharge of oil or a release of a hazardous substance. These laws may be more stringent than U.S. federal law and, in some cases, the laws have no statutory limits of liability. Among the most stringent requirements are those set by the State of Alaska, which has enacted legislation that prohibits certain discharges in designated state waters and requires that certain discharges be monitored to verify compliance with the established standards. The legislation also provides that repeat violators of the regulations could be prohibited from operating in Alaskan waters.

The European Union (“EU”) has also adopted a substantial and diverse range of environmental measures aimed at maintaining or improving the quality of the environment. To support the implementation and enforcement of European environmental legislation, the EU has adopted directives on environmental liability and enforcement as well as a recommendation providing for minimum criteria for environmental inspections.

With regard to air emissions from seagoing ships, the EU requires the use of low sulfur (less than 0.1%) marine gas oil in EU ports. Passenger ships on regular service to EU ports (and not operating in an ECA) are required to use fuels containing a maximum sulfur content of 1.5%. The EU has set January 2020 as the compliance date for the 0.5% fuel sulfur limit within their jurisdictional waters.

In addition to the existing legal requirements, we are committed to helping to preserve the environment, because a clean, unspoiled environment is a key element that attracts guests to our ships. Furthermore, NCL (Bahamas) Ltd. and NCL (America) LLC are certified under the International Organization for Standardization’s 14001 Standard. This voluntary standard sets requirements for establishment and implementation of a comprehensive environmental management system which we have adopted for our operations. Currently we operate under an Environmental Management System that is incorporated into the Company’s SMS.

If we violate or fail to comply with environmental laws, regulations or treaties, we could be fined or otherwise sanctioned by regulators. We have made, and will continue to make, capital and other expenditures to comply with changing environmental laws, regulations and treaties. Any fines or other sanctions for violation or failure to comply with environmental requirements or any expenditures required to comply with environmental requirements could have a material adverse effect on our business, operations,

cash flow or financial condition.

Permits for Glacier Bay, Alaska

In connection with certain Alaska cruise operations, we rely on concession permits from the U.S. National Park Service to operate our ships in Glacier Bay National Park and Preserve. We currently hold a concession permit allowing for 22 calls per summer cruising season through September 30, 2019. However, there can be no assurance that such permit will be renewed when necessary or that regulations relating to the renewal of such permit will remain unchanged in the future.

Passenger Well-Being

In the U.S., we must meet the U.S. Public Health Service's requirements, which include vessel ratings by inspectors from the Vessel Sanitation Program of the Centers for Disease Control and Prevention ("CDC") and the U.S. Food and Drug Administration ("FDA"). We rate at the top of the range of CDC and FDA scores achieved by the major cruise lines. In addition, the cruise industry and the U.S. Public Health Service have agreed on regulations for food, water and hygiene, aimed at proactively protecting the health of travelers and preventing illness transmission to U.S. ports.

Security and Safety

The IMO has adopted safety standards as part of the SOLAS convention, which apply to all of our ships. SOLAS establishes requirements for vessel design, structural features, construction methods and materials, refurbishment standards, life-saving equipment, fire protection and detection, safe management and operation and security in order to help ensure the safety and security of our guests and crew. All of our crew undergo regular security and safety training exercises that meet all international and national maritime regulations.

SOLAS requires that all cruise ships are certified as having safety procedures that comply with the requirements of the International Management Code for the Safe Operation of Ships and for Pollution Prevention ("ISM Code"). All of our ships are certified as to compliance with the ISM Code. Each such certificate is granted for a five-year period and is subject to periodic verification.

The SOLAS requirements are amended and extended by the IMO from time to time. For example, the International Port and Ship Facility Code ("ISPS Code") was adopted by the IMO in December 2002 with the goal of strengthening maritime security by placing new requirements on governments, port authorities and shipping companies.

Amendments to SOLAS required that ships constructed in accordance with pre-1974 SOLAS requirements install automatic sprinkler systems. IMO adopted an amendment to SOLAS which requires partial bulkheads on stateroom balconies to be of non-combustible construction. The SOLAS regulation implemented Long-Range Identification and Tracking. All of our ships are in compliance with the requirements of SOLAS as amended and/or as applicable to the keel-laying date.

In addition to the requirements of the ISPS Code, the U.S. Congress enacted the Maritime Transportation Security Act of 2002 ("MTSA") which implements a number of security measures at ports in the U.S. including measures that apply to ships registered outside the U.S. while docking at ports in the U.S. The U.S. Coast Guard has published MTSA regulations that require a security plan for every ship entering the territorial waters of the U.S., provide for identification requirements for ships entering such waters and establish various procedures for the identification of crew members on such ships. The Transportation Workers Identification Credential is a U.S. requirement for accessibility into and onto U.S. ports and U.S.-flagged ships.

Maritime-Labor

In 2006, the International Labor Organization ("ILO"), an agency of the United Nations that develops and oversees international labor standards, adopted a new Consolidated Maritime Labor Convention ("MLC 2006"). MLC 2006 contains a comprehensive set of global standards based on those that are already found in 68 maritime labor Conventions and Recommendations adopted by the ILO since 1920. MLC 2006 includes a broad range of requirements, such as a broader definition of a seafarer, minimum age of seafarers, medical certificates, recruitment practices, training, repatriation, food, recreational facilities, health and welfare, hours of work and rest, accommodations, wages and entitlements. MLC 2006 added requirements not previously in effect, in the areas of occupational safety and health. MLC 2006 became effective in certain countries commencing August 2013. The Standard of Training Certification and Watch Keeping for Seafarers ("STCW"), as amended, establishes minimum standards relating to training, certification and watch-keeping for our seafarers.

Financial Requirements

The Federal Maritime Commission ("FMC") requires evidence of financial responsibility for those offering transportation on passenger ships operating out of U.S. ports to indemnify passengers in the event of non-performance of the transportation. Accordingly, each of our three brands are required to maintain a \$30.0 million third-party performance guarantee in respect of liabilities for non-performance of transportation and other obligations to passengers. The guarantee requirements are subject to additional consumer price index-based adjustments. Also, our brands have a legal requirement to maintain a security guarantee based on cruise business originated from the U.K. As of December 31, 2017, approximately British Pound Sterling 11.8 million was in place as a security guarantee. We also are required to establish financial responsibility by other jurisdictions to meet liability in the event of non-performance of our obligations to passengers from those jurisdictions.

From time to time, various other regulatory and legislative changes have been or may in the future be proposed that may have an

effect on our operations in the U.S. and the cruise industry in general.

For information regarding risks associated with our compliance with legal and regulatory requirements, see Part I Item 1A-Risk Factors in this annual report on Form 10-K, including the risk factor titled “We are subject to complex laws and regulations, including environmental laws and regulations, which could adversely affect our operations and any changes in the current laws and regulations could lead to increased costs or decreased revenue.”

Taxation

U.S. Income Taxation

The following discussion is based upon current provisions of the Internal Revenue Code (the “Code”), U.S. Treasury regulations, administrative rulings and court decisions, all of which are subject to change, possibly with retroactive effect. Changes in these authorities may cause the tax consequences to vary substantially from the consequences described below.

Exemption of International Shipping Income under Section 883 of the Code

Under Section 883 of the Code (“Section 883”) and the related regulations, a foreign corporation will be exempt from U.S. federal income taxation on its U.S.-source income derived from the international operation of ships (“shipping income”) if: (a) it is organized in a qualified foreign country, which is one that grants an “equivalent exemption” from tax to corporations organized in the U.S. in respect of each category of shipping income for which exemption is being claimed under Section 883; and (b) either: (1) more than 50% of the value of its stock is beneficially owned, directly or indirectly, by qualified shareholders, which includes individuals who are “residents” of a qualified foreign country; (2) one or more classes of its stock representing, in the aggregate, more than 50% of the combined voting power and value of all classes of its stock are “primarily and regularly traded on one or more established securities markets” in a qualified foreign country or in the U.S. (the “publicly traded test”); or (3) it is a “controlled foreign corporation” (a “CFC”) for more than half of the taxable year and more than 50% of its stock is owned by qualified U.S. persons for more than half of the taxable year (the “CFC test”). In addition, U.S. Treasury Regulations require a foreign corporation and certain of its direct and indirect shareholders to satisfy detailed substantiation and reporting requirements.

NCLH is incorporated in Bermuda, a qualified foreign country which grants an equivalent exemption, and NCLH meets the publicly traded test because its ordinary shares were primarily and regularly traded on the Nasdaq until December 18, 2017 and have been primarily and regularly traded on the New York Stock Exchange (“NYSE”) since December 19, 2017. Both the Nasdaq and the NYSE are considered to be established securities markets in the U.S. Therefore, we believe that NCLH qualifies for the benefits of Section 883.

We believe and have taken the position that substantially all of NCLH’s income, including the income of its ship-owning subsidiaries, is properly categorized as shipping income, and that we do not have a material amount of non-qualifying income. It is possible, however, that the IRS interpretation of shipping income could differ from ours and that a much larger percentage of our income does not qualify (or will not qualify) as shipping income. Moreover, the exemption for shipping income is only available for years in which we will satisfy complex tests under Section 883. There are factual circumstances beyond our control, including changes in the direct and indirect owners of NCLH’s ordinary shares, which could cause NCLH or its subsidiaries to lose the benefit of the exemption under Section 883. Further, any changes in our operations could significantly increase our exposure to taxation on shipping income, and we can give no assurances on this matter.

Under certain circumstances, changes in the identity, residence or holdings of NCLH’s direct or indirect shareholders could cause NCLH’s ordinary shares not to be regularly traded on an established securities market within the meaning of the regulations under Section 883. Therefore, as a precautionary matter, NCLH has provided protections in its bye-laws to reduce the risk of such changes impacting our ability to meet the publicly traded test by prohibiting any person, other than the Sponsors, from owning, directly, indirectly or constructively, more than 4.9% of NCLH’s ordinary shares unless such ownership is approved by NCLH’s Board of Directors (the “4.9% limit”). Any outstanding shares held in excess of the 4.9% limit will be transferred to and held in a trust.

For U.S. federal income tax purposes, Regent and its non-U.S. subsidiaries are disregarded as entities separate from their immediate foreign parent (PCH) and Oceania Cruises is treated as a corporation. For 2015, 2016 and 2017 both Regent and Oceania Cruises relied on NCLH’s ability to meet the requirements necessary to qualify for the benefits of Section 883 as discussed above.

Taxation of International Shipping Income Where Section 883 of the Code is Inapplicable

Unless exempt from U.S. federal income taxation, a foreign corporation is subject to U.S. federal income tax in respect of its “shipping income” that is derived from sources within the U.S. If we fail to qualify for the exemption under Section 883 in respect of our U.S.-sourced shipping income, or if the provision was repealed, then we will be subject to taxation in the U.S. on such income.

Generally, “shipping income” is any income that is derived from the use of vessels, from the hiring or leasing of vessels for use on a time, voyage or Bareboat Charter basis or from the performance of services directly related to those uses. For these purposes, shipping income attributable to transportation that begins or ends, but that does not both begin and end, in the U.S., which we refer to as “U.S.- source shipping income,” will be considered to be 50% derived from sources within the U.S.

If we do not qualify for exemption under Section 883, or if the provision was repealed, then any U.S.-sourced shipping income or any other income that is considered to be effectively connected income would be subject to federal corporate income taxation on a net basis (generally at a 35% rate, 21% rate effective January 1, 2018) and state and local taxes, and our effectively connected earnings and profits may also be subject to an additional branch profits tax of 30%, unless a lower treaty rate applies (the “Net Tax Regime”). Our U.S. source shipping income is considered effectively connected income if we have, or are considered to have, a fixed place of business in the U.S. involved in the earning of U.S. source shipping income, and substantially all of our U.S. source shipping income is attributable to regularly scheduled transportation, such as the operation of a vessel that follows a published schedule with repeated sailings at regular intervals between the same points for voyages that begin or end in the U.S.

If we do not have a fixed place of business in the U.S. or substantially all of our income is not derived from regularly scheduled transportation, the income will generally not be considered to be effectively connected income. In that case, we would be subject to a special 4% tax on our U.S. source shipping income (the “4% Tax Regime”).

Other United States Taxation

U.S. Treasury Regulations list several items of income which are not considered to be incidental to the international operation of ships and, to the extent derived from U.S. sources, are subject to U.S. federal income taxes under the Net Tax Regime discussed above. Income items considered non-incidental to the international operation of ships include income from the sale of single-day cruises, shore excursions, air and other transportation, and pre- and post-cruise land packages. We believe that substantially all of our income currently derived from the international operation of ships is shipping income.

Income from U.S.-flagged Operation under the NCL America

Income derived from our U.S.-flagged operation generally will be subject to U.S. corporate income taxes both at the federal and state levels. We expect that such income will not be subject to U.S. branch profits tax nor a U.S. dividend withholding tax under the U.S.-U.K. Income Tax Treaty.

U.K. Income Taxation

As a result of a restructuring, NCLH and NCLC became tax residents of the U.K. and are subject to normal U.K. corporation tax.

U.S. Taxation of Gain on Sale of Vessels

Gains from the sale of vessels should generally also be exempt from tax under Section 883 provided NCLH qualifies for exemption from tax under Section 883 in respect of our shipping income. If, however, our gain does not qualify for exemption under Section 883, or if the provision was repealed, then such gain could be subject to either the Net Tax Regime or the 4% Tax Regime.

Certain State, Local and Non-U.S. Tax Matters

We may be subject to state, local and non-U.S. income or non-income taxes in various jurisdictions, including those in which we transact business, own property or reside. We may be required to file tax returns in some or all of those jurisdictions. Our state, local or non-U.S. tax treatment may not conform to the U.S. federal income tax treatment discussed above. We may be required to pay non-U.S. taxes on dispositions of foreign property, or operations involving foreign property may give rise to non-U.S. income or other tax liabilities in amounts that could be substantial.

Changes in Tax Laws

The various tax regimes to which we are currently subject result in a relatively low effective tax rate on our worldwide income. These tax regimes, however, are subject to change, possibly with retroactive effect. For example, legislation has been proposed in the past that would eliminate the benefits of the exemption from U.S. federal income tax under Section 883 and subject all or a portion of our shipping income to taxation in the U.S. Moreover, we may become subject to new tax regimes and may be unable to take advantage of favorable tax provisions afforded by current or future law including exemption of branch profits and dividend withholding taxes under the U.S.-U.K. Income Tax Treaty on income derived in respect of our U.S.-flagged operation.

The Tax Cuts and Jobs Act (the “Act”) was enacted on December 22, 2017. Among other provisions, the Act reduces the U.S. federal corporate tax rate from 35% to 21%. The SEC staff issued Staff Accounting Bulletin (“SAB”) No. 118, which addresses how a company recognizes provisional amounts when a company does not have the necessary information available, prepared or analyzed (including computations) in reasonable detail to complete its accounting for the effect of the changes in the Act. The measurement period ends when a company has obtained, prepared and analyzed the information necessary to finalize its accounting, but cannot extend beyond one year. As of December 31, 2017, we have not completed the accounting for the tax effects of enactment of the Act; however, as described below, we have made a reasonable estimate of the effects on existing deferred tax balances. These amounts are provisional and subject to change. The most significant impact of the Act for the Company was a \$7.4 million reduction of the value of net deferred tax liabilities (which represent future tax expenses) that was recorded as a discrete tax benefit as a result of lowering the U.S. corporate income tax rate from 35% to 21%. The tax benefit represents a provisional amount and the Company’s current best estimate. Any adjustments recorded to the provisional amount through the end of 2018 will be included in income from operations as an adjustment to tax expense. The provisional amounts incorporate assumptions made based upon the Company’s current

interpretation of the Act and may change as the Company receives additional clarification and implementation guidance. Other aspects of the Act are either not applicable or not expected to have a material impact on the Company's consolidated financial statements.

Employees

As of December 31, 2017, we employed approximately 3,000 full-time employees worldwide in our shoreside operations and approximately 28,000 shipboard employees. Regent and Oceania Cruises' ships also utilize a third party to provide additional hotel and restaurant employees onboard. We refer you to "Risk Factors—Amendments to the collective bargaining agreements for crew members of our fleet and other employee relation issues may materially adversely affect our financial results" for more information regarding our relationships with union employees and our collective bargaining agreements that are currently in place.

Ports and Facilities

We own a private island in the Bahamas, Great Stirrup Cay, which we utilize as a port-of-call on certain itineraries. We have also developed a cruise destination in Belize, Harvest Caye, which we introduced in November 2016. In addition, we have entered into various agreements relating to port or berthing rights for our ships, which include the following:

- an agreement with the Government of Bermuda whereby we are permitted weekly calls in Bermuda through 2022 from Boston and New York.
- contracts with the Port of New Orleans, PortMiami, Port Canaveral and the Port of Tampa pursuant to which we receive preferential Berths to the exclusion of other vessels for certain specified days of the week at the cities' cruise ship terminals.
- a concession permit with the U.S. National Park Service whereby our ships are permitted to call on Glacier Bay during each summer cruise season through September 30, 2019.
- an agreement with the British Virgin Islands Port Authority granting priority berthing rights for a 15-year term through April 2032 with options to extend the agreement for two additional five year terms.
- an agreement with the West Indian Company Limited granting priority berthing rights in St. Thomas for a 10-year term through September 2026 with an option to extend the agreement for an additional five years.
- an agreement with the Port of Seattle for a 15-year lease through October 2030 with an option to extend the agreement for an additional five years where we have committed to a capital investment to develop the port for approximately \$30 million and the port has committed to reimburse \$15 million.

Segment Reporting

We have concluded that our business has a single reportable segment. Each brand, Norwegian, Oceania Cruises and Regent constitutes a business for which discrete financial information is available and management regularly reviews the operating results and, therefore, each brand is considered an operating segment. Our operating segments have similar economic and qualitative characteristics, including similar long-term margins and similar products and services; therefore, we aggregate all of the operating segments into one reportable segment.

Although we sell cruises on an international basis, our passenger ticket revenue is primarily attributed to U.S.-sourced guests who make reservations in the U.S. Revenue attributable to U.S.-sourced guests was 77%, 81% and 75% for the years ended December 31, 2017, 2016 and 2015, respectively. No other individual country's revenues exceeded 10% in any of our last three years.

Revenues by destination were as follows (in thousands):

	Year Ended December 31,		
	2017	2016	2015
North America	\$ 3,285,903	\$ 3,132,208	\$ 2,743,007
Europe	1,347,381	1,148,403	1,120,705
Asia-Pacific	394,631	196,978	198,131
Other	368,260	396,751	283,205
Total Revenues	\$ 5,396,175	\$ 4,874,340	\$ 4,345,048

Substantially all of our long-lived assets are located outside of the U.S. and consist primarily of our ships. We have 17 ships with Bahamas registry with a carrying value of \$8.0 billion as of December 31, 2017 and 16 ships with Bahamas registry with a carrying value of \$7.1 billion as of December 31, 2016. We have seven ships with Marshall Island registry with a carrying value of \$1.9 billion as of December 31, 2017 and 2016. We also have one ship with U.S. registry with a carrying value of \$0.3 billion as of December 31, 2017 and 2016.

Item 1A. Risk Factors

In addition to the other information contained in this annual report, you should carefully consider the following risk factors in evaluating us and our business. If any of the risks discussed in this annual report actually occur, our business, financial condition and results of operations could be materially adversely affected. Additional risks and uncertainties not currently known to us or that we currently deem to be immaterial may also materially adversely affect our business, financial condition and results of operations. In connection with the forward-looking statements that appear in this annual report, you should also carefully review the cautionary statement referred to under "Cautionary Statement Concerning Forward-Looking Statements."

Risks Related to the Company

Terrorist acts, armed conflict and threats thereof, acts of piracy, and other international events impacting the security of travel could adversely affect the demand for cruises.

The threat or possibility of future terrorist acts, an outbreak of hostilities or armed conflict abroad or the possibility or fear of such events, political unrest and instability, the issuance of travel advisories or elevated national threat warnings by national governments, an increase in the activity of pirates, and other geo-political uncertainties have had in the past and may again in the future have an adverse impact on the demand for cruises, and consequently, the pricing for cruises. Decreases in demand and reduced pricing in response to such decreased demand would adversely affect our business by reducing our profitability.

Adverse incidents involving cruise ships may adversely affect our business, financial condition and results of operations.

The operation of cruise ships carries an inherent risk of loss caused by adverse weather conditions and maritime disasters, including, but not limited to, oil spills and other environmental mishaps, extreme weather conditions such as hurricanes, floods and typhoons, fire, mechanical failure, collisions, human error, war, terrorism, piracy, political action, civil unrest and insurrection in various countries and other circumstances or events. Any such event may result in loss of life or property, loss of revenue or increased costs. The operation of cruise ships also involves the risk of other incidents at sea or while in port, including missing guests, inappropriate crew or passenger behavior and onboard crimes, which may bring into question passenger safety, may adversely affect future industry performance and may lead to litigation against us. Although we place passenger safety as the highest priority in the design and operation of our fleet, we have experienced accidents and other incidents involving our cruise ships and there can be no assurance that similar events will not occur in the future. It is possible that we could be forced to cancel a cruise or a series of cruises due to these factors or incur increased port-related and other costs resulting from such adverse events. Any such event involving our cruise ships or other passenger cruise ships may adversely affect guests' perceptions of safety or result in increased governmental or other regulatory oversight. An adverse judgment or settlement in respect of any of the ongoing claims against us may also lead to negative publicity about us. Anything that damages our reputation (whether or not justified), including adverse publicity about passenger safety, could have an adverse impact on demand, which could lead to price discounting and a reduction in our sales and could adversely affect our business, financial condition and results of operations. If there is a significant accident, mechanical failure or similar problem involving a ship, we may have to place a ship in an extended Dry-dock period for repairs. This could result in material lost revenue and/or expenditures.

The adverse impact of general economic and related factors, such as fluctuating or increasing levels of unemployment, underemployment and the volatility of fuel prices, declines in the securities and real estate markets and perceptions of these conditions can decrease the level of disposable income of consumers or consumer confidence. The demand for cruises is affected by international, national and local economic conditions.

The demand for cruises is affected by international, national and local economic conditions. Adverse changes in the perceived or actual economic climate in North America or globally, such as the volatility of fuel prices, higher interest rates, stock and real estate market declines and/or volatility, more restrictive credit markets, higher unemployment or underemployment rates, higher taxes and changes in governmental policies could reduce the level of discretionary income or consumer confidence in the countries from which we source our guests. Consequently, this may negatively affect demand for cruise vacations in these countries, which are a discretionary purchase. Decreases in demand for cruise vacations could result in price discounting, which, in turn, could reduce the profitability of our business. In addition, these conditions could also impact our suppliers, which could result in disruptions in our suppliers' services and financial losses for us.

Epidemics and viral outbreaks could have an adverse effect on our business, financial condition and results of operations.

Public perception about the safety of travel and adverse publicity related to passenger or crew illness, such as incidents of viral illnesses, stomach flu or other contagious diseases, may impact demand for cruises and result in cruise cancellations and employee absenteeism. If any wide-ranging health scare should occur, our business, financial condition and results of operations would likely be adversely affected.

Our expansion into and investments in new markets may not be successful.

We believe there remains significant opportunity to expand our passenger sourcing into major markets, such as Europe and Australia, as well as into emerging markets in the Asia Pacific region and to expand our itineraries in new markets, such as Cuba, and we are in the process of such expansion efforts. Expansion into new markets requires significant levels of investment and attention from management. There can be no assurance that these markets will develop as anticipated or that we will have success in these markets, and if we do not, we may be unable to recover our investment spent to expand our business into these markets and may forgo opportunities in more lucrative markets, which could adversely impact our business, financial condition and results of operations.

Conducting business internationally may result in increased costs and risks.

We operate our business internationally and plan to continue to develop our international presence. Operating internationally exposes us to a number of risks, including political risks, risks of increases in duties and taxes, risks relating to anti-bribery laws, as well as risks that laws and policies affecting cruising, vacation or maritime businesses, or governing the operations of foreign-based companies may change. Additional risks include imposition of trade barriers, withholding and other taxes on remittances and other payments by subsidiaries and changes in and application of foreign taxation structures, including value added taxes. If we are unable to address these risks adequately, our business, financial condition and results of operations could be materially and adversely affected.

Operating internationally also exposes us to numerous and sometimes conflicting legal and regulatory requirements. In many parts of the world, including countries in which we operate, practices in the local business communities might not conform to international business standards. We have implemented safeguards and policies to prevent violations of various anti-corruption laws that prohibit improper payments or offers of payments to foreign governments and their officials for the purpose of obtaining or retaining business by our employees and agents. However, our existing safeguards and policies and any future improvements may prove to be less than effective and our employees or agents may engage in conduct prohibited by our policies, but for which we nevertheless may be held responsible. If our employees or agents violate our policies, if we fail to maintain adequate record-keeping and internal accounting practices to accurately record our transactions or if we fail to implement or maintain other adequate safeguards, we may be subject to regulatory sanctions or severe criminal or civil sanctions and penalties.

We have operations in and source passengers from the United Kingdom and other member countries of the European Union. On June 23, 2016, voters in the United Kingdom approved an advisory referendum to withdraw from the European Union. The proposed withdrawal resulted in increased volatility in the global financial markets and caused severe fluctuations in global currency exchange rates. The proposed withdrawal could potentially adversely affect tax, legal and regulatory regimes to which our business in the region is subject. The withdrawal could also, among other potential outcomes, disrupt the free movement of goods, services and people between the United Kingdom and the European Union. Further, uncertainty around these issues could lead to adverse effects on the economy of the United Kingdom and the other economies in which we operate making it more difficult to source passengers from these regions. These events could have a material adverse effect on our business, financial condition and results of operations.

Breaches in data security or other disturbances to our information technology and other networks could impair our operations and have a material adverse impact on our business, financial condition and results of operations.

The integrity and reliability of our information technology systems and other networks are crucial to our business operations. Disruptions to these networks could impair our operations and have an adverse impact on our financial results and negatively affect our reputation and customer demand. In addition, certain networks are dependent on third-party technologies, systems and service providers for which there is no certainty of uninterrupted availability. Among other things, actual or threatened natural disasters (e.g., hurricanes, earthquakes, tornadoes, fires, floods) or similar events, information systems failures, computer viruses, denial of service attacks and other cyber-attacks may cause disruptions to our information technology, telecommunications and other networks. While we have and continue to invest in business continuity, disaster recovery, data restoration plans and data and information technology security, we cannot completely insulate ourselves from disruptions that could result in adverse effects on our operations and financial results. We carry limited business interruption insurance for certain shoreside operations, subject to limitations, exclusions and deductibles.

We have also made significant investments in our information technology systems to optimize booking procedures, enhance the marketing power of our websites and control costs. Any unauthorized use of our information systems to gain access to sensitive information, corrupt data or create general disturbances in our operations systems could impair our ability to conduct business and damage our reputation. If our security systems were breached, we could be exposed to cyber-related risks and malware, and credit card and other sensitive data could be at risk. For example, in the processing of our guest transactions and as part of our ordinary business operations, we and certain of our third-party service providers collect, process, transmit and store a large volume of personally identifiable information, including email addresses and home addresses and financial data such as credit card information. The security of the systems and network where we and our service providers store this data is a critical element of our business, and these systems and our network may be vulnerable to computer viruses, hackers and other security issues. We cannot assure you that the precautions we have taken to avoid an unauthorized incursion of our information systems are either adequate or implemented properly to prevent a data breach and its adverse financial and reputational consequences to our business. In addition, we may not be in a position to promptly address attacks or unauthorized access or to implement adequate preventative measures if we are unable to immediately detect such attacks. We are also subject to laws relating to privacy of personal data, including European Union data privacy regulations. The compromise of our information systems resulting in the loss, disclosure, misappropriation of or access to the personally identifiable information of our guests, prospective guests or employees could result in governmental investigation, civil liability or regulatory penalties under laws protecting the privacy of personal information, any or all of which could disrupt our operations and materially adversely affect our business. Additionally, any material failure by us or our service providers to maintain compliance with the Payment Card Industry security requirements or to rectify a data security issue may result in fines and restrictions on our ability to accept credit cards as a form of payment.

In the event of a data security breach of our systems and/or third-party systems or a denial of service attack, we may incur costs associated with the following: response, notification, forensics, regulatory investigations, public relations, consultants, credit identity monitoring, credit freezes, fraud alert, credit identity restoration, credit card cancellation, credit card reissuance or replacement, data restoration, regulatory fines and penalties, vendor fines and penalties, legal fees, damages and settlements. In addition, data security breaches or denial of service attacks may cause business interruption, information technology disruption, disruptions as a result of regulatory investigation, digital asset loss related to corrupted or destroyed data, damage to our reputation, damages to intangible property and other intangible damages, such as loss of consumer confidence, all of which could impair our operations and have an adverse impact on our financial results.

Changes in fuel prices and/or other cruise operating costs would impact the cost of our cruise ship operations and our hedging strategies may not protect us from increased costs related to fuel prices.

Fuel expense is a significant cost for our Company. Future increases in the cost of fuel globally or regulatory requirements which require us to use more expensive types of fuel would increase the cost of our cruise ship operations. In addition, we could experience increases in other cruise operating costs due to market forces and economic or political instability beyond our control. Despite any fuel hedges we are currently a party to, or may enter into in the future, increases in fuel prices or other cruise operating costs could have a material adverse effect on our business, financial condition and results of operations if we are unable to recover these increased costs through price increases charged to our guests. Our hedging program may not be successful in mitigating higher fuel costs, and any price protection provided may be limited due to market conditions, including choice of hedging instruments, breakdown of correlation between hedging instrument and market price of fuel and failure of hedge counterparties. To the extent that we use hedge contracts that have the potential to create an obligation to pay upon settlement if fuel prices decline significantly, such hedge contracts may limit our ability to benefit fully from lower fuel costs in the future. There can be no assurance that our hedging arrangements will be cost-effective, will provide any particular level of protection against rises in fuel prices or that our counterparties will be able to perform under our hedging arrangements. Additionally, deterioration in our financial condition could negatively affect our ability to enter into new hedge contracts in the future.

Fluctuations in foreign currency exchange rates could adversely affect our financial results.

We earn revenues, pay expenses, purchase and own assets and incur liabilities in currencies other than the U.S. dollar; most significantly a portion of our revenue and expenses are denominated in foreign currencies, particularly British pound, Canadian dollar, euro and Australian dollar. Because our consolidated financial statements are presented in U.S. dollars, we must translate revenues and expenses, as well as assets and liabilities, into U.S. dollars at exchange rates in effect during or at the end of each reporting period. The strengthening of the U.S. dollar against our other major currencies may adversely affect our U.S. dollar financial results and will reduce the U.S. dollar amount received upon conversion of these currencies into U.S. dollars.

We have historically and may in the future enter into ship construction contracts denominated in euros or other foreign currencies. While we have entered into foreign currency derivatives to manage a portion of the currency risk associated with such contracts, we are exposed to fluctuations in the euro exchange rate for the portions of the ship construction contracts that have not been hedged. Additionally, if the shipyard is unable to perform under the related ship construction contract, any foreign currency hedges that were entered into to manage the currency risk would need to be terminated.

Overcapacity in key markets or globally could adversely affect our operating results.

We continue to expand our fleet through our newbuild program and may add up to nine additional ships to our fleet through 2027. Our competitors have also announced similar expansions to their fleets. These increases in capacity in the cruise industry globally and potential overcapacity in certain key markets may cause us to lower pricing, which would reduce profitability and adversely affect our results of operations. Additionally, older ships in our fleet may not be as competitive as new ships enter the market and we may not be able to sell such older ships at optimal prices.

Unavailability of ports of call may materially adversely affect our business, financial condition and results of operations.

We believe that attractive port destinations are a major reason why guests choose to go on a particular cruise or on a cruise vacation. The availability of ports, including the specific port facility at which our guests will embark and disembark, is affected by a number of factors, including, but not limited to, existing capacity constraints, security, safety and environmental concerns, adverse weather conditions and natural disasters such as hurricanes, floods, typhoons and earthquakes, financial limitations on port development, political instability, exclusivity arrangements that ports may have with our competitors, local governmental regulations and fees, local community concerns about port development and other adverse impacts on their communities from additional tourists and sanctions programs implemented by the Office of Foreign Assets Control of the United States Treasury Department or other regulatory bodies. Any limitations on the availability of ports of call or on the availability of shore excursions and other service providers at such ports could adversely affect our business, financial condition and results of operations.

Our indebtedness, and the agreements governing our indebtedness, may limit our flexibility in operating our business.

The agreements governing our indebtedness contain, and any instruments governing future indebtedness of ours may contain, covenants that impose significant operating and financial restrictions on us, including restrictions or prohibitions on our ability to, among other things:

- incur or guarantee additional debt or issue certain preference shares;
- pay dividends on or make distributions in respect of our share capital or make other restricted payments, including the ability of NCLH's subsidiaries, including NCLC, to pay dividends or make distributions to NCLH;
- repurchase or redeem capital stock or subordinated indebtedness;
- make certain investments or acquisitions;
- transfer, sell or create liens on certain assets;
- consolidate or merge with, or sell or otherwise dispose of all or substantially all of our assets to, other companies;
- enter into certain transactions with our affiliates;
- pledge the capital stock of any guarantors of our indebtedness; and
- designate our subsidiaries as unrestricted subsidiaries.

As a result of these covenants, we are limited in the manner in which we conduct our business, and we may be unable to engage in favorable business activities or finance future operations or capital needs. In addition, a substantial portion of our cash flow from operations is dedicated to the repayment of our indebtedness, which may limit our available funds for other business functions and strategic opportunities and may make us more vulnerable to downturns in our business, the economy and the industry in which we operate. We may not be able to generate sufficient cash to service all of our indebtedness, and may be forced to take other actions to satisfy our obligations under our indebtedness, including refinancing our indebtedness, which may not be successful. Any refinancing of our debt could be at higher interest rates and may require us to comply with more onerous covenants, which could further restrict our business operations.

We have pledged a significant portion of our assets as collateral under our existing debt agreements. If any of the holders of our indebtedness accelerate the repayment of such indebtedness, there can be no assurance that we will have sufficient assets to repay our indebtedness.

Under our existing debt agreements, we are required to satisfy and maintain specified financial ratios. Our ability to meet those financial ratios can be affected by events beyond our control, and there can be no assurance that we will meet those ratios. A failure to comply with the covenants contained in our existing debt agreements could result in an event of default under such agreements, which, if not cured or waived, could have a material adverse effect on our business, financial condition and results of operations. In the event of any default under our existing debt agreements, the holders of our indebtedness thereunder:

- will not be required to lend any additional amounts to us, if applicable;
- could elect to declare all indebtedness outstanding, together with accrued and unpaid interest and fees, to be due and payable and terminate all commitments to extend further credit, if applicable; and/or
- could require us to apply all of our available cash to repay such indebtedness.

Such actions by the holders of our indebtedness could cause cross defaults under our other indebtedness. If we were unable to repay those amounts, the holders of our secured indebtedness could proceed against the collateral granted to them to secure that indebtedness. If the indebtedness under our existing debt agreements were to be accelerated, there can be no assurance that our assets would be sufficient to repay such indebtedness in full.

The impact of volatility and disruptions in the global credit and financial markets may adversely affect our ability to borrow and could increase our counterparty credit risks, including those under our credit facilities, derivatives, contingent obligations, insurance contracts and new ship progress payment guarantees.

There can be no assurance that we will be able to borrow additional money on terms as favorable as our current debt, on commercially acceptable terms, or at all. Economic downturns, including failures of financial institutions and any related liquidity crisis, can disrupt the capital and credit markets. Such disruptions could cause counterparties under our credit facilities, derivatives, contingent obligations, insurance contracts and new ship progress payment guarantees to be unable to perform their obligations or to breach their obligations to us under our contracts with them, which could include failures of financial institutions to fund required borrowings under our loan agreements and to pay us amounts that may become due under our derivative contracts and other agreements. Also, we may be limited in obtaining funds to pay amounts due to our counterparties under our derivative contracts and to pay amounts that may become due under other agreements. If we were to elect to replace any counterparty for their failure to perform their obligations under such instruments, we would likely incur significant costs to replace the counterparty. Any failure to replace any counterparties under these circumstances may result in additional costs to us or an ineffective instrument.

Our inability to recruit or retain qualified personnel or the loss of key personnel may materially adversely affect our business, financial condition and results of operations.

Our success is dependent upon our personnel and our ability to recruit and retain high quality employees. We must continue to recruit, retain and motivate management and other employees in order to maintain our current business and support our projected growth. We need to hire and train a considerable number of qualified crew members to staff the ships that will be joining our fleet in the coming years. This may require significant efforts on the part of our management team, and our inability to hire a sufficient number of qualified crew members would adversely affect our business.

Our executive officers and other members of senior management have substantial experience and expertise in our business and have made significant contributions to our growth and success. The unexpected loss of services of one or more of these individuals could materially adversely affect us.

Delays in our shipbuilding program and ship repairs, maintenance and refurbishments could adversely affect our results of operations and financial condition.

The new construction, refurbishment, repair and maintenance of our ships are complex processes and involve risks similar to those encountered in other large and sophisticated equipment construction, refurbishment and repair projects. Our ships are subject to the risk of mechanical failure or accident, which we have occasionally experienced and have had to repair. If there is a mechanical failure or accident in the future, we may be unable to procure spare parts when needed or make repairs without incurring material expense or suspension of service, especially if a problem affects certain specialized maritime equipment, such as the radar, a pod propulsion unit, the electrical/power management system, the steering gear or the gyro system.

In addition, availability, work stoppages, insolvency or financial problems in the shipyards' construction, refurbishment or repair of our ships, or other "force majeure" events that are beyond our control and the control of shipyards or subcontractors, could also delay or prevent the newbuild delivery, refurbishment and repair and maintenance of our ships. Any termination or breach of contract following such an event may result in, among other things, the forfeiture of prior deposits or payments made by us, potential claims and impairment of losses. A significant delay in the delivery of a new ship, or a significant performance deficiency or mechanical failure of a new ship could also have an adverse effect on our business. The consolidation of the control of certain European cruise shipyards could result in higher prices for the construction of new ships and refurbishments and could limit the availability of qualified shipyards to construct new ships. Also, the lack of qualified shipyard repair facilities could result in the inability to repair and maintain our ships on a timely basis. These potential events and the associated losses, to the extent that they are not adequately covered by contractual remedies or insurance, could adversely affect our results of operations and financial condition.

We rely on third parties to provide hotel management services for certain ships and certain other services, and we are exposed to risks facing such providers. In certain circumstances, we may not be able to replace such third parties or we may be forced to replace them at an increased cost to us.

We rely on external third parties to provide hotel management services for certain ships and certain other services that are vital to our business. If these service providers suffer financial hardship or are otherwise unable to continue providing such services, we cannot guarantee that we will be able to replace such service providers in a timely manner, which may cause an interruption in our operations. To the extent that we are able to replace such service providers, we may be forced to pay an increased cost for equivalent services. Both the interruption of operations and the replacement of the third-party service providers at an increased cost could adversely impact our financial condition and results of operations.

We rely on scheduled commercial airline services for passenger and crew connections. Increases in the price of, or major changes or reduction in, commercial airline services could undermine our customer base or disrupt our operations.

A number of our passengers and crew depend on scheduled commercial airline services to transport them to ports of embarkation for our cruises. Increases in the price of airfare due to increases in fuel prices, fuel surcharges, changes in commercial airline services as a result of strikes, weather or other events, or the lack of availability due to schedule changes or a high level of airline bookings could

adversely affect our ability to deliver guests and crew to or from our ships and thereby increase our cruise operating expenses which would, in turn, have an adverse effect on our financial condition and results of operations.

Amendments to the collective bargaining agreements for crew members of our fleet and other employee relation issues may materially adversely affect our financial results.

Currently, we are a party to eight collective bargaining agreements. Four of these agreements are in effect through 2018 and four through 2020. Any future amendments to such collective bargaining agreements or inability to satisfactorily renegotiate such agreements may increase our labor costs and have a negative impact on our financial condition. In addition, although our collective bargaining agreements have a no-strike provision, they may not prevent a disruption in work on our ships in the future. Any such disruptions in work could have a material adverse effect on our financial results.

Our inability to obtain adequate insurance coverage may adversely affect our business, financial condition and results of operations.

There can be no assurance that all of our risks are fully insured against or that any particular claim will be fully paid by our insurance. Such losses, to the extent they are not adequately covered by contractual remedies or insurance, could affect our financial results. In addition, we have been and continue to be subject to calls, or premiums, in amounts based not only on our own claim records, but also the claim records of all other members of the protection and indemnity associations through which we receive indemnity coverage for tort liability. Our payment of these calls and increased premiums could result in significant expenses to us. If we were to sustain significant losses in the future, our ability to obtain insurance coverage at all or at commercially reasonable rates could be materially adversely affected. Moreover, irrespective of the occurrence of such events, there can still be no assurance that we will be able to obtain adequate insurance coverage at commercially reasonable rates or at all.

We rely on external distribution channels for passenger bookings, and major changes in the availability of external distribution channels could undermine our customer base.

The majority of our guests book their cruises through independent travel agents, wholesalers and tour operators. In the event that these distribution channels are adversely impacted by an economic downturn, or by other factors, this could reduce the distribution channels available for us to market and sell our cruises and we could be forced to increase the use of alternative distribution channels we are not accustomed to. If this were to occur, it could have an adverse impact on our financial condition and results of operations.

Additionally, independent travel agents, wholesalers and tour operators generally sell and market our cruises on a non-exclusive basis. Although we offer commissions and other incentives to them for booking our cruises, there can be no guarantee that our competitors will not offer higher commissions and incentives in the future. Travel agents may face increasing pressure from our competitors, particularly in the North American market, to sell and market our competitors' cruises exclusively. If such exclusive arrangements were introduced, there can be no assurances that we will be able to find alternative distribution channels to ensure that our customer base would not be affected.

Litigation, enforcement actions, fines or penalties could adversely impact our financial condition or results of operations and damage our reputation.

Our business is subject to various U.S. and international laws and regulations that could lead to enforcement actions, fines, civil or criminal penalties or the assertion of litigation claims and damages. In addition, improper conduct by our employees or agents could damage our reputation and/or lead to litigation or legal proceedings that could result in civil or criminal penalties, including substantial monetary fines. In certain circumstances, it may not be economical to defend against such matters, and a legal strategy may not ultimately result in us prevailing in a matter. Such events could lead to an adverse impact on our financial condition or results of operations.

As a result of any ship-related or other incidents, litigation claims, enforcement actions and regulatory actions and investigations, including, but not limited to, those arising from personal injury, loss of life, loss of or damage to personal property, business interruption losses or environmental damage to any affected coastal waters and the surrounding area, may be asserted or brought against various parties, including us and/or our cruise brands. The time and attention of our management may also be diverted in defending such claims, actions and investigations. Subject to applicable insurance coverage, we may also incur costs both in defending against any claims, actions and investigations and for any judgments, fines, civil or criminal penalties if such claims, actions or investigations are adversely determined.

A failure to keep pace with developments in technology could impair our operations or competitive position.

Our business continues to demand the use of sophisticated systems and technology. These systems and technologies must be refined, updated and replaced with more advanced systems on a regular basis in order for us to meet our customers' demands and expectations. If we are unable to do so on a timely basis or within reasonable cost parameters, or if we are unable to appropriately and timely train

our employees to operate any of these new systems, our business could suffer. We also may not achieve the benefits that we anticipate from any new system or technology, such as fuel abatement technologies, and a failure to do so could result in higher than anticipated costs or could impair our operating results.

Our revenue is seasonal, owing to variations in passenger fare rates and occupancy levels at different times of the year. We may not be able to generate revenue that is sufficient to cover our expenses during certain periods of the year.

The demand for our cruises is seasonal, with the greatest demand for cruises generally occurring during the Northern Hemisphere's summer months. This seasonality in demand has resulted in fluctuations in our revenue and results of operations. The seasonality of our results is increased due to ships being taken out of service for Dry-docks, which we typically schedule during off-peak demand periods for such ships. Accordingly, seasonality in demand and Dry-dock periods could adversely affect our ability to generate sufficient revenue to cover the expenses we incur during certain periods of the year.

Risks Related to the Regulatory Environment in Which We Operate

Future changes in applicable tax laws, or our inability to take advantage of favorable tax regimes, could increase the amount of taxes we must pay.

We believe and have taken the position that our income that is considered to be derived from the international operation of ships as well as certain income that is considered to be incidental to such income ("shipping income"), is exempt from U.S. federal income taxes under Section 883, based upon certain assumptions as to shareholdings and other information as more fully described in "Item 1—Business—Taxation." The provisions of Section 883 are subject to change at any time, possibly with retroactive effect.

We believe and have taken the position that substantially all of our income derived from the international operation of ships is properly categorized as shipping income and that we do not have a material amount of non-qualifying income. It is possible, however, that a much larger percentage of our income does not qualify (or will not qualify) as shipping income. Moreover, the exemption for shipping income is only available for years in which NCLH will satisfy complex stock ownership tests or the publicly traded test under Section 883 as described in "Item 1—Business—Taxation—Exemption of International Shipping Income under Section 883 of the Code." There are factual circumstances beyond our control, including changes in the direct and indirect owners of NCLH's ordinary shares, which could cause us or our subsidiaries to lose the benefit of this tax exemption. Finally, any changes in our operations could significantly increase our exposure to either the Net Tax Regime or the 4% Regime (each as defined in "Item 1—Business—Taxation"), and we can give no assurances on this matter.

If we or any of our subsidiaries were not to qualify for the exemption under Section 883, our or such subsidiary's U.S.-source income would be subject to either the Net Tax Regime or the 4% Regime (each as defined in "Item 1—Business—Taxation"). As of the date of this filing, we believe that NCLH and its subsidiaries will satisfy the publicly traded test imposed under Section 883 and therefore believe that NCLH will qualify for the exemption under Section 883. However, as discussed above, there are factual circumstances beyond our control that could cause NCLH to not meet the stock ownership or publicly traded tests. Therefore, we can give no assurances on this matter. We refer you to "Item 1—Business—Taxation."

We may be subject to state, local and non-U.S. income or non-income taxes in various jurisdictions, including those in which we transact business, own property or reside. We may be required to file tax returns in some or all of those jurisdictions. Our state, local or non-U.S. tax treatment may not conform to the U.S. federal income tax treatment discussed above. We may be required to pay non-U.S. taxes on dispositions of foreign property or operations involving foreign property that may give rise to non-U.S. income or other tax liabilities in amounts that could be substantial.

The various tax regimes to which we are currently subject result in a relatively low effective tax rate on our worldwide income. These tax regimes, however, are subject to change, possibly with retroactive effect. For example, legislation has been proposed in the past that would eliminate the benefits of the exemption from U.S. federal income tax under Section 883 and subject all or a portion of our shipping income to taxation in the U.S. Moreover, we may become subject to new tax regimes and may be unable to take advantage of favorable tax provisions afforded by current or future law including exemption of branch profits and dividend withholding taxes under the U.S. – U.K. Income Tax Treaty on income derived in respect of our U.S.-flagged operation.

We are subject to complex laws and regulations, including environmental laws and regulations, which could adversely affect our operations and any changes in the current laws and regulations could lead to increased costs or decreased revenue

Increasingly stringent federal, state, local and international laws and regulations on environmental protection and health and safety of workers could affect our operations. The U.S. Environmental Protection Agency, the IMO (a United Nations agency with responsibility for the safety and security of shipping and the prevention of marine pollution by ships), the Council of the European Union and individual countries and U.S. states are considering, as well as implementing, new laws and rules to manage cruise ship operations. In addition, many aspects of the cruise industry are subject to governmental regulation by the U.S. Coast Guard as well as international treaties such as SOLAS, an international safety regulation, MARPOL, an international environmental regulation, and

STCW and its requirements for ship manning. In addition, some environmental groups have lobbied for more extensive oversight of cruise ships and have generated negative publicity about the cruise industry and its environmental impact.

The U.S. and various state and foreign government and regulatory agencies have enacted or are considering new environmental regulations and policies aimed at reducing the threat of invasive species in ballast water, requiring the use of low-sulfur fuels, increasing fuel efficiency requirements and further restricting emissions, including those of green-house gases, and improving sewage and greywater-handling capabilities. Compliance with such laws and regulations may entail significant expenses for ship modification and changes in operating procedures which could adversely impact our operations as well as our competitors' operations.

Among the laws impacting cruise ship operations are a 2006 ballot measure approved by Alaskan voters requiring that cruise ships meet Alaska Water Quality Standards ("WQS"). The law was relaxed somewhat in 2013, allowing ship operators to apply for mixing zones in discharge permits, an option that may ease compliance with certain WQS. The International Labor Organization's Maritime Labor Convention, 2006 went into force on August 20, 2013. The Convention regulates many aspects of maritime crew labor and impacts the worldwide sourcing of new crew members. MARPOL regulations have established special ECAs with stringent limitations on sulfur and nitrogen oxide emissions from fuel burning aboard ships. Ships operating in designated ECAs (which include the Baltic Sea, the North Sea/English Channel, and many of the waters within 200 nautical miles of the U.S. and Canadian coasts including the Hawaiian Islands and waters surrounding Puerto Rico and the U.S. Virgin Islands) are generally expected to meet the new sulfur oxide emissions limits through the use of low-sulfur fuels or installation of sulfur scrubbing technologies.

These issues are, and we believe will continue to be, areas of focus by the relevant authorities throughout the world. This could result in the enactment of more stringent regulation of cruise ships that would subject us to increasing compliance costs in the future. By virtue of our operations in the U.S., the FMC requires us to maintain a third-party performance guarantee on our behalf in respect of liabilities for non-performance of transportation and other obligations to guests. The FMC has proposed rules that would significantly increase the amount of our required guarantees and accordingly our cost of compliance. There can be no assurance that such an increase in the amount of our guarantees, if required, would be available to us. For additional discussion of the FMC's proposed requirements, we refer you to "Item 1—Business—Regulatory Issues."

In 2007, the state of Alaska implemented taxes, some of which were rolled back in 2010, which have impacted the cruise industry operating in Alaska. It is possible that other states, countries or ports of call that our ships regularly visit may also decide to assess new taxes or fees or change existing taxes or fees specifically applicable to the cruise industry and its employees and/or guests, which could increase our operating costs and/or could decrease the demand for cruises.

Risks Related to NCLH's Ordinary Shares

Shareholders of NCLH may have greater difficulties in protecting their interests than shareholders of a U.S. corporation.

We are a Bermuda exempted company. The Companies Act 1981 of Bermuda (the "Companies Act"), which applies to NCLH, differs in material respects from laws generally applicable to U.S. corporations and their shareholders. Taken together with the provisions of NCLH's bye-laws, some of these differences may result in you having greater difficulties in protecting your interests as a shareholder of NCLH than you would have as a shareholder of a U.S. corporation. This affects, among other things, the circumstances under which transactions involving an interested director are voidable, whether an interested director can be held accountable for any benefit realized in a transaction with our Company, what approvals are required for business combinations by our Company with a large shareholder or a wholly-owned subsidiary, what rights you may have as a shareholder to enforce specified provisions of the Companies Act or NCLH's bye-laws, and the circumstances under which we may indemnify our directors and officers.

NCLH does not currently pay dividends on its ordinary shares.

NCLH does not currently pay dividends to its shareholders and NCLH's Board of Directors may never declare a dividend. Our existing debt agreements restrict, and any of our future debt arrangements may restrict, among other things, the ability of NCLH's subsidiaries, including NCLC, to pay distributions to NCLH and NCLH's ability to pay cash dividends to its shareholders. In addition, any determination to pay dividends in the future will be entirely at the discretion of NCLH's Board of Directors and will depend upon our results of operations, cash requirements, financial condition, business opportunities, contractual restrictions, restrictions imposed by applicable law and other factors that NCLH's Board of Directors deems relevant. We are not legally or contractually required to pay dividends. In addition, NCLH is a holding company and would depend upon its subsidiaries for their ability to pay distributions to NCLH to finance any dividend or pay any other obligations of NCLH. Investors seeking dividends should not purchase NCLH's ordinary shares.

Provisions in NCLH's constitutional documents may prevent or discourage takeovers and business combinations that NCLH's shareholders might consider to be in their best interests.

NCLH's bye-laws contain provisions that may delay, defer, prevent or render more difficult a takeover attempt that its shareholders consider to be in their best interests. As a result, these provisions may prevent NCLH's shareholders from receiving a premium to the

market price of NCLH's shares offered by a bidder in a takeover context. Even in the absence of a takeover attempt, the existence of these provisions may adversely affect the prevailing market price of NCLH's shares if they are viewed as discouraging takeover attempts in the future. These provisions include (subject to the shareholders' agreement):

- the ability of NCLH's Board of Directors to designate one or more series of preference shares and issue preference shares without shareholder approval;
- a classified board of directors;
- the sole power of a majority of NCLH's Board of Directors to fix the number of directors;
- the power of NCLH's Board of Directors to fill any vacancy on NCLH's Board of Directors in most circumstances, including when such vacancy occurs as a result of an increase in the number of directors or otherwise; and
- advance notice requirements for nominating directors or introducing other business to be conducted at shareholder meetings.

Additionally, NCLH's bye-laws contain provisions that prevent third parties, other than the Apollo Holders, the TPG Viking Funds and Genting HK, from acquiring beneficial ownership of more than 4.9% of its outstanding shares without the consent of NCLH's Board of Directors and provide for the lapse of rights, and sale, of any shares acquired in excess of that limit. The effect of these provisions may preclude third parties from seeking to acquire a controlling interest in NCLH in transactions that shareholders might consider to be in their best interests and may prevent them from receiving a premium above market price for their shares.

Item 2. Properties

Information about our cruise ships may be found under "Item 1. Business—Our Fleet" and "Item. 7. Management's Discussion and Analysis of Financial Condition and Results of Operations—Liquidity and Capital Resources."

NCLH's principal executive offices are located in Miami, Florida where we lease approximately 313,600 square feet of facilities. We also have a lease of approximately 77,500 square feet for Prestige's former executive offices in Miami, Florida which we have subleased to a third party. We lease approximately (i) 24,300 square feet of office space in Sunrise, Florida for sales; (ii) 13,900 square feet of office space in Southampton, England for sales and marketing in the U.K. and Ireland; (iii) 14,900 square feet of office space in Wiesbaden, Germany for sales and marketing in Europe; (iv) 31,000 square feet of office space in Phoenix, Arizona for a call center; (v) 17,600 square feet in Omaha, Nebraska for a call center; and (vi) 46,000 square feet of warehouse space in Tampa, Florida for entertainment theatrical production.

Additionally, we lease a number of international offices throughout Europe, Asia, South America and Australia to administer our brand operations globally. Norwegian owns a private island in the Bahamas, Great Stirrup Cay, which we utilize as a port-of-call on some of our itineraries. We developed a cruise destination in Belize, Harvest Caye, which was introduced in November 2016.

We believe that our facilities are adequate for our current needs, and that we are capable of obtaining additional facilities as necessary.

Item 3. Legal Proceedings

In the normal course of our business, various claims and lawsuits have been filed or are pending against us. Most of these claims and lawsuits are covered by insurance and, accordingly, the maximum amount of our liability is typically limited to our deductible amount.

Nonetheless, the ultimate outcome of these claims and lawsuits that are not covered by insurance cannot be determined at this time. We have evaluated our overall exposure with respect to all of our threatened and pending litigation and, to the extent required, we have accrued amounts for all estimable probable losses associated with our deemed exposure. We are currently unable to estimate any other potential contingent losses beyond those accrued, as discovery is not complete nor is adequate information available to estimate such range of loss or potential recovery. However, based on our current knowledge, we do not believe that the aggregate amount or range of reasonably possible losses with respect to these matters will be material to our consolidated results of operations, financial condition or cash flows. We intend to vigorously defend our legal position on all claims and, to the extent necessary, seek recovery.

As of February 16, 2018, there were 264 record holders of NCLH's ordinary shares. Since certain of NCLH's ordinary shares are held by brokers and other institutions on behalf of shareholders, the foregoing number is not representative of the number of beneficial owners.

Dividends

We intend to retain all currently available funds and as much as necessary of future earnings in order to fund the continued development and growth of our business. Our debt agreements also impose restrictions on the ability of our subsidiaries to pay distributions to NCLH and NCLH's ability to pay dividends to its shareholders. Any determination to pay dividends in the future will be at the discretion of our Board of Directors and will depend upon our results of operations, financial condition, restrictions imposed by applicable law and our financing agreements and other factors that our Board of Directors deems relevant.

Purchases of Equity Securities by the Issuer

On April 29, 2014, NCLH's Board of Directors authorized, and NCLH announced, a three-year share repurchase program for up to \$500.0 million. The share repurchase program was scheduled to expire on April 29, 2017, but was extended through April 29, 2020. NCLH may make repurchases in the open market, in privately negotiated transactions, in accelerated repurchase programs or in structured share repurchase programs, and any repurchases may be made pursuant to Rule 10b5-1 plans. There was no share repurchase activity during the three months ended December 31, 2017, and as of December 31, 2017, \$263.5 million remained available for repurchases of our outstanding ordinary shares under the share repurchase program.

The Stock Performance Graph assumes for comparison that the value of our ordinary shares and of each index was \$100 prior to the commencement of trading on January 18, 2013. Past performance is not necessarily an indicator of future results. The stock prices used were as of the close of business on the respective dates.

Item 6. Selected Financial Data

The following selected financial data should be read in conjunction with the financial statements and notes thereto and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” appearing elsewhere in this annual report. We have retrospectively applied the exchange of ordinary shares due to the Corporate Reorganization as the effect is substantially the same as a stock split. The Corporate Reorganization is reflected in NCLH’s financial statements for the first time in the quarter ended March 31, 2013.

The financial statements as of and for the year ended December 31, 2014 include the financial results of Prestige commencing on November 19, 2014, the date the Acquisition of Prestige was consummated.

Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations

Financial Presentation

Revenue from our cruise and cruise-related activities are categorized by us as "passenger ticket revenue" and "onboard and other revenue." Passenger ticket revenue and onboard and other revenue vary according to product offering, the size of the ship in operation, the length of cruises operated and the markets in which the ship operates. Our revenue is seasonal based on demand for cruises, which has historically been strongest during the Northern Hemisphere's summer months.

Passenger ticket revenue primarily consists of revenue for accommodations, meals in certain restaurants on the ship, certain onboard entertainment, and includes revenue for service charges and air and land transportation to and from the ship to the extent guests purchase these items from us. Onboard and other revenue primarily consists of revenue from gaming, beverage sales, shore excursions, specialty dining, retail sales, spa services, photo services as well as certain Bareboat Charter revenue. We also record onboard revenue from onboard activities we perform directly or that are performed by independent concessionaires, from which we receive a share of their revenue.

Our cruise operating expense is classified as follows:

- Commissions, transportation and other primarily consists of direct costs associated with passenger ticket revenue. These costs include travel agent commissions, air and land transportation expenses, related credit card fees, certain port expenses and the costs associated with shore excursions and hotel accommodations included as part of the overall cruise purchase price.
- Onboard and other primarily consists of direct costs that are incurred in connection with onboard and other revenue. These include costs incurred in connection with gaming, beverage sales and shore excursions.
- Payroll and related consists of the cost of wages and benefits for shipboard employees and costs of certain inventory items, including food, for a third party that provides crew and other hotel services for certain ships.
- Fuel includes fuel costs, the impact of certain fuel hedges and fuel delivery costs.
- Food consists of food costs for passengers and crew on certain ships.
- Other consists of repairs and maintenance (including Dry-dock costs), ship insurance and other ship expenses.

Critical Accounting Policies

Our consolidated financial statements have been prepared in accordance with U.S. GAAP. The preparation of these consolidated financial statements requires us to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of our consolidated financial statements and the reported amounts of revenue and expenses during the periods presented. We rely on historical experience and on various other assumptions that we believe to be reasonable under the circumstances to make these estimates and judgments. Actual results could differ materially from these estimates. We believe that the following critical accounting policies reflect the significant estimates and assumptions used in the preparation of our consolidated financial statements. These critical accounting policies, which are presented in detail in our notes to our audited consolidated financial statements, relate to ship accounting, asset impairment and contingencies.

Ship Accounting

Ships represent our most significant assets, and we record them at cost less accumulated depreciation. Depreciation of ships is computed on a straight-line basis over the estimated service lives of primarily 30 years after a 15% reduction for the estimated residual value of the ship. Improvement costs that we believe add value to our ships are capitalized to the ship and depreciated over the shorter of the improvements' estimated useful lives or the remaining useful life of the ship. Repairs and maintenance activities are charged to expense as incurred. We account for Dry-dock costs under the direct expense method which requires us to expense all Dry-dock costs as incurred.

We determine the useful life of our ships based primarily on our estimates of the average useful life of the ships' major component systems, such as cabins, main diesels, main electric, superstructure and hull. In addition, we consider the impact of anticipated changes in the vacation market and technological conditions and historical useful lives of similarly-built ships. Given the large and complex nature of our ships, our accounting estimates related to ships and determinations of ship improvement costs to be capitalized require considerable judgment and are inherently uncertain. Should certain factors or circumstances cause us to revise our estimate of ship service lives or projected residual values, depreciation expense could be materially lower or higher. If circumstances cause us to change our assumptions in making determinations as to whether ship improvements should be capitalized, the amounts we expense each year as repairs and maintenance costs could increase, partially offset by a decrease in depreciation expense. If we reduced our estimated average 30-year ship service life by one year, depreciation expense for the year ended December 31, 2017 would have increased by \$12.2 million. In addition, if our ships were estimated to have no residual value, depreciation expense for the same period would have increased by \$59.4 million. We believe our estimates for ship accounting are reasonable and our methods are consistently applied. We believe that depreciation expense is based on a rational and systematic method to allocate our ships' costs to the periods that benefit from the ships' usage.

Asset Impairment

We review our long-lived assets, principally ships, for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Assets are grouped and evaluated at the lowest level for which there are identifiable cash flows that are largely independent of the cash flows of other groups of assets. We consider historical performance and future estimated results in our evaluation of potential impairment and then compare the carrying amount of the asset to the estimated future cash flows expected to result from the use of the asset. If the carrying amount of the asset exceeds the estimated expected undiscounted future cash flows, we measure the amount of the impairment by comparing the carrying amount of the asset to its fair value. We estimate fair value based on the best information available utilizing estimates, judgments and projections as necessary. Our estimate of fair value is generally measured by discounting expected future cash flows at discount rates commensurate with the associated risk.

We evaluate goodwill for impairment annually or more frequently when an event occurs or circumstances change that indicates the carrying value of a reporting unit may not be recoverable. For our evaluation of goodwill we use the Step 0 Test which allows us to first assess qualitative factors to determine whether it is more likely than not (i.e., more than 50%) that the fair value of a reporting unit is less than its carrying value. In order to make this evaluation, we consider whether any of the following factors or conditions exist:

- Changes in general macroeconomic conditions such as a deterioration in general economic conditions; limitations on accessing capital; fluctuations in foreign exchange rates; or other developments in equity and credit markets;
- Changes in industry and market conditions such as a deterioration in the environment in which an entity operates; an increased competitive environment; a decline in market-dependent multiples or metrics (in both absolute terms and relative to peers); a change in the market for an entity's products or services; or a regulatory or political development;
- Changes in cost factors that have a negative effect on earnings and cash flows;
- Decline in overall financial performance (for both actual and expected performance);
- Entity and reporting unit specific negative events such as changes in management, key personnel, strategy, or customers; litigation; or a change in the composition or carrying amount of net assets; and
- Decline in share price (in both absolute terms and relative to peers).

We believe our estimates and judgments with respect to our long-lived assets, principally ships, goodwill, tradenames and other indefinite-lived intangible assets are reasonable. Nonetheless, if there was a material change in assumptions used in the determination of such fair values or if there is a material change in the conditions or circumstances that influence such assets, we could be required to record an impairment charge. If a material change occurred, we may conduct a quantitative assessment comparing the fair value of each reporting unit to its carrying value, including goodwill. This is called the Step I Test which consists of a combined approach using the expected future cash flows and market multiples to determine the fair value of the reporting units.

For our annual impairment evaluation, we performed a Step 0 Test for the Norwegian, Regent Seven Seas and Oceania Cruises reporting units. As of December 31, 2017, there was \$523.0 million, \$462.1 million and \$403.8 million of goodwill for the Oceania Cruises, Regent Seven Seas and Norwegian reporting units, respectively. As of December 31, 2017, our annual review consisting of the Step 0 Test supports the carrying value of these assets.

Contingencies

Periodically, we assess potential liabilities related to any lawsuits or claims brought against us or any asserted claims, including tax, legal and/or environmental matters. Although it is typically very difficult to determine the timing and ultimate outcome of such actions, we use our best judgment to determine if it is probable that we will incur an expense related to the settlement or final adjudication of such matters and whether a reasonable estimation of such probable loss, if any, can be made. In assessing probable losses, we take into consideration estimates of the amount of insurance recoveries, if any. In accordance with the guidance on accounting for contingencies, we accrue a liability when we believe a loss is probable and the amount of loss can be reasonably estimated. Although we believe that our estimates and judgments are reasonable, due to the inherent uncertainties related to the eventual outcome of litigation and potential insurance recoveries, it is possible that certain matters may be resolved for amounts materially different from any estimated provisions or previous disclosures.

Non-GAAP Financial Measures

We use certain non-GAAP financial measures, such as Net Revenue, Adjusted Net Revenue, Net Yield, Adjusted Net Yield, Net Cruise Cost, Adjusted Net Cruise Cost Excluding Fuel, Adjusted EBITDA, Adjusted Net Income and Adjusted EPS, to enable us to analyze our performance. See “Terms Used in this Annual Report” for the definitions of these non-GAAP financial measures. We utilize Net Revenue and Net Yield to manage our business on a day-to-day basis and believe that they are the most relevant measures of our revenue performance because they reflect the revenue earned by us net of significant variable costs. In measuring our ability to control costs in a manner that positively impacts net income, we believe changes in Net Cruise Cost and Adjusted Net Cruise Cost Excluding Fuel to be the most relevant indicators of our performance.

As our business includes the sourcing of passengers and deployment of vessels outside of the U.S., a portion of our revenue and expenses are denominated in foreign currencies, particularly British pound, Canadian dollar, euro and Australian dollar which are subject to fluctuations in currency exchange rates versus our reporting currency, the U.S. dollar. In order to monitor results excluding these fluctuations, we calculate certain non-GAAP measures on a Constant Currency basis, whereby current period revenue and expenses denominated in foreign currencies are converted to U.S. dollars using currency exchange rates of the comparable period. We believe that presenting these non-GAAP measures on both a reported and Constant Currency basis is useful in providing a more comprehensive view of trends in our business.

We believe that Adjusted EBITDA is appropriate as a supplemental financial measure as it is used by management to assess operating performance. We also believe that Adjusted EBITDA is a useful measure in determining our performance as it reflects certain operating drivers of our business, such as sales growth, operating costs, marketing, general and administrative expense and other operating income and expense. Adjusted EBITDA is not a defined term under GAAP nor is it intended to be a measure of liquidity or cash flows from operations or a measure comparable to net income, as it does not take into account certain requirements such as capital expenditures and related depreciation, principal and interest payments and tax payments and it includes other supplemental adjustments.

In addition, Adjusted Net Revenue and Adjusted Net Yield, which exclude certain business combination accounting entries, are non-GAAP financial measures that we believe are useful as supplemental measures in evaluating the performance of our operating business and provide greater transparency into our results of operations. Adjusted Net Income and Adjusted EPS are non-GAAP financial measures that exclude certain amounts and are used to supplement GAAP net income and EPS. We use Adjusted Net Income and Adjusted EPS as key performance measures of our earnings performance. We believe that both management and investors benefit from referring to these non-GAAP financial measures in assessing our performance and when planning, forecasting and analyzing future periods. These non-GAAP financial measures also facilitate management’s internal comparison to our historical performance. In addition, management uses Adjusted EPS as a performance measure for our incentive compensation. The amounts excluded in the presentation of these non-GAAP financial measures may vary from period to period; accordingly, our presentation of Adjusted Net Revenue, Adjusted Net Yield, Adjusted Net Income and Adjusted EPS may not be indicative of future adjustments or results. For example, for the year ended December 31, 2016, we incurred a write-off of \$11.2 million of deferred financing fees due to the refinancing of certain credit facilities, a similar write-off was not incurred in either of the years ended December 31, 2017 or December 31, 2015. We included this as an adjustment in the reconciliation of Adjusted Net Income since this amount was not representative of our day-to-day operations and we have included similar non-representative adjustments in prior periods.

You are encouraged to evaluate each adjustment used in calculating our non-GAAP financial measures and the reasons we consider our non-GAAP financial measures appropriate for supplemental analysis. In evaluating our non-GAAP financial measures, you should be aware that in the future we may incur expenses similar to the adjustments in our presentation. Our non-GAAP financial measures have limitations as analytical tools, and you should not consider these measures in isolation or as a substitute for analysis of our results as reported under GAAP. Our presentation of our non-GAAP financial measures should not be construed as an inference that our future results will be unaffected by unusual or non-recurring items. Our non-GAAP financial measures may not be comparable to other companies. Please see a historical reconciliation of these measures to the most comparable GAAP measure presented in our consolidated financial statements below in the “Results of Operations” section.

Summary of Significant 2017 Events

In October 2017, we (a) repriced and increased the then existing \$750 million revolving credit facility with a new \$875 million revolving credit facility (the “New Revolving Loan Facility”), (b) repriced the approximately \$1,412 million principal amount outstanding under the existing senior secured term A facility (the “New Term A Loan Facility”), and (c) added a new \$375 million term B loan facility due 2021. Also, we completed the redemption of all of our then outstanding 4.625% Senior Notes due 2020 (“Notes”), at a price including accrued and unpaid interest, of \$1,044.41 per \$1,000 of outstanding principal amount of Notes. No Notes remained outstanding after the redemption.

In April 2017, Norwegian Joy was delivered.

In February 2017, we announced Project Leonardo, under which we plan to introduce an additional four ships with expected delivery dates through 2025. We have an option to introduce two additional ships for delivery in 2026 and 2027, subject to certain conditions. These four Project Leonardo ships are each 140,000 gross tons with approximately 3,300 Berths. The contract price for each of the four ships is approximately €800.0 million, subject to certain conditions, or \$960.4 million based on the exchange rate as of December 31, 2017. We have obtained export credit financing for the ships which is expected to fund approximately 80% of the contract price of each ship expected to be delivered through 2025, subject to certain conditions.

Executive Overview

Total revenue increased 10.7% to \$5.4 billion for the year ended December 31, 2017 compared to \$4.9 billion for the year ended December 31, 2016. Gross Yield increased 4.4%. Net Revenue for the year ended December 31, 2017 increased 11.2% to \$4.2 billion from \$3.8 billion in the same period in 2016 with an improvement in Net Yield of 4.9% and an increase in Capacity Days of 6.0%.

For the year ended December 31, 2017, we had net income and diluted EPS of \$759.9 million and \$3.31, respectively. For the year ended December 31, 2016, we had net income and diluted EPS of \$633.1 million and \$2.78, respectively. Operating income increased 13.3% to \$1.0 billion for the year ended December 31, 2017 from \$925.5 million for the year ended December 31, 2016.

We had Adjusted Net Income and Adjusted EPS of \$907.7 million and \$3.96, respectively, for the year ended December 31, 2017, which includes \$147.8 million of adjustments primarily consisting of expenses related to non-cash compensation, amortization of intangible assets, write-offs of fees related to extinguishment of debt and refinancing of certain credit facilities and certain other adjustments compared to Adjusted Net Income and Adjusted EPS of \$776.3 million and \$3.41, respectively, for the year ended December 31, 2016. A 14.7% improvement in Adjusted EBITDA was achieved for the same period, primarily due to the increase in net income and EBITDA. We refer you to our “Results of Operations” below for a calculation of Net Revenue, Net Yield, Adjusted Net Income, Adjusted EPS and Adjusted EBITDA.

