1. Description of Business and Organization

We are a leading global cruise company which operates the Norwegian Cruise Line, Oceania Cruises and Regent Seven Seas Cruises brands. As of March 31, 2021, we had 28 ships with approximately 59,150 Berths and had orders for nine additional ships to be delivered through 2027. Due to the novel coronavirus (“COVID-19”), we have temporarily suspended all global cruise voyages through June 2021 and announced a limited resumption of cruises beginning in July 2021. We refer you to Note 2 – “Summary of Significant Accounting Policies” for further information.

We have one Explorer Class Ship on order for delivery in 2023. We have two Allura Class Ships on order for delivery in 2023 and 2025. Project Leonardo will introduce an additional six ships with expected delivery dates from 2022 through 2027. These additions to our fleet will increase our total Berths to approximately 83,000, which includes additional Berths we plan to add to our Project Leonardo ships, subject to certain conditions. The impacts of COVID-19 on the shipyards where our ships are under construction (or will be constructed) have resulted in some delays in expected ship deliveries, and the impacts of COVID-19 could result in additional delays in ship deliveries in the future, which may be prolonged.

2. Summary of Significant Accounting Policies

Liquidity and Management’s Plan

Due to the continued spread of COVID-19, ongoing travel restrictions and limited access to ports around the world, in March 2020, the Company implemented a voluntary suspension of all cruise voyages across its three brands. As of the date of this filing and through June 2021, we have temporarily suspended all global cruise voyages and announced a limited resumption of cruises beginning in July 2021. Significant events affecting travel, including COVID-19, typically have an impact on demand for cruise vacations, with the full extent of the impact generally determined by the length of time the event influences travel decisions. We believe the ongoing effects of COVID-19 on our operations and global bookings have had, and will continue to have, a significant impact on our financial results and liquidity, and such negative impact may continue well beyond the containment of the pandemic.

In January 2021, we amended our Senior Secured Credit Facility to further defer certain amortization payments due prior to June 30, 2022 and to waive certain financial and other covenants through December 31, 2022. In February 2021, we amended certain of our export-credit backed facilities to further defer amortization payments through March 31, 2022, and we amended all of our export-credit backed facilities to suspend certain financial covenants through December 31, 2022. In connection with such amendments of our Senior Secured Credit Facility and our export-credit backed facilities,

[Table of Contents](#)

our minimum liquidity requirement was increased to \$200 million and such requirement applies through December 31, 2022. In March 2021, the Company received additional financing through various debt financings and an equity offering, collectively totaling approximately \$2.7 billion in gross proceeds. From the proceeds, approximately \$1.5 billion was used to extinguish debt. Refer to Note 6 – “Long-Term Debt” for further details of the above transactions.

In April 2021, we announced a limited relaunch of certain cruise voyages embarking outside of the U.S. beginning in July 2021 with our ships initially operating at reduced occupancy levels. The timing for bringing our ships back to service and the percentage of our fleet in service will depend on a number of factors including, but not limited to, the duration and extent of the COVID-19 pandemic, further resurgences and new variants of COVID-19, the availability, distribution, rate of public acceptance and efficacy of vaccines and therapeutics for COVID-19, our ability to comply with governmental regulations, port availability, travel restrictions, bans and advisories, and our ability to re-staff our ships and implement new health and safety protocols.

The estimation of our future cash flow projections includes numerous assumptions that are subject to various risks and uncertainties. Upon the relaunch of cruise voyages, our principal assumptions for future cash flow projections include:

- Expected gradual phased relaunch at reduced occupancy levels;
- Forecasted cash collections primarily upon completion of future voyages and the payment of cash refunds for any further cancellations, in accordance with the terms of our credit card processing agreements (see Note 9 - “Commitments and Contingencies”); and
- Expected incremental expenses for resumption of cruise voyages, including the maintenance of and compliance with additional health and safety protocols.

Due to the unknown duration and extent of the COVID-19 pandemic, travel restrictions, bans and advisories, uncertainties around our ability to comply with governmental regulations, the potential unavailability of ports and/or destinations, voyage cancellations and timing of redeployments, and a general impact on consumer sentiment regarding cruise travel, we cannot predict when our full fleet will be back in service at historical occupancy levels. Until our phased relaunch begins, our projected liquidity requirements reflect our principal assumptions surrounding the costs of the announced limited relaunch of certain cruise voyages, ongoing operating costs during the suspension of cruise voyages, as well as liquidity requirements for financing costs and necessary capital expenditures, and our ability to continue to implement cash conservation strategies, including, but not limited to:

- Moving our ships that are not in service to minimum manning levels, which we expect would result in further reductions in crew payroll costs, fuel consumption, and maintenance costs;
- Further reductions in general operating expenses; and
- Further reductions in discretionary capital expenditures including cancellation or reduction in scope of certain Dry-docks.

We cannot make assurances that our assumptions used to estimate our liquidity requirements will not change due to the unique and unpredictable nature of the pandemic. Accordingly, the full effect of our suspension of cruise voyages on our financial performance and financial condition cannot be quantified at this time. We have made reasonable estimates and judgments of the impact of COVID-19 within our financial statements and there may be material changes to those estimates in future periods. We will report a net loss for the three months ending June 30, 2021 and expect to report a net loss until we are able to resume regular voyages, including for the year ending December 31, 2021.

Based on these actions and assumptions regarding the impact of COVID-19, and considering our available liquidity including cash and cash equivalents of \$3.5 billion at March 31, 2021, we have concluded that after implementing the above cash conservation strategies, we have sufficient liquidity to satisfy our obligations for at least the next twelve months even in the event we do not resume cruise voyages during that period.

Subsequent to the liquidity assessment period (twelve months from the issuance of these financial statements), the Company may require additional liquidity to meet ongoing obligations, including debt amortization payments and ship milestone payments net of export-credit financing, of approximately \$670 million that are due in July 2022 and its minimum liquidity covenant requirements. The Company plans to take additional steps following the issuance of these financial statements to increase its liquidity, which may include additional debt and/or equity financing and potential further renegotiations of its debt amortization payments, newbuild payments and covenants. The extent of these actions to increase the Company's liquidity will be dependent in part on the timing of the resumption of cruise voyages, which despite the Company's expectations for a limited relaunch beginning July 2021, is uncertain. There can be no assurances that the Company will be successful in generating the additional liquidity necessary to meet its obligations beyond twelve months from the issuance of these financial statements on terms acceptable to the Company or at all. If the Company is unable to satisfy or renegotiate its minimum liquidity covenant requirements, it could have a significant adverse effect on the Company's business, financial condition and operating results.

Basis of Presentation

The accompanying consolidated financial statements are unaudited and, in our opinion, contain all normal recurring adjustments necessary for a fair statement of the results for the periods presented.

Our operations are seasonal and results for interim periods are not necessarily indicative of the results for the entire fiscal year. Historically, demand for cruises has been strongest during the Northern Hemisphere's summer months; however, our cruise voyages have been completely suspended since March 2020 due to the COVID-19 pandemic. The interim consolidated financial statements should be read in conjunction with the audited consolidated financial statements for the year ended December 31, 2020, which are included in our most recent Annual Report on Form 10-K filed with the SEC on February 26, 2021.

Reclassifications

Certain amounts in prior periods have been reclassified to conform to the current period presentation.

Loss Per Share

A reconciliation between basic and diluted loss per share was as follows (in thousands, except share and per share data):

	Three Months Ended	
	March 31,	
	2021	2020
Net loss	\$ (1,370,192)	\$ (1,880,972)
Basic weighted-average shares outstanding	329,377,207	213,630,798
Dilutive effect of share awards	—	—
Diluted weighted-average shares outstanding	329,377,207	213,630,798
Basic loss per share	\$ (4.16)	\$ (8.80)
Diluted loss per share	\$ (4.16)	\$ (8.80)

For the three months ended March 31, 2021 and 2020, a total of 120.8 million and 7.0 million shares, respectively, have been excluded from diluted weighted-average shares outstanding because the effect of including them would have been anti-dilutive.

Foreign Currency

The majority of our transactions are settled in U.S. dollars. We remeasure assets and liabilities denominated in foreign currencies at exchange rates in effect at the balance sheet date. Gains or losses resulting from transactions denominated in other currencies are recognized in our consolidated statements of operations within other income (expense), net. We recognized gains of \$4.8 million and \$19.9 million for the three months ended March 31, 2021 and 2020, respectively, related to transactions denominated in other currencies.

Depreciation and Amortization Expense

The amortization of deferred financing fees is included in depreciation and amortization expense in the consolidated statements of cash flows; however, for purposes of the consolidated statements of operations they are included in interest expense, net.

Recently Issued Accounting Guidance

In March 2020, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) No. 2020-04, *Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting* (“ASU 2020-04”), which provided guidance to alleviate the burden in accounting for reference rate reform by allowing certain expedients and exceptions in applying GAAP to contracts, hedging relationships and other transactions impacted by reference rate reform. The provisions apply only to those transactions that reference LIBOR or another reference rate expected to be discontinued due to reference rate reform. Adoption of the provisions of ASU 2020-04 are optional and are effective from March 12, 2020 through December 31, 2022. As of March 31, 2021, we have not adopted any expedients and exceptions under ASU 2020-04. We will continue to evaluate the impact of ASU 2020-04 on our consolidated financial statements.

3. Revenue Recognition

Disaggregation of Revenue

Revenue and cash flows are affected by economic factors in various geographical regions. Revenues by destination were as follows (in thousands):

	Three Months Ended March 31, 2020
North America	\$ 951,056
Europe	13,335
Asia-Pacific	150,921
South America	76,306
Other	55,264
Total revenue	<u>\$ 1,246,882</u>

Amounts for the three months ended March 31, 2021 were excluded as the information was not meaningful. North America includes the U.S., the Caribbean, Canada and Mexico. Europe includes the Baltic region, Canary Islands and Mediterranean. Asia-Pacific includes Australia, New Zealand and Asia. Other includes all other international territories.

Segment Reporting

We have concluded that our business has a single reportable segment. Each brand, Norwegian, Oceania Cruises and Regent, constitutes a business for which discrete financial information is available and management regularly reviews the brand level operating results and, therefore, each brand is considered an operating segment. Our operating segments have similar economic and qualitative characteristics, including similar long-term margins and similar products and services; therefore, we aggregate all of the operating segments into one reportable segment.

Although we sell cruises on an international basis, our passenger ticket revenue is primarily attributed to U.S.-sourced guests who make reservations in the U.S. Revenue attributable to U.S.-sourced guests has historically approximated 75-85%. No other individual country's revenues exceed 10% in any given period.

Contract Balances

Receivables from customers are included within accounts receivable, net. As of March 31, 2021 and December 31, 2020, our receivables from customers were \$1.1 million and \$1.0 million, respectively.

Beginning in March 2020, our brands launched new cancellation policies to permit our guests to cancel cruises which are not part of the Company's temporary suspension of voyages up to 15 days prior to departure. These programs are currently in place for cruises booked through specific time periods specified by brand, and for cruises scheduled to embark through specified time periods, depending on the brand. Future cruise credits that have been issued are valid for any sailing through December 31, 2022, and we may extend this offer. The future cruise credits are not contracts, and therefore, guests who elected this option are excluded from our contract liability balance; however, the credit for the original amount paid is included in advance ticket sales.

Our contract liabilities are included within advance ticket sales. As of March 31, 2021 and December 31, 2020, our contract liabilities were \$29.3 million and \$23.1 million, respectively. Of the amounts included within advance ticket sales, the vast majority of deposits held were refundable in accordance with our cancellation policies and it is uncertain to what extent guests may request refunds. Refunds payable to guests are included in accounts payable. For the three months ended March 31, 2021, no revenue recognized was included in the contract liability balance at the beginning of the period. The revenue recognized in the three months ended March 31, 2020 that was included in contract liabilities as of the beginning of the period was \$0.9 billion.

For cruise vacations that had been cancelled by us due to COVID-19, approximately \$14.8 million and \$92.0 million in costs to obtain these contracts, consisting of protected commissions, including those paid to employees, and credit card fees, were recognized in earnings during the three months ended March 31, 2021 and 2020, respectively.

4. Leases

In April 2020, the FASB issued interpretive guidance relating to the accounting for lease concessions provided as a result of COVID-19. In this guidance, entities can elect not to apply lease modification accounting with respect to such lease concessions and instead, treat the concession as if it was a part of the existing contract. The Company has elected to not evaluate leases under the lease modification accounting framework for concessions that result from effects of the COVID-19 pandemic. In relation to our rights to use port facilities, we have elected the approach consistent with resolving a contingency, which allows us to remeasure the lease liability and recognize the amount of change in the lease liability as an adjustment to the carrying amount of the associated right-of-use asset. During the three months ended March 31, 2021, our port facilities were remeasured with a downward adjustment of \$5.2 million to both other long-term assets and accrued expenses and other liabilities. Another \$1.9 million was reclassified from accrued expenses and other liabilities to other long-term assets as a result of contractual extensions. As the full amount of the concession will not be determinable until the force majeure period under the related arrangements have ended, further remeasurements will be required. During the contingency period, we are recognizing lease expense for these port facilities as incurred.

6. Long-Term Debt

Modifications

In January 2021, NCLC entered into an amendment agreement (the “First Amendment”), which amends the Amended and Restated Credit Agreement, dated as of May 8, 2020 (the “Fifth ARCA” and, as amended by the First Amendment, the “Senior Secured Credit Facility”). The First Amendment provides that, among other things, (a) amortization payments due between the First Amendment effective date and prior to June 30, 2022 (the “First Amendment Deferral Period”) on the Legacy Term Loan A and Term Loan A-1 held by lenders that have consented to such deferral (the “First Amendment Deferring Lenders”) are deferred and such deferred principal amount constitutes a separate tranche of loans (the “Deferred Term Loan A-1”) and (b) the tranche of loans held by certain lenders (the “Fifth ARCA Deferring Lenders”) on which amortization payments due within the first year after effectiveness of the Fifth ARCA were deferred (the “Deferred Term Loan A”) of First Amendment Deferring Lenders were converted into Deferred Term Loan A-1 loans. The class of loans constituting the Term Loan A Facility (other than the Deferred Term Loan A) held by the Fifth ARCA Deferring Lenders (the “Term Loan A-1”) and the class of loans constituting the portion of the Term Loan A

[Table of Contents](#)

Facility that is held by lenders other than the Fifth ARCA Deferring Lenders (the “Legacy Term Loan A”) that were held by the First Amendment Deferring Lenders (other than amounts converted into the Deferred Term Loan A-1) constitute a separate tranche of loans (the “Term Loan A-2”), with the same terms as the Legacy Term Loan A and Term Loan A-1 under the Fifth ARCA, except that amortization payments on the Term Loan A-2 shall be deferred during the First Amendment Deferral Period and thereafter such Term Loan A-2 will amortize in an aggregate principal amount equal to approximately 5.88% per annum and the interest rate for Term Loan A-2 shall be modified as described below. The Deferred Term Loan A-1 will accrue interest (x) in the case of Eurocurrency loans, at a per annum rate based on LIBOR plus a margin of 2.50% or (y) in the case of base rate loans, at a per annum rate based on the base rate plus a margin of 1.50%. After the end of the First Amendment Deferral Period, the Deferred Term Loan A-1 will amortize in an aggregate principal amount equal to 25% per annum of the Deferred Term Loan A-1 outstanding immediately after the consummation of the First Amendment, in quarterly installments, and in the case of such payment due on the maturity date, an amount equal to the then unpaid principal amount of the Deferred Term Loan A-1 outstanding. The Legacy Term Loan A, Term Loan A-1 and Deferred Term Loan A that were held by lenders other than the First Amendment Deferring Lenders constitute separate classes of loans and were unchanged. The First Amendment resulted in deferred amortization payments aggregating approximately \$70 million prior to June 30, 2022.

The First Amendment provides that, (a) from the First Amendment effective date to and including December 31, 2022 (the “Covenant Relief Period”) the testing of the loan to value, debt to capitalization and EBITDA to debt service covenants under the Senior Secured Credit Facility will be suspended and the free liquidity test will be replaced by a covenant to maintain at least \$200 million in free liquidity, certified on a monthly basis. During the Covenant Relief Period the interest rate for Term Loan A-2 and revolving loans held by Lenders that consented to the First Amendment will be LIBOR plus 2.00% (or base rate plus 1.00%) with decreases subject to a leverage-based pricing grid. The First Amendment also makes certain other changes to the Senior Secured Credit Facility, including tightening certain of the baskets applicable to our ability to make certain asset dispositions, investments and restricted payments.

Additionally, in February 2021, NCLC amended all of its export-credit backed facilities to defer amortization payments aggregating approximately \$680 million through March 31, 2022 and/or make certain changes in respect of covenants and undertakings contained therein.

The facilities that finance Norwegian Breakaway, Norwegian Getaway, Norwegian Escape, Norwegian Joy, Norwegian Bliss, Norwegian Encore, Seven Seas Explorer, Seven Seas Splendor, Riviera and Marina were amended to provide that, among other things, (a) amortization payments due from April 1, 2021 to March 31, 2022 (the “Second Deferral Period”) on the loans will be deferred and (b) the principal amounts so deferred will constitute separate tranches of loans under the facilities. The separate tranches of loans will accrue interest at a floating rate per annum based on six-month LIBOR plus a margin as follows:

	Margin
€529.8 million Breakaway one loan (Norwegian Breakaway)	1.10 %
€529.8 million Breakaway two loan (Norwegian Getaway)	1.40 %
€590.5 million Breakaway three loan (Norwegian Escape)	1.50 %
€729.9 million Breakaway four loan (Norwegian Joy)	1.50 %
€710.8 million Seahawk 1 term loan (Norwegian Bliss)	1.20 %
€748.7 million Seahawk 2 term loan (Norwegian Encore)	1.20 %
Explorer newbuild loan	3.00 %
Splendor newbuild loan	1.95 %
Marina newbuild loan	0.75 %
Riviera newbuild loan	0.75 %

After the end of the Second Deferral Period, the deferred loans will amortize in an aggregate principal amount equal to 20% per annum of the deferred loans, in semiannual installments.

In addition, all of NCLC’s export-credit backed facilities were amended to provide that, from the effective date of the amendments to and including December 31, 2022, certain of the financial covenants under such facilities will be suspended and the free liquidity test will be replaced by a covenant to maintain at least \$200 million in free liquidity.

The amendments also made certain other changes to the facilities, including imposing further restrictions on NCLC's ability to incur debt, create security, issue equity and make dividends and other distributions.

The amendments of the agreements described above resulted in aggregate modification expenses of \$52.1 million, which is recognized in interest expense, net.

Unsecured Notes

In December 2020, NCLC conducted a private offering of \$850.0 million aggregate principal amount of 5.875% senior unsecured notes due March 15, 2026 (the "2026 Senior Unsecured Notes"). In March 2021, NCLC completed an add-on offering of \$575.0 million aggregate principal amount of additional 2026 Senior Unsecured Notes. The 2026 Senior Unsecured Notes pay interest at 5.875% per annum, semiannually on March 15 and September 15 of each year, to holders of record at the close of business on the immediately preceding March 1 and September 1, respectively. NCLC may redeem the 2026 Senior Unsecured Notes, in whole or part, at any time prior to December 15, 2025, at a price equal to 100% of the principal amount of the notes redeemed plus accrued and unpaid interest to, but excluding, the redemption date and a "make-whole premium." NCLC may redeem the 2026 Senior Unsecured Notes, in whole or in part, on or after December 15, 2025, at a price equal to 100% of the principal amount of the notes plus accrued and unpaid interest to, but excluding, the redemption date. At any time and from time to time prior to December 15, 2022, NCLC may choose to redeem up to 40% of the aggregate principal amount of the 2026 Senior Unsecured Notes with the net proceeds of certain equity offerings, subject to certain restrictions, at a redemption price equal to 105.875% of the principal amount of the 2026 Senior Unsecured Notes redeemed plus accrued and unpaid interest to, but excluding, the redemption date, so long as at least 60% of the aggregate principal amount of the 2026 Senior Unsecured Notes issued remains outstanding following such redemption. The proceeds from the March 2021 issuance were used to repay the \$230.0 million Pride of America Credit Facility and the remaining \$222.6 million of the Jewel Credit Facility. The repayment of these debt agreements resulted in losses on extinguishment of debt of \$1.1 million, which is recognized in interest expense, net.

In March 2021, NCL Finance, Ltd., an indirect, wholly-owned subsidiary of NCLH and NCLC, additionally conducted a private offering of \$525.0 million aggregate principal amount of 6.125% senior unsecured notes due March 15, 2028 (the "2028 Senior Unsecured Notes"). The 2028 Senior Unsecured Notes pay interest at 6.125% per annum, semiannually on March 15 and September 15 of each year, commencing on September 15, 2021, to holders of record at the close of business on the immediately preceding March 1 and September 1, respectively. NCL Finance may redeem the 2028 Senior Unsecured Notes, in whole or part, at any time prior to December 15, 2027, at a price equal to 100% of the principal amount of the notes redeemed plus accrued and unpaid interest to, but excluding, the redemption date and a "make-whole premium." NCL Finance may redeem the 2028 Senior Unsecured Notes, in whole or in part, on or after December 15, 2027, at a price equal to 100% of the principal amount of the notes plus accrued and unpaid interest to, but excluding, the redemption date. At any time and from time to time prior to March 15, 2024, NCL Finance may choose to redeem up to 40% of the aggregate principal amount of the 2028 Senior Unsecured Notes with the net proceeds of certain equity offerings, subject to certain restrictions, at a redemption price equal to 106.125% of the principal amount of the 2028 Senior Unsecured Notes redeemed plus accrued and unpaid interest to, but excluding, the redemption date, so long as at least 60% of the aggregate principal amount of the 2028 Senior Unsecured Notes issued remains outstanding following such redemption.

The indentures governing the 2026 Senior Unsecured Notes and 2028 Senior Unsecured Notes include requirements that, among other things and subject to a number of qualifications and exceptions, restrict the ability of NCLC and its restricted subsidiaries, as applicable, to (i) incur or guarantee additional indebtedness; (ii) pay dividends or distributions on, or redeem or repurchase, equity interests and make other restricted payments; (iii) make investments; (iv) consummate certain asset sales; (v) engage in certain transactions with affiliates; (vi) grant or assume certain liens; and (vii) consolidate, merge or transfer all or substantially all of their assets.

Exchangeable Notes

In August 2020, the FASB issued ASU No. 2020-06, *Debt—Debt with Conversion and Other Options (Subtopic 470-20) and Derivatives and Hedging—Contracts in Entity's Own Equity (Subtopic 815-40) Accounting for Convertible Instruments and Contracts in an Entity's Own Equity* ("ASU 2020-06"), which reduces the number of accounting

models for convertible debt instruments and enhances transparency in disclosures. One model which is being eliminated is the bifurcation of embedded conversion features that are not accounted for separately as derivatives. Each of the 2024 Exchangeable Notes, 2025 Exchangeable Notes, and Private Exchangeable Notes (as defined below) contain conversion options that may be settled with NCLH's ordinary shares. As the options will be both indexed to and settled in our ordinary shares, they are not accounted for separately as derivatives. The Private Exchangeable Notes contained a beneficial conversion feature, which was recognized within additional paid-in capital with an offsetting discount to the carrying amount of the debt. The discount was amortized to interest expense through December 31, 2020. On January 1, 2021, we early adopted ASU 2020-06 using a modified retrospective approach. As a result, the \$131.2 million beneficial conversion feature previously recognized was reclassified from additional paid-in capital to long-term debt, and the discount amortization of \$5.6 million was adjusted through retained earnings (deficit).

As of March 31, 2021, NCLC has outstanding \$862.5 million aggregate principal amount of 6.00% exchangeable senior notes due May 15, 2024 (the "2024 Exchangeable Notes"). The 2024 Exchangeable Notes are guaranteed by NCLH on a senior basis. Holders may exchange their 2024 Exchangeable Notes at their option into redeemable preference shares of NCLC. Upon exchange, the preference shares will be immediately and automatically exchanged, for each \$1,000 principal amount of exchanged 2024 Exchangeable Notes, into a number of NCLH's ordinary shares based on the exchange rate. The exchange rate will initially be 72.7273 ordinary shares per \$1,000 principal amount of 2024 Exchangeable Notes (equivalent to an initial exchange price of approximately \$13.75 per ordinary share). The maximum exchange rate is 89.4454 and reflects potential adjustments to the initial exchange rate, which would only be made in the event of certain make-whole fundamental changes or tax redemption events. The exchange rate referred to above is also subject to adjustment for any stock split, stock dividend or similar transaction. The 2024 Exchangeable Notes pay interest at 6.00% per annum, semiannually on May 15 and November 15 of each year, to holders of record at the close of business on the immediately preceding May 1 and November 1, respectively.

As of March 31, 2021, NCLC also has outstanding \$450.0 million aggregate principal amount of 5.375% exchangeable senior notes due August 1, 2025 (the "2025 Exchangeable Notes"). The 2025 Exchangeable Notes are guaranteed by NCLH on a senior basis. Holders may exchange their 2025 Exchangeable Notes at their option into redeemable preference shares of NCLC. Upon exchange, the preference shares will be immediately and automatically exchanged, for each \$1,000 principal amount of exchanged 2025 Exchangeable Notes, into a number of NCLH's ordinary shares based on the exchange rate. The exchange rate will initially be 53.3333 ordinary shares per \$1,000 principal amount of 2025 Exchangeable Notes (equivalent to an initial exchange price of approximately \$18.75 per ordinary share). The maximum exchange rate is 66.6666 and reflects potential adjustments to the initial exchange rate, which would only be made in the event of certain make-whole fundamental changes or tax redemption events. The exchange rate referred to above is also subject to adjustment for any stock split, stock dividend or similar transaction. The 2025 Exchangeable Notes pay interest at 5.375% per annum, semiannually on February 1 and August 1 of each year, to holders of record at the close of business on the immediately preceding January 15 and July 15, respectively.

As of December 31, 2020, NCLC also had outstanding \$414.3 million aggregate principal amount of exchangeable senior notes due June 1, 2026 (the "Private Exchangeable Notes"), which amount included interest that had accreted to the principal amount, which were held by an affiliate of L Catterton (the "Private Investor"). The Private Exchangeable Notes accrued interest at a rate of 7.0% per annum for the first year post-issuance (which accreted to the principal amount). Holders were able to exchange their Private Exchangeable Notes at their option into redeemable preference shares of NCLC. Upon exchange, the preference shares would be immediately and automatically exchanged, for each \$1,000 principal amount of exchanged Private Exchangeable Notes, into a number of NCLH's ordinary shares based on the exchange rate. The exchange rate was initially approximately 82.6446 ordinary shares per \$1,000 principal amount of Private Exchangeable Notes (equivalent to an initial exchange price of \$12.10 per ordinary share). The maximum exchange rate was 90.9090 and reflected potential adjustments to the initial exchange rate, which would only be made in the event of certain make-whole fundamental changes or tax redemption events.

In March 2021, NCLH completed an equity offering that resulted in 52,577,947 ordinary shares being issued for gross proceeds of \$1.6 billion. Approximately \$1.0 billion of the cash proceeds from the offering were used to repurchase the Private Exchangeable Notes and extinguish the debt. The resulting loss on extinguishment was \$620.8 million, which is recognized in interest expense, net.

Debt Covenants

We have received certain financial and other debt covenant waivers through December 31, 2022 and added new free liquidity requirements. At March 31, 2021, taking into account such waivers, we were in compliance with all of our debt covenants. If we do not continue to remain in compliance with our covenants, including following the expiration of any current waivers, we would have to seek additional amendments to our covenants. However, no assurances can be made that such amendments would be approved by our lenders. Generally, if an event of default under any debt agreement occurs, then pursuant to cross default and/or cross acceleration clauses, substantially all of our outstanding debt and derivative contract payables could become due, and all debt and derivative contracts could be terminated, which would have a material adverse impact on our operations and liquidity.

7. Fair Value Measurements and Derivatives

Fair value is defined as the price at which an orderly transaction to sell an asset or to transfer a liability would take place between market participants at the measurement date under current market conditions (that is, an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability).

Fair Value Hierarchy

The following hierarchy for inputs used in measuring fair value should maximize the use of observable inputs and minimize the use of unobservable inputs by requiring that the most observable inputs be used when available:

- Level 1 Quoted prices in active markets for identical assets or liabilities that are accessible at the measurement dates.
- Level 2 Significant other observable inputs that are used by market participants in pricing the asset or liability based on market data obtained from independent sources.
- Level 3 Significant unobservable inputs we believe market participants would use in pricing the asset or liability based on the best information available.

Derivatives

We are exposed to market risk attributable to changes in interest rates, foreign currency exchange rates and fuel prices. We attempt to minimize these risks through a combination of our normal operating and financing activities and through the use of derivatives. We assess whether derivatives used in hedging transactions are “highly effective” in offsetting changes in the cash flow of our hedged forecasted transactions. We use regression analysis for this hedge relationship and high effectiveness is achieved when a statistically valid relationship reflects a high degree of offset and correlation between the fair values of the derivative and the hedged forecasted transaction. Cash flows from the derivatives are classified in the same category as the cash flows from the underlying hedged transaction. If it is determined that the hedged forecasted transaction is no longer probable of occurring, then the amount recognized in accumulated other

[Table of Contents](#)

comprehensive income (loss) is released to earnings. There are no amounts excluded from the assessment of hedge effectiveness and there are no credit-risk-related contingent features in our derivative agreements. We monitor concentrations of credit risk associated with financial and other institutions with which we conduct significant business. Credit risk, including but not limited to counterparty non-performance under derivatives, is not considered significant, as we primarily conduct business with large, well-established financial institutions with which we have established relationships, and which have credit risks acceptable to us, or the credit risk is spread out among many creditors. We do not anticipate non-performance by any of our significant counterparties.

As of March 31, 2021, we had fuel swaps which are used to mitigate the financial impact of volatility of fuel prices pertaining to approximately 366 thousand metric tons of our projected fuel purchases, maturing through December 31, 2023.

On January 1, 2021, our fuel swaps designated as hedges for marine gas oil maturing through December 31, 2021 were redesignated as cash flow hedges. As of March 31, 2021, we had, in aggregate with previously redesignated fuel swaps, approximately 405 thousand metric tons which were not designated as cash flow hedges maturing through December 31, 2022.

As of March 31, 2021, we had foreign currency forward contracts, matured foreign currency options and matured foreign currency collars which are used to mitigate the financial impact of volatility in foreign currency exchange rates related to our ship construction contracts denominated in euros. The notional amount of our foreign currency forward contracts was €1.9 billion, or \$2.2 billion based on the euro/U.S. dollar exchange rate as of March 31, 2021.

As of March 31, 2021, we had interest rate swaps and collars, which are used to hedge our exposure to interest rate movements and manage our interest expense. The notional amount of our outstanding debt associated with the interest rate swaps and collars was \$0.6 billion as of March 31, 2021.

The fair values of swap and forward contracts are determined based on inputs that are readily available in public markets or can be derived from information available in publicly quoted markets. The Company determines the value of options and collars utilizing an option pricing model based on inputs that are either readily available in public markets or can be derived from information available in publicly quoted markets. The option pricing model used by the Company is an industry standard model for valuing options and is used by the broker/dealer community. The inputs to this option pricing model are the option strike price, underlying price, risk-free rate of interest, time to expiration, and volatility. The fair value of option contracts considers both the intrinsic value and any remaining time value associated with those derivatives that have not yet settled. The Company also considers counterparty credit risk and its own credit risk in its determination of all estimated fair values.

Our derivatives and financial instruments were categorized as Level 2 in the fair value hierarchy, and we had no derivatives or financial instruments categorized as Level 1 or Level 3. Our derivative contracts include rights of offset with our counterparties. We have elected to net certain assets and liabilities within counterparties when the rights of offset exist. We are not required to post cash collateral related to our derivative instruments.

The following table discloses the gross and net amounts recognized within assets and liabilities (in thousands):

Long-Term Debt

As of March 31, 2021 and December 31, 2020, the fair value of our long-term debt, including the current portion, was \$13,911.7 million and \$14,197.8 million, respectively, which was \$1,478.7 million higher and \$2,176.1 million higher, respectively, than the carrying values, excluding deferred financing costs. The difference between the fair value and carrying value of our long-term debt is due to our fixed and variable rate debt obligations carrying interest rates that are above or below market rates at the measurement dates as well as the beneficial conversion feature recognized on the Private Exchangeable Notes as of December 31, 2020. The fair value of our long-term revolving and term loan facilities was calculated based on estimated rates for the same or similar instruments with similar terms and remaining maturities. The fair value of our exchangeable notes considers observable risk-free rates; credit spreads of the same or similar instruments; and share prices, tenors, and historical and implied volatilities which are sourced from observable market data. The inputs are considered to be Level 2 in the fair value hierarchy. Market risk associated with our long-term

variable rate debt is the potential increase in interest expense from an increase in interest rates or from an increase in share values.

Other

The carrying amounts reported in the consolidated balance sheets of all other financial assets and liabilities approximate fair value.

9. Commitments and Contingencies

Ship Construction Contracts

Project Leonardo will introduce an additional six ships, each ranging from approximately 140,000 to 156,300 Gross Tons with approximately 3,300 to 3,550 Berths, with expected delivery dates from 2022 through 2027. For the Regent brand, we have an order for one Explorer Class Ship to be delivered in 2023, which will be approximately 55,000 Gross Tons and 750 Berths. For the Oceania Cruises brand, we have orders for two Allura Class Ships to be delivered in 2023

and 2025. Each of the Allura Class Ships will be approximately 67,000 Gross Tons and 1,200 Berths. The impacts of COVID-19 on the shipyards where our ships are under construction (or will be constructed) have resulted in some delays in expected ship deliveries, and the impacts of COVID-19 could result in additional delays in ship deliveries in the future, which may be prolonged.

The combined contract prices of the nine ships on order for delivery as of March 31, 2021 was approximately €7.2 billion, or \$8.4 billion based on the euro/U.S. dollar exchange rate as of March 31, 2021. We have obtained export credit financing which is expected to fund approximately 80% of the contract price of each ship, subject to certain conditions. We do not anticipate any contractual breaches or cancellations to occur. However, if any such events were to occur, it could result in, among other things, the forfeiture of prior deposits or payments made by us and potential claims and impairment losses which may materially impact our business, financial condition and results of operations.

Litigation

Class Actions

On March 12, 2020, a class action complaint, *Eric Douglas v. Norwegian Cruise Lines, Frank J. Del Rio and Mark A. Kempa*, Case No. 1:20-CV-21107, was filed in the United States District Court for the Southern District of Florida, naming the Company, Frank J. Del Rio, the Company's President and Chief Executive Officer, and Mark A. Kempa, the Company's Executive Vice President and Chief Financial Officer, as defendants. Subsequently, two similar class action complaints were also filed in the United States District Court for the Southern District of Florida naming the same defendants. On July 31, 2020, a consolidated amended class action complaint was filed by lead plaintiff's counsel. The complaint asserted claims, purportedly brought on behalf of a class of shareholders, under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934, and Rule 10b-5 promulgated thereunder, and alleged that the Company made false and misleading statements to the market and customers about COVID-19. The complaint sought unspecified damages and an award of costs and expenses, including reasonable attorneys' fees, on behalf of a purported class of purchasers of our ordinary shares between February 20, 2020 and March 10, 2020. On April 10, 2021, the case was dismissed and closed. The plaintiffs have the right to appeal. We believe that the allegations contained in the complaint were without merit and intend to defend the matter vigorously if appealed. We cannot predict at this point the length of time that this action will be ongoing or the liability, if any, which may arise therefrom.

In addition, in March 2020 the Florida Attorney General announced an investigation related to the Company's marketing during the COVID-19 pandemic. Following the announcement of the investigation by the Florida Attorney General, we received notifications from other attorneys general and governmental agencies that they are conducting similar investigations. The Company is cooperating with these ongoing investigations, the outcomes of which cannot be predicted at this time.

Helms-Burton Act

On August 27, 2019, two lawsuits were filed against Norwegian Cruise Line Holdings Ltd. in the United States District Court for the Southern District of Florida under Title III of the Cuban Liberty and Solidarity (Libertad) Act of 1996, also known as the Helms-Burton Act. The complaint filed by Havana Docks Corporation alleges it holds an interest in the Havana Cruise Port Terminal and the complaint filed by Javier Garcia-Bengochea alleges that he holds an interest in the Port of Santiago, Cuba, both of which were expropriated by the Cuban Government. The complaints further allege that the Company "trafficked" in those properties by embarking and disembarking passengers at these facilities. The plaintiffs seek all available statutory remedies, including the value of the expropriated property, plus interest, treble damages, attorneys' fees and costs. On January 7, 2020, the United States District Court for the Southern District of Florida dismissed the claim by Havana Docks Corporation. On April 14, 2020, the district court granted Havana Docks Corporation's motion to reconsider and vacated its order dismissing the claim, allowing Havana Docks Corporation to file an amended complaint on April 16, 2020. On April 24, 2020, we filed a motion seeking permission to appeal the district court's order which was subsequently denied. On September 1, 2020, the Court entered an order staying all case deadlines and administratively closed the Garcia-Bengochea matter pending the outcome of the appeal in a related case brought by the same plaintiff. We believe we have meritorious defenses to the claims and intend to vigorously defend

these matters. As of March 31, 2021, we are unable to reasonably estimate any potential contingent loss from these matters due to a lack of legal precedent.

Other

In the normal course of our business, various other claims and lawsuits have been filed or are pending against us. Most of these claims and lawsuits are covered by insurance and, accordingly, the maximum amount of our liability is typically limited to our deductible amount.

Nonetheless, the ultimate outcome of these claims and lawsuits that are not covered by insurance cannot be determined at this time. We have evaluated our overall exposure with respect to all of our threatened and pending litigation and, to the extent required, we have accrued amounts for all estimable probable losses associated with our deemed exposure. We are currently unable to estimate any other potential contingent losses beyond those accrued, as discovery is not complete nor is adequate information available to estimate such range of loss or potential recovery. However, based on our current knowledge, we do not believe that the aggregate amount or range of reasonably possible losses with respect to these matters will be material to our consolidated results of operations, financial condition or cash flows. We intend to vigorously defend our legal position on all claims and, to the extent necessary, seek recovery.

Other Contingencies

The Company also has agreements with its credit card processors that govern approximately \$1.1 billion at March 31, 2021 in advance ticket sales that have been received by the Company relating to future voyages. These agreements allow the credit card processors to require under certain circumstances, including the existence of a material adverse change, excessive chargebacks and other triggering events, that the Company maintain a reserve which would be satisfied by posting collateral. Although the agreements vary, these requirements may generally be satisfied either through a percentage of customer payments withheld or providing cash funds directly to the card processor. Any cash reserve or collateral requested could be increased or decreased. As of March 31, 2021, we had a reserve of approximately \$580 million with a credit card processor recognized in other long-term assets. Additionally, we are required to fund all refunds until further notice and 100% of incoming advance ticket sales deposits with this credit card processor will be withheld and are not expected to be released until the credit card processor's exposure is fully collateralized. As of March 31, 2021, the exposure was approximately \$840 million. The reserve shortfall of approximately \$260 million will decrease as refunds are funded, cruises are provided and amounts withheld by the credit card processor are allocated to the reserve rather than remitted to the Company. We may be required to pledge additional collateral and/or post cash reserves or take other actions that may further reduce our liquidity.

10. Other Income (Expense), Net

For the three months ended March 31, 2021, other income (expense), net consisted of income of \$27.2 million primarily due to gains on fuel swaps not designated as hedges and foreign currency exchange. For the three months ended March 31, 2020, other income (expense), net was income of \$5.8 million primarily due to gains on foreign currency exchange offset by losses on fuel hedges recognized in earnings as a result of the forecasted transactions no longer being probable.

11. Supplemental Cash Flow Information

For the three months ended March 31, 2021 and 2020, we had non-cash investing activities consisting of changes in accruals related to property and equipment of \$20.8 million and \$12.0 million, respectively.

12. Related Party Disclosures

NCLC, as issuer, NCLH, as guarantor, and U.S. Bank National Association, as trustee, were all parties to an indenture, dated May 28, 2020 (the "Indenture") related to the Private Exchangeable Notes, which were held by the Private Investor. The terms of the Private Exchangeable Notes are more fully described under Note 6 — "Long-Term Debt". Based on the initial exchange rate, the Private Investor beneficially owned approximately 10% of NCLH's outstanding

ordinary shares as of December 31, 2020. The initial exchange rate for the Private Exchangeable Notes could have been adjusted in the event of certain make-whole fundamental changes or tax redemption events (each, as described in the Indenture), but the maximum number of NCLH ordinary shares issuable upon an exchange in the event of such an adjustment would not have exceeded 46,577,947. The Private Exchangeable Notes also contained certain anti-dilution provisions that could have subjected the exchange rate to additional adjustment if certain events had occurred.

NCLH, NCLC and the Private Investor also entered into an investor rights agreement, dated May 28, 2020 (the “Investor Rights Agreement”), which provided that, among other things, the Private Investor was entitled to nominate one person for appointment to the board of directors of NCLH until the first date on which the Private Investor no longer beneficially owned in the aggregate at least 50% of the number of NCLH’s ordinary shares issuable upon exchange of the Private Exchangeable Notes beneficially owned by the Private Investor in the aggregate as of May 28, 2020 (subject to certain adjustments).

The Investor Rights Agreement also provided for customary registration rights for the Private Investor and its affiliates, including demand and piggyback registration rights, contained customary transfer restrictions and provided that the Private Investor and its affiliates were subject to a voting agreement with respect to certain matters during a specified period of time.

In a privately negotiated transaction among NCLH, NCLC and the Private Investor, NCLC agreed to repurchase all of the outstanding Private Exchangeable Notes for an aggregate repurchase price of approximately \$1.0 billion (the “Repurchase”). On March 9, 2021, in connection with the settlement of the Repurchase, the trustee cancelled the aggregate principal amount outstanding under the Private Exchangeable Notes and confirmed that NCLC had satisfied and discharged its obligations under the Indenture. In connection with the Repurchase, we and the Private Investor agreed to terminate the Investor Rights Agreement effective upon the consummation of the Repurchase. Notwithstanding the termination, we and the Private Investor agreed that certain provisions related to indemnification and expense reimbursement would survive in accordance with their terms.

13. Subsequent Event

In April 2021, agreements were executed to defer certain newbuild related payments as well as certain newbuild related debt amortization to July 2022. The aggregate amount of payments that were deferred was approximately €269.1 million, or \$315.7 million based on the euro/U.S. dollar exchange rate as of March 31, 2021. The interest rate on the newbuild related payments was increased to 4.5%.

Non-GAAP Financial Measures

We use certain non-GAAP financial measures, such as Net Cruise Cost, Adjusted Net Cruise Cost Excluding Fuel, Adjusted EBITDA, Adjusted Net Loss and Adjusted EPS, to enable us to analyze our performance. See “Terminology” for the definitions of these and other non-GAAP financial measures. We utilize Net Cruise Cost and Adjusted Net Cruise Cost Excluding Fuel to manage our business on a day-to-day basis. In measuring our ability to control costs in a manner that positively impacts net income (loss), we believe changes in Net Cruise Cost and Adjusted Net Cruise Cost Excluding Fuel to be the most relevant indicators of our performance. As a result of our voluntary suspension of sailings during the first quarter of 2021, we did not have any Capacity Days. Accordingly, we have not presented herein per Capacity Day data for the three months ended March 31, 2021.

As our business includes the sourcing of passengers and deployment of vessels outside of the U.S., a portion of our revenue and expenses are denominated in foreign currencies, particularly British pound, Canadian dollar, Euro and Australian dollar which are subject to fluctuations in currency exchange rates versus our reporting currency, the U.S. dollar. In order to monitor results excluding these fluctuations, we calculate certain non-GAAP measures on a Constant Currency basis, whereby current period revenue and expenses denominated in foreign currencies are converted to U.S. dollars using currency exchange rates of the comparable period. We believe that presenting these non-GAAP measures on both a reported and Constant Currency basis is useful in providing a more comprehensive view of trends in our business.

We believe that Adjusted EBITDA is appropriate as a supplemental financial measure as it is used by management to assess operating performance. We also believe that Adjusted EBITDA is a useful measure in determining our performance as it reflects certain operating drivers of our business, such as sales growth, operating costs, marketing, general and administrative expense and other operating income and expense. Adjusted EBITDA is not a defined term under GAAP nor is it intended to be a measure of liquidity or cash flows from operations or a measure comparable to net income (loss), as it does not take into account certain requirements such as capital expenditures and related depreciation, principal and interest payments and tax payments and it includes other supplemental adjustments.

In addition, Adjusted Net Loss and Adjusted EPS are non-GAAP financial measures that exclude certain amounts and are used to supplement GAAP net loss and EPS. We use Adjusted Net Loss and Adjusted EPS as key performance measures of our earnings performance. We believe that both management and investors benefit from referring to these

non-GAAP financial measures in assessing our performance and when planning, forecasting and analyzing future periods. These non-GAAP financial measures also facilitate management's internal comparison to our historical performance. In addition, management uses Adjusted EPS as a performance measure for our incentive compensation. The amounts excluded in the presentation of these non-GAAP financial measures may vary from period to period; accordingly, our presentation of Adjusted Net Loss and Adjusted EPS may not be indicative of future adjustments or results. For example, for the three months ended March 31, 2020, we incurred \$1.6 billion related to impairment losses. We included this as an adjustment in the reconciliation of Adjusted Net Loss since the expenses are not representative of our day-to-day operations; however, this adjustment did not occur and is not included in the comparative period presented within this Form 10-Q.

You are encouraged to evaluate each adjustment used in calculating our non-GAAP financial measures and the reasons we consider our non-GAAP financial measures appropriate for supplemental analysis. In evaluating our non-GAAP financial measures, you should be aware that in the future we may incur expenses similar to the adjustments in our presentation. Our non-GAAP financial measures have limitations as analytical tools, and you should not consider these measures in isolation or as a substitute for analysis of our results as reported under GAAP. Our presentation of our non-GAAP financial measures should not be construed as an inference that our future results will be unaffected by unusual or non-recurring items. Our non-GAAP financial measures may not be comparable to other companies. Please see a historical reconciliation of these measures to the most comparable GAAP measure presented in our consolidated financial statements below in the "Results of Operations" section.

Financial Presentation

We categorize revenue from our cruise and cruise-related activities as either "passenger ticket" revenue or "onboard and other" revenue. Passenger ticket revenue and onboard and other revenue vary according to product offering, the size of the ship in operation, the length of cruises operated and the markets in which the ship operates. Our revenue is seasonal based on demand for cruises, which has historically been strongest during the Northern Hemisphere's summer months; however, our cruise voyages have been completely suspended since March 2020 due to the COVID-19 pandemic. Passenger ticket revenue primarily consists of revenue for accommodations, meals in certain restaurants on the ship, certain onboard entertainment, and includes revenue for service charges and air and land transportation to and from the ship to the extent guests purchase these items from us. Onboard and other revenue primarily consists of revenue from gaming, beverage sales, shore excursions, specialty dining, retail sales, spa services and photo services. Our onboard revenue is derived from onboard activities we perform directly or that are performed by independent concessionaires, from which we receive a share of their revenue.

Our cruise operating expense is classified as follows:

- Commissions, transportation and other primarily consists of direct costs associated with passenger ticket revenue. These costs include travel agent commissions, air and land transportation expenses, related credit card fees, certain port expenses and the costs associated with shore excursions and hotel accommodations included as part of the overall cruise purchase price.
- Onboard and other primarily consists of direct costs incurred in connection with onboard and other revenue, including casino, beverage sales and shore excursions.
- Payroll and related consists of the cost of wages and benefits for shipboard employees and costs of certain inventory items, including food, for a third party that provides crew and other hotel services for certain ships. The cost of crew repatriation, including charters, housing, testing and other costs related to COVID-19 are also included.
- Fuel includes fuel costs, the impact of certain fuel hedges and fuel delivery costs.
- Food consists of food costs for passengers and crew on certain ships.

- Other consists of repairs and maintenance (including Dry-dock costs), ship insurance and other ship expenses.

Critical Accounting Policies

For a discussion of our critical accounting policies and estimates, see “Critical Accounting Policies” included in our Annual Report on Form 10-K under the caption “Management’s Discussion and Analysis of Financial Condition and Results of Operations.” We have made no significant changes to our critical accounting policies and estimates from those described in our Annual Report on Form 10-K.

Update Regarding COVID-19 Pandemic

Suspension of Cruise Voyages

Due to the continued spread of COVID-19, ongoing travel restrictions and limited access to ports around the world, in March 2020, we implemented a voluntary suspension of all cruise voyages across our three brands, which has subsequently been extended through June 2021 and announced a limited resumption of cruises beginning in July 2021. This is the first time we have completely suspended our cruise voyages, and as a result of these unprecedented circumstances, we are not able to predict the full impact of such a suspension on our Company. The duration of any voluntary suspensions we have implemented and the full resumption of operations both inside and outside of the United States will be dependent, in part, on our ability to comply with governmental regulations, the severity and duration of the COVID-19 global pandemic, including further resurgences and new variants of COVID-19, the availability, distribution, rate of public acceptance and efficacy of vaccines and therapeutics for COVID-19, the lifting of various travel restrictions and travel bans issued by various countries and communities around the world, as well as the availability of ports.

Preparation for the Safe Resumption of Operations

We have developed SailSAFE™, a comprehensive and multi-faceted health and safety strategy to enhance our already rigorous protocols and address the unique public health challenges posed by COVID-19. In July 2020, we announced a collaboration with Royal Caribbean Group to form a group of experts called the “Healthy Sail Panel” to guide the industry in the development of new and enhanced cruise health and safety standards. The panel is co-chaired by Dr. Scott Gottlieb, former commissioner of the U.S. Food and Drug Administration, and Governor Mike Leavitt, former Secretary of the U.S. Department of Health and Human Services, and consists of globally recognized experts from various disciplines, including public health, infectious disease, biosecurity, hospitality and maritime operations. On September 21, 2020, the expert panel published a report, which included detailed best practices across five key areas of focus to protect the public health and safety of guests, crew and the communities where our cruise ships visit. The panel also submitted its recommendations to the CDC, in response to a CDC request for public comment to inform future public health guidance and preventative measures relating to travel on cruise ships. The panel’s recommendations are informing new detailed health and safety protocols for our return-to-service plan.

The Company also further extended its depth and breadth of experts with the formation of its SailSAFE Global Health and Wellness Council, comprised of six experts at the forefront of their fields and led by Chairman Dr. Scott Gottlieb. The Council’s work will complement the Healthy Sail Panel initiative and will focus on the implementation, compliance with and continuous improvement of health and safety protocols across the Company’s operations. The Company continues to work with its expert advisors, the Healthy Sail Panel, and global public health authorities and government agencies to refine its comprehensive and multi-layered health and safety strategy to enhance its already rigorous health and safety standards in response to COVID-19.

On October 30, 2020, the CDC issued a Conditional Order that introduced a phased approach for the resumption of passenger cruises in the U.S. depending on a cruise line’s ability to implement certain protocols and procedures. These phases include: a) the establishment of laboratory testing of crew onboard cruise ships in U.S. waters; b) simulated voyages designed to test a cruise ship operator’s ability to mitigate COVID-19 on cruise ships; c) a certification process; and d) a return to passenger voyages in a manner that mitigates the risk of COVID-19 introduction, transmission or spread among passenger and crew onboard ships and ashore to communities. The Conditional Order replaced the CDC’s

No Sail Order that expired on October 31, 2020 and will remain in effect until the earlier of a) the expiration of the Secretary of Health and Human Services' declaration that COVID-19 constitutes a public health emergency, b) the CDC Director's rescission or modification of the Conditional Order based on specific public health or other considerations, or c) November 1, 2021. Additionally, pursuant to the Conditional Order, the CDC has issued and may continue to issue additional requirements through technical instructions or orders as needed and the phases described above may be subject to change based on public health considerations, including the trajectory of the pandemic and the ability of cruise ship operators to successfully employ measures that mitigate the risk of COVID-19. We are working through recently issued and modified technical guidance from the CDC for which additional clarification is needed on how the incorporation of vaccine requirements impacts the Conditional Order and our path forward. We have made a request to the CDC to lift the Conditional Order for our ships, but it is unclear whether the CDC will lift the Conditional Order, and if not, whether we will be able to comply with the Conditional Order. As a result, the timing for our ability to resume cruises in the U.S. is uncertain. We continue to work with other federal agencies, public health authorities and national and local governments in areas where we operate to take all necessary measures to protect our guests, crew and the communities visited once operations resume. We have begun the planning process to implement some of these recommendations, including purchasing related equipment and supplies.

We have announced a limited relaunch of certain cruise voyages embarking outside of the U.S. beginning in July 2021 with our ships initially operating at reduced occupancy levels. We plan to initially resume cruises in Europe and the Caribbean on a limited number of ships and gradually add ships from each brand. The timing for returning our ships to service and the percentage of our fleet in service will depend on a number of factors including, but not limited to, the duration and extent of the COVID-19 pandemic, further resurgences and new variants of COVID-19, the availability, distribution, rate of public acceptance and efficacy of vaccines and therapeutics for COVID-19, our ability to comply with governmental regulations, port availability, travel restrictions, bans and advisories and our ability to re-staff our ships and implement new enhanced health and safety protocols.

Modified Policies

Our brands have launched new cancellation policies for certain sailings booked during certain time periods to permit our guests to cancel cruises which were not part of our temporary suspension of voyages up to 15 days prior to embarkation and receive a refund in the form of a credit to be applied toward a future cruise. The future cruise credits issued under these programs are valid for any sailing through December 31, 2022, and we may extend the length of time these future cruise credits may be redeemed. The use of such credits may prevent us from garnering certain future cash collections as staterooms booked by guests with such credits will not be available for sale, resulting in less cash collected from bookings to new guests. We may incur incremental commission expense for the use of these future cruise credits. In addition, to provide more flexibility to our guests, we have also extended our modified final payment schedule for all voyages on Regent Seven Seas Cruises through August 31, 2021 and for voyages on Oceania Cruises and for the majority of bookings for voyages on Norwegian Cruise Line through October 31, 2021 which now requires payment 60 days prior to embarkation versus the standard 120 days. Our brands currently expect to provide cash refunds for cash bookings for future sailings we may cancel.

Update on Bookings

Bookings have been strong for future periods resulting in an elongated booking window as guests book further into the future, despite reduced sales and marketing investments and a travel agency industry that has not been at full strength for months. During the first quarter 2021, overall bookings, net of cancellations, were more than double the volumes during the prior quarter. 2022 booking and pricing trends are very positive driven by strong pent up demand. The Company is experiencing robust future demand with the overall cumulative booked position for the first half of 2022 meaningfully ahead of 2019's record levels with pricing higher when excluding the dilutive impact of future cruise credits. Our operations may be suspended beyond our announced suspensions and as a result, current booking data may not be informative. In addition, because of our updated cancellation policies, bookings may not be representative of actual cruise revenues.

The ongoing effects of the COVID-19 pandemic on our operations and global bookings have had, and we believe they will continue to have, a significant impact on our financial results and liquidity, and such negative impact may continue

well beyond the containment of the pandemic. Significant events affecting travel, including COVID-19, typically have an impact on the demand for cruise vacations, with the full extent of the impact generally determined by the length of time the event influences travel decisions. Due to the unknown duration and extent of the COVID-19 pandemic, uncertainty surrounding the availability of COVID-19 vaccines and therapeutics, travel restrictions and advisories, uncertainties around our ability to comply with governmental regulations, the potential unavailability of ports and/or destinations, unknown cancellations and timing of redeployments and a general impact on consumer sentiment regarding cruise travel, there are remaining uncertainties about when our full fleet will be back in service at historical occupancy levels and, accordingly, we cannot estimate the impact on our business, financial condition or near- or longer-term financial or operational results with certainty; however, we will report a net loss for the three months ending June 30, 2021 and expect to report a net loss until we are able to resume regular voyages, including for the year ending December 31, 2021.

Financing Transactions and Cost Containment Measures

In 2021, we have continued to take actions to bolster our financial condition while our global cruise voyages are suspended. In March 2021, we received additional financing through various debt financings and an equity offering, collectively totaling \$2.7 billion in gross proceeds. From the proceeds, approximately \$1.5 billion was used to extinguish debt. Refer to Note 6 – “Long-Term Debt” for further details about the above transactions.

We have also undertaken several proactive cost reduction and cash conservation measures to mitigate the financial and operational impacts of the COVID-19 pandemic, through the reduction of capital expenditures and deferral of debt amortization as well as a reduction in operating expenses, including ship operating expenses and selling, general and administrative expenses. Cost savings initiatives to reduce selling, general and administrative expenses already implemented include the significant reduction or deferral of marketing expenditures, the implementation of hiring freezes, a 20% salary or hours reduction for certain shoreside team members, a pause in our 401(k) matching contributions and corporate travel freezes for shoreside employees. We have returned certain shoreside team members to full salary and hours and expect to continue to do so over time as we prepare to resume cruise voyages. Further, as part of our ongoing strategy to improve our ability to sustain the long-term health of the business and to preserve financial flexibility during the COVID-19 crisis, we have furloughed certain shoreside employees, subject to change based on business needs. While on furlough, employees will not receive salary or hourly wages, but will continue to receive health benefit coverage if they currently participate in a Company-sponsored plan.

Three months ended March 31, 2021 (“2021”) compared to three months ended March 31, 2020 (“2020”)

Revenue

Total revenue decreased 99.8% to \$3.1 million in 2021 compared to \$1.2 billion in 2020. In 2020, voyages were cancelled beginning March 13, 2020. In 2021, our total revenue was insignificant. The adverse impact on revenue was due to the cancellation of sailings in 2021 as a result of the COVID-19 pandemic.

Expense

Total cruise operating expense decreased 79.8% in 2021 compared to 2020. In 2021, our cruise operating expenses were primarily related to crew costs, including salaries, food and other travel costs; fuel; and other ongoing costs such as insurance and ship maintenance. Additionally, in 2020, our cruise operating expenses were increased due to costs associated with the suspension of cruise voyages, including the cost of the related protected commissions. Gross Cruise Cost decreased 68.1% in 2021 compared to 2020 primarily related to the costs described above in addition to a decrease in marketing, general and administrative expenses from cost savings initiatives in connection with the COVID-19 pandemic and as described under “Update Regarding COVID-19 Pandemic—Financing Transactions and Cost Containment Measures.” Total other operating expense decreased 82.0% in 2021 compared to 2020 primarily due to the impairment of goodwill and trade names triggered by the COVID-19 pandemic in 2020 as well as cost savings described above in marketing, general and administrative expenses and a decrease in depreciation and amortization expense. Depreciation and amortization expense decreased primarily due to a \$25.4 million impairment loss recognized in 2020.

Interest expense, net was \$824.4 million in 2021 compared to \$68.9 million in 2020. The increase in interest expense reflects losses on extinguishment of debt and debt modification costs of \$674.0 million primarily related to the repurchase of the Private Exchangeable Notes as well as additional debt outstanding at higher interest rates, partially offset by lower LIBOR.

Other income (expense), net was income of \$27.2 million in 2021 compared \$5.8 million in 2020. In 2021, the income primarily related to gains on fuel swaps not designated as hedges and foreign currency exchange. In 2020, the income was primarily related to gains on foreign currency exchange offset by losses on fuel hedges recognized in earnings as a result of the forecasted transactions no longer being probable.

Liquidity and Capital Resources

General

As of March 31, 2021, our liquidity was \$3.5 billion consisting of cash and cash equivalents.