Year Ended December 31, 2017 (“2017”) Compared to Year Ended December 31, 2016 (“2016”)

Revenue

Total revenue increased 10.7% to \$5.4 billion in 2017 compared to \$4.9 billion in 2016 primarily due to an increase in Capacity Days and improved pricing. Gross Yield increased 4.4%. Net Revenue in 2017 increased 11.2% to \$4.2 billion from \$3.8 billion in 2016 due to an increase in Capacity Days of 6.0% and an increase in Net Yield of 4.9%. The increase in Capacity Days was primarily due to the delivery of Norwegian Joy in April 2017, the delivery of Seven Seas Explorer in June 2016 and Sirena joining our fleet in April 2016. The increase in Net Yield was primarily due to improved pricing. Adjusted Net Revenue includes a deferred revenue fair value adjustment of \$1.0 million in 2016 related to the Acquisition of Prestige. On a Constant Currency basis, Net Yield and Adjusted Net Yield increased 5.1% and 5.0%, respectively, in 2017 compared to 2016.

Expense

Total cruise operating expense increased 7.5% in 2017 compared to 2016 primarily due to the increase in Capacity Days as discussed above and an increase in marketing, general and administrative expenses. Gross Cruise Cost increased 9.1% in 2017 compared to 2016 due to an increase in marketing, general and administrative expenses and total cruise operating expense. Total other operating expense increased 16.8% in 2017 compared to 2016 primarily due to an increase in depreciation and amortization expense and marketing, general and administrative expenses. Depreciation and amortization expense increased primarily due to the ship additions and ship improvement projects. The increase in marketing, general and administrative expense was primarily due to pay for performance incentive expenses. On a Capacity Day basis, Net Cruise Cost increased 2.9% on an actual and a Constant Currency basis, due to the increases in expenses discussed above. Adjusted Net Cruise Cost Excluding Fuel per Capacity Day increased 2.9% primarily due to the expenses discussed above (2.8% on a Constant Currency basis). We refer you to the “Results of Operations” above for a reconciliation of total cruise operating expense to Adjusted Net Cruise Cost Excluding Fuel.

Interest expense, net was \$267.8 million in 2017 compared to \$276.9 million in 2016. Interest expense for 2017 reflects higher interest rates due to an increase in LIBOR, as well as an increase in average debt balances outstanding primarily associated with the delivery of new ships and newbuild installments. In connection with refinancings of our senior notes and certain of our credit facilities, interest expense, net included losses on extinguishment of debt and debt modification costs of \$23.9 million in 2017 and \$39.2 million in 2016.

Other income (expense), net was an expense of \$10.4 million in 2017 compared to an expense of \$8.3 million in 2016. In 2017, the expense was primarily related to losses on foreign currency exchange. In 2016, the expense was primarily related to \$16.1 million of unrealized and realized losses on fuel swap derivative hedge contracts partially offset by \$4.5 million of gains on foreign currency exchange and \$3.9 million of gains on foreign currency exchange derivative hedge contracts.

In 2017, we had an income tax expense of \$10.7 million compared to \$7.2 million in 2016. The expense in 2017 had benefits of \$7.7 million from the impact on our net deferred tax liabilities of a change in both U.S. and U.K. tax rates due to tax reform and a reversal of prior years’

contingency reserves of \$11.6 million. The expense in 2016 had a benefit due to the reversal of a valuation allowance of \$3.6 million.

Year Ended December 31, 2016 (“2016”) Compared to Year Ended December 31, 2015 (“2015”)

Revenue

Total revenue increased 12.2% to \$4.9 billion in 2016 compared to \$4.3 billion in 2015 primarily due to an increase in Capacity Days and improved pricing. Gross Yield increased 0.7%. Net Revenue in 2016 increased 13.8% to \$3.8 billion from \$3.3 billion in 2015 due to an increase in Capacity Days of 11.4% and an increase in Net Yield of 2.1%. The increase in Capacity Days was primarily due to the delivery of Norwegian Escape in October 2015, Sirena joining our fleet in April 2016 and the delivery of Seven Seas Explorer in June 2016. The increase in Net Yield was primarily due to improved pricing. Adjusted Net Revenue includes a deferred revenue fair value adjustment of \$32.4 million in 2015 related to the Acquisition of Prestige. On a Constant Currency basis, Net Yield and Adjusted Net Yield increased 2.8% and 1.8%, respectively, in 2016 compared to 2015.

Expense

Total cruise operating expense increased 7.3% in 2016 compared to 2015 primarily due to the increase in Capacity Days as discussed above and an increase in marketing, general and administrative expenses. Gross Cruise Cost increased 9.5% in 2016 compared to 2015 due to an increase in total cruise operating expense and marketing, general and administrative expenses. Total other operating expense increased 11.3% in 2016 compared to 2015 primarily due to an increase in marketing, general and administrative expenses which included an increase in marketing expenses of \$38.3 million and share-based compensation of \$16.4 million. The increase was also due to income of \$43.4 million related to a contingent consideration adjustment on the Acquisition of Prestige in 2015 which did not occur in 2016. Depreciation and amortization expense was relatively unchanged as the increase due to the addition of Norwegian Escape and ship improvement projects in 2016 was offset by the recognition in 2015 of an incremental \$51.6 million of amortization of intangible assets due to the Acquisition of Prestige. On a Capacity Day basis, Net Cruise Cost decreased slightly on an actual and a Constant Currency basis, due to a decrease in fuel expense partially offset by the increases in expenses discussed above. The average fuel price decreased 13.5% to \$466 per metric ton in 2016 from \$539 per metric ton in 2015. Adjusted Net Cruise Cost Excluding Fuel per Capacity Day increased 1.5% primarily due to the expenses discussed above (1.7% on a Constant Currency basis). We refer you to the “Results of Operations” above for a reconciliation of total cruise operating expense to Adjusted Net Cruise Cost Excluding Fuel.

Interest expense, net increased to \$276.9 million in 2016 from \$221.9 million in 2015 primarily due to an increase in average debt balances outstanding primarily associated with the delivery of new ships and newbuild installments as well as from higher interest rates due to an increase in LIBOR. Additionally, in connection with refinancings of our senior notes and certain of our credit facilities, interest expense, net included losses on extinguishment of debt and debt modification costs of \$39.2 million in 2016 and losses on extinguishment of debt of \$12.6 million in 2015.

Other income (expense), net was an expense of \$8.3 million in 2016 compared to an expense of \$46.7 million in 2015. In 2016, the expense was primarily related to \$16.1 million of unrealized and realized losses on fuel swap derivative hedge contracts partially offset by \$4.5 million of gains on foreign currency exchange and \$3.9 million of gains on foreign currency exchange derivative hedge contracts. In 2015, the expense was primarily related to \$30.7 million of losses from the dedesignation of certain fuel swap derivative hedge contracts and the ineffectiveness of settled fuel swaps in 2015. Also included in 2015 was an expense of \$26.2 million related to the fair value adjustment of a foreign exchange collar which does not receive hedge accounting treatment partially offset by \$11.0 million of foreign currency transaction gains.

In 2016, we had an income tax expense of \$7.2 million compared to \$6.8 million in 2015. The expense in 2016 had a benefit due to the reversal of a valuation allowance of \$3.6 million.

Liquidity and Capital Resources

General

As of December 31, 2017, our liquidity was \$973.2 million consisting of \$176.2 million in cash and cash equivalents and \$797.0 million available under our New Revolving Loan Facility. Our primary ongoing liquidity requirements are to finance working capital, capital expenditures and debt service.

As of December 31, 2017, we had a working capital deficit of \$2.0 billion. This deficit included \$1.3 billion of advance ticket sales, which represents the total revenue we collect in advance of sailing dates and accordingly are substantially more like deferred revenue balances rather than actual current cash liabilities. Our business model, along with our New Revolving Loan Facility, allows us to operate with a working capital deficit and still meet our operating, investing and financing needs.

We evaluate potential sources of additional liquidity, including the capital markets, in the ordinary course of business. We will continue to evaluate opportunities to optimize our capital structure, taking into consideration our current and expected capital requirements, our assessment of prevailing market conditions and expectations regarding future conditions, and the contractual and other restrictions to which we are subject.

Our existing debt agreements restrict, and any of our future debt arrangements may restrict, among other things, the ability of our subsidiaries to make distributions and/or to pay dividends to NCLC and NCLH's ability to pay cash dividends to its shareholders. NCLH is a holding company and depends upon its subsidiaries for their ability to pay distributions to NCLH to finance any dividend or pay any other obligations of NCLH. However, we do not believe that these restrictions have had or are expected to have an impact on our ability to meet any cash obligations.

Sources and Uses of Cash

In this section, references to 2017 refer to the year ended December 31, 2017, references to 2016 refer to the year ended December 31, 2016 and references to 2015 refer to the year ended December 31, 2015.

Net cash provided by operating activities was \$1.6 billion in 2017 compared to \$1.2 billion in 2016 and \$1.0 billion in 2015. The change in net cash provided by operating activities in 2017 reflects net income of \$759.9 million, as well as timing differences in cash receipts and payments relating to various operating assets and liabilities including advance ticket sales of \$154.0 million. The change in net cash provided by operating activities in 2016 reflects net income of \$633.1 million compared to net income of \$427.1 million in 2015, as well as timing differences in cash receipts and payments relating to various operating assets and liabilities, including advance ticket sales of \$135.0 million in 2016 and \$218.3 million in 2015.

Net cash used in investing activities was \$1.4 billion in 2017 primarily related to payments for the delivery of Norwegian Joy, ship improvements, ships under construction and shoreside projects. Net cash used in investing activities was \$1.1 billion in 2016, primarily related to payments for the delivery of Seven Seas Explorer, ship improvements, ships under construction and shoreside projects. Net cash used in investing activities was \$1.2 billion in 2015, primarily related to payments for the delivery of Norwegian Escape, ships under construction, ship improvements and shoreside projects.

Net cash used in financing activities was \$133.0 million in 2017, primarily due to the repayments of our 4.625% senior unsecured notes, our net repayment of our New Revolving Loan Facility, other loan facilities and deferred financing fees and other, partially offset by the proceeds from our Breakaway four loan facility. Net cash used in financing activities was \$98.3 million in 2016, primarily from the repayments of our 5.25% senior unsecured notes, net repayments of our then existing revolving loan facility and other loan facilities, the repurchase of our ordinary shares and payments for and deferred financing fees and other, partially offset by issuance of our \$700.0 million 4.750% senior unsecured notes. Net cash provided by financing activities was \$195.2 million in 2015, primarily from the issuance of our \$600.0 million 4.625% senior unsecured notes, borrowings related to our then existing revolving loan facility and our Breakaway three loan facility for the delivery of Norwegian Escape, partially offset by redemption of our \$300.0 million 5.00% senior unsecured notes due 2018 and repayments on our then existing revolving loan facility and other loan facilities.

Future Capital Commitments

Future capital commitments consist of contracted commitments, including ship construction contracts, and future expected capital expenditures necessary for operations as well as our ship refurbishment projects. As of December 31, 2017, anticipated capital expenditures were \$1.5 billion, \$1.3 billion and \$0.8 billion for the years ending December 31, 2018, 2019 and 2020, respectively. We have export credit financing in place for the anticipated expenditures related to ship construction contracts of \$0.8 billion, \$0.6 billion and \$0.5 billion for the years ended December 31, 2018, 2019 and 2020, respectively. These future expected capital expenditures will significantly increase our depreciation and amortization expense as we take delivery of the ships.

Project Leonardo will introduce an additional four ships with expected delivery dates through 2025. We have an option to introduce two additional ships for delivery in 2026 and 2027, subject to certain conditions. These four Project Leonardo ships are each approximately 140,000 Gross Tons with approximately 3,300 Berths. We have an Explorer Class Ship, Seven Seas Splendor, on order for delivery in the winter of 2020. This ship is approximately 55,000 Gross Tons and 750 Berths. We have two Breakaway Plus Class Ships, Norwegian Bliss and Norwegian Encore, on order for delivery in the spring of 2018 and fall of 2019, respectively. These ships are approximately 168,000 Gross Tons each with approximately 4,000 Berths each. The combined contract price of these seven ships was approximately €5.5 billion, or \$6.6 billion based on the euro/U.S. dollar exchange rate as of December 31, 2017. We have obtained export credit financing for the ships which is expected to fund approximately 80% of the contract price of each ship expected to be delivered through 2025, subject to certain conditions. For ships expected to be delivered after 2023, the contract prices are subject to adjustment under certain circumstances.

In connection with the contracts to build these ships, we do not anticipate any contractual breaches or cancellation to occur. However, if any would occur, it could result in, among other things, the forfeiture of prior deposits or payments made by us, subject to certain refund guarantees, and potential claims and impairment losses which may materially impact our business, financial condition and results of operations.

Capitalized interest for the years ended December 31, 2017, 2016 and 2015 was \$29.0 million, \$33.7 million and \$31.9 million, respectively, primarily associated with the construction of our newbuild ships.

Other

Certain service providers may require collateral in the normal course of our business. The amount of collateral may change based on certain terms and conditions.

As a routine part of our business, depending on market conditions, exchange rates, pricing and our strategy for growth, we regularly consider opportunities to enter into contracts for the building of additional ships. We may also consider the sale of ships, potential acquisitions and strategic alliances. If any of these transactions were to occur, they may be financed through the incurrence of additional permitted indebtedness, through cash flows from operations, or through the issuance of debt, equity or equity-related securities.

Funding Sources

Certain of our debt agreements contain covenants that, among other things, require us to maintain a minimum level of liquidity, as well as limit our net funded debt-to-capital ratio, maintain certain other ratios and restrict our ability to pay dividends. Substantially all of our ships and other property and equipment are pledged as collateral for certain of our debt. We believe we were in compliance with these covenants as of December 31, 2017.

The impact of changes in world economies and especially the global credit markets can create a challenging environment and may reduce future consumer demand for cruises and adversely affect our counterparty credit risks. In the event this environment deteriorates, our business, financial condition and results of operations could be adversely impacted.

We believe our cash on hand, expected future operating cash inflows, additional available borrowings under our New Revolving Loan Facility and our ability to issue debt securities or additional equity securities, will be sufficient to fund operations, debt payment requirements, capital expenditures and maintain compliance with covenants under our debt agreements over the next twelve-month period. There is no assurance that cash flows from operations and additional financings will be available in the future to fund our future obligations.

Item 7A. Qualitative and Quantitative Disclosures about Market Risk

General

We are exposed to market risk attributable to changes in interest rates, foreign currency exchange rates and fuel prices. We attempt to minimize these risks through a combination of our normal operating and financing activities and through the use of derivatives. The financial impacts of these derivative instruments are primarily offset by corresponding changes in the underlying exposures being hedged. We achieve this by closely matching the notional, term and conditions of the derivatives with the underlying risk being hedged. We do not hold or issue derivatives for trading or other speculative purposes. Derivative positions are monitored using techniques including market valuations and sensitivity analyses.

Interest Rate Risk

As of December 31, 2017, we had interest rate swap agreements to hedge our exposure to interest rate movements and to manage our interest expense. As of December 31, 2017, 54% of our debt was fixed and 46% was variable, which includes the effects of the interest rate swaps. The notional amount of outstanding debt associated with the interest rate swap agreements as of December 31, 2017 was \$218.6 million. Based on our December 31, 2017 outstanding variable rate debt balance, a one percentage point increase in annual LIBOR interest rates would increase our annual interest expense by approximately \$29.4 million excluding the effects of capitalization of interest.

Foreign Currency Exchange Rate Risk

As of December 31, 2017, we had foreign currency derivatives to hedge the exposure to volatility in foreign currency exchange rates related to our ship construction contracts denominated in euros. These derivatives hedge the foreign currency exchange rate risk on a portion of the payments on our ship construction contracts. The payments not hedged aggregate €3.3 billion, or \$4.0 billion based on the euro/U.S. dollar exchange rate as of December 31, 2017. We estimate that a 10% change in the euro as of December 31, 2017 would result in a \$0.4 billion change in the U.S. dollar value of the foreign currency denominated remaining payments.

Fuel Price Risk

Our exposure to market risk for changes in fuel prices relates to the forecasted purchases of fuel on our ships. Fuel expense, as a percentage of our total cruise operating expense, was 11.8% for each of the twelve months ended December 31, 2017 and 2016 and 13.5% for the twelve months ended December 31, 2015. We use fuel derivative agreements to mitigate the financial impact of fluctuations in fuel prices and as of December 31, 2017, we had hedged approximately 65%, 48% and 26% of our 2018, 2019 and 2020, respectively, projected metric tons of fuel purchases. We estimate that a 10% increase in our weighted-average fuel price would increase our anticipated 2018 fuel expense by \$38.0 million. This increase would be partially offset by an increase in the fair value of our fuel swap agreements of \$20.6 million. Fair value of our derivative contracts is derived using valuation models that utilize the income valuation approach. These valuation models take into account the contract terms such as maturity, as well as other inputs such as fuel types, fuel curves, creditworthiness of the counterparty and the Company, as well as other data points.

Item 8. Financial Statements and Supplementary Data

Our Financial Statements and Quarterly Selected Financial Data are included beginning on page F-1 of this report.

Item 9. Changes In and Disagreements With Accountants on Accounting and Financial Disclosure

Item 9A. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

Our management has evaluated, with the participation of our Chief Executive Officer and Chief Financial Officer, the effectiveness of our disclosure controls and procedures, as such term is defined in Exchange Act Rule 13a-15(e), as of December 31, 2017. There are inherent limitations to the effectiveness of any system of disclosure controls and procedures, including the possibility of human error and the circumvention or overriding of the controls and procedures. Accordingly, even effective disclosure controls and procedures can only provide reasonable assurance of achieving their control objectives. Based upon management's evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective as of December 31, 2017 to provide reasonable assurance that the information required to be disclosed by us in the reports we file or submit under the Securities Exchange Act of 1934, as amended, is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the Securities and Exchange Commission, and that it is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding

Management’s Report on Internal Control over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting, as such term is defined in Exchange Act Rule 13a-15(f). Under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, we conducted an evaluation of the effectiveness of our internal control over financial reporting based on the 2013 *Internal Control-Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (“COSO Framework”). Based on this evaluation under the COSO Framework, management concluded that our internal control over financial reporting was effective as of December 31, 2017.

The effectiveness of the Company’s internal control over financial reporting as of December 31, 2017 has been audited by PricewaterhouseCoopers LLP, an independent registered public accounting firm, as stated in their report, which is included on page F-1.

Changes in Internal Control Over Financial Reporting

There have been no changes in our internal control over financial reporting during the quarter ended December 31, 2017 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Limitations on the Effectiveness of Controls

It should be noted that any system of controls, however well designed and operated, can provide only reasonable, and not absolute, assurance that the objectives of the system will be met. In addition, the design of any control system is based in part upon certain assumptions about the likelihood of future events. Because of these and other inherent limitations of control systems, there is only the reasonable assurance that our controls will succeed in achieving their goals under all potential future conditions.

Report of Independent Registered Public Accounting Firm

To the Board of Directors and Shareholders of Norwegian Cruise Line Holdings Ltd.

Opinions on the Financial Statements and Internal Control over Financial Reporting

We have audited the accompanying consolidated balance sheets of Norwegian Cruise Line Holdings Ltd. and its subsidiaries as of December 31, 2017 and 2016, and the related consolidated statements of operations, comprehensive income, changes in shareholders' equity, and cash flows for each of the three years in the period ended December 31, 2017, including the related notes and financial statement schedule listed in the index appearing under Item 15(2) (collectively referred to as the "consolidated financial statements"). We also have audited the Company's internal control over financial reporting as of December 31, 2017, based on criteria established in *Internal Control - Integrated Framework* (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2017 and 2016, and the results of their operations and their cash flows for each of the three years in the period ended December 31, 2017 in conformity with accounting principles generally accepted in the United States of America. Also in our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of December 31, 2017, based on criteria established in *Internal Control - Integrated Framework* (2013) issued by the COSO.

Basis for Opinions

The Company's management is responsible for these consolidated financial statements, for maintaining effective internal control over financial reporting, and for its assessment of the effectiveness of internal control over financial reporting, included in Management's Report on Internal Control over Financial Reporting appearing under Item 9A. Our responsibility is to express opinions on the Company's consolidated financial statements and on the Company's internal control over financial reporting based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud, and whether effective internal control over financial reporting was maintained in all material respects.

Our audits of the consolidated financial statements included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. Our audit of internal control over financial reporting included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audits also included performing such other procedures as we considered necessary in the circumstances. We believe that our audits provide a reasonable basis for our opinions.

Definition and Limitations of Internal Control over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Norwegian Cruise Line Holdings Ltd.
Notes to the Consolidated Financial Statements

1. Description of Business and Organization

We are a leading global cruise company which operates the Norwegian Cruise Line, Oceania Cruises and Regent Seven Seas Cruises brands. As of December 31, 2017, we had 25 ships with approximately 50,400 Berths. We plan to introduce seven additional ships through 2025 and we have an option to introduce two additional ships for delivery in 2026 and 2027, subject to certain conditions. Norwegian Bliss and Norwegian Encore are on order for delivery in the spring of 2018 and fall of 2019, respectively. We also have an Explorer Class Ship, Seven Seas Splendor, on order for delivery in the winter of 2020. Project Leonardo will introduce an additional four ships with expected delivery dates through 2025. These additions to our fleet (exclusive of the option for two additional ships) will increase our total Berths to approximately 72,300.

Norwegian commenced operations from Miami in 1966. In February 2000, Genting HK acquired control of and subsequently became the sole owner of the Norwegian operations.

In January 2008, the Apollo Holders acquired 50% of the outstanding ordinary share capital of NCLC. As part of this investment, the Apollo Holders assumed control of NCLC's Board of Directors. Also, in January 2008, the TPG Viking Funds acquired, in the aggregate, 12.5% of NCLC's outstanding share capital from the Apollo Holders.

In February 2011, NCLH, a Bermuda limited company, was formed with the issuance to the Sponsors of, in aggregate, 10,000 ordinary shares, with a par value of \$.001 per share. In January 2013, NCLH completed its IPO, pursuant to which it sold 27,058,824 ordinary shares for net proceeds, after deducting underwriting discounts and commissions and expenses, of approximately \$473.9 million. In connection with the consummation of the IPO, the Sponsors' ordinary shares in NCLC were exchanged for the ordinary shares of NCLH, and NCLH became the owner of 100% of the ordinary shares and parent company of NCLC (the "Corporate Reorganization"). At the same time, NCLH contributed \$460.0 million to NCLC and the historical financial statements of NCLC became those of NCLH. The Corporate Reorganization was effected solely for the purpose of reorganizing our corporate structure. NCLH had not, prior to the completion of the Corporate Reorganization, conducted any activities other than those incidental to its formation and to prepare for the Corporate Reorganization and the IPO. As the economic position of the investors did not change as part of the Corporate Reorganization it was considered a nonsubstantive merger from an accounting perspective.

In November 2014, we completed the Acquisition of Prestige. We believe that the combination of Norwegian and Prestige creates a cruise operating company with a rich product portfolio and strong market presence.

The Sponsors have completed numerous Secondary Equity Offerings and as of December 31, 2017 have reduced their ownership to 16.8% of NCLH's ordinary shares (we refer you to Note 7— "Related Party Disclosures").

2. Summary of Significant Accounting Policies

Basis of Presentation

Our consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America and contain all normal recurring adjustments necessary for a fair presentation of the results for the periods presented. Estimates are required for the preparation of consolidated financial statements in accordance with generally accepted accounting principles and actual results could differ from these estimates. All significant intercompany accounts and transactions are eliminated in consolidation.

Reclassification

Certain amounts in prior periods have been reclassified to properly reflect promotional discounts allocated between passenger ticket revenue to onboard and other revenue. During the fourth quarter of 2017 we reclassified \$21.9 million of revenue from passenger ticket revenue to onboard and other revenue for the prior three quarters. This cumulative adjustment for 2017 amends the multi-element allocation of revenue between these two financial statement line items. This change does not impact total revenue or net income, nor did it impact any periods in 2016 or 2015.

Cash and Cash Equivalents

Cash and cash equivalents are stated at cost, and include cash and investments with original maturities of three months or less at acquisition and also include amounts due from credit card processors.

Restricted Cash

Restricted cash consists of cash collateral in respect of certain agreements and is included in prepaid expenses and other assets and other long-term assets in our consolidated balance sheets.

Accounts Receivable, Net

Accounts receivable are shown net of an allowance for doubtful accounts of \$5.9 million and \$4.7 million as of December 31, 2017 and 2016, respectively.

Inventories

Inventories mainly consist of provisions, supplies and fuel and are carried at the lower of cost or net realizable value using the first-in, first-out method of accounting.

Advertising Costs

Advertising costs are expensed as incurred except for those that result in tangible assets, including brochures, which are treated as prepaid expenses and charged to expense as consumed. Advertising costs of \$2.4 million and \$1.3 million as of December 31, 2017 and 2016, respectively, are included in prepaid expenses and other assets. Expenses related to advertising costs totaled \$289.1 million, \$270.5 million and \$232.2 million for the years ended December 31, 2017, 2016 and 2015, respectively.

Earnings Per Share

Basic EPS is computed by dividing net income by the basic weighted-average number of shares outstanding during each period. Diluted EPS is computed by dividing net income by diluted weighted-average shares outstanding. A reconciliation between basic and diluted EPS was as follows (in thousands, except share and per share data):

	Year Ended December 31,		
	2017	2016	2015
Net income	\$ 759,872	\$ 633,085	\$ 427,137
Basic weighted-average shares outstanding	228,040,825	227,121,875	226,591,437
Potentially dilutive shares	1,377,501	728,411	3,448,695
Diluted weighted-average shares outstanding	229,418,326	227,850,286	230,040,132
Basic EPS	\$ 3.33	\$ 2.79	\$ 1.89
Diluted EPS	\$ 3.31	\$ 2.78	\$ 1.86

For the years ended December 31, 2017, 2016 and 2015, a total of 5.6 million, 7.1 million and 2.8 million shares, respectively, have been excluded from diluted weighted-average shares outstanding because the effect of including them would have been anti-dilutive.

Property and Equipment, Net

Property and equipment are recorded at cost. Major renewals and improvements that we believe add value to our ships are capitalized as a cost of the ship while costs of repairs and maintenance, including Dry-dock costs, are charged to expense as incurred. During ship construction, certain interest is capitalized as a cost of the ship. Gains or losses on the sale of property and equipment are recorded as a component of operating income (expense) in our consolidated statements of operations.

Depreciation is computed on the straight-line basis over the estimated useful lives of the assets, after a 15% reduction for the estimated residual values of ships as follows:

	Useful Life
Ships	30 years
Computer hardware and software	3-10 years
Other property and equipment	3-40 years
Leasehold improvements	Shorter of lease term or asset life
Ship improvements	Shorter of asset life or life of the ship

Long-lived assets are reviewed for impairment, based on estimated future undiscounted cash flows, whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Assets are grouped and evaluated at the lowest level for which there are identifiable cash flows that are largely independent of the cash flows of other groups of assets. We consider historical performance and future estimated results in our evaluation of potential impairment and then compare the carrying amount of the asset to the estimated future cash flows expected to result from the use of the asset. If the carrying

amount of the asset exceeds estimated expected undiscounted future cash flows, we measure the amount of the impairment by comparing the carrying amount of the asset to its fair value. We estimate fair value based on the best information available utilizing estimates, judgments and projections as necessary. Our estimate of fair value is generally measured by discounting expected future cash flows at discount rates commensurate with the associated risk.

Goodwill and Tradenames

Goodwill represents the excess of cost over the fair value of net assets acquired. Goodwill and other indefinite-lived assets, principally tradenames, are reviewed for impairment on an annual basis or earlier if there is an event or change in circumstances that would indicate that the carrying value of these assets may not be fully recoverable. We use the Step 0 Test which allows us to first assess qualitative factors to determine whether it is more likely than not (i.e., more than 50%) that the fair value of a reporting unit is less than its carrying value. For tradenames we also provide a qualitative assessment to determine if there is any indication of impairment. In order to make this evaluation, we consider the following circumstances as well as others:

- Changes in general macroeconomic conditions such as a deterioration in general economic conditions; limitations on accessing capital; fluctuations in foreign exchange rates; or other developments in equity and credit markets;
- Changes in industry and market conditions such as a deterioration in the environment in which an entity operates; an increased competitive environment; a decline in market-dependent multiples or metrics (in both absolute terms and relative to peers); a change in the market for an entity's products or services; or a regulatory or political development;
- Changes in cost factors that have a negative effect on earnings and cash flows;
- Decline in overall financial performance (for both actual and expected performance);
- Entity and reporting unit specific events such as changes in management, key personnel, strategy, or customers; litigation; or a change in the composition or carrying amount of net assets; and
- Decline in share price (in both absolute terms and relative to peers).

We have concluded that our business has three reporting units. Each brand, Norwegian, Regent and Oceania Cruises, constitutes a business for which discrete financial information is available and management regularly reviews the operating results and, therefore, each brand is considered an operating segment.

For our annual impairment evaluation, we performed a Step 0 Test for the Norwegian, Regent Seven Seas and Oceania Cruises reporting units. As of December 31, 2017, there was \$523.0 million, \$462.1 million and \$403.8 million of goodwill for the Oceania Cruises, Regent Seven Seas and Norwegian reporting units, respectively. As of December 31, 2017, our annual review consisting of the Step 0 Test supports the carrying value of these assets.

Revenue and Expense Recognition

Deposits received from guests for future voyages are recorded as advance ticket sales and are subsequently recognized as passenger ticket revenue on a pro-rata basis over the period of the voyage, concurrent with recognition of onboard and other revenue and with recognition of all associated direct costs of a voyage as cruise operating expenses. Guest cancellation fees are recognized in passenger ticket revenue in the month of the cancellation. Certain of our product offerings are accounted for under the guidance included within multi-element arrangements and result in an allocation of the fair value between passenger ticket revenue and onboard and other revenue.

Revenue and expenses include port fees and taxes. The amounts included on a gross basis are \$327.4 million, \$286.6 million and \$243.8 million for the years ended December 31, 2017, 2016 and 2015, respectively.

Debt Issuance Costs

Debt issuance costs related to a recognized debt liability are presented in the consolidated balance sheets as a direct deduction from the carrying amount of that debt liability, consistent with debt discounts. For line of credit arrangements and for those debt facilities not fully drawn we defer and present debt issuance costs as an asset. These deferred issuance costs are amortized over the life of the loan agreement. The amortization of deferred financing fees is included in depreciation and amortization expense in the consolidated statements of cash flows; however, for purposes of the consolidated statements of operations it is included in interest expense, net.

Foreign Currency

The majority of our transactions are settled in U.S. dollars. Gains or losses resulting from transactions denominated in other currencies are recognized in income at each balance sheet date. We recognized losses for the year ended December 31, 2017 of \$14.2 million and gains were approximately \$4.5 million and \$11.0 million for the years ended December 31, 2016 and 2015, respectively.

Derivative Instruments and Hedging Activity

We enter into derivative contracts to reduce our exposure to fluctuations in foreign currency exchange rates, interest rates and fuel prices. The criteria used to determine whether a transaction qualifies for hedge accounting treatment includes the correlation between fluctuations in the fair value of the hedged item and the fair value of the related derivative instrument and its effectiveness as a hedge. As the derivative is marked to fair value, we elected an accounting policy to net the fair value of our derivatives when a master netting arrangement exists with our counterparties.

A derivative instrument that hedges a forecasted transaction or the variability of cash flows related to a recognized asset or liability may be designated as a cash flow hedge. Changes in fair value of derivative instruments that are designated as cash flow hedges are recorded as a component of accumulated other comprehensive income (loss) until the underlying hedged transactions are recognized in earnings. To the extent that an instrument is not effective as a hedge, gains and losses are recognized in other income (expense), net in our consolidated statements of operations. Realized gains and losses related to our effective fuel hedges are recognized in fuel expense. For presentation in our consolidated statements of cash flows, we have elected to classify the cash flows from our cash flow hedges in the same category as the cash flows from the items being hedged.

Concentrations of Credit Risk

We monitor concentrations of credit risk associated with financial and other institutions with which we conduct significant business. Credit risk, including but not limited to counterparty non-performance under derivative instruments, our New Revolving Loan Facility and new ship progress payment guarantees, is not considered significant, as we primarily conduct business with large, well-established financial institutions and insurance companies that we have well-established relationships with and that have credit risks acceptable to us or the credit risk is spread out among a large number of creditors. We do not anticipate non-performance by any of our significant counterparties.

Insurance

We use a combination of insurance and self-insurance for a number of risks including claims related to crew and guests, hull and machinery, war risk, workers' compensation, property damage, employee healthcare and general liability. Liabilities associated with certain of these risks, including crew and passenger claims, are estimated actuarially based upon known facts, historical trends and a reasonable estimate of future expenses. While we believe these accruals are adequate, the ultimate losses incurred may differ from those recorded.

Income Taxes

Deferred tax assets and liabilities are calculated in accordance with the liability method. Deferred taxes are recorded using the currently enacted tax rates that apply in the periods that the differences are expected to reverse. Deferred taxes are not discounted.

We provide a valuation allowance on deferred tax assets when it is more likely than not that such assets will not be realized. With respect to acquired deferred tax assets, future reversals of the valuation allowance will first be applied against goodwill and other intangible assets before recognition of a benefit in our consolidated statements of operations.

Share-Based Compensation

We recognize expense for our share-based compensation awards using a fair-value-based method. Share-based compensation expense is recognized over the requisite service period for awards that are based on a service period and not contingent upon any future performance. We refer you to Note 9—"Employee Benefits and Share-Based Compensation."

Segment Reporting

We have concluded that our business has a single reportable segment. Each brand, Norwegian, Oceania Cruises and Regent constitutes a business for which discrete financial information is available and management regularly reviews the operating results and, therefore, each brand is considered an operating segment. Our operating segments have similar economic and qualitative characteristics, including similar long-term margins and similar products and services; therefore, we aggregate all of the operating segments into one reportable segment.

Although we sell cruises on an international basis, our passenger ticket revenue is primarily attributed to U.S.-sourced guests

who make reservations in the U.S. Revenue attributable to U.S.-sourced guests was 77%, 81% and 75% for the years ended December 31, 2017, 2016 and 2015, respectively. No other individual country's revenues exceeded 10% in any of our last three years.

Revenues by destination were as follows (in thousands):

	Year Ended December 31,		
	2017	2016	2015
North America	\$ 3,285,903	\$ 3,132,208	\$ 2,743,007
Europe	1,347,381	1,148,403	1,120,705
Asia-Pacific	394,631	196,978	198,131

Total Revenues	\$ 5,396,175	\$ 4,874,340	\$ 4,345,048

Substantially all of our long-lived assets are located outside of the U.S. and consist primarily of our ships. We have 17 ships with Bahamas registry with a carrying value of \$8.0 billion as of December 31, 2017 and 16 ships with Bahamas registry with a carrying value of \$7.1 billion as of December 31, 2016. We have seven ships with Marshall Island registry with a carrying value of \$1.9 billion as of December 31, 2017 and 2016. We also have one ship with U.S. registry with a carrying value of \$0.3 billion as of December 31, 2017 and 2016.

Recently Issued Accounting Guidance

In December 2017, the Tax Cuts and Jobs Act ("the Act") was enacted. Among other provisions, the Act reduces the U.S. federal corporate tax rate from 35% to 21%. The SEC staff issued SAB No. 118, which addresses how a company recognizes provisional amounts when a company does not have the necessary information available, prepared or analyzed (including computations) in reasonable detail to complete its accounting for the effect of the changes in the Act. The measurement period ends when a company has obtained, prepared and analyzed the information necessary to finalize its accounting, but cannot extend beyond one year. As of December 31, 2017, we have not completed the accounting for the tax effects of enactment of the Act; however, as described below, we have made a reasonable estimate of the effects on existing deferred tax balances. These amounts are provisional and subject to change. The most significant impact of the Act for the Company was a \$7.4 million reduction of the value of net deferred tax liabilities (which represent future tax expenses) that was recorded as a discrete tax benefit as a result of lowering the U.S. corporate income tax rate from 35% to 21%. The tax benefit represents a provisional amount and the Company's current best estimates. Any adjustments recorded to the provisional amount through the end of 2018 will be included in income from operations as an adjustment to tax expense. The provisional amounts incorporate assumptions made based upon the Company's current interpretation of the Act and may change as the Company receives additional clarification and implementation guidance. Other aspects of the Act are either not applicable or not expected to have a material impact on the Company's financial statements.

In August 2017, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2017-12. The objectives of this ASU are to improve the financial reporting of hedging relationships to better portray the economic results of an entity's risk management activities in its financial statements and to make certain targeted improvements to simplify the application of the hedge accounting guidance in current GAAP. This ASU is effective for fiscal years beginning after December 15, 2018 and interim periods within those fiscal years. We will adopt in the first quarter of 2018. For cash flow hedges, a cumulative-effect adjustment relating to the elimination of the separate measurement of ineffectiveness to accumulated other comprehensive income is required with a corresponding adjustment to the opening balance of retained earnings. The presentation and disclosure guidance is required prospectively.

In January 2017, the FASB issued ASU No. 2017-04 which simplifies the test for goodwill impairment by eliminating Step 2 from the goodwill impairment test. Step 2 measures a goodwill impairment loss by comparing the implied fair value of a reporting unit's goodwill with the carrying amount of that goodwill. The guidance is effective for annual or any interim goodwill impairment tests in years beginning after December 15, 2019. Early adoption is permitted for interim or annual goodwill impairment tests performed on testing dates after January 1, 2017. We do not expect to early adopt this guidance. We will evaluate the impact upon adoption of this guidance to our consolidated financial statements.

In October 2016, the FASB issued ASU No. 2016-16 which requires companies to recognize the income-tax consequences of an intra-entity transfer of an asset other than inventory when the transfer occurs, rather than when the asset has been sold to an outside party. We will adopt the new standard effective January 1, 2018, using the modified retrospective transition approach through a cumulative-effect adjustment of \$19.1 million to retained earnings as of the effective date. The cumulative-effect adjustment captures the write-off of previously unamortized deferred income tax expense from past intra-entity transfers involving assets other than inventory, and recognition of any new deferred tax assets, net of necessary valuation allowance and other liabilities for amounts not previously recognized under U.S. GAAP.

In August 2016, the FASB issued ASU No. 2016-15 which amends Topic 230 (Statement of Cash Flows) to eliminate discrepancies in reporting certain items in the statement of cash flows. We will adopt a retrospective application in the first quarter of 2018. Currently, the only transactions that will require a reclassification is in connection with our debt extinguishment and deferred financing fees.

In February 2016, the FASB issued ASU No. 2016-02 which sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract (i.e. lessees and lessors). The ASU requires lessees to recognize assets and liabilities on the balance sheet for the rights and obligations created by all leases with terms of more than 12 months. The ASU further modifies lessors' classification criteria for leases and the accounting for sales-type and direct financing leases. The ASU will also require qualitative and quantitative disclosures designed to give financial statement users additional information on the amount, timing, and uncertainty of cash flows arising from leases. The ASU is effective for annual reporting periods, and interim periods within those annual periods, beginning after December 15, 2018 with early adoption permitted. The ASU is to be applied using a modified retrospective approach. To evaluate the impact of the adoption of this guidance, we are currently reviewing our existing leases and evaluating contracts to determine what might be considered a lease under the new guidance.

In May 2014, the FASB issued ASU No. 2014-09 which requires entities to recognize revenue through the application of a five-step model, including identification of the contract, identification of the performance obligations, determination of the transaction price, allocation of the transaction price to the performance obligation and recognition of revenue as the entity satisfies the performance obligations. We will adopt a modified retrospective application in the first quarter of 2018. We have reviewed our contract and business processes and we are concluding on changes to our controls to support recognition and disclosure requirements. Based on our evaluation to date, we determined no significant changes are required to our business processes, systems and controls to effectively report revenue recognition under the new standard. Upon adoption we will reclassify to prepaid expenses and other assets from advanced ticket sales certain deferred costs incurred to obtain our contracts. Adoption of the new standard will require additional disclosures, however, it is not expected to materially change the timing, classification or amount of revenue recognized in our consolidated financial statements.

NCLC, a subsidiary of NCLH, entered into a Third Amended and Restated Credit Agreement, dated as of October 10, 2017, with a subsidiary of NCLC, as co-borrower and JPMorgan Chase Bank, N.A. (“JPM”), as administrative agent. This facility revised the \$750.0 million senior secured credit facility to, among other things, (a) reprice and increase the existing \$750 million revolving credit facility to a new \$875 million revolving credit facility (the “New Revolving Loan Facility”), (b) reprice the approximately \$1,412 million principal amount outstanding under the existing senior secured term A facility to (the “New Term A Loan Facility”), and (c) add a new \$375 million term B loan facility due 2021 (the “New Term B Loan Facility”). The applicable margin under the New Term A Loan Facility and New Revolving Loan Facility is determined by reference to a total leverage ratio, with an applicable margin of between 2.00% and 1.25% with respect to Eurocurrency loans and between 1.00% and 0.25% with respect to base rate loans. The margin for borrowings under the New Term A Loan Facility and New Revolving Loan Facility is 1.75% with respect to Eurocurrency borrowings and 0.75% with respect to base rate borrowings. The applicable margin under the New Term B Loan Facility is 1.75% with respect to Eurocurrency loans and 0.75% with respect to base rate loans. NCLC used proceeds from the New Term B Loan Facility and cash on hand for the Redemption (as defined below).

Concurrent with the refinancing of its loan facilities as described above, on October 10, 2017, NCLC completed the redemption of all its outstanding 4.625% Senior Notes due 2020 (“Notes”), at a price including accrued and unpaid interest, of \$1,044.41 per \$1,000 of outstanding principal amount of Notes so redeemed (the “Redemption”) using the proceeds from the New Term Loan B Facility and cash on hand. No Notes remained outstanding after the redemption.

Interest expense, net for the year ended December 31, 2015 was \$221.9 million which included \$36.7 million of amortization of deferred financing fees and a \$12.7 million loss on extinguishment of debt.

Certain of our debt agreements contain covenants that, among other things, require us to maintain a minimum level of liquidity, as well as limit our net funded debt-to-capital ratio, maintain certain other ratios and restrict our ability to pay dividends. Substantially all of our ships and other property and equipment are pledged as collateral for certain of our debt. We believe we were in compliance with our covenants as of December 31, 2017.

8. Fair Value Measurements and Derivatives

Fair value is defined as the price at which an orderly transaction to sell an asset or to transfer a liability would take place between market participants at the measurement date under current market conditions (that is, an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability).

Fair Value Hierarchy

The following hierarchy for inputs used in measuring fair value should maximize the use of observable inputs and minimize the use of unobservable inputs by requiring that the most observable inputs be used when available:

- Level 1 Quoted prices in active markets for identical assets or liabilities that are accessible at the measurement dates.
- Level 2 Significant other observable inputs that are used by market participants in pricing the asset or liability based on market data obtained from independent sources.
- Level 3 Significant unobservable inputs we believe market participants would use in pricing the asset or liability based on the best information available.

Derivatives

We are exposed to market risk attributable to changes in interest rates, foreign currency exchange rates and fuel prices. We attempt to minimize these risks through a combination of our normal operating and financing activities and through the use of derivatives. We assess whether derivatives used in hedging transactions are “highly effective” in offsetting changes in the cash flow of our hedged forecasted transactions. We use regression analysis for this hedge relationship and high effectiveness is achieved when a statistically valid relationship reflects a high degree of offset and correlation between the fair values of the derivative and the hedged forecasted transaction. Cash flows from the derivatives are classified in the same category as the cash flows from the underlying hedged transaction. The determination of ineffectiveness is based on the amount of dollar offset between the cumulative change in fair value of the derivative and the cumulative change in fair value of the hedged transaction at the end of the reporting period. If it is determined that a derivative is not highly effective as a hedge, or if the hedged forecasted transaction is no longer probable of occurring, then the amount recognized in accumulated other comprehensive income (loss) is released to earnings. In addition, the ineffective portion of our highly effective hedges is recognized in earnings immediately and reported in other income (expense), net in our consolidated statements of operations. There are no amounts excluded from the assessment of hedge effectiveness and there are no credit-risk-related contingent features in our derivative agreements.

We monitor concentrations of credit risk associated with financial and other institutions with which we conduct significant business. Credit risk, including but not limited to counterparty non-performance under derivatives is not considered significant, as we primarily conduct business with large, well-established financial institutions that we have established relationships with and that have credit risks acceptable to us or the credit risk is spread out among a large number of creditors. We do not anticipate non-performance by any of our significant counterparties.

The following table sets forth our derivatives measured at fair value and discloses the balance sheet location (in thousands):

Balance Sheet location	Asset		Liability	
	December 31, 2017	December 31, 2016	December 31, 2017	December 31, 2016

Other long-term liabilities	—	—	—	1,151

The fair values of swap and forward contracts are determined based on observable inputs and utilize the income valuation approach. These valuation models take into account the contract terms, such as maturity and other inputs, such as foreign exchange rates and curves, fuel types, fuel curves and interest yield curves. The Company determines the value of options and collars utilizing an option pricing model based on inputs that are either readily available in public markets or can be derived from information available in publicly quoted markets. The option pricing model used by the Company is an industry standard model for valuing options and is used by the broker/dealer community. The inputs to this option pricing model are the option strike price, underlying price, risk-free rate of interest, time to expiration, and volatility. The fair value of option contracts considers both the intrinsic value and any remaining time value associated with those derivatives that have not yet settled. The Company also considers counterparty credit risk and its own credit risk in its determination of all estimated fair values. Our derivatives and financial instruments were categorized as Level 2 in the fair value hierarchy, and we had no derivatives or financial instruments categorized as Level 1 or Level 3.

Our derivative contracts include rights of offset with our counterparties. We have elected to net certain assets and liabilities within counterparties when the rights of offset exist. We are not required to post cash collateral related to our derivative instruments.

The following table discloses the gross and net amounts recognized within assets and liabilities (in thousands):

December 31, 2017	Gross Amounts	Gross Amounts Offset	Total Net Amounts	Gross Amounts Not Offset	Net Amounts

Fuel Swaps

As of December 31, 2017, we had fuel swaps maturing through December 31, 2020 which are used to mitigate the financial impact of volatility in fuel prices pertaining to approximately 1.2 million metric tons of our projected fuel purchases.

The effects on the consolidated financial statements of the fuel swaps which were designated as cash flow hedges were as follows (in thousands):

	Year Ended December 31,		
	2017	2016	2015
Gain (loss) recognized in other comprehensive income (loss) – effective portion	\$ 50,263	\$ 127,470	\$ (173,513)

Amount reclassified from accumulated other comprehensive income (loss) into fuel expense	29,721	85,448	75,808

We had fuel swaps that matured which were not designated as cash flow hedges. These fuel swaps were previously designated as cash flow hedges and were dedesignated due to a change in our expected future fuel purchases mix.

The effects on the consolidated financial statements of the fuel swaps which were dedesignated and recognized into earnings were as follows (in thousands):

Foreign Currency Options

We had foreign currency options that matured which consisted of call options with deferred premiums. These options were used to mitigate the financial impact of volatility in foreign currency exchange rates related to our ship construction contracts denominated in euros. If the spot rate at the date the ships were delivered was less than the strike price under these option contracts, we would have paid the deferred premium and would not exercise the foreign currency options.

The effects on the consolidated financial statements of the foreign currency options which were designated as cash flow hedges were as follows (in thousands):

Foreign Currency Forward Contracts

As of December 31, 2017, we had foreign currency forward contracts which are used to mitigate the financial impact of volatility in foreign currency exchange rates related to our ship construction contracts denominated in euros. The notional amount of our foreign currency forward contracts was €1.9 billion, or \$2.3 billion based on the euro/U.S. dollar exchange rate as of December 31, 2017.

Interest Rate Swaps

As of December 31, 2017, we had interest rate swap agreements to hedge our exposure to interest rate movements and to manage our interest expense. The notional amount of outstanding debt associated with the interest rate swap agreements was \$218.6 million as of December 31, 2017.

Other

The carrying amounts reported in the consolidated balance sheets of all other financial assets and liabilities approximate fair value.

Long-Term Debt

As of December 31, 2017 and 2016, the fair value of our long-term debt, including the current portion, was \$6,448.6 million and \$6,525.7 million, respectively, which was \$23.5 million higher and \$11.6 million higher, respectively, than the carrying values. The difference between the fair value and carrying value of our long-term debt is due to our fixed and variable rate debt obligations carrying interest rates that are above or below market rates at the measurement dates. The fair value of our long-term debt was calculated based on estimated rates for the same or similar instruments with similar terms and remaining maturities resulting in Level 2 inputs in the fair value hierarchy. Market risk associated with our long-term variable rate debt is the potential increase in interest expense from an increase in interest rates. The calculation of the fair value of our long-term debt is considered a Level 2 input.

Non-recurring Measurements of Non-financial Assets

Goodwill and other indefinite-lived assets, principally tradenames, are reviewed for impairment on an annual basis or earlier if there is an event or change in circumstances that would indicate that the carrying value of these assets may not be fully recoverable.

We believe our estimates and judgments with respect to our long-lived assets, principally ships, and goodwill and other indefinite-lived intangible assets are reasonable. Nonetheless, if there was a material change in assumptions used in the determination of such fair values or if there is a material change in the conditions or circumstances that influence such assets, we could be required to record an impairment charge. We estimate fair value based on the best information available utilizing estimates, judgments and projections as necessary. As of December 31, 2017, our annual review supports the carrying value of these assets.

9. Employee Benefits and Share-Based Compensation

Share-Based Compensation

As a result of NCLH's adoption of ASU No. 2016-09, beginning in the first quarter of 2017, NCLH began accounting for forfeitures as they occur, rather than estimating expected forfeitures. Pursuant to the modified-retrospective application, the net cumulative effect of this change was recognized as a \$2.2 million increase to retained earnings as of January 1, 2017 (we refer you to our consolidated statements of changes in shareholders' equity).

Amended and Restated 2013 Performance Incentive Plan ("Restated 2013 Plan")

In January 2013, NCLH adopted the 2013 Performance Incentive Plan which provided for the issuance of up to 15,035,106 of NCLH's ordinary shares pursuant to awards granted under the plan, with no more than 5,000,000 shares being granted to one individual in any calendar year. In May 2016, the plan was amended and restated pursuant to approval from the Board of Directors and NCLH's shareholders. Among other things, under the Restated 2013 Plan, the number of NCLH's ordinary shares that may be delivered pursuant to all awards granted under the plan was increased by an additional 12,430,000 shares to a new maximum aggregate limit of 27,465,106 shares. Additionally, the expiration date of the Restated 2013 Plan was extended to March 30, 2026. Share options under the plan are granted with an exercise price equal to the closing market price of NCLH shares at the date of grant. The vesting period for time-based options is typically set at 3, 4 or 5 years with a contractual life ranging from 7 to 10 years. The vesting period for time-based restricted share units is generally 3 years. Forfeited awards will be available for subsequent awards under the Restated 2013 Plan.

Share Option Awards

No share option awards were granted in 2017. The fair value of each time-based option award is estimated on the date of grant using the Black-Scholes option-pricing model. The estimated fair value of the share options, less estimated forfeitures, is amortized over the vesting period using the straight-line vesting method. The assumptions used within the option-pricing model for the time-based awards are as follows:

	2016	2015
Dividend yield	—%	—%
Expected share price volatility	30.36%-33.01%	32.32%-45.33%
Risk-free interest rate	1.20%-1.48%	1.34%-1.92%
Expected term	6.00 years	6.00-6.50 years

Expected volatility was determined based on the historical share prices in our industry. The risk-free rate was based on U.S. Treasury zero coupon issues with a remaining term equal to the expected option term at grant date. The expected term was calculated under the simplified method.

The performance-based options awarded to our President and Chief Executive Officer in August 2015 are subject to performance conditions such that the number of awards that ultimately vest depends on the adjusted earnings per share (“Adjusted EPS”) and adjusted return on invested capital (“Adjusted ROIC”) achieved by the Company during the performance period compared to targets established at the award date. Because the terms of the performance-based awards provide discretion to make certain adjustments to the performance calculation, the service inception date of these awards precedes the grant date. Accordingly, the Company recognizes compensation expense beginning on the service inception date and remeasures the fair value of the awards until a grant date is established. The estimate of the awards’ fair values will be fixed in the period in which the grant date occurs, and cumulative compensation expense will be adjusted based on the fair values calculated using the Black-Scholes option-pricing model at the grant date. The fair value for the option awards for which a grant date has not been established is estimated on the last date of the reporting period using the Black-Scholes option-pricing model. The estimated fair value of the share options is amortized over the requisite service period using the straight-line vesting method. The assumptions used within the option-pricing model for the performance-based awards for which share-based compensation expense was recognized during 2017, 2016 and 2015 are as follows:

	2017	2016	2015
Dividend yield	—%	—%	—%
Expected share price volatility	25.97%	25.97%-30.21%	29.31%-29.86%
Risk-free interest rate	1.81%	1.01%-1.93%	1.76%
Expected term	4.20 years	4.38-5.13 years	4.88-5.38 years

Expected volatility was determined based on the historical share prices in our industry. The risk-free rate was based on U.S. Treasury zero coupon issues with a remaining term equal to the expected option term at grant date. The expected term was calculated under the simplified method.

The fair value of the market-based share option awards awarded to our President and Chief Executive Officer is estimated using a Monte-Carlo model which values financial instruments whose value is dependent on share price by sampling random paths for share price. The key inputs for the simulation include current share price, risk free rate, and share price volatility. For each simulated path, the model checks if the simulated share price reaches the vesting threshold during the performance period. For each path that reaches the vesting threshold, the payoff upon vesting is calculated. The fair value of the equity award is determined by averaging the expected payoff across all simulated paths and discounting the average to the valuation date.

The below table summarizes the key inputs used in the Monte-Carlo simulation:

	2015
Dividend yield	—%
Expected share price volatility	30.00%
Risk-free interest rate	1.34%
Expected term	Mid-point from vesting to assumed options expiration

Expected volatility was determined based on the historical share prices in our industry. The risk-free rate was based on U.S. Treasury zero coupon issues with a remaining term equal to the remaining term of the measurement period.

The following is a summary of option activity under NCLH’s Amended and Restated 2013 Performance Incentive Plan for the year ended December 31, 2017 (excludes the impact of 208,335 previously awarded performance-based options as no grant date has been established):

The weighted-average grant-date fair value of time-based options granted during the years 2016 and 2015 was \$17.11 and \$20.90, respectively. The weighted-average reporting period date/established grant-date fair value of performance-based options for which share-based compensation was recognized during 2017, 2016 and 2015 was \$8.55, \$8.67 and \$17.07, respectively. The weighted-average grant-date fair value of market-based options granted during the year 2015 was \$12.37. The total intrinsic value of share options exercised during the years 2017, 2016 and 2015 was \$18.9 million, \$5.2 million and \$68.0 million and total cash received by the Company from exercises was \$27.4 million, \$7.6 million and \$69.1 million, respectively. As of December 31, 2017, there was approximately \$27.6 million, \$0, and \$0 of total unrecognized compensation cost, related to time-based, performance-based with an established grant date, and market-based options, respectively, granted under our share-based incentive plans which is expected to be recognized over a weighted-average period of 0.9 years, 0 years, and 0 years, respectively.

Restricted Ordinary Share Awards

The following is a summary of restricted share activity of NCLH shares for the year ended December 31, 2017:

	Number of Time-Based Awards	Weighted-Average Grant Date Fair Value
Non-vested as of January 1, 2016	16,872	\$ 7.63
Vested	(16,014)	4.91
Non-vested and expected to vest as of December 31, 2017	858	\$ 58.33

As of December 31, 2017, there was \$25 thousand of total unrecognized compensation cost related to non-vested restricted ordinary share awards. The cost is expected to be recognized over a weighted-average period of 1.0 year. Restricted shares, with the exception of those related to the Management Exchange Agreement (which maintained their original vesting conditions of time and performance and have all vested or been forfeited as of December 31, 2017) vest in substantially equal quarterly installments over 1 or 2 years or in annual installments over 4 years. The total fair value of shares vested during 2017, 2016, and 2015 was \$0.1million, \$1.1 million, and \$40.9 million, respectively.

Restricted Share Units (“RSUs”)

On August 1, 2017, NCLH awarded a target number of 79,073 performance-based RSU’s to our President and Chief Executive Officer. The exact number of shares delivered in satisfaction of the performance-based RSUs will be determined based on the achievement of certain pre-established performance targets. On March 1, 2017, NCLH awarded 1.7 million time-based RSUs to our employees which vest equally over three years. Additionally, on March 1, 2017, NCLH awarded 121,000 performance-based RSUs to certain members of our management team which vest upon the achievement of certain pre-established performance targets.

The fair value of the time-based and performance-based RSUs is equal to the closing market price of NCLH shares at the date of grant. The performance-based RSUs awarded to our President and Chief Executive Officer are subject to performance conditions such that the number of awards that ultimately vest depends on the Adjusted EPS and Adjusted ROIC achieved by

the Company during the performance period compared to targets established at the award date. Because the terms of the performance-based awards provide discretion to make certain adjustments to the performance calculation, the service inception date of these awards precedes the grant date. Accordingly, the Company recognizes share-based compensation expense beginning on the service inception date and remeasures the fair value of the awards until a grant date occurs. The estimate of the awards' fair value will be fixed in the period in which the grant date occurs, and cumulative share-based compensation expense will be adjusted based on the fair value at the grant date.

The fair value of the market-based RSUs awarded to our President and Chief Executive Officer is estimated using a Monte-Carlo model which values financial instruments whose value is dependent on share price by sampling random paths for share price. The key inputs for the simulation include current share price, risk free rate, and share price volatility. For each simulated path, the model checks if the simulated share price reaches the vesting threshold during the performance period. For each path that reaches the vesting threshold, the payoff upon vesting is calculated. The fair value of the equity grant is determined by averaging the expected payoff across all simulated paths and discounting the average to the valuation date.

The below table summarizes the key inputs used in the Monte-Carlo simulation:

	2015

Expected share price volatility	30.00%

The following is a summary of the RSUs activity for the year ended December 31, 2017 (excludes the impact of 329,146 performance-based RSUs as no grant date was established):

As of December 31, 2017, there was \$89.1 million, \$0 and \$0 of total unrecognized compensation cost related to non-vested time-based, non-vested performance-based awards with an established grant date and market-based RSUs, respectively. The cost is expected to be recognized over a weighted-average period of 1.9 years, 0 years and 0 years, respectively, for the time-based, performance-based and market-based RSUs. Total taxes paid pursuant to net share settlements in 2017 were \$6.3 million.

Employee Stock Purchase Plan (“ESPP”)

In April 2014, NCLH's shareholders approved the ESPP. The purpose of the ESPP is to provide eligible employees with an opportunity to purchase NCLH's ordinary shares at a favorable price and upon favorable terms in consideration of the participating employees' continued services. A maximum of 2,000,000 of NCLH's ordinary shares may be purchased under the ESPP. To be eligible to participate in an offering period, on the grant date of that period, an individual must be customarily employed by the Company or a participating subsidiary for more than twenty hours per week and for more than five months per calendar year. Participation in the ESPP is also subject to certain limitations. The ESPP is considered to be compensatory based on: a) the 15% purchase price discount and b) the look-back purchase price feature. Since the plan is compensatory, compensation expense must be recorded in the consolidated statements of operations on a straight-line basis over the six-month withholding period. As of December 31, 2017 and 2016, we had a \$1.5 million and \$1.3 million liability, respectively, for payroll withholdings received.

The compensation expense recognized for share-based compensation for the years ended December 31, 2017, 2016 and 2015 was as follows:

Classification of expense (In thousands)	Share-Based Compensation Expense		
	2017	2016	2015

(1) Amounts relate to equity granted to certain of our shipboard officers.

(2) Amounts relate to equity granted to certain of our corporate employees.

Employee Benefit Plans

We offer annual incentive bonuses pursuant to our Restated 2013 Plan for our executive officers and other key employees. Bonuses under the plan become earned and payable based on the Company's performance during the applicable performance period and the individual's continued employment. Company performance criteria include the attainment of certain financial targets and other strategic objectives.

Certain employees are employed pursuant to agreements that provide for severance payments. Severance is generally only payable upon an involuntary termination of the employment by us without cause or a termination by the employee for good reason. Severance generally includes a series of cash payments based on the employee's base salary (and in some cases, bonus), and our payment of the employee's continued medical benefits for the applicable severance period.

We maintain a 401(k) Plan for our shoreside employees, including our executive officers. Participants may contribute up to 100% of eligible compensation each pay period, subject to certain limitations. We make matching contributions equal to 100% of the first 3% and 50% of amounts greater than 3% to and including 10% of each participant's contributions subject to certain limitations. In addition, we may make discretionary supplemental contributions to the Plan, which shall be allocated pro rata to each eligible participant based on the compensation of the participant relevant to the total compensation of all participants. Our matching contributions are vested according to a five-year schedule. The 401(k) Plan is subject to the provisions of ERISA and is intended to be qualified under section 401(a) of the U.S. Internal Revenue Code (the "Code").

Our matching contributions are reduced by amounts forfeited by those employees who leave the 401(k) Plan prior to vesting fully in the matching contributions. Forfeited contributions of \$0.3 million, \$0.1 million and \$0.4 million were utilized in the years ended December 31, 2017, 2016 and 2015, respectively.

We maintained a Supplemental Executive Retirement Plan ("SERP"), which is a legacy unfunded defined contribution plan for certain executives who were employed by the Company in an executive capacity prior to 2008. The SERP was frozen to future participation following that date. The SERP provided for Company contributions on behalf of the participants to compensate them for the benefits that are limited under the 401(k) Plan. We credited participants under the SERP for amounts that would have been contributed by us to the Company's previous Defined Contribution Retirement Plan and the former 401(k) Plan without regard to any limitations imposed by the Code. Participants did not make any elective contributions under this plan. We have discontinued this plan following the 2015 contributions and we paid the previously deferred contributions to participants in early 2017 following the expiration of the required twelve month waiting period. As of December 31, 2016, the aggregate balance of participants' deferred compensation accounts under the SERP Plan was \$0.5 million.

We recorded combined total expenses related to the above 401(k) Plan and SERP of \$7.3 million, \$6.4 million and \$5.3 million for the years ended December 31, 2017, 2016 and 2015, respectively.

Effective January 2009, we implemented the Shipboard Retirement Plan which computes benefits based on years of service, subject to eligibility requirements of the Shipboard Retirement Plan. The Shipboard Retirement Plan is unfunded with no plan assets. The current portion of the projected benefit obligation of \$1.1 million and \$1.2 million was included in accrued expenses and other liabilities as of December 31, 2017 and 2016, respectively, and \$23.5 million and \$21.4 million was included in other long-term liabilities in our consolidated balance sheets as of December 31, 2017 and 2016, respectively. The amounts related to the Shipboard Retirement Plan were as follows (in thousands):

The discount rate is used to measure and recognize obligations, including adjustments to other comprehensive income (loss), and to determine expense during the periods. It is determined by using bond indices which reflect yields on a broad maturity and industry universe of high-quality corporate bonds.

Total deferred tax liabilities	(30,869)	(44,398)
Net deferred tax liability	\$ (12,128)	\$ (4,216)

We have U.S. net operating loss carryforwards of \$254.8 million and \$256.3 million for the years ended December 31, 2017 and 2016, respectively, which begin to expire in 2023. We have state net operating loss carryforwards of \$8.9 million and \$12.4 million for the years ended December 31, 2017 and 2016, respectively, which expire in the years 2025 through 2035. In 2016, based on the weight of available evidence, we reversed a valuation allowance in the amount of \$3.6 million with respect to the U.S. deferred tax assets of one of our U.S. subsidiaries.

Included above are deferred tax assets associated with our operations in Norway for which we have provided a full valuation allowance. We have Norway net operating loss carryforwards of \$13.9 million and \$22.9 million for the years ended December 31, 2017 and 2016, respectively, which can be carried forward indefinitely.

Included above are deferred tax assets associated with our branch operations in the U.K. for which we have provided a full valuation allowance. We have U.K. net operating loss carryforwards of \$8.3 million and \$9.5 million for the years ended December 31, 2017 and 2016, respectively, which can be carried forward indefinitely.

Included above are deferred tax assets associated with Prestige for which we have provided a full valuation allowance. We have U.S. net operating loss carryforwards of \$177.8 million and \$151.2 million for the years ended December 31, 2017 and 2016, respectively, which begin to expire in 2023. Section 382 of the code may limit the amount of taxable income that can be offset by the Prestige NOL carryforwards.

The Act was enacted on December 22, 2017. Among other provisions, the Act reduces the U.S. federal corporate tax rate from 35% to 21%. The SEC staff issued SAB No. 118, which addresses how a company recognizes provisional amounts when a company does not have the necessary information available, prepared or analyzed (including computations) in reasonable detail to complete its accounting for the effect of the changes in the Act. The measurement period ends when a company has obtained, prepared and analyzed the information necessary to finalize its accounting, but cannot extend beyond one year. As of December 31, 2017, we have not completed the accounting for the tax effects of enactment of the Act; however, as described below, we have made a reasonable estimate of the effects on existing deferred tax balances. These amounts are provisional and subject to change. The most significant impact of the Act for the Company was a \$7.4 million reduction of the value of net deferred tax liabilities (which represent future tax expenses) that was recorded as a discrete tax benefit as a result of lowering the U.S. corporate income tax rate from 35% to 21%. The tax benefit represents a provisional amount and the Company's current best estimate. Any adjustments recorded to the provisional amount through the end of 2018 will be included in income from operations as an adjustment to tax expense. The provisional amounts incorporate assumptions made based upon the Company's current interpretation of the Act and may change as the Company receives additional clarification and implementation guidance. Other aspects of the Act are either not applicable or not expected to have a material impact on the Company's consolidated financial statements.

The following is a tabular reconciliation of the total amounts of unrecognized tax benefits (in thousands):

	As of December 31,	
	2017	2016
Unrecognized tax benefits, beginning of the year	\$ 11,144	\$ 11,174
Gross increases in tax positions from prior periods	300	250
Gross decreases in tax positions from prior periods	—	(280)
Gross increases in tax positions from current periods	—	—
Settlement of tax positions	(250)	—
Lapse of statute of limitations	(10,662)	—
Unrecognized tax benefits, end of year	<u>\$ 532</u>	<u>\$ 11,144</u>

During the year, \$10.7 million of unrecognized tax benefits were reversed due to the expiration of the statute of limitations. If the \$0.5 million of unrecognized tax benefits at December 31, 2017 were recognized, our effective tax rate would be minimally affected. We believe that there will not be a significant increase or decrease to the tax positions within 12 months of the reporting date. We recognize interest and penalties related to unrecognized tax benefits in income tax expense.

We file income tax returns in the U.S. federal jurisdiction, various U.S. state jurisdictions and foreign jurisdictions. We are generally no longer subject to U.S. federal, state and local, or non-U.S. income tax examinations by authorities for years prior to 2014, except for years in which NOLs generated prior to 2014 are utilized.

Due to our international structure as well as the existence of international tax treaties that exempt taxation on certain activities, the repatriation of earnings from our subsidiaries would have no tax impact.

We derive our income from the international operation of ships. We are engaged in a trade or business in the U.S. and receive income from sources within the U.S. Under Section 883, certain foreign corporations are exempt from U. S. federal income or branch profits tax on U.S.-source income derived from or incidental to the international operation of ships. Applicable U.S. treasury regulations provide that a foreign corporation will qualify for the benefits of Section 883 if, in relevant part: (i) the foreign country in which the corporation is organized grants an equivalent exemption for income from the operation of ships of sufficiently broad scope to corporations organized in the U.S., and (ii) the foreign corporation has one or more classes of stock that are “primarily and regularly traded on an established securities market” in the U.S. or another qualifying country. We believe that we qualify for the benefits of Section 883 because we are incorporated in qualifying countries and our ordinary shares are primarily and regularly traded on an established securities market in the U.S.

11. Commitments and Contingencies

Operating Leases

Total expense under non-cancelable operating lease commitments, primarily for offices, motor vehicles and office equipment was \$17.0 million, \$15.0 million and \$12.6 million for the years ended December 31, 2017, 2016 and 2015, respectively. As of December 31, 2017, minimum annual rentals for non-cancelable leases with initial or remaining terms in excess of one year were as follows (in thousands):

Year	Amount
2018	\$ 15,204
2019	14,788
2020	14,185
2021	13,227
2022	13,277
Thereafter	61,110
Total minimum annual rentals	<u>\$ 131,791</u>

Rental payments applicable to such operating leases are recognized on a straight-line basis over the term of the lease.

Ship Construction Contracts

Project Leonardo will introduce an additional four ships with expected delivery dates through 2025 and we have an option to introduce two additional ships for delivery in 2026 and 2027, subject to certain conditions. The four Leonardo ships are each approximately 140,000 Gross Tons with approximately 3,300 Berths. We have an Explorer Class Ship, Seven Seas Splendor, on order for delivery in the winter of 2020. This ship is approximately 55,000 Gross Tons and 750 Berths. We have two Breakaway Plus Class Ships, Norwegian Bliss and Norwegian Encore, on order for delivery in the spring of 2018 and fall of 2019, respectively. These ships are approximately 168,000 Gross Tons each with approximately 4,000 Berths each. The combined contract price of the seven ships on order was approximately €5.5 billion, or \$6.6 billion based on the euro/U.S. dollar exchange

rate as of December 31, 2017. We have obtained export credit financing for each of the ships which is expected to fund approximately 80% of the contract price of each ship expected to be delivered through 2025, subject to certain conditions. For ships expected to be delivered after 2023, the contract prices are subject to adjustment under certain circumstances.

In connection with the contracts to build the ships, we do not anticipate any contractual breaches or cancellation to occur. However, if any such events were to occur, it could result in, among other things, the forfeiture of prior deposits or payments made by us and potential claims and impairment losses which may materially impact our business, financial condition and results of operations.

As of December 31, 2017, minimum annual payments for non-cancelable ship construction contracts with initial or remaining terms in excess of one year were as follows (in thousands):

Year	Amount
2018	\$ 1,016,892
2019	893,881
2020	469,334
2021	172,872
2022	968,340
Thereafter	2,616,900
Total minimum annual payments	<u>\$ 6,138,219</u>

Port Facility Commitments

As of December 31, 2017, future commitments to pay for usage of certain port facilities were as follows (in thousands):

Year	Amount
2018	\$ 30,509
2019	21,460
2020	21,928
2021	18,179
2022	5,137
Thereafter	41,095
Total port facility future commitments	<u>\$ 138,308</u>

Other Commitments

The FMC requires evidence of financial responsibility for those offering transportation on passenger ships operating out of U.S. ports to indemnify passengers in the event of non-performance of the transportation. Accordingly, each of our three brands are required to maintain a \$30.0 million third-party performance guarantee in respect of liabilities for non-performance of transportation and other obligations to passengers. The guarantee requirements are subject to additional consumer price index-based adjustments. Also, each of our brands have a legal requirement to maintain a security guarantee based on cruise business originated from the U.K. As of December 31, 2017, approximately British Pound Sterling 11.8 million was in place as to support our security guarantees. We also are required by other jurisdictions to establish financial responsibility to meet liability in the event of non-performance of our obligations to passengers from those jurisdictions.

From time to time, various other regulatory and legislative changes have been or may in the future be proposed that may have an effect on our operations in the U.S. and the cruise industry in general.

Litigation

In the normal course of our business, various claims and lawsuits have been filed or are pending against us. Most of these claims and lawsuits are covered by insurance and, accordingly, the maximum amount of our liability is typically limited to our deductible amount.

Nonetheless, the ultimate outcome of these claims and lawsuits that are not covered by insurance cannot be determined at this time. We have evaluated our overall exposure with respect to all of our threatened and pending litigation and, to the extent required, we have accrued amounts for all estimable probable losses associated with our deemed exposure. We are currently unable to estimate any other potential contingent losses beyond those accrued, as discovery is not complete nor is adequate information available to estimate such range of loss or potential recovery. However, based on our current knowledge, we do not believe that the aggregate amount or range of reasonably possible losses with respect to these matters will be material to our consolidated results of operations, financial condition or cash flows. We intend to vigorously defend our legal position on all claims and, to the extent necessary, seek recovery.