In January 2021, we amended our Senior Secured Credit Facility to further defer certain amortization payments due prior to June 30, 2022 and to waive certain financial and other covenants through December 31, 2022. In connection with such amendment, our minimum liquidity requirement was increased to \$200 million and such requirement applies through December 31, 2022.

In addition, in February 2021, we amended certain of our export-credit backed facilities to defer amortization payments aggregating approximately \$680 million through March 31, 2022. We also amended all of our export-credit backed facilities to provide that, from the effective date of the amendments to and including December 31, 2022, certain of the financial covenants under such facilities will be suspended and the free liquidity test will be replaced by a covenant to maintain at least \$200 million in free liquidity. The amendments also made certain other changes to the facilities, including imposing further restrictions on NCLC’s ability to incur debt, create security, issue equity and make dividends and other distributions.

In March 2021, the Company received additional financing through various debt financings and an equity offering, collectively totaling \$2.7 billion in gross proceeds. The Pride of America Credit Facility and Jewel Credit Facility were extinguished from proceeds of the debt financings. We also extinguished the Private Exchangeable Notes in March

[Table of Contents](#)

2021 by using approximately \$1.0 billion of cash proceeds from an equity offering completed in March 2021 to repurchase the notes. See Note 6 – “Long-Term Debt” for further information.

The Company has also undertaken several proactive cost reduction and cash conservation measures to mitigate the financial and operational impacts of the COVID-19 pandemic, through the reduction of capital expenditures and operating expenses, including food, fuel, insurance, port charges and reduced crew manning of vessels during the suspension, resulting in lower crew payroll expense. See “Update Regarding COVID-19 Pandemic—Financing Transactions and Cost Containment Measures” above for further information.

The Company's monthly average cash burn for the first quarter of 2021 was in line with prior guidance at approximately \$190 million per month, or approximately \$170 million per month excluding previously disclosed non-recurring debt modification costs. The Company paid approximately \$50 million of one-time debt deferral and modification costs and fees in the first quarter of 2021 as a result of successful debt deferrals and covenant waivers and suspensions, which combined with newbuild payment extensions, have resulted in approximately \$1 billion of additional liquidity through the first quarter of 2022.

For the second quarter of 2021, the Company expects the average cash burn rate to be approximately \$190 million per month, as it prepares for a return to service this summer.

Cash burn rates include ongoing ship operating expenses, administrative operating expenses, interest expense, taxes and expected non-newbuild capital expenditures and excludes cash refunds of customer deposits as well as cash inflows from new and existing bookings, newbuild related capital expenditures and other working capital changes. Future cash burn rate estimates also exclude unforeseen expenses. The first quarter 2021 cash burn rate and second quarter 2021 estimate also reflect the deferral of debt amortization and newbuild related payments.

The relaunch we have announced to begin in July 2021 will be limited, and we continue to expect a gradual phased relaunch of our ships after the voyage suspension period, with our ships initially operating at reduced occupancy levels. The timing for bringing our ships back to service and the percentage of our fleet in service will depend on a number of factors including, but not limited to, the duration and extent of the COVID-19 pandemic, further resurgences and new variants of COVID-19, the availability, distribution, rate of public acceptance and efficacy of vaccines and therapeutics for COVID-19, our ability to comply with governmental regulations, port availability, travel restrictions, bans and advisories, and our ability to re-staff our ships and implement new health and safety protocols. The estimation of our future cash flow projections includes numerous assumptions that are subject to various risks and uncertainties. Until we are able to begin our phased relaunch, our projected liquidity requirements reflect our principal assumptions surrounding the costs of the announced limited relaunch of certain cruise voyages, ongoing operating costs during the suspension of cruise voyages, as well as liquidity requirements for financing costs and necessary capital expenditures, and our ability to implement further cash conservation strategies. Refer to Note 2 – “Summary of Significant Accounting Policies” for further information on liquidity and management’s plan.

There can be no assurance that the accuracy of the assumptions used to estimate our liquidity requirements will be correct, and our ability to be predictive is uncertain due to the unknown magnitude and duration of the COVID-19 global pandemic. Based on the liquidity estimates and our current resources, we have concluded we have sufficient liquidity to satisfy our obligations for at least the next twelve months even in the event we do not resume cruise voyages during that period. Nonetheless, we anticipate that we will need additional equity and/or debt financing to fund our operations in the future if a substantial portion of our fleet continues to have suspended cruise voyages for a prolonged period.

We have received certain financial and other debt covenant waivers through December 31, 2022 and added new free liquidity requirements. At March 31, 2021, taking into account such waivers, we were in compliance with all of our debt covenants. If we do not continue to remain in compliance with our covenants, we would have to seek to amend the covenants. However, no assurances can be made that such amendments would be approved by our lenders. Generally, if an event of default under any debt agreement occurs, then pursuant to cross default and/or cross acceleration clauses, substantially all of our outstanding debt and derivative contract payables could become due, and all debt and derivative contracts could be terminated, which would have a material adverse impact to our operations and liquidity.

Since March 2020, Moody's has downgraded our long-term issuer rating to B2, our senior secured rating to B1 and our senior unsecured rating to Caa1. Since April 2020, S&P Global has downgraded our issuer credit rating to B, lowered our issue-level rating on our \$875 million Revolving Loan Facility and \$1.5 billion Term Loan A Facility to BB-, our issue-level rating on our \$675 million 2024 Senior Secured Notes and \$750 million 2026 Senior Secured Notes to B+ and our senior unsecured rating to B-. If our credit ratings were to be further downgraded, or general market conditions were to ascribe higher risk to our rating levels, our industry, or us, our access to capital and the cost of any debt or equity financing will be further negatively impacted. Further, NCLH is seeking shareholder approval to increase its authorized ordinary share capital at its 2021 annual general meeting so that it will have the ability to raise additional equity capital. Such increase may not be approved. We also have significant capacity to incur additional indebtedness under our debt agreements. Accordingly, there is no guarantee that debt or equity financings will be available in the future to fund our obligations, or that they will be available on terms consistent with our expectations.

As of March 31, 2021, we had advance ticket sales of \$1.3 billion, including the long-term portion, which included approximately \$0.85 billion of future cruise credits. We also have agreements with our credit card processors that, as of March 31, 2021, governed approximately \$1.1 billion in advance ticket sales that had been received by the Company relating to future voyages. These agreements allow the credit card processors to require under certain circumstances, including the existence of a material adverse change, excessive chargebacks and other triggering events, that the Company maintain a reserve which would be satisfied by posting collateral. Although the agreements vary, these requirements may generally be satisfied either through a percentage of customer payments withheld or providing cash funds directly to the card processor. Any cash reserve or collateral requested could be increased or decreased. As of March 31, 2021, we had a reserve of approximately \$580 million with a credit card processor recognized in other long-term assets. Additionally, we are required to fund all refunds until further notice and 100% of incoming advance ticket sales deposits with this credit card processor will be withheld and are not expected to be released until the credit card processor's exposure is fully collateralized. As of March 31, 2021, the exposure was approximately \$840 million. The reserve shortfall of approximately \$260 million will decrease as refunds are funded, cruises are provided and amounts withheld by the credit card processor are allocated to the reserve rather than remitted to the Company. We may be required to pledge additional collateral and/or post cash reserves or take other actions that may further reduce our liquidity.

Sources and Uses of Cash

In this section, references to "2021" refer to the three months ended March 31, 2021 and references to "2020" refer to the three months ended March 31, 2020.

Net cash used in operating activities was \$0.9 billion in 2021 as compared to net cash used in operating activities of \$52.7 million in 2020. The net cash used in operating activities included timing differences in cash receipts and payments relating to operating assets and liabilities. Advance ticket sales increased by \$75.6 million in 2021 compared to a decrease of \$288.5 million in 2020 while our prepaid expenses and other assets, which contains our reserves with credit card processors, decreased cash by \$406.8 million compared to an increase of \$145.8 million in 2020.

Net cash used in investing activities was \$0.1 billion in 2021 and \$0.6 billion in 2020, primarily related to payments for Seven Seas Splendor and ship improvement projects in 2020.

Net cash provided by financing activities was \$1.2 billion in 2021 primarily due to the proceeds of \$2.7 billion from our various note and equity offerings partially offset by debt repayments and a related redemption premium associated with extinguishment of the Private Exchangeable Notes. Net cash provided by financing activities was \$1.8 million in 2020 from our revolving credit facilities and newbuild loans partially offset by debt repayments.

Future Capital Commitments

Future capital commitments consist of contracted commitments, including ship construction contracts. Anticipated expenditures related to ship construction contracts were \$0.3 billion for the remainder of 2021 and \$1.6 billion and \$2.4 billion for the years ending December 31, 2022 and 2023, respectively. The Company has export credit financing in place for the anticipated expenditures related to ship construction contracts of \$0.2 billion for the remainder of 2021 and

[Table of Contents](#)

\$0.8 billion and \$1.8 billion for the years ending December 31, 2022 and 2023, respectively. Future expected capital expenditures will significantly increase our depreciation and amortization expense.

Project Leonardo will introduce an additional six ships, each ranging from approximately 140,000 to 156,300 Gross Tons with approximately 3,300 to 3,550 Berths, with expected delivery dates from 2022 through 2027. For the Regent brand, we have an order for one Explorer Class Ship to be delivered in 2023, which will be approximately 55,000 Gross Tons and 750 Berths. For the Oceania Cruises brand, we have orders for two Allura Class Ships to be delivered in 2023 and 2025. Each of the Allura Class Ships will be approximately 67,000 Gross Tons and 1,200 Berths. The impacts of COVID-19 on the shipyards where our ships are under construction (or will be constructed) have resulted in some delays in expected ship deliveries, and the impacts of COVID-19 could result in additional delays in ship deliveries in the future, which may be prolonged.

The combined contract prices of the nine ships on order for delivery was approximately €7.2 billion, or \$8.4 billion based on the euro/U.S. dollar exchange rate as of March 31, 2021. We have obtained export credit financing which is expected to fund approximately 80% of the contract price of each ship, subject to certain conditions. We do not anticipate any contractual breaches or cancellations to occur. However, if any such events were to occur, it could result in, among other things, the forfeiture of prior deposits or payments made by us and potential claims and impairment losses which may materially impact our business, financial condition and results of operations.

Capitalized interest for the three months ended March 31, 2021 and 2020 was \$8.2 million and \$5.7 million, respectively, primarily associated with the construction of our newbuild ships.

Off-Balance Sheet Arrangements

None.

Contractual Obligations

As of March 31, 2021 our contractual obligations with initial or remaining terms in excess of one year, including interest payments on long-term debt obligations, included the following (in thousands):

	Total	Less than 1 year	1-3 years	3-5 years	More than 5 years
Long-term debt (1)	\$ 12,438,553	\$ 36,984	\$ 4,033,563	\$ 6,077,140	\$ 2,290,866
Operating leases (2)	228,048	23,747	63,808	63,439	77,054
Ship construction contracts (3)	8,246,479	240,579	3,444,362	2,715,433	1,846,105
Port facilities (4)	2,057,324	71,934	142,646	143,716	1,699,028
Interest (5)	2,568,154	567,963	1,074,011	667,194	258,986
Other (6)	1,090,689	290,124	440,323	358,015	2,227
Total	\$ 26,629,247	\$ 1,231,331	\$ 9,198,713	\$ 10,024,937	\$ 6,174,266

- (1) Long-term debt excludes discounts, premiums, and deferred financing fees, which are a direct addition or deduction from the carrying value of the related debt liability in the consolidated balance sheets.
- (2) Operating leases are primarily for port facilities and offices.
- (3) Ship construction contracts are for our newbuild ships based on the euro/U.S. dollar exchange rate as of March 31, 2021. Export credit financing is in place from syndicates of banks. Approximately \$150.3 million of the ship construction contracts due in less than one year are financed under export credit financing, \$54.0 million of payments due within one year have been deferred and we have a memorandum of agreement to finance another \$33.8 million.
- (4) Port facilities represent our usage of certain port facilities. Our port facilities agreements include force majeure provisions that may alleviate an unspecified amount of obligations under minimum guarantees during the COVID-19 pandemic. In March 2020, the Company provided the required notice that such provisions were being enacted. Customary practice is to prorate these obligations for the annual period impacted. A portion of our port fees may be

waived as a result of these provisions, including those ports that are presented within operating leases in the table above.

(5) Interest includes fixed and variable rates with LIBOR held constant as of March 31, 2021.

(6) Other includes future commitments for service, maintenance and other business enhancement capital expenditures contracts. Certain contracts contain provisions which provide for reduced obligations in the case of a ship(s) removed from operations. As a result, we may only be required to cover reasonable costs during the time period whereby our operations have temporarily been suspended. These reasonable costs are subject to ongoing negotiations.

Other

Certain service providers may require collateral in the normal course of our business. The amount of collateral may change based on certain terms and conditions.

As a routine part of our business, depending on market conditions, exchange rates, pricing and our strategy for growth, we regularly consider opportunities to enter into contracts for the building of additional ships. We may also consider the sale of ships, potential acquisitions and strategic alliances. If any of these were to occur, they may be financed through the incurrence of additional permitted indebtedness, through cash flows from operations, or through the issuance of debt, equity or equity-related securities.

Funding Sources

Certain of our debt agreements contain covenants that, among other things, require us to maintain a minimum level of liquidity, as well as limit our net funded debt-to-capital ratio, and maintain certain other ratios and restrict our ability to pay dividends. Substantially all of our ships and other property and equipment are pledged as collateral for certain of our debt. We have received certain financial and other debt covenant waivers through December 31, 2022 and added new free liquidity requirements. At March 31, 2021, taking into account such waivers, we were in compliance with all of our debt covenants.

In addition, our existing debt agreements restrict, and any of our future debt arrangements may restrict, among other things, the ability of our subsidiaries, including NCLC, to make distributions and/or pay dividends to NCLH and NCLH's ability to pay cash dividends to its shareholders. NCLH is a holding company and depends upon its subsidiaries for their ability to pay distributions to it to finance any dividend or pay any other obligations of NCLH. However, we do not believe that these restrictions have had or are expected to have an impact on our ability to meet any cash obligations.

In light of the measures described under "Update Regarding COVID-19 Pandemic—Financing Transactions and Cost Containment Measures", we believe our cash on hand, expected future operating cash inflows and our ability to issue debt securities or additional equity securities, will be sufficient to fund operations, debt payment requirements, capital expenditures and maintain compliance with covenants under our debt agreements over the next 12-month period. Certain debt covenant waivers were received in 2021 to enable the Company to maintain this compliance. Refer to "—Liquidity and Capital Resources" for further information regarding the debt covenant waivers. There is no assurance that cash flows from operations and additional financings will be available in the future to fund our future obligations. Furthermore, we anticipate that we will need additional equity and/or debt financing to fund our operations in the future if a substantial portion of our fleet continues to have suspended cruise voyages for a prolonged period.

The Company may require additional liquidity to meet ongoing obligations, including debt amortization payments and ship milestone payments net of export-credit financing, of approximately \$670 million that are due in July 2022 and its minimum liquidity covenant requirements. The Company plans to take additional steps following the issuance of these financial statements to increase its liquidity, which may include additional debt and/or equity financing and potential further renegotiations of its debt amortization payments, newbuild payments and covenants. The extent of these actions to increase the Company's liquidity will be dependent in part on the timing of the resumption of cruise voyages, which despite the Company's expectations for a limited relaunch beginning July 2021, is uncertain. There can be no assurances that the Company will be successful in generating the additional liquidity necessary to meet its obligations beyond twelve months from the issuance of these financial statements on terms acceptable to the Company or at all. If the

Company is unable to satisfy or renegotiate its minimum liquidity covenant requirements, it could have a significant adverse effect on the Company's business, financial condition and operating results.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

General

We are exposed to market risk attributable to changes in interest rates, foreign currency exchange rates and fuel prices. We attempt to minimize these risks through a combination of our normal operating and financing activities and through the use of derivatives. The financial impacts of these derivative instruments are primarily offset by corresponding changes in the underlying exposures being hedged. We achieve this by closely matching the notional, term and conditions of the derivatives with the underlying risk being hedged. We do not hold or issue derivatives for trading or other speculative purposes. Derivative positions are monitored using techniques including market valuations and sensitivity analyses.

Interest Rate Risk

As of March 31, 2021, we had interest rate swap and collar agreements to hedge our exposure to interest rate movements and to manage our interest expense. As of March 31, 2021, 77% of our debt was fixed and 23% was variable, which includes the effects of the interest rate swaps and collars. The notional amount of outstanding debt associated with the interest rate derivative agreements as of March 31, 2021 was \$0.6 billion. As of December 31, 2020, 74% of our debt was fixed and 26% was variable, which includes the effects of the interest rate swaps. The notional amount of our outstanding debt associated with the interest rate swap agreements was \$0.7 billion as of December 31, 2020. The change in our fixed rate percentage from December 31, 2020 to March 31, 2021 was primarily due to the addition of fixed rate debt, which was partially used to repay variable rate debt. Based on our March 31, 2021 outstanding variable rate debt balance, a one percentage point increase in annual LIBOR interest rates would increase our annual interest expense by approximately \$28.9 million excluding the effects of capitalization of interest.

Foreign Currency Exchange Rate Risk

As of March 31, 2021, we had foreign currency derivatives to hedge the exposure to volatility in foreign currency exchange rates related to our ship construction contracts denominated in euros. These derivatives hedge the foreign currency exchange rate risk on a portion of the payments on our ship construction contracts. The payments not hedged aggregate €5.0 billion, or \$5.9 billion based on the euro/U.S. dollar exchange rate as of March 31, 2021. As of December 31, 2020, the payments not hedged aggregated €5.0 billion, or \$6.1 billion, based on the euro/U.S. dollar exchange rate as of December 31, 2020. The change from December 31, 2020 to March 31, 2021 was due to the maturity of certain forward contracts. We estimate that a 10% change in the euro as of March 31, 2021 would result in a \$0.6 billion change in the U.S. dollar value of the foreign currency denominated remaining payments.

Fuel Price Risk

Our exposure to market risk for changes in fuel prices relates to the forecasted purchases of fuel on our ships. Fuel expense, as a percentage of our total cruise operating expense, was 21.2% and 12.6% for the three months ended March 31, 2021 and 2020, respectively. We use fuel derivative agreements to mitigate the financial impact of fluctuations in fuel prices and as of March 31, 2021, excluding fuel swaps for transactions that are no longer probable of occurrence, we had hedged approximately 61%, 37% and 15% of our remaining 2021, 2022, and 2023 projected metric tons of fuel purchases, respectively. As of December 31, 2020, we had hedged approximately 59%, 37% and 15% of our 2021, 2022 and 2023 projected metric tons of fuel purchases, respectively. The percentage of fuel purchases hedged changed between December 31, 2020 and March 31, 2021 primarily due to changes in forecasted purchases.

We estimate that a 10% increase in our weighted-average fuel price would increase our anticipated 2021 fuel expense by \$19.3 million. This increase would be offset by an increase in the fair value of all our fuel swap agreements of \$14.5 million. Fair value of our derivative contracts is derived using valuation models that utilize the income valuation

approach. These valuation models take into account the contract terms such as maturity, as well as other inputs such as fuel types, fuel curves, creditworthiness of the counterparty and the Company, as well as other data points.

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

Our management has evaluated, with the participation of our Chief Executive Officer and Chief Financial Officer, the effectiveness of our disclosure controls and procedures, as such term is defined in Rule 13a-15(e) under the Securities Exchange Act of 1934, as amended, as of March 31, 2021. There are inherent limitations in the effectiveness of any system of disclosure controls and procedures, including the possibility of human error and the circumvention or overriding of the controls and procedures. Accordingly, even effective disclosure controls and procedures can only provide reasonable assurance of achieving their control objectives. Based upon management's evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective as of March 31, 2021 to provide reasonable assurance that the information required to be disclosed by us in the reports we file or submit under the Securities Exchange Act of 1934, as amended, is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the SEC, and that it is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure.

Changes in Internal Control Over Financial Reporting

There have been no changes in our internal control over financial reporting during the quarter ended March 31, 2021 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Limitations on the Effectiveness of Controls

It should be noted that any system of controls, however well designed and operated, can provide only reasonable, and not absolute, assurance that the objectives of the system will be met. In addition, the design of any control system is based in part upon certain assumptions about the likelihood of future events. Because of these and other inherent limitations of control systems, there is only the reasonable assurance that our controls will succeed in achieving their goals under all potential future conditions.

PART II. OTHER INFORMATION

Item 1. Legal Proceedings

See the section titled "Litigation" in "Item 1—Financial Statements—Notes to Consolidated Financial Statements—Note 9 Commitments and Contingencies" in Part I of this quarterly report for information about legal proceedings.

Item 1A. Risk Factors

We refer you to our Annual Report on Form 10-K for a discussion of the risk factors that affect our business and financial results. We wish to caution you that the risk factors discussed in "Item 1A. Risk Factors" in our Annual Report on Form 10-K, elsewhere in this report or other SEC filings, could cause future results to differ materially from those stated in any forward-looking statements. COVID-19 has also had the effect of heightening many of the other risks described in the "Risk Factors" included in our Annual Report on Form 10-K, such as those relating to our need to generate sufficient cash flows to service our indebtedness, and our ability to comply with the covenants contained in the agreements that govern our indebtedness.

Other than updates to the risk factors set forth below, there have been no material changes in our risk factors from those disclosed in our Annual Report on Form 10-K.

COVID-19 has had, and is expected to continue to have, a significant impact on our financial condition and operations. The current, and uncertain future, impact of the COVID-19 pandemic, including its effect on the ability or desire of people to travel (including on cruises), is expected to continue to impact our results, operations, outlook, plans, goals, growth, reputation, cash flows, liquidity, demand for voyages and share price.

The spread of COVID-19 and the developments surrounding the global pandemic are having significant negative impacts on all aspects of our business. In March 2020, we implemented a voluntary suspension of all cruise voyages across our three brands, which has subsequently been extended through June 2021 and announced a limited resumption of cruises beginning in July 2021. We have announced a limited relaunch of certain cruise voyages beginning in July 2021, but due to the uncertainties surrounding the COVID-19 pandemic, the suspension could instead be extended again or could potentially be reinstated after we have begun sailing, and the total length of the suspension may be prolonged. In addition, we have been, and will continue to be, further negatively impacted by related developments, including heightened governmental regulations and travel advisories, including recommendations and orders by the U.S. Department of State, the CDC and the Department of Homeland Security, and travel bans and restrictions, each of which has impacted, and is expected to continue to significantly impact, global guest sourcing and our access to various ports of call around the globe. On October 30, 2020, the CDC issued a Conditional Order that introduces a phased approach for the resumption of passenger cruises in the U.S. depending on a cruise line's ability to implement certain protocols and procedures. We have made a request to the CDC to lift the Conditional Order for our ships, but it is unclear whether the CDC will lift the Conditional Order and if not, whether we will be able to comply with the Conditional Order. As a result, the timing for our ability to resume cruises in the U.S. is uncertain. Additionally, compliance with the Conditional Order may involve significant costs and could create significant uncertainties about our ability to continue to operate our cruise voyages in the U.S. once sailing resumes. We will continue to incur COVID-19 related costs as we implement additional health-related protocols on our ships, such as physical distancing measures, which may have a significant effect on our operations. In addition, the industry will be subject to enhanced health and safety requirements which may be costly and take a significant amount of time to implement across our fleet. There is no guarantee that the health and safety protocols we implement will be successful in preventing the spread of COVID-19 onboard our ships and among our passengers and crew.

To date, the COVID-19 pandemic has resulted in significant costs and lost revenue as a result of the suspension of cruise voyages, implementation of additional health and safety measures, reduced demand for cruise vacations, guest compensation, itinerary modifications, redeployments and cancellations, travel restrictions and advisories, the unavailability of ports and/or destinations, costs to return our passengers to their home destinations and expenses to transport our crew to and from our ships and to assist some of our crew that were unable to return home in an optimal time frame with food and housing.

Our ability to transport crew to and from our ships is dependent on a number of factors, including the ability to transport crew members to and from their home countries due to the limited number of commercial flights and charter options available, and governmental restrictions and regulations with respect to disembarking crew members and travel generally. Such restrictions on crew travel could impact our ability to re-staff our ships as operations resume.

Between March 12, 2020 and April 30, 2020, three class action lawsuits were filed against us under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Rule 10b-5 promulgated thereunder, alleging that we made false and misleading statements to the market and customers about COVID-19, which were combined and later dismissed in April 2021. In addition, in March 2020 the Florida Attorney General announced an investigation related to our marketing during the COVID-19 pandemic. Following the announcement of the investigation by the Florida Attorney General, we received notifications from other attorneys general and governmental agencies that they are conducting similar investigations. We may be the subject of additional lawsuits and investigations stemming from COVID-19. We cannot predict the number or outcome of any such proceedings and the impact that they will have on our financial results, but any such impact may be material.

We have nine newbuilds on order, scheduled to be delivered through 2027. The impacts of COVID-19 on the shipyards where our ships are under construction or will be constructed, have resulted in some delays in expected ship deliveries, and the impacts of COVID-19 could result in additional delays in ship deliveries in the future, which may be prolonged.

[Table of Contents](#)

Due to the unknown duration and extent of the COVID-19 pandemic, travel restrictions, bans and advisories, uncertainties around our ability to comply with the Conditional Order and or any additional or future regulatory restrictions on our operations, the potential unavailability of ports and/or destinations, unknown cancellations and timing of redeployments and a general impact on consumer sentiment regarding cruise travel, there are continuing uncertainties about when our full fleet will be back in service at historical occupancy levels. Moreover, even after we relaunch our cruise voyages, demand for cruises may remain weak for a significant length of time and we cannot predict if and when each brand will return to pre-pandemic demand or pricing levels. Due to the discretionary nature of leisure travel spending and the competitive nature of the cruise industry, our revenues are heavily influenced by the condition of the U.S. economy and economies in other regions of the world. Unfavorable conditions in these broader economies have resulted, and may result in the future, in decreased demand for cruise vacations, changes in booking practices and related reactions by our competitors, all of which in turn have had, and may continue to have in the future, a strong negative effect on our business. In particular, our bookings may be negatively impacted by enhanced health and safety protocols, including vaccination requirements, concerns that cruises are susceptible to the spread of infectious diseases as well as adverse changes in the perceived or actual economic climate, including higher unemployment rates, declines in income levels and loss of personal wealth resulting from the impact of COVID-19. The ongoing COVID-19 pandemic and associated decline in economic activity and increase in unemployment levels are expected to have a severe and prolonged effect on the global economy generally and, in turn, is expected to depress demand for cruise vacations into the foreseeable future. Due to the uncertainty surrounding the duration and severity of this pandemic, we can provide no assurance as to when and at what pace demand for cruise vacations will return to pre-pandemic levels, if at all. Accordingly, we cannot predict the full impact of COVID-19 on our business, financial condition and results of operations. In addition, we cannot predict the impact COVID-19 will have on our partners, such as travel agencies, suppliers and other vendors. We may be adversely impacted by any adverse impact our partners suffer.

As a result of these unprecedented circumstances we are not able to predict the full impact of the COVID-19 pandemic on our Company. In particular, we cannot predict the impact on our financial performance and our cash flows required for cash refunds of fares for cancelled sailings as a result of the effects of the COVID-19 pandemic and the public's concern regarding the health and safety of travel, including by cruise ship, and related decreases in demand for travel and cruising. Depending on the timing for bringing our full fleet back in service and number of cancellations, we may be required to provide cash refunds for a substantial portion of the balance of our advanced ticket sales.

Moreover, our ability to attract and retain guests and crew depends, in part, upon the perception and reputation of our Company and our brands and the public's concerns regarding the health and safety of travel generally, as well as regarding the cruise industry and our ships. Actual or perceived risk of infection could have an adverse effect on the public's perception of the Company, which could harm our reputation and business. Additionally, some of our protocols, such as our requirement that all guests and crew must be vaccinated for our initial voyages, may attract negative publicity.

As a result of the impacts of COVID-19, provisions in our credit card processing and other commercial agreements have and may continue to adversely affect our liquidity. We have agreements with several credit card companies to process the sale of tickets and provide other services. Under these agreements, the credit card companies could, under certain circumstances and upon written notice, require us to maintain a reserve, which reserve would be funded by the credit card companies withholding or offsetting our credit card receivables, or our posting of cash or other collateral. As a result of the impacts of COVID-19, we have seen an increase in demand from consumers for refunds on their tickets, and we anticipate this will continue to be the case for the near future. As of March 31, 2021, we had a reserve of approximately \$580 million with a credit card processor recognized in other long-term assets. Additionally, we are required to fund all refunds until further notice and 100% of incoming advance ticket sales deposits with this credit card processor will be withheld and are not expected to be released until the credit card processor's exposure is fully collateralized. As of March 31, 2021, the exposure was approximately \$840 million. The reserve shortfall of approximately \$260 million will decrease as refunds are funded, cruises are provided and amounts withheld by the credit card processor are allocated to the reserve rather than remitted to the Company. We may be required to pledge additional collateral and/or post cash reserves or take other actions that may further reduce our liquidity. As a consequence, our financial position and liquidity could be further materially impacted.

[Table of Contents](#)

As a result of all of the foregoing, we will report a net loss for the three months ending June 30, 2021 and expect to report a net loss until we are able to resume regular voyages, including for the year ending December 31, 2021. Our ability to forecast our cash inflows and additional capital needs is hampered, and we could be required to raise additional capital in the future. Our access to and cost of financing will depend on, among other things, global economic conditions, conditions in the global financing markets, the availability of sufficient amounts of financing, the terms and conditions of our existing debt agreements and any agreements governing future indebtedness, our prospects and our credit ratings. Since March 2020, Moody's has downgraded our long-term issuer rating to B2, our senior secured rating to B1 and our senior unsecured rating to Caa1. Since April 2020, S&P Global has downgraded our issuer credit rating to B, lowered our issue-level rating on our \$875 million Revolving Loan Facility and \$1.5 billion Term Loan A Facility to BB-, our issue-level rating on our \$675 million 2024 Senior Secured Notes and \$750 million 2026 Senior Secured Notes to B+ and our senior unsecured rating to B-. If our credit ratings were to be further downgraded, or general market conditions were to ascribe higher risk to our rating levels, our industry, or us, our access to capital and the cost of any debt or equity financing will be further negatively impacted. Further, NCLH is seeking shareholder approval to increase its authorized share capital at its 2021 annual general meeting so that it will have the ability to raise additional equity capital. Such increase may not be approved. Accordingly, there is no guarantee that debt or equity financings will be available in the future to fund our obligations, or that they will be available on terms consistent with our expectations.

The agreements governing our indebtedness contain, and any instruments governing future indebtedness of ours may contain, covenants that impose significant operating and financial restrictions on us, including restrictions or prohibitions on our ability to, among other things: incur or guarantee additional debt or issue certain preference shares; pay dividends on or make distributions in respect of our share capital or make other restricted payments, including the ability of our subsidiaries to pay dividends or make distributions to us; repurchase or redeem capital stock or subordinated indebtedness; make certain investments or acquisitions; transfer, sell or create liens on certain assets; and consolidate or merge with, or sell or otherwise dispose of all or substantially all of our assets to other companies. As a result of these covenants, we are limited in the manner in which we conduct our business, and we may be unable to engage in favorable business activities or finance future operations or capital needs. The terms of any instruments governing future indebtedness may also require us to provide incremental collateral, which may further restrict our business operations.

In addition, the COVID-19 pandemic has significantly increased economic and demand uncertainty. The current pandemic and continued spread of COVID-19 has caused a global recession, which could have a further adverse impact on our financial condition and operations, and this impact could exist for an extended period of time.

The extent of the effects of the pandemic on our business and the cruise industry at large is highly uncertain and will ultimately depend on future developments, many of which are outside of our control, including, but not limited to, the duration, spread, severity and any recurrence of the pandemic, the severity and transmission rates of new variants of COVID-19, the availability, distribution, and efficacy of vaccines and therapeutics for COVID-19, the duration and scope of related federal, state and local government orders and restrictions, the extent of the impact of COVID-19 on overall demand for cruise vacations and the length of time it takes for demand and pricing to return and normal economic and operating conditions to resume, all of which are highly uncertain and cannot be predicted. COVID-19 has also had the effect of heightening many of the other risks described herein, such as those relating to our need to generate sufficient cash flows to service our indebtedness, and our ability to comply with the covenants contained in the agreements that govern our indebtedness.

Additionally, epidemics, pandemics and viral outbreaks or other wide-ranging health scares in the future would likely also adversely affect our business, financial condition and results of operations.

(b) The representations and warranties of each Loan Party set forth in the Loan Documents are, after giving effect to this Amendment on such date, true and correct in all material respects on and as of the Amendment No. 2 Effective Date with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties were true and correct in all material respects as of such earlier date and, to the extent any such representations and warranties are qualified as to materiality, Material Adverse Effect or similar language, such representations and warranties shall be true and correct in all respects).

(c) After giving effect to this Amendment and the transactions contemplated hereby, no Default or Event of Default has occurred and is continuing on the Amendment No. 2 Effective Date.

SECTION 2.02. Effect of Amendment. (a) Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of, the Lenders or the Administrative Agent under the Credit Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. The parties hereto acknowledge and agree that the amendment of the Credit Agreement pursuant to this Amendment and all other Loan Documents amended and/or executed and delivered in connection herewith shall not constitute a novation of the Credit Agreement and the other Loan Documents as in effect prior to the Amendment No. 2 Effective Date.

Nothing herein shall be deemed to establish a precedent for purposes of interpreting the provisions of the Credit Agreement or entitle any Loan Party to a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document in similar or different circumstances. This Amendment shall apply to and be effective only with respect to the provisions of the Credit Agreement and the other Loan Documents specifically referred to herein.

(b) For the avoidance of doubt, each Borrower and each other Loan Party hereby reaffirms that (a) the Obligations of the Borrowers and the other Loan Parties under the Credit Agreement and the other Loan Documents that remain unpaid and outstanding as of the date of this Amendment shall, except as expressly set forth herein, continue to exist under and be evidenced by the Credit Agreement and the other Loan Documents and (b) the Collateral and the Loan Documents shall continue to secure, guarantee, support and otherwise benefit the Obligations on the same terms as prior to the effectiveness hereof. Upon the effectiveness of this Amendment, each Loan Document that was in effect immediately prior to the date of this Agreement shall continue to be effective on its terms unless otherwise expressly stated herein. The parties hereto acknowledge and agree that neither the execution and delivery of this Agreement nor the consummation of any other transaction contemplated hereunder is intended to constitute a novation of the Credit Agreement or any other Loan Document.

(c) On and after the Amendment No. 2 Effective Date, each reference in the Amended Credit Agreement to “this Agreement”, “hereunder”, “hereof”, “herein” or words of like import, and each reference to the Credit Agreement, “thereunder”, “thereof”, “therein” or words of like import in any other Loan Document, shall be deemed a reference to the Amended Credit Agreement. This Amendment shall constitute a “Loan Document” for all purposes of the Credit Agreement and the other Loan Documents.

SECTION 2.03. Governing Law. THIS AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE CONSTRUED AND INTERPRETED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE

CONFLICT OF LAWS PRINCIPLES THEREOF. The provisions of Sections 10.11 and 10.15 of the Amended Credit Agreement shall apply to this Amendment to the same extent as if fully set forth herein.

SECTION 2.04. Counterparts. This Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. This Amendment may be in the form of an Electronic Record and may be executed using Electronic Signatures (each as defined under 15 USC §7006, as it may be amended from time to time) (including, without limitation, facsimile and .pdf) and shall be considered an original, and shall have the same legal effect, validity and enforceability as a paper record. Delivery of any executed counterpart of a signature page of this Amendment by facsimile transmission or other electronic imaging means shall be effective as delivery of a manually executed counterpart hereof. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance of a manually signed paper communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed communication converted into another format, for transmission, delivery and/or retention.

SECTION 2.05. Headings. The headings of this Amendment are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be duly executed and delivered by their officers as of the date first above written.

On the Restatement Effective Date, the “Term A Loans” (as defined in the Original Credit Agreement) of each Term A-1 Lender and each Deferred Term A Lender shall be repaid with proceeds of the Term A-1 Loans and Deferred Term A Loans borrowed on the Restatement Effective Date. The parties hereto acknowledge and agree that neither the execution and delivery of this Agreement nor the consummation of any other transaction contemplated hereunder is intended to constitute a novation of the Original Credit Agreement or any other Loan Document.

Section 1.05. Interest Rates; LIBOR Notification. The interest rate on Eurocurrency Loans is determined by reference to the LIBO Rate, which is derived from the London interbank offered rate. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the “*IBA*”) for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on Eurocurrency Loans. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate. In the event that the London interbank offered rate is no longer available or in certain other circumstances as set forth in Section 2.14(b) of this Agreement, such Section 2.14(b) provides a mechanism for determining an alternative rate of interest. The Administrative Agent will notify the Company, pursuant to Section 2.14, in advance of any change to the reference rate upon which the interest rate on Eurocurrency Loans is based. However, the Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of “LIBO Rate” or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate, as it may or may not be adjusted pursuant to Section 2.14(b), will be similar to, or produce the same value or economic equivalence of, the LIBO Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability.

If no Interest Period is specified with respect to any requested Eurocurrency Borrowing, then the Borrowers shall be deemed to have selected an Interest Period of one month’s duration. Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender’s Loan to be made as part of the requested Borrowing.

Section 2.04. [Reserved].

Section 2.05. Letters of Credit.

(a) General.

(i) Subject to the terms and conditions set forth herein, the Company may request the issuance of (w) trade letters of credit in support of trade obligations of the Loan Parties and their Affiliates incurred in the ordinary course of business (such letters of credit issued for such purposes, “Trade Letters of Credit”) and (x) standby letters of credit issued for any other lawful purposes of the Loan Parties and their Affiliates (such letters of credit issued for such purposes, “Standby Letters of Credit”), in each case, for its own account in Dollars and in a form reasonably acceptable to the applicable Issuing Bank, at any time and from time to time during the applicable Availability Period and prior to the date that is five Business Days prior to the applicable Revolving Facility Maturity Date. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrowers to, or entered into by the Borrowers with, an Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. Notwithstanding anything herein to the contrary, no Issuing Bank shall have any obligation hereunder to issue any Letter of Credit the proceeds of which would be made available to any person (i) to fund any activity or business of or with any Sanctioned Person or in any Sanctioned Country, in violation of any Sanctions or (ii) in any manner that would result in a violation of any Sanctions by any party to this Agreement.

(ii) No Issuing Bank shall be under any obligation to issue any Letter of Credit if any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit or any requirement of law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction or reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect with respect to such Issuing Bank on the Restatement Effective Date, or any unreimbursed loss, cost or expense (including as a result of Basel III) which was not applicable or in effect with respect to such Issuing Bank as of the Restatement Effective Date and which such Issuing Bank reasonably and in good faith deems material to it or if the amount of such Letter of credit, when aggregated with the amount of all other Letters of Credit (and L/C Disbursements in respect thereof) issued by such Issuing Bank would exceed such Issuing Bank's Issuing Bank Sublimit.

(b) Notice of Issuance, Amendment, Renewal, Extension: Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal (other than an automatic extension in accordance with paragraph (c) of this Section) or extension of an outstanding Letter of Credit), the Company shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable Issuing Bank) to the applicable Issuing Bank and the Administrative Agent (three Business Days in advance of the requested date of issuance, amendment or extension or such shorter period as the Administrative Agent and the applicable Issuing Bank in their sole discretion may agree) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended or extended, and specifying the date of issuance, amendment or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount and currency of such Letter of Credit, the name and address of the beneficiary thereof, whether such Letter of Credit constitutes a Standby Letter of Credit or a Trade Letter of Credit, and such other information as shall be necessary to issue, amend or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Company also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended or extended only if (and upon issuance, amendment or extension of each Letter of Credit the Company shall be deemed to represent and warrant that), after giving effect to such issuance, amendment or extension (i) the Revolving L/C Exposure shall not exceed the Letter of Credit Sublimit, (ii) the applicable Revolving Facility Credit Exposure shall not exceed the applicable Revolving Facility Commitments.

(c) Expiration Date. Each Standby Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date one year (unless otherwise agreed upon by the Administrative Agent and the applicable Issuing Bank in their sole discretion) after the date of the issuance of such Standby Letter of Credit (or, in the case of any extension thereof, one year (unless otherwise agreed upon by the Administrative Agent and the applicable Issuing Bank in their sole discretion) after such renewal or extension) and (ii) the date that is five Business Days prior to the applicable Revolving Facility Maturity Date; provided, that any Standby Letter of Credit with a one year tenor may provide for automatic extension thereof for additional one year

periods (which, in no event, shall extend beyond the date referred to in clause (ii) of this paragraph (c)) so long as such Standby Letter of Credit permits the applicable Issuing Bank to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Standby Letter of Credit) by giving prior notice to the beneficiary thereof within a time period during such twelve-month period to be agreed upon at the time such Standby Letter of Credit is issued; provided, further, that if the applicable Issuing Bank and the Administrative Agent each consent in their sole discretion, the expiration date on any Standby Letter of Credit may extend beyond the date referred to in clause (ii) above, provided, that if any such Standby Letter of Credit is outstanding or is issued under the Revolving Facility Commitments of any Class after the date that is 30 days prior to such Revolving Facility Maturity Date for such Class the Borrowers shall provide cash collateral pursuant to documentation reasonably satisfactory to the Administrative Agent and the relevant Issuing Bank in an amount equal to [*]% of the face amount of each such Standby Letter of Credit on such date of issuance. Each Trade Letter of Credit shall expire on the earlier of (x) 180 days after such Trade Letter of Credit's date of issuance or (y) the date five Business Days prior to the applicable Revolving Facility Maturity Date.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) under the Revolving Facility Commitments of any Class and without any further action on the part of the applicable Issuing Bank or the Revolving Facility Lenders, such Issuing Bank hereby grants to each Revolving Facility Lender under such Class, and each such Revolving Facility Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Facility Lender's applicable Revolving Facility Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Facility Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Revolving Facility Lender's Revolving Facility Percentage of each L/C Disbursement made by such Issuing Bank and not reimbursed by the Borrowers on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to the Borrowers for any reason, in each case, in Dollars. Each Revolving Facility Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or Event of Default or reduction or termination of the Commitments or the fact that, as a result of changes in currency exchange rates, such Revolving Facility Lender's Revolving Facility Credit Exposure at any time might exceed its Revolving Facility Commitment at such time (in which case Section 2.11(f) would apply), and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. The obligation of the Revolving Facility Lenders to participate in Letters of Credit shall terminate on the Revolving Facility Maturity Date.

(e) Reimbursement. If the applicable Issuing Bank shall make any L/C Disbursement in respect of a Letter of Credit, the Borrowers shall reimburse (or cause the applicable Loan Party or Subsidiary to reimburse) such L/C Disbursement by paying to the Administrative Agent an amount in Dollars equal to such L/C Disbursement not later than 2:00 p.m., Local Time, on the same day (or if such day is not a Business Day, the next following Business Day) the Company receives notice under paragraph (g) of this Section of such L/C Disbursement, together

with accrued interest thereon from the date of such L/C Disbursement at the rate applicable to ABR Revolving Facility Loans of the applicable Class; provided, that the Borrowers may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Revolving Facility Borrowing of the applicable Class, as applicable, in an equivalent amount and currency and, to the extent so financed, the Borrowers' obligations to make such payment shall be discharged and replaced by the resulting ABR Revolving Facility Borrowing. If the Borrowers fail to reimburse any L/C Disbursement when due, then the Administrative Agent shall promptly notify the applicable Issuing Bank and each other applicable Revolving Facility Lender of the applicable L/C Disbursement, the payment then due from the Borrowers in respect thereof and, in the case of a Revolving Facility Lender, such Lender's Revolving Facility Percentage thereof. Promptly following receipt of such notice, each Revolving Facility Lender with a Revolving Facility Commitment of the applicable Class shall pay to the Administrative Agent in Dollars, its Revolving Facility Percentage (as specified by the Administrative Agent to such Revolving Facility Lender at the time) of the payment then due from the Borrowers in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Revolving Facility Lenders), and the Administrative Agent shall promptly pay to the applicable Issuing Bank the amounts so received by it from the Revolving Facility Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrowers pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Revolving Facility Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Lenders in Dollars and such Issuing Bank as their interests may appear. Any payment made by a Revolving Facility Lender pursuant to this paragraph to reimburse an Issuing Bank for any L/C Disbursement (other than the funding of an ABR Revolving Loan as contemplated above) shall not constitute a Loan and shall not relieve the Borrowers of their obligation to reimburse such L/C Disbursement.

(f) Obligations Absolute. The obligation of the Borrowers to reimburse L/C Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein or herein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the applicable Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrowers' obligations hereunder. Neither the Administrative Agent, the Lenders nor any Issuing Bank, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of

such Issuing Bank, or any of the circumstances referred to in clauses (i), (ii) or (iii) of the first sentence; provided, that the foregoing shall not be construed to excuse the applicable Issuing Bank from liability to the Borrowers to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrowers to the extent permitted by applicable law) suffered by the Borrowers that are determined by a court of competent jurisdiction to have been caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the applicable Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, the applicable Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. The applicable Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Such Issuing Bank shall promptly notify the Administrative Agent and the Company by telephone (confirmed by electronic means) of any such demand for payment under a Letter of Credit and whether such Issuing Bank has made or will make a L/C Disbursement thereunder; provided, that any failure to give or delay in giving such notice shall not relieve the Borrowers of their obligations to reimburse such Issuing Bank and the Revolving Facility Lenders with respect to any such L/C Disbursement.

(h) Interim Interest. If an Issuing Bank shall make any L/C Disbursement, then, unless the Borrowers shall reimburse such L/C Disbursement in full on the date such L/C Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such L/C Disbursement is made to but excluding the date that the Borrowers reimburse such L/C Disbursement, at the rate per annum then applicable to ABR Revolving Loans of the applicable Class; provided, that, if such L/C Disbursement is not reimbursed by the Borrowers when due pursuant to paragraph (e) of this Section, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Facility Lender pursuant to paragraph (e) of this Section to reimburse such Issuing Bank shall be for the account of such Revolving Facility Lender to the extent of such payment.

(i) Replacement of an Issuing Bank. An Issuing Bank may be replaced at any time by written agreement among the Company, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement shall become effective, the Borrowers shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12. From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references

herein to the term “Issuing Bank” shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of such Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization. If any Event of Default shall occur and be continuing, (i) in the case of an Event of Default described in Section 8.01(h) or (i), on the Business Day or (ii) in the case of any other Event of Default, on the third Business Day, in each case, following the date on which the Company receives notice from the Administrative Agent (or, if the maturity of the Loans has been accelerated, Revolving Facility Lenders with Revolving L/C Exposure representing greater than 50% of the total Revolving L/C Exposure) demanding the deposit of cash collateral pursuant to this paragraph, the Borrowers shall deposit in an account with or at the direction of the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Lenders, an amount in cash in Dollars equal to the Revolving L/C Exposure as of such date plus any accrued and unpaid interest thereon; provided, that upon the occurrence of any Event of Default with respect to a Borrower described in clause (h) or (i) of Section 8.01, the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind. Each such deposit pursuant to this paragraph shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrowers under this Agreement. At any time that there shall exist a Defaulting Lender, within one Business Day following the written request of the Administrative Agent or any Issuing Bank (with a copy to the Administrative Agent) the Borrowers shall Cash Collateralize the Issuing Banks’ Fronting Exposure with respect to such Defaulting Lender (determined after giving effect to Section 2.22(a)(iv) and any Cash Collateral provided by such Defaulting Lender) in an amount not less than the Minimum Collateral Amount. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of (i) for so long as an Event of Default shall be continuing, the Administrative Agent and (ii) at any other time, the Company, in each case, in Permitted Investments and at the risk and expense of the Borrowers, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse each Issuing Bank for L/C Disbursements for which such Issuing Bank has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrowers for the Revolving L/C Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Facility Lenders with Revolving L/C Exposure representing greater than 50% of the total Revolving L/C Exposure), be applied to satisfy other obligations of the Borrowers under this Agreement. If the Borrowers are required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default or the existence of a Defaulting Lender, such amount (to the extent not applied as aforesaid) shall be returned to the Borrowers within three Business Days after all Events of Default have been cured or waived or the termination of the Defaulting Lender status, as applicable.

(k) Additional Issuing Banks. From time to time, the Company may by notice to the Administrative Agent designate up to six Lenders (in addition to the Issuing Banks as of the Restatement Effective Date) each of which agrees (in its sole discretion) to act in such capacity and is reasonably satisfactory to the Administrative Agent as an Issuing Bank. Each such additional Issuing Bank shall execute a counterpart of this Agreement upon the approval of the Administrative Agent (which approval shall not be unreasonably withheld) and shall thereafter be an Issuing Bank hereunder for all purposes.

(l) Reporting. Unless otherwise requested by the Administrative Agent, each Issuing Bank shall (i) provide to the Administrative Agent copies of any notice received from the Borrowers pursuant to Section 2.05(b) no later than the next Business Day after receipt thereof and (ii) report in writing to the Administrative Agent (A) on or prior to each Business Day on which such Issuing Bank expects to issue, amend or extend any Letter of Credit, the date of such issuance, amendment or extension, and the aggregate face amount of the Letters of Credit to be issued, amended or extended by it and outstanding after giving effect to such issuance, amendment or extension occurred (and whether the amount thereof changed), and such Issuing Bank shall be permitted to issue, amend or extend such Letter of Credit if the Administrative Agent shall not have advised such Issuing Bank that such issuance, amendment or extension would not be in conformity with the requirements of this Agreement, (B) on each Business Day on which such Issuing Bank makes any L/C Disbursement, the date of such L/C Disbursement and the amount and currency of such L/C Disbursement and (C) on any other Business Day, such other information with respect to the outstanding Letters of Credit issued by such Issuing Bank as the Administrative Agent shall reasonably request.

Section 2.06. Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 noon, Local Time (or, if later, two hours after the Borrowing Request has been delivered pursuant to Section 2.03) on the Business Day specified in the applicable Borrowing Request, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders; provided that each Lender with a Term A-1 Loan Commitment or Deferred Term A Loan Commitment shall, prior to making any proceeds of its Term A-1 Loans or Deferred Term A Loans, as applicable, available to the Administrative Agent as provided above, apply an amount of proceeds from the Term A-1 Loans or Deferred Term A Loans, as applicable, funded by such Lender that is equal to the principal amount, if any, of the "Term A Loans" of such Lender under the Original Credit Agreement immediately prior to the Restatement Effective Date (or, if less, the entire amount of the proceeds of such Lender's Term A-1 Loans or Deferred Term A Loans, as applicable, to be funded on the Restatement Effective Date) to repay a like principal amount of such Lender's Existing Loans on the Restatement Effective Date and shall only remit any positive excess proceeds from such Lender's Term A-1 Loans or Deferred Term A Loans, as applicable to the Administrative Agent as provided above. The Administrative Agent will make such Loans available to the Borrowers by promptly crediting the amounts so received, in like funds, to an account of the Borrowers designated by the Company in the applicable Borrowing Request; provided, that (i) ABR Revolving Loans made to finance the reimbursement of a L/C Disbursement and reimbursements as provided in Section 2.05(e) shall be remitted by the Administrative Agent to the applicable Issuing Bank and (ii) any proceeds of Term A-1 Loans or

Deferred Term A Loans received by the Administrative Agent on the Restatement Effective Date shall be applied by the Administrative Agent to prepay the Existing Loans of the Term A-1 Lenders and the Deferred Term A Lenders that are not otherwise repaid pursuant to the preceding sentence.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of the Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. In such event, if a Lender has not in fact made its share of the Borrowing available to the Administrative Agent, then the applicable Lender and the Borrowers severally agree to pay to the Administrative Agent forthwith on demand (without duplication) such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of (A) the NYFRB Rate and (B) a rate as reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrowers, the interest rate applicable to ABR Loans at such time. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in the Borrowing.

Section 2.07. Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in the Borrowing Request. Thereafter, the Company may elect to convert the Borrowing to a different Type or to continue the Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Company may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising the Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Company shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Company were requesting a Borrowing of the Type and in the applicable currency resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or electronic means to the Administrative Agent of a written Interest Election Request in the form of Exhibit E and signed by the Company.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be

specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Company shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Company fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless the Borrowing is repaid as provided herein, at the end of such Interest Period the Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the written request (including a request through electronic means) of the Required Lenders, so notifies the Company, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurocurrency Borrowing and (ii) unless repaid, each Eurocurrency Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

Section 2.08. Termination and Reduction of Commitments.

(a) Unless previously terminated, the Revolving Facility Commitments of each Class shall terminate on the applicable Revolving Facility Maturity Date for such Class. Unless previously terminated, the Term A-1 Loan Commitments and the Deferred Term A Loan Commitments shall terminate at 11:59 p.m., Local Time, on the Restatement Effective Date.

(b) The Company may at any time terminate, or from time to time reduce, the Commitments of any Class; provided, that (i) each reduction of the Commitments of any Class shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 (or, if less, the remaining amount of the Revolving Facility Commitments of such Class) and (ii) the Company shall not terminate or reduce the Revolving Facility Commitments of any Class if, after giving effect to any concurrent prepayment of the Revolving Facility Loans in accordance with Section 2.11, the Revolving Facility Credit Exposure of such Class would exceed the total Revolving Facility Commitments of such Class.

(c) The Company shall notify the Administrative Agent of any election to terminate or reduce the Commitments of any Class under paragraph (b) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each notice delivered by the Company pursuant to this Section shall be irrevocable; provided, that a notice of termination of the Revolving Facility Commitments delivered by the Company may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Company (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

(d) The Borrowers shall repay (including as contemplated by Section 2.06(a)) all outstanding Existing Loans of the Term A-1 Lenders and the Deferred Term A Lenders and all accrued interest and fees under the Original Credit Agreement to but excluding the Restatement Effective Date on the Restatement Effective Date.

Section 2.09. Repayment of Loans; Evidence of Debt.

(a) Each Borrower hereby jointly and severally unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Facility Lender the then unpaid principal amount of each Revolving Facility Loan on the Revolving Facility Maturity Date applicable to such Revolving Facility Loans and (ii) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.10.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Facility and Type thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note (a “Note”) in the applicable form set out in Exhibit L. In such event, the Borrowers shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent and reasonably acceptable to the Borrowers. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 10.04) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

Section 2.10. Repayment of Term Loans and Revolving Facility Loans.

(a) Subject to the other paragraphs of this Section:

(i) the Borrowers shall repay Term A Borrowings on the last day of each March, June, September and December of each year (commencing June 30, 2020) and on the Term A Loan Maturity Date or, if any such date is not a Business Day, on the next succeeding Business Day (each such date being referred to as a “Term A Loan Installment Date”), in an aggregate principal amount of the Term A Loans equal to (A) 1.25% of the aggregate principal amount of Existing Loans that were held by the Term A Lenders set forth on Schedule 2.01 and outstanding immediately after the Fourth Restatement Effective Date; provided that, with respect to any Term A Loan Installment Date following the Amendment No. 1 Effective Date, the amount of any such required payment shall be reduced by multiplying such amount by a fraction, (x) the numerator of which is the aggregate principal amount of Term A Loans outstanding on the Amendment No. 1 Effective Date immediately after giving effect to the conversion of all Converted Term A Loans on the Amendment No. 1 Effective Date and (y) the denominator of which is the aggregate principal amount of Term A Loans outstanding on the Amendment No. 1 Effective Date immediately prior to the conversion of all Converted Term A Loans on the Amendment No. 1 Effective Date, and (B) in the case of such payment due on the Term A Loan Maturity Date, an amount equal to the then unpaid principal amount of the Term A Loans outstanding;

(ii) the Borrowers shall repay Term A-1 Borrowings on each Term A Loan Installment Date, in an aggregate principal amount of the Term A-1 Loans equal to (A) for each Term A Loan Installment Date falling during the Deferral Period, \$0, (B) thereafter, 1.25% of the aggregate principal amount of Existing Loans that were held by the Term A-1 Lenders set forth on Schedule 2.01 and outstanding immediately after the Fourth Restatement Effective Date; provided that, with respect to any Term A Loan Installment Date following the Amendment No. 1 Effective Date, the amount of any such required payment shall be reduced by multiplying such amount by a fraction, (x) the numerator of which is the aggregate principal amount of Term A-1 Loans outstanding on the Amendment No. 1 Effective Date immediately after giving effect to the conversion of all Converted Term A-1 Loans on the Amendment No. 1 Effective Date and (y) the denominator of which is the aggregate principal amount of Term A-1 Loans outstanding on the Amendment No. 1 Effective Date immediately prior to the conversion of all Converted Term A-1 Loans on the Amendment No. 1 Effective Date and (C) in the case

of such payment due on the Term A Loan Maturity Date, an amount equal to the then unpaid principal amount of the Term A-1 Loans outstanding;

(iii) the Borrowers shall repay Term A-2 Borrowings on each Term A Loan Installment Date, in an aggregate principal amount of the Term A-2 Loans equal to (A) for each Term A Loan Installment Date falling prior to June 30, 2022, \$0, (B) on June 30, 2022 and thereafter, 1.470588% of the aggregate principal amount of the Term A-2 Loans outstanding on the Amendment No. 1 Effective Date and (C) in the case of such payment due on the Term A Loan Maturity Date, an amount equal to the then unpaid principal amount of the Term A-2 Loans outstanding;

(iv) the Borrowers shall repay Deferred Term A Borrowings on each Term A Loan Installment Date, in an aggregate principal amount of the Deferred Term A Loans equal to (A) for each Term A Loan Installment Date falling during the Deferral Period, \$0, (B) thereafter, 6.25% of the excess of (x) the aggregate principal amount of the Deferred Term A Loans outstanding immediately after the Restatement Effective Date over (y) the aggregate principal amount of the Converted Deferred Term A Loans, and (C) in the case of such payment due on the Term A Loan Maturity Date, an amount equal to the then unpaid principal amount of the Deferred Term A Loans outstanding;

(v) the Borrowers shall repay Deferred Term A-1 Borrowings on each Term A Loan Installment Date, in an aggregate principal amount of the Deferred Term A-1 Loans equal to (A) for each Term A Loan Installment Date falling prior to June 30, 2022, \$0, (B) on June 30, 2022 and thereafter, 6.25% of the principal amount of the Deferred Term A-1 Loans on the Amendment No. 1 Effective Date, and (C) in the case of such payment due on the Term A Loan Maturity Date, an amount equal to the then unpaid principal amount of the Deferred Term A-1 Loans outstanding;

(vi) in the event that any Incremental Term Loans are made on an Increased Amount Date, the Borrowers shall repay such Incremental Term Loans on the dates and in the amounts set forth in the Incremental Assumption Agreement (each such date being referred to as an “Incremental Term Loan Installment Date”);

(vii) in the event that any Refinancing Term Loans are made pursuant to Section 2.21(j), the applicable Borrower (or the relevant obligor) shall repay such Refinancing Term Loans on the dates and in the amounts set forth in the related Incremental Assumption Agreement (each such date being referred to as an “Other Term Loan Installment Date”); and

(viii) to the extent not previously paid, outstanding Term Loans shall be due and payable on the applicable Term Facility Maturity Date.

(b) To the extent not previously paid, outstanding Revolving Facility Loans of each Class shall be due and payable on the applicable Revolving Facility Maturity Date.