12. Other Income (Expense), Net

Other income (expense), net was \$10.4 million in 2017, \$8.3 million in 2016 and \$46.7 million in 2015. In 2017, the expense

was primarily due to foreign currency exchange losses. In 2016, the expense was primarily related to \$16.1 million of unrealized and realized losses on fuel swap derivative hedge contracts partially offset by \$4.5 million of gains on foreign currency exchange and \$3.9 million of gains on foreign currency exchange derivative hedge contracts. In 2015, the expense was primarily related to \$30.7 million of losses from the dedesignation of certain fuel swap derivative hedge contracts and the ineffectiveness of settled fuel swaps in 2015. Also included in 2015 was an expense of \$26.2 million related to the fair value adjustment of a foreign exchange collar which did not receive hedge accounting treatment partially offset by \$11.0 million of foreign currency transaction gains.

13. Concentration Risk

We contract with a single vendor to provide many of our hotel and restaurant services including both food and labor costs. We incurred expenses of \$152.3 million, \$137.2 million and \$122.4 million for the years ended December 31, 2017, 2016 and 2015, respectively, which are recorded in payroll and related in our consolidated statements of operations.

14. Supplemental Cash Flow Information

For the years ended December 31, 2017, 2016 and 2015, we paid interest and related fees of \$313.8 million, \$303.2 million and \$218.3 million, respectively.

For the year ended December 31, 2017, we had non-cash investing activities for property and equipment of \$20.0 million and non-cash investing activities in connection with capital leases of \$13.3 million. For the year ended December 31, 2016, we had non-cash investing activities in connection with property and equipment of \$26.7 million. For the year ended December 31, 2015, we had non-cash investing activities in connection with capital leases of \$31.1 million and non-cash investing activities for capital expenditures of \$41.1 million. For the years ended December 31, 2017, 2016 and 2015, we paid income taxes of \$11.7 million, \$8.8 million and \$10.3 million, respectively.

The seasonality of the North American cruise industry generally results in the greatest demand for cruises during the Northern Hemisphere’s summer months. This predictable seasonality in demand has resulted in fluctuations in our revenue and results of operations. The seasonality of our results is increased due to ships being taken out of service for regularly scheduled Dry-docks, which we typically scheduled during non-peak demand periods.

16. Subsequent Event

On January 30, 2018, the Company and Wendy A. Beck, the Company’s Executive Vice President and Chief Financial Officer, announced that Ms. Beck would be leaving the Company to pursue other career opportunities. Ms. Beck has agreed to continue in her current position as Executive Vice President and Chief Financial Officer through September 30, 2018 or any earlier date as may be determined by the Company (the “Succession Date”).

On February 2, 2018, a subsidiary of the Company entered into a Transition, Release and Consulting Agreement (the “Transition Agreement”) with Ms. Beck. Pursuant to the terms of the Transition Agreement, subject to Ms. Beck not voluntarily terminating her employment prior to the Succession Date, following the Succession Date, Ms. Beck will be entitled to receive the following benefits: (i) an amount equal to two times her base salary, which will be paid over a 12-month period, (ii) in recognition of her service and tenure, an amount equal to \$4 million, paid in quarterly installments through December 30, 2019, (iii) continued COBRA benefits at the same cost as active employees (or pay in lieu of such benefits if the Company cannot provide such benefits) for up to 36 months, (iv) full acceleration of her outstanding time-based equity awards, (v) continued opportunity to vest in her only outstanding performance-based equity award, subject to the satisfaction of the applicable financial performance conditions for 2018, (vi) pro-rata portion of any bonus actually earned based on performance for 2018, and (vii) an executive-level cruise.

Pursuant to the terms of the Transition Agreement, Ms. Beck has agreed to provide consulting services to the Company for two years following the Succession Date to help with the transition and integrate her successor. Ms. Beck will receive \$2 million, paid in six equal quarterly installments through December 30, 2019, for her consulting services.

WHEREAS, Landlord and Tenant desire to enter into this Amendment to expand the Total Premises, and provide for certain other matters as more fully set forth herein.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants contained herein, the parties agree that the Lease shall be amended in accordance with the terms and conditions set forth below.

1. **Definitions.** The capitalized terms used herein shall have the same definitions as set forth in the Lease, unless otherwise defined herein.
2. **Expansion.**

(a) **Expansion Premises.** The term "Expansion Premises" is hereby defined to be and to mean that certain space located on the sixth (th) floor of Building 8 consisting of approximately 16,231 rentable square feet of space (which is the final agreement of the parties and not subject to adjustment), as outlined on **Exhibit A**, attached hereto and incorporated herein by this reference. Accordingly, effective as of the Thirteenth Amendment Commencement Date (defined below), the Total Premises, as expanded, shall be deemed to consist of a collective total of approximately 322,781 rentable square feet of space.

(b) Thirteenth Amendment Commencement Date. Landlord shall deliver the Expansion Premises to Tenant on April 1, 2018 (the "Thirteenth Amendment Commencement Date") in its present, as-is condition as of the Effective Date of this Amendment; provided the existing tenant of the Expansion Premises surrenders the Premises on or before March 31, 2018. If Landlord is unable to deliver the Expansion Premises in such condition on the Thirteenth Amendment Commencement Date solely as a result of the existing tenant holding over beyond its current term which expires on March 31, 2018, Landlord shall use reasonable efforts at its sole cost to obtain exclusive possession of the Expansion Premises and the Thirteenth Amendment Commencement Date shall be extended until such time as Landlord obtains exclusive possession of the Expansion Premises (and Tenant shall have six (6) months from that date, as extended, to construct the Tenant Improvements). However, if Landlord has obtained exclusive possession of the Expansion Premises before July 1, 2018 and the Thirteenth Amendment Commencement Date has not occurred by July 1, 2018, then Landlord shall pay Tenant [*] per day for each day of delay, as liquidated damages for such delay. In addition, if Landlord has obtained exclusive possession of the Expansion Premises before September 1, 2018 and the Thirteenth Amendment Commencement Date has not occurred by September 1, 2018, Tenant shall have the right to terminate this Amendment by written notice to Landlord, whereupon this Amendment shall be deemed of no further force and effect and Landlord shall reimburse Tenant for all of its actual out of pocket expenses incurred in connection with this Amendment (but the Lease shall continue in full force and effect, unmodified by this Amendment). Tenant acknowledges and agrees that the foregoing penalties shall only apply if Landlord has obtained exclusive possession of the Expansion Premises by the above-mentioned dates and has failed to turn over possession to Tenant by the respective date.

If Tenant is allowed to occupy, use, work in or otherwise enter the Expansion Premises prior to the Thirteenth Amendment Commencement Date, the terms and conditions of the Lease as hereby amended shall apply, except that Tenant shall not be required to pay Rental for any period(s) prior to the Thirteenth Amendment Rent Commencement Date (as defined below) for the Expansion Premises. Subject to the terms and conditions of the Work Letter attached hereto as Exhibit B, Tenant shall be permitted entry onto the Expansion Premises commencing on the Thirteenth Amendment Commencement Date for the purpose of conducting and performing (or causing to be performed) the Tenant Improvements (as defined in the Work Letter), installing Tenant's furniture, fixtures, and equipment, and upon substantial completion of the Tenant Improvements, for all uses permitted by the Lease. The "Thirteenth Amendment Rent Commencement Date" shall mean the date that is six (6) months after the Thirteenth Amendment Commencement Date, and accordingly, Tenant's obligation to pay Rental for the Expansion Premises commences on that date (even if Tenant obtains its certificate of occupancy on an earlier date), subject to six (6) months of conditional abatement of Base Rental as further set forth in Section 3 below.

(c) Expansion Term. The term "Expansion Term" is hereby defined to be and to mean that period of time commencing on the Thirteenth Amendment Commencement Date and expiring contemporaneously with the Lease on the Expansion Expiration Date (*i.e.*, January 31, 2028), as defined in Section 2(c) of the Ninth Amendment.

(d) Acceptance. Effective on the Thirteenth Amendment Commencement Date, Landlord hereby leases to Tenant and Tenant hereby leases from Landlord, on the terms and conditions set forth in the Lease and herein, the Expansion Premises. Tenant shall accept the Expansion Premises in its present "as is" condition as of the Effective Date of this Amendment. Tenant shall install the work set forth in the Work Letter, attached hereto as Exhibit B and incorporated herein by this reference.

(e) Notwithstanding anything herein to the contrary, if, in order for Tenant to receive a building permit for Tenant Improvements (as defined in Exhibit B) or a certificate of occupancy or completion for the Tenant Improvements, any portion of the existing building systems located outside of and serving any portion of the Expansion Premises or any portion of the existing common areas containing any portion of the Expansion Premises are required by applicable governmental authority, to be made compliant with the currently applicable building code or fire code or applicable requirements of the Americans with Disabilities Act ("ADA"), then Landlord agrees that it is Landlord's responsibility, at its cost, to perform the necessary work to make said portion of the existing building systems and/or existing common areas compliant; however, Tenant acknowledges and agrees that Landlord is only responsible for the building systems up to the point of common connection where the applicable portion of the Expansion Premises are located.

3. **Base Rental.** Commencing on the Thirteenth Amendment Rent Commencement Date, Tenant shall pay to Landlord Base Rental for the Expansion Premises (in addition to its Base Rental obligations for the original Premises), which shall be payable in monthly installments as set forth below. As used in this Section 3, "Expansion Year" means the 12 month period commencing on the Thirteenth Amendment Rent Commencement Date, and each consecutive 12 month period thereafter through the Expansion Expiration Date (and, therefore, the final Expansion Year will contain less than 12 months).

* Such abatement shall apply solely to payment of the monthly installments of Base Rental and shall not be applicable to any other charges, expenses or costs payable by Tenant under the Lease or this Amendment, including but not limited to Tenant's Percentage Share of Operating Expenses. Landlord and Tenant agree that the abatement of Base Rental in this Section is conditional and is made by Landlord in reliance upon Tenant's faithful and continued performance of the terms, conditions and covenants of this Amendment and the Lease and the payment of all monies due Landlord hereunder. In the event that Tenant defaults under the terms and conditions of the Lease or this Amendment beyond any applicable notice and cure period resulting in the loss of Tenant's right to possess the Total Premises, Landlord shall have a claim for the unamortized portion of all conditionally abated rental (without limitation and in addition to any and all other rights and remedies available to Landlord provided herein or at law and in equity).

Except as otherwise expressly set forth herein, Base Rental shall be payable pursuant to the terms and conditions of Article 2 of the Original Lease.

4. **Tenant's Percentage Share and Operating Expenses** Beginning on the Thirteenth Amendment Rent Commencement Date, Tenant's Percentage Share, as defined in Section 2.3(c) of the Original Lease, shall be increased based upon an amount determined by (a) the fraction, the numerator of which is the total number of Rentable Square Feet then leased by Tenant in Building 8, and the denominator of which is the greater of (i) ninety-five percent (95%) of the total Rentable Square Feet in Building 8, or (ii) the total Rentable Square Feet in Building 8 actually leased or occupied by tenants. Operating Expenses applicable to Building 8 for calendar year 2017 are currently estimated to be \$[*] per rentable square foot of space.

5. **Tenant's Parking Spaces.** Beginning on the Thirteenth Amendment Commencement Date and throughout the Expansion Term, Tenant shall have the right to use an additional sixty-five (65) parking spaces (*i.e.*, 4 parking spaces per 1,000 RSF of space in the Expansion Premises), to be allocated as follows:

- (a) Twenty-eight (28) uncovered unreserved parking spaces in the parking area around Building 8 at no charge;
- (b) Thirteen (13) covered parking spaces in the Building 8 Garage at no charge; and

- (c) Twenty-four (24) parking spaces, which shall at Tenant's election be either: (i) covered parking spaces in the Building 8 Garage ("Paid Garage Spaces") at the rate of [*] per parking space per month ("Monthly Parking Rent"); or (ii) uncovered unreserved parking spaces in the parking area around Building 8 at no charge. If Tenant elects to use the Paid Garage Spaces, Tenant's obligation to pay Monthly Parking Rent for the Paid Garage Spaces shall be abated through March 31, 2019, pursuant to the same conditions set forth in Section 3 of this Amendment with respect to the abatement of Base Rental, and, accordingly, Tenant's first payment of Monthly Parking Rent for the Paid Garage Spaces shall be due on April 1, 2019. Tenant shall provide written notice to Landlord of its election hereunder on or before the Thirteenth Amendment Commencement Date.

6 . **Brokers.** Tenant hereby represents and warrants to Landlord that Tenant has not dealt with any real estate brokers or leasing agents, and Landlord hereby represents and warrants to Tenant that CBRE, Inc. is the sole real estate broker or leasing agent representing Landlord ("Broker"). No commissions are payable to any party claiming through Landlord or Tenant as a result of the consummation of the transaction contemplated by this Amendment, except to Broker, as applicable. Landlord and Tenant hereby agree to indemnify and to hold each other harmless against any loss, expense, or liability with respect to any claims for commissions or brokerage fees arising from or out of any breach of the foregoing representation and warranty. Landlord shall pay all brokerage commissions due to the Broker pursuant to a separate agreement.

7 . **Counterparts: Electronic Signatures.** This Amendment may be executed in counterparts, including both counterparts that are executed on paper and counterparts that are in the form of electronic records and are executed electronically. An electronic signature means any electronic sound, symbol or process attached to or logically associated with a record and executed and adopted by a party with the intent to sign such record, including facsimile or e-mail electronic signatures. All executed counterparts shall constitute one agreement, and each counterpart shall be deemed an original. The parties hereby acknowledge and agree that electronic records and electronic signatures, as well as facsimile signatures, may be used in connection with the execution of this Amendment and electronic signatures, facsimile signatures or signatures transmitted by electronic mail in so-called pdf format shall be legal and binding and shall have the same full force and effect as if a paper original of this Amendment had been delivered and had been signed using a handwritten signature. Landlord and Tenant (i) agree that an electronic signature, whether digital or encrypted, of a party to this Amendment is intended to authenticate this writing and to have the same force and effect as a manual signature, (ii) intend to be bound by the signatures (whether original, faxed or electronic) on any document sent or delivered by facsimile or, electronic mail, or other electronic means, (iii) are aware that the other party will rely on such signatures, and (iv) hereby waive any defenses to the enforcement of the terms of this Amendment based on the foregoing forms of signature. If this Amendment has been executed by electronic signature, all parties executing this document are expressly consenting under the Electronic Signatures in Global and National Commerce Act ("E-SIGN"), and Uniform Electronic Transactions Act ("UETA"), that a signature by fax, email or other electronic means shall constitute an Electronic Signature to an Electronic Record under both E-SIGN and UETA with respect to this specific transaction.

8 . **Miscellaneous.** With the exception of those matters set forth in this Amendment, Tenant's leasing of the Total Premises (including the Expansion Premises set forth herein) shall be subject to all terms, covenants and conditions of the Lease. In the event of any express conflict or inconsistency between the terms of this Amendment and the terms of the Lease, the terms of this Amendment shall control and govern. Except as expressly modified by this Amendment, all other terms and conditions of the Lease are hereby ratified and affirmed. The parties acknowledge that the Lease is a valid and enforceable agreement and that, as of the date hereof to the best of Tenant's actual knowledge, Tenant holds no claims against Landlord or its agents which might serve as the basis of any other set-off against accruing rent and other charges or any other remedy at law or in equity.

9. Right of Offer.

(a) Offer Space. If at any time during the Expansion Term, all or any portion of Suite 602 comprising an agreed upon 4,021 rentable square feet, or the hallway to be converted by Landlord to 490 rentable square feet (both as shown on Exhibit A), becomes “available for lease” (i.e., Landlord desires to actively market such space), Landlord shall give Tenant written notice (“Sixth Floor Offer Space Notice”) of such event. Such notice shall identify the location, configuration and size of the space (“Sixth Floor Offer Space”). The applicable business terms under which Landlord will lease such space (such as duration, commencement date, concessions, base rent, and additional rent), shall be the same terms applicable to the Expansion Premises as set forth in this Amendment. Within ten (10) business days after the date that any Sixth Floor Offer Space Notice is given to Tenant, Tenant shall give Landlord written notice (“Sixth Floor Offer Space Acceptance Notice”) of its election to lease such Sixth Floor Offer Space and the parties shall thereafter execute an amendment to the Lease incorporating such Sixth Floor Offer Space as part of the Total Premises. Space shall not be considered “available for lease” if it is leased by another tenant. Notwithstanding the foregoing, Landlord shall keep Tenant apprised as to the status of all of the Sixth Floor Offer Space so that Tenant has advance notice as to when all or any portion of the Sixth Floor Offer Space becomes “available for lease.”

(b) Failure to Exercise. In the event that Tenant fails to exercise its right as aforesaid within ten (10) business days of the date the Sixth Floor Offer Space Notice is given to Tenant or, in the event Tenant shall have exercised its right and Tenant shall not have executed an amendment of this Lease as aforesaid within ten (10) business days from the date the Tenant is given such an amendment, Tenant shall be deemed to have waived its right under this Section for a period of one hundred eighty (180) days beginning on the expiration of the applicable ten (10) business day period. Except for such waiver, Tenant’s rights under this Section are continuous and, therefore, if the lease in favor of a third party of the Sixth Floor Offer Space expires or otherwise terminates, and Landlord desires to accept an offer to lease such Sixth Floor Offer Space after the expiration of the above-referenced one hundred eighty (180) day period, Landlord shall again give Tenant notice of its right to lease such Sixth Floor Offer Space.

(c) No Default. Tenant shall be deemed to have waived its rights under this Section in the event that Tenant is in default under the Lease beyond any applicable notice and grace period as of the date of either the Sixth Floor Offer Space Notice or Sixth Floor Offer Space Acceptance Notice.

WORK LETTER

This is the Work Letter referred to in and specifically made a part of the Thirteenth Amendment to Lease (hereinafter, the "Amendment") to which this **Exhibit B** is annexed, covering the Expansion Premises, as more particularly described in the Amendment. Landlord and Tenant agree as follows:

1. **Defined Terms.** The following defined terms shall have the meaning set forth below and, unless provided to the contrary herein, the remaining defined terms shall have the meaning set forth in the Amendment:

Landlord's Representative: Suzanne Russo and/or Kim Gorrin. Landlord has designated Landlord's Representative as its sole representative with respect to the matters set forth in this Work Letter, who shall have full authority and responsibility to act on behalf of Landlord as required in this Work Letter. Landlord shall not change Landlord's Representative except upon prior written notice to Tenant's Representative. Tenant acknowledges that neither Tenant's architect nor any contractor engaged by Tenant is Landlord's agent and neither entity has authority to enter into agreements on Landlord's behalf or otherwise bind Landlord.

Tenant's Representative: Carl Robie. Tenant has designated Tenant's Representative as its representative with respect to the matters set forth in this Work Letter, who shall have full authority and responsibility to act on behalf of Tenant as required in this Work Letter. Tenant shall not change Tenant's Representative except upon prior written notice to Landlord's Representative.

Allowance: [*] (i.e., \$[*] per RSF in the Expansion Premises). Tenant may use the Allowance towards design, architectural and engineering plans, specialty consultants, demolition, and permitting and expeditor fees. Tenant may use an amount up to [*] (i.e., [%]) of the Allowance towards Tenant's soft costs, including Tenant's furniture, fixtures, and equipment, data cabling and wiring, telecommunications systems, and relocation expenses. Additionally, Tenant shall be permitted to apply up to a maximum of [*] (i.e., \$[*] per RSF in the Expansion Premises) of the Allowance against the next payment(s) of Base Rental and Tenant's Percentage Share of Operating Expenses due, until such sum is exhausted. If Tenant elects to apply any amount of the Allowance towards the payment of Base Rental and Operating Expenses, the amount of the Allowance available for the Tenant Improvements shall be reduced by such amount. Any portion of the Allowance not used and a request therefor submitted in writing to Landlord's Representative on or before September 30, 2018 shall be deemed to be forfeited by Tenant.

Construction Management Fee: None.

General Contractor: A general contractor approved by Landlord, which approval shall not be unreasonably withheld, conditioned or delayed.

2. **Landlord's Work.** Subject to Section 2(d) of the Amendment, Tenant accepts the Expansion Premises in its current "AS IS" condition and acknowledges that Landlord shall have no obligation to do any work in or on the Expansion Premises to render it ready for Tenant's use or occupancy.

3. Tenant Improvements. The "Tenant Improvements" shall mean the interior walls, partitions, doors, door hardware, wall coverings, wall base, counters, lighting fixtures, electrical and telephone wiring, cabling for computers, electrical outlets, ceilings, floor and window coverings, that portion of the HVAC system located within any portion of the Expansion Premises, that portion of the fire sprinklers system located within any portion of the Total Premises (including the Expansion Premises), and other items of general applicability that Tenant desires to be installed in the interior of the Expansion Premises. Tenant shall promptly commence and diligently prosecute to full completion Tenant Improvements in accordance with the Drawings. The parties agree that no demolition work or other Tenant Improvements shall be commenced within the Expansion Premises until such time as Tenant's Representative has provided to Landlord's Representative copies of the building permits required to be obtained from all applicable governmental authorities. All materials, work, installations, equipment and decorations of any nature whatsoever brought on or installed in the Expansion Premises before the commencement of the Expansion Term or during the Expansion Term shall be at Tenant's risk, and neither Landlord nor any party acting on Landlord's behalf shall be responsible for any damage thereto or loss or destruction thereof due to any reason or cause whatsoever, excluding by reason of Landlord's negligence or willful or criminal misconduct.

4. Drawings. Tenant shall engage and pay for the services of a licensed architect to prepare a space layout, drawings and specifications for all Tenant Improvements ("Drawings"), which architect shall be subject to Landlord's Representative's reasonable approval, not to be unreasonably withheld, conditioned or delayed ("Architect"). Tenant's Representative shall devote such time in consultation with the Architect as shall be necessary to enable the Architect to develop complete and detailed architectural, mechanical and engineering drawings and specifications, as necessary, for the construction of Tenant Improvements, showing thereon all Tenant Improvements. Tenant hereby acknowledges and agrees that it is Tenant's sole and exclusive responsibility to cause the Expansion Premises and the Drawings to comply with all applicable laws, including the Americans with Disabilities Act and other ordinances, orders, rules, regulations and requirements of all governmental authorities having jurisdiction thereof.

5. Landlord's Approval. On or before the applicable Time Limit set forth below, Tenant's Representative shall submit to Landlord's Representative an electronic PDF copy, electronic CAD copy and hard copy of the complete and final Drawings for Tenant Improvements. The Drawings shall be subject to the approval of Landlord's Representative, which approval shall not be unreasonably withheld, conditioned or delayed. If Landlord's Representative should disapprove such Drawings, Landlord's Representative shall specify to Tenant's Representative in writing, the reasons for its disapproval and Tenant's Representative shall cause the same to be revised to meet the mutual reasonable satisfaction of Landlord's Representative and Tenant's Representative and shall resubmit the same to Landlord's Representative, as so revised, on or before the applicable Time Limit set forth below.

6. Changes. Tenant's Representative may request reasonable changes in the Drawings; provided, however, that (a) no change shall be made to the Drawings without Landlord's Representative's prior written approval, which approval shall not be unreasonably withheld, conditioned or delayed, (b) no such request shall effect any structural change in the Building or otherwise render any portion of the Expansion Premises or the Building within which such portion is situated in violation of applicable laws, (c) Tenant shall pay any additional costs required to implement such change, including, without limitation, architecture and other consultant fees, and increases in construction costs, and (d) such requests shall constitute an agreement by Tenant to any delay in completion caused by Landlord's reviewing and processing such change. If Tenant's Representative requests or causes any change, addition or deletion to the Expansion Premises to be necessary after approval of the Drawings, a request for the change shall be submitted to Landlord's Representative, accompanied by revised plans prepared by the Architect, all at Tenant's sole expense.

7. Tenant's Contractor's Work. It is understood and agreed by the parties that, as hereinafter set forth, Tenant has elected to retain a General Contractor and arrange for the construction and installation of Tenant Improvements itself in a good and workmanlike manner by contractors and subcontractors. On or before the applicable Time Limit set forth below, Tenant's Representative shall submit to Landlord's Representative the names of the General Contractor, electrical, ventilation, plumbing and heating subcontractors (hereinafter "Major Subcontractors"), as applicable, for Landlord's Representative's approval, which approval shall not be unreasonably withheld, conditioned or delayed. If Landlord's Representative shall reject any Major Subcontractor, Landlord's Representative shall advise Tenant's Representative in writing of the reason(s) and Tenant's Representative shall choose another Major Subcontractor. Along with Tenant's Representative's notice of its Major Subcontractors, Tenant's Representative shall notify Landlord's Representative of its estimate of the total costs for Tenant Improvements.

8. Tenant's Construction of Tenant Improvements

(a) Payment; Liens. Tenant shall promptly pay any and all costs and expenses in connection with or arising out of the performance of Tenant Improvements and shall furnish to Landlord's Representative evidence of such payment upon request. In the event any lien is filed against the Building within which any Tenant Improvements are performed by Tenant as set forth herein, or any portion thereof or against Tenant's leasehold interest therein, the provisions of Article 5.1(g) of the Original Lease shall apply.

(b) Indemnity. Tenant shall indemnify, defend (with counsel reasonably satisfactory to Landlord and Tenant) and hold Landlord harmless from and against any and all suits, claims, actions, loss, cost or expense (including claims for workers' compensation, attorneys' fees and costs) based on personal injury, property damage or contract claims (including, but not limited to claims for breach of warranty) arising from Tenant Improvements. Tenant shall repair or replace (or, at Landlord's election, reimburse Landlord for the commercially reasonable cost of repairing or replacing) any portion of the Building within which any Tenant Improvements are performed by Tenant as set forth herein, or item of Landlord's equipment or any of Landlord's real or personal property damaged, lost or destroyed by Tenant's contractors during the construction of Tenant Improvements.

(c) Contractors. The Major Subcontractors employed by Tenant and any subcontractors thereof shall be (i) duly licensed in the state in which the Expansion Premises are located, and (ii) except as otherwise approved herein, subject to Landlord's Representative's prior written approval, which approval shall not be unreasonably withheld, conditioned or delayed. On or before ten (10) business days prior to the commencement of any construction activity in the applicable portion of the Expansion Premises, Tenant and Tenant's contractors shall obtain and provide Landlord's Representative with certificates evidencing Workers' Compensation, public liability and property damage insurance in amounts and forms and with companies reasonably satisfactory to Landlord's Representative. If Landlord's Representative should disapprove such insurance, Landlord's Representative shall specify to Tenant's Representative the reasons for its disapproval within five (5) business days after delivery of such certificates. Tenant's agreement with its contractors shall require such contractors to provide daily clean up of the construction area to the extent such clean up is necessitated by the construction of Tenant Improvements, and to take reasonable steps to minimize interference with other tenants' use and occupancy of the Building. Nothing contained herein shall make or constitute Tenant as the agent of Landlord. Tenant and Tenant's contractors shall comply with any other reasonable rules, regulations or requirements that Landlord's Representative may impose. Notwithstanding anything to the contrary, Tenant's contractors shall not be charged for the use of parking, utilities, elevators use or security costs. To the extent reasonably required by Tenant during construction of Tenant Improvements, Landlord shall use commercially reasonable efforts to provide Tenant with space for a storage container, the exact location and size of which shall be subject to Landlord's reasonable approval and discretion. Tenant shall be responsible to ensure that the storage container satisfies all applicable laws. The storage container may only be used for temporarily storing building materials or equipment which will be incorporated into the Expansion Premises. All of the foregoing shall be maintained by Tenant in a neat and orderly manner and shall not affect other tenants in the Project. Tenant shall be solely responsible for all costs in connection with the foregoing and the same shall only be in place for a reasonable period of time as necessary to facilitate the Tenant Improvements.

(d) Use of Common Areas. During the construction period and installation of fixtures period, Tenant shall be allowed to use, at no cost to Tenant, a freight elevator for the purpose of hoisting materials, equipment and personnel to the Expansion Premises. Also during the construction period, Tenant shall ensure that the Building and all common areas and the Expansion Premises are kept in a clean and safe condition at all times. Further, all construction activities shall be conducted so as to use reasonable efforts to minimize interference with the use and occupancy of the Building by the tenants thereof. Such entry shall be deemed to be under all the terms, covenants, provisions and conditions of the Lease, as amended.

(e) Coordination. All work performed by Tenant shall be coordinated with Landlord's Representative. Tenant's Representative shall use commercially reasonable efforts to timely notify and invite Landlord's Representative to construction meetings (with contractors, engineers, architects and others), and supply all documentation reasonably requested by Landlord's Representative.

(f) Assumption of Risk. All materials, work, installations, equipment and decorations of any nature whatsoever brought on or installed in the Expansion Premises pursuant to the provisions of this Work Letter before the commencement of the Expansion Term or throughout the Expansion Term shall be at Tenant's risk, and neither Landlord nor any party acting on Landlord's behalf shall be responsible for any damage thereto or loss or destruction thereof due to any reason or cause whatsoever, excluding by reason of Landlord or such other party's negligence or willful or criminal misconduct.

9. Time Limits. The following maximum time limits and periods shall be allowed for the indicated matters:

<u>Action</u>	<u>Time Limit</u>
Tenant's Representative submits Drawings to Landlord's Representative for review and approval.	On or before 60 days after the date of mutual execution of the Amendment.

Tenant's Representative notifies Landlord's Representative of its selection of major subcontractors.	On or before 60 days after the date of mutual execution of the Amendment.

If applicable, Landlord's Representative and Tenant's Representative mutually approve the final revised Drawings.	On or before 5 business days after the date of Landlord's Representative's receipt of revised Drawings.
Tenant's Representative submits Drawings for building permit, if applicable.	On or after the date Tenant's Representative and Landlord's Representative mutually approve the final, revised Drawings.
Tenant allowed access to the applicable portion of the Expansion Premises to commence construction of Tenant Improvements	After providing copies of the building permit(s) and the contractors meeting all of Landlord's Representative's insurance requirements.
Allowance Expiration Deadline.	September 30, 2018.

Except as may be otherwise specifically provided for herein, in all instances where either Tenant's Representative's or Landlord's Representative's approval is required, if no written notice of disapproval is given within the applicable Time Limit, at the end of such period the applicable party shall be deemed to have given its approval and the next succeeding time period shall commence. Any delay in any of the foregoing dates (including any "re-do", continuation or abatement of any item due to Tenant's Representative's or Landlord's Representative's disapproval thereof) shall automatically delay all subsequent deadlines by a like amount of time.

10. Allowance. Landlord shall contribute to the costs and expenses of all costs for the planning and design of Tenant Improvements, including all permits, licenses and construction fees and constructing Tenant Improvements in an amount not to exceed the Allowance. If the final costs for Tenant Improvements exceed the Allowance, Tenant shall be responsible for such excess costs. If the total cost of performing Tenant Improvements is less than the Allowance, portions of the Allowance may be used towards Tenant's soft costs and existing Lease or Amendment obligations in accordance with Section 1 of this Work Letter. Landlord shall pay the Allowance to Tenant consistent with the terms and conditions of this Section. After Tenant Improvements are complete (as provided under Section 11 hereof), Tenant's Representative may submit to Landlord's Representative a request in writing ("Draw Request") for the Allowance which request shall include: (a) "as-built" drawings showing all of Tenant Improvements; (b) a detailed breakdown of Tenant's final and total construction costs, together with receipted invoices showing payment thereof; (c) a certified, written statement from the Architect that all of Tenant Improvements has been completed in accordance with the Drawings; (d) all required AIA forms, supporting final lien waivers, and releases executed by the Architect, General Contractor, the Major Subcontractors and all subcontractors and suppliers in connection with Tenant Improvements; (e) a copy of a certificate of occupancy or amended certificate of occupancy required with respect to the Expansion Premises, if applicable, together with all licenses, certificates, permits and other government authorizations necessary in connection with Tenant Improvements and the operation of Tenant's business from the Expansion Premises; and (f) proof reasonably satisfactory to Landlord's Representative that Tenant has complied with all of the conditions set forth in this Work Letter and has satisfactorily completed Tenant Improvements. Upon Landlord's Representatives receipt and approval of the Draw Request, Landlord shall pay the balance of the Allowance. Payment by Landlord shall be made within thirty (30) days, unless Landlord's Representative notifies Tenant's Representative, in writing, of its rejection (and the reasons therefor) of any or all of the Draw Request. To the extent Landlord does not so reject any portion of said Draw Request, Landlord shall timely pay the Draw Request. Notwithstanding the foregoing to the contrary, but subject to Section 1 of this Work Letter, Landlord will pay the amount of the Allowance to Tenant in progress payments (not more often than monthly). Such progress payments will be made not later than thirty (30) days after receipt by Landlord's Representative from Tenant's Representative of copies of Tenant's invoices from its Architect or General Contractor together with a certificate from Tenant's Representative indicating that the work to which such invoices relate has been substantially completed and/or the materials to which such invoices relate have been installed in, or delivered to, the applicable portion of the Expansion Premises. Such progress payments will be made payable to Tenant and will be for the undisputed amount of the submitted invoices, less a ten percent (10%) retainage (which shall not be released until such time as Landlord's Representative has received the Draw Request). As a condition precedent to Landlord's issuing any such progress payment subsequent to the first such progress payment, Tenant's Representative will deliver to Landlord's Representative an original lien waiver from its General Contractor waiving any claim for a mechanic's or materialman's lien with respect to the labor and materials reflected in the invoices submitted for the immediately preceding progress payment.

11. Substantial Completion. Tenant Improvements shall be deemed substantially complete when all work called for by the Drawings has been finished and the Expansion Premises is ready to be used and occupied by Tenant, even though minor items may remain to be installed, finished or corrected ("Substantial Completion Date" or the "Date of Substantial Completion"). Tenant shall cause the contractors to diligently complete any items of work not completed when the Expansion Premises are substantially complete. Substantial completion shall have occurred notwithstanding punch list items. Promptly after the Substantial Completion Date, the parties will execute an instrument in the form attached hereto as Exhibit C, setting forth the applicable Thirteenth Amendment Commencement Date, so that said date is certain and such instrument, when executed, is hereby made a part of this Amendment and incorporated herein by reference.

12. No Representations or Warranties. Notwithstanding anything to the contrary contained in the Lease, as amended, or herein, Landlord's participation in the preparation of the Drawings, the cost estimates for Tenant and the construction of Tenant Improvements shall not constitute any representation or warranty, express or implied, that (i) the Drawings are in conformity with applicable governmental codes, regulations or rules or (ii) Tenant Improvements, if built in accordance with the Drawings, will be suitable for Tenant's intended purpose. Landlord's obligations shall be to review the Drawings; and any additional cost or expense required for the modification thereof to more adequately meet Tenant's use, whether during or after construction thereof, shall be borne entirely by Tenant.

Landlord and Tenant (i) agree that an electronic signature, whether digital or encrypted, of a party to this Amendment is intended to authenticate this writing and to have the same force and effect as a manual signature, (ii) intend to be bound by the signatures (whether original, faxed or electronic) on any document sent or delivered by facsimile or, electronic mail, or other electronic means, (iii) are aware that the other party will rely on such signatures, and (iv) hereby waive any defenses to the enforcement of the terms of this Amendment based on the foregoing forms of signature. If this Amendment has been executed by electronic signature, all parties executing this document are expressly consenting under the Electronic Signatures in Global and National Commerce Act ("E-SIGN"), and Uniform Electronic Transactions Act ("UETA"), that a signature by fax, email or other electronic means shall constitute an Electronic Signature to an Electronic Record under both E-SIGN and UETA with respect to this specific transaction.

Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrowers may borrow, prepay and reborrow amounts under the Revolving Facility Loans; and

Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrowers to, or entered into by the Borrowers with, an Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. Notwithstanding anything herein to the contrary, no Issuing Bank shall have any obligation hereunder to issue any Letter of Credit the proceeds of which would be made available to any person (i) to fund any activity or business of or with any Sanctioned Person or in any Sanctioned Country, in violation of any Sanctions or (ii) in any manner that would result in a violation of any Sanctions by any party to this Agreement. All Existing Letters of Credit shall be deemed to be "Letters of Credit" issued pursuant to this Agreement on the Restatement Effective Date and from and after the Restatement Effective Date shall be subject to and governed by the terms and conditions hereof and shall no longer be deemed to be outstanding under the Original Credit Agreement.

(ii) No Issuing Bank shall be under any obligation to issue any Letter of Credit if any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit or any requirement of law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction or reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect with respect to such Issuing Bank on the Restatement Effective Date, or any unreimbursed loss, cost or expense (including as a result of Basel III) which was not applicable or in effect with respect to such Issuing Bank as of the Restatement Effective Date and which such Issuing Bank reasonably and in good faith deems material to it or if the amount of such Letter of credit, when aggregated with the amount of all other Letters of Credit (and L/C Disbursements in respect thereof) issued by such Issuing Bank would exceed such Issuing Bank's Issuing Bank Sublimit.

(b) Notice of Issuance, Amendment, Renewal, Extension: Certain Conditions To request the issuance of a Letter of Credit (or the amendment, renewal (other than an automatic extension in accordance with paragraph (c) of this Section) or extension of an outstanding Letter of Credit), the Company shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable Issuing Bank) to the applicable Issuing Bank and the Administrative Agent (three Business Days in advance of the requested date of issuance, amendment or extension or such shorter period as the Administrative Agent and the applicable Issuing Bank in their sole discretion may agree) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended or extended, and specifying the date of issuance, amendment or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount and currency of such Letter of Credit, the name and address of the beneficiary thereof, whether such Letter of Credit constitutes a Standby Letter of Credit or a Trade Letter of Credit, and such other information as shall be necessary to issue, amend or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Company also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended or extended only if (and upon issuance, amendment or extension of each Letter of Credit the Company shall be deemed to represent and warrant that), after giving effect to such issuance, amendment or extension (i) the Revolving L/C Exposure shall not exceed the Letter of Credit Sublimit, (ii) the applicable Revolving Facility Credit Exposure shall not exceed the applicable Revolving Facility Commitments.

(c) Expiration Date. Each Standby Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date one year (unless otherwise agreed upon by the Administrative Agent and the applicable Issuing Bank in their sole discretion) after the date of the issuance of such Standby Letter of Credit (or, in the case of any extension thereof, one year (unless otherwise agreed upon by the Administrative Agent and the applicable Issuing Bank in their sole discretion) after such renewal or extension) and (ii) the date that is five Business Days prior to the applicable Revolving Facility Maturity Date; provided, that any Standby Letter of Credit with a one year tenor may provide for automatic extension thereof for additional one year periods (which, in no event, shall extend beyond the date referred to in clause (ii) of this paragraph (c)) so long as such Standby Letter of Credit permits the applicable Issuing Bank to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Standby Letter of Credit) by giving prior notice to the beneficiary thereof within a time period during such twelve-month period to be agreed upon at the time such Standby Letter of Credit is issued; provided, further, that if the applicable Issuing Bank and the Administrative Agent each consent in their sole discretion, the expiration date on any Standby Letter of Credit may extend beyond the date referred to in clause (ii) above, provided, that if any such Standby Letter of Credit is outstanding or is issued under the Revolving Facility Commitments of any Class after the date that is 30 days prior to such Revolving Facility Maturity Date for such Class the Borrowers shall provide cash collateral pursuant to documentation reasonably satisfactory to the Administrative Agent and the relevant Issuing Bank in an amount equal to [*]% of the face amount of each such Standby Letter of Credit on such date of issuance. (d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) under the Revolving Facility Commitments of any Class and without any further action on the part of the applicable Issuing Bank or the Revolving Facility Lenders, such Issuing Bank hereby grants to each Revolving Facility Lender under such Class, and each such Revolving Facility Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Facility Lender's applicable Revolving Facility Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Facility Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Revolving Facility Lender's Revolving Facility Percentage of each L/C Disbursement made by such Issuing Bank and not reimbursed by the Borrowers on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to the Borrowers for any reason, in each case, in Dollars. Each Revolving Facility Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or Event of Default or reduction or termination of the Commitments or the fact that, as a result of changes in currency exchange rates, such Revolving Facility Lender's Revolving Facility Credit Exposure at any time might exceed its Revolving Facility Commitment at such time (in which case Section 2.11(f) would apply), and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. The obligation of the Revolving Facility Lenders to participate in Letters of Credit shall terminate on the Revolving Facility Maturity Date.

(e) Reimbursement. If the applicable Issuing Bank shall make any L/C Disbursement in respect of a Letter of Credit, the Borrowers shall reimburse (or cause the applicable Loan Party or Subsidiary to reimburse) such L/C Disbursement by paying to the Administrative Agent an amount in Dollars equal to such L/C Disbursement not later than 2:00 p.m., Local Time, on the same day (or if such day is not a Business Day, the next following Business Day) the Company receives notice under paragraph (g) of this Section of such L/C Disbursement, together with accrued interest thereon from the date of such L/C Disbursement at the rate applicable to ABR Revolving Facility Loans of the applicable Class; provided, that the Borrowers may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Revolving Facility Borrowing of the applicable Class, as applicable, in an equivalent amount and currency and, to the extent so financed, the Borrowers' obligations to make such payment shall be discharged and replaced by the resulting ABR Revolving Facility Borrowing. If the Borrowers fail to reimburse any L/C Disbursement when due, then the Administrative Agent shall promptly notify the applicable Issuing Bank and each other applicable Revolving Facility Lender of the applicable L/C Disbursement, the payment then due from the Borrowers in respect thereof and, in the case of a Revolving Facility Lender, such Lender's Revolving Facility Percentage thereof. Promptly following receipt of such notice, each Revolving Facility Lender with a Revolving Facility Commitment of the applicable Class shall pay to the Administrative Agent in Dollars, its Revolving Facility Percentage (as specified by the Administrative Agent to such Revolving Facility Lender at the time) of the payment then due from the Borrowers in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Revolving Facility Lenders), and the Administrative Agent shall promptly pay to the applicable Issuing Bank the amounts so received by it from the Revolving Facility Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrowers pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Revolving Facility Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Lenders in Dollars and such Issuing Bank as their interests may appear. Any payment made by a Revolving Facility Lender pursuant to this paragraph to reimburse an Issuing Bank for any L/C Disbursement (other than the funding of an ABR Revolving Loan as contemplated above) shall not constitute a Loan and shall not relieve the Borrowers of their obligation to reimburse such L/C Disbursement.

(f) Obligations Absolute. The obligation of the Borrowers to reimburse L/C Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein or herein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the applicable Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrowers' obligations hereunder. Neither the Administrative Agent, the Lenders nor any Issuing Bank, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of such Issuing Bank, or any of the circumstances referred to in clauses (i), (ii) or (iii) of the first sentence; provided, that the foregoing shall not be construed to excuse the applicable Issuing Bank from liability to the Borrowers to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrowers to the extent permitted by applicable law) suffered by the Borrowers that are determined by a court of competent jurisdiction to have been caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the applicable Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, the applicable Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. The applicable Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Such Issuing Bank shall promptly notify the Administrative Agent and the Company by telephone (confirmed by electronic means) of any such demand for payment under a Letter of Credit and whether such Issuing Bank has made or will make a L/C Disbursement thereunder; provided, that any failure to give or delay in giving such notice shall not relieve the Borrowers of their obligations to reimburse such Issuing Bank and the Revolving Facility Lenders with respect to any such L/C Disbursement.

(h) Interim Interest. If an Issuing Bank shall make any L/C Disbursement, then, unless the Borrowers shall reimburse such L/C Disbursement in full on the date such L/C Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such L/C Disbursement is made to but excluding the date that the Borrowers reimburse such L/C Disbursement, at the rate per annum then applicable to ABR Revolving Loans of the applicable Class; provided, that, if such L/C Disbursement is not reimbursed by the Borrowers when due pursuant to paragraph (e) of this Section, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Facility Lender pursuant to paragraph (e) of this Section to reimburse such Issuing Bank shall be for the account of such Revolving Facility Lender to the extent of such payment.

(i) Replacement of an Issuing Bank. An Issuing Bank may be replaced at any time by written agreement among the Company, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement shall become effective, the Borrowers shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12. From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of such Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization. If any Event of Default shall occur and be continuing, (i) in the case of an Event of Default described in Section 8.01(h) or (i), on the Business Day or (ii) in the case of any other Event of Default, on the third Business Day, in each case, following the date on which the Company receives notice from the Administrative Agent (or, if the maturity of the Loans has been accelerated, Revolving Facility Lenders with Revolving L/C Exposure representing greater than 50% of the total Revolving L/C Exposure) demanding the deposit of cash collateral pursuant to this paragraph, the Borrowers shall deposit in an account with or at the direction of the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Lenders, an amount in cash in Dollars equal to the Revolving L/C Exposure as of such date plus any accrued and unpaid interest thereon; provided, that upon the occurrence of any Event of Default with respect to a Borrower described in clause (h) or (i) of Section 8.01, the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind. Each such deposit pursuant to this paragraph shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrowers under this Agreement. At any time that there shall exist a Defaulting Lender, within one Business Day following the written request of the Administrative Agent or any Issuing Bank (with a copy to the Administrative Agent) the Borrowers shall Cash Collateralize the Issuing Banks' Fronting Exposure with respect to such Defaulting Lender (determined after giving effect to Section 2.22(a)(iv) and any Cash Collateral provided by such Defaulting Lender) in an amount not less than the Minimum Collateral Amount. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of (i) for so long as an Event of Default shall be continuing, the Administrative Agent and (ii) at any other time, the Company, in each case, in Permitted Investments and at the risk and expense of the Borrowers, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse each Issuing Bank for L/C Disbursements for which such Issuing Bank has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrowers for the Revolving L/C Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Facility Lenders with Revolving L/C Exposure representing greater than 50% of the total Revolving L/C Exposure), be applied to satisfy other obligations of the Borrowers under this Agreement. If the Borrowers are required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default or the existence of a Defaulting Lender, such amount (to the extent not applied as aforesaid) shall be returned to the Borrowers within three Business Days after all Events of Default have been cured or waived or the termination of the Defaulting Lender status, as applicable.

(k) Additional Issuing Banks. From time to time, the Company may by notice to the Administrative Agent designate up to six Lenders (in addition to the Issuing Banks as of the Restatement Effective Date) each of which agrees (in its sole discretion) to act in such capacity and is reasonably satisfactory to the Administrative Agent as an Issuing Bank. Each such additional Issuing Bank shall execute a counterpart of this Agreement upon the approval of the Administrative Agent (which approval shall not be unreasonably withheld) and shall thereafter be an Issuing Bank hereunder for all purposes.

(l) Reporting. Unless otherwise requested by the Administrative Agent, each Issuing Bank shall (i) provide to the Administrative Agent copies of any notice received from the Borrowers pursuant to Section 2.05(b) no later than the next Business Day after receipt thereof and (ii) report in writing to the Administrative Agent (A) on or prior to each Business Day on which such Issuing Bank expects to issue, amend or extend any Letter of Credit, the date of such issuance, amendment or extension, and the aggregate face amount of the Letters of Credit to be issued, amended or extended by it and outstanding after giving effect to such issuance, amendment or extension occurred (and whether the amount thereof changed), and such Issuing Bank shall be permitted to issue, amend or extend such Letter of Credit if the Administrative Agent shall not have advised such Issuing Bank that such issuance, amendment or extension would not be in conformity with the requirements of this Agreement, (B) on each Business Day on which such Issuing Bank makes any L/C Disbursement, the date of such L/C Disbursement and the amount and currency of such L/C Disbursement and (C) on any other Business Day, such other information with respect to the outstanding Letters of Credit issued by such Issuing Bank as the Administrative Agent shall reasonably request.

Section 2.06. Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 noon, Local Time (or, if later, two hours after the Borrowing Request has been delivered pursuant to Section 2.03) on the Business Day specified in the applicable Borrowing Request, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders; provided that each Lender with a Term A Loan Commitment shall, prior to making any proceeds of its Term A Loans available to the Administrative Agent as provided above, apply an amount of proceeds from the Term A Loans funded by such Lender that is equal to the principal amount, if any, of the "Term A Loans" of such Lender under the Original Credit Agreement immediately prior to the Restatement Effective Date (or, if less, the entire amount of the proceeds of such Lender's Term A Loans to be funded on the Restatement Effective Date) to repay a like principal amount of such Lender's "Term A Loans" that are Existing Loans on the Restatement Effective Date and shall only remit any positive excess proceeds from such Lender's Term A Loans to the Administrative Agent as provided above. The Administrative Agent will make such Loans available to the Borrowers by promptly crediting the amounts so received, in like funds, to an account of the Borrowers designated by the Company in the applicable Borrowing Request; provided, that (i) ABR Revolving Loans made to finance the reimbursement of a L/C Disbursement and reimbursements as provided in Section 2.05(e) shall be remitted by the Administrative Agent to the applicable Issuing Bank and (ii) any proceeds of Term A Loans received by the Administrative Agent on the Restatement Effective Date shall be applied by the Administrative Agent to prepay the "Term A Loans" that are Existing Loans that are not otherwise repaid pursuant to the preceding sentence.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of the Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. In such event, if a Lender has not in fact made its share of the Borrowing available to the Administrative Agent, then the applicable Lender and the Borrowers severally agree to pay to the Administrative Agent forthwith on demand (without duplication) such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of (A) the Federal Funds Effective Rate and (B) a rate as reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrowers, the interest rate applicable to ABR Loans at such time. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in the Borrowing.

Section 2.07. Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in the Borrowing Request. Thereafter, the Company may elect to convert the Borrowing to a different Type or to continue the Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Company may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising the Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Company shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Company were requesting a Borrowing of the Type and in the applicable currency resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or electronic means to the Administrative Agent of a written Interest Election Request in the form of Exhibit E and signed by the Company.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Company shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Company fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless the Borrowing is repaid as provided herein, at the end of such Interest Period the Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the written request (including a request through electronic means) of the Required Lenders, so notifies the Company, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurocurrency Borrowing and (ii) unless repaid, each Eurocurrency Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

Section 2.08. Termination and Reduction of Commitments

(a) Unless previously terminated, the Revolving Facility Commitments of each Class shall terminate on the applicable Revolving Facility Maturity Date for such Class. Unless previously terminated, the Term A Loan Commitments shall terminate on the earliest of (i) the funding of the Term A Loans pursuant to such Term A Loan Commitments on the Restatement Effective Date and (ii) 11:59 p.m., Local Time, on the Restatement Effective Date. Unless previously terminated, the Term B Loan Commitments shall terminate on the earliest of (i) the funding of the Term B Loans pursuant to such Term B Loan Commitments on the Restatement Effective Date and (ii) 11:59 p.m., Local Time, on the Restatement Effective Date. All Existing Commitments shall terminate on the Restatement Effective Date.

(b) The Company may at any time terminate, or from time to time reduce, the Commitments of any Class provided, that (i) each reduction of the Commitments of any Class shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 (or, if less, the remaining amount of the Revolving Facility Commitments of such Class) and (ii) the Company shall not terminate or reduce the Revolving Facility Commitments of any Class if, after giving effect to any concurrent prepayment of the Revolving Facility Loans in accordance with Section 2.11, the Revolving Facility Credit Exposure of such Class would exceed the total Revolving Facility Commitments of such Class.

(c) The Company shall notify the Administrative Agent of any election to terminate or reduce the Commitments of any Class under paragraph (b) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each notice delivered by the Company pursuant to this Section shall be irrevocable; provided, that a notice of termination of the Revolving Facility Commitments delivered by the Company may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Company (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

(d) The Borrowers shall repay (including as contemplated by Section 2.06(a)) all outstanding Existing Loans and all accrued interest and fees under the Original Credit Agreement to but excluding the Restatement Effective Date on the Restatement Effective Date.

Section 2.09. Repayment of Loans; Evidence of Debt

(a) Each Borrower hereby jointly and severally unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Facility Lender the then unpaid principal amount of each Revolving Facility Loan on the Revolving Facility Maturity Date applicable to such Revolving Facility Loans and (ii) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.10.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Facility and Type thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note (a "Note") in the applicable form set out in Exhibit L. In such event, the Borrowers shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent and reasonably acceptable to the Borrowers. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 10.04) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

Section 2.10. Repayment of Term Loans and Revolving Facility Loans.

(a) Subject to the other paragraphs of this Section:

(i) the Borrowers shall repay Term A Borrowings on the last day of each March, June, September and December of each year (commencing December 31, 2017) and on the Term A Loan Maturity Date or, if any such date is not a Business Day, on the next succeeding Business Day (each such date being referred to as a "Term A Loan Installment Date"), in an aggregate principal amount of the Term A Loans equal to (A) in the case of quarterly payments due prior to the Term A Loan Maturity Date and on or prior to the second anniversary of the Second Restatement Effective Date, an amount equal to \$18,832,031.25, (B) in the case of quarterly payments due prior to the Term A Loan Maturity Date but after the second anniversary of the Second Restatement Effective Date, an amount equal to \$37,664,062.50, and (C) in the case of such payment due on the Term A Loan Maturity Date, an amount equal to the then unpaid principal amount of the Term A Loans outstanding;

(ii) the Borrowers shall repay Term B Borrowings on the last day of each March, June, September and December of each year (commencing March 31, 2018) and on the Term B Loan Maturity Date or, if any such date is not a Business Day, on the next succeeding Business Day (each such date being referred to as a “Term B Loan Installment Date”), in an aggregate principal amount of the Term B Loans equal to (A) 0.25% of the aggregate principal amount of Term B Loans outstanding immediately after the Restatement Effective Date and (B) in the case of such payment due on the Term B Loan Maturity Date, an amount equal to the then unpaid principal amount of the Term B Loans outstanding;

(iii) in the event that any Incremental Term Loans are made on an Increased Amount Date, the Borrowers shall repay such Incremental Term Loans on the dates and in the amounts set forth in the Incremental Assumption Agreement (each such date being referred to as an “Incremental Term Loan Installment Date”);

(iv) in the event that any Refinancing Term Loans are made pursuant to Section 2.21(j), the applicable Borrower (or the relevant obligor) shall repay such Refinancing Term Loans on the dates and in the amounts set forth in the related Incremental Assumption Agreement (each such date being referred to as an “Other Term Loan Installment Date”); and

(v) to the extent not previously paid, outstanding Term Loans shall be due and payable on the applicable Term Facility Maturity Date.

(b) To the extent not previously paid, outstanding Revolving Facility Loans of each Class shall be due and payable on the applicable Revolving Facility Maturity Date.

(c) Prepayment of the Loans from:

(i) any optional prepayments of the Term Loans pursuant to Section 2.11(a) shall be applied to the remaining installments of the Term Loans under the applicable Class or Classes as the Company may direct; and

(ii) all Net Proceeds pursuant to Section 2.11(b) shall be allocated among the Term Facilities, with the application thereof (A) to reduce in direct order amounts due on the next twelve succeeding Term Loan Installment Dates under the applicable Term Facilities as provided in paragraph (d) below, and (B) thereafter, to reduce on a pro rata basis (based on the amount of such amortization payments) the remaining scheduled amortization payments under the applicable Term Facilities; provided, that any Lender, at its option, may elect to decline any such prepayment (such declined amounts, the “Declined Proceeds”) of any Term Loan held by it if it shall give written notice to the Administrative Agent thereof by 11:00 A.M. Local Time at least three Business Days prior to the date of such prepayment (any such Lender, a “Declining Lender”). Any Declined Proceeds shall be offered to the Lenders not so declining such repayment on a pro rata basis; provided, that any such non-Declining Lender, at its option, may elect to decline any such prepayment with Declined Proceeds at the time and in the manner specified by the Administrative Agent. To the extent such non-declining Lenders elect to decline their pro rata share of such Declined Proceeds, any Declined Proceeds remaining thereafter on the date of any such prepayment shall instead be retained by the Borrowers for application for any purpose not prohibited by this Agreement.

(d) Any mandatory prepayment of Term Loans pursuant to Section 2.11(b) shall be applied so that the aggregate amount of such prepayment is allocated among the Term A Loans, the Term B Loans, the Other Incremental Term Loans and the Refinancing Term Loans, if any, pro rata based on the aggregate principal amount of outstanding Term A Loans, Term B Loans, Other Incremental Term Loans and Refinancing Term Loans, if any (unless, with respect to Other Incremental Term Loans or Refinancing Term Loans or the Incremental Assumption Agreement relating thereto does not so require). Prior to any repayment of any Loan under any Facility hereunder, the Company shall select the Borrowing or Borrowings under the applicable Facility to be repaid and shall notify the Administrative Agent by telephone (confirmed by electronic means) of such selection not later than 2:00 p.m., Local Time, (i) in the case of an ABR Borrowing, one Business Day before the scheduled date of such repayment and (ii) in the case of a Eurocurrency Borrowing, three Business Days before the scheduled date of such repayment, which notice shall be irrevocable except to the extent conditioned on a refinancing or other event. Each repayment of a Borrowing (x) in the case of the Revolving Facility of any Class, shall be applied to the Revolving Facility Loans included in the repaid Borrowing such that each Revolving Facility Lender receives its ratable share of such repayment (based upon the respective Revolving Facility Credit Exposure of the Revolving Facility Lenders of such Class at the time of such repayment) and (y) in all other cases, shall be applied ratably to the Loans included in the repaid Borrowing. Repayments of Loans (other than repayments of ABR Revolving Facility Borrowings that are not made in connection with the termination or permanent reduction of the applicable Revolving Facility Commitment) shall be accompanied by accrued interest on the amount repaid.

Section 2.11. Prepayment of Loans.

(a) Except as otherwise provided in any Incremental Assumption Agreement with respect to Incremental Term Loans, the Borrowers shall have the right at any time and from time to time to prepay any Loan in whole or in part, without premium or penalty (but subject to Section 2.12(d) and Section 2.16), in an aggregate principal amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum or, if less, the amount outstanding, subject to prior notice in accordance with Section 2.10(d).

(b) The Borrowers shall apply all Net Proceeds promptly upon receipt thereof to prepay Term Loans in accordance with paragraphs (c) and (d) of Section 2.10. Notwithstanding the foregoing, the Borrowers may use a portion of such Net Proceeds pursuant to clause (a) of the definition thereof to prepay or repurchase Pari Passu Senior Secured Notes to the extent any applicable Senior Secured Notes Indenture requires the Borrowers to prepay or make an offer to purchase such Pari Passu Senior Secured Notes with the proceeds of such Asset Sale, in each case in an amount not to exceed the product of (x) the amount of such Net Proceeds multiplied by (y) a fraction, the numerator of which is the outstanding principal amount of the Pari Passu Senior Secured Notes and with respect to which such a requirement to prepay or make an offer to purchase exists and the denominator of which is the sum of the outstanding principal amount of such Pari Passu Senior Secured Notes and the outstanding principal amount of Term Loans.

(c) [Reserved].

(d) In the event and on such occasion that the total Revolving Facility Credit Exposure of any Class exceeds the total Revolving Facility Commitments of such Class, the Borrowers shall prepay Revolving Facility Borrowings of such Class (or, if no such Borrowings are outstanding, deposit cash collateral in an account with the Administrative Agent pursuant to Section 2.05(j)) in an aggregate amount equal to such excess.

(e) In the event and on such occasion as the Revolving L/C Exposure exceeds the Letter of Credit Sublimit, the Borrowers shall deposit cash collateral in an account with the Administrative Agent pursuant to Section 2.05(j) in an amount equal to such excess.

Section 2.12. Fees.

(a) The Borrowers jointly and severally agree to pay to each Lender (other than any Defaulting Lender), through the Administrative Agent, on the date that is 10 Business Days after the last day of March, June, September and December in each year (commencing June 2013), and on the date on which the Revolving Facility Commitments of all the Lenders shall be terminated as provided herein, a commitment fee (a "Commitment Fee") on the daily amount of the applicable Available Unused Commitment of such Lender during the preceding quarter (or other period commencing with the Closing Date or ending with the date on which the last of the Commitments of such Lender shall be terminated) at a rate equal to the Applicable Commitment Fee. All Commitment Fees shall be computed on the basis of the actual number of days elapsed in a year of 360 days. The Commitment Fee due to each Lender shall commence to accrue on the Closing Date and shall cease to accrue on the date on which the last of the Commitments of such Lender shall be terminated as provided herein.

(b) The Borrowers jointly and severally from time to time agree to pay (i) to each Revolving Facility Lender of each Class (other than any Defaulting Lender), through the Administrative Agent, on the last Business Day of March, June, September and December of each year (commencing June 2013) and on the Revolving Facility Maturity Date (or such other date on which the Revolving Facility Commitments of all the Lenders shall be terminated as provided herein), a fee (an "L/C Participation Fee") on such Lender's Revolving Facility Percentage of the daily aggregate Revolving L/C Exposure (excluding the portion thereof attributable to unreimbursed L/C Disbursements) of such Class, during the preceding quarter (or shorter period commencing with the Closing Date or ending with the applicable Revolving Facility Maturity Date or the date on which the Revolving Facility Commitments of such Class shall be terminated) at the rate per annum equal to the Applicable Margin for Eurocurrency Revolving Facility Borrowings of such Class effective for each day in such period, and (ii) to each Issuing Bank, for its own account (x) on the last Business Day of March, June, September and December of each year (commencing June 2013) and on the Revolving Facility Maturity Date (or such other date on which the Revolving Facility Commitments of all the Lenders shall be terminated), a fronting fee in respect of each Letter of Credit issued by such Issuing Bank for the period from and including the date of issuance of such Letter of Credit to and including the termination of such Letter of Credit, computed at a rate equal to 0.125% per annum of the daily average stated amount of such Letter of Credit, plus (y) in connection with the issuance, amendment or transfer of any such Letter of Credit or any L/C Disbursement thereunder, such Issuing Bank's customary documentary and processing fees and charges (collectively, "Issuing Bank Fees"). All L/C Participation Fees and Issuing Bank Fees that are payable on a per annum basis shall be computed on the basis of the actual number of days elapsed in a year of 360 days.

(c) The Borrowers jointly and severally agree to pay to the Administrative Agent, for the accounts of the Administrative Agent and the Collateral Agent, the agency fees set forth in any fee letters entered into between the Agents and any Borrower relating to such fees as such letters may be amended, restated, supplemented or otherwise modified from time to time, at the times specified therein (the fees payable to the Administrative Agent being the "Administrative Agent Fees," and the fees payable to the Collateral Agent being the "Collateral Agent Fees") (it being understood that this Agreement shall constitute the "Credit Agreement" for purposes of the Administrative Agent Fee Letter dated as of November 6, 2014, by and between the Company and the Administrative Agent, notwithstanding the occurrence of the transactions occurring on the Restatement Effective Date).

(d) If, prior to the date that is six months after the Restatement Effective Date, (x) there shall occur any amendment, amendment and restatement or other modification of this Agreement, the primary purpose of which is to reduce the All-In Yield then in effect for the Term B Loans, (y) all or any portion of the Term B Facility is voluntarily prepaid or mandatorily prepaid with the net cash proceeds of, or refinanced substantially concurrently with the incurrence of, or conversion of the Term B Loans into, new syndicated term loans in a transaction the primary purpose of which is to lower the All-In Yield of the Term B Loans below the All-In Yield in effect for the Term B Loans or (z) a Term B Lender is required to assign its Term B Loans pursuant to Section 2.19(c) of this Agreement as a result of its failure to consent to an amendment, amendment and restatement or other modification of this Agreement the primary purpose of which is to reduce the All-In Yield then in effect for the Term B Loans (any of clause (x), (y) or (z), a "Repricing Transaction"), then in each case, the Borrowers shall pay or cause to be paid to each applicable Lender, at the time of such Repricing Transaction, a fee equal to 1% of the aggregate principal amount of the Term B Loans of such Lender so subject to such Repricing Transaction (other than any Repricing Transaction made in connection with a Change in Control or Transformative Acquisition).

(e) [Reserved].

(f) All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders, except that Issuing Bank Fees shall be paid directly to the applicable Issuing Banks. Once paid, none of the Fees shall be refundable under any circumstances.

Section 2.13. Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at the ABR plus the Applicable Margin.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any Fees or other amount payable by the Borrowers hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section; provided, that this paragraph (c) shall not apply to any Event of Default that has been waived by the Lenders pursuant to Section 10.08.

(d) Accrued interest on each Loan shall be payable in arrears (i) on each Interest Payment Date for such Loan, (ii) in the case of Revolving Facility Loans, upon termination of the applicable Revolving Facility Commitments and (iii) in the case of the Term Loans, on the applicable Term Facility Maturity Date; provided, that (A) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (B) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (C) in the event of any conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the ABR at times when the ABR is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable ABR or Adjusted LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Section 2.14. Alternate Rate of Interest.

If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable (including, without limitation, because the LIBO Screen Rate is not available or published on a current basis), for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders or the Majority Lenders under the Revolving Facility of any Class that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrowers and the Lenders by telephone or electronic means as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrowers and the Lenders that the circumstances giving rise to such notice no longer exist, (A) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and such Borrowing shall be converted to or continued as on the last day of the Interest Period applicable thereto an ABR Borrowing and (B) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

Section 2.15. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate) or Issuing Bank; or

(ii) impose on any Lender or Issuing Bank or the London interbank market any other condition affecting this Agreement or Eurocurrency Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Lender or Issuing Bank to any Tax with respect to any Loan Document or any Eurocurrency Loan or Letter of Credit thereunder (other than (i) Taxes indemnifiable under Section 2.17, or (ii) Excluded Taxes),

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder (whether of principal, interest or otherwise), then the Borrowers will pay to such Lender or Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or Issuing Bank, as applicable, for such additional costs incurred or reduction suffered.

(b) If any Lender or Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy or liquidity), then from time to time the Borrowers shall pay to such Lender or such Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender or Issuing Bank, as applicable, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Promptly after any Lender or any Issuing Bank has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender or Issuing Bank shall notify the Borrowers thereof. Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation; provided, that the Borrowers shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or Issuing Bank, as applicable, notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Bank's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrowers pursuant to Section 2.19, then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to be the amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a Eurocurrency Loan, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in Dollars of a comparable amount and period from other banks in the Eurocurrency market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 2.17. Taxes.

(a) Any and all payments made by or on behalf of any Loan Party hereunder or under any other Loan Document shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes; provided that if an applicable Withholding Agent shall be required by law to deduct or withhold any Taxes from such payments, then (i) the applicable Withholding Agent shall make such deductions or withholdings as are reasonably determined by the applicable Withholding Agent to be required by any applicable law, (ii) the applicable Withholding Agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority within the time allowed and in accordance with applicable law, and (iii) to the extent withholding or deduction is required to be made on account of Indemnified Taxes or Other Taxes, the sum payable by the Loan Party shall be increased as necessary so that after all required deductions and withholdings have been made (including deductions or withholdings applicable to additional sums payable under this Section 2.17) the applicable Lender (or, in the case of a payment made to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions or withholdings been made.

(b) In addition, the Loan Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Each Loan Party shall indemnify and hold harmless the Administrative Agent and each Lender, within 15 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes imposed on the Administrative Agent or such Lender, as the case may be (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17), and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrowers by a Lender or the Administrative Agent (as applicable) on its own behalf or on behalf of a Lender shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Taxes by a Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Each Lender shall deliver to the Borrowers and the Administrative Agent, at such time or times reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law and such other reasonably requested information as will permit the Borrowers or the Administrative Agent, as the case may be, to determine (i) whether or not any payments made hereunder or under any other Loan Document are subject to Taxes, (ii) if applicable, the required rate of withholding or deduction, and (iii) such Lender's entitlement to any available exemption from, or reduction of, applicable Taxes in respect of any payments to be made to such Lender by any Loan Party pursuant to any Loan Document or otherwise to establish such Lender's status for withholding tax purposes in the applicable jurisdiction. In addition, any Lender, if requested by the Borrowers or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

Without limiting the generality of Section 2.17(e), each Foreign Lender with respect to any Loan made to the Borrowers shall, to the extent it is legally eligible to do so:

(1) deliver to the Borrowers and the Administrative Agent, prior to the date on which the first payment to the Foreign Lender is due hereunder, two copies of (A) in the case of a Foreign Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest," United States Internal Revenue Service Form W-8BEN or W-8BEN-E (or any applicable successor form) (together with a certificate substantially in the form of Exhibit O-1 - Exhibit O-4 as appropriate (a "Non-Bank Tax Certificate")), (B) Internal Revenue Service Form W-8BEN, W-8BEN-E, or Form W-8ECI (or any applicable successor form), in each case properly completed and duly executed by such Foreign Lender claiming complete exemption from, or reduced rate of, U.S. federal withholding tax on payments by the Borrowers under this Agreement, (C) Internal Revenue Service Form W-8IMY (or any applicable successor form) and all necessary attachments (including the forms described in clauses (A) and (B) above; provided that if the Foreign Lender is a partnership and not a participating Lender, and one or more of the partners is claiming portfolio interest treatment, the Non-Bank Tax Certificate may be provided by such Foreign Lender on behalf of such partners) or (D) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrowers or Withholding Agent to determine the withholding or deduction required to be made; and

(2) deliver to the Borrowers and the Administrative Agent two further copies of any such form or certification (or any applicable successor form) on or before the date that any such form or certification expires or becomes obsolete or invalid, after the occurrence of any event requiring a change in the most recent form previously delivered by it to the Borrowers and the Administrative Agent, and from time to time thereafter if reasonably requested by the Borrowers or the Administrative Agent.

Any Foreign Lender that becomes legally ineligible to update any form or certification previously delivered shall promptly notify the Borrowers and the Administrative Agent in writing of such Foreign Lender's inability to do so.

If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrowers and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their FATCA obligations, to determine whether such Lender has or has not complied with such Lender's FATCA obligations and, if necessary, to determine the amount to deduct and withhold from such payment.

Each person that shall become a Participant pursuant to Section 10.04 or a Lender pursuant to Section 10.04 shall, upon the effectiveness of the related transfer, be required to provide all the forms and statements required pursuant to this Section 2.17(e); provided that in the case of a Participant such Participant shall furnish all such required forms and statements to the person from which the related participation shall have been purchased.

In addition, to the extent it is legally eligible to do so, each Administrative Agent shall deliver to the Borrowers (x)(I) prior to the date on which the first payment by the Borrowers is due hereunder or (II) prior to the first date on or after the date on which such Agent becomes a successor Agent pursuant to Section 9.09 on which payment by the Borrowers is due hereunder, as applicable, two copies of a properly completed and executed an IRS Form W-9 certifying its exemption from U.S. Federal backup withholding or a properly completed and executed applicable IRS Form W-8 certifying its non-U.S. status and its entitlement to any applicable treaty benefits, and (y) on or before the date on which any such previously delivered documentation expires or becomes obsolete or invalid, after the occurrence of any event requiring a change in the most recent documentation previously delivered by it to the Borrowers, and from time to time if reasonably requested by the Borrowers, two further copies of such documentation.

(f) If the Administrative Agent or a Lender determines, in its sole discretion, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.17 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund) as is determined by the Administrative Agent or Lender in good faith and in its sole discretion, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay as soon as reasonably practicable the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. In such event, such Lender or Administrative Agent, as the case may be, shall, at the Loan Party's request, provide the Loan Party with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant Governmental Authority (provided that such Lender or Administrative Agent may delete any information therein that it deems confidential). A Lender or Administrative Agent shall claim any refund that it determines is available to it, unless it concludes in its sole discretion that it would be adversely affected by making such a claim. This Section 2.17(f) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems, in good faith and in its sole discretion, to be confidential) to the Loan Parties or any other person.

(g) If the Borrowers determine that a reasonable basis exists for contesting an Indemnified Tax or Other Tax for which a Loan Party has paid additional amounts as indemnification payments, each affected Lender or Administrative Agent, as the case may be, shall use reasonable efforts to cooperate with the Borrowers as the Borrowers may reasonably request in challenging such Tax. The Borrowers shall jointly and severally indemnify and hold each Lender and Administrative Agent harmless against any out-of-pocket expenses incurred by such person in connection with any request made by the Borrowers pursuant to this Section 2.17(g). Nothing in this Section 2.17(g) shall obligate any Lender or Administrative Agent to take any action that such person, in its sole judgment, determines may result in a material detriment to such person.