(c) Prepayment of the Loans from:

(i) any optional prepayments of the Term Loans pursuant to Section 2.11(a) shall be applied to the remaining installments of the Term Loans under the applicable Class or Classes as the Company may direct; and

(ii) all Net Proceeds pursuant to Section 2.11(b) shall be allocated among the Term Facilities, with the application thereof (A) to reduce in direct order amounts due on the next twelve succeeding Term Loan Installment Dates under the applicable Term Facilities as provided in paragraph (d) below, and (B) thereafter, to reduce on a pro rata basis (based on the amount of such amortization payments) the remaining scheduled amortization payments under the applicable Term Facilities; provided, that any Lender, at its option, may elect to decline any such prepayment (such declined amounts, the “Declined Proceeds”) of any Term Loan held by it if it shall give written notice to the Administrative Agent thereof by 11:00 A.M. Local Time at least three Business Days prior to the date of such prepayment (any such Lender, a “Declining Lender”). Any Declined Proceeds shall be offered to the Lenders not so declining such repayment on a pro rata basis; provided, that any such non-Declining Lender, at its option, may elect to decline any such prepayment with Declined Proceeds at the time and in the manner specified by the Administrative Agent. To the extent such non-declining Lenders elect to decline their pro rata share of such Declined Proceeds, any Declined Proceeds remaining thereafter on the date of any such prepayment shall instead be retained by the Borrowers for application for any purpose not prohibited by this Agreement.

(d) Any mandatory prepayment of Term Loans pursuant to Section 2.11(b) shall be applied so that the aggregate amount of such prepayment is allocated among the Term A Loans, Term A-1 Loans, Term A-2 Loans, Deferred Term A Loans, Deferred Term A-1 Loans, the Other Incremental Term Loans and the Refinancing Term Loans, if any, pro rata based on the aggregate principal amount of outstanding Term A Loans, Term A-1 Loans, Term A-2 Loans, Deferred Term A Loans, Deferred Term A-1 Loans Other Incremental Term Loans and Refinancing Term Loans, if any (unless, with respect to Other Incremental Term Loans or Refinancing Term Loans or the Incremental Assumption Agreement relating thereto does not so require). Prior to any repayment of any Loan under any Facility hereunder, the Company shall select the Borrowing or Borrowings under the applicable Facility to be repaid and shall notify the Administrative Agent by telephone (confirmed by electronic means) of such selection not later than 2:00 p.m., Local Time, (i) in the case of an ABR Borrowing, one Business Day before the scheduled date of such repayment and (ii) in the case of a Eurocurrency Borrowing, three Business Days before the scheduled date of such repayment, which notice shall be irrevocable except to the extent conditioned on a refinancing or other event. Each repayment of a Borrowing (x) in the case of the Revolving Facility of any Class, shall be applied to the Revolving Facility Loans included in the repaid Borrowing such that each Revolving Facility Lender receives its ratable share of such repayment (based upon the respective Revolving Facility Credit Exposure of the Revolving Facility Lenders of such Class at the time of such repayment) and (y) in all other cases, shall be applied ratably to the Loans included in the repaid Borrowing. Repayments of Loans (other than repayments of ABR Revolving Facility Borrowings that are not made in connection with the termination or permanent reduction of the applicable Revolving Facility Commitment) shall be accompanied by accrued interest on the amount repaid.

Section 2.11. Prepayment of Loans.

(a) Except as otherwise provided in any Incremental Assumption Agreement with respect to Incremental Term Loans, the Borrowers shall have the right at any time and from time to time to prepay any Loan in whole or in part, without premium or penalty (but subject to Section 2.16), in an aggregate principal amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum or, if less, the amount outstanding, subject to prior notice in accordance with Section 2.10(d).

(b) The Borrowers shall apply all Net Proceeds promptly upon receipt thereof to prepay Term Loans in accordance with paragraphs (c) and (d) of Section 2.10. Notwithstanding the foregoing, other than in the case of Net Proceeds of a sale or disposition of a Mortgaged Vessel described in Section 6.17(iv)(x), the Borrowers may use a portion of such Net Proceeds pursuant to clause (a) of the definition thereof to prepay or repurchase Pari Passu Senior Secured Notes to the extent any applicable Senior Secured Notes Indenture requires the Borrowers to prepay or make an offer to purchase such Pari Passu Senior Secured Notes with the proceeds of such Asset Sale, in each case in an amount not to exceed the product of (x) the amount of such Net Proceeds multiplied by (y) a fraction, the numerator of which is the outstanding principal amount of the Pari Passu Senior Secured Notes and with respect to which such a requirement to prepay or make an offer to purchase exists and the denominator of which is the sum of the outstanding principal amount of such Pari Passu Senior Secured Notes and the outstanding principal amount of Term Loans.

(c) [Reserved].

(d) In the event and on such occasion that the total Revolving Facility Credit Exposure of any Class exceeds the total Revolving Facility Commitments of such Class, the Borrowers shall prepay Revolving Facility Borrowings of such Class (or, if no such Borrowings are outstanding, deposit cash collateral in an account with the Administrative Agent pursuant to Section 2.05(j)) in an aggregate amount equal to such excess.

(e) In the event and on such occasion as the Revolving L/C Exposure exceeds the Letter of Credit Sublimit, the Borrowers shall deposit cash collateral in an account with the Administrative Agent pursuant to Section 2.05(j) in an amount equal to such excess.

Section 2.12. Fees.

(a) The Borrowers jointly and severally agree to pay to each Lender (other than any Defaulting Lender), through the Administrative Agent, on the date that is 10 Business Days after the last day of March, June, September and December in each year (commencing June 2013), and on the date on which the Revolving Facility Commitments of all the Lenders shall be terminated as provided herein, a commitment fee (a “**Commitment Fee**”) on the daily amount of the applicable Available Unused Commitment of such Lender during the preceding quarter (or other period commencing with the Closing Date or ending with the date on which the last of the Commitments of such Lender shall be terminated) at a rate equal to the Applicable Commitment Fee. All Commitment Fees shall be computed on the basis of the actual number of days elapsed in a year of 360 days. The Commitment Fee due to each Lender shall commence to accrue on

the Closing Date and shall cease to accrue on the date on which the last of the Commitments of such Lender shall be terminated as provided herein.

(b) The Borrowers jointly and severally from time to time agree to pay (i) to each Revolving Facility Lender of each Class (other than any Defaulting Lender), through the Administrative Agent, on the last Business Day of March, June, September and December of each year (commencing June 2013) and on the Revolving Facility Maturity Date (or such other date on which the Revolving Facility Commitments of all the Lenders shall be terminated as provided herein), a fee (an “L/C Participation Fee”) on such Lender’s Revolving Facility Percentage of the daily aggregate Revolving L/C Exposure (excluding the portion thereof attributable to unreimbursed L/C Disbursements) of such Class, during the preceding quarter (or shorter period commencing with the Closing Date or ending with the applicable Revolving Facility Maturity Date or the date on which the Revolving Facility Commitments of such Class shall be terminated) at the rate per annum equal to (x) in the case of participations that are attributable to Revolving Facility A Commitments, the Applicable Margin for Eurocurrency Revolving Facility A Loans effective for each day in such period and (y) in the case of participations that are attributable to Revolving Facility B Commitments, the Applicable Margin for Eurocurrency Revolving Facility B Loans effective for each day in such period, and (ii) to each Issuing Bank, for its own account (x) on the last Business Day of March, June, September and December of each year (commencing June 2013) and on the Revolving Facility Maturity Date (or such other date on which the Revolving Facility Commitments of all the Lenders shall be terminated), a fronting fee in respect of each Letter of Credit issued by such Issuing Bank for the period from and including the date of issuance of such Letter of Credit to and including the termination of such Letter of Credit, computed at a rate equal to 0.125% per annum of the daily average stated amount of such Letter of Credit, plus (y) in connection with the issuance, amendment or transfer of any such Letter of Credit or any L/C Disbursement thereunder, such Issuing Bank’s customary documentary and processing fees and charges (collectively, “Issuing Bank Fees”). All L/C Participation Fees and Issuing Bank Fees that are payable on a per annum basis shall be computed on the basis of the actual number of days elapsed in a year of 360 days.

(c) The Borrowers jointly and severally agree to pay to the Administrative Agent, for the accounts of the Administrative Agent and the Collateral Agent, the agency fees set forth in any fee letters entered into between the Agents and any Borrower relating to such fees as such letters may be amended, restated, supplemented or otherwise modified from time to time, at the times specified therein (the fees payable to the Administrative Agent being the “Administrative Agent Fees,” and the fees payable to the Collateral Agent being the “Collateral Agent Fees”) (it being understood that this Agreement shall constitute the “Credit Agreement” for purposes of the Administrative Agent Fee Letter dated as of November 6, 2014, by and between the Company and the Administrative Agent, notwithstanding the occurrence of the transactions occurring on the Restatement Effective Date).

(d) [Reserved].

(e) [Reserved].

(f) All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders, except that Issuing Bank Fees shall be paid directly to the applicable Issuing Banks. Once paid, none of the Fees shall be refundable under any circumstances.

Section 2.13. Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at the ABR plus the Applicable Margin.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any Fees or other amount payable by the Borrowers hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section; provided, that this paragraph (c) shall not apply to any Event of Default that has been waived by the Lenders pursuant to Section 10.08.

(d) Accrued interest on each Loan shall be payable in arrears (i) on each Interest Payment Date for such Loan, (ii) in the case of Revolving Facility Loans, upon termination of the applicable Revolving Facility Commitments and (iii) in the case of the Term Loans, on the applicable Term Facility Maturity Date; provided, that (A) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (B) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (C) in the event of any conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the ABR at times when the ABR is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable ABR or Adjusted LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Section 2.14. Alternate Rate of Interest.

(a) If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for

ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable (including, without limitation, because the LIBO Screen Rate is not available or published on a current basis), for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders or the Majority Lenders under the Revolving Facility of any Class that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrowers and the Lenders by telephone or electronic means as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrowers and the Lenders that the circumstances giving rise to such notice no longer exist, (A) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and such Borrowing shall be converted to or continued as on the last day of the Interest Period applicable thereto an ABR Borrowing and (B) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in clause (a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) have not arisen but either (w) the supervisor for the administrator of the LIBO Screen Rate has made a public statement that the administrator of the LIBO Screen Rate is insolvent (and there is no successor administrator that will continue publication of the LIBO Screen Rate), (x) the administrator of the LIBO Screen Rate has made a public statement identifying a specific date after which the LIBO Screen Rate will permanently or indefinitely cease to be published by it (and there is no successor administrator that will continue publication of the LIBO Screen Rate), (y) the supervisor for the administrator of the LIBO Screen Rate has made a public statement identifying a specific date after which the LIBO Screen Rate will permanently or indefinitely cease to be published or (z) the supervisor for the administrator of the LIBO Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Screen Rate shall no longer be published or used for determining interest rates for loans, then (A) if the Administrative Agent and the Borrowers reasonably determine that there exists a then prevailing market convention for determining a reference rate of interest for syndicated loans in the United States as the successor to interest rates based on the LIBO Screen Rate, the Administrative Agent and the Borrowers shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Margin), or (B) if the Administrative Agent and the Borrowers are unable to reasonably determine that a then prevailing market convention for determining a rate of interest for syndicated loans in the United States as the successor to interest rates based on the LIBO Rate does exist, the Administrative Agent and the Borrowers shall enter into an amendment to this Agreement to reflect an alternate rate of interest and such other related changes to this Agreement as may be applicable, in each case that are acceptable to the Borrowers and the Administrative Agent (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable

Margin); provided that, if such alternate rate of interest as so determined would be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement. Notwithstanding anything to the contrary in Section 10.08, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date such amendment is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders (acting reasonably) object to such amendment. Until an alternate rate of interest shall be determined in accordance with this clause (b) (but, in the case of the circumstances described in clause (ii)(w), clause (ii)(x) or clause (ii)(y) of the first sentence of this Section 2.14(b), only to the extent the LIBO Screen Rate for such Interest Period is not available or published at such time on a current basis), (x) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and (y) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

Section 2.15. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate) or Issuing Bank; or

(ii) impose on any Lender or Issuing Bank or the London interbank market any other condition affecting this Agreement or Eurocurrency Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Lender or Issuing Bank to any Tax with respect to any Loan Document or any Eurocurrency Loan or Letter of Credit thereunder (other than (i) Taxes indemnifiable under Section 2.17, or (ii) Excluded Taxes),

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder (whether of principal, interest or otherwise), then the Borrowers will pay to such Lender or Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or Issuing Bank, as applicable, for such additional costs incurred or reduction suffered.

(b) If any Lender or Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or

such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy or liquidity), then from time to time the Borrowers shall pay to such Lender or such Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender or Issuing Bank, as applicable, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Promptly after any Lender or any Issuing Bank has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender or Issuing Bank shall notify the Borrowers thereof. Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation; provided, that the Borrowers shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or Issuing Bank, as applicable, notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Bank's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrowers pursuant to Section 2.19, then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to be the amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a Eurocurrency Loan, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in Dollars of a comparable amount and period from other banks in the Eurocurrency market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 shall be delivered to the Borrowers and shall be

conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 2.17. Taxes.

(a) Any and all payments made by or on behalf of any Loan Party hereunder or under any other Loan Document shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes; provided that if an applicable Withholding Agent shall be required by law to deduct or withhold any Taxes from such payments, then (i) the applicable Withholding Agent shall make such deductions or withholdings as are reasonably determined by the applicable Withholding Agent to be required by any applicable law, (ii) the applicable Withholding Agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority within the time allowed and in accordance with applicable law, and (iii) to the extent withholding or deduction is required to be made on account of Indemnified Taxes or Other Taxes, the sum payable by the Loan Party shall be increased as necessary so that after all required deductions and withholdings have been made (including deductions or withholdings applicable to additional sums payable under this Section 2.17) the applicable Lender (or, in the case of a payment made to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions or withholdings been made.

(b) In addition, the Loan Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Each Loan Party shall indemnify and hold harmless the Administrative Agent and each Lender, within 15 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes imposed on the Administrative Agent or such Lender, as the case may be (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17), and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrowers by a Lender or the Administrative Agent (as applicable) on its own behalf or on behalf of a Lender shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Taxes by a Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Each Lender shall deliver to the Borrowers and the Administrative Agent, at such time or times reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law and such other reasonably requested information as will permit the Borrowers or the Administrative Agent, as the case may be, to determine (i) whether or not any payments made hereunder or under any other Loan Document are subject to Taxes, (ii) if applicable, the required rate of withholding or deduction,

and (iii) such Lender's entitlement to any available exemption from, or reduction of, applicable Taxes in respect of any payments to be made to such Lender by any Loan Party pursuant to any Loan Document or otherwise to establish such Lender's status for withholding tax purposes in the applicable jurisdiction. In addition, any Lender, if requested by the Borrowers or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

Without limiting the generality of Section 2.17(e), each Foreign Lender with respect to any Loan made to the Borrowers shall, to the extent it is legally eligible to do so:

(1) deliver to the Borrowers and the Administrative Agent, prior to the date on which the first payment to the Foreign Lender is due hereunder, two copies of (A) in the case of a Foreign Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest," United States Internal Revenue Service Form W-8BEN or W-8BEN-E (or any applicable successor form) (together with a certificate substantially in the form of Exhibit O-1 - Exhibit O-4 as appropriate (a "Non-Bank Tax Certificate")), (B) Internal Revenue Service Form W-8BEN, W-8BEN-E, or Form W-8ECI (or any applicable successor form), in each case properly completed and duly executed by such Foreign Lender claiming complete exemption from, or reduced rate of, U.S. federal withholding tax on payments by the Borrowers under this Agreement, (C) Internal Revenue Service Form W-8IMY (or any applicable successor form) and all necessary attachments (including the forms described in clauses (A) and (B) above; provided that if the Foreign Lender is a partnership and not a participating Lender, and one or more of the partners is claiming portfolio interest treatment, the Non-Bank Tax Certificate may be provided by such Foreign Lender on behalf of such partners) or (D) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrowers or Withholding Agent to determine the withholding or deduction required to be made; and

(2) deliver to the Borrowers and the Administrative Agent two further copies of any such form or certification (or any applicable successor form) on or before the date that any such form or certification expires or becomes obsolete or invalid, after the occurrence of any event requiring a change in the most recent form previously delivered by it to the Borrowers and the Administrative Agent, and from time to time thereafter if reasonably requested by the Borrowers or the Administrative Agent.

Any Foreign Lender that becomes legally ineligible to update any form or certification previously delivered shall promptly notify the Borrowers and the Administrative Agent in writing of such Foreign Lender's inability to do so.

If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of

the Code, as applicable), such Lender shall deliver to the Borrowers and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their FATCA obligations, to determine whether such Lender has or has not complied with such Lender's FATCA obligations and, if necessary, to determine the amount to deduct and withhold from such payment.

Each person that shall become a Participant pursuant to Section 10.04 or a Lender pursuant to Section 10.04 shall, upon the effectiveness of the related transfer, be required to provide all the forms and statements required pursuant to this Section 2.17(e); provided that in the case of a Participant such Participant shall furnish all such required forms and statements to the person from which the related participation shall have been purchased.

In addition, to the extent it is legally eligible to do so, each Administrative Agent shall deliver to the Borrowers (x)(I) prior to the date on which the first payment by the Borrowers is due hereunder or (II) prior to the first date on or after the date on which such Agent becomes a successor Agent pursuant to Section 9.09 on which payment by the Borrowers is due hereunder, as applicable, two copies of a properly completed and executed an IRS Form W-9 certifying its exemption from U.S. Federal backup withholding or a properly completed and executed applicable IRS Form W-8 certifying its non-U.S. status and its entitlement to any applicable treaty benefits, and (y) on or before the date on which any such previously delivered documentation expires or becomes obsolete or invalid, after the occurrence of any event requiring a change in the most recent documentation previously delivered by it to the Borrowers, and from time to time if reasonably requested by the Borrowers, two further copies of such documentation.

(f) If the Administrative Agent or a Lender determines, in its sole discretion, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.17 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund) as is determined by the Administrative Agent or Lender in good faith and in its sole discretion, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay as soon as reasonably practicable the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. In such event, such Lender or Administrative Agent, as the case may be, shall, at the Loan Party's request, provide the Loan Party with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant Governmental Authority (provided that such Lender or Administrative Agent may

delete any information therein that it deems confidential). A Lender or Administrative Agent shall claim any refund that it determines is available to it, unless it concludes in its sole discretion that it would be adversely affected by making such a claim. This Section 2.17(f) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems, in good faith and in its sole discretion, to be confidential) to the Loan Parties or any other person.

(g) If the Borrowers determine that a reasonable basis exists for contesting an Indemnified Tax or Other Tax for which a Loan Party has paid additional amounts as indemnification payments, each affected Lender or Administrative Agent, as the case may be, shall use reasonable efforts to cooperate with the Borrowers as the Borrowers may reasonably request in challenging such Tax. The Borrowers shall jointly and severally indemnify and hold each Lender and Administrative Agent harmless against any out-of-pocket expenses incurred by such person in connection with any request made by the Borrowers pursuant to this Section 2.17(g). Nothing in this Section 2.17(g) shall obligate any Lender or Administrative Agent to take any action that such person, in its sole judgment, determines may result in a material detriment to such person.

(h) For purposes of this Section 2.17, the term “Lender” includes any Issuing Bank.

(i) Solely for purposes of determining withholding Tax imposed under FATCA, from and after the Restatement Effective Date, the Borrowers and the Administrative Agent shall treat (and the Lenders hereby authorize the Administrative Agent to treat) the Loans (including any Loans already outstanding) as not qualifying as “grandfathered obligations” within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

Section 2.18. Payments Generally; Pro Rata Treatment; Sharing of Set offs.

(a) Unless otherwise specified, each Borrower shall make each payment required to be made by it hereunder (whether of principal, interest or, fees or reimbursement of L/C Disbursements, or of amounts payable under Sections 2.15, 2.16 or 2.17, or otherwise) prior to 2:00 p.m., Local Time, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrowers by the Administrative Agent, except payments to be made directly to the applicable Issuing Bank as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16 or 2.17 and 10.05 shall be made directly to the persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments made under the Loan Documents shall be made in Dollars. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such

payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) If at any time insufficient funds are received by and available to the Administrative Agent from the Borrowers to pay fully all amounts of principal, unreimbursed L/C Disbursements, interest and fees then due from the Borrowers hereunder, such funds shall be applied (i) *first*, towards payment of interest and fees then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, (ii) *second*, towards payment of unreimbursed L/C Disbursements then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed L/C Disbursements then due to such parties, and (iii) *third*, towards payment of principal then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Term Loans, Revolving Facility Loans or participations in L/C Disbursements resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Term Loans, Revolving Facility Loans and participations in L/C Disbursements and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Term Loans, Revolving Facility Loans and participations in L/C Disbursements of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Term Loans, Revolving Facility Loans and participations in L/C Disbursements; provided, that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph (c) shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in L/C Disbursements to any assignee or participant, other than to the Company or any Subsidiary thereof (as to which the provisions of this paragraph (c) shall apply unless the assignment is pursuant to a Permitted Loan Purchase). Each Borrower consents to the foregoing and agrees, to the extent they may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrowers prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the applicable Issuing Bank hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the applicable Issuing Bank, as applicable, the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders or the applicable Issuing Bank, as applicable, severally agrees to repay to the Administrative Agent forthwith on

demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to 2.05(d) or (e), 2.06(b) or 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

Section 2.19. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.15, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or if any Lender is a Defaulting Lender, then the Borrowers may, at their sole expense and effort, upon notice from the Borrowers to such Lender and the Administrative Agent, require any such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 10.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrowers shall have received the prior written consent of the Administrative Agent (and, if in respect of any Revolving Facility Commitment or Revolving Facility Loan and the Issuing Banks), which consent, in each case, shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in L/C Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrowers may have against any Lender that is a Defaulting Lender.

(c) If any Lender (such Lender, a "Non-Consenting Lender") has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of

Section 10.08 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then the Borrowers shall have the right (unless such Non-Consenting Lender grants such consent) at its sole expense (including with respect to the processing and recordation fee referred to in Section 10.04(b)(ii)(B)), to replace such Non-Consenting Lender by requiring such Non-Consenting Lender to (and any such Non-Consenting Lender agrees that it shall, upon the Borrowers' request) assign its Loans and its Commitments (or, at the Borrowers' option, the Loans and Commitments under the Facility that is the subject of the proposed amendment, waiver, discharge or termination) hereunder to one or more assignees (except as expressly set forth in the proviso below, in accordance with and subject to the restrictions contained in Section 10.04) reasonably acceptable to (i) the Administrative Agent (unless, in the case of an assignment of Term Loans, such assignee is a Lender, an Affiliate of a Lender or an Approved Fund) and (ii) if in respect of any Revolving Facility Commitment or Revolving Facility Loan, the Issuing Banks; provided that: (a) all Obligations of the Borrowers owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment, (b) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon and (c) the replacement Lender shall grant its consent with respect to the applicable proposed amendment, waiver, discharge or termination. In connection with any such assignment the Borrowers, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 10.04; provided, that if such Non-Consenting Lender does not comply with Section 10.04 within three Business Days after Borrowers' request, compliance with Section 10.04 shall not be required to effect such assignment.

Section 2.20. Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable lending office to make or maintain any Eurocurrency Loans, then, on notice thereof by such Lender to the Borrowers through the Administrative Agent, any obligations of such Lender to make or continue Eurocurrency Loans or to convert ABR Borrowings to Eurocurrency Borrowings shall be suspended until such Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers shall upon demand from such Lender (with a copy to the Administrative Agent), either prepay or convert all Eurocurrency Borrowings of such Lender to ABR Borrowings, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted.

Section 2.21. Incremental Commitments.

(a) Except during a Covenant Relief Period, the Borrowers may, by written notice to the Administrative Agent from time to time after the Restatement Effective Date, request Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments, as applicable, in an amount not to exceed the Incremental Amount from one or more Incremental Term Lenders and/or Incremental Revolving Facility Lenders (which may include any existing Lender) willing to provide such Incremental Term Loans and/or Incremental Revolving Facility

Commitments, as the case may be, in their own discretion; provided, that each Incremental Revolving Facility Lender shall be subject to the approval of the Administrative Agent (which approval shall not be unreasonably withheld) unless such Incremental Revolving Facility Lender is a Lender, an Affiliate of a Lender or an Approved Fund. Such notice shall set forth (i) the amount of the Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments being requested (which shall be in minimum increments of \$5,000,000 and a minimum amount of \$25,000,000 or equal to the remaining Incremental Amount), (ii) the date on which such Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments are requested to become effective (the “Increased Amount Date”), (iii) in the case of Incremental Revolving Facility Commitments, whether such Incremental Revolving Facility Commitments are to be commitments to make revolving loans with pricing and amortization terms identical to an existing Class of Revolving Facility Loans (which may be part of such existing Class) or commitments to make revolving loans with pricing and/or amortization terms different from all existing Classes of Revolving Facility Loans (“Other Incremental Revolving Loans”), and (iv) in the case of Incremental Term Loan Commitments, whether such Incremental Term Loan Commitments are to be commitments to make term loans with pricing (other than upfront fees or original issue discount) and amortization terms identical to the Term A Loans, Term A-1 Loans or Term A-2 Loans (which may be part of the applicable existing Class) or commitments to make term loans with pricing and amortization terms different from the Term A Loans, Term A-1 Loans or Term A-2 Loans (“Other Incremental Term Loans”).

(b) The Borrowers and each Incremental Term Lender and/or Incremental Revolving Facility Lender shall execute and deliver to the Administrative Agent an Incremental Assumption Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the Incremental Term Loan Commitment of such Incremental Term Lender and/or Incremental Revolving Facility Commitment of such Incremental Revolving Facility Lender. Each Incremental Assumption Agreement shall specify the terms of the applicable Incremental Term Loans and/or Incremental Revolving Facility Commitments; provided, that (i) the Other Incremental Term Loans shall rank pari passu or junior in right of payment and of security with each existing Class of Loans, (ii) the final maturity date of any Other Incremental Term Loans shall be no earlier than the date specified in clause (a) of the definition of Term Facility Maturity Date and, except as to pricing, amortization, call premiums, call protection and final maturity date, shall have (x) the same terms as the applicable Class of then outstanding Term Loans; provided that, with the consent of the Borrowers, the Incremental Assumption Agreement with respect to any Other Incremental Term Loans constituting Acquisition Loans may provide for additional mandatory prepayment requirements so long as any such additional mandatory prepayment requirement applies on at least a pro rata basis to all then outstanding Classes of Term Loans or (y) such other terms (including as to guarantees and collateral) as shall be reasonably satisfactory to the Administrative Agent, (iii) the weighted average life to maturity of any Other Incremental Term Loans shall be no shorter than the remaining weighted average life to maturity of any of the Term A Loans, Term A-1 Loans and Term A-2 Loans, (iv) the Other Incremental Revolving Loans shall rank pari passu in right of payment and of security with the Revolving Facility Loans, (v) the final maturity date of any Other Incremental Revolving Loans shall be no earlier than the Revolving Facility Maturity Date and, except as to pricing, amortization and final maturity date and the matters addressed by clause (iv) above, shall have (x) the same terms as the Revolving Facility Loans or (y) such other terms (including as to guarantees and collateral) as shall be reasonably satisfactory to the

Administrative Agent, (vi) the weighted average life to maturity of any Other Incremental Revolving Loans shall be no shorter than the remaining weighted average life to maturity of any other Class of Revolving Facility Loans and (vii) the Other Incremental Revolving Loans and the Other Incremental Term Loans shall be denominated in Dollars and borrowed by the Borrowers. Each of the parties hereto hereby agrees that, (i) upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments evidenced thereby as provided for Section 10.08(e). Any amendment to this Agreement or any other Loan Document that is necessary to effect the provisions of this Section 2.21 and any such collateral and other documentation shall be deemed "Loan Documents" hereunder and may be memorialized in writing by the Administrative Agent with the Borrowers' consent (not to be unreasonably withheld) and furnished to the other parties hereto.

(c) Notwithstanding the foregoing, no Incremental Term Loan Commitment or Incremental Revolving Facility Commitment shall become effective under this Section 2.21 unless (i) on the date of such effectiveness, the conditions set forth in paragraphs (b) and (c) of Section 4.01 shall be satisfied and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Responsible Officer of the Company, (ii) the Administrative Agent shall have received customary legal opinions, board resolutions and other customary closing certificates and documentation as required by the relevant Incremental Assumption Agreement and, to the extent required by the Administrative Agent, consistent with those delivered on the Closing Date and such additional customary documents and filings (including amendments to the Vessel Mortgages and other Security Documents) as the Administrative Agent may reasonably require to assure that the Incremental Term Loans and/or Revolving Facility Loans in respect of Incremental Revolving Facility Commitments are secured by the Collateral ratably with (or, to the extent agreed by the applicable Incremental Term Lenders and/or the applicable Incremental Revolving Facility Lenders in the applicable Incremental Assumption Agreement, junior to) one or more Classes of then-existing Term Loans and Revolving Facility Loans and (iii) the Company shall be in Pro Forma Compliance after giving effect to such Incremental Term Loan Commitment and/or Incremental Revolving Facility Commitments and the Loans to be made thereunder and the application of the proceeds therefrom as if made and applied on such date (provided that, to the extent such Incremental Term Loan Commitment or Incremental Revolving Facility Commitment is established to finance any Permitted Business Acquisition or any other acquisition that is permitted by this Agreement, at the Company's election, the date of determination of Pro Forma Compliance shall be deemed to be the date the definitive agreements for such Permitted Business Acquisition or such other acquisition that is permitted by this Agreement are entered into).

(d) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be reasonably necessary to ensure that (i) all Incremental Term Loans (other than Other Incremental Term Loans), when originally made, are included in each outstanding Borrowing of the applicable Class of Term Loans on a pro rata basis, and (ii) all Revolving Facility Loans in respect of Incremental Revolving Facility Commitments (other than Other Incremental Revolving Loans), when originally made, are included in each outstanding Borrowing of the applicable Class of Revolving Facility Loans on a pro rata basis. The

Borrowers agree that Section 2.16 shall apply to any conversion of Eurocurrency Loans to ABR Loans reasonably required by the Administrative Agent to effect the foregoing.