(h) For purposes of this Section 2.17, the term “Lender” includes any Issuing Bank.

(i) Solely for purposes of determining withholding Tax imposed under FATCA, from and after the Restatement Effective Date, the Borrowers and the Administrative Agent shall treat (and the Lenders hereby authorize the Administrative Agent to treat) the Loans (including any Loans already outstanding) as not qualifying as “grandfathered obligations” within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

Section 2.18. Payments Generally; Pro Rata Treatment; Sharing of Set offs.

(a) Unless otherwise specified, each Borrower shall make each payment required to be made by it hereunder (whether of principal, interest or, fees or reimbursement of L/C Disbursements, or of amounts payable under Sections 2.15, 2.16 or 2.17, or otherwise) prior to 2:00 p.m., Local Time, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrowers by the Administrative Agent, except payments to be made directly to the applicable Issuing Bank as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16 or 2.17 and 10.05 shall be made directly to the persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments made under the Loan Documents shall be made in Dollars. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) If at any time insufficient funds are received by and available to the Administrative Agent from the Borrowers to pay fully all amounts of principal, unreimbursed L/C Disbursements, interest and fees then due from the Borrowers hereunder, such funds shall be applied (i) *first*, towards payment of interest and fees then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, (ii) *second*, towards payment of unreimbursed L/C Disbursements then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed L/C Disbursements then due to such parties, and (iii) *third*, towards payment of principal then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Term Loans, Revolving Facility Loans or participations in L/C Disbursements resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Term Loans, Revolving Facility Loans and participations in L/C Disbursements and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Term Loans, Revolving Facility Loans and participations in L/C Disbursements of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Term Loans, Revolving Facility Loans and participations in L/C Disbursements; provided, that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph (c) shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in L/C Disbursements to any assignee or participant, other than to the Company or any Subsidiary thereof (as to which the provisions of this paragraph (c) shall apply unless the assignment is pursuant to a Permitted Loan Purchase). Each Borrower consents to the foregoing and agrees, to the extent they may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrowers prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the applicable Issuing Bank hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the applicable Issuing Bank, as applicable, the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders or the applicable Issuing Bank, as applicable, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to 2.05(d) or (e), 2.06(b) or 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

Section 2.19. Mitigation Obligations: Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.15, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or if any Lender is a Defaulting Lender, then the Borrowers may, at their sole expense and effort, upon notice from the Borrowers to such Lender and the Administrative Agent, require any such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 10.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrowers shall have received the prior written consent of the Administrative Agent (and, if in respect of any Revolving Facility Commitment or Revolving Facility Loan and the Issuing Banks), which consent, in each case, shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in L/C Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrowers may have against any Lender that is a Defaulting Lender.

(c) If any Lender (such Lender, a “Non-Consenting Lender”) has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 10.08 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then the Borrowers shall have the right (unless such Non-Consenting Lender grants such consent) at its sole expense (including with respect to the processing and recordation fee referred to in Section 10.04(b)(ii)(B)), to replace such Non-Consenting Lender by requiring such Non-Consenting Lender to (and any such Non-Consenting Lender agrees that it shall, upon the Borrowers’ request) assign its Loans and its Commitments (or, at the Borrowers’ option, the Loans and Commitments under the Facility that is the subject of the proposed amendment, waiver, discharge or termination) hereunder to one or more assignees (except as expressly set forth in the proviso below, in accordance with and subject to the restrictions contained in Section 10.04) reasonably acceptable to (i) the Administrative Agent (unless, in the case of an assignment of Term Loans, such assignee is a Lender, an Affiliate of a Lender or an Approved Fund) and (ii) if in respect of any Revolving Facility Commitment or Revolving Facility Loan, the Issuing Banks; provided that: (a) all Obligations of the Borrowers owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment, (b) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon and (c) the replacement Lender shall grant its consent with respect to the applicable proposed amendment, waiver, discharge or termination. In connection with any such assignment the Borrowers, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 10.04; provided, that if such Non-Consenting Lender does not comply with Section 10.04 within three Business Days after Borrowers’ request, compliance with Section 10.04 shall not be required to effect such assignment.

Section 2.20. Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable lending office to make or maintain any Eurocurrency Loans, then, on notice thereof by such Lender to the Borrowers through the Administrative Agent, any obligations of such Lender to make or continue Eurocurrency Loans or to convert ABR Borrowings to Eurocurrency Borrowings shall be suspended until such Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers shall upon demand from such Lender (with a copy to the Administrative Agent), either prepay or convert all Eurocurrency Borrowings of such Lender to ABR Borrowings, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted.

Section 2.21. Incremental Commitments.

(a) The Borrowers may, by written notice to the Administrative Agent from time to time after the Restatement Effective Date, request Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments, as applicable, in an amount not to exceed the Incremental Amount from one or more Incremental Term Lenders and/or Incremental Revolving Facility Lenders (which may include any existing Lender) willing to provide such Incremental Term Loans and/or Incremental Revolving Facility Commitments, as the case may be, in their own discretion; provided, that each Incremental Revolving Facility Lender shall be subject to the approval of the Administrative Agent (which approval shall not be unreasonably withheld) unless such Incremental Revolving Facility Lender is a Lender, an Affiliate of a Lender or an Approved Fund. Such notice shall set forth (i) the amount of the Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments being requested (which shall be in minimum increments of \$5,000,000 and a minimum amount of \$25,000,000 or equal to the remaining Incremental Amount), (ii) the date on which such Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments are requested to become effective (the "Increased Amount Date"), (iii) in the case of Incremental Revolving Facility Commitments, whether such Incremental Revolving Facility Commitments are to be commitments to make revolving loans with pricing and amortization terms identical to an existing Class of Revolving Facility Loans (which may be part of such existing Class) or commitments to make revolving loans with pricing and/or amortization terms different from all existing Classes of Revolving Facility Loans ("Other Incremental Revolving Loans"), and (iv) in the case of Incremental Term Loan Commitments, whether such Incremental Term Loan Commitments are to be commitments to make term loans with pricing (other than upfront fees or original issue discount) and amortization terms identical to, as applicable, the Term A Loans or the Term B Loans (which may be part of the applicable existing Class) or commitments to make term loans with pricing and amortization terms different from the Term A Loans and the Term B Loans ("Other Incremental Term Loans").

(b) The Borrowers and each Incremental Term Lender and/or Incremental Revolving Facility Lender shall execute and deliver to the Administrative Agent an Incremental Assumption Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the Incremental Term Loan Commitment of such Incremental Term Lender and/or Incremental Revolving Facility Commitment of such Incremental Revolving Facility Lender. Each Incremental Assumption Agreement shall specify the terms of the applicable Incremental Term Loans and/or Incremental Revolving Facility Commitments; provided, that (i) the Other Incremental Term Loans shall rank pari passu or junior in right of payment and of security with each existing Class of Loans, (ii) the final maturity date of any Other Incremental Term Loans shall be no earlier than the date specified in clause (a) of the definition of Term Facility Maturity Date and, except as to pricing, amortization, call premiums, call protection and final maturity date, shall have (x) the same terms as the applicable Class of then outstanding Term Loans; provided that, with the consent of the Borrowers, the Incremental Assumption Agreement with respect to any Other Incremental Term Loans constituting Acquisition Loans may provide for additional mandatory prepayment requirements so long as any such additional mandatory prepayment requirement applies on at least a pro rata basis to all then outstanding Classes of Term Loans or (y) such other terms (including as to guarantees and collateral) as shall be reasonably satisfactory to the Administrative Agent, (iii) the weighted average life to maturity of any Other Incremental Term Loans shall be no shorter than the remaining weighted average life to maturity of the Term A Loans, (iv) the Other Incremental Revolving Loans shall rank pari passu in right of payment and of security with the Revolving Facility Loans, (v) the final maturity date of any Other Incremental Revolving Loans shall be no earlier than the Revolving Facility Maturity Date and, except as to pricing, amortization and final maturity date and the matters addressed by clause (iv) above, shall have (x) the same terms as the Revolving Facility Loans or (y) such other terms (including as to guarantees and collateral) as shall be reasonably satisfactory to the Administrative Agent, (vi) the weighted average life to maturity of any Other Incremental Revolving Loans shall be no shorter than the remaining weighted average life to maturity of any other Class of Revolving Facility Loans, (vii) the Other Incremental Revolving Loans and the Other Incremental Term Loans shall be denominated in Dollars and borrowed by the Borrowers and (viii) with respect to any Other Incremental Term Loan or Incremental Term Loan incurred prior to the twelve month anniversary of the Restatement Effective Date that ranks pari passu in right of security with the Term B Loans and that, in each case, has term B loan-style amortization provisions, the All-in Yield shall be the same as that applicable to the Term B Loans on the Restatement Effective Date, except that the All-in Yield in respect of any such Other Incremental Term Loan or Incremental Term Loan may exceed the All-in Yield in respect of such Term B Loans on the Restatement Effective Date by no more than 0.50%, or if it does so exceed such All-in Yield by more than 0.50% (such difference, the “Term B Yield Differential”) then the Applicable Margin (or the “LIBOR floor” as provided in the following proviso) applicable to such Term B Loans shall be increased such that after giving effect to such increase, the Term B Yield Differential shall not exceed 0.50%; provided that, to the extent any portion of the Term B Yield Differential is attributable to a higher “LIBOR floor” being applicable to such Other Incremental Term Loans or Incremental Term Loan, such floor shall only be included in the calculation of the Term B Yield Differential to the extent such floor is greater than the Adjusted LIBO Rate in effect for an Interest Period of three months’ duration at such time, and, with respect to such excess, the “LIBOR floor” applicable to the outstanding Term B Loans shall be increased to an amount not to exceed the “LIBOR floor” applicable to such Other Incremental Term Loans or Incremental Term Loan prior to any increase in the Applicable Margin applicable to such Term B Loans then outstanding. Each of the parties hereto hereby agrees that, (i) upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments evidenced thereby as provided for Section 10.08(e). Any amendment to this Agreement or any other Loan Document that is necessary to effect the provisions of this Section 2.21 and any such collateral and other documentation shall be deemed “Loan Documents” hereunder and may be memorialized in writing by the Administrative Agent with the Borrowers’ consent (not to be unreasonably withheld) and furnished to the other parties hereto.

(c) Notwithstanding the foregoing, no Incremental Term Loan Commitment or Incremental Revolving Facility Commitment shall become effective under this Section 2.21 unless (i) on the date of such effectiveness, the conditions set forth in paragraphs (b) and (c) of Section 4.01 shall be satisfied and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Responsible Officer of the Company, (ii) the Administrative Agent shall have received customary legal opinions, board resolutions and other customary closing certificates and documentation as required by the relevant Incremental Assumption Agreement and, to the extent required by the Administrative Agent, consistent with those delivered on the Closing Date and such additional customary documents and filings (including amendments to the Vessel Mortgages and other Security Documents) as the Administrative Agent may reasonably require to assure that the Incremental Term Loans and/or Revolving Facility Loans in respect of Incremental Revolving Facility Commitments are secured by the Collateral ratably with (or, to the extent agreed by the applicable Incremental Term Lenders and/or the applicable Incremental Revolving Facility Lenders in the applicable Incremental Assumption Agreement, junior to) one or more Classes of then-existing Term Loans and Revolving Facility Loans and (iii) the Company shall be in Pro Forma Compliance after giving effect to such Incremental Term Loan Commitment and/or Incremental Revolving Facility Commitments and the Loans to be made thereunder and the application of the proceeds therefrom as if made and applied on such date (provided that, to the extent such Incremental Term Loan Commitment or Incremental Revolving Facility Commitment is established to finance any Permitted Business Acquisition or any other acquisition that is permitted by this Agreement, at the Company's election, the date of determination of Pro Forma Compliance shall be deemed to be the date the definitive agreements for such Permitted Business Acquisition or such other acquisition that is permitted by this Agreement are entered into).

(d) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be reasonably necessary to ensure that (i) all Incremental Term Loans (other than Other Incremental Term Loans), when originally made, are included in each outstanding Borrowing of the applicable Class of Term Loans on a pro rata basis, and (ii) all Revolving Facility Loans in respect of Incremental Revolving Facility Commitments (other than Other Incremental Revolving Loans), when originally made, are included in each outstanding Borrowing of the applicable Class of Revolving Facility Loans on a pro rata basis. The Borrowers agree that Section 2.16 shall apply to any conversion of Eurocurrency Loans to ABR Loans reasonably required by the Administrative Agent to effect the foregoing.

(e) Notwithstanding anything to the contrary in Section 2.18(c) (which provisions shall not be applicable to clauses (e) through (i) of this Section 2.21), pursuant to one or more offers made from time to time by the Borrowers to all Lenders of any Class of Term Loans and/or Revolving Facility Commitments, on a pro rata basis (based, in the case of an offer to the Lenders under any Class of Term Loans, on the aggregate outstanding Term Loans of such Class and, in the case of an offer to the Lenders under any Revolving Facility, on the aggregate outstanding Revolving Facility Commitments under such Revolving Facility, as applicable) and on the same terms ("Pro Rata Extension Offers"), the Borrowers are hereby permitted to consummate transactions with individual Lenders from time to time to extend the maturity date of such Lender's Loans and/or Commitments of such Class and to otherwise modify the terms of such Lender's Loans and/or Commitments of such Class pursuant to the terms of the relevant Pro Rata Extension Offer (including without limitation increasing the interest rate or fees payable in respect of such Lender's Loans and/or Commitments and/or modifying the amortization schedule in respect of such Lender's Loans). Any such extension (an "Extension") agreed to between the Borrowers and any such Lender (an "Extending Lender") will be established under this Agreement by implementing an Incremental Term Loan for such Lender (if such Lender is extending an existing Term Loan (such extended Term Loan, an "Extended Term Loan")) or an Incremental Revolving Facility Commitment for such Lender (if such Lender is extending an existing Revolving Facility Commitment (such extended Revolving Facility Commitment, an "Extended Revolving Facility Commitment")).

(f) The Borrowers and each Extending Lender shall execute and deliver to the Administrative Agent an Incremental Assumption Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the Extended Term Loans and/or Extended Revolving Facility Commitments of such Extending Lender. Each Incremental Assumption Agreement shall specify the terms of the applicable Extended Term Loans and/or Extended Revolving Facility Commitments; provided that (i) except as to interest rates, fees, amortization, call premiums, call protection, final maturity date and participation in prepayments (which shall, subject to clauses (ii) through (v) of this proviso, be determined by the Borrowers and set forth in the Pro Rata Extension Offer), the Extended Term Loans shall have (x) the same terms as the Term A Loans or the Term B Loans, as applicable, or (y) such other terms as shall be reasonably satisfactory to the Administrative Agent, (ii) the final maturity date of any Extended Term Loans shall be no earlier than the latest Term Facility Maturity Date in effect on the date of incurrence, (iii) the weighted average life to maturity of any Extended Term Loans shall be no shorter than the remaining weighted average life to maturity of the Class of Term Loans to which such offer relates, (iv) except as to interest rates, fees and final maturity and the matters addressed by Section 2.21(b)(iv) (which shall be determined by the Borrowers and set forth in the Pro Rata Extension Offer), any Extended Revolving Facility Commitment shall have (x) the same terms as the existing Revolving Facility Commitments or (y) have such other terms as shall be reasonably satisfactory to the Administrative Agent, and (v) any Extended Term Loans and/or Extended Revolving Facility Commitments may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any voluntary or mandatory repayments or prepayments hereunder. Upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Extended Term Loans and/or Extended Revolving Facility Commitments evidenced thereby as provided for in Section 10.08(e). Any such deemed amendment may be memorialized in writing by the Administrative Agent with the Borrowers' consent (not to be unreasonably withheld) and furnished to the other parties hereto. If provided in any Incremental Assumption Agreement with respect to any Extended Revolving Facility Commitments, and with the consent of each Issuing Bank, participations in Letters of Credit shall be reallocated to lenders holding such Extended Revolving Facility Commitments in the manner specified in such Incremental Assumption Agreement, including upon effectiveness of such Extended Revolving Facility Commitment or upon or prior to the maturity date for any Class of Revolving Facility Commitment.

(g) Upon the effectiveness of any such Extension, the applicable Extending Lender's Term Loan will be automatically designated an Extended Term Loan and/or such Extending Lender's Revolving Facility Commitment will be automatically designated an Extended Revolving Facility Commitment. For purposes of this Agreement and the other Loan Documents, (i) if such Extending Lender is extending a Term Loan, such Extending Lender will be deemed to have an Incremental Term Loan having the terms of such Extended Term Loan and (ii) if such Extending Lender is extending a Revolving Facility Commitment, such Extending Lender will be deemed to have an Incremental Revolving Facility Commitment having the terms of such Extended Revolving Facility Commitment.

(h) Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including without limitation this Section 2.21), (i) the aggregate amount of Extended Term Loans and Extended Revolving Facility Commitments will not be included in the calculation of the Incremental Amount, (ii) no Extended Term Loan or Extended Revolving Facility Commitment is required to be in any minimum amount or any minimum increment, (iii) any Extending Lender may extend all or any portion of its Term Loans and/or Revolving Facility Commitments pursuant to one or more Pro Rata Extension Offers (subject to applicable proration in the case of over participation) (including the extension of any Extended Term Loan and/or Extended Revolving Facility Commitment), (iv) there shall be no condition to any Extension of any Loan or Commitment at any time or from time to time other than compliance with Section 2.21(e) through (i) and notice to the Administrative Agent of such Extension and the terms of the Extended Term Loan or Extended Revolving Facility Commitment implemented thereby, (v) all Extended Term Loans, Extended Revolving Facility Commitments and all obligations in respect thereof shall be Obligations of the relevant Loan Parties under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other Obligations of the relevant Loan Parties under this Agreement and the other Loan Documents and (vi) no Issuing Bank shall be obligated to issue Letters of Credit under such Extended Revolving Facility Commitments unless it shall have consented thereto.

(i) Each Extension shall be consummated pursuant to procedures set forth in the associated Pro Rata Extension Offer; provided that the Borrowers shall cooperate with the Administrative Agent prior to making any Pro Rata Extension Offer to establish reasonable procedures with respect to mechanical provisions relating to such Extension, including, without limitation, timing, rounding and other adjustments.

(j) Notwithstanding anything to the contrary in Section 2.18(c) (which provisions shall not be applicable to clause (j) through (o) of this Section 2.21), the Borrowers may by written notice to the Administrative Agent establish one or more additional tranches of term loans under this Agreement (“Refinancing Term Loans”), the Net Proceeds of which are used to repay Term Loans of the same Class. Each such notice shall specify the date (each, a “Refinancing Effective Date”) on which the Borrowers propose that the Refinancing Term Loans shall be made, which shall be a date not less than five Business Days after the date on which such notice is delivered to the Administrative Agent; provided that: (i) before and after giving effect to the borrowing of such Refinancing Term Loans on the Refinancing Effective Date each of the conditions set forth in Section 4.01 shall be satisfied; (ii) the weighted average life to maturity of such Refinancing Term Loans shall be no shorter than the then-remaining weighted average life to maturity of the refinanced Term Loans; (iii) the aggregate principal amount of the Refinancing Term Loans shall not exceed the outstanding principal amount of the refinanced Term Loans plus amounts used to pay fees and expenses; and (iv) all other terms applicable to such Refinancing Term Loans (other than provisions relating to original issue discount, upfront fees, interest rates and final maturity which shall be as agreed between the Borrowers and the Lenders providing such Refinancing Term Loans) shall be substantially similar to, or less favorable to the Lenders providing such Refinancing Term Loans than, those applicable to the refinanced Term Loans except to the extent such covenants and other terms apply solely to any period after the date specified in clause (b) of the definition of the Term Facility Maturity Date. In addition, notwithstanding the foregoing, the Borrowers may establish Refinancing Term Loans to refinance and/or replace all or any portion of a Revolving Facility Commitment (regardless of whether Revolving Facility Loans are outstanding under such Revolving Facility Commitments at the time of incurrence of such Refinancing Term Loans), so long as (i) the aggregate amount of such Refinancing Term Loans does not exceed the aggregate amount of Revolving Facility Commitments terminated at the time of incurrence thereof, (ii) if the Revolving Facility Credit Exposure outstanding on the Refinancing Effective Date would exceed the aggregate amount of Revolving Facility Commitments outstanding in each case after giving effect to the termination of such Revolving Facility Commitments, the Borrowers shall take one or more actions such that such Revolving Facility Credit Exposure does not exceed such aggregate amount of Revolving Facility Commitments in effect on the Refinancing Effective Date after giving effect to the termination of such Revolving Facility Commitments (it being understood that such (x) Refinancing Term Loans may be provided by the Lenders holding the Revolving Facility Commitments being terminated and/or by any other person that would be a permitted Assignee hereunder and (y) the proceeds of such Refinancing Term Loans shall not constitute Net Proceeds hereunder), (iii) before and after giving effect to the borrowing of such Refinancing Term Loans on the Refinancing Effective Date, each of the conditions set forth in Section 4.01 shall be satisfied, (iv) the weighted average life to maturity of the Refinancing Term Loans shall be no shorter than the remaining life to termination of the terminated Revolving Facility Commitments, (v) the final maturity of the Refinancing Term Loans shall be no earlier than the termination date of the terminated Revolving Facility Commitments and (vi) the other terms applicable to such Refinancing Term Loans (other than provisions relating to upfront fees and interest rates, which shall be as agreed between the Borrowers and the Lenders providing such Refinancing Term Loans), shall be substantially similar to, or less favorable to the Lenders providing such Refinancing Term Loans than, those applicable to the terminated Revolving Facility Commitments except to the extent such covenants and other terms apply solely to any period after the date specified in clause (b) of the definition of Term Facility Maturity Date.

(k) The Borrowers may approach any Lender or any other person that would be a permitted Assignee pursuant to Section 10.04 to provide all or a portion of the Refinancing Term Loans; provided that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated an additional Class of Term Loans for all purposes of this Agreement; provided that any Refinancing Term Loans may, to the extent provided in the applicable Incremental Assumption Agreement, be designated as an increase in any previously established Class of Term Loans made to the Borrowers.

(l) Notwithstanding anything to the contrary in Section 2.18(c) (which provisions shall not be applicable to clause (l) through (o) of this Section 2.21), the Borrowers may by written notice to the Administrative Agent establish one or more additional Facilities providing for revolving commitments ("Replacement Revolving Facility Commitments") and the revolving loans thereunder, "Replacement Revolving Loans"), which replace in whole or in part any Revolving Facility Commitments under this Agreement. Each such notice shall specify the date (each, a "Replacement Revolving Facility Effective Date") on which the Borrowers propose that the Replacement Revolving Facility Commitments shall become effective, which shall be a date not less than five Business Days after the date on which such notice is delivered to the Administrative Agent; provided that: (i) before and after giving effect to the establishment of such Replacement Revolving Facility Commitments on the Replacement Revolving Facility Effective Date each of the conditions set forth in Section 4.01 shall be satisfied; (ii) after giving effect to the establishment of any Replacement Revolving Facility Commitments and any concurrent reduction in the aggregate amount of any other Revolving Facility Commitments, the aggregate amount of Revolving Facility Commitments shall not exceed the aggregate amount of the Revolving Facility Commitments outstanding immediately prior to the applicable Replacement Revolving Facility Effective Date; (iii) no Replacement Revolving Facility Commitments shall have a final maturity date prior to the latest Revolving Facility Maturity Date in effect at the time of incurrence; (iv) all other terms applicable to such Replacement Revolving Facility Commitments (other than provisions relating to (x) fees and interest rates which shall be as agreed between the Borrowers and the Lenders providing such Replacement Revolving Facility Commitments and (y) the amount of any Letter of Credit Submit under such Replacement Revolving Facility Commitments which shall be as agreed between the Borrowers, the Lenders providing such Replacement Revolving Facility Commitments, the Administrative Agent and the replacement Issuing Bank, if any, under such Replacement Revolving Facility Commitments) shall be substantially similar to, or less favorable to the Lenders providing such Replacement Revolving Facility Commitments than, those applicable to the then-outstanding Revolving Facility, except to the extent such covenants and other terms apply solely to any period after the date specified in clause (b) of the definition of the Term Facility Maturity Date. In addition, the Borrowers may establish Replacement Revolving Facility Commitments to refinance and/or replace all or any portion of a Term Loan hereunder (regardless of whether such Term Loan is repaid with the proceeds of Replacement Revolving Loans or otherwise), so long as the aggregate amount of such Revolving Facility Commitments does not exceed the aggregate amount of Term Loans repaid at the time of establishment thereof (it being understood that such Replacement Revolving Facility Commitment may be provided by the Lenders holding the Term Loans being repaid and/or by any other person that would be a permitted Assignee hereunder) so long as (i) before and after giving effect to the establishment such Replacement Revolving Facility Commitments on the Replacement Revolving Facility Effective Date each of the conditions set forth in Section 4.01 shall be satisfied, (ii) the weighted average life to termination of such Replacement Revolving Facility Commitments shall be not shorter than the weighted average life to maturity then applicable to the refinanced Term Loans, (iii) the final termination date of the Replacement Revolving Facility Commitments shall be no earlier than the refinanced Term Loans and (iv) the condition in clause (iv) of the preceding sentence has been satisfied.

(m) The Borrowers may approach any Lender or any other person that would be a permitted Assignee of a Revolving Facility Commitment pursuant to Section 10.04 to provide all or a portion of the Replacement Revolving Facility Commitments; provided that any Lender offered or approached to provide all or a portion of the Replacement Revolving Facility Commitments may elect or decline, in its sole discretion, to provide a Replacement Revolving Facility Commitment. Any Replacement Revolving Facility Commitment made on any Replacement Revolving Facility Effective Date shall be designated an additional Class of Revolving Facility Commitments for all purposes of this Agreement; provided that any Replacement Revolving Facility Commitments may, to the extent provided in the applicable Incremental Assumption Agreement, be designated as an increase in any previously established Class of Revolving Facility Commitments.

(n) On any Replacement Revolving Facility Effective Date, subject to the satisfaction of the foregoing terms and conditions, each of the Lenders with Replacement Revolving Facility Commitments of such Class shall purchase from each of the other Lenders with Replacement Revolving Facility Commitments of such Class, at the principal amount thereof and in the applicable currencies, such interests in the Replacement Revolving Loans and participations in Letters of Credit under such Replacement Revolving Facility Commitments of such Class then outstanding on such Replacement Revolving Facility Effective Date as shall be necessary in order that, after giving effect to all such assignments and purchases, the Replacement Revolving Loans and participations of such Replacement Revolving Facility Commitments of such Class will be held by the Lenders thereunder ratably in accordance with their Replacement Revolving Facility Commitments.

(o) For purposes of this Agreement and the other Loan Documents, (i) if a Lender is providing a Refinancing Term Loan, such Lender will be deemed to have an Incremental Term Loan having the terms of such Refinancing Term Loan and (ii) if a Lender is providing a Replacement Revolving Facility Commitment, such Lender will be deemed to have an Incremental Revolving Facility Commitment having the terms of such Replacement Revolving Facility Commitment. Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including without limitation this Section 2.21), (i) the aggregate amount of Refinancing Term Loans and Replacement Revolving Facility Commitments will not be included in the calculation of the Incremental Amount, (ii) no Refinancing Term Loan or Replacement Revolving Facility Commitment is required to be in any minimum amount or any minimum increment, (iii) there shall be no condition to any incurrence of any Refinancing Term Loan or Replacement Revolving Facility Commitment at any time or from time to time other than those set forth in clauses (j) or (l) above, as applicable, and (iv) all Refinancing Term Loans, Replacement Revolving Facility Commitments and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other Obligations under this Agreement and the other Loan Documents.

Section 2.22. Defaulting Lender.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent hereunder for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, following an Event of Default or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.06 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuing Bank hereunder, third, to cash collateralize the Issuing Banks' Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.05(j), fourth, as the Company may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent, fifth, if so determined by the Administrative Agent and the Company, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Banks' future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.05(j), sixth, to the payment of any amounts owing to the Lenders, the Issuing Banks as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Banks against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.22 shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any Commitment Fee for any period during which that Lender is a Defaulting Lender.

(B) Each Defaulting Lender shall be entitled to receive L/C Participation Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its pro rata share of the stated amount of Letters of Credit for which it has provided Cash Collateral.

(C) With respect to any Commitment Fee or L/C Participation Fee not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrowers shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to each Issuing Bank the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Issuing Bank's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Letters of Credit shall be reallocated among the Non-Defaulting Lenders in accordance with their respective pro rata Commitments (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (x) the conditions set forth in Section 4.01 are satisfied at the time of such reallocation (and, unless the Borrowers shall have otherwise notified the Administrative Agent at such time, the Borrowers shall be deemed to have represented and warranted that such conditions are satisfied at such time) and (y) such reallocation does not cause the aggregate Revolving Facility Credit Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Revolving Facility Commitment. Subject to Section 10.23, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrowers shall, without prejudice to any right or remedy available to it hereunder or under law, Cash Collateralize the Issuing Banks' Fronting Exposure in accordance with the procedures set forth in Section 2.05(j).

(b) Defaulting Lender Cure. The Company has implemented and maintains in effect policies and procedures designed to ensure compliance by the Company, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws, applicable AML Laws and applicable Sanctions, and the Company, its Subsidiaries and their respective directors and officers and, to the knowledge of the Company or such Subsidiary, any or their respective employees, agents and Affiliates, are in compliance with Anti-Corruption Laws, AML Laws and applicable Sanctions in all material respects and are not knowingly engaged in any activity that would reasonably be expected to result in either of the Borrowers being designated as a Sanctioned Person. No Borrowing or Letter of Credit, use of proceeds or other transaction contemplated by this Agreement will violate any Anti-Corruption Laws, AML Laws or will result in a violation of any applicable Sanctions by any party hereto. The representations and warranties in this Section shall not be made by the Borrowers to any Lender which is incorporated in the Federal Republic of Germany (and which has so notified the Administrative Agent) to the extent that the enforcement of such provision by a Lender would (a) violate, conflict with or incur liability under EU Regulation (EC) 2271/96 or (b) violate or conflict with section 7 of the German Foreign Trade Regulation (Außenwirtschaftsverordnung) in connection with section 4 paragraph (1)(a)(3) of the Foreign Trade Law (Außenwirtschaftsgesetz) or any similar anti-boycott statute in force in the Federal Republic of Germany.

(h) (i) Furnish to the Collateral Agent prompt written notice of any change (A) in any Loan Party's or Material Subsidiary's legal name, (B) in any Loan Party's or Material Subsidiary's identity or organizational structure, (C) in any Loan Party's or Material Subsidiary's organizational identification number or (D) in any Loan Party's "location" within the meaning of Section 9-307 of the Uniform Commercial Code; provided that no Loan Party shall effect or permit any such change unless all filings have been made, or will have been made within any statutory period, under the Uniform Commercial Code or other applicable law that are required in order for the Collateral Agent to continue at all times following such change to have a valid, legal and perfected security interest in all the Collateral for the benefit of the Secured Parties with the priority intended under the Collateral and Guarantee Requirement and (ii) promptly notify the Collateral Agent if any material portion of the Collateral is damaged or destroyed.

(i) Subject to this Section 5.10, with respect to any property acquired after the Closing Date by any Loan Party that is intended to be subject to the Lien created by any of the Security Documents but is not so subject, promptly (and in any event within 30 days after the acquisition thereof or such longer period as the Administrative Agent shall agree in its reasonable discretion) (i) execute and deliver to the Administrative Agent and the Collateral Agent such amendments or supplements to the relevant Security Documents or such other documents as the Administrative Agent or the Collateral Agent shall reasonably deem necessary or advisable to grant to the Collateral Agent, for its benefit and for the benefit of the other Secured Parties, a Lien on such property subject to no Liens other than Permitted Liens, and (ii) use commercially reasonable efforts to cause such Lien to be duly perfected to the extent required by such Security Document in accordance with requirements of applicable law, including the filing of financing statements in such jurisdictions as may be reasonably requested by the Administrative Agent. The Borrowers shall otherwise take such actions and execute and/or deliver to the Collateral Agent such documents as the Administrative Agent or the Collateral Agent shall reasonably require to confirm the validity, perfection and priority of the Lien of the Security Documents on such after-acquired properties.

(j) The Collateral and Guarantee Requirement and the other provisions of this Section 5.10 need not be satisfied with respect to (i) any Equity Interests owned or acquired after the Closing Date (other than, in the case of any person which is a Subsidiary of a Subsidiary Guarantor or the Co-Borrower, Equity Interests in such person issued or acquired after such person became a Subsidiary) in accordance with this Agreement if, and to the extent that, and for so long as (A) doing so would violate applicable law or a contractual obligation binding on such Equity Interests and (B) with respect to contractual obligations, such obligation existed at the time of the acquisition thereof and was not created or made binding on such Equity Interests in contemplation of or in connection with the acquisition of such Subsidiary, (ii) any assets acquired after the Closing Date, to the extent that, and for so long as, taking such actions would violate an enforceable contractual obligation binding on such assets that existed at the time of the acquisition thereof and was not created or made binding on such assets in contemplation or in connection with the acquisition of such assets (except in the case of assets acquired with Indebtedness permitted pursuant to Section 6.01(i) or 6.01(r) (if of the type permitted by Section 6.01(i)) that is secured by a Permitted Lien); provided, that, upon the reasonable request of the Collateral Agent, the Company shall, and shall cause any applicable Subsidiary to, use commercially reasonable efforts to have waived or eliminated any contractual obligation of the types described in clauses (i) and (ii) above, or (iii) any Subsidiary or asset with respect to which the Administrative Agent determines in writing in its reasonable discretion that the cost of the satisfaction of the Collateral and Guarantee Requirement or the provisions of this Section 5.10 or of any Security Document with respect thereto is excessive in relation to the value of the security afforded thereby.

(k) Notwithstanding anything to the contrary in this Agreement or any other Loan Document, neither the Borrowers nor any of their Subsidiaries shall be required to enter into any Control Agreement.

Section 5.11. Rating. Exercise commercially reasonable efforts to maintain ratings on the Term Facilities and public corporate ratings for the Company or Holdings from each of Moody's and S&P.

(a) The Lenders hereby approve the forms of the First Lien Intercreditor Agreement, the Second Lien Intercreditor Agreement, each Subsidiary Guarantor Pledge Agreement and the Collateral Agreement and authorize the Administrative Agent and the Collateral Agent (i) to enter into the same on their behalf (in the case of the First Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, with such changes thereto as may be reasonably acceptable to the Collateral Agent) and (ii) to perform their duties and obligations and to exercise their rights and remedies thereunder. The Lenders acknowledge that the Collateral Agent will be acting as collateral agent for the holders of the Obligations and the Senior Secured Notes Obligations under the Security Documents, on the terms provided for therein and in the First Lien Intercreditor Agreement and/or the Second Lien Intercreditor Agreement.

(b) No later than 90 days following each incurrence of Pari Passu Senior Secured Notes, the Company shall deliver, or cause to be delivered, amendments to each Vessel Mortgage to which a Loan Party is then party (except to the extent the Administrative Agent determines in its sole discretion such amendment is not required) for purposes of providing the benefit of such security interest of such Vessel Mortgage for the benefit of the holders of such Pari Passu Senior Secured Notes on substantially the same basis as is provided under the applicable Vessel Mortgage (and with such other changes as are reasonably acceptable to the Collateral Agent and the Company).

Section 5.14. Concerning the Mortgaged Vessels.

(a) At all times operate each Mortgaged Vessel in compliance in all respects with all applicable governmental rules, regulations and requirements pertaining to such Mortgaged Vessel and in compliance in all respects with all rules, regulations and requirements of the applicable Classification Society and in compliance with all requirements of any applicable Vessel Mortgage and, if applicable, Deed of Covenants, except, in each case with respect to this Section 5.14(a), to the extent the failure to do so would not reasonably be expected to have a Material Adverse Effect. The Company shall cause each Subsidiary Guarantor and the Co-Borrower to keep each Mortgaged Vessel registered under the laws of a Permitted Flag Jurisdiction and furnish to the Administrative Agent copies of all renewals and extensions of such registration.

(b) Maintain each Mortgaged Vessel classed in the highest available class with a Classification Society, free of any overdue recommendations or exceptions of any kind that affect such Mortgaged Vessel's classification and rating by such Classification Society, except, in each case with respect to this Section 5.14(b), to the extent the failure to do so would not reasonably be expected to have a Material Adverse Effect. Upon request (it being understood that the Administrative Agent shall not make more than one such request during any fiscal year of the Company), the Company shall furnish to the Administrative Agent and the Lenders a confirmation of class certificate issued by the respective Classification Society for each of the Mortgaged Vessels.

(c) Maintain a true copy of the relevant Vessel Mortgage, together with a notice thereof, aboard each of the Mortgaged Vessels.

Obtain and maintain all necessary ISM Code Documentation in connection with the Mortgaged Vessels, and be in compliance in all material respects with the ISM Code, except, in each case with respect to this Section 5.15, to the extent the failure to do so would not reasonably be expected to have a Material Adverse Effect.

Ensure that, for each fiscal year beginning with the fiscal year commencing January 1, 2015, the Company shall obtain one or (at the request of the Administrative Agent) more Valuations of each Mortgaged Vessel, in each case at the Company's sole cost and expense (except that, with respect to each Mortgaged Vessel, any Valuation in a calendar year requested by the Administrative Agent, shall be at the Lenders' expense, unless an Event of Default has occurred and is continuing) and from one of the Approved Brokers, as selected by the Company; provided that unless an Event of Default has occurred and is continuing, no more than two Valuations of any Mortgaged Vessel shall be so required to be obtained during any fiscal year of the Company. The Company shall deliver (or cause to be delivered) a copy of any such Valuation (a "First Valuation") to the Administrative Agent (for distribution to the Lenders). Notwithstanding anything to the contrary, the Company, at its own option and without any instruction from the Administrative Agent may obtain a First Valuation from time to time and deliver same to the Administrative Agent (for distribution to the Lenders). In the event the Company is not satisfied with the results of any First Valuation, then the Company will have 30 days after the Company's receipt of such First Valuation during which to obtain, at its option and at its sole cost and expense, an additional Valuation (a "Second Valuation") from one of the Approved Brokers, as selected by the Company. The Company shall deliver (or cause to be delivered) a copy of any such Second Valuation to the Administrative Agent (for distribution to the Lenders) promptly after the Company's receipt thereof. If any such Second Valuation is obtained and the results thereof indicate a value for the subject Mortgaged Vessel of at least 110% of the value indicated in the First Valuation, then the Company will have 30 days after the receipt of such Second Valuation from the relevant Approved Broker during which to obtain, at its option and at its sole cost and expense, a further additional Valuation (a "Third Valuation") from one of the Approved Brokers, as selected by the Company. The average value of any First Valuation, Second Valuation (to the extent obtained as provided above) and Third Valuation (to the extent obtained as provided above) of any Mortgaged Vessel shall constitute the Valuation of such Mortgaged Vessel for all purposes under the Loan Documents until any subsequent Valuation of such Mortgaged Vessel is obtained in accordance with this Section 5.16.

then, and in every such event (other than an event with respect to the Borrowers described in paragraph (h) or (i) above), and at any time thereafter during the continuance of such event, the Administrative Agent, at the request of the Required Lenders, shall, by notice to the Company, take any or all of the following actions, at the same or different times: (i) terminate forthwith the Commitments, (ii) declare the Loans then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrowers accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrowers, anything contained herein or in any other Loan Document to the contrary notwithstanding and (iii) if the Loans have been declared due and payable pursuant to clause (ii) above, demand cash collateral pursuant to Section 2.05(j); and in any event with respect to the Borrowers described in paragraph (h) or (i) above, the Commitments shall automatically terminate, the principal of the Loans then outstanding, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrowers accrued hereunder and under any other Loan Document, shall automatically become due and payable and the Administrative Agent shall be deemed to have made a demand for cash collateral to the full extent permitted under Section 2.05(j), without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrowers, anything contained herein or in any other Loan Document to the contrary notwithstanding.

Section 8.02. Right to Cure. Notwithstanding anything to the contrary contained in Section 8.01, in the event that the Company fails (or, but for the operation of this Section 8.02, would fail) to comply with the requirements of Section 6.12, 6.13, 6.14 or 6.15 then, until the expiration of the tenth Business Day subsequent to the date of the certificate calculating such covenant is required to be delivered pursuant to Section 5.04(c), the Company may, at its option, cure such non-compliance by:

(a) In the case of a failure to comply with Section 6.12, delivering additional property over which the Collateral Agent has a perfected, first priority Lien for the benefit of the Lenders and the other Secured Parties, which additional property shall be acceptable to the Required Lenders (it being understood that, in all events, cash shall be acceptable, and separate approval thereof from any Agent or Lender shall not be required) and following such delivery the Cure Collateral Fair Market Value of such additional property shall be added to the Value Component as of the date of measurement; and/or

(b) In the case of a failure to comply with Section 6.12, ratably prepaying (x) outstanding Term Loans (but only to the extent permitted as a voluntary prepayment under Section 2.10(a)) and (y) Revolving Facility Credit Exposure, (which, with respect to any issued but undrawn Letters of Credit, shall mean cash collateralizing such Letters of Credit in the manner provided in Section 2.05(j)), and following such prepayments, the total amount of such prepayments shall be subtracted from the Loan Component, as of the date of measurement; and/or

(c) In the case of a failure to comply with Section 6.13, 6.14 or 6.15, issuing Permitted Cure Securities for cash or otherwise receiving cash contributions to the capital of the Company (the "Cure Right"), and upon the receipt by the Company of such cash (the "Cure Amount") pursuant to the exercise of such Cure Right, (A) in the case of Section 6.13, Free Liquidity shall be increased by the Cure Amount, as of the date of measurement, (B) in the case of Section 6.14, the Total Net Funded Debt shall be decreased by the Cure Amount, as of the date of measurement and (C) in the case of Section 6.15, the ratio of EBITDA to Consolidated Debt, as applicable, shall be recalculated giving effect to a pro forma adjustment by which EBITDA shall be increased with respect to such applicable quarter and any four quarter period that includes such quarter by the Cure Amount; provided, that, for purposes of complying with Section 6.15, (i) in each four-fiscal-quarter period there shall be at least one fiscal quarter in which the Cure Right is not exercised and (ii) the Cure Amount shall be no greater than the amount required for purposes of complying with Section 6.15.

If,

(i) in case of a failure to comply with Section 6.12, after giving effect to the transactions in paragraphs (a) and/or (b) of this Section 8.02, the Company shall then be in compliance with the requirements of Section 6.12; and/or

(ii) in case of a failure to comply with Section 6.13, after giving effect to the transactions in paragraph (c) of this Section 8.02, the Company shall then be in compliance with the requirements of Section 6.13; and/or

(iii) in case of a failure to comply with Section 6.14, after giving effect to the transactions in paragraph (c) of this Section 8.02, the Company shall then be in compliance with the requirements of Section 6.14; and/or

(iv) in case of a failure to comply with Section 6.15, after giving effect to the transactions in paragraph (c) of this Section 8.02, the Company shall then be in compliance with the requirements of Section 6.15,

then in each case, the Company shall be deemed to have satisfied the requirements of the relevant Section(s) as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of such Section(s) that had occurred shall be deemed cured for all purposes of this Agreement.

Section 8.03. Application of Proceeds. The proceeds received by the Administrative Agent or the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral pursuant to the exercise by the Administrative Agent and/or the Collateral Agent of the remedies provided for herein or in any other Loan Document shall be applied, in full or in part, together with any other sums then held by the Administrative Agent or the Collateral Agent pursuant to this Agreement or any other Loan Document, as provided in Section 4.02 of the Collateral Agreement.

ARTICLE IX

THE AGENTS

(a) Each Lender (in its capacities as a Lender and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, including as the Collateral Agent and as the Mortgage Trustee for such Lender and the other Secured Parties under the Security Documents, including the Vessel Mortgages, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents to which it is a party, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

(b) In furtherance of the foregoing, each Lender (in its capacities as a Lender and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) hereby appoints and authorizes the Collateral Agent and the Mortgage Trustee to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent and the Mortgage Trustee (and any Subagents appointed by the Collateral Agent or the Mortgage Trustee pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights or remedies thereunder at the direction of the Collateral Agent or the Mortgage Trustee) shall be entitled to the benefits of this Article IX (including Section 9.07) as though the Collateral Agent and the Mortgage Trustee (and any of their respective Subagents) were an "Agent" under the Loan Documents, as if set forth in full herein with respect thereto.

(c) Each Lender (in its capacities as a Lender and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements)) irrevocably authorizes the Administrative Agent, the Collateral Agent or the Mortgage Trustee, as applicable, at its option and in its discretion, (i) to release any Lien on any property granted to or held by the Administrative Agent, the Collateral Agent or the Mortgage Trustee under any Loan Document (A) upon termination of the Commitments and payment in full of all Obligations (other than contingent indemnification obligations and expense reimbursement claims to the extent no claim therefor has been made) and the termination of all Letters of Credit, (B) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document to a person that is not (and is not required to become) a Loan Party, (C) if approved, authorized or ratified in writing in accordance with Section 10.08 of this Agreement or (D) to the extent excluded from the security interest granted under the Collateral Agreement pursuant to Section 3.01 thereof, (ii) to release any Subsidiary Guarantor from its obligations under the Loan Documents if such person ceases to be a Subsidiary as a result of a transaction permitted hereunder, (iii) to subordinate any Lien on any property granted to or held by the Collateral Agent or Mortgage Trustee under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(e)(2)(b) and (iv) enter into any First Lien Intercreditor Agreement and any Second Lien Intercreditor Agreement, to the extent contemplated by the terms hereof, and acknowledge that any such First Lien Intercreditor Agreement and Second Lien Intercreditor Agreement will be binding upon them. Upon request by an Agent, at any time, the Required Lenders will confirm in writing the Administrative Agent's, the Collateral Agent's or the Mortgage Trustee's, as applicable, authority to release its interest in particular types or items of property, or to release any Subsidiary Guarantor from its obligations under the Loan Documents.

(d) In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, (i) the Administrative Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on any Loan Party) shall be entitled and empowered, by intervention in such proceeding or otherwise (A) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of any or all of the Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent and any Subagents allowed in such judicial proceeding, and (B) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and (ii) any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Issuing Bank to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.

Section 9.02. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) by or through agents, employees or attorneys in fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent may also from time to time, when the Administrative Agent deems it to be necessary or desirable, appoint one or more trustees, co trustees, collateral co agents, collateral subagents or attorneys in fact (each, a “Subagent”) with respect to all or any part of the Collateral; provided that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent. Should any instrument in writing from any Loan Party be required by any Subagent so appointed by the Administrative Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, the Borrowers shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. If any Subagent, or successor thereto, shall die, become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent until the appointment of a new Subagent. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent, attorney in fact or Subagent that it selects in accordance with the foregoing provisions of this Section 9.02 in the absence of the Administrative Agent’s gross negligence or willful misconduct.

Section 9.03. Exculpatory Provisions. Neither any Agent or its Affiliates nor any of their respective officers, directors, employees, agents, attorneys in fact or affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such person’s own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, and (b) the Administrative Agent shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any of their Affiliates that is communicated to or obtained by the person serving as the Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall be deemed not to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to such Agent by a Borrower, a Lender or an Issuing Bank. Neither Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 9.04. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. The Administrative Agent may conclusively rely on information provided to it by the Former Agent with respect to the Original Credit Agreement. In determining compliance with any condition hereunder to any Credit Event, that by its terms must be fulfilled to the satisfaction of a Lender or any Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to such Credit Event. The Administrative Agent may consult with legal counsel (including counsel to the Loan Parties), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document (including with respect to any matter hereunder or under any other Loan Document that is subject to such Agent's consent or approval) unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all or other Lenders) as it (or, in the case of the Collateral Agent, the Administrative Agent) deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all of the Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

Section 9.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has received notice from a Lender, or a Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or any other portion of the Lenders); provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

Section 9.06. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of an investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 9.07. Indemnification. The Lenders severally agree to indemnify each Agent and each Issuing Bank in its capacity as such (to the extent not reimbursed by the Borrowers and without limiting the obligation of the Borrowers to do so), in the amount of its pro rata share (based on its aggregate Revolving Facility Credit Exposure, outstanding Term Loans and unused Commitments hereunder; provided, that the aggregate principal amount of L/C Disbursements owing to any Issuing Bank shall be considered to be owed to the Revolving Facility Lenders ratably in accordance with their respective Revolving Facility Credit Exposure), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent or such Issuing Bank in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent or such Issuing Bank under or in connection with any of the foregoing; provided, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's or such Issuing Bank's gross negligence or willful misconduct. The failure of any Lender to reimburse any Agent or any Issuing Bank, as the case may be, promptly upon demand for its ratable share of any amount required to be paid by the Lenders to such Agent or such Issuing Bank, as the case may be, as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse such Agent or such Issuing Bank, as the case may be, for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent or such Issuing Bank, as the case may be, for such other Lender's ratable share of such amount. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder, and the resignation or removal of any Agent or any Issuing Bank.

Section 9.08. Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued, or Letter of Credit participated in, by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms “Lender” and “Lenders” shall include each Agent in its individual capacity.

Section 9.09. Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent upon 10 days’ notice to the Lenders and the Borrowers. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 8.01(b), (c), (h) or (i) shall have occurred and be continuing) be subject to approval by the Company (which approval shall not be withheld or delayed unreasonably), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term “Administrative Agent” means such successor agent effective upon such appointment and approval, and the former Administrative Agent’s rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 10 days following a retiring Administrative Agent’s notice of resignation, the retiring Administrative Agent’s resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After any retiring Administrative Agent’s resignation as Administrative Agent, the provisions of this Article and Section 10.05 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents. The provisions of this Section 9.09 shall apply mutatis mutandis to the Collateral Agent, provided that the Administrative Agent and the Collateral Agent shall at all times be the same person.

Section 9.10. Withholding Tax. To the extent required by any applicable laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding tax ineffective), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any applicable Loan Party and without limiting the obligation of any applicable Loan Party to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties, additions to Tax and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 9.10. For the avoidance of doubt, the term “Lender” shall include any Issuing Bank.

Section 9.11. Agent and Arrangers. Neither the Joint Bookrunners, the Co-Documentation Agents nor any of the Arrangers shall have any duties or responsibilities hereunder in its capacity as such. Without limiting any other provision of this Article, neither the Joint Bookrunners, the Co-Documentation Agents nor any of the Arrangers in their respective capacities as such shall have or be deemed to have any fiduciary relationship with any Lender (including any Issuing Bank) or any other person by reason of this Agreement or any other Loan Document.

Section 9.12. Ship Mortgage Trust. The Mortgage Trustee agrees and declares, and each of the other Secured Parties acknowledges, that, subject to the terms and conditions of this Section 9.12, the Mortgage Trustee holds the Trust Property in trust for the Secured Parties absolutely. Each of the other Secured Parties agrees that the obligations, rights and benefits vested in the Mortgage Trustee shall be performed and exercised in accordance with this Section 9.12. For the avoidance of doubt, the Mortgage Trustee shall have the benefit of all of the provisions of this Agreement (including exculpatory and indemnification provisions) benefiting it in its capacity as Collateral Agent for the Secured Parties. In addition, the Mortgage Trustee and any attorney, agent or delegate of the Mortgage Trustee may indemnify itself or himself out of the Trust Property against all liabilities, costs, fees, damages, charges, losses and expenses sustained or incurred by it or him in relation to the taking or holding of any of the Trust Property or in connection with the exercise or purported exercise of the rights, trusts, powers and discretions vested in the Mortgage Trustee or any other such person by or pursuant to the Vessel Mortgages or in respect of anything else done or omitted to be done in any way relating to the Vessel Mortgages (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from the Mortgage Trustee’s gross negligence or willful misconduct).

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

(b) Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender or any Issuing Bank pursuant to Article II if such Lender or Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrowers may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by them, provided that approval of such procedures may be limited to particular notices or communications.

(c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through electronic communications to the extent provided in Section 10.01(b) above shall be effective as provided in such Section 10.01(b).

(d) Any party hereto may change its address or telecopier number for notices and other communications hereunder by notice to the other parties hereto.

(e) Documents required to be delivered pursuant to Section 5.04 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 10.17) and if so delivered, shall be deemed to have been delivered on the date (i) on which the Loan Parties post such documents, or provides a link thereto on the Loan Parties' website on the Internet at the website address listed on Schedule 10.01, or (ii) on which such documents are posted on the Loan Parties' behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided that (A) the Loan Parties shall deliver paper copies of such documents to the Administrative Agent or any Lender that requests the Borrowers to deliver such paper copies until a written request to cease delivering paper copies is given by the Administrative Agent or such Lender, and (B) the Loan Parties shall notify the Administrative Agent and each Lender (by telecopier or electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (*i.e.*, soft copies) of such documents. Notwithstanding anything contained herein, in every instance the Borrowers shall be required to provide paper copies of the certificates required by Section 5.04(c) to the Administrative Agent. Except for such certificates required by Section 5.04(c), the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Borrowers with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

Section 10.02. Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and each Issuing Bank and shall survive the making by the Lenders of the Loans, the execution and delivery of the Loan Documents and the issuance of the Letters of Credit, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or L/C Disbursement or any Fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not been terminated. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.15, 2.17 and 10.05) shall survive the payment in full of the principal and interest hereunder, the expiration of the Letters of Credit and the termination of the Commitments or this Agreement.

Section 10.03. Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrowers and the Administrative Agent and when the Administrative Agent shall have received copies of this Agreement which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the Borrowers, each Issuing Bank, the Administrative Agent and each Lender and their respective permitted successors and assigns.

Section 10.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) a Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by such Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 10.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section 10.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender (such Lender, an "Assignor") may assign to one or more assignees (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Company; provided that no consent of the Company shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund (as defined below), or, if an Event of Default under Sections 8.01(b), (c), (h) or (i) has occurred and is continuing, any other person; provided, further, that with respect to Term B Loans, the Company shall be deemed to have consented to any such assignment unless it shall object thereto by notice to the Administrative Agent within ten Business Days after having received notice thereof;

(B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender, an Approved Fund or an Affiliate of the Borrowers made in accordance with 10.04(b)(i) or Section 10.21; and

(C) the Issuing Banks; provided that no consent of the Issuing Banks shall be required for an assignment of all or any portion of a Term Loan.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans under any Facility, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than (x) \$1,000,000 in the case of Term Loans and (y) \$1,000,000 in the case of Revolving Facility Loans or Revolving Facility Commitments, unless each of the Company and the Administrative Agent otherwise consent; provided that (1) no such consent of the Company shall be required if an Event of Default under Sections 8.01(b), (c), (h) or (i) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Approved Funds shall be treated as one assignment), if any;

(B) the parties to each assignment shall (1) execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent or (2) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, in each case, together with a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the discretion of the Administrative Agent);

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any tax forms; and

(D) the Assignee shall not be a natural person or the Borrowers or any of the Borrowers' Affiliates or Subsidiaries; except in accordance with Section 10.04(b)(i) or Section 10.21.

For the purposes of this Section 10.04, "Approved Fund" means any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 10.05). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 10.04.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal and interest amounts of the Loans and Revolving L/C Exposure owing to, each Lender pursuant to the terms of this Agreement from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent, the Issuing Banks and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms of this Agreement as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers, the Issuing Banks and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section, if applicable, and any written consent to such assignment required by paragraph (b) of this Section and any applicable tax forms, the Administrative Agent shall accept such Assignment and Acceptance and promptly record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph (b)(v).

(vi) If the consent of the Company to an assignment or to an Approved Fund is required hereunder (including a consent to an assignment which does not meet the minimum assignment thresholds specified in Section 10.04(b)(i)(A)), the Company shall be deemed to have given its consent ten Business Days after the date written notice thereof has been delivered by the Assignor (through the Administrative Agent or the electronic settlement system used in connection with any such assignment) unless such consent is expressly refused by the Company prior to such tenth Business Day.

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (i) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that its applicable Commitment, and the outstanding balances of its Term Loans and Revolving Facility Loans, in each case without giving effect to assignments thereof which have not become effective, are as set forth in such Assignment and Acceptance, (ii) except as set forth in clause (i) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of the Company or any Subsidiary or the performance or observance by the Company or any Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (iii) the Assignee represents and warrants that it is legally authorized to enter into such Assignment and Acceptance; (iv) the Assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements referred to in Section 3.05 (or delivered pursuant to Section 5.04), and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (v) the Assignee will independently and without reliance upon the Administrative Agent, the Collateral Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (vi) the Assignee appoints and authorizes each the Administrative Agent and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent and the Collateral Agent, as applicable, by the terms of this Agreement, together with such powers as are reasonably incidental thereto; and (vii) the Assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(d) (i) Any Lender may, without the consent of the Borrowers or the Administrative Agent, sell participations to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to Section 10.04(a)(i) or clauses (i), (ii), (iii), (iv), (v) or (vi) of the first proviso to Section 10.08(b) and (2) directly affects such Participant and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to paragraph (c)(ii) of this Section 10.04, the Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.14, 2.15, 2.16 and 2.17 (subject to the limitations and requirements of those Sections and Section 2.19 and it being understood that the documentation required under Section 2.17(e) shall be delivered solely to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 10.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.06 as though it were a Lender, provided that such Participant shall be subject to Section 2.18(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary in connection with a Tax audit or other Tax proceeding to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and each party hereto shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(ii) A Participant shall not be entitled to receive any greater payment under 2.14, 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Company's prior written consent (which consent shall not be unreasonably withheld or delayed), which consent shall state that it is being given pursuant to this Section 10.04(d)(ii); provided that each potential Participant shall provide such information as is reasonably requested by the Company in order for the Company to determine whether to provide its consent.

(e) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central banking authority and in the case of any Lender that is an Approved Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender, including to any trustee for, or any other representative of, such holders, and this Section 10.04 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(f) The Borrowers, upon receipt of written notice from any relevant Lender, agree to issue Notes to such Lender requiring Notes to facilitate transactions of the type described in paragraph (e) above.

(g) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrowers or the Administrative Agent. Each Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto and each Loan Party for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

(h) If the Borrowers wish to replace the Loans or Commitments under any Facility with ones having different terms, they shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loans or reducing or terminating the Commitments to be replaced, to (1) require the Lenders under such Facility to assign such Loans or Commitments to the Administrative Agent or its designees and (2) amend the terms thereof in accordance with Section 10.08 (with such replacement, if applicable, being deemed to have been made pursuant to Section 10.08(d)). Pursuant to any such assignment, all Loans and Commitments to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrowers), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 10.05(b). By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans or Commitments under such Facility pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit A, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph (h) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(i) Notwithstanding anything to the contrary in Section 2.18(c) (which provisions shall not be applicable to clauses (i) or (j) of this Section 10.04), the Borrowers may purchase by way of assignment and become Assignees with respect to Term Loans at any time and from time to time from Lenders in accordance with Section 10.04(b) hereof ("Permitted Loan Purchases"); provided that (A) any such purchase occurs pursuant to Dutch auction procedures open to all applicable Lenders on a pro rata basis in accordance with customary procedures to be agreed between the applicable Borrower and the Administrative Agent; provided that the Borrowers shall be entitled to make open market purchases of the Term Loans without complying with such Dutch auction procedures so long as the aggregate principal amount (calculated on the par amount thereof) of all Term Loans purchased in open market purchases from the Closing Date does not exceed the Permitted Loan Purchases Amount, (B) for the avoidance of doubt, no Revolving Facility Commitments or Revolving Facility Loans may be purchased by the Borrowers, (C) no Permitted Loan Purchases shall be made from the proceeds of any Revolving Facility Loans, (D) no Default or Event of Default has occurred and is continuing or would result from the Permitted Loan Purchase, (E) upon consummation of any such Permitted Loan Purchase, the Loans purchased pursuant thereto shall be deemed to be automatically and immediately cancelled and extinguished in accordance with Section 10.04(j) and (F) in connection with any such Permitted Loan Purchase, the applicable Borrower and such Lender that is the Assignor shall execute and deliver to the Administrative Agent a Permitted Loan Purchase Assignment and Acceptance (and for the avoidance of doubt, shall not be required to execute and deliver an Assignment and Acceptance pursuant to Section 10.04(b)(ii)(B)) and shall otherwise comply with the conditions to assignments under this Section 10.04.

(j) Each Permitted Loan Purchase shall, for purposes of this Agreement (including without limitation, Section 2.08(b)) be deemed to be an automatic and immediate cancellation and extinguishment of such Term Loans and the applicable Borrower shall, upon consummation of any Permitted Loan Purchase, notify the Administrative Agent that the Register be updated to record such event as if it were a prepayment of such Loans.

Section 10.05. Expenses; Indemnity.

(a) Costs and Expenses. The Borrowers jointly and severally agree to pay (i) all reasonable and documented out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent in connection with the preparation of this Agreement and the other Loan Documents, or by the Administrative Agent in connection with the syndication of the Commitments or in the administration of this Agreement (including expenses incurred in connection with due diligence and initial and ongoing Collateral examination to the extent incurred with the reasonable prior approval of the Company and the reasonable fees, disbursements and charges for no more than one counsel in each jurisdiction where Collateral is located) or in connection with the administration of this Agreement and any amendments, modifications or waivers of the provisions of this Agreement or thereof (whether or not the Transactions hereby contemplated shall be consummated), including the reasonable fees, charges and disbursements of Cahill Gordon & Reindel llp, counsel for the Administrative Agent and the Arrangers, and, if necessary, the reasonable fees, charges and documented out-of-pocket expenses and disbursements of one local counsel per jurisdiction, and (ii) all out-of-pocket expenses (including Other Taxes) incurred by the Agents and any Lender in connection with the enforcement or protection of their rights in connection with this Agreement and the other Loan Documents, in connection with the Loans made or the Letters of Credit issued hereunder, including the fees, charges and disbursements of counsel for the Agents or, after any Event of Default under Section 8.01(b), (c), (h) (with respect to the Borrowers) or (i) (with respect to the Borrowers), counsel for the Lenders (in each case including any special and local counsel).

(b) Indemnification by the Borrowers. The Borrowers jointly and severally agree to indemnify the Administrative Agent, the Agents, the Arrangers, the Joint Bookrunners, each Issuing Bank, each Lender, each of their respective Affiliates and each of their respective directors, trustees, officers, employees, agents, trustees and advisors (each such person being called an “Indemnitee”) against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (except the allocated costs of in house counsel), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the Transactions and the other transactions contemplated hereby (including the Acquisition Transactions), (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit) or (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by the Company or any of its subsidiaries or Affiliates; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee (for purposes of this proviso only, each of the Administrative Agent, any Arranger, any Joint Bookrunner, any Issuing Bank or any Lender shall be treated as several and separate Indemnitees, but each of them together with its respective Related Parties, shall be treated as a single Indemnitee). Subject to and without limiting the generality of the foregoing sentence, the Borrowers jointly and severally agree to indemnify each Indemnitee against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel or consultant fees, charges and disbursements (limited to not more than one counsel, plus, if necessary, one local counsel per jurisdiction) (except the allocated costs of in house counsel), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of any Environmental Claim or Environmental Liability related in any way to the Company or any of the Subsidiaries or its predecessors; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or any of its Related Parties. None of the Indemnitees (or any of their respective affiliates) shall be responsible or liable to the Company or any of the subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities, the Transactions or the Acquisition Transactions. The provisions of this Section 10.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, any Issuing Bank or any Lender. All amounts due under this Section 10.05 shall be payable on written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Taxes. Except as expressly provided in Section 10.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.17, this Section 10.05 shall not apply to any Taxes (other than Taxes that represent losses, claims, damages, liabilities and related expenses resulting from a non-Tax claim), which shall be governed exclusively by Section 2.17 and, to the extent set forth therein, Section 2.15.

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, the Borrowers shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) Survival. The agreements in this Section 10.05 shall survive the resignation or removal of either Agent or any Issuing Bank, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement.

Section 10.06. Right of Set-off. If an Event of Default shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender or such Issuing Bank to or for the credit or the account of the Borrowers or any Subsidiary against any of and all the obligations of the Borrowers now or hereafter existing under this Agreement or any other Loan Document held by such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmatured. The rights of each Lender and each Issuing Bank under this Section 10.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender or such Issuing Bank may have.

Section 10.07. Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN LETTERS OF CREDIT AND AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE CONFLICT OF LAWS PRINCIPLES THEREOF.

Section 10.08. Waivers; Amendment.

(a) No failure or delay of either Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of each Agent, each Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by any Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any Borrower or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Subject to Section 2.14, neither this Agreement nor any other Loan Document nor any provision of this Agreement or thereof may be waived, amended or modified except (x) as provided in Section 2.21, (y) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders and (z) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each party thereto and the Agent party thereto and consented to by the Required Lenders; provided, however, that no such agreement shall

(i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan or any L/C Disbursement, or extend the stated expiration of any Letter of Credit beyond the applicable Revolving Facility Maturity Date, without the prior written consent of each Lender directly affected thereby, except as provided in Section 2.05(c); provided that any amendment to the financial covenant definitions in this Agreement shall not constitute a reduction in the rate of interest for purposes of this clause (i),

(ii) increase or extend the Commitment of any Lender or decrease the Commitment Fees or L/C Participation Fees or other fees of any Lender without the prior written consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the aggregate Commitments shall not constitute an increase of the Commitments of any Lender),

(iii) extend or waive any Term Loan Installment Date or reduce the amount due on any Term Loan Installment Date or extend any date on which payment of interest on any Loan or any L/C Disbursement or any Fees is due, without the prior written consent of each Lender adversely affected thereby,

(iv) amend the provisions of Section 4.02 of the Collateral Agreement, or any analogous provision of any other Security Document, in a manner that would by its terms alter the *pro rata* sharing of payments required thereby, without the prior written consent of each Lender adversely affected thereby,

(v) amend or modify the provisions of this Section 10.08 or the definition of the terms “Required Lenders,” “Majority Lenders,” or any other provision of this Agreement specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Loans and Commitments are included on the Closing Date),

(vi) release all or substantially all the Collateral or all or substantially all of the Subsidiary Guarantors from their respective Guarantees under the Collateral Agreement, unless, in the case of a Subsidiary Guarantor, all or substantially all the Equity Interests of such Subsidiary Guarantor is sold or otherwise disposed of in a transaction permitted by this Agreement, without the prior written consent of each Lender, or

(vii) effect any waiver, amendment or modification that by its terms adversely affects the rights in respect of payments or collateral of Lenders participating in any Facility differently from those of Lender participating in another Facility, without the consent of the Majority Lenders participating in the adversely affected Facility (it being agreed that the Required Lenders may waive, in whole or in part, any prepayment or Commitment reduction required by Section 2.11 so long as the application of any prepayment or Commitment reduction still required to be made is not changed);

provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of either Agent or an Issuing Bank hereunder without the prior written consent of such Agent or such Issuing Bank acting as such at the effective date of such agreement, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 10.08 and any consent by any Lender pursuant to this Section 10.08 shall bind any Assignee of such Lender.

Notwithstanding the foregoing, only the consent of the Required Revolving Facility Lenders shall be required to (and only the Required Revolving Facility Lenders shall have the ability to) waive, amend or modify the conditions set forth in Section 4.01.

(c) Without the consent of any Arranger or Lender or Issuing Bank, the Loan Parties and the Administrative Agent and/or Collateral Agent, as applicable, may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law.

(d) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrowers (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the Revolving Facility Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

(e) Notwithstanding the foregoing, technical and conforming modifications to the Loan Documents may be made with the consent of the Borrowers and the Administrative Agent to the extent necessary to integrate any Incremental Term Loan Commitments or Incremental Revolving Facility Commitments in a manner consistent with Section 2.21, including, with respect to Other Incremental Revolving Loans or Other Incremental Term Loans, as may be necessary to establish such Incremental Term Loan Commitments or Revolving Facility Loans as a separate Class or tranche from the existing Term Loan Commitments or Incremental Revolving Facility Commitments.

Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the "Charges"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender or any Issuing Bank, shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender or such Issuing Bank, shall be limited to the Maximum Rate; provided that such excess amount shall be paid to such Lender or such Issuing Bank on subsequent payment dates to the extent not exceeding the legal limitation.

Section 10.09. Entire Agreement. This Agreement, the other Loan Documents and the agreements regarding certain Fees referred to herein constitute the entire contract between the parties relative to the subject matter of this Agreement. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter of this Agreement is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, any fee letters previously entered into between the Agents, the Arrangers and the Joint Bookrunners shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

Section 10.10. No Liability of the Issuing Bank. The Borrowers assume all risks of the acts or omissions of any beneficiary or transferee of any Letter of Credit with respect to its use of such Letter of Credit. Neither any Issuing Bank nor any of its officers or directors shall be liable or responsible for: (a) the use that may be made of any Letter of Credit or any acts or omissions of any beneficiary or transferee in connection therewith; (b) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; (c) payment by such Issuing Bank against presentation of documents that do not comply with the terms of a Letter of Credit, including failure of any documents to bear any reference or adequate reference to the Letter of Credit; or (d) any other circumstances whatsoever in making or failing to make payment under any Letter of Credit, except that the Borrowers shall have a claim against such Issuing Bank, and such Issuing Bank shall be liable to the Borrowers, to the extent of any direct, but not consequential, damages suffered by the Borrowers that the Borrowers prove were caused by (i) such Issuing Bank's willful misconduct or gross negligence as determined in a final, non-appealable judgment by a court of competent jurisdiction in determining whether documents presented under any Letter of Credit comply with the terms of the Letter of Credit or (ii) such Issuing Bank's willful failure to make lawful payment under a Letter of Credit after the presentation to it of a draft and certificates strictly complying with the terms and conditions of the Letter of Credit. In furtherance and not in limitation of the foregoing, such Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary.

Section 10.11. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS Section 10.11.

Section 10.12. Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 10.13. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 10.03. Delivery of an executed counterpart to this Agreement by facsimile transmission (or other electronic transmission pursuant to procedures approved by the Administrative Agent) shall be as effective as delivery of a manually signed original.

Section 10.14. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 10.15. Jurisdiction; Consent to Service of Process.

(a) Submission to Jurisdiction. Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City in the borough of Manhattan, and any appellate court from any thereof (collectively, "New York Courts"), in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Loan Documents in the courts of any jurisdiction, except that each of the Loan Parties agrees that (a) it will not bring any such action or proceeding in any court other than New York Courts (it being acknowledged and agreed by the parties hereto that any other forum would be inconvenient and inappropriate in view of the fact that more of the Lenders who would be affected by any such action or proceeding have contacts with the State of New York than any other jurisdiction), and (b) in any such action or proceeding brought against any Loan Party in any other court, it will not assert any cross-claim, counterclaim or setoff, or seek any other affirmative relief, except to the extent that the failure to assert the same will preclude such Loan Party from asserting or seeking the same in the New York Courts.

(b) Waiver of Venue. Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York Court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Service of Process. Each Loan Party irrevocably appoints National Registered Agents, Inc. at 875 Avenue of the Americas, Suite 501, New York, New York 10001 as its authorized agent (the "Process Agent") on which any and all legal process may be served in any action, suit or proceeding brought in any New York Court. Each Loan Party agrees that service of process in respect of it upon the Process Agent, together with written notice of such service given to it in the manner provided for notices in Section 10.01, shall be deemed to be effective service of process upon it in any such action, suit or proceeding. Each Loan Party agrees that the failure of the Process Agent to give notice to it of any such service shall not impair or affect the validity of such service or any judgment rendered in any such action, suit or proceeding based thereon. If for any reason the Process Agent named above shall cease to be available to act as such, each Loan Party agrees to irrevocably appoint a replacement process agent in New York City, as its authorized agent for service of process, on the terms and for the purposes specified in this paragraph (c). Nothing in this Agreement or any other Loan Document will affect the right of any party hereto to serve process in any other manner permitted by applicable law or to obtain jurisdiction over any party or bring actions, suits or proceedings against any party in such other jurisdictions, and in such matter, as may be permitted by applicable law.