(e) Notwithstanding anything to the contrary in Section 2.18(c) (which provisions shall not be applicable to clauses (e) through (i) of this Section 2.21), pursuant to one or more offers made from time to time by the Borrowers to all Lenders of any Class of Term Loans and/or Revolving Facility Commitments, on a pro rata basis (based, in the case of an offer to the Lenders under any Class of Term Loans, on the aggregate outstanding Term Loans of such Class and, in the case of an offer to the Lenders under any Revolving Facility, on the aggregate outstanding Revolving Facility Commitments under such Revolving Facility, as applicable) and on the same terms ("Pro Rata Extension Offers"), the Borrowers are hereby permitted to consummate transactions with individual Lenders from time to time to extend the maturity date of such Lender's Loans and/or Commitments of such Class and to otherwise modify the terms of such Lender's Loans and/or Commitments of such Class pursuant to the terms of the relevant Pro Rata Extension Offer (including without limitation increasing the interest rate or fees payable in respect of such Lender's Loans and/or Commitments and/or modifying the amortization schedule in respect of such Lender's Loans). Any such extension (an "Extension") agreed to between the Borrowers and any such Lender (an "Extending Lender") will be established under this Agreement by implementing an Incremental Term Loan for such Lender (if such Lender is extending an existing Term Loan (such extended Term Loan, an "Extended Term Loan")) or an Incremental Revolving Facility Commitment for such Lender (if such Lender is extending an existing Revolving Facility Commitment (such extended Revolving Facility Commitment, an "Extended Revolving Facility Commitment")).

(f) The Borrowers and each Extending Lender shall execute and deliver to the Administrative Agent an Incremental Assumption Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the Extended Term Loans and/or Extended Revolving Facility Commitments of such Extending Lender. Each Incremental Assumption Agreement shall specify the terms of the applicable Extended Term Loans and/or Extended Revolving Facility Commitments; provided that (i) except as to interest rates, fees, amortization, call premiums, call protection, final maturity date and participation in prepayments (which shall, subject to clauses (ii) through (v) of this proviso, be determined by the Borrowers and set forth in the Pro Rata Extension Offer), the Extended Term Loans shall have (x) the same terms as the Term A Loans, Term A-1 Loans or Term A-2 Loans, or (y) such other terms as shall be reasonably satisfactory to the Administrative Agent, (ii) the final maturity date of any Extended Term Loans shall be no earlier than the latest Term Facility Maturity Date in effect on the date of incurrence, (iii) the weighted average life to maturity of any Extended Term Loans shall be no shorter than the remaining weighted average life to maturity of the Class of Term Loans to which such offer relates, (iv) except as to interest rates, fees and final maturity and the matters addressed by Section 2.21(b)(iv) (which shall be determined by the Borrowers and set forth in the Pro Rata Extension Offer), any Extended Revolving Facility Commitment shall have (x) the same terms as the existing Revolving Facility Commitments or (y) have such other terms as shall be reasonably satisfactory to the Administrative Agent, and (v) any Extended Term Loans and/or Extended Revolving Facility Commitments may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any voluntary or mandatory repayments or prepayments hereunder. Upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to

reflect the existence and terms of the Extended Term Loans and/or Extended Revolving Facility Commitments evidenced thereby as provided for in Section 10.08(e). Any such deemed amendment may be memorialized in writing by the Administrative Agent with the Borrowers' consent (not to be unreasonably withheld) and furnished to the other parties hereto. If provided in any Incremental Assumption Agreement with respect to any Extended Revolving Facility Commitments, and with the consent of each Issuing Bank, participations in Letters of Credit shall be reallocated to lenders holding such Extended Revolving Facility Commitments in the manner specified in such Incremental Assumption Agreement, including upon effectiveness of such Extended Revolving Facility Commitment or upon or prior to the maturity date for any Class of Revolving Facility Commitment.

(g) Upon the effectiveness of any such Extension, the applicable Extending Lender's Term Loan will be automatically designated an Extended Term Loan and/or such Extending Lender's Revolving Facility Commitment will be automatically designated an Extended Revolving Facility Commitment. For purposes of this Agreement and the other Loan Documents, (i) if such Extending Lender is extending a Term Loan, such Extending Lender will be deemed to have an Incremental Term Loan having the terms of such Extended Term Loan and (ii) if such Extending Lender is extending a Revolving Facility Commitment, such Extending Lender will be deemed to have an Incremental Revolving Facility Commitment having the terms of such Extended Revolving Facility Commitment.

(h) Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including without limitation this Section 2.21), (i) the aggregate amount of Extended Term Loans and Extended Revolving Facility Commitments will not be included in the calculation of the Incremental Amount, (ii) no Extended Term Loan or Extended Revolving Facility Commitment is required to be in any minimum amount or any minimum increment, (iii) any Extending Lender may extend all or any portion of its Term Loans and/or Revolving Facility Commitments pursuant to one or more Pro Rata Extension Offers (subject to applicable proration in the case of over participation) (including the extension of any Extended Term Loan and/or Extended Revolving Facility Commitment), (iv) there shall be no condition to any Extension of any Loan or Commitment at any time or from time to time other than compliance with Section 2.21(e) through (i) and notice to the Administrative Agent of such Extension and the terms of the Extended Term Loan or Extended Revolving Facility Commitment implemented thereby, (v) all Extended Term Loans, Extended Revolving Facility Commitments and all obligations in respect thereof shall be Obligations of the relevant Loan Parties under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other Obligations of the relevant Loan Parties under this Agreement and the other Loan Documents and (vi) no Issuing Bank shall be obligated to issue Letters of Credit under such Extended Revolving Facility Commitments unless it shall have consented thereto.

(i) Each Extension shall be consummated pursuant to procedures set forth in the associated Pro Rata Extension Offer; provided that the Borrowers shall cooperate with the Administrative Agent prior to making any Pro Rata Extension Offer to establish reasonable procedures with respect to mechanical provisions relating to such Extension, including, without limitation, timing, rounding and other adjustments.

(j) Notwithstanding anything to the contrary in Section 2.18(c) (which provisions shall not be applicable to clause (j) through (o) of this Section 2.21), the Borrowers may by written notice to the Administrative Agent establish one or more additional tranches of term loans under this Agreement (“Refinancing Term Loans”), the Net Proceeds of which are used to repay Term Loans of the same Class. Each such notice shall specify the date (each, a “Refinancing Effective Date”) on which the Borrowers propose that the Refinancing Term Loans shall be made, which shall be a date not less than five Business Days after the date on which such notice is delivered to the Administrative Agent; provided that: (i) before and after giving effect to the borrowing of such Refinancing Term Loans on the Refinancing Effective Date each of the conditions set forth in Section 4.01 shall be satisfied; (ii) the weighted average life to maturity of such Refinancing Term Loans shall be no shorter than the then-remaining weighted average life to maturity of the refinanced Term Loans; (iii) the aggregate principal amount of the Refinancing Term Loans shall not exceed the outstanding principal amount of the refinanced Term Loans plus amounts used to pay fees and expenses; and (iv) all other terms applicable to such Refinancing Term Loans (other than provisions relating to original issue discount, upfront fees, interest rates and final maturity which shall be as agreed between the Borrowers and the Lenders providing such Refinancing Term Loans) shall be substantially similar to, or less favorable to the Lenders providing such Refinancing Term Loans than, those applicable to the refinanced Term Loans except to the extent such covenants and other terms apply solely to any period after the date specified in clause (a) of the definition of the Term Facility Maturity Date. In addition, notwithstanding the foregoing, the Borrowers may establish Refinancing Term Loans to refinance and/or replace all or any portion of a Revolving Facility Commitment (regardless of whether Revolving Facility Loans are outstanding under such Revolving Facility Commitments at the time of incurrence of such Refinancing Term Loans), so long as (i) the aggregate amount of such Refinancing Term Loans does not exceed the aggregate amount of Revolving Facility Commitments terminated at the time of incurrence thereof, (ii) if the Revolving Facility Credit Exposure outstanding on the Refinancing Effective Date would exceed the aggregate amount of Revolving Facility Commitments outstanding in each case after giving effect to the termination of such Revolving Facility Commitments, the Borrowers shall take one or more actions such that such Revolving Facility Credit Exposure does not exceed such aggregate amount of Revolving Facility Commitments in effect on the Refinancing Effective Date after giving effect to the termination of such Revolving Facility Commitments (it being understood that such (x) Refinancing Term Loans may be provided by the Lenders holding the Revolving Facility Commitments being terminated and/or by any other person that would be a permitted Assignee hereunder and (y) the proceeds of such Refinancing Term Loans shall not constitute Net Proceeds hereunder), (iii) before and after giving effect to the borrowing of such Refinancing Term Loans on the Refinancing Effective Date, each of the conditions set forth in Section 4.01 shall be satisfied, (iv) the weighted average life to maturity of the Refinancing Term Loans shall be no shorter than the remaining life to termination of the terminated Revolving Facility Commitments, (v) the final maturity of the Refinancing Term Loans shall be no earlier than the termination date of the terminated Revolving Facility Commitments and (vi) the other terms applicable to such Refinancing Term Loans (other than provisions relating to upfront fees and interest rates, which shall be as agreed between the Borrowers and the Lenders providing such Refinancing Term Loans), shall be substantially similar to, or less favorable to the Lenders providing such Refinancing Term Loans than, those applicable to the terminated Revolving

Facility Commitments except to the extent such covenants and other terms apply solely to any period after the date specified in clause (a) of the definition of Term Facility Maturity Date.

(k) The Borrowers may approach any Lender or any other person that would be a permitted Assignee pursuant to Section 10.04 to provide all or a portion of the Refinancing Term Loans; provided that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated an additional Class of Term Loans for all purposes of this Agreement; provided that any Refinancing Term Loans may, to the extent provided in the applicable Incremental Assumption Agreement, be designated as an increase in any previously established Class of Term Loans made to the Borrowers.

(l) Notwithstanding anything to the contrary in Section 2.18(c) (which provisions shall not be applicable to clause (l) through (o) of this Section 2.21), the Borrowers may by written notice to the Administrative Agent establish one or more additional Facilities providing for revolving commitments (“Replacement Revolving Facility Commitments” and the revolving loans thereunder, “Replacement Revolving Loans”), which replace in whole or in part any Revolving Facility Commitments under this Agreement. Each such notice shall specify the date (each, a “Replacement Revolving Facility Effective Date”) on which the Borrowers propose that the Replacement Revolving Facility Commitments shall become effective, which shall be a date not less than five Business Days after the date on which such notice is delivered to the Administrative Agent; provided that: (i) before and after giving effect to the establishment of such Replacement Revolving Facility Commitments on the Replacement Revolving Facility Effective Date each of the conditions set forth in Section 4.01 shall be satisfied; (ii) after giving effect to the establishment of any Replacement Revolving Facility Commitments and any concurrent reduction in the aggregate amount of any other Revolving Facility Commitments, the aggregate amount of Revolving Facility Commitments shall not exceed the aggregate amount of the Revolving Facility Commitments outstanding immediately prior to the applicable Replacement Revolving Facility Effective Date; (iii) no Replacement Revolving Facility Commitments shall have a final maturity date prior to the latest Revolving Facility Maturity Date in effect at the time of incurrence; (iv) all other terms applicable to such Replacement Revolving Facility Commitments (other than provisions relating to (x) fees and interest rates which shall be as agreed between the Borrowers and the Lenders providing such Replacement Revolving Facility Commitments and (y) the amount of any Letter of Credit Sublimit under such Replacement Revolving Facility Commitments which shall be as agreed between the Borrowers, the Lenders providing such Replacement Revolving Facility Commitments, the Administrative Agent and the replacement Issuing Bank, if any, under such Replacement Revolving Facility Commitments) shall be substantially similar to, or less favorable to the Lenders providing such Replacement Revolving Facility Commitments than, those applicable to the then-outstanding Revolving Facility, except to the extent such covenants and other terms apply solely to any period after the date specified in clause (a) of the definition of the Term Facility Maturity Date. In addition, the Borrowers may establish Replacement Revolving Facility Commitments to refinance and/or replace all or any portion of a Term Loan hereunder (regardless of whether such Term Loan is repaid with the proceeds of Replacement Revolving Loans or otherwise), so long as the aggregate amount of such Revolving Facility Commitments does not exceed the aggregate amount of Term Loans repaid at the time of establishment thereof (it being understood that such

Replacement Revolving Facility Commitment may be provided by the Lenders holding the Term Loans being repaid and/or by any other person that would be a permitted Assignee hereunder) so long as (i) before and after giving effect to the establishment such Replacement Revolving Facility Commitments on the Replacement Revolving Facility Effective Date each of the conditions set forth in Section 4.01 shall be satisfied, (ii) the weighted average life to termination of such Replacement Revolving Facility Commitments shall be not shorter than the weighted average life to maturity then applicable to the refinanced Term Loans, (iii) the final termination date of the Replacement Revolving Facility Commitments shall be no earlier than the refinanced Term Loans and (iv) the condition in clause (iv) of the preceding sentence has been satisfied.

(m) The Borrowers may approach any Lender or any other person that would be a permitted Assignee of a Revolving Facility Commitment pursuant to Section 10.04 to provide all or a portion of the Replacement Revolving Facility Commitments; provided that any Lender offered or approached to provide all or a portion of the Replacement Revolving Facility Commitments may elect or decline, in its sole discretion, to provide a Replacement Revolving Facility Commitment. Any Replacement Revolving Facility Commitment made on any Replacement Revolving Facility Effective Date shall be designated an additional Class of Revolving Facility Commitments for all purposes of this Agreement; provided that any Replacement Revolving Facility Commitments may, to the extent provided in the applicable Incremental Assumption Agreement, be designated as an increase in any previously established Class of Revolving Facility Commitments.

(n) On any Replacement Revolving Facility Effective Date, subject to the satisfaction of the foregoing terms and conditions, each of the Lenders with Replacement Revolving Facility Commitments of such Class shall purchase from each of the other Lenders with Replacement Revolving Facility Commitments of such Class, at the principal amount thereof and in the applicable currencies, such interests in the Replacement Revolving Loans and participations in Letters of Credit under such Replacement Revolving Facility Commitments of such Class then outstanding on such Replacement Revolving Facility Effective Date as shall be necessary in order that, after giving effect to all such assignments and purchases, the Replacement Revolving Loans and participations of such Replacement Revolving Facility Commitments of such Class will be held by the Lenders thereunder ratably in accordance with their Replacement Revolving Facility Commitments.

(o) For purposes of this Agreement and the other Loan Documents, (i) if a Lender is providing a Refinancing Term Loan, such Lender will be deemed to have an Incremental Term Loan having the terms of such Refinancing Term Loan and (ii) if a Lender is providing a Replacement Revolving Facility Commitment, such Lender will be deemed to have an Incremental Revolving Facility Commitment having the terms of such Replacement Revolving Facility Commitment. Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including without limitation this Section 2.21), (i) the aggregate amount of Refinancing Term Loans and Replacement Revolving Facility Commitments will not be included in the calculation of the Incremental Amount, (ii) no Refinancing Term Loan or Replacement Revolving Facility Commitment is required to be in any minimum amount or any minimum increment, (iii) there shall be no condition to any incurrence of any Refinancing Term Loan or Replacement Revolving Facility Commitment at any time or from time to time other than those set forth in clauses (j) or (l) above, as applicable, and (iv) all Refinancing Term Loans,

Replacement Revolving Facility Commitments and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other Obligations under this Agreement and the other Loan Documents.

Section 2.22. Defaulting Lender.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent hereunder for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, following an Event of Default or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.06 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuing Bank hereunder, third, to cash collateralize the Issuing Banks' Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.05(j), fourth, as the Company may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent, fifth, if so determined by the Administrative Agent and the Company, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Banks' future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.05(j), sixth, to the payment of any amounts owing to the Lenders, the Issuing Banks as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Banks against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.22 shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any Commitment Fee for any period during which that Lender is a Defaulting Lender.

(B) Each Defaulting Lender shall be entitled to receive L/C Participation Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its pro rata share of the stated amount of Letters of Credit for which it has provided Cash Collateral.

(C) With respect to any Commitment Fee or L/C Participation Fee not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrowers shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to each Issuing Bank the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Issuing Bank's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Letters of Credit shall be reallocated among the Non-Defaulting Lenders in accordance with their respective pro rata Commitments (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (x) the conditions set forth in Section 4.01 are satisfied at the time of such reallocation (and, unless the Borrowers shall have otherwise notified the Administrative Agent at such time, the Borrowers shall be deemed to have represented and warranted that such conditions are satisfied at such time) and (y) such reallocation does not cause the aggregate Revolving Facility Credit Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Revolving Facility Commitment. Subject to Section 10.23, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrowers shall, without prejudice to any right or remedy available to it hereunder or under law, Cash Collateralize the Issuing Banks' Fronting Exposure in accordance with the procedures set forth in Section 2.05(j).

(b) Defaulting Lender Cure. If the Company, the Administrative Agent and each Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Revolving Facility Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and

unfunded participations in Letters of Credit to be held pro rata by the Lenders in accordance with their Revolving Facility Commitments (without giving effect to Section 2.22(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that, no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) New Letters of Credit. So long as any Lender is a Defaulting Lender, the Issuing Banks shall not be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

Except as set forth on Schedule 3.07(b), each Loan Party and Material Subsidiary enjoys peaceful and undisturbed possession under all such leases, other than leases in respect of which the failure to enjoy peaceful and undisturbed possession would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 3.17. Security Documents.

(a) Each Vessel Mortgage in favor of the Collateral Agent executed and delivered on the Closing Date, the Acquisition Closing Date or the Third Restatement Effective Date, as applicable, for the benefit of the Secured Parties, is effective to create a legal, valid and enforceable Lien on all the applicable Loan Party's right, title and interest in and to the whole of the Mortgaged Vessel covered thereby and the proceeds thereof, and when the Vessel Mortgages are registered in accordance with (i) the laws of the Bahamas, each Vessel Mortgage shall constitute (x) a first priority "statutory mortgage" on the Mortgaged Vessels covered thereby in favor of the Collateral Agent for the benefit of the Secured Parties in accordance with the Merchant Shipping Act, Chapter 268 of the Statute Laws of The Bahamas and (y) a "preferred mortgage" within the meaning of Title 46 United States Code, Section 31301(6)(B) or (ii) the laws of the Republic of the Marshall Islands, each Vessel Mortgage shall constitute (x) a first "preferred mortgage" on the Mortgaged Vessels covered thereby in favor of Collateral Agent for the ratable benefit of the Secured Parties in accordance with the Chapter 3 of the Marshall Islands Maritime Act, 1990, as amended, and (y) a "preferred mortgage" within the meaning of Title 46 of the United States Code, Section 31301(6)(B).

person (except, in the case of Collateral other than Pledged Collateral, Permitted Liens and Liens having priority by operation of law).

(c) When the Collateral Agreement or a short form thereof is filed in the United States Patent and Trademark Office and the United States Copyright Office, the Liens created by the Collateral Agreement shall constitute fully perfected Liens on, and security interests in, all right, title and interest of the grantors thereunder in Patents (as defined in the Collateral Agreement) registered or applied for with the United States Patent and Trademark Office or Copyrights (as defined in such Collateral Agreement) registered or applied for with the United States Copyright Office, as the case may be, in each case subject to no Liens other than Permitted Liens.

(b) the Company does not intend to, and does not believe that it or any of its Material Subsidiaries will, incur debts beyond its ability to pay such debts as they mature, taking into account the timing and amounts of cash to be received by it or any such subsidiary and the timing and amounts of cash to be payable on or in respect of its Indebtedness or the Indebtedness of any such subsidiary.

Except as, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect, the consummation of the Transactions will not give rise to a right of termination or right of renegotiation on the part of any union under any material collective bargaining agreement to which the Company or any Material Subsidiary (or any predecessor) is a party or by which the Company or any Material Subsidiary (or any predecessor) is bound.

Section 3.20. Insurance. Section 3.23. The Mortgaged Vessels.

(a) Except as, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect, each Mortgaged Vessel, on the Restatement Effective Date, is in such condition as is required by the applicable Vessel Mortgage and Deed of Covenants and complies with all of the requirements of both such Security Documents.

(b) Except as, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect, the Co-Borrower and each Subsidiary Guarantor will comply with and satisfy all of the provisions of the Merchant Shipping Act, Chapter 268 of the Statute Laws of The Bahamas or Chapter 3 of the Maritime Act, 1990, of the Republic of the Marshall Islands, being Title 47 of the Marshall Islands Revised Code, as at any time amended, as applicable, in order to establish and maintain the Vessel Mortgages as first priority statutory ship mortgages or first preferred ship mortgages, as applicable, thereunder on each of the Mortgaged Vessels and on all renewals, improvements and replacements made in or to the same.

No Borrowing or Letter of Credit, use of proceeds or other transaction contemplated by this Agreement will violate any Anti-Corruption Laws, AML Laws or will result in a violation of any applicable Sanctions by any party hereto. The representations and warranties in this Section shall not be made by the Borrowers to any Lender which is incorporated in the Federal Republic of Germany (and which has so notified the Administrative Agent) to the extent that the enforcement of such provision by a Lender would (a) violate, conflict with or incur liability under EU Regulation (EC) 2271/96 or (b) violate or conflict with

(b) [Reserved].

(c) Within 20 Business Days of the date on which any person becomes an Additional Subsidiary Guarantor (or such later date as the Administrative Agent may agree in its sole discretion as a result of delays despite commercially reasonable efforts), (i) the Company shall, and shall cause such Additional Subsidiary Guarantor to, execute and deliver an Additional Subsidiary Guarantor Accession Supplement to the Administrative Agent and the Collateral Agent together with the documents that such Additional Subsidiary Guarantor would have been required to deliver pursuant to Section 4.02(f), (h) (without giving effect to the proviso therein) and (j), mutatis mutandis, had it been a Loan Party on the Closing Date, in each case certified or otherwise in the form required thereunder, (ii) cause the Collateral and Guarantee Requirement to be satisfied with respect to such Subsidiary and with respect to the Equity Interests in or Indebtedness of such Subsidiary owned by a Loan Party and (iii) the Administrative Agent and the Collateral Agent shall have received favorable written opinions from New York counsel and counsel in the jurisdiction in which such Additional Subsidiary Guarantor is formed, in each case reasonably satisfactory to the Administrative Agent and covering such matters relating to (x) such Additional Subsidiary Guarantor, its Additional Subsidiary Guarantor Accession Supplement and its accession to the Loan Documents and (y) the pledge of the Equity Interests in

or Indebtedness of such Subsidiary owned by a Loan Party, as the Administrative Agent shall reasonably request.

(d) [Reserved].

(e) As a condition precedent to the occurrence of any transaction permitted under this Agreement effecting a change in the holder of any Equity Interests in a Subsidiary Guarantor, ensure that each resulting new holder of any Equity Interests in such Subsidiary Guarantor shall have executed and delivered to the Administrative Agent and the Collateral Agent a replacement Subsidiary Guarantor Pledge Agreement (or other documentation satisfactory to the Administrative Agent evidencing such new holder's pledge of all Equity Interests in such Subsidiary Guarantor on substantially the same terms as the existing Subsidiary Guarantor Pledge Agreement with respect to such Subsidiary Guarantor) prior to or not later than simultaneously with the occurrence of the relevant transaction, together with (i) to the extent requested by the Administrative Agent, favorable written opinions of counsel covering such matters relating to such replacement Subsidiary Guarantor Pledge Agreement as the Administrative Agent shall reasonably request or other documentation and such other matters as the Administrative Agent may reasonably request and (ii) delivery to the Collateral Agent of the certificates or other instruments, if any, representing all of the Equity Interests of such Subsidiary, together with stock powers or instruments of transfer executed and delivered in blank.

Such vessel mortgage and supplementary documentation shall be duly registered, filed or recorded, as appropriate, in such manner and in such places as are required by law to establish, perfect, preserve and protect the Liens in favor of the Collateral Agent required to be granted pursuant to such vessel mortgage and supplementary documentation and all taxes, fees and other charges payable in connection therewith shall be paid by the Subsidiary Guarantor or Co-Borrower in full. Such Subsidiary Guarantor or the Co-Borrower shall otherwise take such other actions and execute and/or deliver to the Collateral Agent such other documents as the Collateral Agent shall require in its reasonable discretion to confirm the validity, perfection and priority of the Lien of any new vessel mortgage and any related supplementary documentation (including an opinion from local counsel acceptable to the Collateral Agent, which opinion is in form and substance reasonably satisfactory to the Collateral Agent in respect of such vessel mortgage and any related supplementary documentation).

(g) Provide not less than 10 days prior written notice of any Subsidiary Guarantor's or the Co-Borrower's intent to transfer any Mortgaged Vessel to any other Subsidiary Guarantor (a "Permitted Vessel Transfer"); and, as conditions precedent to any Permitted Vessel Transfer, the Subsidiary Guarantor or the Co-Borrower shall promptly grant to the Collateral Agent a security interest in and deliver an acceptable vessel mortgage together with any deed of covenants, vessel mortgage, earnings assignments, insurance assignments, and other customary related supplementary documentation, which vessel mortgage together with any such supplementary documentation shall constitute a valid and enforceable perfected first priority Lien subject only to Permitted Liens. Such vessel mortgage and supplementary documentation shall be duly registered, filed or recorded, as appropriate, in such manner and in such places as are required by law to establish, perfect, preserve and protect the Liens in favor of the Collateral Agent required to be granted pursuant to such vessel mortgage and supplementary documentation and all taxes, fees and other charges payable in connection therewith shall be paid by the Subsidiary Guarantor or the Co-Borrower in full. Such Subsidiary Guarantor or the Co-Borrower shall otherwise take such other actions and execute and/or deliver to the Collateral Agent such other documents as the Collateral Agent shall require in its reasonable discretion to confirm the validity, perfection and priority of the Lien of any new vessel mortgage and any related supplementary documentation (including an opinion from local counsel reasonably acceptable to the Collateral Agent, which opinion is in form and substance reasonably satisfactory to the Collateral Agent in respect of such vessel mortgage and any related supplementary documentation).

(h) (i) Furnish to the Collateral Agent prompt written notice of any change (A) in any Loan Party's or Material Subsidiary's legal name, (B) in any Loan Party's or Material Subsidiary's identity or organizational structure, (C) in any Loan Party's or Material Subsidiary's organizational identification number or (D) in any Loan Party's "location" within the meaning of Section 9-307 of the Uniform Commercial Code; provided that no Loan Party shall effect or permit any such change unless all filings have been made, or will have been made within any statutory period, under the Uniform Commercial Code or other applicable law that are required in order for the Collateral Agent to continue at all times following such change to have a valid, legal and perfected security interest in all the Collateral for the benefit of the Secured Parties with the priority intended under the Collateral and Guarantee Requirement and (ii) promptly notify the Collateral Agent if any material portion of the Collateral is damaged or destroyed.

(i) Subject to this Section 5.10, with respect to any property acquired after the Closing Date by any Loan Party that is intended to be subject to the Lien created by any of the Security Documents but is not so subject, promptly (and in any event within 30 days after the acquisition thereof or such longer period as the Administrative Agent shall agree in its reasonable discretion) (i) execute and deliver to the Administrative Agent and the Collateral Agent such amendments or supplements to the relevant Security Documents or such other documents as the Administrative Agent or the Collateral Agent shall reasonably deem necessary or advisable to grant to the Collateral Agent, for its benefit and for the benefit of the other Secured Parties, a Lien on such property subject to no Liens other than Permitted Liens, and (ii) use commercially reasonable efforts to cause such Lien to be duly perfected to the extent required by such Security Document in accordance with requirements of applicable law, including the filing of financing statements in such jurisdictions as may be reasonably requested

by the Administrative Agent. The Borrowers shall otherwise take such actions and execute and/or deliver to the Collateral Agent such documents as the Administrative Agent or the Collateral Agent shall reasonably require to confirm the validity, perfection and priority of the Lien of the Security Documents on such after-acquired properties.

(j) The Collateral and Guarantee Requirement and the other provisions of this Section 5.10 need not be satisfied with respect to (i) any Equity Interests owned or acquired after the Closing Date (other than, in the case of any person which is a Subsidiary of a Subsidiary Guarantor or the Co-Borrower, Equity Interests in such person issued or acquired after such person became a Subsidiary) in accordance with this Agreement if, and to the extent that, and for so long as (A) doing so would violate applicable law or a contractual obligation binding on such Equity Interests and (B) with respect to contractual obligations, such obligation existed at the time of the acquisition thereof and was not created or made binding on such Equity Interests in contemplation of or in connection with the acquisition of such Subsidiary, (ii) any assets acquired after the Closing Date, to the extent that, and for so long as, taking such actions would violate an enforceable contractual obligation binding on such assets that existed at the time of the acquisition thereof and was not created or made binding on such assets in contemplation or in connection with the acquisition of such assets (except in the case of assets acquired with Indebtedness permitted pursuant to Section 6.01(i) or 6.01(r) (if of the type permitted by Section 6.01(i)) that is secured by a Permitted Lien); provided, that, upon the reasonable request of the Collateral Agent, the Company shall, and shall cause any applicable Subsidiary to, use commercially reasonable efforts to have waived or eliminated any contractual obligation of the types described in clauses (i) and (ii) above, or (iii) any Subsidiary or asset with respect to which the Administrative Agent determines in writing in its reasonable discretion that the cost of the satisfaction of the Collateral and Guarantee Requirement or the provisions of this Section 5.10 or of any Security Document with respect thereto is excessive in relation to the value of the security afforded thereby.

(k) Notwithstanding anything to the contrary in this Agreement or any other Loan Document, neither the Borrowers nor any of their Subsidiaries shall be required to enter into any Control Agreement.

Section 5.11. Rating. Exercise commercially reasonable efforts to maintain ratings on the Term Facilities and public corporate ratings for the Company or Holdings from each of Moody's and S&P.

Section 5.13. Approval and Authorization.