Section 10.16. Confidentiality. Each of the Lenders, each Issuing Bank and each of the Agents agrees that it shall maintain in confidence any information relating to any Loan Party and any Subsidiary furnished to it by or on behalf of such Loan Party or any Subsidiary (other than information that (a) has become generally available to the public other than as a result of a disclosure by such party, (b) has been independently developed by such Lender, such Issuing Bank or such Agent without violating this Section 10.16 or (c) was available to such Lender, such Issuing Bank or such Agent from a third party having, to such person's knowledge, no obligations of confidentiality to such Loan Party or any other Subsidiary) and shall not reveal the same other than to its Related Parties with a need to know and any numbering, administration or settlement service providers or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 10.16), except: (A) to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, (B) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or self-regulatory authorities, including the National Association of Insurance Commissioners or the Financial Industry Regulatory Authority, (C) to its parent companies, Affiliates or auditors (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 10.16), (D) in order to enforce its rights under any Loan Document in a legal proceeding, (E) to any pledgee under Section 10.04(e) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (or any of its Related Parties) (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 10.16), (F) to any direct or indirect contractual counterparty in Swap Agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 10.16) and (G) to any credit insurance provider relating to the Borrowers and their obligations (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 10.16). In addition, each Agent, each Issuing Bank and each Lender may disclose the existence of this Agreement and customary information about this Agreement to market data collectors, similar services providers to the lending industry, and service providers to the Agents, the Issuing Banks and the Lenders in connection with the administration and management of this Agreement and the other Loan Documents.

Section 10.17. Platform; Borrower Materials. The Borrowers hereby acknowledge that (a) the Administrative Agent and/or the Arrangers will make available to the Lenders and the Issuing Banks materials and/or information provided by or on behalf of the Borrowers hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform"), and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrowers or their securities) (each, a "Public Lender"). Each Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (i) all the Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof, (ii) by marking Borrower Materials "PUBLIC," the Borrowers shall be deemed to have authorized the Administrative Agent, the Arranger, the Issuing Banks and the Lenders to treat the Borrower Materials as either publicly available information or not material information (although it may be sensitive and proprietary) with respect to the Borrowers or their securities for purposes of United States Federal and state securities laws, (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Investor"; and (iv) the Administrative Agent and the Arrangers shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Investor."

Section 10.18. Release of Liens and Guarantees. In the event that any equity holder conveys, sells, assigns, transfers or otherwise disposes of all or any portion of any of the Equity Interests or assets of any Subsidiary Guarantor to a person that is not thereby required to enter into a Subsidiary Guarantor Pledge Agreement in a transaction not prohibited by Section 6.05 the Collateral Agent, without any recourse to or representation by it, shall promptly (and the Lenders hereby authorize the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by the Borrowers and at the Borrowers' expense to release any Liens created by any Loan Document in respect of such Equity Interests or assets, and, in the case of a disposition of the Equity Interests of any Subsidiary Guarantor in a transaction permitted by Section 6.05 and as a result of which such Subsidiary Guarantor would cease to be a Subsidiary, terminate such Subsidiary Guarantor's obligations under its Guarantee (and, in each case, the Administrative Agent and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry). Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents. In addition, the Collateral Agent agrees, without any recourse to or representation by it, to take such actions as are reasonably requested by the Borrowers and at the Borrowers' expense to terminate the Liens and security interests created by the Loan Documents when all the Obligations (other than contingent indemnification obligations and expense reimbursement claims to the extent no claim therefore has been made) are paid in full and all Letters of Credit and Commitments are terminated. Any such release of Obligations shall be deemed subject to the provision that such Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Borrower or any Subsidiary Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, any Borrower or any Subsidiary Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made. Any representation, warranty or covenant contained in any Loan Document relating to any such Equity Interests, asset or subsidiary of a Borrower shall no longer be deemed to be made once such Equity Interests or asset is so conveyed, sold, leased, assigned, transferred or disposed of.

Section 10.19. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of any Loan Party in respect of any such sum due from it to any Agent or Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrowers in the Agreement Currency, the Borrowers agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrowers (or to any other person who may be entitled thereto under applicable law).

Section 10.20. USA PATRIOT Act Notice. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act.

Section 10.21. Affiliate Lenders.

(a) Each Lender who is an Affiliate of the Borrowers (each, an "Affiliate Lender"; it being understood that neither the Borrowers, nor any of the Subsidiaries may be Affiliate Lenders), in connection with any (i) consent (or decision not to consent) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document, (ii) other action on any matter related to any Loan Document or (iii) direction to the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, agrees that, except with respect to any amendment, modification, waiver, consent or other action described in clauses (i), (ii) or (iii) of the first proviso of Section 10.08(b), such Affiliate Lender shall be deemed to have voted its interest as a Lender without discretion in such proportion as the allocation of voting with respect to such matter by Lenders who are not Affiliate Lenders. Subject to clause (c) below, the Borrowers and each Affiliate Lender hereby agree that if a case under Title 11 of the United States Code is commenced against a Borrower, such Borrower shall seek (and each Affiliate Lender shall consent) to designate the vote of any Affiliate Lender and the vote of any Affiliate Lender with respect to any plan of reorganization of such Borrower or any Affiliate of such Borrower shall not be counted. Each Affiliate Lender hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Affiliate Lender's attorney-in-fact, with full authority in the place and stead of such Affiliate Lender and in the name of such Affiliate Lender, from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this clause (a).

(b) Notwithstanding anything to the contrary in this Agreement, no Affiliate Lender shall have any right to (a) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Borrowers are not then present, (b) receive any information or material prepared by Administrative Agent or any Lender or any communication by or among Administrative Agent and/or one or more Lenders, except to the extent such information or materials have been made available to the Borrowers or their representatives, or (c) make or bring (or participate in, other than as a passive participant in or recipient of its pro rata benefits of) any claim, in its capacity as a Lender, against Administrative Agent, the Collateral Agent or any other Lender with respect to any duties or obligations or alleged duties or obligations of such Agent or any other such Lender under the Loan Documents, (d) own more than 25% of the aggregate principal amount of outstanding Term Loans or (e) purchase Revolving Facility Loans or Revolving Facility Commitments. It shall be a condition precedent to each assignment to an Affiliate Lender that such Lender shall have represented in the applicable Assignment and Acceptance, and notified the Administrative Agent (i) that it is (or will be, following the consummation of such assignment) an Affiliate Lender, (ii) that the aggregate amount of Term Loans held by it giving effect to such assignments shall not exceed the amount permitted by clause (d) of the preceding sentence, and (iii) that, as of the date of such purchase and assignment, it is not in possession of material non-public information with respect to the Borrowers, their subsidiaries or their respective securities that (A) has not been disclosed to the assigning Lender prior to such date and (B) could reasonably be expected to have a material effect upon, or otherwise be material to, a Lender's decision to assign Terms Loans to such Affiliate Lender.

Section 10.22. No Advisory or Fiduciary Responsibility. In connection with all aspects of the Transactions contemplated hereby, the Borrowers acknowledge and agree that: (i) the credit facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Borrowers, the other Loan Parties and their respective Affiliates, on the one hand, and the Agents, the Arrangers and the Lenders, on the other hand, and the Borrowers and the other Loan Parties are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof); (ii) in connection with the process leading to such transaction, each Agent, each Arranger and each Lender is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for the Borrowers, any Loan Party or any of their respective Affiliates, stockholders, creditors or employees or any other person; (iii) none of the Agents, any Arranger or any Lender has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Borrowers or any other Loan Party with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether any Agent, any Arranger or any Lender has advised or is currently advising the Borrowers or any other Loan Party or their respective Affiliates on other matters) and none of the Agents, any Arranger or any Lender has any obligation to any of the Borrowers, the other Loan Parties or their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; (iv) the Agents, the Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrowers and the other Loan Parties and their respective Affiliates, and none of the Agents, any Arranger or any Lender has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) the Agents, the Arrangers and the Lenders have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and the Borrowers and the other Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent they deemed appropriate. Each Borrower hereby agrees that it will not claim that any of the Agents, the Arrangers, the Lenders or their respective affiliates has rendered advisory services of any nature or respect or owes any fiduciary duty to it in connection with any aspect of any transaction contemplated hereby.

Section 10.23. Acknowledgement and Consent to Bail-In of EEA Financial Institutions Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 10.24. Borrower Representative. Each Borrower hereby designates and appoints the Company as its representative and agent on its behalf (the "Borrower Representative") for the purposes of issuing Borrowing Requests, Interest Election Requests, and requests for Letters of Credit, delivering certificates, giving instructions with respect to the disbursement of the proceeds of the Loans, selecting interest rate options, giving and receiving all other notices and consents hereunder or under any of the other Loan Documents and taking all other actions (including in respect of compliance with covenants) on behalf of any Borrower or the Borrowers under the Loan Documents. The Borrower Representative hereby accepts such appointment. Each Agent and each Lender may regard any notice or other communication pursuant to any Loan Document from the Borrower Representative as a notice or communication from both Borrowers. Each warranty, covenant, agreement and undertaking made on behalf of a Borrower by the Borrower Representative shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower.

Section 10.25. Joint and Several Liability. The obligations of each Borrower hereunder are absolute and unconditional irrespective of the value, genuineness, validity, regularity or enforceability of the obligations of the other Borrower under this Agreement or any other Loan Document, or any substitution, release or exchange of any other guarantee of or security for any of the Obligations, and, to the fullest extent permitted by applicable law, irrespective of any other circumstance whatsoever which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 10.25 that the joint and several obligations of the Company and the Co-Borrower hereunder shall be absolute and unconditional under any and all circumstances.

Section 10.26. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers, the Joint Bookrunners and each Co-Documentation Agent and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers, the Joint Bookrunners and the Co-Documentation Agents and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that:

(i) none of the Administrative Agent, any Arranger, any Joint Bookrunner or any Co-Documentation Agent or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto),

(ii) the Person making the investment decision on behalf of such Lender with respect to the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement is independent (within the meaning of 29 CFR § 2510.3-21) and is a bank, an insurance carrier, an investment adviser, a broker-dealer or other person that holds, or has under management or control, total assets of at least \$50 million, in each case as described in 29 CFR § 2510.3-21(c)(1)(i)(A)-(E),

(iii) the Person making the investment decision on behalf of such Lender with respect to the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement is capable of evaluating investment risks independently, both in general and with regard to particular transactions and investment strategies (including in respect of the Obligations),

(iv) the Person making the investment decision on behalf of such Lender with respect to the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement is a fiduciary under ERISA or the Code, or both, with respect to the Loans, the Letters of Credit, the Commitments and this Agreement and is responsible for exercising independent judgment in evaluating the transactions hereunder, and

(v) no fee or other compensation is being paid directly to the Administrative Agent, any Arranger, any Joint Bookrunner or any Co-Documentation Agent or any their respective Affiliates for investment advice (as opposed to other services) in connection with the Loans, the Letters of Credit, the Commitments or this Agreement.

(c) The Administrative Agent, each Arranger, each Joint Bookrunner and each Co-Documentation Agent hereby informs the Lenders that each such Person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments and this Agreement, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

Section 6.1 The Collateral Agent may in its discretion by notice to the Owner declare all or any part of the Obligations to be immediately due and payable on the happening of any of the events set out in this Article VI (each an "Event of Default"). Following such declaration the Obligations, or that part of it to which the declaration relates, shall immediately become due and payable and the security constituted by the Mortgage and this Deed shall immediately become enforceable without any further notice, demand, protest or other requirement, all of which the Owner expressly waives:

(a) if there shall occur an Event of Default which is continuing (as defined in the Collateral Agreement); or

(b) if the registration of the Vessel or the registration, validity or priority of this Deed or the Mortgage shall be contested by any Loan Party or become void or voidable or liable to cancellation or termination; or

(c) if any act or omission of the Owner or any managers or agents of the Vessel shall materially prejudice the security conferred on the Collateral Agent by the Mortgage and this Deed; or

(d) if the Bahamas becomes involved in war (whether or not declared) or civil war or is occupied by any other power and the Collateral Agent in its discretion considers that, as a result, the security conferred on it by the Mortgage and this Deed is materially prejudiced and the Owner does not when required by the Collateral Agent to do so procure that the Vessel is registered under the laws and flag of another country acceptable to the Collateral Agent in its sole and absolute discretion and does not procure that there is executed, delivered and registered in favor of the Collateral Agent (for the ratable benefit of the Secured Parties) a further mortgage on the Vessel (together, if required by the Collateral Agent, with a collateral supplement to mortgage) on materially the same terms as the Mortgage and this Deed.

ARTICLE VII.

POWERS OF COLLATERAL AGENT ON EVENT OF DEFAULT

Section 7.1 Upon the occurrence of any default described in Article VI which is continuing and the Collateral Agent (for the benefit of the Secured Parties) shall make demand for all or any part of the Obligations, the amount of the Obligations to which the demand relates shall from the date of such demand bear interest at the default rate specified in Section 2.13 of the Credit Agreement and the Collateral Agent shall be entitled to exercise all or any of the rights, powers, discretions and remedies (including all rights and remedies in foreclosure) vested in it (whether at law, by virtue of the Mortgage and this Deed or otherwise) and in particular (without limiting the generality of the foregoing) and for the avoidance of any doubt, the power of sale and other powers specified in section 23 of the Conveyancing and Law of Property Act Chapter 138 (applied in respect of personal as well as real property) as varied or amended by this Deed shall be immediately exercisable upon and at any time thereafter and, without prejudice to the generality of the foregoing, the Collateral Agent shall have power:

(a) to take possession of the Vessel;

(b) to require that all policies, contracts, certificates of entry and other records relating to the Insurances (including details of and correspondence concerning outstanding claims) be delivered forthwith to such adjusters and/or brokers and/or other insurers as the Collateral Agent may nominate;

(c) to collect, recover, compromise and give a good discharge for, all claims then outstanding or thereafter arising under the Insurances or any of them or in respect of any other part of the Mortgaged Property and to take over or institute (if necessary using the name of the Owner) all such proceedings in connection therewith as the Collateral Agent in its absolute discretion thinks fit, and, in the case of the Insurances, to permit the brokers through whom collection or recovery is effected to charge the usual brokerage therefor;

(d) to discharge, compound, release or compromise claims in respect of the Vessel or any other part of the Mortgaged Property which have given or may give rise to any charge or Lien or other claim on the Vessel or any other part of the Mortgaged Property or which are or may be enforceable by proceedings against the Vessel or any other part of the Mortgaged Property;

(e) to sell the Vessel or any share or interest therein with or without prior notice to the Owner, and with or without the benefit of any charterparty, and free from any claim by the Owner (whether in admiralty, in equity, at law or by statute) by public auction or private contract, at such place and upon such terms as the Collateral Agent in its absolute discretion may determine, with power to postpone any such sale, and without being answerable for any loss occasioned by such sale or resulting from postponement thereof and with power, where the Collateral Agent purchases the Vessel, to make payment of the sale price by making an equivalent reduction in the amount of the Obligations;

(f) to manage, insure, maintain and repair the Vessel, and to employ, sail or lay up the Vessel in such manner and for such period as the Collateral Agent, in its absolute discretion, deems expedient accounting only for net profits arising from any such employment;

(g) to order the Vessel to proceed forthwith at the Owner's risk and expense to a port or place nominated by the Collateral Agent and if the Owner fails to give the necessary instructions to the master of the Vessel for any reason whatsoever, the Collateral Agent shall have the right to give such instructions directly to the master;

(h) to administer, amend or terminate any existing charter, management, services or similar agreement or instrument relating to the Vessel and/or enter into any such agreement or instrument; and

(i) to recover from the Owner on demand all fees, costs and expenses incurred or paid by the Collateral Agent in connection with the exercise of the powers (or any of them) referred to in this Section 7.1.

Section 22 of the Conveyancing and Law of Property Act Chapter 138 shall not apply to this Deed and the statutory power of sale shall be exercisable at any time after the moneys secured by this Deed have become payable. For the purpose of all powers conferred by statute, the Obligations shall be deemed to have become due and payable on the date hereof.

Section 7.2 Upon the occurrence of any Event of Default described in Article VI which is continuing, the Collateral Agent shall be entitled (but not bound) by writing executed by any director or officer of the Collateral Agent to appoint any person or persons to be a receiver and/or manager of the Mortgaged Property or any part thereof (a "Receiver") (with power to authorize any joint Receiver to exercise any power independently of any other joint Receiver) and may from time to time fix his remuneration, and may remove any Receiver so appointed and appoint another in his place. Any Receiver shall be the agent of the Owner and the Owner shall be solely responsible for his acts or defaults and for his remuneration, and such Receiver shall have power on behalf of and at the cost of the Owner (notwithstanding any liquidation of the Owner) to do or omit to do anything which the Owner could do or omit to do in relation to the Mortgaged Property or any part thereof and in particular (but without prejudice to the generality of the foregoing) any such Receiver may exercise all the powers and discretions conferred on the Collateral Agent by the Mortgage and this Deed.

Section 7.3 Subject to Section 7.2, any Receiver shall be entitled to remuneration appropriate to the work and responsibilities involved, upon the basis of charging from time to time adopted by the Receiver in accordance with the current practice of his firm.

Section 7.4 Neither the Collateral Agent nor any Receiver shall be liable as mortgagee in possession in respect of all or any of the Mortgaged Property to account or be liable for any loss upon realization or for any neglect or default of any nature whatsoever in connection therewith for which a mortgagee in possession may be liable as such.

Section 7.5 Upon any sale of the Vessel or any share or interest therein by the Collateral Agent pursuant to Section 7.1(e), or by any Receiver, the purchaser shall not be bound to see or inquire whether the Collateral Agent's power of sale has arisen in the manner provided in this Deed and such sale shall be deemed to be within the power of the Collateral Agent (or the Receiver, as the case may be) and the receipt of the Collateral Agent (or the Receiver, as the case may be) of the purchase money shall effectively discharge the purchaser who shall not be concerned with the manner of application of the proceeds of such sale or be in any way answerable therefor and such sale shall operate to divest the Owner of all rights, title and interest of any nature whatsoever in the Vessel and to bar any such interest of the Owner and all persons claiming through or under the Owner.

Section 9.2 The Collateral Agent shall be entitled, at any time and as often as may be expedient, to delegate all or any of the powers and discretions vested in it by the Mortgage and this Deed (including the power vested in it by virtue of Article X) or any of the other Loan Documents or any Senior Secured Notes Indenture in such manner, upon such terms, and to such persons as the Collateral Agent in its absolute discretion may think fit.

ARTICLE X.

(c) The submission to such jurisdiction shall not (and shall not be construed so as to) limit the right of the Collateral Agent or any Secured Party to take proceedings against the Owner in any other court of competent jurisdiction nor shall the taking of proceedings in any one or more jurisdictions preclude the taking of proceedings in any other jurisdiction, whether concurrently or not. The parties further agree that only the courts of The Bahamas and not those of any other state shall have jurisdiction to determine any claim which the Owner may have against the Collateral Agent or any Secured Party arising out of or in connection with the Mortgage and/or this Deed.

ARTICLE IV.

CONTINUING SECURITY AND OTHER MATTERS

Section 4.1 The security created by this Mortgage shall:

(a) be held by the Mortgagee (for the benefit of the Guaranteed Parties) as a continuing security for the payment of the Secured Obligations and the performance and observance of and compliance with all of the covenants, terms and conditions contained in the Credit Agreement and the other Loan Documents and any Relevant Swap Agreement, express or implied;

(b) not be satisfied by any intermediate payment or satisfaction of any part of the amount hereby and thereby secured (or by any settlement of accounts between the Owner or any other person who may be liable to the Mortgagee, the Guaranteed Parties or their permitted successors and assigns in respect of the Secured Obligations or any part thereof);

(c) be in addition to, and shall not in any way prejudice or affect, and may be enforced by the Mortgagee without prior recourse to, the security created by any other Loan Document, any Relevant Swap Agreement and any guarantee or indemnity now or hereafter held by the Mortgagee or the Guaranteed Parties in respect of the Secured Obligations; and

(d) not be in any way prejudiced or affected by the existence of any of the other Loan Documents, any Relevant Swap Agreement or any other rights or remedies or by the same becoming wholly or in part void, voidable or unenforceable on any ground whatsoever or by the Mortgagee or any Guaranteed Party dealing with, exchanging, varying or failing to perfect or enforce any of the same, or giving time for payment or performance or indulgence or compounding with any other person liable.

Section 4.2 All the rights, remedies and powers vested in the Mortgagee (for the ratable benefit of the Guaranteed Parties) hereunder shall be in addition to and not a limitation of any and every other right, power or remedy vested in the Mortgagee or the Guaranteed Parties under the Loan Documents, any Relevant Swap Agreement or under any other guarantees or indemnity now or hereafter held by the Mortgagee or the Guaranteed Parties in respect of the Secured Obligations and all the powers so vested in the Mortgagee or the Guaranteed Parties may be exercised from time to time and as often as the Mortgagee or the Guaranteed Parties may deem expedient.

Section 4.3 The Mortgagee shall not be obligated to make any inquiry as to the nature or sufficiency of any payment received by it under this Mortgage or to make any claim or take any action to collect any moneys hereby owed or to enforce any rights or benefits hereby granted to the Mortgagee or to which the Mortgagee or any Guaranteed Party may at any time be entitled under this Mortgage.

Section 4.4 The Owner shall remain liable to perform all the obligations assumed by it in relation to the Vessel and the Mortgagee shall be under no obligation of any kind whatsoever in respect thereof or be under any liability whatsoever in the event of any failure by the Owner to perform its obligations in respect thereof.

ARTICLE V.

COVENANTS

Section 5.1 The Owner hereby covenants with the Mortgagee and the Guaranteed Parties and undertakes throughout the Security Period as follows (at its own cost):

(a) No Sale. The Owner will not sell or otherwise dispose of the Vessel or any part thereof or interest therein, except as otherwise not prohibited by the Credit Agreement.

(b) Negative Pledge. The Owner will not create any Lien over the Vessel or suffer the creation or existence of any such Lien to or in favor of any person, except for Permitted Liens.

(c) Maritime Liens. The Owner will pay and discharge or cause to be paid and discharged all debts, damages and liabilities whatsoever which have given or may give rise to maritime or possessory Liens on or claims enforceable against the Vessel, except such debts, damages and liabilities which give rise to maritime or possessory Liens to the extent not otherwise prohibited under Section 6.02 of the Credit Agreement, and in the event of arrest of the Vessel pursuant to legal process or in the event of her detention in exercise or purported exercise of any such Liens on or claims enforceable against the Vessel as aforesaid, to procure the release of the Vessel from such arrest or detention within twenty one (21) days of receiving notice thereof providing bail or otherwise as the circumstances may require.

(d) Flag or Registration. The Owner shall ensure that the Vessel remains registered as a Marshall Islands ship in the Republic of the Marshall Islands and retains the right to fly its flag and the Owner will not make any changes in the registration or the flag of the Vessel, except as otherwise not prohibited by the Credit Agreement.

(e) Bareboat Charterparties. The Owner will not permit the Vessel to be engaged on any bareboat charterparty or any sub-bareboat charterparty, unless otherwise approved by the Collateral Agent under the Collateral Agreement or the Administrative Agent under the Credit Agreement, or would not reasonably be expected to have a material adverse effect on the rights of the Guaranteed Parties.

(f) Time Charterparties. The Owner will not permit the Vessel to be engaged on any time charterparties or sub-time charterparties other than the Charter Agreements, unless otherwise approved by the Collateral Agent under the Collateral Agreement or the Administrative Agent under the Credit Agreement, or would not reasonably be expected to have a materially adverse effect on the rights of the Guaranteed Parties.

(g) Copies of Charterparties. Upon request of the Mortgagee, the Owner will send to the Mortgagee a copy of any charterparty for the Vessel and any addenda thereto.

(h) Managers. The Owner will ensure that the Vessel will at all times only be managed by an Approved Manager pursuant to customary technical management agreements assigned to the Mortgagee (for the ratable benefit of the Guaranteed Parties) under the Collateral Agreement; *provided* that this clause shall not prohibit an Approved Manager from entering into commercial or technical management agreements with other persons for the provision of services to the Vessel. The Owner will not agree to termination of or any material amendments that are adverse to the Guaranteed Parties' interest in, or waive or fail to enforce, any material provisions of such management agreements unless the termination, amendment, waiver or failure to enforce such provisions (1) cannot reasonably be expected to have a material adverse effect on the rights of the Guaranteed Parties or (2) is approved by the Mortgagee. If any manager or the Owner terminates any of the approved management agreements or any manager commits a default thereunder which entitles the Owner to terminate the relevant approved management agreement, then the Owner shall enter into a new management agreement with an Approved Manager.

(i) Inspection. The Owner will permit the Mortgagee or its representatives to inspect the Vessel at reasonable times, upon reasonable prior notice to the Owner, and as often as may be reasonably requested by the Mortgagee and the Owner will not in any way restrict the Mortgagee's or its representatives' access to the Vessel and to all class and insurance certificates and records whether or not being kept by third parties. As long as no Event of Default has occurred, the inspections shall be conducted without any unreasonable interference with the operation of the Vessel. The Mortgagee or its representative shall be entitled to perform one inspection of the Vessel per year at the expense of the Owner; *provided* that the Owner shall pay the costs of such additional inspections as the Mortgagee or its representative or any Guaranteed Party may carry out at any time after an Event of Default has occurred and is continuing.

(j) Class. The Owner will ensure that the Vessel shall maintain the class set out in the classification certificates issued by a classification society, free of any overdue recommendations, exceptions, qualifications and notations of such classification society, and the Owner will forward a certified copy of the classification certificates to the Mortgagee upon request.

(k) Surveys. The Owner will submit or procure the Vessel to be submitted regularly to such periodical or other surveys as may be required by applicable law, by insurers or for classification purposes.

(l) ISM Code and ISPS Code. The Owner will arrange for and procure the punctual approval and certification of the management organization on shore and on board the Vessel and ensure that the Vessel is operated in accordance with the ISM Code and ISPS Code in force from time to time. The Owner shall have a valid and current International Ship Security Certificate issued in respect of the Vessel pursuant to the ISPS Code and any other certification that may be required.

(m) Compliance. Except as to matters that would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the rights of the Guaranteed Parties, the Owner will ensure that the Vessel will comply with all relevant laws, regulations and requirements (statutory or otherwise) as are applicable to ships (i) registered under the same flag as the Vessel and (ii) engaged in the same or similar service as the Vessel is engaged, including without limitation environmental laws.

(n) No Illegal Trade or Trade Outside Insurance Cover. The Owner will not operate the Vessel or permit it to be operated in any manner, trade or business which is forbidden by international law, or which is unlawful or illicit under the laws of any relevant jurisdiction, or in carrying illicit or prohibited goods, or in any manner whatsoever if the foregoing may render the Vessel liable to condemnation in a prize court, or to destruction, seizure, confiscation, penalty or sanction or, except as otherwise not prohibited under the Credit Agreement, in a geographical area outside the scope of any of its insurances or in any way which may jeopardize its insurance coverage, wholly or in part.

(o) Maintenance. Except as to matters that would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the rights of the Guaranteed Parties, the Owner will ensure that the Vessel will be maintained and be in a good and efficient state of repair consistent with first class ship-ownership and management practice.

(p) Change of Structure, Type or Speed. The Owner will not change the structure, type or speed of the Vessel in any way which would reasonably be expected to have a material adverse effect on the rights of the Guaranteed Parties, unless otherwise consented to by the Mortgagee.

(q) Notification of Damage and Claims. The Owners will promptly notify the Mortgagee of:

- (i) any damage to or alteration of the Vessel involving costs in excess of US\$[*] regardless of whether the costs are paid by insurers;
- (ii) any material environmental claims or incidents, to the extent notice thereof has not been publicly filed;

- (iii) any Event of Loss with respect to the Vessel;
- (iv) any requisition of the Vessel;
- (v) any requirement or recommendation made by any insurer or classification society or by any competent authority which is not complied with in accordance with its terms; and
- (vi) any arrest, detention or seizure of the Vessel or any exercise or purported exercise of a Lien on the Vessel or any part thereof which is not lifted forthwith.

(r) Further Information. The Owner will furnish the Mortgagee without undue delay with all such information as it may from time to time reasonably require regarding the Vessel, its employment, position and engagements, including any particulars of all towages and salvages and documents relating to all charters and other contracts for its employment, or otherwise howsoever concerning the Vessel.

(s) Notice. The Owner undertakes to place and at all times and places to retain a certified copy of this Mortgage on board the Vessel with her papers and cause such certified copy of this Mortgage to be exhibited to any and all persons having business with the Vessel which might create or imply any commitment or encumbrance whatsoever on or in respect of the Vessel (other than Liens created by this Mortgage) and to any representative of the Mortgagee and to place and keep prominently displayed in the bridge and in the master's cabin of the Vessel a framed printed notice in plain type reading as follows:

(u) Environmental Laws. Except to the extent the failure to do so would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the rights of the Guaranteed Parties, the Owner shall comply with, and procure that all employees of the Owner in the course of their employment comply with, all environmental laws including, without limitation, requirements relating to manning and establishment of financial responsibility and to obtain and comply with, and procure that all employees of the Owner in the course of their employment obtain and comply with, all environmental permits.

(e) Collection of Claims. The Owner will do all things necessary and provide all documents, evidence and information to enable the Mortgagee to collect or recover any moneys which shall at any time become payable to the Mortgagee according to the applicable Loss Payable Clause in respect of the Insurances.

ARTICLE VI.

DEFAULT

Section 6.1 The Mortgagee may in its discretion by notice to the Owner declare all or any part of the Secured Obligations to be immediately due and payable on the happening of any of the events set out in this Article VI (each an "Event of Default"). Following such declaration the Secured Obligations, or that part of it to which the declaration relates, shall immediately become due and payable and the security constituted by this Mortgage shall immediately become enforceable without any further notice, demand, protest or other requirement, all of which the Owner expressly waives:

(a) if there shall occur an Event of Default (as defined in the Collateral Agreement) which is continuing; or

(b) if the registration of the Vessel or the recordation, validity or priority of this Mortgage shall be contested by any Loan Party or become void or voidable or liable to cancellation or termination; or

ARTICLE VII.

- (f) to discharge, compound, release or compromise claims in respect of the Vessel or any other part of the Vessel which have given or may give rise to any charge or Lien or other claim on the Vessel or any other part of the Vessel or which are or may be enforceable by proceedings against the Vessel or any other part of the Vessel;

(g) to sell the Vessel or any interest therein with or without prior notice to the Owner, and with or without the benefit of any charterparty, and free from any claim by the Owner (whether in admiralty, in equity, at law or by statute) by public auction or private contract, at such place and upon such terms as the Mortgagee in its absolute discretion may determine, with power to postpone any such sale, and without being answerable for any loss occasioned by such sale or resulting from postponement thereof and with power, where the Mortgagee purchases the Vessel, to make payment of the sale price by making an equivalent reduction in the amount of the Secured Obligations;

(h) to manage, insure, maintain and repair the Vessel, and to employ, sail or lay up the Vessel in such manner and for such period as the Mortgagee, in its absolute discretion, deems expedient accounting only for net profits arising from any such employment;

(i) to order the Vessel to proceed forthwith at the Owner's risk and expense to a port or place nominated by the Mortgagee and if the Owner fails to give the necessary instructions to the master of the Vessel for any reason whatsoever, the Mortgagee shall have the right to give such instructions directly to the master;

(j) to administer, amend or terminate any existing charter, management, services or similar agreement or instrument relating to the Vessel and/or enter into any such agreement or instrument; and

Section 7.2 The Owner covenants and agrees that in addition to any and all other rights, powers and remedies elsewhere in this Mortgage granted to and conferred upon the Mortgagee, the Mortgagee in any suit to enforce any of its rights, powers or remedies, if an Event of Default shall have occurred and is continuing, shall be entitled as a matter of right and not as a matter of discretion (a) to the appointment of a receiver or receivers of the Vessel and any receiver so appointed shall have full rights and powers to use and operate the Vessel or such other powers as the Court appointing such receiver may prescribe, including but not limited to the power to pay off the crew of the Vessel and repatriate the crew, if need be, and (b) to a decree ordering and directing the sale and disposal of the Vessel, and the Mortgagee may become the purchaser at any such sale and shall have the right to credit on the purchase price any and all sums of money due under the Collateral Agreement, or otherwise hereunder.

Section 7.3 The Mortgagee shall not be liable as mortgagee in possession in respect of all or any part of the Vessel to account or be liable for any loss upon realization or for any neglect or default of any nature whatsoever in connection therewith for which a mortgagee in possession may be liable as such.

Section 7.4 Upon any sale of the Vessel or any interest therein by the Mortgagee pursuant to Section 7.1(e), the purchaser shall not be bound to see or inquire whether the Mortgagee's power of sale has arisen in the manner provided in this Mortgage and such sale shall be deemed to be within the power of the Mortgagee and the receipt of the Mortgagee of the purchase money shall effectively discharge the purchaser who shall not be concerned with the manner of application of the proceeds of such sale or be in any way answerable therefor and such sale shall operate to divest the Owner of all rights, title and interest of any nature whatsoever in the Vessel and to bar any such interest of the Owner and all persons claiming through or under the Owner.

ARTICLE VIII.

APPLICATION OF MONEYS

Subject to the terms of the Credit Agreement and Section 4.02 of the Collateral Agreement, all sums received by the Mortgagee pursuant to this Mortgage, any of the Loan Documents or any Relevant Swap Agreement and all sums received in connection with the taking possession and/or sale of the Vessel or any chartering or other use of the Vessel by the Mortgagee (including, without limitation, the proceeds of any claims for damages or claims on any insurance received by the Mortgagee while in possession of or while chartering or using the Vessel) shall, unless otherwise agreed by the Mortgagee or otherwise expressly provided in the Loan Documents or any Relevant Swap Agreement, be applied by it in the following order:

ARTICLE IX.

REMEDIES CUMULATIVE AND OTHER PROVISIONS

Section 9.1 No failure or delay on the part of the Mortgagee to exercise any right, power or remedy vested in it under any of the Loan Documents or any Relevant Swap Agreement shall operate as a waiver thereof, nor shall any single or partial exercise by the Mortgagee of any right, power or remedy nor the discontinuance, abandonment or adverse determination of any proceedings taken by the Mortgagee to enforce any right, power or remedy preclude any other or further exercise thereof or proceedings to enforce the same or the exercise of any other right, power or remedy nor shall the giving by the Mortgagee of any consent to any act which by the terms of this Mortgage requires such consent prejudice the right of the Mortgagee to withhold or give consent to the doing of any other similar act. The remedies provided in the Loan Documents or any Relevant Swap Agreement are cumulative and are not exclusive of any remedies provided by law.

Section 9.2 The Mortgagee shall be entitled, at any time and as often as may be expedient, to delegate all or any of the powers and discretions vested in it by this Mortgage (including the power vested in it by virtue of Article X) or any of the other Loan Documents or any Relevant Swap Agreement in such manner, upon such terms, and to such persons as the Mortgagee in its absolute discretion may think fit.

Notwithstanding the foregoing, with respect to any Shared Collateral for which a third party (other than a Secured Party) has a lien or security interest that is junior in priority to the security interest of any Series of Obligations but senior (as determined by appropriate legal proceedings in the case of any dispute) to the security interest of any other Series of Obligations (such third party an "Intervening Creditor"), the value of any Shared Collateral or Proceeds which are allocated to such Intervening Creditor shall be deducted on a ratable basis solely from the Shared Collateral or Proceeds to be distributed in respect of the Series of Obligations with respect to which such Impairment exists. If, despite the provisions of Section 2.01(a)(ii), any Secured Party shall receive any payment or other recovery in excess of its portion of payments on account of the Obligations to which it is then entitled in accordance with this Section 2.01(a), such Secured Party shall hold such payment or recovery in trust for the benefit of all Secured Parties for distribution in accordance with this Section 2.01(a).

(b) It is acknowledged that the Obligations of any Series may, subject to the limitations set forth in the then extant Secured Credit Documents, be increased, extended, renewed, replaced, restated, supplemented, restructured, repaid, refunded, Refinanced or otherwise amended or modified from time to time, all without affecting the priorities set forth in Section 2.01(a) or the provisions of this Agreement defining the relative rights of the Secured Parties of any Series.

(c) Notwithstanding the date, time, method, manner or order of grant, attachment or perfection of any Liens securing any Series of Obligations granted on the Shared Collateral and notwithstanding any provision of the Uniform Commercial Code of any jurisdiction, or any other applicable law or the Secured Credit Documents or any defect or deficiencies in the Liens securing the Obligations of any Series or any other circumstance whatsoever (but, in each case, subject to Section 1.01(b)), each Secured Party hereby agrees that the Liens securing each Series of Obligations on any Shared Collateral shall be of equal priority.

Notwithstanding the equal priority of the Liens securing each Series of Obligations, the Applicable Authorized Representative may deal with the Shared Collateral as if such Applicable Authorized Representative had a senior Lien on such Collateral. No Non-Controlling Authorized Representative or Non-Controlling Secured Party will contest, protest or object to any foreclosure proceeding or action brought by the Applicable Authorized Representative or Controlling Secured Party or any other exercise by the Applicable Authorized Representative or Controlling Secured Party of any rights and remedies relating to the Shared Collateral, or to cause the Applicable Authorized Representative to do so. The foregoing shall not be construed to limit the rights and priorities of any Secured Party, Applicable Authorized Representative or Authorized Representative with respect to any Collateral not constituting Shared Collateral.

(b) Each of the Authorized Representatives agrees that it will not accept any Lien on any Collateral for the benefit of any Series of Obligations (other than funds deposited for the discharge or defeasance of any Additional Agreement) other than pursuant to the Security Documents and pursuant to Sections 2.05(c) or (j), 2.11(d) or (e) or 2.22 of the Credit Agreement, and by executing this Agreement (or a Joinder Agreement), each Authorized Representative and the Series of Secured Parties for which it is acting hereunder agree to be bound by the provisions of this Agreement and the other Security Documents applicable to it.

(c) Each of the Secured Parties agrees that it will not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the perfection, priority, validity, attachment or enforceability of a Lien held by or on behalf of any of the Secured Parties in all or any part of the Collateral, or the provisions of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any of the Applicable Authorized Representative or any Authorized Representative to enforce this Agreement.

SECTION 2.03 No Interference; Payment Over. (a) Each Secured Party agrees that (i) it will not challenge or question in any proceeding the validity or enforceability of any Obligations of any Series or any Security Document or the validity, attachment, perfection or priority of any Lien under any Security Document or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement; (ii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Shared Collateral by the Applicable Authorized Representative, (iii) except as provided in Section 2.02, it shall have no right to (A) direct the Applicable Authorized Representative or any other Secured Party to exercise, and shall not exercise, any right, remedy or power with respect to any Shared Collateral (including pursuant to any intercreditor agreement) or (B) consent to the exercise by the Applicable Authorized Representative or any other Secured Party of any right, remedy or power with respect to any Shared Collateral, (iv) it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against the Applicable Authorized Representative or any other Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Shared Collateral, and none of the Applicable Authorized Representative, any Applicable Authorized Representative or any other Secured Party shall be liable for any action taken or omitted to be taken by the Applicable Authorized Representative, such Applicable Authorized Representative or other Secured Party with respect to any Shared Collateral in accordance with the provisions of this Agreement, (v) it will not seek, and hereby waives any right, to have any Shared Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Collateral and (vi) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any of the Applicable Authorized Representative or any other Secured Party to enforce this Agreement.

(b) Each Secured Party hereby agrees that if it shall obtain possession of any Shared Collateral or shall realize any proceeds or payment in respect of any such Shared Collateral, pursuant to any Security Document or by the exercise of any rights available to it under applicable law or in any Insolvency or Liquidation Proceeding or through any other exercise of remedies (including pursuant to any intercreditor agreement), at any time prior to the Discharge of each of the Obligations, then it shall hold such Shared Collateral, proceeds or payment in trust for the other Secured Parties and promptly transfer such Shared Collateral, proceeds or payment, as the case may be, to the Applicable Authorized Representative, to be distributed in accordance with the provisions of Section 2.01 hereof.

SECTION 2.04 Automatic Release of Liens; Amendments to Security Documents (a) If, at any time the Applicable Authorized Representative forecloses upon or otherwise exercises remedies against any Shared Collateral, then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of the Applicable Authorized Representative for the benefit of each Series of Secured Parties upon such Shared Collateral will automatically be released and discharged; provided that any proceeds of any Shared Collateral realized therefrom shall be applied pursuant to Section 2.01 hereof.

(b) Each Secured Party agrees that the Applicable Authorized Representative may enter into any amendment (and, upon request by the Applicable Authorized Representative, each Authorized Representative shall sign a consent to such amendment) to any Security Document (including to release Liens securing any Series of Obligations), so long as the Applicable Authorized Representative receives a certificate of an authorized officer of the Borrower stating that such amendment is permitted by the terms of each then extant Secured Credit Document. Additionally, each Secured Party agrees that the Applicable Authorized Representative may enter into any amendment (and, upon request by the Applicable Authorized Representative, each Authorized Representative shall sign a consent to such amendment) to any Security Document solely as such Security Document relates to a particular Series of Obligations (including to release Liens securing any Series of Obligations) so long as (x) such amendment is in accordance with the Secured Credit Document pursuant to which such Series of Obligations was incurred and (y) such amendment does not adversely affect the Secured Parties of any other Series. In making the determinations required by this 2.04(b), the Applicable Authorized Representative may conclusively rely on a certificate of an authorized officer of the Borrower.

(c) Each Authorized Representative agrees to execute and deliver (at the sole cost and expense of the Pledgors) all such authorizations and other instruments as shall reasonably be requested by the Applicable Authorized Representative to evidence and confirm any release of Shared Collateral or amendment to any Security Document provided for in this Section.

SECTION 2.05 Certain Agreements with Respect to Bankruptcy or Insolvency Proceedings (a) This Agreement, which the parties acknowledge shall be a subordination agreement subject to Section 510 of the Bankruptcy Code, shall continue in full force and effect notwithstanding the commencement of any proceeding under the Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency, receivership or similar law by or against the Borrower or any of its subsidiaries.

(b) If any Pledgor shall become subject to a case (a “Bankruptcy Case”) under the Bankruptcy Code, whether voluntary or involuntary, and shall, as debtor(s)-in-possession, move for approval of financing (“DIP Financing”) to be provided by one or more lenders (the “DIP Lenders”) under Section 364 of the Bankruptcy Code or the use of cash collateral under Section 363 of the Bankruptcy Code, each Secured Party agrees that it will raise no objection to any such financing or to the Liens on the Shared Collateral securing the same (“DIP Financing Liens”) or to any use of cash collateral that constitutes Shared Collateral, unless any Controlling Secured Party, or an Authorized Representative of any Controlling Secured Party, shall then oppose or object to such DIP Financing or such DIP Financing Liens or use of cash collateral (and (i) to the extent that such DIP Financing Liens are senior to the Liens on any such Shared Collateral for the benefit of the Controlling Secured Parties, each Non-Controlling Secured Party will subordinate its Liens with respect to such Shared Collateral on the same terms as the Liens of the Controlling Secured Parties (other than any Liens of any Secured Parties constituting DIP Financing Liens) are subordinated thereto, and (ii) to the extent that such DIP Financing Liens rank pari passu with the Liens on any such Shared Collateral granted to secure the Obligations of the Controlling Secured Parties, each Non-Controlling Secured Party will confirm the priorities with respect to such Shared Collateral as set forth herein), in each case so long as (A) the Secured Parties of each Series retain the benefit of their Liens on all such Shared Collateral pledged to the DIP Lenders, including proceeds thereof arising after the commencement of such proceeding, with the same priority vis-à-vis all the other Secured Parties (other than any Liens of the Secured Parties constituting DIP Financing Liens) as existed prior to the commencement of the Bankruptcy Case, (B) the Secured Parties of each Series are granted Liens on any additional collateral pledged to any Secured Parties as adequate protection or otherwise in connection with such DIP Financing or use of cash collateral, with the same priority vis-à-vis the Secured Parties as set forth in this Agreement, (C) if any amount of such DIP Financing or cash collateral is applied to repay any of the Obligations, such amount is applied pursuant to Section 2.01 of this Agreement, and (D) if any Secured Parties are granted adequate protection, including in the form of periodic payments, in connection with such DIP Financing or use of cash collateral, the proceeds of such adequate protection is applied pursuant to Section 2.01 of this Agreement; provided that the Secured Parties of each Series shall have a right to object to the grant of a Lien to secure the DIP Financing over any Collateral subject to Liens in favor of the Secured Parties of such Series or its Authorized Representative that shall not constitute Shared Collateral; and provided further, that the Secured Parties receiving adequate protection shall not object to any other Secured Party receiving adequate protection comparable to any adequate protection granted to such Secured Parties in connection with a DIP Financing or use of cash collateral.

SECTION 2.06 Reinstatement. In the event that any of the Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement of a preference under Title 11 of the United States Code, or any similar law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Article II shall be fully applicable thereto until all such Obligations shall again have been paid in full in cash.

Pending delivery to the Applicable Authorized Representative, each other Authorized Representative agrees to hold any Shared Collateral constituting Possessory Collateral, from time to time in its possession, as gratuitous bailee for the benefit of each other Secured Party and any assignee, solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable Security Documents, in each case, subject to the terms and conditions of this Section 2.09. The Borrower shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Authorized Representative for loss or damage suffered by such Authorized Representative as a result of such transfer except for loss or damage suffered by such Authorized Representative as a result of its own willful misconduct, gross negligence or bad faith.

(b) The duties or responsibilities of the Applicable Authorized Representative and each other Authorized Representative under this Section 2.09 shall be limited solely to holding any Shared Collateral constituting Possessory Collateral as gratuitous bailee for the benefit of each other Secured Party for purposes of perfecting the Lien held by such Secured Parties therein.

The Applicable Authorized Representative and each Authorized Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Pledgor, any Secured Party or any other person as a result of such determination.

In this connection, the Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Applicable Authorized Representative pursuant to Section 4.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under any of the Security Documents, or for exercising any rights and remedies thereunder, shall be entitled to the benefits of all provisions of this Article IV and Section 10.05 of the Credit Agreement (as though such co-agents, sub-agents and attorneys-in-fact were the "Collateral Agent" under the Security Documents) as if set forth in full herein with respect thereto.

(b) Each Non-Controlling Secured Party acknowledges and agrees that the Applicable Authorized Representative shall be entitled, for the benefit of the Secured Parties, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in the Security Documents, without regard to any rights to which the holders of the Non-Controlling Secured Obligations would otherwise be entitled as a result of such Non-Controlling Secured Obligations. Without limiting the foregoing, each Non-Controlling Secured Party agrees that none of the Applicable Authorized Representative or any other Secured Party shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any Obligations), in any manner that would maximize the return to the Non-Controlling Secured Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Non-Controlling Secured Parties from such realization, sale, disposition or liquidation. Each of the Secured Parties waives any claim it may now or hereafter have against the Applicable Authorized Representative or the Authorized Representative of any other Series of Obligations or any other Secured Party of any other Series arising out of (i) any actions which the Applicable Authorized Representative, any Authorized Representative or any Secured Party takes or omits to take (including, actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the Obligations from any account debtor, guarantor or any other party) in accordance with the Security Documents or any other agreement related thereto or to the collection of the Obligations or the valuation, use, protection or release of any security for the Obligations, (ii) any election by any Applicable Authorized Representative or any holders of Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (iii) subject to Section 2.05, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code by, the Borrower or any of its subsidiaries, as debtor-in-possession.

Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any subsidiary or other Affiliate thereof as if such Person were not the Applicable Authorized Representative hereunder and without any duty to account therefor to any other Secured Party.

SECTION 4.03 Exculpatory Provisions. (a) The Applicable Authorized Representative shall not have any duties or obligations except those expressly set forth herein and in the other Security Documents. Without limiting the generality of the foregoing, the Applicable Authorized Representative:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Security Documents that the Applicable Authorized Representative is required to exercise; provided that the Applicable Authorized Representative shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Applicable Authorized Representative to liability or that is contrary to any Security Document or applicable law;

SECTION 2. Lien Priorities.

2.1 Subordination of Liens. Notwithstanding (i) the date, time, method, manner or order of filing or recordation of any document or instrument or grant, attachment or perfection (including any defect or deficiency or alleged defect or deficiency in any of the foregoing) of any Liens granted to the Second Priority Secured Parties on the Common Collateral or of any Liens granted to the Senior Secured Parties on the Common Collateral, (ii) any provision of the UCC, any Bankruptcy Law, or any applicable law or the Second Priority Documents or the Senior Lender Documents, (iii) whether any First Lien Agent, either directly or through agents, holds possession of, or has control over, all or any part of the Common Collateral, (iv) the fact that any such Liens may be subordinated, voided, avoided, invalidated or lapsed or (v) any other circumstance of any kind or nature whatsoever, each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, hereby agrees that: (a) any Lien on the Common Collateral securing any Senior Lender Claims now or hereafter held by or on behalf of any First Lien Agent or any other Senior Secured Party or any agent or trustee therefor regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall have priority over and be senior in all respects and prior to any Lien on the Common Collateral securing any Second Priority Claims now or hereafter held by or on behalf of any Second Priority Agent or any Second Priority Secured Parties or any agent or trustee therefor regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise and (b) any Lien on the Common Collateral securing any Second Priority Claims now or hereafter held by or on behalf of any Second Priority Secured Parties or any agent or trustee therefor regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall be junior and subordinate in all respects to all Liens on the Common Collateral securing any Senior Lender Claims now or hereafter held by or on behalf of any First Lien Agent or any other Senior Secured Party or any agent or trustee therefor regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise. All Liens on the Common Collateral securing any Senior Lender Claims shall be and remain senior in all respects and prior to all Liens on the Common Collateral securing any Second Priority Claims for all purposes, whether or not such Liens securing any Senior Lender Claims are subordinated to any Lien securing any other obligation of a Borrower, any other Pledgor or any other Person.

2.2 Prohibition on Contesting Liens. Each Second Priority Agent, for itself and on behalf of each applicable Second Priority Secured Party, and each First Lien Agent, for itself and on behalf of each applicable Senior Secured Party in respect of which it serves as First Lien Agent, agrees that it shall not (and hereby waives any right to) take any action to challenge, contest or support any other Person in contesting or challenging, directly or indirectly, in any proceeding (including any Insolvency or Liquidation Proceeding), the validity, perfection, priority or enforceability of (a) any Lien securing any Senior Lender Claims held (or purported to be held) by or on behalf of any First Lien Agent or any of the Senior Secured Parties or any agent or trustee therefor in any Senior Lender Collateral or (b) a Lien securing any Second Priority Claims held (or purported to be held) by or on behalf of any Second Priority Secured Party in the Common Collateral, as the case may be; provided, however, that nothing in this Agreement shall be construed to prevent or impair the rights of any First Lien Agent or any Senior Lender to enforce this Agreement (including the priority of the Liens securing the Senior Lender Claims as provided in Section 2.1) or any of the Senior Lender Documents.

2.3 No New Liens. So long as the Discharge of Senior Lender Claims has not occurred and subject to Section 6, each Second Priority Agent agrees, for itself and on behalf of each applicable Second Priority Secured Party, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against a Borrower or any other Pledgor, that it shall not acquire or hold any Lien on any assets of a Borrower or any other Pledgor securing any Second Priority Claims that are not also subject to the first-priority Lien in respect of the Senior Lender Claims under the Senior Lender Documents. If any Second Priority Agent or any Second Priority Secured Party shall (nonetheless and in breach hereof) acquire or hold any Lien on any collateral that is not also subject to the first-priority Lien in respect of the Senior Lender Claims under the Senior Lender Documents, then such Second Priority Agent shall, without the need for any further consent of any party and notwithstanding anything to the contrary in any other document, be deemed to also hold and have held such lien for the benefit of the First Lien Agents as security for the Senior Lender Claims (subject to the lien priority and other terms hereof) and shall promptly notify each First Lien Agent in writing of the existence of such Lien and in any event take such actions as may be requested by any First Lien Agent to assign or release such Liens to the First Lien Agents (and/or each of its designee) as security for the applicable Senior Lender Claims.

2.4 Perfection of Liens. Neither the First Lien Agents nor the Senior Secured Parties shall be responsible for perfecting and maintaining the perfection of Liens with respect to the Common Collateral for the benefit of the Second Priority Agents or the other Second Priority Secured Parties. The provisions of this Agreement are intended solely to govern the respective Lien priorities as between the Senior Secured Parties and the Second Priority Secured Parties and shall not impose on the First Lien Agents, the Second Priority Agents, the Second Priority Secured Parties or the Senior Secured Parties or any agent or trustee therefor any obligations in respect of the disposition of proceeds of any Common Collateral which would conflict with prior perfected claims therein in favor of any other Person or any order or decree of any court or governmental authority or any applicable law.

2.5 Waiver of Marshalling. Until the Discharge of Senior Lender Claims, each Second Priority Agent, on behalf of itself and the applicable Second Priority Secured Parties, agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of, any marshalling, appraisal, valuation or other similar right that may otherwise be available under applicable law with respect to the Common Collateral or any other similar rights a junior secured creditor may have under applicable law.

2.6 Nature of First Priority Obligations. Each of the Second Priority Agents for itself and on behalf of the other applicable Second Priority Secured Parties acknowledges that a portion of the Senior Lender Claims represents debt that is revolving in nature and that the amount thereof that may be outstanding at any time or from time to time may be increased or reduced and subsequently reborrowed, and that the terms of the Senior Lender Claims may be modified, extended or amended from time to time, and that the aggregate amount of the Senior Lender Claims may be increased, replaced or Refinanced, in each event, without notice to or consent by the Second Priority Secured Parties and without affecting the provisions hereof. The lien priorities provided in Section 2.1 shall not be altered or otherwise affected by any such amendment, modification, supplement, extension, repayment, reborrowing, increase, replacement, renewal, restatement or Refinancing of the Senior Lender Claims, or any portion thereof, or by any amendment, modification, supplement, extension, repayment, reborrowing, increase, replacement, renewal, restatement or Refinancing of the Second Priority Claims, or any portion thereof.

SECTION 3. Enforcement.

3.1 Exercise of Remedies.

(a) So long as the Discharge of Senior Lender Claims has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against a Borrower or any other Pledgor, (i) no Second Priority Agent or any Second Priority Secured Party will (x) exercise or seek to exercise any rights or remedies (including setoff or recoupment) with respect to any Common Collateral or any other security in respect of any applicable Second Priority Claims, or exercise any right under any lockbox agreement, control agreement, landlord waiver or bailee's letter or similar agreement or arrangement, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), (y) contest, protest or object to any foreclosure proceeding or action brought with respect to the Common Collateral or any other collateral by any First Lien Agent or any Senior Lender in respect of the Senior Lender Claims, the exercise of any right by any First Lien Agent or any Senior Lender (or any agent or sub-agent on their behalf) in respect of the Senior Lender Claims under any lockbox agreement, control agreement, landlord waiver or bailee's letter or similar agreement or arrangement to which any Second Priority Agent or any Second Priority Secured Party either is a party or may have rights as a third party beneficiary, or any other exercise by any such party, of any rights and remedies relating to the Common Collateral or any other collateral under the Senior Lender Documents or otherwise in respect of Senior Lender Claims, or (z) object to the forbearance by the Senior Secured Parties from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Common Collateral or any other collateral in respect of Senior Lender Claims and (ii) except as otherwise provided herein, each First Lien Agent and the Senior Secured Parties shall have the exclusive right to enforce rights, exercise remedies (including setoff and the right to credit bid their debt) and make determinations regarding the release, disposition or restrictions with respect to the Common Collateral without any consultation with or the consent of any Second Priority Agent or any Second Priority Secured Party; provided, however, that (A) in any Insolvency or Liquidation Proceeding commenced by or against a Borrower or any other Pledgor, each Second Priority Agent may file a proof of claim or statement of interest with respect to the applicable Second Priority Claims, (B) each Second Priority Agent may take any action (not adverse to the prior Liens on the Common Collateral securing the Senior Lender Claims, or the rights of either First Lien Agent or the Senior Secured Parties to exercise remedies in respect thereof) in order to create, prove, perfect, preserve or protect (but not enforce) its rights in, and perfection and priority of its Lien on, the Common Collateral, (C) in any Insolvency or Liquidation Proceeding commenced by or against a Borrower or any other Pledgor, each Second Priority Agent may file any necessary or responsive pleadings in opposition to any motion, adversary proceeding or other pleading filed by any Person objecting to or otherwise seeking disallowance of the claim or Lien of such Second Priority Agent or Second Priority Secured Party, (D) each Second Priority Agent may file any pleadings, objections, motions, or agreements which assert rights available to unsecured creditors of a Borrower or any other Pledgor arising under any Insolvency or Liquidation Proceeding or applicable non-bankruptcy law and (E) each Second Priority Agent and each Second Priority Secured Party may vote on any plan of reorganization in any Insolvency or Liquidation Proceeding of a Borrower or any other Pledgor, in each case (A) through (E) above to the extent such action is not inconsistent with, or could not result in a resolution inconsistent with, the terms of this Agreement.

(b) In exercising rights and remedies with respect to the Senior Lender Collateral, each First Lien Agent and the Senior Secured Parties may enforce the provisions of the Senior Lender Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Common Collateral or other collateral upon foreclosure, to incur expenses in connection with such sale or disposition, and to exercise all the rights and remedies of a secured lender under the uniform commercial code of any applicable jurisdiction and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(c) So long as the Discharge of Senior Lender Claims has not occurred, each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, agrees that it will not take or receive any Common Collateral or other collateral or any proceeds of Common Collateral or other collateral in connection with the exercise of any right or remedy (including setoff or recoupment) with respect to any Common Collateral or other collateral in respect of the applicable Second Priority Claims. Without limiting the generality of the foregoing, unless and until the Discharge of Senior Lender Claims has occurred, except as expressly provided in the proviso in clause (ii) of Section 3.1(a), the sole right of the Second Priority Agents and the Second Priority Secured Parties with respect to the Common Collateral or any other collateral is to hold a Lien on the Common Collateral or such other collateral in respect of the applicable Second Priority Claims pursuant to the Second Priority Documents, as applicable, for the period and to the extent granted therein and to receive a share of the proceeds thereof, if any, after the Discharge of Senior Lender Claims has occurred.

(d) Subject to the proviso in clause (ii) of Section 3.1(a) above, (i) each Second Priority Agent, for itself and on behalf of each applicable Second Priority Secured Party, agrees that no Second Priority Agent or any Second Priority Secured Party will take any action that would hinder any exercise of remedies undertaken by any First Lien Agent or Senior Secured Parties with respect to the Common Collateral or any other collateral under the Senior Lender Documents, including any sale, lease, exchange, transfer or other disposition of the Common Collateral or such other collateral, whether by foreclosure or otherwise, and (ii) each Second Priority Agent, for itself and on behalf of each applicable Second Priority Secured Party, hereby waives any and all rights it or any Second Priority Secured Party may have as a junior lien creditor or otherwise to object to the manner in which any First Lien Agent or Senior Secured Parties seek to enforce or collect the Senior Lender Claims or the Liens granted in any of the Senior Lender Collateral, regardless of whether any action or failure to act by or on behalf of any First Lien Agent or Senior Secured Parties is adverse to the interests of the Second Priority Secured Parties.

(e) Each Second Priority Agent hereby acknowledges and agrees that no covenant, agreement or restriction contained in any applicable Second Priority Document shall be deemed to restrict in any way the rights and remedies of any First Lien Agent or Senior Secured Parties with respect to the Senior Lender Collateral as set forth in this Agreement and the Senior Lender Documents.

(f) Until the Discharge of Senior Lender Claims, the First Priority Designated Agent shall have the exclusive right to exercise any right or remedy with respect to the Common Collateral and shall have the exclusive right to determine and direct the time, method and place for exercising such right or remedy or conducting any proceeding with respect thereto.

3.2 Cooperation. Subject to the proviso in clause (ii) of Section 3.1(a), each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, agrees that, unless and until the Discharge of Senior Lender Claims has occurred, it will not commence, or join with any Person (other than the Senior Secured Parties and any First Lien Agent upon the request of the First Lien Designated Agent) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Common Collateral or any other collateral under any of the applicable Second Priority Documents or otherwise in respect of the applicable Second Priority Claims.

3.3 Actions Upon Breach. If any Second Priority Secured Party, in contravention of the terms of this Agreement, in any way takes, attempts to or threatens to take any action with respect to the Common Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement) or fails to take any action required by this Agreement, this Agreement shall create an irrebuttable presumption and admission by such Second Priority Secured Party that relief against such Second Priority Secured Party by injunction, specific performance and/or other appropriate equitable relief is necessary to prevent irreparable harm to the Senior Secured Parties, it being understood and agreed by each Second Priority Agent on behalf of each applicable Second Priority Secured Party that (i) the Senior Secured Parties' damages from its actions may at that time be difficult to ascertain and may be irreparable, and (ii) each Second Priority Secured Party waives any defense that the Pledgors and/or the Senior Secured Parties cannot demonstrate damage and/or can be made whole by the awarding of damages.

SECTION 4. Payments.

4.1 Application of Proceeds. So long as the Discharge of Senior Lender Claims has not occurred, the Common Collateral and any other collateral in respect of the Second Priority Claims or proceeds thereof received in connection with the sale or other disposition of, or collection on, such Common Collateral or other collateral upon the exercise of remedies as a secured party, shall be applied by the First Lien Agents to the Senior Lender Claims in such order as specified in the relevant Senior Lender Documents until the Discharge of Senior Lender Claims has occurred. Upon the Discharge of Senior Lender Claims, subject to Section 5.7 hereof, each of the First Lien Agents shall deliver promptly to the Second Priority Designated Agent any Common Collateral or proceeds thereof held by it in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct to be applied by the Second Priority Designated Agent ratably to the Second Priority Claims in such order as specified in the Second Priority Documents.

4.2 Payments Over. Any Common Collateral or other collateral in respect of the Second Priority Claims or proceeds thereof received by any Second Priority Agent or any Second Priority Secured Party in connection with the exercise of any right or remedy (including setoff or recoupment) relating to the Common Collateral or such other collateral prior to the Discharge of Senior Lender Claims shall be segregated and held for the benefit of and forthwith paid over to the First Priority Designated Agent (and/or its designees) for the benefit of the Senior Secured Parties in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct. The First Lien Agents are each hereby individually authorized to make any such endorsements as agent for any Second Priority Agent or any such Second Priority Secured Party. This authorization is coupled with an interest and is irrevocable.

SECTION 5. Other Agreements.

5.1 Releases.

(a) If, at any time any Pledgor or the holder of any Senior Lender Claim delivers notice to each Second Priority Agent that any specified Common Collateral (including all or substantially all of the equity interests of a Pledgor or any of its Subsidiaries) (including for such purpose, in the case of the sale of equity interests in any Subsidiary, any Common Collateral held by such Subsidiary or any direct or indirect Subsidiary thereof) is:

(A) sold, transferred or otherwise disposed of:

(i) by the owner of such Common Collateral in a transaction permitted under the Credit Agreement, the Other First Priority Lien Obligations Credit Documents, the Second Priority Senior Secured Notes Indenture and each other Senior Lender Document and Second Priority Document (if any); or

(ii) during the existence of any Event of Default under (and as defined in) the Credit Agreement or the Other First Priority Lien Obligations Credit Documents to the extent that any of the First Lien Agents has consented to such sale, transfer or disposition; or

(B) otherwise released as permitted by the Credit Agreement and the Other First Priority Lien Obligations Credit Documents,

then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of the Second Priority Secured Parties upon such Common Collateral will automatically be released and discharged as and when, but only to the extent, such Liens on such Common Collateral securing Senior Lender Claims are released and discharged. Upon delivery to each Second Priority Agent of a notice from any First Lien Agent stating that any release of Liens securing or supporting the Senior Lender Claims has become effective (or shall become effective upon each Second Priority Agent's release) (whether in connection with a sale of such assets by the relevant Pledgor pursuant to the preceding sentence or otherwise), each Second Priority Agent will promptly execute and deliver such instruments, releases, termination statements or other documents confirming such release on customary terms.

(b) Each Second Priority Agent, for itself and on behalf of each applicable Second Priority Secured Party, hereby irrevocably constitutes and appoints each First Lien Agent and any officer or agent of such First Lien Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of each Second Priority Agent or such holder or in such First Lien Agent's own name, from time to time in such First Lien Agent's discretion, for the purpose of carrying out the terms of this Section 5.1, to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of this Section 5.1, including any termination statements, endorsements or other instruments of transfer or release.

(c) Unless and until the Discharge of Senior Lender Claims has occurred, each Second Priority Agent, for itself and on behalf of each applicable Second Priority Secured Party, hereby consents to the application, whether prior to or after a default, of proceeds of Common Collateral or other collateral to the repayment of Senior Lender Claims pursuant to the Senior Lender Documents; provided that nothing in this Section 5.1(c) shall be construed to prevent or impair the rights of the Second Priority Agents or the Second Priority Secured Parties to receive proceeds in connection with the Second Priority Claims not otherwise in contravention of this Agreement.

5.2 Insurance. Unless and until the Discharge of Senior Lender Claims has occurred, each First Lien Agent and the Senior Secured Parties shall have the sole and exclusive right, subject to the rights of the Pledgors under the Senior Lender Documents, to adjust settlement for any insurance policy covering the Common Collateral or any other collateral in respect of the Second Priority Claims in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Common Collateral or such other collateral. Unless and until the Discharge of Senior Lender Claims has occurred, all proceeds of any such policy and any such award if in respect of the Common Collateral or such other collateral shall be paid (a) first, prior to the occurrence of the Discharge of Senior Lender Claims, to the First Lien Agents for the benefit of Senior Secured Parties pursuant to the terms of the Senior Lender Documents, (b) second, after the occurrence of the Discharge of Senior Lender Claims, to the Second Priority Agents for the benefit of the Second Priority Secured Parties pursuant to the terms of the applicable Second Priority Documents and (c) third, if no Second Priority Claims are outstanding, to the owner of the subject property, such other person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct. If any Second Priority Agent or any Second Priority Secured Party shall, at any time, receive any proceeds of any such insurance policy or any such award in contravention of this Agreement, it shall pay such proceeds over to any First Lien Agent in accordance with the terms of Section 4.2.

5.3 Amendments to Second Priority Collateral Documents

(a) So long as the Discharge of Senior Lender Claims has not occurred, without the prior written consent of the First Lien Agents, no Second Priority Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Second Priority Collateral Document, would be prohibited by or inconsistent with any of the terms of this Agreement. Each Second Priority Agent agrees that each applicable Second Priority Collateral Document shall contain the applicable provisions set forth on Annex I hereto (or similar provisions approved by the First Lien Agents).

(b) In the event that the First Lien Agents or the Senior Secured Parties enter into any amendment, waiver or consent in respect of or replace any Senior Collateral Document for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any Senior Collateral Document or changing in any manner the rights of the First Lien Agents, the Senior Secured Parties, a Borrower or any other Pledgor thereunder (including the release of any Liens in Senior Lender Collateral), then such amendment, waiver or consent shall apply automatically to any comparable provision of each Comparable Second Priority Collateral Document without the consent of any Second Priority Agent, a Borrower, any other Pledgor or any Second Priority Secured Party and without any action by any Second Priority Agent, a Borrower, any other Pledgor or any Second Priority Secured Party; provided, that such amendment, waiver or consent does not materially adversely affect the rights of a Borrower, any other Pledgor or the Second Priority Secured Parties or the interests of the Second Priority Secured Parties in the Second Priority Collateral and not the other creditors of such Borrower or such Pledgor, as the case may be, that have a security interest in the affected collateral in a like or similar manner (without regard to the fact that the Lien of such Senior Collateral Document is senior to the Lien of the Comparable Second Priority Collateral Document). The relevant First Lien Agent shall give written notice of such amendment, waiver or consent to each Second Priority Agent; provided that the failure to give such notice shall not affect the effectiveness of such amendment, waiver or consent with respect to the provisions of any Second Priority Collateral Document as set forth in this Section 5.3(b).

(c) Anything contained herein to the contrary notwithstanding, until the Discharge of Senior Lender Claims has occurred, no Second Priority Collateral Document shall be entered into unless the collateral covered thereby is also subject to a perfected first-priority interest in favor of the First Lien Agents for the benefit of the Senior Secured Parties pursuant to the Senior Collateral Documents.

5.4 Rights As Unsecured Creditors. Notwithstanding anything to the contrary in this Agreement, the Second Priority Agents and the Second Priority Secured Parties may exercise rights and remedies as an unsecured creditor against a Borrower or any Pledgor in accordance with the terms of the applicable Second Priority Documents and applicable law, in each case to the extent not inconsistent with the provisions of this Agreement. Nothing in this Agreement shall prohibit the receipt by any Second Priority Agent or any Second Priority Secured Party of the required payments of interest and principal so long as such receipt is not the direct or indirect result of (a) the exercise by any Second Priority Agent or any Second Priority Secured Party of rights or remedies as a secured creditor in respect of Common Collateral or other collateral or (b) enforcement in contravention of this Agreement of any Lien in respect of Second Priority Claims held by any of them. In the event any Second Priority Agent or any Second Priority Secured Party becomes a judgment lien creditor or other secured creditor in respect of Common Collateral or other collateral as a result of its enforcement of its rights as an unsecured creditor in respect of Second Priority Claims or otherwise, such judgment or other lien shall be subordinated to the Liens securing Senior Lender Claims on the same basis as the other Liens securing the Second Priority Claims are so subordinated to such Liens securing Senior Lender Claims under this Agreement. Nothing in this Agreement impairs or otherwise adversely affects any rights or remedies the First Lien Agents or the Senior Secured Parties may have with respect to the Senior Lender Collateral.

5.5 First Lien Agents as Gratuitous Bailees for Perfection.

(a) Each First Lien Agent agrees to hold the Pledged Collateral that is part of the Common Collateral that is in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for each Second Priority Agent and any assignee solely for the purpose of perfecting the security interest granted in such Pledged Collateral pursuant to the Second Priority Collateral Agreements, subject to the terms and conditions of this Section 5.5 (such bailment being intended, among other things, to satisfy the requirements of Sections 8-106(d)(3), 8-301(a)(2) and 9-313(c) of the UCC).

(c) Except as otherwise specifically provided herein (including Sections 3.1 and 4.1), until the Discharge of Senior Lender Claims has occurred, any First Lien Agent shall be entitled to deal with the Pledged Collateral in accordance with the terms of the Senior Lender Documents as if the Liens under the Second Priority Collateral Documents did not exist. The rights of the Second Priority Agents and the Second Priority Secured Parties with respect to such Pledged Collateral shall at all times be subject to the terms of this Agreement.

(d) The First Lien Agents shall have no obligation whatsoever to any Second Priority Agent or any Second Priority Secured Party to assure that the Pledged Collateral is genuine or owned by the Pledgors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Common Collateral except as expressly set forth in this Section 5.5. The duties or responsibilities of the First Lien Agents under this Section 5.5 shall be limited solely to holding the Pledged Collateral as gratuitous bailee for each Second Priority Agent for purposes of perfecting the Lien held by the Second Priority Secured Parties.

(e) The First Lien Agents shall not have by reason of the Second Priority Collateral Documents or this Agreement or any other document a fiduciary relationship in respect of any Second Priority Agent or any Second Priority Secured Party and the Second Priority Agents and the Second Priority Secured Parties hereby waive and release the First Lien Agents from all claims and liabilities arising pursuant to the First Lien Agents' role under this Section 5.5, as agent and gratuitous bailee with respect to the Common Collateral.

(f) Upon the Discharge of Senior Lender Claims, the relevant First Lien Agent shall deliver to the Second Priority Designated Agent, to the extent that it is legally permitted to do so, the remaining Pledged Collateral (if any) and to the extent such Pledged Collateral is in the possession or control of such First Lien Agent (or its agents or bailees) together with any necessary endorsements (or otherwise allow the Second Priority Designated Agent to obtain control of such Pledged Collateral) or as a court of competent jurisdiction may otherwise direct.

(g) Neither the First Lien Agents nor the Senior Secured Parties shall be required to marshal any present or future collateral security for the Borrower's or their Subsidiaries' obligations to the First Lien Agents or the Senior Secured Parties under the Credit Agreement or the Senior Collateral Documents or any assurance of payment in respect thereof or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

5.6 Second Priority Designated Agent as Gratuitous Bailee for Perfection

(a) Upon the Discharge of Senior Lender Claims, the Second Priority Designated Agent agrees to hold the Pledged Collateral that is part of the Common Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for the other Second Priority Agents and any assignee solely for the purpose of perfecting the security interest granted in such Pledged Collateral pursuant to the applicable Second Priority Collateral Agreement, subject to the terms and conditions of this Section 5.6.

(b) In the event that the Second Priority Designated Agent (or its agent or bailees) has Lien filings against Intellectual Property (as defined in the Senior Collateral Agreement) that is part of the Common Collateral that are necessary for the perfection of Liens in such Common Collateral, upon the Discharge of Senior Lender Claims, the Second Priority Designated Agent agrees to hold such Liens as gratuitous bailee for the other Second Priority Agents and any assignee solely for the purpose of perfecting the security interest granted in such Liens pursuant to the applicable Second Priority Collateral Agreement, subject to the terms and conditions of this Section 5.6.

(c) The Second Priority Designated Agent, in its capacity as gratuitous bailee, shall have no obligation whatsoever to the other Second Priority Agents or the First Lien Agent to assure that the Pledged Collateral is genuine or owned by the Pledgors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Common Collateral except as expressly set forth in this Section 5.6. The duties or responsibilities of the Second Priority Designated Agent under this Section 5.6 upon the Discharge of Senior Lender Claims shall be limited solely to holding the Pledged Collateral as gratuitous bailee for the other Second Priority Agents for purposes of perfecting the Lien held by the applicable Second Priority Secured Parties.

(d) The Second Priority Designated Agent shall not have by reason of the Second Priority Collateral Documents or this Agreement or any other document a fiduciary relationship in respect of the other Second Priority Agents (or the Second Priority Secured Parties for which such other Second Priority Agents are agents) and the other Second Priority Agents hereby waive and release the Second Priority Designated Agent from all claims and liabilities arising pursuant to the Second Priority Designated Agent's role under this Section 5.6, as agent and gratuitous bailee with respect to the Common Collateral.

(e) In the event that the Second Priority Designated Agent shall cease to be so designated the Second Priority Designated Agent pursuant to the definition of such term, the then Second Priority Designated Agent shall deliver to the successor Second Priority Designated Agent, to the extent that it is legally permitted to do so, the remaining Pledged Collateral (if any), together with any necessary endorsements (or otherwise allow the successor Second Priority Designated Agent to obtain control of such Pledged Collateral) or as a court of competent jurisdiction may otherwise direct, and such successor Second Priority Designated Agent shall perform all duties of the Second Priority Designated Agent as set forth herein.

5.7 Release Upon Discharge of Senior Lender Claims; No Release If Event of Default; Reinstatement

(a) Except as otherwise provided in clause (b) of this Section 5.7, upon the Discharge of Senior Lender Claims and the concurrent release of the Liens securing Senior Lender Claims, the Liens in favor of the Second Priority Secured Parties shall automatically be released and discharged.

(b) Notwithstanding any other provisions contained in this Agreement, if an Event of Default (as defined in the Second Priority Senior Secured Notes Indenture or any other Second Priority Document, as applicable) exists on the date of Discharge of Senior Lender Claims, the Second Priority Liens on the Second Priority Collateral securing the Second Priority Claims relating to such Event of Default will not be released, except to the extent such Second Priority Collateral or any portion thereof was disposed of in order to repay Senior Lender Claims secured by such Second Priority Collateral, and thereafter the applicable Second Priority Agent will have the right to foreclose upon such Second Priority Collateral (but in such event, the Liens on such Second Priority Collateral securing the applicable Second Priority Claims will be released when such Event of Default and all other Events of Default under the Second Priority Senior Secured Notes Indenture or any other Second Priority Document, as applicable, cease to exist).

(c) If, at any time after the Discharge of Senior Lender Claims has occurred, the Borrower incurs and designates any Senior Lender Claims, then such Discharge of Senior Lender Claims shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of Senior Lender Claims), and the applicable agreement governing such Senior Lender Claims shall automatically be treated as the Credit Agreement for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Common Collateral set forth herein and the granting by the First Lien Agents of amendments, waivers and consents hereunder. Upon receipt of notice of such designation (including the identity of any new First Lien Agent), each Second Priority Agent shall promptly (i) enter into such documents and agreements, including amendments or supplements to this Agreement, as such new First Lien Agent shall reasonably request in writing in order to provide the new First Lien Agent the rights of the First Lien Agents contemplated hereby and (ii) to the extent then held by any Second Priority Agent, deliver to such First Lien Agent the Pledged Collateral that is Common Collateral together with any necessary endorsements (or otherwise allow such First Lien Agent to obtain possession or control of such Pledged Collateral).

SECTION 6. Insolvency or Liquidation Proceedings.

6.1 Financing Issues. If a Borrower or any other Pledgor shall be subject to any Insolvency or Liquidation Proceeding and any First Lien Agent shall desire to permit the use of cash collateral or to permit a Borrower or any other Pledgor to obtain financing under Section 363 or Section 364 of Title 11 of the United States Code or any similar provision in any Bankruptcy Law ("DIP Financing"), then each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, agrees that it will raise no objection to, and will not encourage or support any objection to, and will not otherwise contest (a) such use of cash collateral or DIP Financing and will not request adequate protection or any other relief in connection therewith (except to the extent permitted by Section 6.3) and, to the extent the Liens securing the Senior Lender Claims under the Senior Lender Documents are subordinated or pari passu with such DIP Financing, will subordinate its Liens in the Common Collateral and any other collateral to such DIP Financing (and all Obligations relating thereto) on the same basis as the other Liens securing the Second Priority Claims are so subordinated to Liens securing Senior Lender Claims under this Agreement, (b) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of Senior Lender Claims made by any First Lien Agent or any holder of Senior Lender Claims, (c) any lawful exercise by any holder of Senior Lender Claims of the right to credit bid, under Section 63(k) of the Bankruptcy Code, Senior Lender Claims at any sale in foreclosure of Senior Lender Collateral, (d) any other request for judicial relief made in any court by any holder of Senior Lender Claims relating to the lawful enforcement of any Lien on Senior Lender Collateral or (e) any order under Section 363(b) and (f) of the Bankruptcy Code relating to a sale of assets of any Pledgor for which any First Lien Agent has consented that provides, to the extent the sale is to be free and clear of Liens, that the Liens securing the Senior Lender Claims and the Second Priority Claims will attach to the proceeds of the sale on the same basis of priority as the Liens securing the Senior Lender Collateral do to the Liens securing the Second Priority Collateral in accordance with this Agreement.

6.2 Relief from the Automatic Stay. Until the Discharge of Senior Lender Claims has occurred, each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, agrees that none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding in respect of the Common Collateral or any other collateral, without the prior written consent of all First Lien Agents and Required Lenders.

6.3 Adequate Protection. Each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, agrees that none of them shall contest (or support any other Person contesting) (a) any request by any First Lien Agent or Senior Secured Parties for adequate protection or (b) any objection by any First Lien Agent or Senior Secured Parties to any motion, relief, action or proceeding based on such First Lien Agent's or the Senior Secured Parties' claiming a lack of adequate protection. Notwithstanding the foregoing, in any Insolvency or Liquidation Proceeding, (i) if the Senior Secured Parties (or any subset thereof) are granted adequate protection in the form of additional collateral in connection with any DIP Financing or use of cash collateral under Section 363 or Section 364 of Title 11 of the United States Code or any similar Bankruptcy Law, then each Second Priority Agent, on behalf of itself and any applicable Second Priority Secured Party, (A) may seek or request adequate protection in the form of a replacement Lien on such additional collateral, which Lien is subordinated to the Liens securing the Senior Lender Claims and such DIP Financing (and all Obligations relating thereto) on the same basis as the other Liens securing the Second Priority Claims are so subordinated to the Liens securing Senior Lender Claims under this Agreement and (B) agrees that it will not seek or request, and will not accept, adequate protection in any other form, and (ii) in the event any Second Priority Agent, on behalf of itself or any applicable Second Priority Secured Party, seeks or requests adequate protection and such adequate protection is granted in the form of additional collateral, then such Second Priority Agent, on behalf of itself or each such Second Priority Secured Party, agrees that the First Lien Agents shall also be granted a senior Lien on such additional collateral as security for the applicable Senior Lender Claims and any such DIP Financing and that any Lien on such additional collateral securing the Second Priority Claims shall be subordinated to the Liens on such collateral securing the Senior Lender Claims and any such DIP Financing (and all Obligations relating thereto) and any other Liens granted to the Senior Secured Parties as adequate protection on the same basis as the other Liens securing the Second Priority Claims are so subordinated to such Liens securing Senior Lender Claims under this Agreement.

6.4 Avoidance Issues. If any Senior Lender is required in any Insolvency or Liquidation Proceeding or otherwise to turn over or otherwise pay to the estate of a Borrower or any other Pledgor (or any trustee, receiver or similar person therefor), because the payment of such amount was declared to be fraudulent or preferential in any respect or for any other reason, any amount (a "Recovery"), whether received as proceeds of security, enforcement of any right of setoff or otherwise, then as among the parties hereto the Senior Lender Claims shall be deemed to be reinstated to the extent of such Recovery and to be outstanding as if such payment had not occurred and the Senior Secured Parties shall be entitled to a Discharge of Senior Lender Claims with respect to all such recovered amounts and shall have all rights hereunder until such time. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto.

6.5 Application. This Agreement, which the parties acknowledge to be a subordination agreement subject to Section 510 of the Bankruptcy Code, shall be applicable prior to and after the commencement of any Insolvency or Liquidation Proceeding. All references herein to any Pledgor shall apply to any trustee for such Person and such Person as debtor in possession. The relative rights as to the Common Collateral and other collateral and proceeds thereof shall continue after the filing thereof on the same basis as prior to the date of the petition, subject to any court order approving the financing of, or use of cash collateral by, any Pledgor.

6.6 Waivers. Until the Discharge of Senior Lender Claims has occurred, each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, (a) will not assert or enforce any claim under Section 506(c) of the United States Bankruptcy Code senior to or on a parity with the Liens securing the Senior Lender Claims for costs or expenses of preserving or disposing of any Common Collateral or other collateral, and (b) waives any claim it may now or hereafter have arising out of the election by any Senior Lender of the application of Section 1111(b)(2) of the Bankruptcy Code.

6.7 Reorganization Securities. If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a plan of reorganization or similar dispositive restructuring plan, on account of both the Senior Lender Claims and the Second Priority Claims, then, to the extent the debt obligations distributed on account of the Senior Lender Claims and on account of the Second Priority Claims are secured by Liens upon the same assets or property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

SECTION 7. Reliance; Waivers; etc.

7.1 Reliance. The consent by the Senior Secured Parties to the execution and delivery of the Second Priority Documents to which the Senior Secured Parties have consented and all loans and other extensions of credit made or deemed made on and after date hereof by the Senior Secured Parties to the Borrower or any Subsidiary shall be deemed to have been given and made in reliance upon this Agreement. Each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, acknowledges that it and the applicable Second Priority Secured Parties is not entitled to rely on any credit decision or other decisions made by any First Lien Agent or any Senior Lender in taking or not taking any action under the applicable Second Priority Document or this Agreement.

7.2 No Warranties or Liability. Neither any First Lien Agent nor any Senior Lender shall have been deemed to have made any express or implied representation or warranty upon which the Second Priority Agent or the Second Priority Secured Parties may rely, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Senior Lender Documents, the ownership of any Common Collateral or the perfection or priority of any Liens thereon. The Senior Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Senior Lender Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the Senior Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that any Second Priority Agent or any of the Second Priority Secured Parties have in the Common Collateral or otherwise, except as otherwise provided in this Agreement. Neither any First Lien Agent nor any Senior Lender shall have any duty to any Second Priority Agent or any Second Priority Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreements with the Borrower or any Subsidiary thereof (including the Second Priority Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the First Lien Agents, the Senior Secured Parties, the Second Priority Agents and the Second Priority Secured Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectability of any of the Second Priority Claims, the Senior Lender Claims or any guarantee or security which may have been granted to any of them in connection therewith, (b) the Borrower's title to or right to transfer any of the Common Collateral or (c) any other matter except as expressly set forth in this Agreement.

7.3 Obligations Unconditional. All rights, interests, agreements and obligations of the First Lien Agents and the Senior Secured Parties, and the Second Priority Agents and the Second Priority Secured Parties, respectively, hereunder shall remain in full force and effect irrespective of:

- (a) any lack of validity or enforceability of any Senior Lender Documents or any Second Priority Documents;
- (b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Lender Claims or Second Priority Claims, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of the Credit Agreement or any other Senior Lender Document or of the terms of the Second Priority Senior Secured Notes Indenture or any other Second Priority Document;
- (c) any exchange of any security interest in any Common Collateral or any other collateral, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Lender Claims or Second Priority Claims or any guarantee thereof;
- (d) the commencement of any Insolvency or Liquidation Proceeding in respect of a Borrower or any other Pledgor; or
- (e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, a Borrower or any other Pledgor in respect of the Senior Lender Claims, or of any Second Priority Agent or any Second Priority Secured Party in respect of this Agreement.

SECTION 8. Representations and Warranties

8.1 Representations and Warranties of Each Party. Each party hereto represents and warrants to the other parties hereto as follows:

(a) Such party is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and has all requisite power and authority to execute and deliver this Agreement and perform its obligations hereunder.

(b) This Agreement has been duly executed and delivered by such party and constitutes a legal, valid and binding obligation of such party, enforceable in accordance with its terms.

SECTION 9. Miscellaneous.

9.1 Conflicts. Subject to Section 9.18, in the event of any conflict between the provisions of this Agreement and the provisions of any Senior Lender Document or any Second Priority Document, the provisions of this Agreement shall govern.

9.2 Continuing Nature of this Agreement; Severability. Subject to Section 6.4, this Agreement shall continue to be effective until the Discharge of Senior Lender Claims shall have occurred or such later time as all the Obligations in respect of the Second Priority Claims shall have been paid in full. This is a continuing agreement of lien subordination and the Senior Secured Parties may continue, at any time and without notice to each Second Priority Agent or any Second Priority Secured Party, to extend credit and other financial accommodations and lend monies to or for the benefit of a Borrower or any other Pledgor constituting Senior Lender Claims in reliance hereon. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

9.3 Amendments; Waivers. Subject to Section 9.20 hereof, no amendment, modification or waiver of any of the provisions of this Agreement by any Second Priority Agent or any First Lien Agent shall be deemed to be made unless the same shall be in writing signed on behalf of the party making the same or its authorized agent and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time. The Borrower and the Pledgors shall not have any right to consent to or approve any amendment, modification or waiver of any provision of this Agreement except to the extent their rights are adversely affected (in which case the Borrower shall have the right to consent to or approve any such amendment, modification or waiver). Upon the Borrower's request in connection with a designation of additional obligations as Other First Priority Lien Obligations or Future Second Lien Indebtedness, any First Lien Agent and/or any Second Priority Agent shall enter into such supplemental agreements (which may each take the form of an amendment, an amendment and restatement or a supplement of the foregoing Agreement) to facilitate the designation of such additional obligations as contemplated by Section 9.20 hereof as the Borrower may request; provided that the Borrower shall have delivered to each First Lien Agent and Second Priority Agent a certificate from an authorized officer of the Borrower confirming that such designation of additional obligations pursuant to Section 9.20 is permitted under each Senior Lien Document and each Second Priority Document and each First Lien Agent and Second Priority Agent may conclusively rely on such officer's certificate without any further inquiry.

9.4 Information Concerning Financial Condition of the Borrower and the Subsidiaries. Neither any First Lien Agent nor any Senior Lender shall have any obligation to any Second Priority Agent or any Second Priority Secured Party to keep the Second Priority Agent or any Second Priority Secured Party informed of, and the Second Priority Agents and the Second Priority Secured Parties shall not be entitled to rely on the First Lien Agents or the Senior Secured Parties with respect to, (a) the financial condition of the Borrower and its Subsidiaries and all endorsers, pledgors and/or guarantors of the Second Priority Claims or the Senior Lender Claims and (b) all other circumstances bearing upon the risk of nonpayment of the Second Priority Claims or the Senior Lender Claims. The First Lien Agents, the Senior Secured Parties, each Second Priority Agent and the Second Priority Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that any First Lien Agent, any Senior Lender, any Second Priority Agent or any Second Priority Secured Party, in its or their sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it or they shall be under no obligation (w) to make, and the First Lien Agents, the Senior Secured Parties, the Second Priority Agents and the Second Priority Secured Parties shall not make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (x) to provide any additional information or to provide any such information on any subsequent occasion, (y) to undertake any investigation or (z) to disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

9.5 Subrogation. Each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, hereby waives any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Senior Lender Claims has occurred.

9.6 Application of Payments. Except as otherwise provided herein, all payments received by the Senior Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the Senior Lender Claims as the Senior Secured Parties, in their sole discretion, deem appropriate, consistent with the terms of the Senior Lender Documents. Except as otherwise provided herein, each Second Priority Agent, on behalf of itself and each applicable Second Priority Secured Party, assents to any such extension or postponement of the time of payment of the Senior Lender Claims or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the Senior Lender Claims and to the addition or release of any other Person primarily or secondarily liable therefor.

9.7 Consent to Jurisdiction; Waivers. The parties hereto consent to the nonexclusive jurisdiction of any state or federal court located in New York County, New York (the "New York Courts"), and consent that all service of process may be made by registered mail directed to such party as provided in Section 9.8 for such party. Reference is made to the Amended and Restated Credit Agreement dated as of October 31, 2014 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among NCL Corporation Ltd., a Bermuda company (the "Borrower"), the Lenders party thereto from time to time, JPMorgan Chase Bank, N.A., as administrative agent (together with its successors and assigns, in such capacity, the "Administrative Agent") and as collateral agent and certain other parties thereto. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement.

The Assignor identified on Schedule I hereto (the "Assignor") and the Borrower or Fund Affiliate identified on Schedule I hereto as "Assignee" (the "Assignee") agree as follows:

1. The Assignor hereby irrevocably sells and assigns to the Assignee without recourse to the Assignor, and the Assignee hereby irrevocably purchases and assumes from the Assignor without recourse to the Assignor, as of the Effective Date (as defined below) and pursuant to the terms and conditions set forth in the Credit Agreement for Permitted Loan Purchases (including, without limitation, Sections 10.04(i) and 10.04(j) thereof), the interest described in Schedule I hereto (the "Assigned Interest") in and to the Assignor's rights and obligations under the Credit Agreement with respect to those credit facilities contained in the Credit Agreement as are set forth on Schedule I hereto (individually, an "Assigned Facility"; collectively, the "Assigned Facilities"), in a principal amount for each Assigned Facility as set forth on Schedule I hereto.

2. The Assignor (a) represents and warrants that (i) it is the legal and beneficial owner of the Assigned Interest, (ii) the Assigned Interest is free and clear of any lien, encumbrance or other adverse claim and (iii) it has full power and authority, and has taken all action necessary, to execute and deliver this Permitted Loan Purchase Assignment and Acceptance and to consummate the transactions contemplated hereby; (b) makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with the Credit Agreement or with respect to the execution, legality, validity, enforceability, genuineness, sufficiency or value of the Credit Agreement, any other Loan Document or any other instrument or document furnished pursuant thereto, other than that the Assignor has not created any adverse claim upon the interest being assigned by it hereunder and that such interest is free and clear of any such adverse claim; (c) makes no representation or warranty and assumes no responsibility with respect to the financial condition of the Borrower, any of its Subsidiaries or any other obligor or the performance or observance by the Borrower, any of its Subsidiaries or any other obligor of any of its respective obligations under the Credit Agreement or any other Loan Document or any other instrument or document furnished pursuant hereto or thereto; and (d) attaches any Notes held by it evidencing the Assigned Facilities. To the extent the Assignor has retained any interest in the Assigned Facility and holds a Note evidencing such interest, the Assignor hereby requests that the Administrative Agent exchange the attached Notes for a new Note or Notes payable to the Assignor, in each case in amounts which reflect the assignment being made hereby (and after giving effect to any other assignments which have become effective on the Effective Date).

3. The Assignee (a) represents and warrants that it is legally authorized to enter into this Permitted Loan Purchase Assignment and Acceptance and has taken all action necessary to execute and deliver this Permitted Loan Purchase Assignment and Acceptance and to consummate the transaction contemplated hereby; and (b) represents and warrants that it satisfied the requirements, if any, specified in the Credit Agreement that are required to be satisfied in order to make a Permitted Loan Purchase of the Assigned Interest.

4. The effective date of this Permitted Loan Purchase Assignment and Acceptance shall be the Effective Date of Assignment described in Schedule 1 hereto (the "Effective Date"). Following the execution of this Permitted Loan Purchase Assignment and Acceptance, the Assigned Interest shall be deemed to be automatically and immediately (contributed to the Borrower, if applicable, and) cancelled and extinguished (with a corresponding permanent reduction in Revolving Facility Commitments to the extent the Assigned Interest consists of Revolving Facility Loans). The Administrative Agent shall update the Register, effective as of the Effective Date, to record such event as if it were a prepayment of such Assigned Interest (with a corresponding permanent reduction in Revolving Facility Commitments to the extent the Assigned Interest consists of Revolving Facility Loans) pursuant to Section 10.04(j) of the Credit Agreement.

5. Upon such acceptance and recording, from and after the Effective Date, the Administrative Agent shall make all payments in respect of the Assigned Interest (including payments of principal, interest, fees and other amounts) to the Assignor for amounts which have accrued prior to the Effective Date. No payments in respect of the Assigned Interest (which shall be deemed to have been cancelled and extinguished as of the Effective Date) shall be due to the Assignor or the Assignee from and after the Effective Date.

- (a) the first instalment of the SACE Premium being an amount of [*] (calculated as being [*] per cent. ([*]%) of [*] per cent. (3.80%) of the Maximum Loan Amount) (the "**First Instalment**") shall be paid by the Borrower to SACE (provided that the Borrower and the Lenders have been notified by the SACE Agent that the SACE Insurance Policy has been issued) on the earlier of (i) the date falling 30 days after the issuance of the SACE Insurance Policy and (ii) 16 June 2017, being the date falling 6 months after the date of SACE's board approval; and

8.2 Reimbursement by the Borrower of the SACE Premium

The Borrower irrevocably agrees to pay the First Instalment, and to instruct the Lenders to pay the Second Instalment on behalf of the Borrower as follows:

- (a) the Borrower has requested and the Lenders have agreed to reimburse the payment of one hundred per cent. (100%) of the First Instalment to the Borrower on the first Drawdown Date, it being agreed that such First Instalment shall be paid to SACE by the Borrower in accordance with paragraph (a) of Clause 8.1 (*SACE Premium*) and upon notification by the Agent to the Borrower (i) of the issuance of the SACE Insurance Policy documentation in the form required by paragraph (d) of Clause 3.6 (*No later than five (5) Business Days before the First Drawdown Date*), and (ii) of the amount of the First Instalment; and

The First Instalment and Second Instalment each financed by the Loan will be repayable in any event by the Borrower to the Lenders in the manner specified in Clause 5 (*Repayment*) and under any and all circumstances including but without limitation in the event of prepayment or acceleration of the Loan.

8.3 Italian Authorities

- (a) The Borrower acknowledges and agrees that the Agent and the Lenders are entitled to provide the Italian Authorities with any information they may have relative to the Loan and the business of the Group, to allow the Italian Authorities to inspect all their records relating to this Agreement and the other Transaction Documents and to furnish them with copies thereof. 8.4 Refund

- (a) The Borrower shall, at the latest on the date falling sixty (60) days before the Intended Delivery Date, provide a notice in writing to the SACE Agent (who will promptly forward it to other Lenders and SACE), signed by an authorised signatory of the Borrower, indicating the amount of the Delivery Advance, being the amount set out in Schedule 6 (*Drawdown Schedule*) under the column entitled "Advance to be drawn under this Agreement" to be drawn on the Delivery Date less (i) any amount cancelled based on the Conversion Rate and (ii) the Refund (as defined below) to be refunded in accordance with paragraph (b), such amount of the Refund to be confirmed by SACE at least six (6) Business Days prior to the Delivery Date. The Borrower hereby agrees and shall confirm in such notice that the remaining Commitments shall be deemed to be cancelled. The Borrower acknowledges, for the avoidance of doubt, that the shortfall to be paid to the Builder at the Delivery Date shall be funded and paid directly by the Borrower to the Builder.
- (b) If the sum of the Advances drawn by the Borrower together with the amount notified by the Borrower pursuant to paragraph (a) and (a)(i) above (being the amount set out in Schedule 6 (*Drawdown Schedule*) under the column entitled "Advance to be drawn under this Agreement" to be drawn on the Delivery Date, less any amount cancelled based on the Conversion Rate) equals an aggregate of less than the Maximum Loan Amount, and provided that no Event of Default has occurred and is then continuing and no loss has occurred under the SACE Insurance Policy, the Borrower shall be entitled to a refund of the Second Instalment of the SACE Premium in an amount calculated by SACE on the undrawn amount (the "**Refund**"). For the avoidance of doubt, the First Instalment of the SACE Premium is non-refundable, irrespective of whether any disbursements have been made under this Agreement and irrespective of whether the SACE Insurance Policy has been terminated.
- (c) Any refund of the Second Instalment of the SACE Premium, whether in whole or in part, must be expressly requested by the SACE Agent to SACE in writing following receipt by the SACE Agent of the Borrower's notice referred to in paragraph (a) above.
- (d) To the extent the Borrower is entitled to the Refund, SACE shall transfer the Refund as soon as practicably possible to the SACE Agent who shall as soon as practicably possible following receipt thereof transfer such amount to the Borrower. The Borrower hereby acknowledges that SACE shall not be liable to pay interest to the Borrower on the amount of the Refund.
- (e) Under the terms of the SACE Insurance Policy, the Parties acknowledge that SACE will withhold an amount of [*] per cent. ([*]%) from the amount of the SACE Premium to be refunded. Such withholding, charged as a lump sum to cover administration and management costs for the SACE Insurance Policy, may not, in any event, amount to less than the equivalent of [*] Euros (€[*]) or more than the equivalent of [*] Euros (€[*]), calculated by SACE at the European Central Bank EUR/USD exchange rate as at the date of the refund request.
- (f) Except as set out in paragraph (a) and (c) above, no part of the SACE Premium is refundable to any Obligor.

- (g) In no event shall the SACE Agent be liable for any refund of the SACE Premium to be made by SACE or for the calculation of any Refund and/or withholding thereof.

"Tax Payment" means either the increase in a payment made by an Obligor to a Secured Party under Clause 10.2 (*Tax gross-up*) or a payment under Clause 10.3 (*Tax indemnity*).

- (b) Unless a contrary indication appears, in this Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*) reference to **"determines"** or **"determined"** means a determination made in the absolute discretion of the person making the determination.

10.2 Tax gross-up

- (a) Each Obligor shall make all payments to be made by it under the Finance Documents without any Tax Deduction, unless a Tax Deduction is required by law.
- (b) The Borrower shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Agent accordingly. Similarly, a Lender shall notify the Agent on becoming so aware in respect of a payment payable to that Lender. If the Agent receives such notification from a Lender it shall notify the Borrower and that Obligor.
- (c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.
- (d) A payment shall not be increased under paragraph (c) above if on the date on which the payment falls due the Obligor making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender (having been given notice of the documentation requested under Clause 10.7 (*Lender Status*) at least 30 Business Days prior to such payment date) complied with its obligations under Clause 10.7 (*Lender Status*).
- (e) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.
- (f) Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Agent for the Secured Party entitled to the payment evidence reasonably satisfactory to that Secured Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

10.3 Tax indemnity

- (a) The Borrower shall (within three Business Days of demand by the Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.
- (b) Paragraph (a) above shall not apply:
- (i) with respect to any Tax assessed on a Secured Party:
 - (A) under the law of the jurisdiction in which that Secured Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Secured Party is treated as resident for tax purposes; or
 - (B) under the law of the jurisdiction in which that Lender's Facility Office is located in respect of amounts received or receivable in that jurisdiction, if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Secured Party; or
 - (ii) to the extent a loss, liability or cost is compensated for by an increased payment under Clause 10.2 (*Tax gross-up*) or would have been compensated for by an increased payment under Clause 10.2 (*Tax gross-up*) but was not so compensated solely because an exclusion in paragraph (d) of Clause 10.2 (*Tax gross-up*) applied, or relates to a FATCA Deduction required to be made by a Party; or
 - (iii) with respect to the Taxes in the nature of a branch profits tax imposed by Section 884(a) of the Code that is imposed by any jurisdiction described in paragraph (b)(i)(B) above.
- (c) A Protected Party making, or intending to make a claim under paragraph (a) above shall promptly notify the Agent of the event which will give, or has given, rise to the claim, following which the Agent shall notify the Borrower.
- (d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 10.3 (*Tax indemnity*), notify the Agent.

10.4 Tax Credit

If an Obligor makes a Tax Payment and the relevant Creditor Party determines that:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and
- (b) that Creditor Party has obtained, retained and utilised that Tax Credit,

the Creditor Party shall pay an amount to the Obligor which that Creditor Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

10.5 Stamp taxes

The Borrower shall pay and, within three Business Days of demand, indemnify each Secured Party against any cost, loss or liability that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

10.6 VAT

- (a) All amounts expressed to be payable under a Finance Document by any Party to a Secured Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Secured Party to any Party under a Finance Document and such Secured Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Secured Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Secured Party must promptly provide an appropriate VAT invoice to that Party).
- (b) If VAT is or becomes chargeable on any supply made by any Secured Party (the "**Supplier**") to any other Secured Party (the "**Recipient**") under a Finance Document, and any Party other than the Recipient (the "**Relevant Party**") is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):
 - (i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and
 - (ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.
- (c) Where a Finance Document requires any Party to reimburse or indemnify a Secured Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Secured Party for the full amount of such cost or expense, including such part of it as represents VAT, save to the extent that such Secured Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.
- (d) Any reference in this Clause 10.6 (*VAT*) to any Party being required to account to a tax authority for VAT shall, at any time when such Party is treated as a member of a group for VAT purposes, include a reference to another member of that group being required to so account to the relevant tax authority.
- (e) In relation to any supply made by a Secured Party to any Party under a Finance Document, if reasonably requested by such Secured Party, that Party must promptly provide such Secured Party with details of that Party's VAT registration and such other information as is reasonably requested in connection with such Secured Party's VAT reporting requirements in relation to such supply.

10.7 Lender Status

- (a) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under a Finance Document shall deliver to the Agent and the Borrower, at the time or times reasonably requested by the Agent or the Borrower, such properly completed and executed documentation reasonably requested by the Agent or the Borrower (and which it is reasonable for the Lender to complete and execute) as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Agent or the Borrower, shall deliver such other documentation as prescribed by applicable law and reasonably requested by the Agent or the Borrower as will enable the Agent or the Borrower to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

- (b) Any Lender shall, to the extent it is legally entitled to do so, and where it is entitled to an exemption from, or reduction of, U.S. federal withholding tax, deliver to the Agent and the Borrower on or prior to the date on which such Lender becomes a Lender under this Agreement or promptly thereafter (and from time to time thereafter as prescribed by applicable law or upon the request of the Agent or the Borrower), duly executed and properly completed copies of Internal Revenue Service Form W-9 or W-8, as applicable, certifying that it is not subject to U.S. federal backup withholding and, in the case of a non-U.S. Lender that is eligible for an exemption from, or reduction of, U.S. federal withholding Tax establishing an exemption from, or reduction of, U.S. federal withholding Tax.

10.8 FATCA Deduction

- (a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
- (b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction) notify the Party to whom it is making the payment and, in addition, shall notify the Borrower, the Agent and the other Secured Parties.

10.9 FATCA Information

- (a) Subject to paragraph (c) below, each Party shall, within ten Business Days of a reasonable request by another Party:
 - (i) confirm to that other Party whether it is:
 - (A) a FATCA Exempt Party; or
 - (B) not a FATCA Exempt Party;
 - (ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and
 - (iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.
- (b) If a Party confirms to another Party pursuant to paragraph (a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.
- (c) Paragraph (a) above shall not oblige any Creditor Party to do anything, and paragraph (a)(iii) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:
 - (i) any law or regulation;
 - (ii) any fiduciary duty; or

- (iii) any duty of confidentiality.
- (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a) (i) or (ii) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.
- (e) Each Lender shall, within ten Business Days of (i) where the relevant Lender is a Lender at the date of this Agreement, the date of this Agreement and (ii) where the relevant Lender is a Transferee Lender, the effective date of a Transfer Certificate under Clause 24.4 (*Effective Date of Transfer Certificate*), supply to the Agent:
 - (i) a withholding certificate on Form W-8, Form W-9 or any other relevant form; or
 - (ii) any withholding statement or other document, authorisation or waiver as the Agent may require to certify or establish the status of such Lender under FATCA or that other law or regulation.
- (f) The Agent shall provide any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) above to the relevant Borrower.
- (g) If any withholding certificate, withholding statement, document, authorisation or waiver provided to the Agent by a Lender pursuant to paragraph (e) above is or becomes materially inaccurate or incomplete, that Lender shall promptly update it and provide such updated withholding certificate, withholding statement, document, authorisation or waiver to the Agent unless it is unlawful for the Lender to do so (in which case the Lender shall promptly notify the Agent). The Agent shall provide any such updated withholding certificate, withholding statement, document, authorisation or waiver to the relevant Borrower.
- (h) The Agent may rely on any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) or (g) above without further verification. The Agent shall not be liable for any action taken by it under or in connection with paragraphs (e), (f) or (g) above.
- (i) CDP confirms, and the Borrower acknowledges, that as at the date of this Agreement CPD is a FATCA Exempt Party.

10.10 Increased Costs

- (a) If after the date of this Agreement by reason of (x) any change in law or in its interpretation or administration and/or (y) compliance with any request from or requirement of any central bank or other fiscal, monetary or other authority including but without limitation the Basel Committee on Banking Regulations and Supervisory Practices whether or not having the force of law:
 - (i) any of the Lenders incurs a cost as a result of its performing its obligations under this Agreement and/or its making available its Commitment hereunder; or
 - (ii) there is any increase in the cost to any of the Lenders of funding or maintaining all or any of the advances comprised in a class of advances formed by or including its Commitment advanced or to be advanced by it hereunder; or
 - (iii) any of the Lenders incurs a cost as a result of its having entered into and/or its assuming or maintaining its commitment under this Agreement; or

- (iv) any of the Lenders becomes liable to make any payment on account of Tax or otherwise (other than Tax on its overall net income) on or calculated by reference to the amount of its Commitment advanced or to be advanced hereunder and/or any sum received or receivable by it hereunder; or
- (v) any of the Lenders suffers any decrease in its rate of return as a result of any changes in the requirements relating to capital ratios, monetary control ratios, the payment of special deposits, liquidity costs or other similar requirements affecting that Lender,

then the Borrower shall on demand pay to the Agent for the account of the relevant Lender or Lenders amounts sufficient to indemnify the relevant Lender or Lenders against, as the case may be, such cost, such increased cost (or such proportion of such increased cost as is in the reasonable opinion of the relevant Lender or Lenders attributable to the funding or maintaining of its or their Commitment(s) hereunder) or such liability.

- (b) This Clause 10.10 (*Increased Costs*) does not apply to the extent any increased cost is:
 - (i) attributable to a Tax Deduction required by law to be made by an Obligor;
 - (ii) attributable to a FATCA Deduction required to be made by a Party;
 - (iii) compensated for by Clause 10.3 (*Tax indemnity*) (or would have been compensated for under Clause 10.3 (*Tax indemnity*) but was not compensated solely because any of the exclusions in paragraph (b) of Clause 10.3 (*Tax indemnity*) applied); or
 - (iv) attributable to the wilful breach by the relevant Creditor Party or its Affiliates of any law of regulation.

In this Clause 10.10 (*Increased Costs*), a reference to a "Tax Deduction" has the same meaning given to the term in Clause 10.1 (*Definitions*).

- (c) A Lender affected by any provision of this Clause 10.10 (*Increased Costs*) shall promptly inform the Agent after becoming aware of the relevant change and its possible results (which notice shall be conclusive evidence of the relevant change and its possible results) and the Agent shall, as soon as reasonably practicable thereafter, notify the Borrower of the change and its possible results. Without affecting the Borrower's obligations under this Clause 10.10 (*Increased Costs*) and in consultation with the Agent and the Italian Authorities, the affected Lender will then take all such reasonable steps as may be open to it to mitigate the effect of the change (for example (if then possible) by changing its Facility Office or transferring some or all of its rights and obligations under this Agreement to another financial institution reasonably acceptable to the Borrower and the Agent and the Italian Authorities). The reasonable costs of mitigating the effect of any such change shall be borne by the Borrower save where such costs are of an internal administrative nature and are not incurred in dealings by any Lender with third parties.

10.11 Transaction Costs

The Borrower undertakes to pay to the Agent, upon demand, all costs and expenses, duties and fees, including but without limitation pre-agreed legal costs (which, for avoidance of doubt are exclusive of VAT and disbursements) out of pocket expenses and travel costs, reasonably incurred by the Italian Authorities, the Joint Mandated Lead Arrangers and the Lenders (but not including any bank which becomes a Lender after the date of this Agreement) in connection with the negotiation, preparation and execution of all agreements, guarantees, security agreements and related documents entered into, or to be entered into, for the purpose of the transaction contemplated hereby as well as all costs and expenses, duties and fees incurred by the Agent or the Lenders in connection with the registration, filing, enforcement or discharge of the said guarantees or security agreements, including without limitation the fees and expenses of legal advisers and insurance experts (provided that such insurance costs are not to exceed ten thousand Dollars (\$10,000)) and the fees and expenses of the Italian Authorities (including the fees and expenses of its legal advisers) payable by the Joint Mandated Lead Arrangers to the Italian Authorities, the cost of registration and discharge of security interests and the related travel and out of pocket expenses; the Borrower further undertakes to pay to the Agent all costs, expenses, duties and fees incurred by the Lenders and the Italian Authorities in connection with any variation of this Agreement and the related documents, guarantees and security agreements, any supplements thereto and waiver given in relation thereto, in connection with the investigation of any potential Event of Default, the enforcement or preservation of any rights under this Agreement and/or the related guarantees and security agreements, including in each case the fees and expenses of legal advisers, and in connection with the consultations or proceedings made necessary or in the opinion of the Agent desirable by the acts of, or failure to act on the part of, the Borrower.

10.12 Costs of delayed Delivery Date

The Borrower undertakes to pay to the Agent, upon demand, any costs incurred by the Lenders and/or the Italian Authorities in funding the Loan in the event that the Delivery Date is later than the Intended Delivery Date unless the Borrower has given the Agent at least three (3) Business Days' notification of such delay in the Delivery Date.

10.13 SACE obligations

To the extent that this Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

 - (iii) modify the Refund Guarantee, once issued, without the prior written consent of the Lenders and the form of the Refund Guarantee to be issued will not be materially different from the agreed form Refund Guarantee attached to the Sixth Addendum, and will not be modified if such modification could reasonably be expected to be adverse to the interests of the Secured Parties or the SACE Insurance Policy.

The Borrower will, therefore, submit to the Agent any proposals for any such modification and SACE and the Agent on behalf of the Lenders will indicate in a timely manner whether the modification proposed will allow the Loan to be maintained. 20 INDEMNITIES

20.1 Indemnities regarding borrowing and repayment of Loan

The Borrower shall fully indemnify the Agent and each Lender or SIMEST (but without double counting to the extent that a Lender is making a claim in respect of amounts owing to SIMEST) on the Agent's demand in respect of all claims, expenses, liabilities and losses which are made or brought against or incurred by that Secured Party, or which that Secured Party reasonably and with due diligence estimates that it will incur, as a result of or in connection with:

- (a) any part of the Loan not being borrowed on the date specified in a Drawdown Notice for any reason other than a default by the Lender claiming the indemnity;
- (b) the receipt or recovery of all or any part of the Loan or an overdue sum otherwise than on the last day of an Interest Period or other relevant period;
- (c) any failure (for whatever reason) by the Borrower to make payment of any amount due under a Finance Document on the due date or, if so payable, on demand (after giving credit for any default interest paid by the Borrower on the amount concerned under Clause 17 (*Interest on Late Payments*)); and
- (d) the occurrence and/or continuance of an Event of Default and/or the acceleration of repayment of the Loan under Clause 18 (*Events of Default*).

20.2 Breakage costs and SIMEST arrangements

Without limiting its generality, Clause 20.1 (*Indemnities regarding borrowing and repayment of Loan*) covers:

- (a) any claim, expense, liability or loss, including a loss of a prospective profit, incurred by a Lender in liquidating or employing deposits from third parties acquired or arranged to fund or maintain all or any part of its Contribution and/or any overdue amount (or an aggregate amount which includes its Contribution or any overdue amount);
- (b) if the Borrower has selected the Fixed Interest Rate in accordance with Clause 6.1 (*Fixed or Floating Interest Rate*), all of the amounts that SIMEST is entitled to charge, whether for taxes, costs, expenses, indemnities, penalties, losses or liabilities whatsoever, under and in accordance with the Interest Make-up Agreement, including without limitation, as a result of any prepayment of all or any part of the Loan under this Agreement (whether voluntary, mandatory, following acceleration of the Loan or otherwise), as a result of an Interest Make-Up Event or as a result of the Borrower deciding to switch from the Fixed Interest Rate to another interest rate after the Drawdown Date and/or an Interest Make-up Event. Such amounts include, without limitation, (i) breakage costs, (ii) any amount due as a consequence of the close-out of any hedging arrangement entered into by SIMEST in relation to this Agreement, (iii) default interest and penalties (*maggiorazioni*) whenever applicable, and (iv) all amounts (if any) to be returned by the Agent to SIMEST under and pursuant to the Interest Make-Up Agreement; and

- (c) any other costs whatsoever or howsoever arising under or in respect of the Interest Make-Up Agreement which are passed to the Agent, and any such costs imposed by SIMEST shall be paid by the Borrower to SIMEST through the Agent.

For the purposes of this Clause 20.2 (*Breakage costs and SIMEST arrangements*) "**Interest Make-Up Event**" means the occurrence of any circumstances which result in the termination, cancellation, revocation, cessation or suspension (in each case, in whole or in part) of the Interest Make-Up Agreement or the Interest Make-Up Agreement otherwise ceases or may cease to be in full force and effect or the Agent notifies the Borrower that the Fixed Interest Rate is not available for any reason, in each case, in accordance with the terms of the Interest Make-Up Agreement.

20.3 Miscellaneous indemnities

The Borrower shall fully indemnify each Secured Party severally on their respective demands in respect of all claims, expenses, liabilities and losses which may be made or brought against or incurred by a Secured Party, in any country, as a result of or in connection with:

- (a) any action taken, or omitted or neglected to be taken, under or in connection with any Finance Document by the Agent or any other Secured Party or by any receiver appointed under a Finance Document;
- (b) any other Pertinent Matter,

other than claims, expenses, liabilities and losses which are shown to have been directly and mainly caused by the dishonesty or wilful misconduct of the officers or employees of the Secured Party concerned.

Without prejudice to its generality, this Clause 20.3 (*Miscellaneous indemnities*) covers (i) any claims, expenses, liabilities and losses which arise, or are asserted, under or in connection with any law relating to safety at sea, the ISM Code or any Environmental Laws or any Sanctions and (ii) any claims, expenses, liabilities (including, without limitation, under a reputational standpoint) and losses which arise, or are asserted, against CDP under or in connection with any breach by the Borrower of any of the provisions paragraphs (nn) to (rr) of Clause 11.2 (*Continuing representations and warranties*) and/or of Clause 12.27 (*Code of Ethics and Model*).

20.4 Currency indemnity

If any sum due from an Obligor to a Secured Party under a Finance Document or under any order or judgment relating to a Finance Document has to be converted from the currency in which the Finance Document provided for the sum to be paid (the "**Contractual Currency**") into another currency (the "**Payment Currency**") for the purpose of:

- (a) making or lodging any claim or proof against an Obligor, whether in its liquidation, any arrangement involving it or otherwise; or
- (b) obtaining an order or judgment from any court or other tribunal; or
- (c) enforcing any such order or judgment,

the Borrower shall indemnify the Secured Party concerned against the loss arising when the amount of the payment actually received by that Secured Party is converted at the available rate of exchange into the Contractual Currency.

In this Clause 20.4 (*Currency indemnity*) the "**available rate of exchange**" means the rate at which the Secured Party concerned is able at the opening of business (Paris time) on the Business Day after it receives the sum concerned to purchase the Contractual Currency with the Payment Currency.

This Clause 20.4 (*Currency indemnity*) creates a separate liability of the Borrower which is distinct from its other liabilities under the Finance Documents and which shall not be merged in any judgment or order relating to those other liabilities.

20.5 Certification of amounts

A notice which is signed by 2 officers of a Secured Party, which states that a specified amount, or aggregate amount, is due to that Secured Party under this Clause 20 (*Indemnities*) and which indicates (without necessarily specifying a detailed breakdown) the matters in respect of which the amount, or aggregate amount, is due shall be prima facie evidence that the amount, or aggregate amount, is due.

20.6 Sums deemed due to a Lender

For the purposes of this Clause 20 (*Indemnities*), a sum payable by the Borrower to the Agent for distribution to a Lender shall be treated as a sum due to that Lender.

20.7 SACE obligations

To the extent that this Clause 20 (*Indemnities*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

21 ILLEGALITY, ETC.

21.1 Illegality and Sanctions

This Clause 21 (*Illegality, etc.*) applies if:

- (a) a Lender (the "**Notifying Lender**") notifies the Agent that:
 - (i) it becomes unlawful or contrary to any law, regulation or Sanctions – including by way of civil, administrative or criminal liability - in any applicable jurisdiction for the Notifying Lender to perform any of its obligations as contemplated by the Finance Documents or to fund its participation in the Loan; and/or
 - (ii) it becomes unlawful or contrary to any law, regulation or Sanctions – including by way of civil, administrative or criminal liability - in any applicable jurisdiction for the Notifying Lender to maintain its participation in the Loan; or
- (b) an Obligor is or becomes a Prohibited Person,
(such event, an "**Illegality or Sanctions Event**").

21.2 Notification of illegality

- (a) The Agent shall promptly notify the Borrower, the Obligors and the other Lenders of the notice under Clause 21 (*Illegality, etc.*) which the Agent receives from the Notifying Lender.

- (b) Upon receipt of the notice under paragraph (a) above and provided that such Illegality or Sanctions Event is not applicable with immediate effect (in which case paragraph (a) of Clause 21.3 (*Prepayment; termination of Commitment*) will apply immediately and this paragraph (b) of Clause 21.2 (*Notification of illegality*) will not apply, the Agent shall, where the Borrower has selected the Fixed Interest Rate pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), inform SIMEST in writing in order to start consultations between themselves (pursuant to clause 6 of the Interest Make-Up Agreement) with a view to exploring any possible solution to mitigate the Illegality or Sanctions Event preventing that Lender from performing any of its obligations under a Finance Document or funding or maintaining its share in the Loan. Any solution agreed between the Agent and SIMEST at the end of the consultation period (which shall last for a period of ten (10) days from the service of such notice on SIMEST) will be binding among themselves and shall be notified by the Agent to each Obligor immediately thereafter (and in any case no later than ten (10) days following such decision).
- (c) If at the end of the consultation procedure set out in paragraph (b) above, no solution is agreed between the Agent and SIMEST, the Agent must immediately notify the Lenders and the Obligors.

21.3 Prepayment; termination of Commitment

- (a) After notification under paragraph (c) above or (in case the Interest Make-Up Agreement has ceased to be in force and effect or the Fixed Interest Rate has not been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*)) after notification under paragraph (a) above and subject to Clause 21.4 (*Mitigation*) below the Borrower must repay or prepay that Lender's share in the Loan on the date specified in paragraph (c) below together with any breakage costs payable under Clause 20.2 (*Breakage costs and SIMEST arrangements*) and any indemnity payable under paragraph (c) of Clause 20.2 (*Breakage costs and SIMEST arrangements*) in respect of the Interest Make-Up Agreement;
- (b) On the Agent notifying the Borrower under paragraph (c) of Clause 21.2 (*Notification of illegality*), the Notifying Lender's Commitment shall terminate; and thereupon or, if later, on the date specified in the Notifying Lender's notice under Clause 21.1 (*Illegality and Sanctions*) as the date on which the notified event would become effective the Borrower shall prepay the Notifying Lender's Contribution and shall pay compensation to the Notifying Lender calculated in accordance with Clause 16.2 (*Voluntary prepayment*).
- (c) The date for repayment or prepayment of a Lender's share in the Loan will be:
 - (i) the date specified by the Agent in the notification under paragraph (b) above; or
 - (ii) in case the Interest Make-Up Agreement has ceased to be in full force and effect or the Fixed Interest Rate has not been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), the last day of the current Interest Period for the relevant Advance or Advances or, if earlier, the date specified by the Lender in the notification under paragraph (a) above and which must not be earlier than the last day of any applicable grace period allowed by law.

21.4 Mitigation

- (a) Each Secured Party shall, in consultation with the Borrowers, take all reasonable steps to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to, or cancelled pursuant to Clause 21.1 (*Illegality and Sanctions*) including (but not limited to) transferring its rights and obligations under the Finance Documents to another Affiliate or Facility Office.
- (b) Paragraph (a) above does not in any way limit the obligations of any Obligor under the Finance Documents.

22 SET-OFF

22.1 Application of credit balances

Each Creditor Party may without prior notice:

- (a) apply any balance (whether or not then due) which at any time stands to the credit of any account in the name of the Borrower at any office in any country of that Creditor Party in or towards satisfaction of any sum then due from the Borrower to that Creditor Party under any of the Finance Documents; and
- (b) for that purpose:
 - (i) break, or alter the maturity of, all or any part of a deposit of the Borrower;
 - (ii) convert or translate all or any part of a deposit or other credit balance into Dollars;
 - (iii) enter into any other transaction or make any entry with regard to the credit balance which the Creditor Party concerned considers appropriate.

22.2 Existing rights unaffected

No Creditor Party shall be obliged to exercise any of its rights under Clause 22.1 (*Application of credit balances*); and those rights shall be without prejudice and in addition to any right of set-off, combination of accounts, charge, lien or other right or remedy to which a Creditor Party is entitled (whether under the general law or any document).

22.3 Sums deemed due to a Lender

For the purposes of this Clause 22 (*Set-Off*), a sum payable by the Borrower to the Agent for distribution to, or for the account of, a Lender shall be treated as a sum due to that Lender; and each Lender's proportion of a sum so payable for distribution to, or for the account of, the Lenders shall be treated as a sum due to such Lender.

22.4 No Security Interest

This Clause 22 (*Set-Off*) gives the Creditor Parties a contractual right of set-off only, and does not create any equitable charge or other Security Interest over any credit balance of the Borrower.

23 BAIL-IN

Notwithstanding any other term of any Finance Document or any other agreement, arrangement or understanding between the parties to a Finance Document, each Party acknowledges and accepts that any liability of any party to a Finance Document under or in connection with the Finance Documents may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

- (a) any Bail-In Action in relation to any such liability, including (without limitation):
 - (i) a reduction, in full or in part, in the principal amount, or outstanding amount due (including any accrued but unpaid interest) in respect of any such liability;
 - (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership that may be issued to, or conferred on, it; and
 - (iii) a cancellation of any such liability; and

- (b) a variation of any term of any Finance Document to the extent necessary to give effect to any Bail-in Action in relation to any such liability.

24 CHANGES TO THE LENDERS

24.1 Transfer by a Lender

Subject to Clause 24.5 (*No transfer without Transfer Certificate*), Clause 24.17 (*Assignment or transfer to SACE*) and Clause 24.14 (*Change of Facility Office*), a Lender (the "**Transferor Lender**") may at any time provided they have obtained the prior written consent of the Italian Authorities cause:

- (a) its rights in respect of all or part of its Contribution; or
- (b) its obligations in respect of all or part of its Commitment; or
- (c) a combination of (a) and (b),

to be (in the case of its rights) transferred to, or (in the case of its obligations) assumed by, in whole or in part any of its Affiliates or another bank or financial institution or a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (a "**Transferee Lender**") by delivering to the Agent a completed certificate in the form set out in Schedule 4 (*Form of Transfer Certificate*) with any modifications approved or required by the Agent (a "**Transfer Certificate**") executed by the Transferor Lender and the Transferee Lender.

However any rights and obligations of the Transferor Lender in its capacity as Agent or Security Trustee will have to be dealt with separately in accordance with the provisions of Clauses 26 (*Role of the Agent and the Joint Mandated Lead Arrangers*) and 27 (*The Security Trustee*) respectively.

24.2 Conditions of assignment or transfer

- (a) The consent of the Borrower is required at all times (subject to the provisions of Clauses 24.5 (*No transfer without Transfer Certificate*) and 24.17 (*Assignment or transfer to SACE*) for an assignment or transfer by an Existing Lender, unless (i) there is an Event of Default or (ii) the assignment or transfer is to another Lender or an Affiliate of a Lender.
- (b) The consent of the Borrower to an assignment or transfer must not be unreasonably withheld or delayed. The Borrower will be deemed to have given its consent ten (10) Business Days after the Existing Lender has requested it unless consent is expressly refused by that Borrower within that time.
- (c) The assignment or transfer must be with respect to a minimum Commitment of [*] Dollars (\$[*]) or, if less, the Existing Lender's full Commitment.

24.3 Transfer Certificate, delivery and notification

As soon as reasonably practicable after a Transfer Certificate is delivered to the Agent, it shall (unless it has reason to believe that the Transfer Certificate may be defective):

- (a) sign the Transfer Certificate on behalf of itself, the Borrower, any other Obligor, the Security Trustee and each of the other Lenders;
- (b) on behalf of the Transferee Lender, send to the Borrower and each Obligor letters or faxes notifying them of the Transfer Certificate and attaching a copy of it; and
- (c) send to the Transferee Lender copies of the letters or faxes sent under paragraph (b) above,

but the Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Transferor Lender and the Transferee Lender once it is satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to the transfer to that Transferee Lender.

24.4 Effective Date of Transfer Certificate

A Transfer Certificate becomes effective on the date, if any, specified in the Transfer Certificate as its effective date, provided that it is signed by the Agent under Clause 24.3 (*Transfer Certificate, delivery and notification*) on or before that date.

24.5 No transfer without Transfer Certificate

Except as provided in Clause 24.16 (*Security over Lenders' rights*), no assignment or transfer of any right or obligation of a Lender under any Finance Document is binding on, or effective in relation to, the Borrower, any Obligor, the Agent or the Security Trustee unless it is effected, evidenced or perfected by a Transfer Certificate.

24.6 Lender re-organisation; waiver of Transfer Certificate

However, if a Lender enters into any merger, de-merger or other reorganisation as a result of which all its rights or obligations vest in another person (the "**successor**"), the Agent may, if it sees fit, by notice to the successor and the Borrower and the Security Trustee waive the need for the execution and delivery of a Transfer Certificate; and, upon service of the Agent's notice, the successor shall become a Lender with the same Commitment and Contribution as were held by the predecessor Lender.

24.7 Effect of Transfer Certificate

A Transfer Certificate takes effect in accordance with English law as follows:

- (a) to the extent specified in the Transfer Certificate, all rights and interests (present, future or contingent) which the Transferor Lender has under or by virtue of the Finance Documents are assigned to the Transferee Lender absolutely, free of any defects in the Transferor Lender's title and of any rights or equities which the Borrower or any Obligor had against the Transferor Lender;
- (b) the Transferor Lender's Commitment is discharged to the extent specified in the Transfer Certificate;
- (c) the Transferee Lender becomes a Lender with the Contribution previously held by the Transferor Lender and a Commitment of an amount specified in the Transfer Certificate;

- (e) any part of the Loan which the Transferee Lender advances after the Transfer Certificate's effective date ranks in point of priority and security in the same way as it would have ranked had it been advanced by the transferor, assuming that any defects in the transferor's title and any rights or equities of the Borrower or any Obligor against the Transferor Lender had not existed;
- (f) the Transferee Lender becomes entitled to all the rights under the Finance Documents which are applicable to the Lenders generally, including but not limited to those relating to the Majority Lenders and those under Clause 6.6 (*Market disruption*) and Clause 9 (*Fees*), and to the extent that the Transferee Lender becomes entitled to such rights, the Transferor Lender ceases to be entitled to them; and

- (g) in respect of any breach of a warranty, undertaking, condition or other provision of a Finance Document or any misrepresentation made in or in connection with a Finance Document, the Transferee Lender shall be entitled to recover damages by reference to the loss incurred by it as a result of the breach or misrepresentation, irrespective of whether the original Lender would have incurred a loss of that kind or amount.

The rights and equities of the Borrower or any Obligor referred to above include, but are not limited to, any right of set off and any other kind of cross-claim.

24.8 Maintenance of register of Lenders

During the Security Period the Agent shall maintain a register in which it shall record the name, Commitment, Contribution and administrative details (including the Facility Office) from time to time of each Lender holding a Transfer Certificate and the effective date (in accordance with Clause 24.4 (*Effective Date of Transfer Certificate*)) of the Transfer Certificate; and the Agent shall make the register available for inspection by any Lender, the Security Trustee and the Borrower during normal banking hours, subject to receiving at least 3 Business Days' prior notice.

24.9 Reliance on register of Lenders

The entries on that register shall, in the absence of manifest error, be conclusive in determining the identities of the Lenders and the amounts of their Commitments and Contributions and the effective dates of Transfer Certificates and may be relied upon by the Agent and the other parties to the Finance Documents for all purposes relating to the Finance Documents.

24.10 Authorisation of Agent to sign Transfer Certificates

If an alternative interest rate or alternative basis is not agreed within the Negotiation Period, and the relevant circumstances are continuing at the end of the Negotiation Period, then the Agent shall, with the agreement of each Lender or (as the case may be) the Affected Lender (and in consultation with SACE), set an interest period and interest rate representing the cost of funding of the Lenders or (as the case may be) the Affected Lender in Dollars or in any available currency of their or its Contribution plus the Margin; and the procedure provided for by this Clause 6.11 (*Alternative rate of interest in absence of agreement*) shall be repeated if the relevant circumstances are continuing at the end of the interest period so set by the Agent.

6.12 Notice of prepayment

If the Borrower does not agree with an interest rate set by the Agent under Clause 6.11 (*Alternative rate of interest in absence of agreement*), the Borrower may give the Agent not less than 15 Business Days', or, if the Fixed Interest Rate has been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), 30 days, notice of its intention to prepay at the end of the interest period set by the Agent.

6.13 Prepayment; termination of Commitments

A notice under Clause 6.12 (*Notice of prepayment*) shall be irrevocable; the Agent shall promptly notify the Lenders or (as the case may require) the Affected Lender and, if the Fixed Interest Rate has been selected by the Borrower, SIMEST of the Borrower's notice of intended prepayment; and:

- (a) on the date on which the Agent serves that notice, the Total Commitments or (as the case may require) the Commitment of the Affected Lender shall be cancelled; and
- (b) on the last Business Day of the Interest Period set by the Agent, the Borrower shall prepay (without premium or penalty subject to the provisions of Clause 20.2 (*Breakage costs and SIMEST arrangements*)) the Loan or, as the case may be, the Affected Lender's Contribution, together with accrued interest thereon at the applicable rate (being either the Floating Interest Rate or the Fixed Interest Rate as specified by the Borrower pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*)).

6.14 Application of prepayment

The provisions of Clause 16 (*Cancellation, Prepayment and Mandatory Prepayment*) shall apply in relation to the prepayment.

6.15 Certain Circumstances

Notwithstanding anything to the contrary in this Agreement:

- (a) in the event of any circumstances falling within Clause 6.6 (*Market disruption*) which might affect the advance of an Advance on a Drawdown Date (the "**Relevant Circumstances**"):
 - (i) occurring and being continuing on the date falling ninety (90) days before the proposed Drawdown Date (the "**Relevant Date**"), each Lender will notify the Borrower (through the Agent) of the Relevant Circumstances on the Relevant Date or, if the Relevant Date is not a Business Day, on the next following Business Day; and
 - (ii) occurring after the Relevant Date, each Lender will notify the Borrower (through the Agent) immediately each Lender become aware of the Relevant Circumstances;

- (b) in the event of any Relevant Circumstances falling within paragraphs (a) or (b) of Clause 6.6 *Market disruption*) (the "**Pricing-Related Relevant Circumstances**") occurring before an Advance is made available and notwithstanding the provisions of Clause 6.8 (*Suspension of drawdown*), each Lender will fund its respective Contributions by reference to the agreed alternative rate of interest in accordance with Clauses 6.9 (*Negotiation of alternative rate of interest*), 6.10 (*Application of agreed alternative rate of interest*) and 6.11 (*Alternative rate of interest in absence of agreement*) as if the provisions of such Clauses applied not only in the event that the Pricing-Related Relevant Circumstances have been notified by the Agent to the Borrower after the making of the Advance but also before the making of the Advance.
- (c) in the event of any Relevant Circumstances falling within paragraph (c) of Clause 6.6 *Market disruption*) (the "**Availability-Related Relevant Circumstances**") occurring before the Loan is made and notwithstanding the provisions of Clause 6.8 (*Suspension of drawdown*), each Lender will enter into good faith discussions with the Borrower for a period not exceeding 10 Business Days in order to discuss a basis on which the Lenders could be able to fund their respective Contributions in Dollars (or, if unavailable in Dollars, then in any available currency). Such discussions shall be without obligation on the Lenders provided that during such discussion period, such circumstances continue.

6.16 Change of currency

- (a) In the event that the Agent notifies the Borrower that SIMEST has requested a change in the currency of the Loan in accordance with clause 6.3 of the Interest Make-Up Agreement, the Borrower and the Lenders shall, without obligation, consider such request for a change of currency acting reasonably for a period of not exceeding 10 Business Days. Following such discussions the Agent shall report the decision of the Borrower and the Lenders to SIMEST, providing their reason for any negative decision.
- (b) In the event that a change of currency is agreed the Parties agree to negotiate in good faith the necessary changes to the Loan Agreement, the Finance Documents, the SACE Insurance Policy and the Interest Make-Up Agreement in order to document the change in currency.
- (c) In the event that a change in currency is not acceptable to the Lenders or the Borrower, the provision of paragraph (c) of Clause 6.3 *Floating Interest Rate*) shall apply.

7 INTEREST PERIODS

7.1 Commencement of Interest Periods

The first Interest Period applicable to an Advance shall commence on the Drawdown Date in respect of that Advance and each subsequent Interest Period shall commence on the expiry of the preceding Interest Period.

7.2 Duration of Interest Periods

Subject to Clause 7.3 (*Duration of Interest Periods for Repayment Instalments*), each Interest Period shall be:

- (a) 6 months; or
- (b) in the case of the first Interest Period applicable to the second and any subsequent Advance, a period ending on the last day of the Interest Period then current, whereupon all of the Advances shall be consolidated and treated as a single Advance; and
- (c) if required, the Interest Period falling immediately prior to the Delivery Date shall be shortened in order for such Interest Period to end on the date falling immediately prior to the date of the Delivery Advance.

7.3 Duration of Interest Periods for Repayment Instalments

Any Interest Period that includes a Repayment Date shall expire on such Repayment Date.

8 SACE PREMIUM AND ITALIAN AUTHORITIES

8.1 SACE Premium

The estimated SACE Premium for a maximum amount of [*] (being [*] per cent. ([*]%) of the Maximum Loan Amount) is due and payable in two instalments as follows:

- (a) the first instalment of the SACE Premium being an amount of [*] (calculated as being [*] per cent. ([*]%) of [*] per cent. (3.80%) of the Maximum Loan Amount) (the "**First Instalment**") shall be paid by the Borrower to SACE (provided that the Borrower and the Lenders have been notified by the SACE Agent that the SACE Insurance Policy has been issued) on the earlier of (i) the date falling 30 days after the issuance of the SACE Insurance Policy and (ii) 16 June 2017, being the date falling 6 months after the date of SACE's board approval; and
- (b) the second instalment of the SACE Premium being an amount of [*] (calculated as being [*] per cent. ([*]%) of [*] per cent. ([*]%) of the Maximum Loan Amount) (the "**Second Instalment**") and shall be payable on the first Drawdown Date. For the sake of clarity, no set-off with the First Instalment shall be permitted.

8.2 Reimbursement by the Borrower of the SACE Premium

The Borrower irrevocably agrees to pay the First Instalment, and to instruct the Lenders to pay the Second Instalment on behalf of the Borrower as follows:

- (a) the Borrower has requested and the Lenders have agreed to reimburse the payment of one hundred per cent. (100%) of the First Instalment to the Borrower on the first Drawdown Date, it being agreed that such First Instalment shall be paid to SACE by the Borrower in accordance with paragraph (a) of Clause 8.1 (*SACE Premium*) and upon notification by the Agent to the Borrower (i) of the issuance of the SACE Insurance Policy documentation in the form required by paragraph (d) of Clause 3.6 (*No later than five (5) Business Days before the First Drawdown Date*), and (ii) of the amount of the First Instalment; and
- (b) the Borrower has requested and the Lenders have agreed to finance the payment of one hundred per cent. (100%) of the Second Instalment on the first Drawdown Date in accordance with paragraph (c) of Clause 2.1 (*Amount of facility*) of this Agreement.

Consequently, the Borrower hereby irrevocably instructs the Agent on behalf of the Lenders to pay the Second Instalment to SACE on the first Drawdown Date in accordance with paragraph (c) of Clause 2.1 (*Amount of facility*) of this Agreement and to reimburse the Borrower by the Borrower drawing under the Loan the amount of the First Instalment in accordance with paragraph (b) of Clause 2.1 (*Amount of facility*) of this Agreement.

The First Instalment and Second Instalment each financed by the Loan will be repayable in any event by the Borrower to the Lenders in the manner specified in Clause 5 (*Repayment*) and under any and all circumstances including but without limitation in the event of prepayment or acceleration of the Loan.

8.3 Italian Authorities

- (a) The Borrower acknowledges and agrees that the Agent and the Lenders are entitled to provide the Italian Authorities with any information they may have relative to the Loan and the business of the Group, to allow the Italian Authorities to inspect all their records relating to this Agreement and the other Transaction Documents and to furnish them with copies thereof. Any such information relative to the Loan may also be given by any Italian Authorities to international institutions charged with collecting statistical data.

- (b) The Borrower acknowledges that, in the making of any decision or determination or the exercise of any discretion or the taking or refraining to take any action under this Agreement or any of the other Finance Documents, the Agent and the Lenders shall be deemed to have acted reasonably if they have acted on the instructions of either of the Italian Authorities.
- (c) Each Party further undertakes not to act in a manner which is inconsistent with the terms of the SACE Insurance Policy and the Interest Make-up Agreement.

8.4 Refund

- (a) The Borrower shall, at the latest on the date falling sixty (60) days before the Intended Delivery Date, provide a notice in writing to the SACE Agent (who will promptly forward it to other Lenders and SACE), signed by an authorised signatory of the Borrower, indicating the amount of the Delivery Advance, being the amount set out in Schedule 6 (*Drawdown Schedule*) under the column entitled "Advance to be drawn under this Agreement" to be drawn on the Delivery Date less (i) any amount cancelled based on the Conversion Rate and (ii) the Refund (as defined below) to be refunded in accordance with paragraph (b), such amount of the Refund to be confirmed by SACE at least six (6) Business Days prior to the Delivery Date. The Borrower hereby agrees and shall confirm in such notice that the remaining Commitments shall be deemed to be cancelled. The Borrower acknowledges, for the avoidance of doubt, that the shortfall to be paid to the Builder at the Delivery Date shall be funded and paid directly by the Borrower to the Builder.
- (b) If the sum of the Advances drawn by the Borrower together with the amount notified by the Borrower pursuant to paragraph (a) and (a)(i) above (being the amount set out in Schedule 6 (*Drawdown Schedule*) under the column entitled "Advance to be drawn under this Agreement" to be drawn on the Delivery Date, less any amount cancelled based on the Conversion Rate) equals an aggregate of less than the Maximum Loan Amount, and provided that no Event of Default has occurred and is then continuing and no loss has occurred under the SACE Insurance Policy, the Borrower shall be entitled to a refund of the Second Instalment of the SACE Premium in an amount calculated by SACE on the undrawn amount (the "Refund"). For the avoidance of doubt, the First Instalment of the SACE Premium is non-refundable, irrespective of whether any disbursements have been made under this Agreement and irrespective of whether the SACE Insurance Policy has been terminated.
- (c) Any refund of the Second Instalment of the SACE Premium, whether in whole or in part, must be expressly requested by the SACE Agent to SACE in writing following receipt by the SACE Agent of the Borrower's notice referred to in paragraph (a) above.
- (d) To the extent the Borrower is entitled to the Refund, SACE shall transfer the Refund as soon as practicably possible to the SACE Agent who shall as soon as practicably possible following receipt thereof transfer such amount to the Borrower. The Borrower hereby acknowledges that SACE shall not be liable to pay interest to the Borrower on the amount of the Refund.
- (e) Under the terms of the SACE Insurance Policy, the Parties acknowledge that SACE will withhold an amount of [*] per cent. ([*]%) from the amount of the SACE Premium to be refunded. Such withholding, charged as a lump sum to cover administration and management costs for the SACE Insurance Policy, may not, in any event, amount to less than the equivalent of [*]Euros (€[*]) or more than the equivalent of [*] Euros (€[*]), calculated by SACE at the European Central Bank EUR/USD exchange rate as at the date of the refund request.
- (f) Except as set out in paragraph (a) and (c) above, no part of the SACE Premium is refundable to any Obligor.

- (g) In no event shall the SACE Agent be liable for any refund of the SACE Premium to be made by SACE or for the calculation of any Refund and/or withholding thereof.

9 FEES

9.1 Fees

The following fees shall be paid to the Agent by the Borrower as required hereunder:

- (a) for the benefit of the Joint Mandated Lead Arrangers, a Joint Mandated Lead Arranger structuring fee in Euros, computed at the rate of [*] per cent. ([*]%) flat on [*] being the Maximum Loan Amount converted into Euros at the Base Rate and:
- (i) [*] per cent. ([*]%) of which is payable on the date of the Original Facility Agreement; and
 - (ii) [*] per cent. ([*]%) of which is payable four years prior to the Intended Delivery Date,
- (b) for the benefit of the Lenders, a commitment fee in Dollars for the period from the date of this Agreement to the Delivery Date of the Ship, or the date of receipt by the Agent of the written cancellation notice sent by the Borrower as described in Clause 16.1 (*Cancellation*), whichever is the earliest, computed at the rate of:
- (i) from the date of the Original Facility Agreement to and including 31 December 2017, [*] per cent. ([*]%) per annum;
 - (ii) from 1 January 2018 to and including 31 December 2019, [*] per cent. ([*]%) per annum;
 - (iii) from 1 January 2020 to and including 31 May 2021, [*] per cent. ([*]%) per annum; and
 - (iv) from 1 June 2021 to and including the Delivery Date, [*] per cent. ([*]%) per annum,

and calculated on the undrawn amount of the Maximum Loan Amount and payable in arrears on the date falling six (6) months after the date of the Original Facility Agreement and on each date falling at the end of each following consecutive six (6) month period, with the exception of the commitment fee due in respect of the last period, which shall be paid on the Delivery Date, or the date of receipt by the Agent of the written cancellation notice sent by the Borrower as described in Clause 16.1 (*Cancellation*), whichever is the earliest, such commitment fee to be calculated on the actual number of days elapsed divided by three hundred and sixty (360). For the purpose of the computation of the periodical commitment fee payable to the Lenders, the Maximum Loan Amount is assumed to be eight hundred and sixty-eight million, one hundred and eight thousand, one hundred and eight Dollars and eleven Cents (\$868,108,108.11);

- (c) for the Agent, an agency fee of:
- (i) [*] payable on the date of the Original Facility Agreement and on or before each anniversary date thereof until the Delivery Date; and
 - (ii) [*] payable (A) from the Delivery Date, unless an agency fee pursuant to sub-paragraph (i) above has been paid by the Borrower during the same calendar year as the Delivery Date in which case the first payment pursuant to this sub-paragraph (ii) shall occur in the year following the Delivery Date and (B) on or before each anniversary date thereof until total repayment of the Loan; and

- (d) for the SACE Agent an Agent structuring fee in the amount and payable at the time separately agreed in writing between the SACE Agent and the Borrower.