(a) The Lenders hereby approve the forms of the First Lien Intercreditor Agreement, the Second Lien Intercreditor Agreement, each Subsidiary Guarantor Pledge Agreement and the

Collateral Agreement and authorize the Administrative Agent and the Collateral Agent (i) to enter into the same on their behalf (in the case of the First Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, with such changes thereto as may be reasonably acceptable to the Collateral Agent) and (ii) to perform their duties and obligations and to exercise their rights and remedies thereunder. The Lenders acknowledge that the Collateral Agent will be acting as collateral agent for the holders of the Obligations and the Senior Secured Notes Obligations under the Security Documents, on the terms provided for therein and in the First Lien Intercreditor Agreement and/or the Second Lien Intercreditor Agreement.

(b) No later than 90 days following each incurrence of Pari Passu Senior Secured Notes, the Company shall deliver, or cause to be delivered, amendments to each Vessel Mortgage to which a Loan Party is then party (except to the extent the Administrative Agent determines in its sole discretion such amendment is not required) for purposes of providing the benefit of such security interest of such Vessel Mortgage for the benefit of the holders of such Pari Passu Senior Secured Notes on substantially the same basis as is provided under the applicable Vessel Mortgage (and with such other changes as are reasonably acceptable to the Collateral Agent and the Company).

Section 5.14. Concerning the Mortgaged Vessels.

(a) At all times operate each Mortgaged Vessel in compliance in all respects with all applicable governmental rules, regulations and requirements pertaining to such Mortgaged Vessel and in compliance in all respects with all rules, regulations and requirements of the applicable Classification Society and in compliance with all requirements of any applicable Vessel Mortgage and, if applicable, Deed of Covenants, except, in each case with respect to this Section 5.14(a), to the extent the failure to do so would not reasonably be expected to have a Material Adverse Effect. The Company shall cause each Subsidiary Guarantor and the Co-Borrower to keep each Mortgaged Vessel registered under the laws of a Permitted Flag Jurisdiction and furnish to the Administrative Agent copies of all renewals and extensions of such registration.

(b) Maintain each Mortgaged Vessel classed in the highest available class with a Classification Society, free of any overdue recommendations or exceptions of any kind that affect such Mortgaged Vessel's classification and rating by such Classification Society, except, in each case with respect to this Section 5.14(b), to the extent the failure to do so would not reasonably be expected to have a Material Adverse Effect. Upon request (it being understood that the Administrative Agent shall not make more than one such request during any fiscal year of the Company), the Company shall furnish to the Administrative Agent and the Lenders a confirmation of class certificate issued by the respective Classification Society for each of the Mortgaged Vessels.

(c) Maintain a true copy of the relevant Vessel Mortgage, together with a notice thereof, aboard each of the Mortgaged Vessels.

Section 5.15. Compliance with Maritime Conventions. Obtain and maintain all necessary ISM Code Documentation in connection with the Mortgaged Vessels, and be in compliance in all material respects with the ISM Code, except, in each case with respect to this

Section 5.15, to the extent the failure to do so would not reasonably be expected to have a Material Adverse Effect.

Section 5.16. Valuations. Ensure that, for each fiscal year beginning with the fiscal year commencing January 1, 2015, the Company shall obtain one or (at the request of the Administrative Agent) more Valuations of each Mortgaged Vessel, in each case at the Company's sole cost and expense (except that, with respect to each Mortgaged Vessel, any Valuation in a calendar year requested by the Administrative Agent, shall be at the Lenders' expense, unless an Event of Default has occurred and is continuing) and from one of the Approved Brokers, as selected by the Company; provided that unless an Event of Default has occurred and is continuing, no more than two Valuations of any Mortgaged Vessel shall be so required to be obtained during any fiscal year of the Company. The Company shall deliver (or cause to be delivered) a copy of any such Valuation (a "First Valuation") to the Administrative Agent (for distribution to the Lenders). Notwithstanding anything to the contrary, the Company, at its own option and without any instruction from the Administrative Agent may obtain a First Valuation from time to time and deliver same to the Administrative Agent (for distribution to the Lenders). In the event the Company is not satisfied with the results of any First Valuation, then the Company will have 30 days after the Company's receipt of such First Valuation during which to obtain, at its option and at its sole cost and expense, an additional Valuation (a "Second Valuation") from one of the Approved Brokers, as selected by the Company. The Company shall deliver (or cause to be delivered) a copy of any such Second Valuation to the Administrative Agent (for distribution to the Lenders) promptly after the Company's receipt thereof. If any such Second Valuation is obtained and the results thereof indicate a value for the subject Mortgaged Vessel of at least 110% of the value indicated in the First Valuation, then the Company will have 30 days after the receipt of such Second Valuation from the relevant Approved Broker during which to obtain, at its option and at its sole cost and expense, a further additional Valuation (a "Third Valuation") from one of the Approved Brokers, as selected by the Company. The average value of any First Valuation, Second Valuation (to the extent obtained as provided above) and Third Valuation (to the extent obtained as provided above) of any Mortgaged Vessel shall constitute the Valuation of such Mortgaged Vessel for all purposes under the Loan Documents until any subsequent Valuation of such Mortgaged Vessel is obtained in accordance with this Section 5.16.

accordance with the terms thereof), or shall be asserted in writing by any Borrower or any other Loan Party not to be in effect or not to be legal, valid and binding obligations;

(m) (i) so long as any Pari Passu Senior Secured Notes are outstanding, the First Lien Intercreditor Agreement, and (ii) so long as any other Senior Secured Notes secured on a junior basis to the Liens on the Collateral securing the Obligations are outstanding and are subject to the Second Lien Intercreditor Agreement, the Second Lien Intercreditor Agreement shall, in whole or in part, cease to be effective or cease to be legally valid, binding and enforceable against any party thereto (or against any person on whose behalf any such party makes any covenants or agreements therein), or otherwise not be effective to create the rights and obligations purported to be created thereunder, unless the same results directly from the action or inaction of the Administrative Agent;

then, and in every such event (other than (x) an event with respect to the Borrowers described in paragraph (h) or (i) above and (y) an event described in clause (d) above arising with respect to a failure to comply with Section 6.16 during the Deferral Period, unless the conditions of the first proviso contained in clause (d) above have been satisfied), and at any time thereafter during the continuance of such event, the Administrative Agent, at the request of the Required Lenders, shall, by notice to the Company, take any or all of the following actions, at the same or different times: (i) terminate forthwith the Commitments, (ii) declare the Loans then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrowers accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrowers, anything contained herein or in any other Loan Document to the contrary notwithstanding and (iii) if the Loans have been declared due and payable pursuant to clause (ii) above, demand cash collateral pursuant to Section 2.05(j); and in any event with respect to the Borrowers described in paragraph (h) or (i) above, the Commitments shall automatically terminate, the principal of the Loans then outstanding, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrowers accrued hereunder and under any other Loan Document, shall automatically become due and payable and the Administrative Agent shall be deemed to have made a demand for cash collateral to the full extent permitted under Section 2.05(j), without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrowers, anything contained herein or in any other Loan Document to the contrary notwithstanding. In the case of an Event of Default under clause (d) above arising with respect to a failure to comply with Section 6.16 during the Deferral Period and at any time thereafter during the continuance of such event, the Administrative Agent, at the request of the Required Deferring Lenders, shall, by notice to the Company, take any or all of the following actions, at the same or different times: (i) terminate forthwith the Term A-1 Loan Commitments and Deferred Term A Loan Commitments, (ii) declare the Term A-1 Loans and Deferred Term A Loans then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees with respect thereto, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrowers, anything contained herein or in any other Loan Document to the contrary notwithstanding.

Section 8.02. Right to Cure. Notwithstanding anything to the contrary contained in Section 8.01, in the event that the Company fails (or, but for the operation of this Section 8.02, would fail) to comply with the requirements of Section 6.12, 6.13, 6.14 or 6.15 then, until the expiration of the tenth Business Day subsequent to the date of the certificate calculating such covenant is required to be delivered pursuant to Section 5.04(c), the Company may, at its option, cure such non-compliance by:

(a) In the case of a failure to comply with Section 6.12, delivering additional property over which the Collateral Agent has a perfected, first priority Lien for the benefit of the Lenders and the other Secured Parties, which additional property shall be acceptable to the Required Lenders (it being understood that, in all events, cash shall be acceptable, and separate approval thereof from any Agent or Lender shall not be required) and following such delivery the Cure Collateral Fair Market Value of such additional property shall be added to the Value Component as of the date of measurement; and/or

(b) In the case of a failure to comply with Section 6.12, ratably prepaying (x) outstanding Term Loans (but only to the extent permitted as a voluntary prepayment under Section 2.11(a)) and (y) Revolving Facility Credit Exposure, (which, with respect to any issued but undrawn Letters of Credit, shall mean cash collateralizing such Letters of Credit in the manner provided in Section 2.05(j)), and following such prepayments, the total amount of such prepayments shall be subtracted from the Loan Component, as of the date of measurement; and/or

(c) In the case of a failure to comply with Section 6.13, 6.14 or 6.15, issuing Permitted Cure Securities for cash or otherwise receiving cash contributions to the capital of the Company (the “Cure Right”), and upon the receipt by the Company of such cash (the “Cure Amount”) pursuant to the exercise of such Cure Right, (A) in the case of Section 6.13, Free Liquidity shall be increased by the Cure Amount, as of the date of measurement, (B) in the case of Section 6.14, the Total Net Funded Debt shall be decreased by the Cure Amount, as of the date of measurement and (C) in the case of Section 6.15, the ratio of EBITDA to Consolidated Debt, as applicable, shall be recalculated giving effect to a pro forma adjustment by which EBITDA shall be increased with respect to such applicable quarter and any four quarter period that includes such quarter by the Cure Amount; provided, that, for purposes of complying with Section 6.15, (i) in each four-fiscal-quarter period there shall be at least one fiscal quarter in which the Cure Right is not exercised and (ii) the Cure Amount shall be no greater than the amount required for purposes of complying with Section 6.15.

If,

(i) in case of a failure to comply with Section 6.12, after giving effect to the transactions in paragraphs (a) and/or (b) of this Section 8.02, the Company shall then be in compliance with the requirements of Section 6.12; and/or

(ii) in case of a failure to comply with Section 6.13, after giving effect to the transactions in paragraph (c) of this Section 8.02, the Company shall then be in compliance with the requirements of Section 6.13; and/or

(iii) in case of a failure to comply with Section 6.14, after giving effect to the transactions in paragraph (c) of this Section 8.02, the Company shall then be in compliance with the requirements of Section 6.14; and/or

(iv) in case of a failure to comply with Section 6.15, after giving effect to the transactions in paragraph (c) of this Section 8.02, the Company shall then be in compliance with the requirements of Section 6.15,

then in each case, the Company shall be deemed to have satisfied the requirements of the relevant Section(s) as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of such Section(s) that had occurred shall be deemed cured for all purposes of this Agreement.

Section 8.03. Application of Proceeds. The proceeds received by the Administrative Agent or the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral pursuant to the exercise by the Administrative Agent and/or the Collateral Agent of the remedies provided for herein or in any other Loan Document shall be applied, in full or in part, together with any other sums then held by the Administrative Agent or the Collateral Agent pursuant to this Agreement or any other Loan Document, as provided in Section 4.02 of the Collateral Agreement.

ARTICLE IX

THE AGENTS

Section 9.01. Appointment.

(a) Each Lender (in its capacities as a Lender and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, including as the Collateral Agent and as the Mortgage Trustee for such Lender and the other Secured Parties under the Security Documents, including the Vessel Mortgages, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents to which it is a party, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

(b) In furtherance of the foregoing, each Lender (in its capacities as a Lender and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) hereby appoints and authorizes the Collateral Agent and the Mortgage Trustee to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent and the Mortgage Trustee (and any Subagents appointed by the Collateral Agent or the Mortgage Trustee pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights or remedies thereunder at the direction of the Collateral Agent or the Mortgage Trustee) shall be entitled to the benefits of this Article IX (including Section 9.07) as though the Collateral Agent and the Mortgage Trustee (and any of their respective Subagents) were an "Agent" under the Loan Documents, as if set forth in full herein with respect thereto.

(c) Each Lender (in its capacities as a Lender and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements)) irrevocably authorizes the Administrative Agent, the Collateral Agent or the Mortgage Trustee, as applicable, at its option and in its discretion, (i) to release any Lien on any property granted to or held by the Administrative Agent, the Collateral Agent or the Mortgage Trustee under any Loan Document (A) upon termination of the Commitments and payment in full of all Obligations (other than contingent indemnification obligations and expense reimbursement claims to the extent no claim therefor has been made) and the termination of all Letters of Credit, (B) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document to a person that is not (and is not required to become) a Loan Party, (C) if approved, authorized or ratified in writing in accordance with Section 10.08 of this Agreement or (D) to the extent excluded from the security interest granted under the Collateral Agreement pursuant to Section 3.01 thereof, (ii) to release any Subsidiary Guarantor from its obligations under the Loan Documents if such person ceases to be a Subsidiary as a result of a transaction permitted hereunder, (iii) to subordinate any Lien on any property granted to or held by the Collateral Agent or Mortgage Trustee under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(e)(2)(b) and (iv) enter into any First Lien Intercreditor Agreement and any Second Lien Intercreditor Agreement, to the extent contemplated by the terms hereof, and acknowledge that any such First Lien Intercreditor Agreement and Second Lien Intercreditor Agreement will be binding upon them. Upon request by an Agent, at any time, the Required Lenders will confirm in writing the Administrative Agent's, the Collateral Agent's or the Mortgage Trustee's, as applicable, authority to release its interest in particular types or items of property, or to release any Subsidiary Guarantor from its obligations under the Loan Documents.

(d) In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, (i) the Administrative Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on any Loan Party) shall be entitled and empowered, by intervention in such proceeding or otherwise (A) to file and prove a

claim for the whole amount of the principal and interest owing and unpaid in respect of any or all of the Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent and any Subagents allowed in such judicial proceeding, and (B) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and (ii) any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Issuing Bank to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.

Section 9.02. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) by or through agents, employees or attorneys in fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent may also from time to time, when the Administrative Agent deems it to be necessary or desirable, appoint one or more trustees, co trustees, collateral co agents, collateral subagents or attorneys in fact (each, a “Subagent”) with respect to all or any part of the Collateral; provided that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent. Should any instrument in writing from any Loan Party be required by any Subagent so appointed by the Administrative Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, the Borrowers shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. If any Subagent, or successor thereto, shall die, become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent until the appointment of a new Subagent. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent, attorney in fact or Subagent that it selects in accordance with the foregoing provisions of this Section 9.02 in the absence of the Administrative Agent’s gross negligence or willful misconduct.

Section 9.03. Exculpatory Provisions. Neither any Agent or its Affiliates nor any of their respective officers, directors, employees, agents, attorneys in fact or affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such person’s own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or

warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, and (b) the Administrative Agent shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any of their Affiliates that is communicated to or obtained by the person serving as the Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall be deemed not to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to such Agent by a Borrower, a Lender or an Issuing Bank. Neither Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 9.04. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. The Administrative Agent may conclusively rely on information provided to it by the Former Agent with respect to the Original Credit Agreement prior to the First Restatement Effective Date. In determining compliance with any condition hereunder to any Credit Event, that by its terms must be fulfilled to the satisfaction of a Lender or any Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to such Credit Event. The Administrative Agent may consult with legal counsel (including counsel to the Loan Parties), independent accountants and other experts

selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document (including with respect to any matter hereunder or under any other Loan Document that is subject to such Agent's consent or approval) unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all or other Lenders) as it (or, in the case of the Collateral Agent, the Administrative Agent) deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all of the Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

Section 9.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has received notice from a Lender, or a Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or any other portion of the Lenders); provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

Section 9.06. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of an investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the

Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 9.07. Indemnification. The Lenders severally agree to indemnify each Agent and each Issuing Bank in its capacity as such (to the extent not reimbursed by the Borrowers and without limiting the obligation of the Borrowers to do so), in the amount of its pro rata share (based on its aggregate Revolving Facility Credit Exposure, outstanding Term Loans and unused Commitments hereunder; provided, that the aggregate principal amount of L/C Disbursements owing to any Issuing Bank shall be considered to be owed to the Revolving Facility Lenders ratably in accordance with their respective Revolving Facility Credit Exposure), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent or such Issuing Bank in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent or such Issuing Bank under or in connection with any of the foregoing; provided, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's or such Issuing Bank's gross negligence or willful misconduct. The failure of any Lender to reimburse any Agent or any Issuing Bank, as the case may be, promptly upon demand for its ratable share of any amount required to be paid by the Lenders to such Agent or such Issuing Bank, as the case may be, as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse such Agent or such Issuing Bank, as the case may be, for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent or such Issuing Bank, as the case may be, for such other Lender's ratable share of such amount. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder, and the resignation or removal of any Agent or any Issuing Bank.

Section 9.08. Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued, or Letter of Credit participated in, by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

Section 9.09. Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent upon 10 days' notice to the Lenders and the Borrowers. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor

agent for the Lenders, which successor agent shall (unless an Event of Default under Section 8.01(b), (c), (h) or (i) shall have occurred and be continuing) be subject to approval by the Company (which approval shall not be withheld or delayed unreasonably), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term “Administrative Agent” means such successor agent effective upon such appointment and approval, and the former Administrative Agent’s rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 10 days following a retiring Administrative Agent’s notice of resignation, the retiring Administrative Agent’s resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After any retiring Administrative Agent’s resignation as Administrative Agent, the provisions of this Article and Section 10.05 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents. The provisions of this Section 9.09 shall apply mutatis mutandis to the Collateral Agent, provided that the Administrative Agent and the Collateral Agent shall at all times be the same person.

Section 9.10. Withholding Tax. To the extent required by any applicable laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding tax ineffective), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any applicable Loan Party and without limiting the obligation of any applicable Loan Party to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties, additions to Tax and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 9.10. For the avoidance of doubt, the term “Lender” shall include any Issuing Bank.

Section 9.11. Agent and Arrangers. Neither the Joint Bookrunners, the Co-Documentation Agents nor any of the Arrangers shall have any duties or responsibilities hereunder in its capacity as such. Without limiting any other provision of this Article, neither the Joint Bookrunners, the Co-Documentation Agents nor any of the Arrangers in their respective capacities as such shall have or be deemed to have any fiduciary relationship with any Lender (including any Issuing Bank) or any other person by reason of this Agreement or any other Loan Document.

Section 9.12. Ship Mortgage Trust. The Mortgage Trustee agrees and declares, and each of the other Secured Parties acknowledges, that, subject to the terms and conditions of this

Section 9.12, the Mortgage Trustee holds the Trust Property in trust for the Secured Parties absolutely. Each of the other Secured Parties agrees that the obligations, rights and benefits vested in the Mortgage Trustee shall be performed and exercised in accordance with this Section 9.12. For the avoidance of doubt, the Mortgage Trustee shall have the benefit of all of the provisions of this Agreement (including exculpatory and indemnification provisions) benefiting it in its capacity as Collateral Agent for the Secured Parties. In addition, the Mortgage Trustee and any attorney, agent or delegate of the Mortgage Trustee may indemnify itself or himself out of the Trust Property against all liabilities, costs, fees, damages, charges, losses and expenses sustained or incurred by it or him in relation to the taking or holding of any of the Trust Property or in connection with the exercise or purported exercise of the rights, trusts, powers and discretions vested in the Mortgage Trustee or any other such person by or pursuant to the Vessel Mortgages or in respect of anything else done or omitted to be done in any way relating to the Vessel Mortgages (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from the Mortgage Trustee's gross negligence or willful misconduct).

(e) Documents required to be delivered pursuant to Section 5.04 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 10.17) and if so delivered, shall be deemed to have been delivered on the date (i) on which the Loan Parties post such documents, or provides a link thereto on the Loan Parties' website on the Internet at the website address listed on Schedule 10.01, or (ii) on which such documents are posted on the Loan Parties' behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided that (A) the Loan Parties shall deliver paper copies of such documents to the Administrative Agent or any Lender that requests the Borrowers to deliver such paper copies until a written request to cease delivering paper copies is given by the Administrative Agent or such Lender, and (B) the Loan Parties shall notify the Administrative Agent and each Lender (by telecopier or electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (*i.e.*, soft copies) of such documents. Notwithstanding anything contained herein, in every instance the Borrowers shall be required to provide paper copies of the certificates required by Section 5.04(c) to the Administrative Agent. Except for such certificates required by Section 5.04(c), the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Borrowers with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

Section 10.02. Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and each Issuing Bank and shall survive the making by the Lenders of the Loans, the execution and delivery of the Loan Documents and the issuance of the Letters of Credit, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or L/C Disbursement or any Fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not been terminated. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.15, 2.17 and 10.05) shall survive the payment in full of the principal and interest

hereunder, the expiration of the Letters of Credit and the termination of the Commitments or this Agreement.

Section 10.03. Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrowers and the Administrative Agent and when the Administrative Agent shall have received copies of this Agreement which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the Borrowers, each Issuing Bank, the Administrative Agent and each Lender and their respective permitted successors and assigns.

Section 10.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) a Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by such Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 10.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section 10.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender (such Lender, an “Assignor”) may assign to one or more assignees (each, an “Assignee”) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Company; provided that no consent of the Company shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund (as defined below), or, if an Event of Default under Sections 8.01(b), (c), (h) or (i) has occurred and is continuing, any other person;

(B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender, an Approved Fund or an Affiliate of the Borrowers made in accordance with this Section 10.04(b)(i) or Section 10.21; and

(C) the Issuing Banks; provided that no consent of the Issuing Banks shall be required for an assignment of all or any portion of a Term Loan.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans under any Facility, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than (x) \$1,000,000 in the case of Term Loans and (y) \$1,000,000 in the case of Revolving Facility Loans or Revolving Facility Commitments, unless each of the Company and the Administrative Agent otherwise consent; provided that (1) no such consent of the Company shall be required if an Event of Default under Sections 8.01(b), (c), (h) or (i) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Approved Funds shall be treated as one assignment), if any;

(B) the parties to each assignment shall (1) execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent or (2) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, in each case, together with a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the discretion of the Administrative Agent);

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any tax forms; and

(D) the Assignee shall not be a natural person or the Borrowers or any of the Borrowers' Affiliates or Subsidiaries; except in accordance with Section 10.04(b)(i) or Section 10.21.

For the purposes of this Section 10.04, "Approved Fund" means any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 10.05). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.04 shall be

treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 10.04.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal and interest amounts of the Loans and Revolving L/C Exposure owing to, each Lender pursuant to the terms of this Agreement from time to time (the “Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent, the Issuing Banks and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms of this Agreement as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers, the Issuing Banks and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee’s completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section, if applicable, and any written consent to such assignment required by paragraph (b) of this Section and any applicable tax forms, the Administrative Agent shall accept such Assignment and Acceptance and promptly record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph (b)(v).

(vi) If the consent of the Company to an assignment or to an Approved Fund is required hereunder (including a consent to an assignment which does not meet the minimum assignment thresholds specified in Section 10.04(b)(ii)(A)), the Company shall be deemed to have given its consent ten Business Days after the date written notice thereof has been delivered by the Assignor (through the Administrative Agent or the electronic settlement system used in connection with any such assignment) unless such consent is expressly refused by the Company prior to such tenth Business Day.

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (i) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that its applicable Commitment, and the outstanding balances of its Term Loans and Revolving Facility Loans, in each case without giving effect to assignments thereof which have not become effective, are as set forth in such Assignment and Acceptance, (ii) except as set forth in clause (i) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of the Company or any Subsidiary or the performance or observance by the Company or any Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (iii)

the Assignee represents and warrants that it is legally authorized to enter into such Assignment and Acceptance; (iv) the Assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements referred to in Section 3.05 (or delivered pursuant to Section 5.04), and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (v) the Assignee will independently and without reliance upon the Administrative Agent, the Collateral Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (vi) the Assignee appoints and authorizes each the Administrative Agent and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent and the Collateral Agent, as applicable, by the terms of this Agreement, together with such powers as are reasonably incidental thereto; and (vii) the Assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(d) (i) Any Lender may, without the consent of the Borrowers or the Administrative Agent, sell participations to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to Section 10.04(a)(i) or clauses (i), (ii), (iii), (iv), (v) or (vi) of the first proviso to Section 10.08(b) and (2) directly affects such Participant and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to paragraph (c)(ii) of this Section 10.04, the Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.14, 2.15, 2.16 and 2.17 (subject to the limitations and requirements of those Sections and Section 2.19 and it being understood that the documentation required under Section 2.17(e) shall be delivered solely to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 10.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.06 as though it were a Lender, provided that such Participant shall be subject to Section 2.18(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans,

letters of credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary in connection with a Tax audit or other Tax proceeding to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and each party hereto shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(ii) A Participant shall not be entitled to receive any greater payment under 2.14, 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Company's prior written consent (which consent shall not be unreasonably withheld or delayed), which consent shall state that it is being given pursuant to this Section 10.04(d)(ii); provided that each potential Participant shall provide such information as is reasonably requested by the Company in order for the Company to determine whether to provide its consent.

(e) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central banking authority and in the case of any Lender that is an Approved Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender, including to any trustee for, or any other representative of, such holders, and this Section 10.04 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(f) The Borrowers, upon receipt of written notice from any relevant Lender, agree to issue Notes to such Lender requiring Notes to facilitate transactions of the type described in paragraph (e) above.

(g) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrowers or the Administrative Agent. Each Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto and each Loan Party for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

(h) If the Borrowers wish to replace the Loans or Commitments under any Facility with ones having different terms, they shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loans or reducing or terminating the Commitments

to be replaced, to (1) require the Lenders under such Facility to assign such Loans or Commitments to the Administrative Agent or its designees and (2) amend the terms thereof in accordance with Section 10.08 (with such replacement, if applicable, being deemed to have been made pursuant to Section 10.08(d)). Pursuant to any such assignment, all Loans and Commitments to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrowers), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 10.05(b). By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans or Commitments under such Facility pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit A, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph (h) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(i) Notwithstanding anything to the contrary in Section 2.18(c) (which provisions shall not be applicable to clauses (i) or (j) of this Section 10.04), the Borrowers may purchase by way of assignment and become Assignees with respect to Term Loans at any time and from time to time from Lenders in accordance with Section 10.04(b) hereof (“Permitted Loan Purchases”); provided that (A) any such purchase occurs pursuant to Dutch auction procedures open to all applicable Lenders on a pro rata basis in accordance with customary procedures to be agreed between the applicable Borrower and the Administrative Agent; provided that the Borrowers shall be entitled to make open market purchases of the Term Loans without complying with such Dutch auction procedures so long as the aggregate principal amount (calculated on the par amount thereof) of all Term Loans purchased in open market purchases from the Closing Date does not exceed the Permitted Loan Purchases Amount, (B) for the avoidance of doubt, no Revolving Facility Commitments or Revolving Facility Loans may be purchased by the Borrowers, (C) no Permitted Loan Purchases shall be made from the proceeds of any Revolving Facility Loans, (D) no Default or Event of Default has occurred and is continuing or would result from the Permitted Loan Purchase, (E) upon consummation of any such Permitted Loan Purchase, the Loans purchased pursuant thereto shall be deemed to be automatically and immediately cancelled and extinguished in accordance with Section 10.04(j) and (F) in connection with any such Permitted Loan Purchase, the applicable Borrower and such Lender that is the Assignor shall execute and deliver to the Administrative Agent a Permitted Loan Purchase Assignment and Acceptance (and for the avoidance of doubt, shall not be required to execute and deliver an Assignment and Acceptance pursuant to Section 10.04(b)(ii)(B)) and shall otherwise comply with the conditions to assignments under this Section 10.04.

(j) Each Permitted Loan Purchase shall, for purposes of this Agreement (including without limitation, Section 2.08(b)) be deemed to be an automatic and immediate cancellation and extinguishment of such Term Loans and the applicable Borrower shall, upon consummation of any Permitted Loan Purchase, notify the Administrative Agent that the Register be updated to record such event as if it were a prepayment of such Loans.

Section 10.05. Expenses; Indemnity.

(a) Costs and Expenses. The Borrowers jointly and severally agree to pay (i) all reasonable and documented out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent in connection with the preparation of this Agreement and the other Loan Documents, or by the Administrative Agent in connection with the syndication of the Commitments or in the administration of this Agreement (including expenses incurred in connection with due diligence and initial and ongoing Collateral examination to the extent incurred with the reasonable prior approval of the Company and the reasonable fees, disbursements and charges for no more than one counsel in each jurisdiction where Collateral is located) or in connection with the administration of this Agreement and any amendments, modifications or waivers of the provisions of this Agreement or thereof (whether or not the Transactions hereby contemplated shall be consummated), including the reasonable fees, charges and disbursements of Cahill Gordon & Reindel LLP, counsel for the Administrative Agent and the Arrangers, and, if necessary, the reasonable fees, charges and documented out-of-pocket expenses and disbursements of one local counsel per jurisdiction, and (ii) all out-of-pocket expenses (including Other Taxes) incurred by the Agents and any Lender in connection with the enforcement or protection of their rights in connection with this Agreement and the other Loan Documents, in connection with the Loans made or the Letters of Credit issued hereunder, including the fees, charges and disbursements of counsel for the Agents or, after any Event of Default under Section 8.01(b), (c), (h) (with respect to the Borrowers) or (i) (with respect to the Borrowers), counsel for the Lenders (in each case including any special and local counsel).