10 TAXES, INCREASED COSTS, COSTS AND RELATED CHARGES

10.1 Definitions

- (a) In this Agreement:

"Protected Party" means a Secured Party which is or will be subject to any liability, or required to make any payment, for or on account of Tax in relation to a sum received or receivable (or any sum deemed for the purposes of Tax to be received or receivable) under a Finance Document;

"Tax Credit" means a credit against, relief or remission for, or repayment of any Tax.

"Tax Deduction" means a deduction or withholding for or on account of Tax from a payment under a Finance Document other than a FATCA Deduction.

"Tax Payment" means either the increase in a payment made by an Obligor to a Secured Party under Clause 10.2 (*Tax gross-up*) or a payment under Clause 10.3 (*Tax indemnity*).

- (b) Unless a contrary indication appears, in this Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*) reference to **"determines"** or **"determined"** means a determination made in the absolute discretion of the person making the determination.

10.2 Tax gross-up

- (a) Each Obligor shall make all payments to be made by it under the Finance Documents without any Tax Deduction, unless a Tax Deduction is required by law.
- (b) The Borrower shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Agent accordingly. Similarly, a Lender shall notify the Agent on becoming so aware in respect of a payment payable to that Lender. If the Agent receives such notification from a Lender it shall notify the Borrower and that Obligor.
- (c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.
- (d) A payment shall not be increased under paragraph (c) above if on the date on which the payment falls due the Obligor making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender (having been given notice of the documentation requested under Clause 10.7 (*Lender Status*) at least 30 Business Days prior to such payment date) complied with its obligations under Clause 10.7 (*Lender Status*).
- (e) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.
- (f) Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Agent for the Secured Party entitled to the payment evidence reasonably satisfactory to that Secured Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

10.3 Tax indemnity

- (a) The Borrower shall (within three Business Days of demand by the Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.
- (b) Paragraph (a) above shall not apply:
- (i) with respect to any Tax assessed on a Secured Party:
 - (A) under the law of the jurisdiction in which that Secured Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Secured Party is treated as resident for tax purposes; or
 - (B) under the law of the jurisdiction in which that Lender's Facility Office is located in respect of amounts received or receivable in that jurisdiction, if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Secured Party; or
 - (ii) to the extent a loss, liability or cost is compensated for by an increased payment under Clause 10.2 (*Tax gross-up*) or would have been compensated for by an increased payment under Clause 10.2 (*Tax gross-up*) but was not so compensated solely because an exclusion in paragraph (d) of Clause 10.2 (*Tax gross-up*) applied, or relates to a FATCA Deduction required to be made by a Party; or
 - (iii) with respect to the Taxes in the nature of a branch profits tax imposed by Section 884(a) of the Code that is imposed by any jurisdiction described in paragraph (b)(i)(B) above.
- (c) A Protected Party making, or intending to make a claim under paragraph (a) above shall promptly notify the Agent of the event which will give, or has given, rise to the claim, following which the Agent shall notify the Borrower.
- (d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 10.3 (*Tax indemnity*), notify the Agent.

10.4 Tax Credit

If an Obligor makes a Tax Payment and the relevant Creditor Party determines that:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and
- (b) that Creditor Party has obtained, retained and utilised that Tax Credit,

the Creditor Party shall pay an amount to the Obligor which that Creditor Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

10.5 Stamp taxes

The Borrower shall pay and, within three Business Days of demand, indemnify each Secured Party against any cost, loss or liability that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

10.6 VAT

- (a) All amounts expressed to be payable under a Finance Document by any Party to a Secured Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Secured Party to any Party under a Finance Document and such Secured Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Secured Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Secured Party must promptly provide an appropriate VAT invoice to that Party).
- (b) If VAT is or becomes chargeable on any supply made by any Secured Party (the "**Supplier**") to any other Secured Party (the "**Recipient**") under a Finance Document, and any Party other than the Recipient (the "**Relevant Party**") is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):
 - (i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and
 - (ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.
- (c) Where a Finance Document requires any Party to reimburse or indemnify a Secured Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Secured Party for the full amount of such cost or expense, including such part of it as represents VAT, save to the extent that such Secured Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.
- (d) Any reference in this Clause 10.6 (*VAT*) to any Party being required to account to a tax authority for VAT shall, at any time when such Party is treated as a member of a group for VAT purposes, include a reference to another member of that group being required to so account to the relevant tax authority.
- (e) In relation to any supply made by a Secured Party to any Party under a Finance Document, if reasonably requested by such Secured Party, that Party must promptly provide such Secured Party with details of that Party's VAT registration and such other information as is reasonably requested in connection with such Secured Party's VAT reporting requirements in relation to such supply.

10.7 Lender Status

- (a) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under a Finance Document shall deliver to the Agent and the Borrower, at the time or times reasonably requested by the Agent or the Borrower, such properly completed and executed documentation reasonably requested by the Agent or the Borrower (and which it is reasonable for the Lender to complete and execute) as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Agent or the Borrower, shall deliver such other documentation as prescribed by applicable law and reasonably requested by the Agent or the Borrower as will enable the Agent or the Borrower to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

- (b) Any Lender shall, to the extent it is legally entitled to do so, and where it is entitled to an exemption from, or reduction of, U.S. federal withholding tax, deliver to the Agent and the Borrower on or prior to the date on which such Lender becomes a Lender under this Agreement or promptly thereafter (and from time to time thereafter as prescribed by applicable law or upon the request of the Agent or the Borrower), duly executed and properly completed copies of Internal Revenue Service Form W-9 or W-8, as applicable, certifying that it is not subject to U.S. federal backup withholding and, in the case of a non-U.S. Lender that is eligible for an exemption from, or reduction of, U.S. federal withholding Tax establishing an exemption from, or reduction of, U.S. federal withholding Tax.

10.8 FATCA Deduction

- (a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
- (b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction) notify the Party to whom it is making the payment and, in addition, shall notify the Borrower, the Agent and the other Secured Parties.

10.9 FATCA Information

- (a) Subject to paragraph (c) below, each Party shall, within ten Business Days of a reasonable request by another Party:
 - (i) confirm to that other Party whether it is:
 - (A) a FATCA Exempt Party; or
 - (B) not a FATCA Exempt Party;
 - (ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and
 - (iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.
- (b) If a Party confirms to another Party pursuant to paragraph (a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.
- (c) Paragraph (a) above shall not oblige any Creditor Party to do anything, and paragraph (a)(iii) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:
 - (i) any law or regulation;
 - (ii) any fiduciary duty; or

- (iii) any duty of confidentiality.
- (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a) (i) or (ii) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.
- (e) Each Lender shall, within ten Business Days of (i) where the relevant Lender is a Lender at the date of this Agreement, the date of this Agreement and (ii) where the relevant Lender is a Transferee Lender, the effective date of a Transfer Certificate under Clause 24.4 (*Effective Date of Transfer Certificate*), supply to the Agent:
 - (i) a withholding certificate on Form W-8, Form W-9 or any other relevant form; or
 - (ii) any withholding statement or other document, authorisation or waiver as the Agent may require to certify or establish the status of such Lender under FATCA or that other law or regulation.
- (f) The Agent shall provide any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) above to the relevant Borrower.
- (g) If any withholding certificate, withholding statement, document, authorisation or waiver provided to the Agent by a Lender pursuant to paragraph (e) above is or becomes materially inaccurate or incomplete, that Lender shall promptly update it and provide such updated withholding certificate, withholding statement, document, authorisation or waiver to the Agent unless it is unlawful for the Lender to do so (in which case the Lender shall promptly notify the Agent). The Agent shall provide any such updated withholding certificate, withholding statement, document, authorisation or waiver to the relevant Borrower.
- (h) The Agent may rely on any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) or (g) above without further verification. The Agent shall not be liable for any action taken by it under or in connection with paragraphs (e), (f) or (g) above.
- (i) CDP confirms, and the Borrower acknowledges, that as at the date of this Agreement CPD is a FATCA Exempt Party.

10.10 Increased Costs

- (a) If after the date of this Agreement by reason of (x) any change in law or in its interpretation or administration and/or (y) compliance with any request from or requirement of any central bank or other fiscal, monetary or other authority including but without limitation the Basel Committee on Banking Regulations and Supervisory Practices whether or not having the force of law:
 - (i) any of the Lenders incurs a cost as a result of its performing its obligations under this Agreement and/or its making available its Commitment hereunder; or
 - (ii) there is any increase in the cost to any of the Lenders of funding or maintaining all or any of the advances comprised in a class of advances formed by or including its Commitment advanced or to be advanced by it hereunder; or
 - (iii) any of the Lenders incurs a cost as a result of its having entered into and/or its assuming or maintaining its commitment under this Agreement; or

- (iv) any of the Lenders becomes liable to make any payment on account of Tax or otherwise (other than Tax on its overall net income) on or calculated by reference to the amount of its Commitment advanced or to be advanced hereunder and/or any sum received or receivable by it hereunder; or
- (v) any of the Lenders suffers any decrease in its rate of return as a result of any changes in the requirements relating to capital ratios, monetary control ratios, the payment of special deposits, liquidity costs or other similar requirements affecting that Lender,

then the Borrower shall on demand pay to the Agent for the account of the relevant Lender or Lenders amounts sufficient to indemnify the relevant Lender or Lenders against, as the case may be, such cost, such increased cost (or such proportion of such increased cost as is in the reasonable opinion of the relevant Lender or Lenders attributable to the funding or maintaining of its or their Commitment(s) hereunder) or such liability.

- (b) This Clause 10.10 (*Increased Costs*) does not apply to the extent any increased cost is:
 - (i) attributable to a Tax Deduction required by law to be made by an Obligor;
 - (ii) attributable to a FATCA Deduction required to be made by a Party;
 - (iii) compensated for by Clause 10.3 (*Tax indemnity*) (or would have been compensated for under Clause 10.3 (*Tax indemnity*) but was not compensated solely because any of the exclusions in paragraph (b) of Clause 10.3 (*Tax indemnity*) applied); or
 - (iv) attributable to the wilful breach by the relevant Creditor Party or its Affiliates of any law of regulation.

In this Clause 10.10 (*Increased Costs*), a reference to a "Tax Deduction" has the same meaning given to the term in Clause 10.1 (*Definitions*).

- (c) A Lender affected by any provision of this Clause 10.10 (*Increased Costs*) shall promptly inform the Agent after becoming aware of the relevant change and its possible results (which notice shall be conclusive evidence of the relevant change and its possible results) and the Agent shall, as soon as reasonably practicable thereafter, notify the Borrower of the change and its possible results. Without affecting the Borrower's obligations under this Clause 10.10 (*Increased Costs*) and in consultation with the Agent and the Italian Authorities, the affected Lender will then take all such reasonable steps as may be open to it to mitigate the effect of the change (for example (if then possible) by changing its Facility Office or transferring some or all of its rights and obligations under this Agreement to another financial institution reasonably acceptable to the Borrower and the Agent and the Italian Authorities). - (b) if the Borrower has selected the Fixed Interest Rate in accordance with Clause 6.1 (*Fixed or Floating Interest Rate*), all of the amounts that SIMEST is entitled to charge, whether for taxes, costs, expenses, indemnities, penalties, losses or liabilities whatsoever, under and in accordance with the Interest Make-up Agreement, including without limitation, as a result of any prepayment of all or any part of the Loan under this Agreement (whether voluntary, mandatory, following acceleration of the Loan or otherwise), as a result of an Interest Make-Up Event or as a result of the Borrower deciding to switch from the Fixed Interest Rate to another interest rate after the Drawdown Date and/or an Interest Make-up Event. Such amounts include, without limitation, (i) breakage costs, (ii) any amount due as a consequence of the close-out of any hedging arrangement entered into by SIMEST in relation to this Agreement, (iii) default interest and penalties (*maggiorazioni*) whenever applicable, and (iv) all amounts (if any) to be returned by the Agent to SIMEST under and pursuant to the Interest Make-Up Agreement; and

- (c) any other costs whatsoever or howsoever arising under or in respect of the Interest Make-Up Agreement which are passed to the Agent, and any such costs imposed by SIMEST shall be paid by the Borrower to SIMEST through the Agent.

For the purposes of this Clause 20.2 (*Breakage costs and SIMEST arrangements*) "**Interest Make-Up Event**" means the occurrence of any circumstances which result in the termination, cancellation, revocation, cessation or suspension (in each case, in whole or in part) of the Interest Make-Up Agreement or the Interest Make-Up Agreement otherwise ceases or may cease to be in full force and effect or the Agent notifies the Borrower that the Fixed Interest Rate is not available for any reason, in each case, in accordance with the terms of the Interest Make-Up Agreement.

20.3 Miscellaneous indemnities

The Borrower shall fully indemnify each Secured Party severally on their respective demands in respect of all claims, expenses, liabilities and losses which may be made or brought against or incurred by a Secured Party, in any country, as a result of or in connection with:

- (a) any action taken, or omitted or neglected to be taken, under or in connection with any Finance Document by the Agent or any other Secured Party or by any receiver appointed under a Finance Document;
- (b) any other Pertinent Matter,

other than claims, expenses, liabilities and losses which are shown to have been directly and mainly caused by the dishonesty or wilful misconduct of the officers or employees of the Secured Party concerned.

Without prejudice to its generality, this Clause 20.3 (*Miscellaneous indemnities*) covers (i) any claims, expenses, liabilities and losses which arise, or are asserted, under or in connection with any law relating to safety at sea, the ISM Code or any Environmental Laws or any Sanctions and (ii) any claims, expenses, liabilities (including, without limitation, under a reputational standpoint) and losses which arise, or are asserted, against CDP under or in connection with any breach by the Borrower of any of the provisions paragraphs (nn) to (rr) of Clause 11.2 (*Continuing representations and warranties*) and/or of Clause 12.27 (*Code of Ethics and Model*).

20.4 Currency indemnity

If any sum due from an Obligor to a Secured Party under a Finance Document or under any order or judgment relating to a Finance Document has to be converted from the currency in which the Finance Document provided for the sum to be paid (the "**Contractual Currency**") into another currency (the "**Payment Currency**") for the purpose of:

- (a) making or lodging any claim or proof against an Obligor, whether in its liquidation, any arrangement involving it or otherwise; or
- (b) obtaining an order or judgment from any court or other tribunal; or
- (c) enforcing any such order or judgment,

the Borrower shall indemnify the Secured Party concerned against the loss arising when the amount of the payment actually received by that Secured Party is converted at the available rate of exchange into the Contractual Currency.

In this Clause 20.4 (*Currency indemnity*) the "**available rate of exchange**" means the rate at which the Secured Party concerned is able at the opening of business (Paris time) on the Business Day after it receives the sum concerned to purchase the Contractual Currency with the Payment Currency.

This Clause 20.4 (*Currency indemnity*) creates a separate liability of the Borrower which is distinct from its other liabilities under the Finance Documents and which shall not be merged in any judgment or order relating to those other liabilities.

20.5 Certification of amounts

A notice which is signed by 2 officers of a Secured Party, which states that a specified amount, or aggregate amount, is due to that Secured Party under this Clause 20 (*Indemnities*) and which indicates (without necessarily specifying a detailed breakdown) the matters in respect of which the amount, or aggregate amount, is due shall be prima facie evidence that the amount, or aggregate amount, is due.

20.6 Sums deemed due to a Lender

For the purposes of this Clause 20 (*Indemnities*), a sum payable by the Borrower to the Agent for distribution to a Lender shall be treated as a sum due to that Lender.

20.7 SACE obligations

To the extent that this Clause 20 (*Indemnities*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

21 ILLEGALITY, ETC.

21.1 Illegality and Sanctions

This Clause 21 (*Illegality, etc.*) applies if:

- (a) a Lender (the "**Notifying Lender**") notifies the Agent that:
 - (i) it becomes unlawful or contrary to any law, regulation or Sanctions – including by way of civil, administrative or criminal liability - in any applicable jurisdiction for the Notifying Lender to perform any of its obligations as contemplated by the Finance Documents or to fund its participation in the Loan; and/or
 - (ii) it becomes unlawful or contrary to any law, regulation or Sanctions – including by way of civil, administrative or criminal liability - in any applicable jurisdiction for the Notifying Lender to maintain its participation in the Loan; or
- (b) an Obligor is or becomes a Prohibited Person,
(such event, an "**Illegality or Sanctions Event**").

21.2 Notification of illegality

- (a) The Agent shall promptly notify the Borrower, the Obligors and the other Lenders of the notice under Clause 21 (*Illegality, etc.*) which the Agent receives from the Notifying Lender.

- (b) Upon receipt of the notice under paragraph (a) above and provided that such Illegality or Sanctions Event is not applicable with immediate effect (in which case paragraph (a) of Clause 21.3 (*Prepayment; termination of Commitment*) will apply immediately and this paragraph (b) of Clause 21.2 (*Notification of illegality*) will not apply, the Agent shall, where the Borrower has selected the Fixed Interest Rate pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), inform SIMEST in writing in order to start consultations between themselves (pursuant to clause 6 of the Interest Make-Up Agreement) with a view to exploring any possible solution to mitigate the Illegality or Sanctions Event preventing that Lender from performing any of its obligations under a Finance Document or funding or maintaining its share in the Loan. Any solution agreed between the Agent and SIMEST at the end of the consultation period (which shall last for a period of ten (10) days from the service of such notice on SIMEST) will be binding among themselves and shall be notified by the Agent to each Obligor immediately thereafter (and in any case no later than ten (10) days following such decision).
- (c) If at the end of the consultation procedure set out in paragraph (b) above, no solution is agreed between the Agent and SIMEST, the Agent must immediately notify the Lenders and the Obligors.

21.3 Prepayment; termination of Commitment

- (a) After notification under paragraph (c) above or (in case the Interest Make-Up Agreement has ceased to be in force and effect or the Fixed Interest Rate has not been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*)) after notification under paragraph (a) above and subject to Clause 21.4 (*Mitigation*) below the Borrower must repay or prepay that Lender's share in the Loan on the date specified in paragraph (c) below together with any breakage costs payable under Clause 20.2 (*Breakage costs and SIMEST arrangements*) and any indemnity payable under paragraph (c) of Clause 20.2 (*Breakage costs and SIMEST arrangements*) in respect of the Interest Make-Up Agreement;
- (b) On the Agent notifying the Borrower under paragraph (c) of Clause 21.2 (*Notification of illegality*), the Notifying Lender's Commitment shall terminate; and thereupon or, if later, on the date specified in the Notifying Lender's notice under Clause 21.1 (*Illegality and Sanctions*) as the date on which the notified event would become effective the Borrower shall prepay the Notifying Lender's Contribution and shall pay compensation to the Notifying Lender calculated in accordance with Clause 16.2 (*Voluntary prepayment*).
- (c) The date for repayment or prepayment of a Lender's share in the Loan will be:
 - (i) the date specified by the Agent in the notification under paragraph (b) above; or
 - (ii) in case the Interest Make-Up Agreement has ceased to be in full force and effect or the Fixed Interest Rate has not been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), the last day of the current Interest Period for the relevant Advance or Advances or, if earlier, the date specified by the Lender in the notification under paragraph (a) above and which must not be earlier than the last day of any applicable grace period allowed by law.

21.4 Mitigation

- (a) Each Secured Party shall, in consultation with the Borrowers, take all reasonable steps to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to, or cancelled pursuant to Clause 21.1 (*Illegality and Sanctions*) including (but not limited to) transferring its rights and obligations under the Finance Documents to another Affiliate or Facility Office.
- (b) Paragraph (a) above does not in any way limit the obligations of any Obligor under the Finance Documents.

22 SET-OFF

22.1 Application of credit balances

Each Creditor Party may without prior notice:

- (a) apply any balance (whether or not then due) which at any time stands to the credit of any account in the name of the Borrower at any office in any country of that Creditor Party in or towards satisfaction of any sum then due from the Borrower to that Creditor Party under any of the Finance Documents; and
- (b) for that purpose:
 - (i) break, or alter the maturity of, all or any part of a deposit of the Borrower;
 - (ii) convert or translate all or any part of a deposit or other credit balance into Dollars;
 - (iii) enter into any other transaction or make any entry with regard to the credit balance which the Creditor Party concerned considers appropriate.

22.2 Existing rights unaffected

No Creditor Party shall be obliged to exercise any of its rights under Clause 22.1 (*Application of credit balances*); and those rights shall be without prejudice and in addition to any right of set-off, combination of accounts, charge, lien or other right or remedy to which a Creditor Party is entitled (whether under the general law or any document).

22.3 Sums deemed due to a Lender

For the purposes of this Clause 22 (*Set-Off*), a sum payable by the Borrower to the Agent for distribution to, or for the account of, a Lender shall be treated as a sum due to that Lender; and each Lender's proportion of a sum so payable for distribution to, or for the account of, the Lenders shall be treated as a sum due to such Lender.

22.4 No Security Interest

This Clause 22 (*Set-Off*) gives the Creditor Parties a contractual right of set-off only, and does not create any equitable charge or other Security Interest over any credit balance of the Borrower.

23 BAIL-IN

Notwithstanding any other term of any Finance Document or any other agreement, arrangement or understanding between the parties to a Finance Document, each Party acknowledges and accepts that any liability of any party to a Finance Document under or in connection with the Finance Documents may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

- (a) any Bail-In Action in relation to any such liability, including (without limitation):
 - (i) a reduction, in full or in part, in the principal amount, or outstanding amount due (including any accrued but unpaid interest) in respect of any such liability;
 - (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership that may be issued to, or conferred on, it; and
 - (iii) a cancellation of any such liability; and

- (b) a variation of any term of any Finance Document to the extent necessary to give effect to any Bail-in Action in relation to any such liability.

24 CHANGES TO THE LENDERS

24.1 Transfer by a Lender

Subject to Clause 24.5 (*No transfer without Transfer Certificate*), Clause 24.17 (*Assignment or transfer to SACE*) and Clause 24.14 (*Change of Facility Office*), a Lender (the "**Transferor Lender**") may at any time provided they have obtained the prior written consent of the Italian Authorities cause:

- (a) its rights in respect of all or part of its Contribution; or
- (b) its obligations in respect of all or part of its Commitment; or
- (c) a combination of (a) and (b),

to be (in the case of its rights) transferred to, or (in the case of its obligations) assumed by, in whole or in part any of its Affiliates or another bank or financial institution or a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (a "**Transferee Lender**") by delivering to the Agent a completed certificate in the form set out in Schedule 4 (*Form of Transfer Certificate*) with any modifications approved or required by the Agent (a "**Transfer Certificate**") executed by the Transferor Lender and the Transferee Lender.

However any rights and obligations of the Transferor Lender in its capacity as Agent or Security Trustee will have to be dealt with separately in accordance with the provisions of Clauses 26 (*Role of the Agent and the Joint Mandated Lead Arrangers*) and 27 (*The Security Trustee*) respectively.

24.2 Conditions of assignment or transfer

- (a) The consent of the Borrower is required at all times (subject to the provisions of Clauses 24.5 (*No transfer without Transfer Certificate*) and 24.17 (*Assignment or transfer to SACE*) for an assignment or transfer by an Existing Lender, unless (i) there is an Event of Default or (ii) the assignment or transfer is to another Lender or an Affiliate of a Lender.
- (b) The consent of the Borrower to an assignment or transfer must not be unreasonably withheld or delayed. The Borrower will be deemed to have given its consent ten (10) Business Days after the Existing Lender has requested it unless consent is expressly refused by that Borrower within that time.
- (c) The assignment or transfer must be with respect to a minimum Commitment of [*] Dollars (\$[*]) or, if less, the Existing Lender's full Commitment.

24.3 Transfer Certificate, delivery and notification

As soon as reasonably practicable after a Transfer Certificate is delivered to the Agent, it shall (unless it has reason to believe that the Transfer Certificate may be defective):

- (a) sign the Transfer Certificate on behalf of itself, the Borrower, any other Obligor, the Security Trustee and each of the other Lenders;
- (b) on behalf of the Transferee Lender, send to the Borrower and each Obligor letters or faxes notifying them of the Transfer Certificate and attaching a copy of it; and
- (c) send to the Transferee Lender copies of the letters or faxes sent under paragraph (b) above,

but the Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Transferor Lender and the Transferee Lender once it is satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to the transfer to that Transferee Lender.

24.4 Effective Date of Transfer Certificate

A Transfer Certificate becomes effective on the date, if any, specified in the Transfer Certificate as its effective date, provided that it is signed by the Agent under Clause 24.3 (*Transfer Certificate, delivery and notification*) on or before that date.

24.5 No transfer without Transfer Certificate

Except as provided in Clause 24.16 (*Security over Lenders' rights*), no assignment or transfer of any right or obligation of a Lender under any Finance Document is binding on, or effective in relation to, the Borrower, any Obligor, the Agent or the Security Trustee unless it is effected, evidenced or perfected by a Transfer Certificate.

24.6 Lender re-organisation; waiver of Transfer Certificate

However, if a Lender enters into any merger, de-merger or other reorganisation as a result of which all its rights or obligations vest in another person (the "**successor**"), the Agent may, if it sees fit, by notice to the successor and the Borrower and the Security Trustee waive the need for the execution and delivery of a Transfer Certificate; and, upon service of the Agent's notice, the successor shall become a Lender with the same Commitment and Contribution as were held by the predecessor Lender.

24.7 Effect of Transfer Certificate

A Transfer Certificate takes effect in accordance with English law as follows:

- (a) to the extent specified in the Transfer Certificate, all rights and interests (present, future or contingent) which the Transferor Lender has under or by virtue of the Finance Documents are assigned to the Transferee Lender absolutely, free of any defects in the Transferor Lender's title and of any rights or equities which the Borrower or any Obligor had against the Transferor Lender;
- (b) the Transferor Lender's Commitment is discharged to the extent specified in the Transfer Certificate;
- (c) the Transferee Lender becomes a Lender with the Contribution previously held by the Transferor Lender and a Commitment of an amount specified in the Transfer Certificate;
- (d) the Transferee Lender becomes bound by all the provisions of the Finance Documents which are applicable to the Lenders generally, including those about pro-rata sharing and the exclusion of liability on the part of, and the indemnification of, the Agent and the Security Trustee and, to the extent that the Transferee Lender becomes bound by those provisions (other than those relating to exclusion of liability), the Transferor Lender ceases to be bound by them;
- (e) any part of the Loan which the Transferee Lender advances after the Transfer Certificate's effective date ranks in point of priority and security in the same way as it would have ranked had it been advanced by the transferor, assuming that any defects in the transferor's title and any rights or equities of the Borrower or any Obligor against the Transferor Lender had not existed;
- (f) the Transferee Lender becomes entitled to all the rights under the Finance Documents which are applicable to the Lenders generally, including but not limited to those relating to the Majority Lenders and those under Clause 6.6 (*Market disruption*) and Clause 9 (*Fees*), and to the extent that the Transferee Lender becomes entitled to such rights, the Transferor Lender ceases to be entitled to them; and

- (g) in respect of any breach of a warranty, undertaking, condition or other provision of a Finance Document or any misrepresentation made in or in connection with a Finance Document, the Transferee Lender shall be entitled to recover damages by reference to the loss incurred by it as a result of the breach or misrepresentation, irrespective of whether the original Lender would have incurred a loss of that kind or amount.

The rights and equities of the Borrower or any Obligor referred to above include, but are not limited to, any right of set off and any other kind of cross-claim.

24.8 Maintenance of register of Lenders

During the Security Period the Agent shall maintain a register in which it shall record the name, Commitment, Contribution and administrative details (including the Facility Office) from time to time of each Lender holding a Transfer Certificate and the effective date (in accordance with Clause 24.4 (*Effective Date of Transfer Certificate*)) of the Transfer Certificate; and the Agent shall make the register available for inspection by any Lender, the Security Trustee and the Borrower during normal banking hours, subject to receiving at least 3 Business Days' prior notice.

24.9 Reliance on register of Lenders

The entries on that register shall, in the absence of manifest error, be conclusive in determining the identities of the Lenders and the amounts of their Commitments and Contributions and the effective dates of Transfer Certificates and may be relied upon by the Agent and the other parties to the Finance Documents for all purposes relating to the Finance Documents.

24.10 Authorisation of Agent to sign Transfer Certificates

The Borrower, the Security Trustee and each Lender irrevocably authorise the Agent to sign Transfer Certificates on its behalf.

24.11 Fees and Costs

In respect of any Transfer Certificate:

- (a) the Agent shall be entitled to recover a registration fee of five thousand Euros (€5,000) from the Transferor Lender or (at the Agent's option) the Transferee Lender;
- (b) the Transferee Lender shall pay to the Agent, upon demand, all reasonable costs and expenses, duties and fees, including but without limitation legal costs and out of pocket expenses, incurred by the Agent or the Lenders in connection with any necessary amendment to or supplementing of the Transaction Documents or any of them or the SACE Insurance Policy as a consequence of the assignment or transfer; and
- (c) the Transferee Lender shall pay to the Agent, upon demand, such amount as is payable to the Italian Authorities to cover its costs of giving its approval under Clause 24.1 (*Transfer by a Lender*).

24.12 Sub-participation; subrogation assignment

A Lender may sub-participate all or any part of its rights and/or obligations under or in connection with the Finance Documents without the consent of, or any notice to, the Borrower, any Obligor, the Agent or the Security Trustee but with the prior written consent of SACE.

24.13 Disclosure of information

A Lender may disclose to a potential Transferee Lender or sub participant any information which the Lender has received in relation to the Borrower, any Obligor or their affairs under or in connection with any Finance Document, unless the information is clearly of a confidential nature.

24.14 Change of Facility Office

Subject to the prior written consent of SACE, a Lender may change its Facility Office by giving notice to the Agent and the change shall become effective on the later of:

- (a) the date on which the Agent receives the notice; and
- (b) the date, if any, specified in the notice as the date on which the change will come into effect, provided that if (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office, and (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, an Obligor would be obliged to make a payment or an increased payment to the new Lender or Lender acting through its new Facility Office under Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*), then the new Lender or Lender acting through its new Facility Office is only entitled to receive payment under that Clause to the same extent as the existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred.

24.15 Notification

On receiving such a notice, the Agent shall notify the Borrower and the Security Trustee; and, until the Agent receives such a notice, it shall be entitled to assume that a Lender is acting through the Facility Office of which the Agent last had notice.

24.16 Security over Lenders' rights

In addition to the other rights provided to Lenders under this Clause 24 (*Changes to the Lenders*) each Lender may without consulting with or obtaining consent from the Borrower or any Obligor but subject to the prior written consent of SACE, at any time charge, assign or otherwise create a Security Interest in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender (i) to the benefit of any Affiliate and/or (ii) within the framework of its, or its Affiliates, direct or indirect funding operations including, without limitation:

- (a) any charge, assignment or other Security Interest to secure obligations to a federal reserve, central bank or a multilateral development bank (including the European Investment Bank and the European Investment Fund); and
- (b) in the case of any Lender which is a fund, any charge, assignment or other Security Interest granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities;

except that no such charge, assignment or Security Interest shall:

- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or Security Interest for the Lender as a party to any of the Finance Documents; or

- (ii) alter the obligations of the Obligor or require any payments to be made by the Borrower or any Obligor or grant to any person any more extensive rights than those required to be made or granted to the relevant Lender under the Finance Documents.

24.17 Assignment or transfer to SACE

- (a) Notwithstanding the above provisions of this Clause 24 (*Changes to the Lenders*) each Lender and the Agent shall, if so instructed by SACE in accordance with the provisions of the SACE Insurance Policy and without any requirement for the consent of any Obligor, assign its rights or (as the case may be) transfer its rights and obligations to SACE (but for the avoidance of doubt, SACE will not assume any of the Lenders' obligations pursuant to Clauses 10 (*Taxes, Increased Costs, Costs and Related Charges*) or 33 (*Confidentiality*) of this Agreement), which assignment or transfer shall take effect upon the date stated in the relevant documentation subject to SACE being satisfied that it has complied with all necessary "know your customer" requirements in relation to such assignment or transfer;
- (b) The Agent shall promptly notify the Obligors of any such assignment or transfer to SACE and, following an Event of Default, the Obligors shall pay to the Agent, upon demand, all reasonable costs and expenses, duties and fees, including but without limitation legal costs and out of pocket expenses, incurred by SACE, the Agent or the Lenders in connection with any such assignment or transfer.

24.18 No prejudice to SACE rights

Nothing in the Finance Documents shall prejudice or otherwise limit:

- (a) the rights of any Lender to assign its rights or transfer its rights and obligations, under, or in connection with, any Finance Document to SACE or as directed by SACE; and
- (b) the right of SACE to be subrogated to any Lender's rights under, or in connection with, any Finance Document.

24.19 SACE's power to direct

The Creditor Parties agree and the Obligors acknowledge that SACE has the right to direct the decision-making of the Agent and/or the Security Trustee, including (without limitation) following an Event of Default.

24.20 Definition of Affiliate

For the purposes of this Clause 24 (*Changes to the Lenders*), the definition of "Affiliate" in respect of Crédit Agricole Corporate and Investment Bank shall, for the avoidance of doubt, include any other member of Crédit Agricole Group, and in particular:

- (a) Crédit Agricole S.A.;
- (b) Caisses Régionales de Crédit Agricole;
- (c) Crédit Agricole Assurances;
- (d) LCL SA; and/or
- (e) any company or legal entity in which one or more of the companies or entities referred to in paragraphs (a) to (d) above, together or separately, owns a direct majority interest.

25 CHANGES TO THE OBLIGORS

25.1 No change without consent

No Obligor may assign any of its rights or transfer any of its rights or obligations under the Finance Documents.

26 ROLE OF THE AGENT AND THE JOINT MANDATED LEAD ARRANGERS

26.1 Appointment of the Agent

- (a) Each other Secured Party appoints the Agent to act as its agent under and in connection with this Agreement and the other Finance Documents, the SACE Insurance Policy and the Interest Make Up Agreement.
- (b) Each other Secured Party authorises the Agent to exercise the rights, powers, authorities and discretions specifically given to the Agent under or in connection with the Finance Documents together with any other incidental rights, powers, authorities and discretions.

26.2 Duties of the Agent

- (a) The Agent shall promptly forward to a Party the original or a copy of any document which is delivered to the Agent for that Party by any other Party.
- (b) Except where a Finance Document specifically provides otherwise, the Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.
- (c) If the Agent receives notice from a Party referring to this Agreement, describing an Event of Default and stating that the circumstance described is an Event of Default, it shall promptly notify the other Secured Parties.
- (d) If the Agent is aware of the non-payment of any principal, interest, commitment fee or other fee payable to a Secured Party (other than the Agent or a Joint Mandated Lead Arranger) under this Agreement it shall promptly notify the other Secured Parties.
- (e) The Agent's duties under the Finance Documents are solely administrative in nature.

26.3 Role of Joint Mandated Lead Arrangers

None of the Joint Mandated Lead Arrangers has any obligations of any kind to any other Party under or in connection with any Transaction Document, the Interest Make-Up Agreement or the SACE Insurance Policy.

26.4 No fiduciary duties

- (a) Nothing in this Agreement constitutes the Agent or any of the Joint Mandated Lead Arrangers as a trustee or fiduciary of any other person.
- (b) Neither the Agent nor any of the Joint Mandated Lead Arrangers shall be bound to account to any Lender for any sum or the profit element of any sum received by it for its own account.

26.5 Business with the Guarantor

The Agent and each of the Joint Mandated Lead Arrangers may accept deposits from, lend money to and generally engage in any kind of banking or other business with any Affiliate or Subsidiary of the Guarantor.

26.6 Rights and discretions of the Agent

- (a) The Agent may rely on:
 - (i) any representation, notice or document believed by it to be genuine, correct and appropriately authorised; and
 - (ii) any statement made by a director, authorised signatory or employee of any person regarding any matters which may reasonably be assumed to be within his knowledge or within his power to verify.
- (b) The Agent may assume (unless it has received notice to the contrary in its capacity as agent for the Lenders) that:
 - (i) no Event of Default has occurred (unless it has actual knowledge of an Event of Default); and
 - (ii) any right, power, authority or discretion vested in any Party or the Lenders has not been exercised.
- (c) The Agent may engage, pay for and rely on the advice or services of any lawyers, accountants, surveyors or other experts.
- (d) The Agent may act in relation to the Finance Documents through its personnel and agents.
- (e) The Agent may disclose to any other Party any information it reasonably believes it has received as the Agent under this Agreement.
- (f) Notwithstanding any other provision of any Finance Document to the contrary, neither the Agent nor any of the Joint Mandated Lead Arrangers is obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.

26.7 Lenders' and SACE's instructions

- (a) Unless a contrary indication appears in a Finance Document, the Agent shall:
 - (i) exercise any right, power, authority or discretion vested in it as Agent in accordance with any instructions given to it by the Majority Lenders and SACE (or, if so instructed by the Majority Lenders and SACE, refrain from exercising any right, power, authority or discretion vested in it as the Agent); and
 - (ii) not be liable for any act (or omission) if it acts (or refrains from taking any action) in accordance with an instruction of the Majority Lenders and SACE.
- (b) Unless a contrary indication appears in a Finance Document, any instructions given by the Majority Lenders and SACE will be binding on all the Secured Parties.
- (c) The Agent may refrain from acting in accordance with the instructions of the Majority Lenders and SACE until it has received such security as it may require for any cost, loss or liability (together with any associated VAT) which it may incur in complying with the instructions.
- (d) In the absence of instructions from the Majority Lenders and SACE the Agent may act (or refrain from taking action) as it considers to be in the best interest of the Secured Parties.
- (e) The Agent is not authorised to act on behalf of a Lender (without first obtaining that Lender's consent) in any legal or arbitration proceedings relating to any Finance Document.

- (f) Notwithstanding anything to the contrary, the Lenders agree that if the Agent (acting in its sole discretion) is of the opinion that or if any Lender notifies the Agent that it is of the opinion that, the prior approval of the Italian Authorities should be obtained in relation to the exercise or non-exercise by the Agent or the Lenders of any power, authority or discretion specifically given to them under or in connection with the Finance Documents or in relation to any other incidental rights, powers, authorities or discretions, then the Agent shall seek such approval of the Italian Authorities prior to such exercise or non-exercise.

26.8 Responsibility for documentation

The Agent is not responsible for:

- (a) the adequacy, accuracy and/or completeness of any information (whether oral or written) supplied by the Agent, a Joint Mandated Lead Arranger, an Obligor or any other person given in or in connection with any Transaction Document, the SACE Insurance Policy or the Interest Make-Up Agreement; nor for
- (b) the legality, validity, effectiveness, adequacy or enforceability of any Transaction Document the SACE Insurance Policy or the Interest Make-Up Agreement or any other agreement, arrangement or document entered into, made or executed in anticipation of or in connection with any Transaction Document, the SACE Insurance Policy or the Interest Make-Up Agreement.

26.9 Exclusion of liability

- (a) Without limiting paragraph (b) of Clause 26.9 (*Exclusion of liability*), the Agent will not be liable for any action taken by it under or in connection with any Finance Document, the SACE Insurance Policy or the Interest Make-Up Agreement, unless directly caused by its Gross Negligence or wilful misconduct.

- (g) The Majority Lenders may, by notice to the Security Trustee, require it to resign in accordance with paragraph (b) above. In this event, the Security Trustee shall resign in accordance with paragraph (b) above but the cost referred to in paragraph (d) above shall be for the account of the Borrower.

If a Creditor Party (a "**Recovering Creditor Party**") receives or recovers any amount from an Obligor other than in accordance with Clause 29 (*Sharing among the Creditor Parties*) and applies that amount to a payment due under the Finance Documents then:

- (a) the Recovering Creditor Party shall, within three (3) Business Days, notify details of the receipt or recovery to the Agent;
- (b) the Agent shall determine whether the receipt or recovery is in excess of the amount the Recovering Creditor Party would have been paid had the receipt or recovery been received or made by the Agent and distributed in accordance with Clause 19 (*Application of sums received*) and Clause 30 (*Payment Mechanics*), without taking account of any Tax which would be imposed on the Agent in relation to the receipt, recovery or distribution; and
- (c) the Recovering Creditor Party shall, within three (3) Business Days of demand by the Agent, pay to the Agent an amount (the "**Sharing Payment**") equal to such receipt or recovery less any amount which the Agent determines may be retained by the Recovering Creditor Party as its share of any payment to be made, in accordance with Clause 19 (*Application of sums received*) and Clause 30 (*Payment Mechanics*).

29.2 Redistribution of payments

29.4 Reversal of redistribution

If any part of the Sharing Payment received or recovered by a Recovering Creditor Party becomes repayable and is repaid by that Recovering Creditor Party, then:

- (a) each Lender which has received a share of the relevant Sharing Payment pursuant to Clause 29.2 *Redistribution of payments* shall, upon request of the Agent, pay to the Agent for account of that Recovering Creditor Party an amount equal to the appropriate part of its share of the Sharing Payment (together with an amount as is necessary to reimburse that Recovering Creditor Party for its proportion of any interest on the Sharing Payment which that Recovering Creditor Party is required to pay); and
- (b) that Recovering Creditor Party's rights of subrogation in respect of any reimbursement shall be cancelled and the relevant Obligor will be liable to the reimbursing Creditor Party for the amount so reimbursed.

29.5 Exceptions

- (a) This Clause 29 (*Sharing among the Creditor Parties*) shall not apply to the extent that the Recovering Creditor Party would not, after making any payment pursuant to this Clause, have a valid and enforceable claim against the relevant Obligor.
- (b) A Recovering Creditor Party is not obliged to share with any other Creditor Party any amount which the Recovering Creditor Party has received or recovered as a result of taking legal or arbitration proceedings, if:

30.4 Clawback

- (a) Where a sum is to be paid to the Agent under the Finance Documents for another Party, the Agent is not obliged to pay that sum to that other Party (or to enter into or perform any related exchange contract) until it has been able to establish to its satisfaction that it has actually received that sum.
- (b) If the Agent pays an amount to another Party and it proves to be the case that the Agent had not actually received that amount, then the Party to whom that amount (or the proceeds of any related exchange contract) was paid by the Agent shall on demand refund the same to the Agent together with interest on that amount from the date of payment to the date of receipt by the Agent, calculated by the Agent to reflect its cost of funds.

6.14 Application of prepayment

The provisions of Clause 16 (*Cancellation, Prepayment and Mandatory Prepayment*) shall apply in relation to the prepayment.

6.15 Certain Circumstances

- (c) in the event of any Relevant Circumstances falling within paragraph (c) of Clause 6.6 (*Market disruption*) (the "**Availability-Related Relevant Circumstances**") occurring before the Loan is made and notwithstanding the provisions of Clause 6.8 (*Suspension of drawdown*), each Lender will enter into good faith discussions with the Borrower for a period not exceeding 10 Business Days in order to discuss a basis on which the Lenders could be able to fund their respective Contributions in Euros (or, if unavailable in Euros, then in any available currency). Such discussions shall be without obligation on the Lenders provided that during such discussion period, such circumstances continue.

6.16 Change of currency

- (a) In the event that the Agent notifies the Borrower that SIMEST has requested a change in the currency of the Loan in accordance with clause 6.3 of the Interest Make-Up Agreement, the Borrower and the Lenders shall, without obligation, consider such request for a change of currency acting reasonably for a period of not exceeding 10 Business Days. Following such discussions the Agent shall report the decision of the Borrower and the Lenders to SIMEST, providing their reason for any negative decision.
- (b) In the event that a change of currency is agreed the Parties agree to negotiate in good faith the necessary changes to the Loan Agreement, the Finance Documents, the SACE Insurance Policy and the Interest Make-Up Agreement in order to document the change in currency.
- (c) In the event that a change in currency is not acceptable to the Lenders or the Borrower, the provision of paragraph (c) of Clause 6.3 (*Floating Interest Rate*) shall apply.

- (a) 6 months; or

8.1 SACE Premium

The estimated SACE Premium for a maximum amount of [*] (being [*] per cent. ([*]%) of the Maximum Loan Amount) is due and payable in two instalments as follows:

- (a) the first instalment of the SACE Premium being an amount of [*] (calculated as being [*] per cent. ([*]%) of [*] per cent. ([*]%) of the Maximum Loan Amount) (the "**First Instalment**") shall be paid by the Borrower to SACE (provided that the Borrower and the Lenders have been notified by the SACE Agent that the SACE Insurance Policy has been issued) on the earlier of (i) the date falling 30 days after the issuance of the SACE Insurance Policy and (ii) 16 June 2017, being the date falling 6 months after the date of SACE's board approval; and

- (b) the second instalment of the SACE Premium being an amount of [*] (calculated as being [*] per cent. ([*]%) of [*] per cent. ([*]%) of the Maximum Loan Amount) (the "Second Instalment") and shall be payable on the first Drawdown Date. For the sake of clarity, no set-off with the First Instalment shall be permitted.

8.2 Reimbursement by the Borrower of the SACE Premium

The Borrower irrevocably agrees to pay the First Instalment, and to instruct the Lenders to pay the Second Instalment on behalf of the Borrower as follows:

- (a) the Borrower has requested and the Lenders have agreed to reimburse the payment of one hundred per cent. (100%) of the First Instalment to the Borrower on the first Drawdown Date, it being agreed that such First Instalment shall be paid to SACE by the Borrower in accordance with paragraph (a) of Clause 8.1 (*SACE Premium*) and upon notification by the Agent to the Borrower (i) of the issuance of the SACE Insurance Policy documentation in the form required by paragraph (d) of Clause 3.6 (*No later than five (5) Business Days before the First Drawdown Date*), and (ii) of the amount of the First Instalment; and
- (b) the Borrower has requested and the Lenders have agreed to finance the payment of one hundred per cent. (100%) of the Second Instalment on the first Drawdown Date in accordance with paragraph (c) of Clause 2.1 (*Amount of facility*) of this Agreement.

Consequently, the Borrower hereby irrevocably instructs the Agent on behalf of the Lenders to pay the Second Instalment to SACE on the first Drawdown Date in accordance with paragraph (c) of Clause 2.1 (*Amount of facility*) of this Agreement and to reimburse the Borrower by the Borrower drawing under the Loan the amount of the First Instalment in accordance with paragraph (b) of Clause 2.1 (*Amount of facility*) of this Agreement.

The First Instalment and Second Instalment each financed by the Loan will be repayable in any event by the Borrower to the Lenders in the manner specified in Clause 5 (*Repayment*) and under any and all circumstances including but without limitation in the event of prepayment or acceleration of the Loan.

8.3 Italian Authorities

- (a) The Borrower acknowledges and agrees that the Agent and the Lenders are entitled to provide the Italian Authorities with any information they may have relative to the Loan and the business of the Group, to allow the Italian Authorities to inspect all their records relating to this Agreement and the other Transaction Documents and to furnish them with copies thereof. Any such information relative to the Loan may also be given by any Italian Authorities to international institutions charged with collecting statistical data.
- (b) The Borrower acknowledges that, in the making of any decision or determination or the exercise of any discretion or the taking or refraining to take any action under this Agreement or any of the other Finance Documents, the Agent and the Lenders shall be deemed to have acted reasonably if they have acted on the instructions of either of the Italian Authorities.
- (c) Each Party further undertakes not to act in a manner which is inconsistent with the terms of the SACE Insurance Policy and the Interest Make-up Agreement.

8.4 Refund

- (a) The Borrower shall, at the latest on the date falling sixty (60) days before the Intended Delivery Date, provide a notice in writing to the SACE Agent (who will promptly forward it to other Lenders and SACE), signed by an authorised signatory of the Borrower, indicating the amount of the Delivery Advance, being the amount set out in Schedule 6 (*Drawdown Schedule*) under the column entitled “Advance to be drawn under this Agreement” to be drawn on the Delivery Date less (i) any amount cancelled and (ii) the Refund (as defined below) to be refunded in accordance with paragraph (b), such amount of the Refund to be confirmed by SACE at least six (6) Business Days prior to the Delivery Date. The Borrower hereby agrees and shall confirm in such notice that the remaining Commitments shall be deemed to be cancelled. The Borrower acknowledges, for the avoidance of doubt, that the shortfall to be paid to the Builder at the Delivery Date shall be funded and paid directly by the Borrower to the Builder.
- (b) If the sum of the Advances drawn by the Borrower together with the amount notified by the Borrower pursuant to paragraph (a) and (a)(i) above (being the amount set out in Schedule 6 (*Drawdown Schedule*) under the column entitled “Advance to be drawn under this Agreement” to be drawn on the Delivery Date, less any amount cancelled) equals an aggregate of less than the Maximum Loan Amount, and provided that no Event of Default has occurred and is then continuing and no loss has occurred under the SACE Insurance Policy, the Borrower shall be entitled to a refund of the Second Instalment of the SACE Premium in an amount calculated by SACE on the undrawn amount (the “**Refund**”). For the avoidance of doubt, the First Instalment of the SACE Premium is non-refundable, irrespective of whether any disbursements have been made under this Agreement and irrespective of whether the SACE Insurance Policy has been terminated.
- (c) Any refund of the Second Instalment of the SACE Premium, whether in whole or in part, must be expressly requested by the SACE Agent to SACE in writing following receipt by the SACE Agent of the Borrower’s notice referred to in paragraph (a) above.
- (d) To the extent the Borrower is entitled to the Refund, SACE shall transfer the Refund as soon as practicably possible to the SACE Agent who shall as soon as practicably possible following receipt thereof transfer such amount to the Borrower. The Borrower hereby acknowledges that SACE shall not be liable to pay interest to the Borrower on the amount of the Refund.
- (e) Under the terms of the SACE Insurance Policy, the Parties acknowledge that SACE will withhold an amount of [*] per cent. ([*]%) from the amount of the SACE Premium to be refunded. Such withholding, charged as a lump sum to cover administration and management costs for the SACE Insurance Policy, may not, in any event, amount to less than [*] Euros (€[*]) or more than [*] Euros (€[*]), calculated by SACE as at the date of the refund request.
- (f) Except as set out in paragraph (a) and (c) above, no part of the SACE Premium is refundable to any Obligor.
- (g) In no event shall the SACE Agent be liable for any refund of the SACE Premium to be made by SACE or for the calculation of any Refund and/or withholding thereof.

10 TAXES, INCREASED COSTS, COSTS AND RELATED CHARGES

10.1 Definitions

- (a) In this Agreement:

"**Protected Party**" means a Secured Party which is or will be subject to any liability, or required to make any payment, for or on account of Tax in relation to a sum received or receivable (or any sum deemed for the purposes of Tax to be received or receivable) under a Finance Document;

"**Tax Credit**" means a credit against, relief or remission for, or repayment of any Tax.

"**Tax Deduction**" means a deduction or withholding for or on account of Tax from a payment under a Finance Document other than a FATCA Deduction.

"**Tax Payment**" means either the increase in a payment made by an Obligor to a Secured Party under Clause 10.2 (*Tax gross-up*) or a payment under Clause 10.3 (*Tax indemnity*).

- (b) Unless a contrary indication appears, in this Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*) reference to "**determines**" or "**determined**" means a determination made in the absolute discretion of the person making the determination.

10.2 Tax gross-up

- (a) Each Obligor shall make all payments to be made by it under the Finance Documents without any Tax Deduction, unless a Tax Deduction is required by law.
- (b) The Borrower shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Agent accordingly. Similarly, a Lender shall notify the Agent on becoming so aware in respect of a payment payable to that Lender. If the Agent receives such notification from a Lender it shall notify the Borrower and that Obligor.
- (c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.
- (d) A payment shall not be increased under paragraph (c) above if on the date on which the payment falls due the Obligor making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender (having been given notice of the documentation requested under Clause 10.7 (*Lender Status*) at least 30 Business Days prior to such payment date) complied with its obligations under Clause 10.7 (*Lender Status*).
- (e) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.
- (f) Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Agent for the Secured Party entitled to the payment evidence reasonably satisfactory to that Secured Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

10.3 Tax indemnity

- (a) The Borrower shall (within three Business Days of demand by the Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.
- (b) Paragraph (a) above shall not apply:
- (i) with respect to any Tax assessed on a Secured Party:
- (A) under the law of the jurisdiction in which that Secured Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Secured Party is treated as resident for tax purposes; or

(B) under the law of the jurisdiction in which that Lender's Facility Office is located in respect of amounts received or receivable in that jurisdiction,

if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Secured Party; or

(ii) to the extent a loss, liability or cost is compensated for by an increased payment under Clause 10.2 (*Tax gross-up*) or would have been compensated for by an increased payment under Clause 10.2 (*Tax gross-up*) but was not so compensated solely because an exclusion in paragraph (d) of Clause 10.2 (*Tax gross-up*) applied, or relates to a FATCA Deduction required to be made by a Party; or

(iii) with respect to the Taxes in the nature of a branch profits tax imposed by Section 884(a) of the Code that is imposed by any jurisdiction described in paragraph (b)(i)(B) above.

(c) A Protected Party making, or intending to make a claim under paragraph (a) above shall promptly notify the Agent of the event which will give, or has given, rise to the claim, following which the Agent shall notify the Borrower.

(d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 10.3 (*Tax indemnity*), notify the Agent.

10.4 Tax Credit

If an Obligor makes a Tax Payment and the relevant Creditor Party determines that:

(a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and

(b) that Creditor Party has obtained, retained and utilised that Tax Credit,

the Creditor Party shall pay an amount to the Obligor which that Creditor Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

10.5 Stamp taxes

The Borrower shall pay and, within three Business Days of demand, indemnify each Secured Party against any cost, loss or liability that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

10.6 VAT

(a) All amounts expressed to be payable under a Finance Document by any Party to a Secured Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Secured Party to any Party under a Finance Document and such Secured Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Secured Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Secured Party must promptly provide an appropriate VAT invoice to that Party).

- (b) If VAT is or becomes chargeable on any supply made by any Secured Party (the "**Supplier**") to any other Secured Party (the "**Recipient**") under a Finance Document, and any Party other than the Recipient (the "**Relevant Party**") is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):
 - (i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and
 - (ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.
- (c) Where a Finance Document requires any Party to reimburse or indemnify a Secured Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Secured Party for the full amount of such cost or expense, including such part of it as represents VAT, save to the extent that such Secured Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.
- (d) Any reference in this Clause 10.6 (*VAT*) to any Party being required to account to a tax authority for VAT shall, at any time when such Party is treated as a member of a group for VAT purposes, include a reference to another member of that group being required to so account to the relevant tax authority.
- (e) In relation to any supply made by a Secured Party to any Party under a Finance Document, if reasonably requested by such Secured Party, that Party must promptly provide such Secured Party with details of that Party's VAT registration and such other information as is reasonably requested in connection with such Secured Party's VAT reporting requirements in relation to such supply.

10.7 Lender Status

- (a) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under a Finance Document shall deliver to the Agent and the Borrower, at the time or times reasonably requested by the Agent or the Borrower, such properly completed and executed documentation reasonably requested by the Agent or the Borrower (and which it is reasonable for the Lender to complete and execute) as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Agent or the Borrower, shall deliver such other documentation as prescribed by applicable law and reasonably requested by the Agent or the Borrower as will enable the Agent or the Borrower to determine whether or not such Lender is subject to backup withholding or information reporting requirements.
- (b) Any Lender shall, to the extent it is legally entitled to do so, and where it is entitled to an exemption from, or reduction of, U.S. federal withholding tax, deliver to the Agent and the Borrower on or prior to the date on which such Lender becomes a Lender under this Agreement or promptly thereafter (and from time to time thereafter as prescribed by applicable law or upon the request of the Agent or the Borrower), duly executed and properly completed copies of Internal Revenue Service Form W-9 or W-8, as applicable, certifying that it is not subject to U.S. federal backup withholding and, in the case of a non-U.S. Lender that is eligible for an exemption from, or reduction of, U.S. federal withholding Tax establishing an exemption from, or reduction of, U.S. federal withholding Tax.

10.8 FATCA Deduction

- (a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
- (b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction) notify the Party to whom it is making the payment and, in addition, shall notify the Borrower, the Agent and the other Secured Parties.

10.9 FATCA Information

- (a) Subject to paragraph (c) below, each Party shall, within ten Business Days of a reasonable request by another Party:
 - (i) confirm to that other Party whether it is:
 - (A) a FATCA Exempt Party; or
 - (B) not a FATCA Exempt Party;
 - (ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and
 - (iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.
- (b) If a Party confirms to another Party pursuant to paragraph (a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.
- (c) Paragraph (a) above shall not oblige any Creditor Party to do anything, and paragraph (a)(iii) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:
 - (i) any law or regulation;
 - (ii) any fiduciary duty; or
 - (iii) any duty of confidentiality.
- (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a) (i) or (ii) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.
- (e) Each Lender shall, within ten Business Days of (i) where the relevant Lender is a Lender at the date of this Agreement, the date of this Agreement and (ii) where the relevant Lender is a Transferee Lender, the effective date of a Transfer Certificate under Clause 24.4 (*Effective Date of Transfer Certificate*), supply to the Agent:

- (i) a withholding certificate on Form W-8, Form W-9 or any other relevant form; or
 - (ii) any withholding statement or other document, authorisation or waiver as the Agent may require to certify or establish the status of such Lender under FATCA or that other law or regulation.
- (f) The Agent shall provide any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (c) above to the relevant Borrower.
- (g) If any withholding certificate, withholding statement, document, authorisation or waiver provided to the Agent by a Lender pursuant to paragraph (e) above is or becomes materially inaccurate or incomplete, that Lender shall promptly update it and provide such updated withholding certificate, withholding statement, document, authorisation or waiver to the Agent unless it is unlawful for the Lender to do so (in which case the Lender shall promptly notify the Agent). The Agent shall provide any such updated withholding certificate, withholding statement, document, authorisation or waiver to the relevant Borrower.
- (h) The Agent may rely on any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) or (g) above without further verification. The Agent shall not be liable for any action taken by it under or in connection with paragraphs (e), (f) or (g) above.
- (i) CDP confirms, and the Borrower acknowledges, that as at the date of this Agreement CPD is a FATCA Exempt Party.

10.10 Increased Costs

- (a) If after the date of this Agreement by reason of (x) any change in law or in its interpretation or administration and/or (y) compliance with any request from or requirement of any central bank or other fiscal, monetary or other authority including but without limitation the Basel Committee on Banking Regulations and Supervisory Practices whether or not having the force of law:
- (i) any of the Lenders incurs a cost as a result of its performing its obligations under this Agreement and/or its making available its Commitment hereunder; or
 - (ii) there is any increase in the cost to any of the Lenders of funding or maintaining all or any of the advances comprised in a class of advances formed by or including its Commitment advanced or to be advanced by it hereunder; or
 - (iii) any of the Lenders incurs a cost as a result of its having entered into and/or its assuming or maintaining its commitment under this Agreement; or
 - (iv) any of the Lenders becomes liable to make any payment on account of Tax or otherwise (other than Tax on its overall net income) on or calculated by reference to the amount of its Commitment advanced or to be advanced hereunder and/or any sum received or receivable by it hereunder; or
 - (v) any of the Lenders suffers any decrease in its rate of return as a result of any changes in the requirements relating to capital ratios, monetary control ratios, the payment of special deposits, liquidity costs or other similar requirements affecting that Lender,

then the Borrower shall on demand pay to the Agent for the account of the relevant Lender or Lenders amounts sufficient to indemnify the relevant Lender or Lenders against, as the case may be, such cost, such increased cost (or such proportion of such increased cost as is in the reasonable opinion of the relevant Lender or Lenders attributable to the funding or maintaining of its or their Commitment(s) hereunder) or such liability.

- (b) This Clause 10.10 (*Increased Costs*) does not apply to the extent any increased cost is:
- (i) attributable to a Tax Deduction required by law to be made by an Obligor;
 - (ii) attributable to a FATCA Deduction required to be made by a Party;
 - (iii) compensated for by Clause 10.3 (*Tax indemnity*) (or would have been compensated for under Clause 10.3 (*Tax indemnity*) but was not compensated solely because any of the exclusions in paragraph (b) of Clause 10.3 (*Tax indemnity*) applied); or
 - (iv) attributable to the wilful breach by the relevant Creditor Party or its Affiliates of any law of regulation.

In this Clause 10.10 (*Increased Costs*), a reference to a "Tax Deduction" has the same meaning given to the term in Clause 10.1 (*Definitions*).

- (c) A Lender affected by any provision of this Clause 10.10 (*Increased Costs*) shall promptly inform the Agent after becoming aware of the relevant change and its possible results (which notice shall be conclusive evidence of the relevant change and its possible results) and the Agent shall, as soon as reasonably practicable thereafter, notify the Borrower of the change and its possible results. Without affecting the Borrower's obligations under this Clause 10.10 (*Increased Costs*) and in consultation with the Agent and the Italian Authorities, the affected Lender will then take all such reasonable steps as may be open to it to mitigate the effect of the change (for example (if then possible) by changing its Facility Office or transferring some or all of its rights and obligations under this Agreement to another financial institution reasonably acceptable to the Borrower and the Agent and the Italian Authorities). The reasonable costs of mitigating the effect of any such change shall be borne by the Borrower save where such costs are of an internal administrative nature and are not incurred in dealings by any Lender with third parties.

10.11 Transaction Costs

The Borrower undertakes to pay to the Agent, upon demand, all costs and expenses, duties and fees, including but without limitation pre-agreed legal costs (which, for avoidance of doubt are exclusive of VAT and disbursements) out of pocket expenses and travel costs, reasonably incurred by the Italian Authorities, the Joint Mandated Lead Arrangers and the Lenders (but not including any bank which becomes a Lender after the date of this Agreement) in connection with the negotiation, preparation and execution of all agreements, guarantees, security agreements and related documents entered into, or to be entered into, for the purpose of the transaction contemplated hereby as well as all costs and expenses, duties and fees incurred by the Agent or the Lenders in connection with the registration, filing, enforcement or discharge of the said guarantees or security agreements, including without limitation the fees and expenses of legal advisers and insurance experts (provided that such insurance costs are not to exceed ten thousand Dollars (\$10,000)) and the fees and expenses of the Italian Authorities (including the fees and expenses of its legal advisers) payable by the Joint Mandated Lead Arrangers to the Italian Authorities, the cost of registration and discharge of security interests and the related travel and out of pocket expenses; the Borrower further undertakes to pay to the Agent all costs, expenses, duties and fees incurred by the Lenders and the Italian Authorities in connection with any variation of this Agreement and the related documents, guarantees and security agreements, any supplements thereto and waiver given in relation thereto, in connection with the investigation of any potential Event of Default, the enforcement or preservation of any rights under this Agreement and/or the related guarantees and security agreements, including in each case the fees and expenses of legal advisers, and in connection with the consultations or proceedings made necessary or in the opinion of the Agent desirable by the acts of, or failure to act on the part of, the Borrower.

10.12 Costs of delayed Delivery Date

The Borrower undertakes to pay to the Agent, upon demand, any costs incurred by the Lenders and/or the Italian Authorities in funding the Loan in the event that the Delivery Date is later than the Intended Delivery Date unless the Borrower has given the Agent at least three (3) Business Days' notification of such delay in the Delivery Date.

10.13 SACE obligations

To the extent that this Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

The Borrower fails to insure the Ship in the manner specified in Clause 14 (*Insurance Undertakings*) or fails to renew the Insurances at least five (5) days prior to the date of expiry thereof and produce prompt confirmation of such renewal to the Agent provided that if the insurers withdraw their cover an Event of Default shall be deemed to have occurred upon issue of the insurer's notice of withdrawal.

18.17 Disposals

If the Borrower or any other Obligor shall have concealed, removed, or permitted to be concealed or removed, any part of its property, with intent to hinder, delay or defraud its creditors or any of them, or made or suffered a transfer of any of its property which may be fraudulent under any bankruptcy, fraudulent conveyance or similar law; or shall have made any transfer of its property to or for the benefit of a creditor with the intention of preferring such creditor over any other creditor.

18.18 Prejudice to security

Anything is done or suffered or omitted to be done by any Obligor which in the reasonable opinion of the Agent would or might be expected to imperil the security created by any of the Finance Documents.

18.19 Governmental intervention

The authority of any Obligor in the conduct of its business is wholly or substantially curtailed by any seizure or intervention by or on behalf of any authority and within ninety (90) days of the date of its occurrence any such seizure or intervention is not relinquished or withdrawn and the Agent reasonably considers that the relevant occurrence is or might be expected to become materially prejudicial to the interests, rights or position of the Lenders provided that the Borrower shall not be entitled to the aforesaid ninety (90) day period if the seizure or intervention executed by any authority is due to an act or omission of any Obligor and the Majority Lenders and SACE are satisfied that the Lenders' interest might reasonably be expected to be materially adversely affected.

18.20 Material Adverse Change

- (a) Any event or circumstance occurs which results in a Material Adverse Effect; and/or
- (b) any event or circumstance occurs (including, without limitation, following the sending of a notice by the Borrower under paragraph (c) of Clause 12.26 (*Code of Ethics and Model*)), which results in a material adverse effect on the ability of the Borrower, also under an economic and/or financial standpoint, to perform its obligations under this Agreement.

18.21 Actions following an Event of Default

On, or at any time after, the occurrence of an Event of Default the Agent may, and if so instructed by the Majority Lenders and SACE, the Agent shall:

- (a) serve on the Borrower a notice stating that the Commitments and all other obligations of each Lender to the Borrower under this Agreement are terminated; and/or
- (b) serve on the Borrower a notice stating that the Loan (including but without limitation the amount representing the financed First Instalment and Second Instalment of the SACE Premium), all accrued interest and all other amounts accrued or owing under this Agreement are immediately due and payable or are due and payable on demand; and/or
- (c) take any other action which, as a result of the Event of Default or any notice served under paragraph (a) or (b), the Agent and/or the Lenders are entitled to take under any Finance Document or any applicable law.

18.22 Termination of Commitments

On the service of a notice under paragraph (a) of Clause 18.21 (*Actions following an Event of Default*), the Commitments and all other obligations of each Lender to the Borrower under this Agreement shall terminate.

18.23 Acceleration of Loan

On the service of a notice under paragraph (b) of Clause 18.21 (*Actions following an Event of Default*), the Loan, all accrued interest and all other amounts accrued or owing from the Borrower or any Obligor under this Agreement and every other Finance Document shall become immediately due and payable or, as the case may be, payable on demand.

18.24 Further amounts payable

Upon an acceleration of repayment of the Loan following an Event of Default the Borrower shall be liable to pay compensation calculated in accordance with Clause 16.2 (*Voluntary prepayment*).

18.25 Multiple notices; action without notice

The Agent may serve notices under paragraphs (a) and (b) of Clause 18.21 (*Actions following an Event of Default*) simultaneously or on different dates and it may take any action referred to in paragraph (c) of Clause 18.21 (*Actions following an Event of Default*) if no such notice is served or simultaneously with or at any time after the service of both or either of such notices.

18.26 Notification of Secured Parties and Obligors

The Agent shall send to the Italian Authorities, each Lender and each Obligor a copy or the text of any notice which the Agent serves on the Borrower under Clause 18.21 (*Actions following an Event of Default*); but the notice shall become effective when it is served on the Borrower, and no failure or delay by the Agent to send a copy or the text of the notice to any other person shall invalidate the notice or provide any Obligor with any form of claim or defence.

18.27 Lender's rights unimpaired

Nothing in this Clause 18 (*Events of Default*) shall be taken to impair or restrict the exercise of any right given to individual Lenders under a Finance Document or the general law; and, in particular, this Clause is without prejudice to Clauses 2.4 (*Creditor Parties' rights and obligations*) and 2.6 (*Obligations of Lenders several*).

18.28 Exclusion of Secured Party liability

No Secured Party, and no receiver or manager appointed by the Agent, shall have any liability to an Obligor:

- (a) for any loss caused by an exercise of rights under, or enforcement of a Security Interest created by, a Finance Document or by any failure or delay to exercise such a right or to enforce such a Security Interest; or
- (b) as mortgagee in possession or otherwise, for any income or principal amount which might have been produced by or realised from any asset comprised in such a Security Interest or for any reduction (however caused) in the value of such an asset.

19 APPLICATION OF SUMS RECEIVED

19.1 Receipts

Except as any Finance Document may otherwise provide, all sums received under this Agreement or any other Finance Document by the Agent, on behalf of the Lenders, or by any of the Lenders for any reason whatsoever will be applied:

- (a) in priority, to payments of any kind due or in arrears in the order of their due payment dates and first, to fees, charges and expenses, second, to interest payable pursuant to Clause 17 (*Interest on Late Payments*), third, to interest payable pursuant to Clause 6 (*Interest*), fourth, to the principal of the Loan payable pursuant to Clause 5 (*Repayment*), fifth, to any sums due pursuant to Clause 20.2 (*Breakage costs and SIMEST arrangements*) and, sixth, to any other sums due under this Agreement or any other Finance Document and, if relevant, *pro rata* to each of the Lenders; or
- (b) if no payments are in arrears or if these payments have been discharged as set out above, then and to sums remaining due under this Agreement or any other Finance Document and, if relevant, *pro rata* to each of the Lenders and in each case in inverse order of maturity, the interest being recalculated accordingly.

20 INDEMNITIES

20.1 Indemnities regarding borrowing and repayment of Loan

The Borrower shall fully indemnify the Agent and each Lender or SIMEST (but without double counting to the extent that a Lender is making a claim in respect of amounts owing to SIMEST) on the Agent's demand in respect of all claims, expenses, liabilities and losses which are made or brought against or incurred by that Secured Party, or which that Secured Party reasonably and with due diligence estimates that it will incur, as a result of or in connection with:

- (a) any part of the Loan not being borrowed on the date specified in a Drawdown Notice for any reason other than a default by the Lender claiming the indemnity;
- (b) the receipt or recovery of all or any part of the Loan or an overdue sum otherwise than on the last day of an Interest Period or other relevant period;
- (c) any failure (for whatever reason) by the Borrower to make payment of any amount due under a Finance Document on the due date or, if so payable, on demand (after giving credit for any default interest paid by the Borrower on the amount concerned under Clause 17 (*Interest on Late Payments*)); and

- (d) the occurrence and/or continuance of an Event of Default and/or the acceleration of repayment of the Loan under Clause 18 (~~Events of Default~~).

20.2 Breakage costs and SIMEST arrangements

Without limiting its generality, Clause 20.1 (*Indemnities regarding borrowing and repayment of Loan*) covers:

- (a) any claim, expense, liability or loss, including a loss of a prospective profit, incurred by a Lender in liquidating or employing deposits from third parties acquired or arranged to fund or maintain all or any part of its Contribution and/or any overdue amount (or an aggregate amount which includes its Contribution or any overdue amount);
- (b) if the Borrower has selected the Fixed Interest Rate in accordance with Clause 6.1 (*Fixed or Floating Interest Rate*), all of the amounts that SIMEST is entitled to charge, whether for taxes, costs, expenses, indemnities, penalties, losses or liabilities whatsoever, under and in accordance with the Interest Make-up Agreement, including without limitation, as a result of any prepayment of all or any part of the Loan under this Agreement (whether voluntary, mandatory, following acceleration of the Loan or otherwise), as a result of an Interest Make-Up Event or as a result of the Borrower deciding to switch from the Fixed Interest Rate to another interest rate after the Drawdown Date and/or an Interest Make-up Event. Such amounts include, without limitation, (i) breakage costs, (ii) any amount due as a consequence of the close-out of any hedging arrangement entered into by SIMEST in relation to this Agreement, (iii) default interest and penalties (*maggiorazioni*) whenever applicable, and (iv) all amounts (if any) to be returned by the Agent to SIMEST under and pursuant to the Interest Make-Up Agreement; and
- (c) any other costs whatsoever or howsoever arising under or in respect of the Interest Make-Up Agreement which are passed to the Agent, and any such costs imposed by SIMEST shall be paid by the Borrower to SIMEST through the Agent.

For the purposes of this Clause 20.2 (*Breakage costs and SIMEST arrangements*) "**Interest Make-Up Event**" means the occurrence of any circumstances which result in the termination, cancellation, revocation, cessation or suspension (in each case, in whole or in part) of the Interest Make-Up Agreement or the Interest Make-Up Agreement otherwise ceases or may cease to be in full force and effect or the Agent notifies the Borrower that the Fixed Interest Rate is not available for any reason, in each case, in accordance with the terms of the Interest Make-Up Agreement.

20.3 Miscellaneous indemnities

The Borrower shall fully indemnify each Secured Party severally on their respective demands in respect of all claims, expenses, liabilities and losses which may be made or brought against or incurred by a Secured Party, in any country, as a result of or in connection with:

- (a) any action taken, or omitted or neglected to be taken, under or in connection with any Finance Document by the Agent or any other Secured Party or by any receiver appointed under a Finance Document;
- (b) any other Pertinent Matter,

other than claims, expenses, liabilities and losses which are shown to have been directly and mainly caused by the dishonesty or wilful misconduct of the officers or employees of the Secured Party concerned.

Without prejudice to its generality, this Clause 20.3 (*Miscellaneous indemnities*) covers (i) any claims, expenses, liabilities and losses which arise, or are asserted, under or in connection with any law relating to safety at sea, the ISM Code or any Environmental Laws or any Sanctions and (ii) any claims, expenses, liabilities (including, without limitation, under a reputational standpoint) and losses which arise, or are asserted, against CDP under or in connection with any breach by the Borrower of any of the provisions paragraphs (nn) to (rr) of Clause 11.2 (*Continuing representations and warranties*) and/or of Clause 12.26 (*Code of Ethics and Model*).

20.4 Currency indemnity

If any sum due from an Obligor to a Secured Party under a Finance Document or under any order or judgment relating to a Finance Document has to be converted from the currency in which the Finance Document provided for the sum to be paid (the "**Contractual Currency**") into another currency (the "**Payment Currency**") for the purpose of:

- (a) making or lodging any claim or proof against an Obligor, whether in its liquidation, any arrangement involving it or otherwise; or
- (b) obtaining an order or judgment from any court or other tribunal; or
- (c) enforcing any such order or judgment,

the Borrower shall indemnify the Secured Party concerned against the loss arising when the amount of the payment actually received by that Secured Party is converted at the available rate of exchange into the Contractual Currency.

In this Clause 20.4 (*Currency indemnity*) the "**available rate of exchange**" means the rate at which the Secured Party concerned is able at the opening of business (Paris time) on the Business Day after it receives the sum concerned to purchase the Contractual Currency with the Payment Currency.

This Clause 20.4 (*Currency indemnity*) creates a separate liability of the Borrower which is distinct from its other liabilities under the Finance Documents and which shall not be merged in any judgment or order relating to those other liabilities.

20.5 Certification of amounts

A notice which is signed by 2 officers of a Secured Party, which states that a specified amount, or aggregate amount, is due to that Secured Party under this Clause 20 (*Indemnities*) and which indicates (without necessarily specifying a detailed breakdown) the matters in respect of which the amount, or aggregate amount, is due shall be prima facie evidence that the amount, or aggregate amount, is due.

20.6 Sums deemed due to a Lender

For the purposes of this Clause 20 (*Indemnities*), a sum payable by the Borrower to the Agent for distribution to a Lender shall be treated as a sum due to that Lender.

20.7 SACE obligations

To the extent that this Clause 20 (*Indemnities*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

21 ILLEGALITY, ETC.

21.1 Illegality and Sanctions

This Clause 21 (*Illegality, etc.*) applies if:

- (a) a Lender (the "**Notifying Lender**") notifies the Agent that:
 - (i) it becomes unlawful or contrary to any law, regulation or Sanctions – including by way of civil, administrative or criminal liability - in any applicable jurisdiction for the Notifying Lender to perform any of its obligations as contemplated by the Finance Documents or to fund its participation in the Loan; and/or
 - (ii) it becomes unlawful or contrary to any law, regulation or Sanctions – including by way of civil, administrative or criminal liability - in any applicable jurisdiction for the Notifying Lender to maintain its participation in the Loan; or
- (b) an Obligor is or becomes a Prohibited Person,
(such event, an "**Illegality or Sanctions Event**").

21.2 Notification of illegality

- (a) The Agent shall promptly notify the Borrower, the Obligors and the other Lenders of the notice under Clause 21 (*Illegality, etc.*) which the Agent receives from the Notifying Lender.
- (b) Upon receipt of the notice under paragraph (a) above and provided that such Illegality or Sanctions Event is not applicable with immediate effect (in which case paragraph (a) of Clause 21.3 (*Prepayment; termination of Commitment*) will apply immediately and this paragraph (b) of Clause 21.2 (*Notification of illegality*) will not apply, the Agent shall, where the Borrower has selected the Fixed Interest Rate pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), inform SIMEST in writing in order to start consultations between themselves (pursuant to clause 6 of the Interest Make-Up Agreement) with a view to exploring any possible solution to mitigate the Illegality or Sanctions Event preventing that Lender from performing any of its obligations under a Finance Document or funding or maintaining its share in the Loan. Any solution agreed between the Agent and SIMEST at the end of the consultation period (which shall last for a period of ten (10) days from the service of such notice on SIMEST) will be binding among themselves and shall be notified by the Agent to each Obligor immediately thereafter (and in any case no later than ten (10) days following such decision).
- (c) If at the end of the consultation procedure set out in paragraph (b) above, no solution is agreed between the Agent and SIMEST, the Agent must immediately notify the Lenders and the Obligors.

21.3 Prepayment; termination of Commitment

- (a) After notification under paragraph (c) above or (in case the Interest Make-Up Agreement has ceased to be in force and effect or the Fixed Interest Rate has not been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*)) after notification under paragraph (a) above and subject to Clause 21.4 (*Mitigation*) below the Borrower must repay or prepay that Lender's share in the Loan on the date specified in paragraph (c) below together with any breakage costs payable under Clause 20.2 (*Breakage costs and SIMEST arrangements*) and any indemnity payable under paragraph (c) of Clause 20.2 (*Breakage costs and SIMEST arrangements*) in respect of the Interest Make-Up Agreement;

- (b) On the Agent notifying the Borrower under paragraph (c) of Clause 21.2 (*Notification of illegality*), the Notifying Lender's Commitment shall terminate; and thereupon or, if later, on the date specified in the Notifying Lender's notice under Clause 21.1 (*Illegality and Sanctions*) as the date on which the notified event would become effective the Borrower shall prepay the Notifying Lender's Contribution and shall pay compensation to the Notifying Lender calculated in accordance with Clause 16.2 (*Voluntary prepayment*).
- (c) The date for repayment or prepayment of a Lender's share in the Loan will be:
 - (i) the date specified by the Agent in the notification under paragraph (b) above; or
 - (ii) in case the Interest Make-Up Agreement has ceased to be in full force and effect or the Fixed Interest Rate has not been selected pursuant to Clause 6.1 *Fixed or Floating Interest Rate*, the last day of the current Interest Period for the relevant Advance or Advances or, if earlier, the date specified by the Lender in the notification under paragraph (a) above and which must not be earlier than the last day of any applicable grace period allowed by law.

21.4 Mitigation

- (a) Each Secured Party shall, in consultation with the Borrowers, take all reasonable steps to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to, or cancelled pursuant to Clause 21.1 (*Illegality and Sanctions*) including (but not limited to) transferring its rights and obligations under the Finance Documents to another Affiliate or Facility Office.
- (b) Paragraph (a) above does not in any way limit the obligations of any Obligor under the Finance Documents.

22 SET-OFF

22.1 Application of credit balances

Each Creditor Party may without prior notice:

- (a) apply any balance (whether or not then due) which at any time stands to the credit of any account in the name of the Borrower at any office in any country of that Creditor Party in or towards satisfaction of any sum then due from the Borrower to that Creditor Party under any of the Finance Documents; and
- (b) for that purpose:
 - (i) break, or alter the maturity of, all or any part of a deposit of the Borrower;
 - (ii) convert or translate all or any part of a deposit or other credit balance into Euros;
 - (iii) enter into any other transaction or make any entry with regard to the credit balance which the Creditor Party concerned considers appropriate.

22.2 Existing rights unaffected

No Creditor Party shall be obliged to exercise any of its rights under Clause 22.1 (*Application of credit balances*); and those rights shall be without prejudice and in addition to any right of set-off, combination of accounts, charge, lien or other right or remedy to which a Creditor Party is entitled (whether under the general law or any document).

22.3 Sums deemed due to a Lender

For the purposes of this Clause 22 (*Set-Off*), a sum payable by the Borrower to the Agent for distribution to, or for the account of, a Lender shall be treated as a sum due to that Lender; and each Lender's proportion of a sum so payable for distribution to, or for the account of, the Lenders shall be treated as a sum due to such Lender.

22.4 No Security Interest

This Clause 22 (*Set-Off*) gives the Creditor Parties a contractual right of set-off only, and does not create any equitable charge or other Security Interest over any credit balance of the Borrower.

23 BAIL-IN

Notwithstanding any other term of any Finance Document or any other agreement, arrangement or understanding between the parties to a Finance Document, each Party acknowledges and accepts that any liability of any party to a Finance Document under or in connection with the Finance Documents may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

- (a) any Bail-In Action in relation to any such liability, including (without limitation):
 - (i) a reduction, in full or in part, in the principal amount, or outstanding amount due (including any accrued but unpaid interest) in respect of any such liability;
 - (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership that may be issued to, or conferred on, it; and
 - (iii) a cancellation of any such liability; and
- (b) a variation of any term of any Finance Document to the extent necessary to give effect to any Bail-in Action in relation to any such liability.

24 CHANGES TO THE LENDERS

24.1 Transfer by a Lender

Subject to Clause 24.5 (*No transfer without Transfer Certificate*), Clause 24.17 (*Assignment or transfer to SACE*) and Clause 24.14 (*Change of Facility Office*), a Lender (the "**Transferor Lender**") may at any time provided they have obtained the prior written consent of the Italian Authorities cause:

- (a) its rights in respect of all or part of its Contribution; or
- (b) its obligations in respect of all or part of its Commitment; or
- (c) a combination of (a) and (b),

to be (in the case of its rights) transferred to, or (in the case of its obligations) assumed by, in whole or in part any of its Affiliates or another bank or financial institution or a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (a "**Transferee Lender**") by delivering to the Agent a completed certificate in the form set out in Schedule 4 (*Form of Transfer Certificate*) with any modifications approved or required by the Agent (a "**Transfer Certificate**") executed by the Transferor Lender and the Transferee Lender.

However any rights and obligations of the Transferor Lender in its capacity as Agent or Security Trustee will have to be dealt with separately in accordance with the provisions of Clauses 26 (*Role of the Agent and the Joint Mandated Lead Arrangers*) and 27 (*The Security Trustee*) respectively.

24.2 Conditions of assignment or transfer

- (a) The consent of the Borrower is required at all times (subject to the provisions of Clauses 24.5 (*No transfer without Transfer Certificate*) and 24.17 (*Assignment or transfer to SACE*) for an assignment or transfer by an Existing Lender, unless (i) there is an Event of Default or (ii) the assignment or transfer is to another Lender or an Affiliate of a Lender.
- (b) The consent of the Borrower to an assignment or transfer must not be unreasonably withheld or delayed. The Borrower will be deemed to have given its consent ten (10) Business Days after the Existing Lender has requested it unless consent is expressly refused by that Borrower within that time.
- (c) The assignment or transfer must be with respect to a minimum Commitment of [*] Euros (€[*]) or, if less, the Existing Lender's full Commitment.

24.3 Transfer Certificate, delivery and notification

As soon as reasonably practicable after a Transfer Certificate is delivered to the Agent, it shall (unless it has reason to believe that the Transfer Certificate may be defective):

- (a) sign the Transfer Certificate on behalf of itself, the Borrower, any other Obligors, the Security Trustee and each of the other Lenders;
- (b) on behalf of the Transferee Lender, send to the Borrower and each Obligor letters or faxes notifying them of the Transfer Certificate and attaching a copy of it; and
- (c) send to the Transferee Lender copies of the letters or faxes sent under paragraph (b) above,

but the Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Transferor Lender and the Transferee Lender once it is satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to the transfer to that Transferee Lender.

24.4 Effective Date of Transfer Certificate

A Transfer Certificate becomes effective on the date, if any, specified in the Transfer Certificate as its effective date, provided that it is signed by the Agent under Clause 24.3 (*Transfer Certificate, delivery and notification*) on or before that date.

24.5 No transfer without Transfer Certificate

Except as provided in Clause 24.16 (*Security over Lenders' rights*), no assignment or transfer of any right or obligation of a Lender under any Finance Document is binding on, or effective in relation to, the Borrower, any Obligor, the Agent or the Security Trustee unless it is effected, evidenced or perfected by a Transfer Certificate.

24.6 Lender re-organisation; waiver of Transfer Certificate

However, if a Lender enters into any merger, de-merger or other reorganisation as a result of which all its rights or obligations vest in another person (the "**successor**"), the Agent may, if it sees fit, by notice to the successor and the Borrower and the Security Trustee waive the need for the execution and delivery of a Transfer Certificate; and, upon service of the Agent's notice, the successor shall become a Lender with the same Commitment and Contribution as were held by the predecessor Lender.

24.7 Effect of Transfer Certificate

A Transfer Certificate takes effect in accordance with English law as follows:

- (a) to the extent specified in the Transfer Certificate, all rights and interests (present, future or contingent) which the Transferor Lender has under or by virtue of the Finance Documents are assigned to the Transferee Lender absolutely, free of any defects in the Transferor Lender's title and of any rights or equities which the Borrower or any Obligor had against the Transferor Lender;
- (b) the Transferor Lender's Commitment is discharged to the extent specified in the Transfer Certificate;
- (c) the Transferee Lender becomes a Lender with the Contribution previously held by the Transferor Lender and a Commitment of an amount specified in the Transfer Certificate;
- (d) the Transferee Lender becomes bound by all the provisions of the Finance Documents which are applicable to the Lenders generally, including those about pro-rata sharing and the exclusion of liability on the part of, and the indemnification of, the Agent and the Security Trustee and, to the extent that the Transferee Lender becomes bound by those provisions (other than those relating to exclusion of liability), the Transferor Lender ceases to be bound by them;
- (e) any part of the Loan which the Transferee Lender advances after the Transfer Certificate's effective date ranks in point of priority and security in the same way as it would have ranked had it been advanced by the transferor, assuming that any defects in the transferor's title and any rights or equities of the Borrower or any Obligor against the Transferor Lender had not existed;
- (f) the Transferee Lender becomes entitled to all the rights under the Finance Documents which are applicable to the Lenders generally, including but not limited to those relating to the Majority Lenders and those under Clause 6.6 (*Market disruption*) and Clause 9 (*Fees*), and to the extent that the Transferee Lender becomes entitled to such rights, the Transferor Lender ceases to be entitled to them; and
- (g) in respect of any breach of a warranty, undertaking, condition or other provision of a Finance Document or any misrepresentation made in or in connection with a Finance Document, the Transferee Lender shall be entitled to recover damages by reference to the loss incurred by it as a result of the breach or misrepresentation, irrespective of whether the original Lender would have incurred a loss of that kind or amount.

The rights and equities of the Borrower or any Obligor referred to above include, but are not limited to, any right of set off and any other kind of cross-claim.

24.8 Maintenance of register of Lenders

During the Security Period the Agent shall maintain a register in which it shall record the name, Commitment, Contribution and administrative details (including the Facility Office) from time to time of each Lender holding a Transfer Certificate and the effective date (in accordance with Clause 24.4 (*Effective Date of Transfer Certificate*)) of the Transfer Certificate; and the Agent shall make the register available for inspection by any Lender, the Security Trustee and the Borrower during normal banking hours, subject to receiving at least 3 Business Days' prior notice.

24.9 Reliance on register of Lenders

The entries on that register shall, in the absence of manifest error, be conclusive in determining the identities of the Lenders and the amounts of their Commitments and Contributions and the effective dates of Transfer Certificates and may be relied upon by the Agent and the other parties to the Finance Documents for all purposes relating to the Finance Documents.

24.10 Authorisation of Agent to sign Transfer Certificates

The Borrower, the Security Trustee and each Lender irrevocably authorise the Agent to sign Transfer Certificates on its behalf.

24.11 Fees and Costs

In respect of any Transfer Certificate:

- (a) the Agent shall be entitled to recover a registration fee of five thousand Euros (€5,000) from the Transferor Lender or (at the Agent's option) the Transferee Lender;
- (b) the Transferee Lender shall pay to the Agent, upon demand, all reasonable costs and expenses, duties and fees, including but without limitation legal costs and out of pocket expenses, incurred by the Agent or the Lenders in connection with any necessary amendment to or supplementing of the Transaction Documents or any of them or the SACE Insurance Policy as a consequence of the assignment or transfer; and
- (c) the Transferee Lender shall pay to the Agent, upon demand, such amount as is payable to the Italian Authorities to cover its costs of giving its approval under Clause 24.1 (*Transfer by a Lender*).

24.12 Sub-participation; subrogation assignment

A Lender may sub-participate all or any part of its rights and/or obligations under or in connection with the Finance Documents without the consent of, or any notice to, the Borrower, any Obligor, the Agent or the Security Trustee but with the prior written consent of SACE.

24.13 Disclosure of information

A Lender may disclose to a potential Transferee Lender or sub participant any information which the Lender has received in relation to the Borrower, any Obligor or their affairs under or in connection with any Finance Document, unless the information is clearly of a confidential nature.

24.14 Change of Facility Office

Subject to the prior written consent of SACE, a Lender may change its Facility Office by giving notice to the Agent and the change shall become effective on the later of:

- (a) the date on which the Agent receives the notice; and
- (b) the date, if any, specified in the notice as the date on which the change will come into effect, provided that if (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office, and (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, an Obligor would be obliged to make a payment or an increased payment to the new Lender or Lender acting through its new Facility Office under Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*), then the new Lender or Lender acting through its new Facility Office is only entitled to receive payment under that Clause to the same extent as the existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred.

24.15 Notification

On receiving such a notice, the Agent shall notify the Borrower and the Security Trustee; and, until the Agent receives such a notice, it shall be entitled to assume that a Lender is acting through the Facility Office of which the Agent last had notice.

24.16 Security over Lenders' rights

In addition to the other rights provided to Lenders under this Clause 24 (*Changes to the Lenders*) each Lender may without consulting with or obtaining consent from the Borrower or any Obligor but subject to the prior written consent of SACE, at any time charge, assign or otherwise create a Security Interest in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender (i) to the benefit of any Affiliate and/or (ii) within the framework of its, or its Affiliates, direct or indirect funding operations including, without limitation:

- (a) any charge, assignment or other Security Interest to secure obligations to a federal reserve, central bank or a multilateral development bank (including the European Investment Bank and the European Investment Fund); and
- (b) in the case of any Lender which is a fund, any charge, assignment or other Security Interest granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities;

except that no such charge, assignment or Security Interest shall:

- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or Security Interest for the Lender as a party to any of the Finance Documents; or
- (ii) alter the obligations of the Obligor or require any payments to be made by the Borrower or any Obligor or grant to any person any more extensive rights than those required to be made or granted to the relevant Lender under the Finance Documents.

24.17 Assignment or transfer to SACE

- (a) Notwithstanding the above provisions of this Clause 24 (*Changes to the Lenders*) each Lender and the Agent shall, if so instructed by SACE in accordance with the provisions of the SACE Insurance Policy and without any requirement for the consent of any Obligor, assign its rights or (as the case may be) transfer its rights and obligations to SACE (but for the avoidance of doubt, SACE will not assume any of the Lenders' obligations pursuant to Clauses 10 (*Taxes, Increased Costs, Costs and Related Charges*) or 33 (*Confidentiality*) of this Agreement), which assignment or transfer shall take effect upon the date stated in the relevant documentation subject to SACE being satisfied that it has complied with all necessary "know your customer" requirements in relation to such assignment or transfer;

"**Tax Credit**" means a credit against, relief or remission for, or repayment of any Tax.

"**Tax Deduction**" means a deduction or withholding for or on account of Tax from a payment under a Finance Document other than a FATCA Deduction.

"**Tax Payment**" means either the increase in a payment made by an Obligor to a Secured Party under Clause 10.2 (*Tax gross-up*) or a payment under Clause 10.3 (*Tax indemnity*).

- (b) Unless a contrary indication appears, in this Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*) reference to "**determines**" or "**determined**" means a determination made in the absolute discretion of the person making the determination.

10.2 Tax gross-up

- (a) Each Obligor shall make all payments to be made by it under the Finance Documents without any Tax Deduction, unless a Tax Deduction is required by law.
- (b) The Borrower shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Agent accordingly. Similarly, a Lender shall notify the Agent on becoming so aware in respect of a payment payable to that Lender. If the Agent receives such notification from a Lender it shall notify the Borrower and that Obligor.
- (c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.
- (d) A payment shall not be increased under paragraph (c) above if on the date on which the payment falls due the Obligor making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender (having been given notice of the documentation requested under Clause 10.7 (*Lender Status*) at least 30 Business Days prior to such payment date) complied with its obligations under Clause 10.7 (*Lender Status*).
- (e) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.
- (f) Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Agent for the Secured Party entitled to the payment evidence reasonably satisfactory to that Secured Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

10.3 Tax indemnity

- (a) The Borrower shall (within three Business Days of demand by the Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.
- (b) Paragraph (a) above shall not apply:
- (i) with respect to any Tax assessed on a Secured Party:
 - (A) under the law of the jurisdiction in which that Secured Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Secured Party is treated as resident for tax purposes; or

(B) under the law of the jurisdiction in which that Lender's Facility Office is located in respect of amounts received or receivable in that jurisdiction,

if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Secured Party; or

(ii) to the extent a loss, liability or cost is compensated for by an increased payment under Clause 10.2 (*Tax gross-up*) or would have been compensated for by an increased payment under Clause 10.2 (*Tax gross-up*) but was not so compensated solely because an exclusion in paragraph (d) of Clause 10.2 (*Tax gross-up*) applied, or relates to a FATCA Deduction required to be made by a Party; or

(iii) with respect to the Taxes in the nature of a branch profits tax imposed by Section 884(a) of the Code that is imposed by any jurisdiction described in paragraph (b)(i)(B) above.

(c) A Protected Party making, or intending to make a claim under paragraph (a) above shall promptly notify the Agent of the event which will give, or has given, rise to the claim, following which the Agent shall notify the Borrower.

(d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 10.3 (*Tax indemnity*), notify the Agent.

10.4 Tax Credit

If an Obligor makes a Tax Payment and the relevant Creditor Party determines that:

(a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and

(b) that Creditor Party has obtained, retained and utilised that Tax Credit,

the Creditor Party shall pay an amount to the Obligor which that Creditor Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

10.5 Stamp taxes

The Borrower shall pay and, within three Business Days of demand, indemnify each Secured Party against any cost, loss or liability that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

10.6 VAT

(a) All amounts expressed to be payable under a Finance Document by any Party to a Secured Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Secured Party to any Party under a Finance Document and such Secured Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Secured Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Secured Party must promptly provide an appropriate VAT invoice to that Party).

- (b) If VAT is or becomes chargeable on any supply made by any Secured Party (the "**Supplier**") to any other Secured Party (the "**Recipient**") under a Finance Document, and any Party other than the Recipient (the "**Relevant Party**") is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):
 - (i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and
 - (ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.
- (c) Where a Finance Document requires any Party to reimburse or indemnify a Secured Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Secured Party for the full amount of such cost or expense, including such part of it as represents VAT, save to the extent that such Secured Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.
- (d) Any reference in this Clause 10.6 (*VAT*) to any Party being required to account to a tax authority for VAT shall, at any time when such Party is treated as a member of a group for VAT purposes, include a reference to another member of that group being required to so account to the relevant tax authority.
- (e) In relation to any supply made by a Secured Party to any Party under a Finance Document, if reasonably requested by such Secured Party, that Party must promptly provide such Secured Party with details of that Party's VAT registration and such other information as is reasonably requested in connection with such Secured Party's VAT reporting requirements in relation to such supply.

10.7 Lender Status

- (a) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under a Finance Document shall deliver to the Agent and the Borrower, at the time or times reasonably requested by the Agent or the Borrower, such properly completed and executed documentation reasonably requested by the Agent or the Borrower (and which it is reasonable for the Lender to complete and execute) as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Agent or the Borrower, shall deliver such other documentation as prescribed by applicable law and reasonably requested by the Agent or the Borrower as will enable the Agent or the Borrower to determine whether or not such Lender is subject to backup withholding or information reporting requirements.
- (b) Any Lender shall, to the extent it is legally entitled to do so, and where it is entitled to an exemption from, or reduction of, U.S. federal withholding tax, deliver to the Agent and the Borrower on or prior to the date on which such Lender becomes a Lender under this Agreement or promptly thereafter (and from time to time thereafter as prescribed by applicable law or upon the request of the Agent or the Borrower), duly executed and properly completed copies of Internal Revenue Service Form W-9 or W-8, as applicable, certifying that it is not subject to U.S. federal backup withholding and, in the case of a non-U.S. Lender that is eligible for an exemption from, or reduction of, U.S. federal withholding Tax establishing an exemption from, or reduction of, U.S. federal withholding Tax.

10.8 FATCA Deduction

- (a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
- (b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction) notify the Party to whom it is making the payment and, in addition, shall notify the Borrower, the Agent and the other Secured Parties.

10.9 FATCA Information

- (a) Subject to paragraph (c) below, each Party shall, within ten Business Days of a reasonable request by another Party:
 - (i) confirm to that other Party whether it is:
 - (A) a FATCA Exempt Party; or
 - (B) not a FATCA Exempt Party;
 - (ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and
 - (iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.
- (b) If a Party confirms to another Party pursuant to paragraph (a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.
- (c) Paragraph (a) above shall not oblige any Creditor Party to do anything, and paragraph (a)(iii) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:
 - (i) any law or regulation;
 - (ii) any fiduciary duty; or
 - (iii) any duty of confidentiality.
- (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a) (i) or (ii) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.
- (e) Each Lender shall, within ten Business Days of (i) where the relevant Lender is a Lender at the date of this Agreement, the date of this Agreement and (ii) where the relevant Lender is a Transferee Lender, the effective date of a Transfer Certificate under Clause 24.4 (*Effective Date of Transfer Certificate*), supply to the Agent:

- (i) a withholding certificate on Form W-8, Form W-9 or any other relevant form; or
 - (ii) any withholding statement or other document, authorisation or waiver as the Agent may require to certify or establish the status of such Lender under FATCA or that other law or regulation.
- (f) The Agent shall provide any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (c) above to the relevant Borrower.
- (g) If any withholding certificate, withholding statement, document, authorisation or waiver provided to the Agent by a Lender pursuant to paragraph (e) above is or becomes materially inaccurate or incomplete, that Lender shall promptly update it and provide such updated withholding certificate, withholding statement, document, authorisation or waiver to the Agent unless it is unlawful for the Lender to do so (in which case the Lender shall promptly notify the Agent). The Agent shall provide any such updated withholding certificate, withholding statement, document, authorisation or waiver to the relevant Borrower.
- (h) The Agent may rely on any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) or (g) above without further verification. The Agent shall not be liable for any action taken by it under or in connection with paragraphs (e), (f) or (g) above.
- (i) CDP confirms, and the Borrower acknowledges, that as at the date of this Agreement CPD is a FATCA Exempt Party.

10.10 Increased Costs

- (a) If after the date of this Agreement by reason of (x) any change in law or in its interpretation or administration and/or (y) compliance with any request from or requirement of any central bank or other fiscal, monetary or other authority including but without limitation the Basel Committee on Banking Regulations and Supervisory Practices whether or not having the force of law:
- (i) any of the Lenders incurs a cost as a result of its performing its obligations under this Agreement and/or its making available its Commitment hereunder; or
 - (ii) there is any increase in the cost to any of the Lenders of funding or maintaining all or any of the advances comprised in a class of advances formed by or including its Commitment advanced or to be advanced by it hereunder; or
 - (iii) any of the Lenders incurs a cost as a result of its having entered into and/or its assuming or maintaining its commitment under this Agreement; or
 - (iv) any of the Lenders becomes liable to make any payment on account of Tax or otherwise (other than Tax on its overall net income) on or calculated by reference to the amount of its Commitment advanced or to be advanced hereunder and/or any sum received or receivable by it hereunder; or
 - (v) any of the Lenders suffers any decrease in its rate of return as a result of any changes in the requirements relating to capital ratios, monetary control ratios, the payment of special deposits, liquidity costs or other similar requirements affecting that Lender,

then the Borrower shall on demand pay to the Agent for the account of the relevant Lender or Lenders amounts sufficient to indemnify the relevant Lender or Lenders against, as the case may be, such cost, such increased cost (or such proportion of such increased cost as is in the reasonable opinion of the relevant Lender or Lenders attributable to the funding or maintaining of its or their Commitment(s) hereunder) or such liability.

- (b) This Clause 10.10 (*Increased Costs*) does not apply to the extent any increased cost is:
- (i) attributable to a Tax Deduction required by law to be made by an Obligor;
 - (ii) attributable to a FATCA Deduction required to be made by a Party;
 - (iii) compensated for by Clause 10.3 (*Tax indemnity*) (or would have been compensated for under Clause 10.3 (*Tax indemnity*) but was not compensated solely because any of the exclusions in paragraph (b) of Clause 10.3 (*Tax indemnity*) applied); or
 - (iv) attributable to the wilful breach by the relevant Creditor Party or its Affiliates of any law of regulation.

In this Clause 10.10 (*Increased Costs*), a reference to a "Tax Deduction" has the same meaning given to the term in Clause 10.1 (*Definitions*).

- (c) A Lender affected by any provision of this Clause 10.10 (*Increased Costs*) shall promptly inform the Agent after becoming aware of the relevant change and its possible results (which notice shall be conclusive evidence of the relevant change and its possible results) and the Agent shall, as soon as reasonably practicable thereafter, notify the Borrower of the change and its possible results. Without affecting the Borrower's obligations under this Clause 10.10 (*Increased Costs*) and in consultation with the Agent and the Italian Authorities, the affected Lender will then take all such reasonable steps as may be open to it to mitigate the effect of the change (for example (if then possible) by changing its Facility Office or transferring some or all of its rights and obligations under this Agreement to another financial institution reasonably acceptable to the Borrower and the Agent and the Italian Authorities). The reasonable costs of mitigating the effect of any such change shall be borne by the Borrower save where such costs are of an internal administrative nature and are not incurred in dealings by any Lender with third parties.

10.11 Transaction Costs

The Borrower undertakes to pay to the Agent, upon demand, all costs and expenses, duties and fees, including but without limitation pre-agreed legal costs (which, for avoidance of doubt are exclusive of VAT and disbursements) out of pocket expenses and travel costs, reasonably incurred by the Italian Authorities, the Joint Mandated Lead Arrangers and the Lenders (but not including any bank which becomes a Lender after the date of this Agreement) in connection with the negotiation, preparation and execution of all agreements, guarantees, security agreements and related documents entered into, or to be entered into, for the purpose of the transaction contemplated hereby as well as all costs and expenses, duties and fees incurred by the Agent or the Lenders in connection with the registration, filing, enforcement or discharge of the said guarantees or security agreements, including without limitation the fees and expenses of legal advisers and insurance experts (provided that such insurance costs are not to exceed ten thousand Dollars (\$10,000)) and the fees and expenses of the Italian Authorities (including the fees and expenses of its legal advisers) payable by the Joint Mandated Lead Arrangers to the Italian Authorities, the cost of registration and discharge of security interests and the related travel and out of pocket expenses; the Borrower further undertakes to pay to the Agent all costs, expenses, duties and fees incurred by the Lenders and the Italian Authorities in connection with any variation of this Agreement and the related documents, guarantees and security agreements, any supplements thereto and waiver given in relation thereto, in connection with the investigation of any potential Event of Default, the enforcement or preservation of any rights under this Agreement and/or the related guarantees and security agreements, including in each case the fees and expenses of legal advisers, and in connection with the consultations or proceedings made necessary or in the opinion of the Agent desirable by the acts of, or failure to act on the part of, the Borrower.

10.12 Costs of delayed Delivery Date

The Borrower undertakes to pay to the Agent, upon demand, any costs incurred by the Lenders and/or the Italian Authorities in funding the Loan in the event that the Delivery Date is later than the Intended Delivery Date unless the Borrower has given the Agent at least three (3) Business Days' notification of such delay in the Delivery Date.

10.13 SACE obligations

To the extent that this Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

 - (i) the Transaction Documents;
 - (ii) any other agreement expressly allowed under any other term of this Agreement; and

- (e) acquire any shares or other securities other than US or UK Treasury bills and certificates of deposit issued by major North American or European banks.

12.16 Unlawfulness, invalidity and ranking; Security imperilled

12.17 Dividends

The Borrower shall not make or pay any dividend or other distribution (in cash or in kind) in respect of its share capital other than dividends and distributions that are transferred to the Shareholder or the Guarantor provided that no Event of Default has occurred or is continuing or would result from the payment of any dividend.

12.19 Acquisition of shares

The Borrower will not:

- (a) acquire any equity, share capital, assets or obligations of any corporation or other entity; or

12.20 Further assurance

The Borrower will, from time to time on being required to do so by the Agent, do or procure the doing of all such acts and/or execute or procure the execution of all such documents in a form satisfactory to the Agent as the Agent may reasonably consider necessary for giving full effect to any of the Transaction Documents, the Interest Make-Up Agreement or the SACE Insurance Policy or securing to the Secured Parties the full benefit of the rights, powers and remedies conferred upon the Secured Parties or any of them in any such Transaction Document the Interest Make-Up Agreement or the SACE Insurance Policy.

12.21 Irrevocable payment instructions

The Borrower shall not modify, revoke or withhold the payment instructions set out in Clause 4.1 (*Borrower's irrevocable payment instructions*) without the agreement of the Builder (in the case of paragraph (a) of Clause 4.1 (*Borrower's irrevocable payment instructions*) only), the Agent, SACE and the Lenders.

12.22 "Know your customer" checks

- (a) If:
- (i) the introduction of or any change in (or in the interpretation, administration or application of) any law or regulation made after the date of this Agreement;
 - (ii) any change in the status of the Borrower after the date of this Agreement; or

- (b) Each Lender shall promptly upon the request of a Servicing Party supply, or procure the supply of, such documentation and other evidence as is reasonably requested by the Servicing Party (for itself) in order for that Servicing Party to carry out and be satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations pursuant to the transactions contemplated in the Finance Documents.

12.23 Pre-delivery Contracts and Pre-delivery Insurance

- (a) The Borrower shall:
- (i) observe and perform all its obligations and meet all its liabilities under or in connection with each Pre-delivery Contract;
 - (ii) use its best endeavours to ensure performance and observance by the other parties of their obligations and liabilities under each Pre-delivery Contract;
 - (iii) take any action, or refrain from taking any action, which the Agent (always acting reasonably and in good faith towards the Borrower) may specify in connection with any material breach, or possible future material breach, of a Pre-delivery Contract by the Borrower or any other party or with any other matter which arises or may later arise out of or in connection with a Pre-delivery Contract which is or could reasonably be expected to become materially prejudicial to the interests, rights or position of the Lenders; and
 - (iv) use its best endeavours to ensure that all interests and rights conferred by each Pre-delivery Contract remain valid and enforceable in all respects and retain the priority which they were intended to have.
- (b) The Pre-delivery Contracts constitute legal, valid and binding and enforceable obligations of the Builder and the Refund Guarantor respectively, and accordingly the Borrower shall not:
- (i) waive, cancel or suspend any Pre-delivery Contract or assign or transfer any of its rights thereunder, and shall comply with any authorisations for the purposes of the Pre-delivery Contracts;

- (ii) make any material modification(s) to the Material Provisions of the Shipbuilding Contract (excluding Article 9 (Price) of the Shipbuilding Contract in respect of any increase of the price due to any modifications of the plans or the specification or the construction of the Ship under Article 24 of the Shipbuilding Contract), (including, but not limited to, any written amendments or modifications which could reasonably be expected to be adverse to the interests of the Secured Parties of the SACE Insurance Policy) without the prior written consent of the Lenders and in any event may not modify the Shipbuilding Contract, directly or indirectly, in such a manner that would result in a change of the type, principal dimensions or class of the Ship or decrease the value of the Ship by equal to or greater than 5 per cent (in aggregate) or could reasonably be expected to be adverse to the interests of the Secured Parties or the SACE Insurance Policy; or
- (iii) modify the Refund Guarantee, once issued, without the prior written consent of the Lenders and the form of the Refund Guarantee to be issued will not be materially different from the agreed form Refund Guarantee attached to the Sixth Addendum, and will not be modified if such modification could reasonably be expected to be adverse to the interests of the Secured Parties or the SACE Insurance Policy.

The Borrower will, therefore, submit to the Agent any proposals for any such modification and SACE and the Agent on behalf of the Lenders will indicate in a timely manner whether the modification proposed will allow the Loan to be maintained. The Borrower also undertakes to notify the Agent of any change in the Intended Delivery Date as soon as practicable after each change has occurred.

The Borrower shall notify the Agent promptly, and in any event within ten (10) Business Days (as defined in limb (a) of the definition of Business Day) of any changes to the Shipbuilding Contract (other than Minor Modifications arising in the general day to day construction period for a vessel of the type of the Ship) and provide copies of the same to the Agent.

- (c) The Borrower shall promptly notify the Agent upon any Obligor becoming aware of a Downgraded Refund Guarantor. Where there is a Downgraded Refund Guarantor, the Borrower shall promptly serve written notice on the Builder requiring the Builder to replace that Downgraded Refund Guarantor with a Refund Guarantor which is not subject to any such RG Downgrade Event within a 60 day period. If the Borrower requests any waiver of the above requirement from the Lenders, the Borrower acknowledges that the Lenders (acting on the instructions of SACE) shall not be obliged to provide any such waiver. If a RG Downgrade Event occurs and the Borrower is unable to satisfy the requirements of this paragraph (c) of Clause 12.23 (*Pre-delivery Contracts and Pre-delivery Insurance*), it shall be treated as a mandatory prepayment event pursuant to Clause 16.5 (*Mandatory prepayment on default under Shipbuilding Contract*).
- (d) The Borrower shall ensure that at all times during construction, the Ship is insured in accordance with the provisions of Article 23 of the Shipbuilding Contract.
- (e) In the event that a previously issued Refund Guarantee cannot be extended or replaced, and pursuant to the terms of the Shipbuilding Contract the Builder has chosen to replace such Refund Guarantee with an Acceptable Deposit, the Account shall be opened and such Acceptable Deposit shall be transferred to the Account which shall be pledged in favour of the Lenders, the Joint Mandated Lead Arrangers, the Security Trustee, the Agent and the SACE Agent and shall be deemed to be Pre-delivery Security. For the avoidance of doubt:
 - (i) any amount of the Acceptable Deposit shall be transferred to and from the Account upon the terms of the Account Pledge and the conditions relating to the mechanics of the Account and Acceptable Deposit shall be set out in the Account Pledge; and

- (ii) upon the instructions of the Beneficiaries (as defined in the Account Pledge), the Account Bank shall close the Account upon delivery of the Ship provided no potential Event of Default or Event of Default has occurred.

The Borrower shall procure that if at any time after the date of this Agreement the Guarantor enters into any financial contract or financial document relating to any Financial Indebtedness with or which has the support of any export credit agency and which contains *pari passu* provisions or cross default provisions which are more favourable to the lenders than those contained in paragraph (l) of Clause 11.2 (*Continuing representations and warranties*) and Clause 18.6 (*Cross default*) respectively, the Borrower or the Guarantor shall immediately notify the Agent of such provisions and the relevant provisions contained in this Agreement shall be deemed amended so that such more favourable *pari passu* provisions or cross default provisions are granted to the Creditor Parties pursuant to this Agreement.

12.26 Code of Ethics and Model

- (a) The Borrower shall not behave so as to cause any of the following persons to violate the principles set out in the Code of Ethics and/or Model:

- (c) permit the Ship to be employed other than within the Norwegian Cruise Line brand unless the Borrower notifies the Lenders that they intend to employ the Ship within another brand of the Group and the ship remains employed within the Group.

13.4 Valuation of the Ship

The following shall apply in relation to the valuation of the Ship:

On the Delivery Date and annually thereafter, it will furnish to the Agent a statement by such classification society that such classification notation is maintained. It will comply with all recommendations, regulations and requirements (statutory or otherwise) from time to time applicable to the Ship and shall have on board as and when required thereby valid certificates showing compliance therewith and shall procure that all repairs to or replacements of any damaged, worn or lost parts or equipment are carried out (both as regards workmanship and quality of materials) so as not to diminish the value or class of the Ship. It will not make any substantial modifications or alterations to the Ship or any part thereof which would reduce the market and commercial value of the Ship determined in accordance with Clause 13.4 (*Valuation of the Ship*).

13.7 Surveys and inspections

20 INDEMNITIES

20.1 Indemnities regarding borrowing and repayment of Loan

The Borrower shall fully indemnify the Agent and each Lender or SIMEST (but without double counting to the extent that a Lender is making a claim in respect of amounts owing to SIMEST) on the Agent's demand in respect of all claims, expenses, liabilities and losses which are made or brought against or incurred by that Secured Party, or which that Secured Party reasonably and with due diligence estimates that it will incur, as a result of or in connection with:

- (a) any part of the Loan not being borrowed on the date specified in a Drawdown Notice for any reason other than a default by the Lender claiming the indemnity;
- (b) the receipt or recovery of all or any part of the Loan or an overdue sum otherwise than on the last day of an Interest Period or other relevant period;
- (c) any failure (for whatever reason) by the Borrower to make payment of any amount due under a Finance Document on the due date or, if so payable, on demand (after giving credit for any default interest paid by the Borrower on the amount concerned under Clause 17 (*Interest on Late Payments*)); and

- (d) the occurrence and/or continuance of an Event of Default and/or the acceleration of repayment of the Loan under Clause 18 (~~Events of Default~~).

20.2 Breakage costs and SIMEST arrangements

Without limiting its generality, Clause 20.1 (*Indemnities regarding borrowing and repayment of Loan*) covers:

- (a) any claim, expense, liability or loss, including a loss of a prospective profit, incurred by a Lender in liquidating or employing deposits from third parties acquired or arranged to fund or maintain all or any part of its Contribution and/or any overdue amount (or an aggregate amount which includes its Contribution or any overdue amount);
- (b) if the Borrower has selected the Fixed Interest Rate in accordance with Clause 6.1 (*Fixed or Floating Interest Rate*), all of the amounts that SIMEST is entitled to charge, whether for taxes, costs, expenses, indemnities, penalties, losses or liabilities whatsoever, under and in accordance with the Interest Make-up Agreement, including without limitation, as a result of any prepayment of all or any part of the Loan under this Agreement (whether voluntary, mandatory, following acceleration of the Loan or otherwise), as a result of an Interest Make-Up Event or as a result of the Borrower deciding to switch from the Fixed Interest Rate to another interest rate after the Drawdown Date and/or an Interest Make-up Event. Such amounts include, without limitation, (i) breakage costs, (ii) any amount due as a consequence of the close-out of any hedging arrangement entered into by SIMEST in relation to this Agreement, (iii) default interest and penalties (*maggiorazioni*) whenever applicable, and (iv) all amounts (if any) to be returned by the Agent to SIMEST under and pursuant to the Interest Make-Up Agreement; and
- (c) any other costs whatsoever or howsoever arising under or in respect of the Interest Make-Up Agreement which are passed to the Agent, and any such costs imposed by SIMEST shall be paid by the Borrower to SIMEST through the Agent.

For the purposes of this Clause 20.2 (*Breakage costs and SIMEST arrangements*) "**Interest Make-Up Event**" means the occurrence of any circumstances which result in the termination, cancellation, revocation, cessation or suspension (in each case, in whole or in part) of the Interest Make-Up Agreement or the Interest Make-Up Agreement otherwise ceases or may cease to be in full force and effect or the Agent notifies the Borrower that the Fixed Interest Rate is not available for any reason, in each case, in accordance with the terms of the Interest Make-Up Agreement.

20.3 Miscellaneous indemnities

The Borrower shall fully indemnify each Secured Party severally on their respective demands in respect of all claims, expenses, liabilities and losses which may be made or brought against or incurred by a Secured Party, in any country, as a result of or in connection with:

- (a) any action taken, or omitted or neglected to be taken, under or in connection with any Finance Document by the Agent or any other Secured Party or by any receiver appointed under a Finance Document;
- (b) any other Pertinent Matter,

other than claims, expenses, liabilities and losses which are shown to have been directly and mainly caused by the dishonesty or wilful misconduct of the officers or employees of the Secured Party concerned.

Without prejudice to its generality, this Clause 20.3 (*Miscellaneous indemnities*) covers (i) any claims, expenses, liabilities and losses which arise, or are asserted, under or in connection with any law relating to safety at sea, the ISM Code or any Environmental Laws or any Sanctions and (ii) any claims, expenses, liabilities (including, without limitation, under a reputational standpoint) and losses which arise, or are asserted, against CDP under or in connection with any breach by the Borrower of any of the provisions paragraphs (nn) to (rr) of Clause 11.2 (*Continuing representations and warranties*) and/or of Clause 12.26 (*Code of Ethics and Model*).

20.4 Currency indemnity

If any sum due from an Obligor to a Secured Party under a Finance Document or under any order or judgment relating to a Finance Document has to be converted from the currency in which the Finance Document provided for the sum to be paid (the "**Contractual Currency**") into another currency (the "**Payment Currency**") for the purpose of:

- (a) making or lodging any claim or proof against an Obligor, whether in its liquidation, any arrangement involving it or otherwise; or
- (b) obtaining an order or judgment from any court or other tribunal; or
- (c) enforcing any such order or judgment,

the Borrower shall indemnify the Secured Party concerned against the loss arising when the amount of the payment actually received by that Secured Party is converted at the available rate of exchange into the Contractual Currency.

In this Clause 20.4 (*Currency indemnity*) the "**available rate of exchange**" means the rate at which the Secured Party concerned is able at the opening of business (Paris time) on the Business Day after it receives the sum concerned to purchase the Contractual Currency with the Payment Currency.

This Clause 20.4 (*Currency indemnity*) creates a separate liability of the Borrower which is distinct from its other liabilities under the Finance Documents and which shall not be merged in any judgment or order relating to those other liabilities.

20.5 Certification of amounts

A notice which is signed by 2 officers of a Secured Party, which states that a specified amount, or aggregate amount, is due to that Secured Party under this Clause 20 (*Indemnities*) and which indicates (without necessarily specifying a detailed breakdown) the matters in respect of which the amount, or aggregate amount, is due shall be prima facie evidence that the amount, or aggregate amount, is due.

20.6 Sums deemed due to a Lender

For the purposes of this Clause 20 (*Indemnities*), a sum payable by the Borrower to the Agent for distribution to a Lender shall be treated as a sum due to that Lender.

20.7 SACE obligations

To the extent that this Clause 20 (*Indemnities*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

21 ILLEGALITY, ETC.

21.1 Illegality and Sanctions

This Clause 21 (*Illegality, etc.*) applies if:

- (a) a Lender (the "**Notifying Lender**") notifies the Agent that:
 - (i) it becomes unlawful or contrary to any law, regulation or Sanctions – including by way of civil, administrative or criminal liability - in any applicable jurisdiction for the Notifying Lender to perform any of its obligations as contemplated by the Finance Documents or to fund its participation in the Loan; and/or
 - (ii) it becomes unlawful or contrary to any law, regulation or Sanctions – including by way of civil, administrative or criminal liability - in any applicable jurisdiction for the Notifying Lender to maintain its participation in the Loan; or
- (b) an Obligor is or becomes a Prohibited Person,
(such event, an "**Illegality or Sanctions Event**").

21.2 Notification of illegality

- (a) The Agent shall promptly notify the Borrower, the Obligors and the other Lenders of the notice under Clause 21 (*Illegality, etc.*) which the Agent receives from the Notifying Lender.
- (b) Upon receipt of the notice under paragraph (a) above and provided that such Illegality or Sanctions Event is not applicable with immediate effect (in which case paragraph (a) of Clause 21.3 (*Prepayment; termination of Commitment*) will apply immediately and this paragraph (b) of Clause 21.2 (*Notification of illegality*) will not apply, the Agent shall, where the Borrower has selected the Fixed Interest Rate pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), inform SIMEST in writing in order to start consultations between themselves (pursuant to clause 6 of the Interest Make-Up Agreement) with a view to exploring any possible solution to mitigate the Illegality or Sanctions Event preventing that Lender from performing any of its obligations under a Finance Document or funding or maintaining its share in the Loan. Any solution agreed between the Agent and SIMEST at the end of the consultation period (which shall last for a period of ten (10) days from the service of such notice on SIMEST) will be binding among themselves and shall be notified by the Agent to each Obligor immediately thereafter (and in any case no later than ten (10) days following such decision).
- (c) If at the end of the consultation procedure set out in paragraph (b) above, no solution is agreed between the Agent and SIMEST, the Agent must immediately notify the Lenders and the Obligors.

21.3 Prepayment; termination of Commitment

- (a) After notification under paragraph (c) above or (in case the Interest Make-Up Agreement has ceased to be in force and effect or the Fixed Interest Rate has not been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*)) after notification under paragraph (a) above and subject to Clause 21.4 (*Mitigation*) below the Borrower must repay or prepay that Lender's share in the Loan on the date specified in paragraph (c) below together with any breakage costs payable under Clause 20.2 (*Breakage costs and SIMEST arrangements*) and any indemnity payable under paragraph (c) of Clause 20.2 (*Breakage costs and SIMEST arrangements*) in respect of the Interest Make-Up Agreement;

- (b) On the Agent notifying the Borrower under paragraph (c) of Clause 21.2 (*Notification of illegality*), the Notifying Lender's Commitment shall terminate; and thereupon or, if later, on the date specified in the Notifying Lender's notice under Clause 21.1 (*Illegality and Sanctions*) as the date on which the notified event would become effective the Borrower shall prepay the Notifying Lender's Contribution and shall pay compensation to the Notifying Lender calculated in accordance with Clause 16.2 (*Voluntary prepayment*).
- (c) The date for repayment or prepayment of a Lender's share in the Loan will be:
 - (i) the date specified by the Agent in the notification under paragraph (b) above; or
 - (ii) in case the Interest Make-Up Agreement has ceased to be in full force and effect or the Fixed Interest Rate has not been selected pursuant to Clause 6.1 *Fixed or Floating Interest Rate*, the last day of the current Interest Period for the relevant Advance or Advances or, if earlier, the date specified by the Lender in the notification under paragraph (a) above and which must not be earlier than the last day of any applicable grace period allowed by law.

21.4 Mitigation

- (a) Each Secured Party shall, in consultation with the Borrowers, take all reasonable steps to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to, or cancelled pursuant to Clause 21.1 (*Illegality and Sanctions*) including (but not limited to) transferring its rights and obligations under the Finance Documents to another Affiliate or Facility Office.
- (b) Paragraph (a) above does not in any way limit the obligations of any Obligor under the Finance Documents.

22 SET-OFF

22.1 Application of credit balances

Each Creditor Party may without prior notice:

- (a) apply any balance (whether or not then due) which at any time stands to the credit of any account in the name of the Borrower at any office in any country of that Creditor Party in or towards satisfaction of any sum then due from the Borrower to that Creditor Party under any of the Finance Documents; and
- (b) for that purpose:
 - (i) break, or alter the maturity of, all or any part of a deposit of the Borrower;
 - (ii) convert or translate all or any part of a deposit or other credit balance into Euros;
 - (iii) enter into any other transaction or make any entry with regard to the credit balance which the Creditor Party concerned considers appropriate.

22.2 Existing rights unaffected

No Creditor Party shall be obliged to exercise any of its rights under Clause 22.1 (*Application of credit balances*); and those rights shall be without prejudice and in addition to any right of set-off, combination of accounts, charge, lien or other right or remedy to which a Creditor Party is entitled (whether under the general law or any document).

22.3 Sums deemed due to a Lender

For the purposes of this Clause 22 (*Set-Off*), a sum payable by the Borrower to the Agent for distribution to, or for the account of, a Lender shall be treated as a sum due to that Lender; and each Lender's proportion of a sum so payable for distribution to, or for the account of, the Lenders shall be treated as a sum due to such Lender.

22.4 No Security Interest

This Clause 22 (*Set-Off*) gives the Creditor Parties a contractual right of set-off only, and does not create any equitable charge or other Security Interest over any credit balance of the Borrower.

23 BAIL-IN

Notwithstanding any other term of any Finance Document or any other agreement, arrangement or understanding between the parties to a Finance Document, each Party acknowledges and accepts that any liability of any party to a Finance Document under or in connection with the Finance Documents may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

- (a) any Bail-In Action in relation to any such liability, including (without limitation):
 - (i) a reduction, in full or in part, in the principal amount, or outstanding amount due (including any accrued but unpaid interest) in respect of any such liability;
 - (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership that may be issued to, or conferred on, it; and
 - (iii) a cancellation of any such liability; and
- (b) a variation of any term of any Finance Document to the extent necessary to give effect to any Bail-in Action in relation to any such liability.

24 CHANGES TO THE LENDERS

24.1 Transfer by a Lender

Subject to Clause 24.5 (*No transfer without Transfer Certificate*), Clause 24.17 (*Assignment or transfer to SACE*) and Clause 24.14 (*Change of Facility Office*), a Lender (the "**Transferor Lender**") may at any time provided they have obtained the prior written consent of the Italian Authorities cause:

- (a) its rights in respect of all or part of its Contribution; or
- (b) its obligations in respect of all or part of its Commitment; or
- (c) a combination of (a) and (b),

to be (in the case of its rights) transferred to, or (in the case of its obligations) assumed by, in whole or in part any of its Affiliates or another bank or financial institution or a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (a "**Transferee Lender**") by delivering to the Agent a completed certificate in the form set out in Schedule 4 (*Form of Transfer Certificate*) with any modifications approved or required by the Agent (a "**Transfer Certificate**") executed by the Transferor Lender and the Transferee Lender.

However any rights and obligations of the Transferor Lender in its capacity as Agent or Security Trustee will have to be dealt with separately in accordance with the provisions of Clauses 26 (*Role of the Agent and the Joint Mandated Lead Arrangers*) and 27 (*The Security Trustee*) respectively.

24.2 Conditions of assignment or transfer

- (a) The consent of the Borrower is required at all times (subject to the provisions of Clauses 24.5 (*No transfer without Transfer Certificate*) and 24.17 (*Assignment or transfer to SACE*) for an assignment or transfer by an Existing Lender, unless (i) there is an Event of Default or (ii) the assignment or transfer is to another Lender or an Affiliate of a Lender.
- (b) The consent of the Borrower to an assignment or transfer must not be unreasonably withheld or delayed. The Borrower will be deemed to have given its consent ten (10) Business Days after the Existing Lender has requested it unless consent is expressly refused by that Borrower within that time.
- (c) The assignment or transfer must be with respect to a minimum Commitment of [*] Euros (€[*]) or, if less, the Existing Lender's full Commitment.

24.3 Transfer Certificate, delivery and notification

As soon as reasonably practicable after a Transfer Certificate is delivered to the Agent, it shall (unless it has reason to believe that the Transfer Certificate may be defective):

- (a) sign the Transfer Certificate on behalf of itself, the Borrower, any other Obligors, the Security Trustee and each of the other Lenders;
- (b) on behalf of the Transferee Lender, send to the Borrower and each Obligor letters or faxes notifying them of the Transfer Certificate and attaching a copy of it; and
- (c) send to the Transferee Lender copies of the letters or faxes sent under paragraph (b) above,

but the Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Transferor Lender and the Transferee Lender once it is satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to the transfer to that Transferee Lender.

24.4 Effective Date of Transfer Certificate

A Transfer Certificate becomes effective on the date, if any, specified in the Transfer Certificate as its effective date, provided that it is signed by the Agent under Clause 24.3 (*Transfer Certificate, delivery and notification*) on or before that date.

24.5 No transfer without Transfer Certificate

Except as provided in Clause 24.16 (*Security over Lenders' rights*), no assignment or transfer of any right or obligation of a Lender under any Finance Document is binding on, or effective in relation to, the Borrower, any Obligor, the Agent or the Security Trustee unless it is effected, evidenced or perfected by a Transfer Certificate.

24.6 Lender re-organisation; waiver of Transfer Certificate

However, if a Lender enters into any merger, de-merger or other reorganisation as a result of which all its rights or obligations vest in another person (the "**successor**"), the Agent may, if it sees fit, by notice to the successor and the Borrower and the Security Trustee waive the need for the execution and delivery of a Transfer Certificate; and, upon service of the Agent's notice, the successor shall become a Lender with the same Commitment and Contribution as were held by the predecessor Lender.

24.7 Effect of Transfer Certificate

A Transfer Certificate takes effect in accordance with English law as follows:

- (a) to the extent specified in the Transfer Certificate, all rights and interests (present, future or contingent) which the Transferor Lender has under or by virtue of the Finance Documents are assigned to the Transferee Lender absolutely, free of any defects in the Transferor Lender's title and of any rights or equities which the Borrower or any Obligor had against the Transferor Lender;
- (b) the Transferor Lender's Commitment is discharged to the extent specified in the Transfer Certificate;
- (c) the Transferee Lender becomes a Lender with the Contribution previously held by the Transferor Lender and a Commitment of an amount specified in the Transfer Certificate;
- (d) the Transferee Lender becomes bound by all the provisions of the Finance Documents which are applicable to the Lenders generally, including those about pro-rata sharing and the exclusion of liability on the part of, and the indemnification of, the Agent and the Security Trustee and, to the extent that the Transferee Lender becomes bound by those provisions (other than those relating to exclusion of liability), the Transferor Lender ceases to be bound by them;
- (e) any part of the Loan which the Transferee Lender advances after the Transfer Certificate's effective date ranks in point of priority and security in the same way as it would have ranked had it been advanced by the transferor, assuming that any defects in the transferor's title and any rights or equities of the Borrower or any Obligor against the Transferor Lender had not existed;
- (f) the Transferee Lender becomes entitled to all the rights under the Finance Documents which are applicable to the Lenders generally, including but not limited to those relating to the Majority Lenders and those under Clause 6.6 (*Market disruption*) and Clause 9 (*Fees*), and to the extent that the Transferee Lender becomes entitled to such rights, the Transferor Lender ceases to be entitled to them; and
- (g) in respect of any breach of a warranty, undertaking, condition or other provision of a Finance Document or any misrepresentation made in or in connection with a Finance Document, the Transferee Lender shall be entitled to recover damages by reference to the loss incurred by it as a result of the breach or misrepresentation, irrespective of whether the original Lender would have incurred a loss of that kind or amount.

The rights and equities of the Borrower or any Obligor referred to above include, but are not limited to, any right of set off and any other kind of cross-claim.

24.8 Maintenance of register of Lenders

During the Security Period the Agent shall maintain a register in which it shall record the name, Commitment, Contribution and administrative details (including the Facility Office) from time to time of each Lender holding a Transfer Certificate and the effective date (in accordance with Clause 24.4 (*Effective Date of Transfer Certificate*)) of the Transfer Certificate; and the Agent shall make the register available for inspection by any Lender, the Security Trustee and the Borrower during normal banking hours, subject to receiving at least 3 Business Days' prior notice.

24.9 Reliance on register of Lenders

The entries on that register shall, in the absence of manifest error, be conclusive in determining the identities of the Lenders and the amounts of their Commitments and Contributions and the effective dates of Transfer Certificates and may be relied upon by the Agent and the other parties to the Finance Documents for all purposes relating to the Finance Documents.

24.10 Authorisation of Agent to sign Transfer Certificates

The Borrower, the Security Trustee and each Lender irrevocably authorise the Agent to sign Transfer Certificates on its behalf.

24.11 Fees and Costs

24.13 Disclosure of information

A Lender may disclose to a potential Transferee Lender or sub participant any information which the Lender has received in relation to the Borrower, any Obligor or their affairs under or in connection with any Finance Document, unless the information is clearly of a confidential nature.

24.14 Change of Facility Office

Subject to the prior written consent of SACE, a Lender may change its Facility Office by giving notice to the Agent and the change shall become effective on the later of:

- (a) the date on which the Agent receives the notice; and
- (b) the date, if any, specified in the notice as the date on which the change will come into effect, provided that if (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office, and (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, an Obligor would be obliged to make a payment or an increased payment to the new Lender or Lender acting through its new Facility Office under Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*), then the new Lender or Lender acting through its new Facility Office is only entitled to receive payment under that Clause to the same extent as the existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred.

24.15 Notification

On receiving such a notice, the Agent shall notify the Borrower and the Security Trustee; and, until the Agent receives such a notice, it shall be entitled to assume that a Lender is acting through the Facility Office of which the Agent last had notice.

24.16 Security over Lenders' rights

In addition to the other rights provided to Lenders under this Clause 24 (*Changes to the Lenders*) each Lender may without consulting with or obtaining consent from the Borrower or any Obligor but subject to the prior written consent of SACE, at any time charge, assign or otherwise create a Security Interest in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender (i) to the benefit of any Affiliate and/or (ii) within the framework of its, or its Affiliates, direct or indirect funding operations including, without limitation:

- (a) any charge, assignment or other Security Interest to secure obligations to a federal reserve, central bank or a multilateral development bank (including the European Investment Bank and the European Investment Fund); and
- (b) in the case of any Lender which is a fund, any charge, assignment or other Security Interest granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities;

except that no such charge, assignment or Security Interest shall:

- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or Security Interest for the Lender as a party to any of the Finance Documents; or
- (ii) alter the obligations of the Obligor or require any payments to be made by the Borrower or any Obligor or grant to any person any more extensive rights than those required to be made or granted to the relevant Lender under the Finance Documents.

24.17 Assignment or transfer to SACE

- (a) Notwithstanding the above provisions of this Clause 24 (*Changes to the Lenders*) each Lender and the Agent shall, if so instructed by SACE in accordance with the provisions of the SACE Insurance Policy and without any requirement for the consent of any Obligor, assign its rights or (as the case may be) transfer its rights and obligations to SACE (but for the avoidance of doubt, SACE will not assume any of the Lenders' obligations pursuant to Clauses 10 (*Taxes, Increased Costs, Costs and Related Charges*) or 33 (*Confidentiality*) of this Agreement), which assignment or transfer shall take effect upon the date stated in the relevant documentation subject to SACE being satisfied that it has complied with all necessary "know your customer" requirements in relation to such assignment or transfer;
- (b) The Agent shall promptly notify the Obligors of any such assignment or transfer to SACE and, following an Event of Default, the Obligors shall pay to the Agent, upon demand, all reasonable costs and expenses, duties and fees, including but without limitation legal costs and out of pocket expenses, incurred by SACE, the Agent or the Lenders in connection with any such assignment or transfer.

24.18 No prejudice to SACE rights

- (c) The Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents, the SACE Insurance Policy or the Interest Make-Up Agreement to be paid by the Agent if the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.

- (d) Nothing in this Agreement shall oblige the Agent or a Joint Mandated Lead Arranger to carry out any "know your customer" or other checks in relation to any person on behalf of any Lender and each Lender confirms to the Agent and the Joint Mandated Lead Arrangers that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Agent or a Joint Mandated Lead Arranger.

Without affecting the responsibility of any Obligor for information supplied by it or on its behalf in connection with any Finance Document, each Lender confirms to the Agent and each of the Joint Mandated Lead Arrangers that it has been, and will continue to be, solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with any Finance Document including but not limited to:

DIRECTORS' COMPENSATION POLICY

(Effective December 29, 2017)

Directors of Norwegian Cruise Line Holdings Ltd., a company organized under the laws of Bermuda (the "Company"), who are not employed by the Company or one of its subsidiaries ("non-employee directors") are entitled to the compensation set forth below for their service as a member of the Board of Directors (the "Board") of the Company. Directors who are affiliated with Apollo or Genting HK ("affiliated directors") have elected to waive certain compensation under this policy, including any cash compensation, equity awards and certain expense reimbursement, for so long as Apollo or Genting HK are shareholders of the Company. The Board has the right to amend this policy from time to time.

Cash Compensation

Annual Cash Retainer	\$	100,000
Annual Chairperson Retainer	\$	50,000
Annual Audit Committee Chairperson Retainer	\$	30,000
Annual Compensation Committee Chairperson Retainer	\$	20,000
Annual Nominating and Governance Committee Chairperson Retainer	\$	20,000

---------------------	----	---------

Cash Compensation

Each non-employee director will be entitled to an annual cash retainer while serving on the Board in the amount set forth above (the "Annual Cash Retainer"). A non-employee director who serves as the Chairperson of the Board will be entitled to an additional annual cash retainer while serving in that position in the amount set forth above (the "Annual Chairperson Retainer"). A non-employee director who serves as the Chairperson of the Audit Committee will be entitled to an additional annual cash retainer while serving in that position in the amount set forth above (the "Annual Audit Committee Chairperson Retainer"). A non-employee director who serves as the Chairperson of the Compensation Committee will be entitled to an additional annual cash retainer while serving in that position in the amount set forth above (the "Annual Compensation Committee Chairperson Retainer"). A non-employee director who serves as the Chairperson of the Nominating and Governance Committee will be entitled to an additional annual cash retainer while serving in that position in the amount set forth above (the "Annual Nominating and Governance Committee Chairperson Retainer"). A non-employee director who serves as a member of the Audit Committee (other than the Chairperson of the Audit Committee) will be entitled to an additional annual cash retainer while serving in that position in the amount set forth above (the "Annual Audit Committee Member Retainer"). A non-employee director who attends in person a Board or committee meeting located outside of their country of residence will be entitled to a fee for attendance at the meeting in the amount set forth above (an "Out-of-Country Meeting Attendance Fee"), provided that the director will only be entitled to one Out-of-Country Meeting Attendance Fee if multiple Board or committee meetings are held on the same day or over consecutive days. Except for the Out-of-Country Meeting Attendance Fee, no non-employee director will be entitled to a meeting fee for attending in-person or telephonically any other Board or committee meetings.

The amounts of the Annual Cash Retainer, Annual Chairperson Retainer, Annual Audit Committee Chairperson Retainer, Annual Compensation Committee Chairperson Retainer, Annual Nominating and Governance Committee Chairperson Retainer and Annual Audit Committee Member Retainer are expressed as annualized amounts. These retainers will be paid on a quarterly basis, at the end of each quarter in arrears, and will be pro-rated if a non-employee director serves (or serves in the corresponding position, as the case may be) for only a portion of the quarter (with the proration based on the number of calendar days in the quarter that the director served as a non-employee director or held the particular position, as the case may be). Out-of-Country Meeting Attendance Fees for attendance at meetings that occur in a particular quarter will be paid at the end of the quarter.

Equity Awards

Annual Equity Awards for Continuing Board Members

On the first business day of each calendar year, each non-employee director then in office will automatically be granted an award of restricted share units of the Company (an "Annual Restricted Share Unit Award") determined by dividing (1) the Annual Equity Award grant value set forth above by (2) the per-share closing price of an Ordinary Share on the first business day of that year (rounded down to the nearest whole share). Subject to the non-employee director's continued service, each Annual Restricted Share Unit Award will vest in one installment on the first business day of the calendar year following the calendar year of the grant.

For each new non-employee director appointed or elected to the Board after the first business day of the calendar year, on the date that the new non-employee director first becomes a member of the Board, the new non-employee director will automatically be entitled to a pro-rata portion of the Annual Restricted Share Unit Award (a "Pro-Rata Annual Restricted Share Unit Award") determined by dividing (1) a pro-rata portion of the Annual Equity Award grant value set forth above by (2) the per-share closing price of an Ordinary Share on the date the new non-employee director first became a member of the Board (rounded down to the nearest whole share). The pro-rata portion of the Annual Equity Award grant value for purposes of a Pro-Rata Annual Restricted Share Unit Award will equal the Annual Equity Award grant value set forth above multiplied by a fraction (not greater than one), the numerator of which is 12 minus the number of whole months that as of the particular grant date had elapsed since the first business day of the year, and the denominator of which is 12. Subject to the non-employee director's continued service, each Pro-Rata Annual Restricted Share Unit Award will vest in one installment on the first business day of the calendar year following the year the award was granted.

Elective Grants of Equity Awards

Non-employee directors may elect, prior to the start of each applicable calendar year, to convert all or a portion of their Annual Cash Retainer (but not any Annual Chairperson Retainer, Annual Audit Committee Chairperson Retainer, Annual Compensation Committee Chairperson Retainer, Annual Nominating and Governance Committee Chairperson Retainer, Annual Audit Committee Member Retainer or Out-of-Country Meeting Attendance Fees) payable with respect to the particular calendar year into the right to receive an award of restricted share units of the Company (an "Elective Restricted Share Unit Award"). The Elective Restricted Share Unit Award shall automatically be granted on the first business day of each calendar year in an amount determined by dividing (1) the amount of the Annual Cash Retainer elected to be so converted by (2) the per-share closing price of an Ordinary Share on the first business day of the year (rounded down to the nearest whole share). Subject to the non-employee director's continued service, each Elective Restricted Share Unit Award will vest in one installment on the first business day of the calendar year following the year the award was granted.

In order to elect to receive an Elective Restricted Share Unit Award, non-employee directors must complete an election form in such form as the Board may prescribe from time to time (an "Election Form"), and file such completed form with the Company prior to the start of the applicable calendar year (i.e. if a director wants to convert his or her Annual Cash Retainer payable for the 2018 calendar year, the Election Form must be filed prior to December 31, 2017). Once an Election Form is validly filed with the Company, it shall automatically continue in effect for future calendar years unless the non-employee director changes or revokes his or her Election Form prior to the beginning of any such future calendar years.

Provisions Applicable to All Equity Awards

Each award of restricted share units will be made under and subject to the terms and conditions of the Company's Amended and Restated 2013 Performance Incentive Plan (the "2013 Plan") or any successor equity compensation plan approved by the Company's stockholders and in effect at the time of grant, and will be evidenced by, and subject to the terms and conditions of, an award agreement in the form approved by the Board to evidence such type of grant pursuant to this policy.

Expense Reimbursement

All directors will be entitled to reimbursement from the Company for their reasonable travel (including airfare and ground transportation), lodging and meal expenses incident to meetings of the Board or committees thereof or in connection with other Board related business.

Product Familiarization

It being in the interest of the Company for non-employee directors of its Board to review and assess the Company's products, the non-employee directors of the Board are encouraged to take one cruise with one of the Company's brands annually. Accordingly, the Company will annually provide to each non-employee director one cabin for an up to 14 night cruise with the Company brand of their choice. Non-employee directors and a guest of their choice will be accommodated in a penthouse level (or Haven equivalent) cabin with such accommodation to be assigned by the Company's revenue management department. The non-employee director will be responsible for taxes, port fees and fuel supplements as well as all onboard spending and transportation to and from the ship (other than any transportation that would otherwise be included in the ticket price of the cruise).

If a Board meeting is held on a cruise, the Company will absorb the cost of the cruise fare for each non-employee director and any guests traveling with such non-employee director in his or her stateroom. The non-employee director will be responsible for all onboard spending during such cruise.

In addition, non-employee directors and their immediate families are entitled to participate in any Company discount program in effect that is generally available to all Company employees for any additional cruises they may wish to take.

The Chairperson of the Compensation Committee of the Board may approve certain exceptions to the "Product Familiarization" section of this policy.