(b) Indemnification by the Borrowers. The Borrowers jointly and severally agree to indemnify the Administrative Agent, the Agents, the Arrangers, the Joint Bookrunners, each Issuing Bank, each Lender, each of their respective Affiliates and each of their respective directors, trustees, officers, employees, agents, trustees and advisors (each such person being called an “Indemnitee”) against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (except the allocated costs of in house counsel), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the Transactions and the other transactions contemplated hereby (including the Acquisition Transactions), (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit) or (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by the Company or any of its subsidiaries or Affiliates; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee (for purposes of this proviso only, each of the Administrative Agent, any Arranger, any Joint Bookrunner, any Issuing Bank or any Lender shall be treated as several and separate Indemnities, but each of them together with its respective Related Parties, shall be treated as a

single Indemnitee). Subject to and without limiting the generality of the foregoing sentence, the Borrowers jointly and severally agree to indemnify each Indemnitee against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel or consultant fees, charges and disbursements (limited to not more than one counsel, plus, if necessary, one local counsel per jurisdiction) (except the allocated costs of in house counsel), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of any Environmental Claim or Environmental Liability related in any way to the Company or any of the Subsidiaries or its predecessors; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or any of its Related Parties. None of the Indemnitees (or any of their respective affiliates) shall be responsible or liable to the Company or any of the subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities, the Transactions or the Acquisition Transactions. The provisions of this Section 10.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, any Issuing Bank or any Lender. All amounts due under this Section 10.05 shall be payable on written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Taxes. Except as expressly provided in Section 10.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.17, this Section 10.05 shall not apply to any Taxes (other than Taxes that represent losses, claims, damages, liabilities and related expenses resulting from a non-Tax claim), which shall be governed exclusively by Section 2.17 and, to the extent set forth therein, Section 2.15.

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, the Borrowers shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) Survival. The agreements in this Section 10.05 shall survive the resignation or removal of either Agent or any Issuing Bank, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement.

Section 10.06. Right of Set-off. If an Event of Default shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender or such Issuing Bank to or for the credit or the account of the Borrowers or any Subsidiary against any of and all the obligations of the Borrowers now or hereafter existing under this Agreement or any other Loan Document held by such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmatured. The rights of each Lender and each Issuing Bank under this Section 10.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender or such Issuing Bank may have. Each Lender and Issuing Bank agrees to notify the Administrative Agent promptly after any such set off and application; provided that the failure to give such notice shall not affect the validity of such set off and application.

Section 10.07. Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN LETTERS OF CREDIT AND AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE CONFLICT OF LAWS PRINCIPLES THEREOF.

Section 10.08. Waivers; Amendment.

(a) No failure or delay of either Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of each Agent, each Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by any Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any Borrower or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Subject to Section 2.14, neither this Agreement nor any other Loan Document nor any provision of this Agreement or thereof may be waived, amended or modified except (x) as provided in Section 2.21, (y) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders and (z) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each party thereto and the Agent party thereto and consented to by the Required Lenders; provided, however, that no such agreement shall

(i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan or any L/C Disbursement, or extend the

stated expiration of any Letter of Credit beyond the applicable Revolving Facility Maturity Date, without the prior written consent of each Lender directly affected thereby, except as provided in Section 2.05(c); provided that any amendment to the financial covenant definitions in this Agreement shall not constitute a reduction in the rate of interest for purposes of this clause (i),

(ii) increase or extend the Commitment of any Lender or decrease the Commitment Fees or L/C Participation Fees or other fees of any Lender without the prior written consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the aggregate Commitments shall not constitute an increase of the Commitments of any Lender),

(iii) extend or waive any Term Loan Installment Date or reduce the amount due on any Term Loan Installment Date or extend any date on which payment of interest on any Loan or any L/C Disbursement or any Fees is due, without the prior written consent of each Lender adversely affected thereby,

(iv) amend the provisions of Section 4.02 of the Collateral Agreement, or any analogous provision of any other Security Document, in a manner that would by its terms alter the *pro rata* sharing of payments required thereby, without the prior written consent of each Lender adversely affected thereby,

(v) amend or modify the provisions of this Section 10.08 or the definition of the terms "Required Lenders," "Majority Lenders," or any other provision of this Agreement specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Loans and Commitments are included on the Closing Date),

(vi) release all or substantially all the Collateral or all or substantially all of the Subsidiary Guarantors from their respective Guarantees under the Collateral Agreement, unless, in the case of a Subsidiary Guarantor, all or substantially all the Equity Interests of such Subsidiary Guarantor is sold or otherwise disposed of in a transaction permitted by this Agreement, without the prior written consent of each Lender, or

(vii) effect any waiver, amendment or modification that by its terms adversely affects the rights in respect of payments or collateral of Lenders participating in any Facility differently from those of Lender participating in another Facility, without the consent of the Majority Lenders participating in the adversely affected Facility (it being agreed that the Required Lenders may waive, in whole or in part, any prepayment or Commitment reduction required by Section 2.11 so long as the application of any prepayment or Commitment reduction still required to be made is not changed);

provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of either Agent or an Issuing Bank hereunder without the prior written consent of such Agent or such Issuing Bank acting as such at the effective date of such agreement, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 10.08 and any consent by any Lender pursuant to this Section 10.08 shall bind any Assignee of such Lender.

Notwithstanding the foregoing, (i) only the consent of the Required Revolving Facility Lenders shall be required to (and only the Required Revolving Facility Lenders shall have the ability to) waive, amend or modify the conditions set forth in Section 4.01 and (ii) only the consent of the Required Deferring Lenders shall be required (and only the Required Deferring Lenders shall have the ability to) waive, amend or modify Section 6.16.

(c) Without the consent of any Arranger or Lender or Issuing Bank, the Loan Parties and the Administrative Agent and/or Collateral Agent, as applicable, may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law.

(d) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrowers (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the Revolving Facility Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

(e) Notwithstanding the foregoing, technical and conforming modifications to the Loan Documents may be made with the consent of the Borrowers and the Administrative Agent to the extent necessary to integrate any Incremental Term Loan Commitments or Incremental Revolving Facility Commitments in a manner consistent with Section 2.21, including, with respect to Other Incremental Revolving Loans or Other Incremental Term Loans, as may be necessary to establish such Incremental Term Loan Commitments or Revolving Facility Loans as a separate Class or tranche from the existing Term Loan Commitments or Incremental Revolving Facility Commitments.

Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the “**Charges**”), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender or any Issuing Bank, shall exceed the maximum lawful rate (the “**Maximum Rate**”) that may be contracted for, charged, taken, received or reserved by such Lender in accordance with

applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender or such Issuing Bank, shall be limited to the Maximum Rate; provided that such excess amount shall be paid to such Lender or such Issuing Bank on subsequent payment dates to the extent not exceeding the legal limitation.

Section 10.09. Entire Agreement. This Agreement, the other Loan Documents and the agreements regarding certain Fees referred to herein constitute the entire contract between the parties relative to the subject matter of this Agreement. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter of this Agreement is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, any fee letters previously entered into between the Agents, the Arrangers and the Joint Bookrunners shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

Section 10.10. No Liability of the Issuing Bank. The Borrowers assume all risks of the acts or omissions of any beneficiary or transferee of any Letter of Credit with respect to its use of such Letter of Credit. Neither any Issuing Bank nor any of its officers or directors shall be liable or responsible for: (a) the use that may be made of any Letter of Credit or any acts or omissions of any beneficiary or transferee in connection therewith; (b) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; (c) payment by such Issuing Bank against presentation of documents that do not comply with the terms of a Letter of Credit, including failure of any documents to bear any reference or adequate reference to the Letter of Credit; or (d) any other circumstances whatsoever in making or failing to make payment under any Letter of Credit, except that the Borrowers shall have a claim against such Issuing Bank, and such Issuing Bank shall be liable to the Borrowers, to the extent of any direct, but not consequential, damages suffered by the Borrowers that the Borrowers prove were caused by (i) such Issuing Bank's willful misconduct or gross negligence as determined in a final, non-appealable judgment by a court of competent jurisdiction in determining whether documents presented under any Letter of Credit comply with the terms of the Letter of Credit or (ii) such Issuing Bank's willful failure to make lawful payment under a Letter of Credit after the presentation to it of a draft and certificates strictly complying with the terms and conditions of the Letter of Credit. In furtherance and not in limitation of the foregoing, such Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary.

Section 10.11. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE

FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS Section 10.11.

Section 10.12. Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 10.13. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 10.03. Delivery of an executed counterpart to this Agreement by facsimile transmission (or other electronic transmission pursuant to procedures approved by the Administrative Agent) shall be as effective as delivery of a manually signed original. The words “execution,” “signed,” “signature,” and words of like import in this Agreement and the other Loan Documents, including, without limitation, any Assignment and Assumption or Incremental Assumption Agreement, shall be deemed to include electronic signatures or the keeping of electronic records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.14. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 10.15. Jurisdiction; Consent to Service of Process.

(a) Submission to Jurisdiction. Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City in the borough of Manhattan, and any appellate court from any thereof (collectively, “New York Courts”), in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding shall be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Loan Documents in the courts of any jurisdiction, except that each

of the Loan Parties agrees that (a) it will not bring any such action or proceeding in any court other than New York Courts (it being acknowledged and agreed by the parties hereto that any other forum would be inconvenient and inappropriate in view of the fact that more of the Lenders who would be affected by any such action or proceeding have contacts with the State of New York than any other jurisdiction), and (b) in any such action or proceeding brought against any Loan Party in any other court, it will not assert any cross-claim, counterclaim or setoff, or seek any other affirmative relief, except to the extent that the failure to assert the same will preclude such Loan Party from asserting or seeking the same in the New York Courts.

(b) Waiver of Venue. Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York Court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Service of Process. Each Loan Party irrevocably appoints National Registered Agents, Inc. at 875 Avenue of the Americas, Suite 501, New York, New York 10001 as its authorized agent (the "Process Agent") on which any and all legal process may be served in any action, suit or proceeding brought in any New York Court. Each Loan Party agrees that service of process in respect of it upon the Process Agent, together with written notice of such service given to it in the manner provided for notices in Section 10.01, shall be deemed to be effective service of process upon it in any such action, suit or proceeding. Each Loan Party agrees that the failure of the Process Agent to give notice to it of any such service shall not impair or affect the validity of such service or any judgment rendered in any such action, suit or proceeding based thereon. If for any reason the Process Agent named above shall cease to be available to act as such, each Loan Party agrees to irrevocably appoint a replacement process agent in New York City, as its authorized agent for service of process, on the terms and for the purposes specified in this paragraph (c). Nothing in this Agreement or any other Loan Document will affect the right of any party hereto to serve process in any other manner permitted by applicable law or to obtain jurisdiction over any party or bring actions, suits or proceedings against any party in such other jurisdictions, and in such matter, as may be permitted by applicable law.

Section 10.16. Confidentiality. Each of the Lenders, each Issuing Bank and each of the Agents agrees that it shall maintain in confidence any information relating to any Loan Party and any Subsidiary furnished to it by or on behalf of such Loan Party or any Subsidiary (other than information that (a) has become generally available to the public other than as a result of a disclosure by such party, (b) has been independently developed by such Lender, such Issuing Bank or such Agent without violating this Section 10.16 or (c) was available to such Lender, such Issuing Bank or such Agent from a third party having, to such person's knowledge, no obligations of confidentiality to such Loan Party or any other Subsidiary) and shall not reveal the same other than to its Related Parties with a need to know and any numbering, administration or settlement service providers or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 10.16), except: (A) to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, the

National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, (B) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or self-regulatory authorities, including the National Association of Insurance Commissioners or the Financial Industry Regulatory Authority, (C) to its parent companies, Affiliates or auditors (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 10.16), (D) in order to enforce its rights under any Loan Document in a legal proceeding, (E) to any pledgee under Section 10.04(e) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (or any of its Related Parties) (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 10.16), (F) to any direct or indirect contractual counterparty in Swap Agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 10.16) and (G) to any credit insurance provider relating to the Borrowers and their obligations (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 10.16). In addition, each Agent, each Issuing Bank and each Lender may disclose the existence of this Agreement and customary information about this Agreement to market data collectors, similar services providers to the lending industry, and service providers to the Agents, the Issuing Banks and the Lenders in connection with the administration and management of this Agreement and the other Loan Documents.

Section 10.17. Platform; Borrower Materials. The Borrowers hereby acknowledge that (a) the Administrative Agent and/or the Arrangers will make available to the Lenders and the Issuing Banks materials and/or information provided by or on behalf of the Borrowers hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform"), and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrowers or their securities) (each, a "Public Lender"). Each Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (i) all the Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof, (ii) by marking Borrower Materials "PUBLIC," the Borrowers shall be deemed to have authorized the Administrative Agent, the Arranger, the Issuing Banks and the Lenders to treat the Borrower Materials as either publicly available information or not material information (although it may be sensitive and proprietary) with respect to the Borrowers or their securities for purposes of United States Federal and state securities laws, (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Investor"; and (iv) the Administrative Agent and the Arrangers shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Investor."

Section 10.18. Release of Liens and Guarantees. In the event that any equity holder conveys, sells, assigns, transfers or otherwise disposes of all or any portion of any of the Equity Interests or assets of any Subsidiary Guarantor to a person that is not thereby required to enter into a Subsidiary Guarantor Pledge Agreement in a transaction not prohibited by Section 6.05 the

Collateral Agent, without any recourse to or representation by it, shall promptly (and the Lenders hereby authorize the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by the Borrowers and at the Borrowers' expense to release any Liens created by any Loan Document in respect of such Equity Interests or assets, and, in the case of a disposition of the Equity Interests of any Subsidiary Guarantor in a transaction permitted by Section 6.05 and as a result of which such Subsidiary Guarantor would cease to be a Subsidiary, terminate such Subsidiary Guarantor's obligations under its Guarantee (and, in each case, the Administrative Agent and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry). Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents. In addition, the Collateral Agent agrees, without any recourse to or representation by it, to take such actions as are reasonably requested by the Borrowers and at the Borrowers' expense to terminate the Liens and security interests created by the Loan Documents when all the Obligations (other than contingent indemnification obligations and expense reimbursement claims to the extent no claim therefore has been made) are paid in full and all Letters of Credit and Commitments are terminated. Any such release of Obligations shall be deemed subject to the provision that such Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Borrower or any Subsidiary Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, any Borrower or any Subsidiary Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made. Any representation, warranty or covenant contained in any Loan Document relating to any such Equity Interests, asset or subsidiary of a Borrower shall no longer be deemed to be made once such Equity Interests or asset is so conveyed, sold, leased, assigned, transferred or disposed of.

Section 10.19. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of any Loan Party in respect of any such sum due from it to any Agent or Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrowers in the Agreement Currency, the Borrowers agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the person to whom such obligation was owing against such loss. If the amount of the

Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrowers (or to any other person who may be entitled thereto under applicable law).

Section 10.20. USA PATRIOT Act Notice. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act.

Section 10.21. Affiliate Lenders.

(a) Each Lender who is an Affiliate of the Borrowers (each, an “Affiliate Lender”; it being understood that neither the Borrowers, nor any of the Subsidiaries may be Affiliate Lenders), in connection with any (i) consent (or decision not to consent) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document, (ii) other action on any matter related to any Loan Document or (iii) direction to the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, agrees that, except with respect to any amendment, modification, waiver, consent or other action described in clauses (i), (ii) or (iii) of the first proviso of Section 10.08(b), such Affiliate Lender shall be deemed to have voted its interest as a Lender without discretion in such proportion as the allocation of voting with respect to such matter by Lenders who are not Affiliate Lenders. Subject to clause (c) below, the Borrowers and each Affiliate Lender hereby agree that if a case under Title 11 of the United States Code is commenced against a Borrower, such Borrower shall seek (and each Affiliate Lender shall consent) to designate the vote of any Affiliate Lender and the vote of any Affiliate Lender with respect to any plan of reorganization of such Borrower or any Affiliate of such Borrower shall not be counted. Each Affiliate Lender hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Affiliate Lender’s attorney-in-fact, with full authority in the place and stead of such Affiliate Lender and in the name of such Affiliate Lender, from time to time in the Administrative Agent’s discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this clause (a).

(b) Notwithstanding anything to the contrary in this Agreement, no Affiliate Lender shall have any right to (a) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Borrowers are not then present, (b) receive any information or material prepared by Administrative Agent or any Lender or any communication by or among Administrative Agent and/or one or more Lenders, except to the extent such information or materials have been made available to the Borrowers or their representatives, or (c) make or bring (or participate in, other than as a passive participant in or recipient of its pro rata benefits of) any claim, in its capacity as a Lender, against Administrative Agent, the Collateral Agent or any other Lender with respect to any duties or obligations or alleged duties or obligations of such Agent or any other such Lender under the Loan Documents, (d) own more than 25% of the aggregate principal amount of

outstanding Term Loans or (e) purchase Revolving Facility Loans or Revolving Facility Commitments. It shall be a condition precedent to each assignment to an Affiliate Lender that such Lender shall have represented in the applicable Assignment and Acceptance, and notified the Administrative Agent (i) that it is (or will be, following the consummation of such assignment) an Affiliate Lender, (ii) that the aggregate amount of Term Loans held by it giving effect to such assignments shall not exceed the amount permitted by clause (d) of the preceding sentence, and (iii) that, as of the date of such purchase and assignment, it is not in possession of material non-public information with respect to the Borrowers, their subsidiaries or their respective securities that (A) has not been disclosed to the assigning Lender prior to such date and (B) could reasonably be expected to have a material effect upon, or otherwise be material to, a Lender's decision to assign Terms Loans to such Affiliate Lender.

Section 10.22. No Advisory or Fiduciary Responsibility. In connection with all aspects of the Transactions contemplated hereby, the Borrowers acknowledge and agree that: (i) the credit facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Borrowers, the other Loan Parties and their respective Affiliates, on the one hand, and the Agents, the Arrangers and the Lenders, on the other hand, and the Borrowers and the other Loan Parties are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof); (ii) in connection with the process leading to such transaction, each Agent, each Arranger and each Lender is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for the Borrowers, any Loan Party or any of their respective Affiliates, stockholders, creditors or employees or any other person; (iii) none of the Agents, any Arranger or any Lender has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Borrowers or any other Loan Party with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether any Agent, any Arranger or any Lender has advised or is currently advising the Borrowers or any other Loan Party or their respective Affiliates on other matters) and none of the Agents, any Arranger or any Lender has any obligation to any of the Borrowers, the other Loan Parties or their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; (iv) the Agents, the Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrowers and the other Loan Parties and their respective Affiliates, and none of the Agents, any Arranger or any Lender has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) the Agents, the Arrangers and the Lenders have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and the Borrowers and the other Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent they deemed appropriate. Each Borrower hereby agrees that it will not claim that any of the Agents, the Arrangers, the Lenders or their respective affiliates has rendered advisory services of any nature or respect or owes any fiduciary duty to it in connection with any aspect of any transaction contemplated hereby.

Section 10.23. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 10.24. Borrower Representative. Each Borrower hereby designates and appoints the Company as its representative and agent on its behalf (the “Borrower Representative”) for the purposes of issuing Borrowing Requests, Interest Election Requests, and requests for Letters of Credit, delivering certificates, giving instructions with respect to the disbursement of the proceeds of the Loans, selecting interest rate options, giving and receiving all other notices and consents hereunder or under any of the other Loan Documents and taking all other actions (including in respect of compliance with covenants) on behalf of any Borrower or the Borrowers under the Loan Documents. The Borrower Representative hereby accepts such appointment. Each Agent and each Lender may regard any notice or other communication pursuant to any Loan Document from the Borrower Representative as a notice or communication from both Borrowers. Each warranty, covenant, agreement and undertaking made on behalf of a Borrower by the Borrower Representative shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower.

Section 10.25. Joint and Several Liability. The obligations of each Borrower hereunder are absolute and unconditional irrespective of the value, genuineness, validity, regularity or enforceability of the obligations of the other Borrower under this Agreement or any other Loan Document, or any substitution, release or exchange of any other guarantee of or security for any of the Obligations, and, to the fullest extent permitted by applicable law, irrespective of any other circumstance whatsoever which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 10.25 that the joint and several

obligations of the Company and the Co-Borrower hereunder shall be absolute and unconditional under any and all circumstances.

Section 10.26. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers, the Joint Bookrunners and each Co-Documentation Agent and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a

Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers, the Joint Bookrunners and the Co-Documentation Agents and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent, any Arranger, any Joint Bookrunner or any Co-Documentation Agent or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

(c) The Administrative Agent, each Arranger, each Joint Bookrunner and each Co-Documentation Agent hereby informs the Lenders that each such Person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments and this Agreement, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

Section 10.27. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if

the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

EMPLOYMENT AGREEMENT

THIS EMPLOYMENT AGREEMENT (this “Agreement”) is made and entered into this 10th day of January 2019, by and between NCL (Corporation) Ltd., a company organized under the laws of Bermuda (the “Company”), and Harry Sommer (the “Executive”).

RECITALS

THE PARTIES ENTER THIS AGREEMENT on the basis of the following facts, understandings and intentions:

A. The Company desires to offer the Executive the benefits set forth in this Agreement and provide for the services of the Executive on the terms and conditions set forth in this Agreement.

B. The Executive desires to be employed by the Company on the terms and conditions set forth in this Agreement.

C. This Agreement shall govern the employment relationship between the Executive and the Company and all of its affiliates from and after the date hereof, and supersedes and negates any previous agreements with respect to such relationship.

AGREEMENT

NOW, THEREFORE, in consideration of the above recitals incorporated herein and the mutual covenants and promises contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby expressly acknowledged, the parties agree as follows:

1. Retention and Duties.

1.1 Retention. The Company does hereby agree to employ the Executive for the Period of Employment (as such term is defined in Section 2) on the terms and conditions expressly set forth in this Agreement. The Executive does hereby accept and agree to such employment, on the terms and conditions expressly set forth in this Agreement.

1.2 Duties. During the Period of Employment, the Executive shall serve the Company as its President, International, and shall be appointed to such position on the first day of the Period of Employment. The Executive shall have duties and obligations generally consistent with that position as the Company may assign from time to time. The Executive shall comply with the corporate policies of the Company as they are in effect from time to time throughout the Period of Employment (including, without limitation, the Company’s Code of Ethical Business Conduct policy, as it may change from time to time). During the Period of Employment, the Executive shall report directly to the President and Chief

Executive Officer of the Company, or his/her designee. During the Period of Employment, the Executive shall perform services for Norwegian Cruise Line Holdings Ltd., a company organized under the laws of Bermuda (the “Parent”), and the Parent’s other subsidiaries, but shall not be entitled to any additional compensation with respect to such services.

1.3 No Other Employment; Minimum Time Commitment. During the Period of Employment, the Executive shall (i) devote substantially all of the Executive’s business time, energy and skill to the performance of the Executive’s duties for the Company, (ii) perform such duties in a faithful, effective and efficient manner to the best of Executive’s abilities, and (iii) hold no other employment. The Executive’s service on the boards of directors (or similar body) of other business entities is subject to the approval of the Board of Directors of the Parent (the “Board”), provided that the Executive shall be permitted to serve on one board of directors (or similar bodies) during the Period of Employment, subject to the Company’s rights to require the Executive’s resignation pursuant to the following sentence. The Company shall have the right to require the Executive to resign from any board or similar body (including, without limitation, any association, corporate, civic or charitable board or similar body) which he may then serve if the Board reasonably determines that the Executive’s service on such board or body materially interferes with the effective discharge of the Executive’s duties and responsibilities or that any business related to such service is then in competition with any business of the Company or any of its Affiliates (as such term is defined in Section 5.5), successors or assigns.

1.4 No Breach of Contract. The Executive hereby represents to the Company that: (i) the execution and delivery of this Agreement by the Executive and the Company and the performance by the Executive of the Executive’s duties hereunder do not and shall not constitute a breach of, conflict with, or otherwise contravene or cause a default under, the terms of any other agreement or policy to which the Executive is a party or otherwise bound or any judgment, order or decree to which the Executive is subject; (ii) that the Executive has no information (including, without limitation, confidential information and trade secrets) relating to any other Person (as such term is defined in Section 5.5) which would prevent, or be violated by, the Executive entering into this Agreement or carrying out Executive’s duties hereunder; (iii) the Executive is not bound by any employment, consulting, non-compete, confidentiality, trade secret or similar agreement (other than this Agreement) with any other Person; and (iv) the Executive understands the Company will rely upon the accuracy and truth of the representations and warranties of the Executive set forth herein and the Executive consents to such reliance.

1.5 Location. During the Period of Employment, the Executive’s principal place of employment shall be the Company’s principal executive office as it may be located from time to time. The Executive agrees that he will be regularly present at the Company’s principal executive office. The Executive acknowledges

that he will be required to travel from time to time in the course of performing Executive's duties for the Company.

2. Period of Employment. The "Period of Employment" shall be a period commencing on January 1, 2019 (the "Effective Date") and ending at the close of business on the first December 31st following the second anniversary of the Effective Date (the "Termination Date"); provided, however, that this Agreement shall be automatically renewed, and the Period of Employment shall be automatically extended for one (1) additional year on the Termination Date and each anniversary of the Termination Date thereafter, unless either party gives written notice at least sixty (60) days prior to the expiration of the Period of Employment (including any renewal thereof) of such party's desire to terminate the Period of Employment (such notice to be delivered in accordance with Section 18). The term "Period of Employment" shall include any extension thereof pursuant to the preceding sentence. Notwithstanding the foregoing, the Period of Employment is subject to earlier termination as provided below in this Agreement.

3. Compensation.

3.1 Base Salary. During the Period of Employment, the Company shall pay the Executive a base salary (the "Base Salary"), which shall be paid biweekly or in such other installments as shall be consistent with the Company's regular payroll practices in effect from time to time. The Executive's Base Salary shall be at an annualized rate of Seven Hundred Thousand dollars (\$700,000.00). The Compensation Committee of the Board (the "Compensation Committee") will review the Executive's rate of Base Salary on an annual basis and may, in its sole discretion, increase (but not decrease) the rate then in effect.

3.2 Incentive Bonus. Beginning with the 2019 fiscal year, the Executive shall be eligible to receive an incentive bonus for each fiscal year of the Company that occurs during the Period of Employment ("Incentive Bonus"); provided that, except as provided in Section 5.3, the Executive must be employed by the Company at the time the Company pays the Incentive Bonus with respect to any such fiscal year in order to be eligible for an Incentive Bonus with respect to that fiscal year (and, if the Executive is not so employed at such time, in no event shall he have been considered to have "earned" any Incentive Bonus with respect to the fiscal year in question). The Executive's actual Incentive Bonus amount for a particular fiscal year shall be determined by the Compensation Committee in its sole discretion, based on performance objectives (which may include corporate, business unit or division, financial, strategic, individual or other objectives) established with respect to that particular fiscal year by the Compensation Committee. Any Incentive Bonus becoming payable for a particular fiscal year shall be paid in the following fiscal year following the close of the audit and generally by March 31.

3.3 Equity Award. The Executive shall be eligible to participate in the Parent's 2013 Performance Incentive Plan (together with any successor equity incentive plan, the "Parent Equity Plan") and to receive grants of equity awards

under the Parent Equity Plan as may be approved from time to time by the Compensation Committee in its sole discretion.

4. **Benefits.**

4.1 Retirement, Welfare and Fringe Benefits. During the Period of Employment, the Executive shall be entitled to participate, on a basis generally consistent with other similarly situated executives, in all employee pension and welfare benefit plans and programs, all fringe benefit plans and programs and all other benefit plans and programs (including those providing for perquisites or similar benefits) that are made available by the Company to the Company's other similarly situated executives generally, in accordance with the eligibility and participation provisions of such plans and as such plans or programs may be in effect from time to time. The Executive's participation in the foregoing plans and programs is subject to the eligibility and participation provisions of such plans, and the Company's right to amend or terminate such plans from time to time in accordance with their terms.

4.2 Medical Executive Reimbursement Plan. During the Period of Employment, the Company will provide the Executive, and the Executive's spouse and dependent children, with a Medical Executive Reimbursement Plan (the "MERP"), subject to the terms and conditions of such plan.

4.3 Company Automobile. During the Period of Employment, the Company shall provide the Executive with a monthly cash car allowance of up to One Thousand Five Hundred dollars (\$1,500.00) per month, in accordance with the Company's policy as in effect from time to time.

4.4 Reimbursement of Business Expenses. The Executive is authorized to incur reasonable expenses in carrying out the Executive's duties for the Company under this Agreement and shall be entitled to reimbursement for all reasonable business expenses the Executive incurs during the Period of Employment in connection with carrying out the Executive's duties for the Company, subject to the Company's expense reimbursement policies and any pre-approval policies in effect from time to time.

4.5 Vacation and Other Leave. During the Period of Employment, the Executive's annual rate of vacation accrual shall be five (5) weeks per year; provided that such vacation shall accrue on a bi-weekly basis in accordance with the Company's regular payroll cycle and be subject to the Company's vacation policies in effect from time to time. The Executive shall also be entitled to all other holiday and leave pay generally available to other similarly situated executives of the Company.

5. **Termination.**

5.1 Termination by the Company. The Executive's employment by the Company, and the Period of Employment, may be terminated at any time by the

Company: (i) with Cause (as such term is defined in Section 5.5), or (ii) without Cause, or (iii) in the event of the Executive's death, or (iv) in the event that the Board determines in good faith that the Executive has a Disability (as such term is defined in Section 5.5).

5.2 Termination by the Executive. The Executive's employment by the Company, and the Period of Employment, may be terminated by the Executive with or without Good Reason (as such term is defined in Section 5.5) upon written notice to the Company (such notice to be delivered in accordance with Section 18).

5.3 Benefits Upon Termination. If the Executive's employment by the Company is terminated during the Period of Employment for any reason by the Company or by the Executive, or upon or following the expiration of the Period of Employment (in any case, the date that the Executive's employment by the Company terminates is referred to as the "Severance Date"), the Company shall have no further obligation to make or provide to the Executive, and the Executive shall have no further right to receive or obtain from the Company, any payments or benefits except as follows:

- (a) The Company shall pay the Executive (or, in the event of Executive's death, the Executive's estate) any Accrued Obligations (as such term is defined in Section 5.5);
 - (b) Unless the provisions of Section 5.3(c) below apply, if, during the Period of Employment, the Executive's employment with the Company is terminated (1) by the Company without Cause (and other than due to the Executive's death or in connection with a good faith determination by the Board that the Executive has a Disability), (2) by the Executive for Good Reason, or (3) as a result of the Company's provision of notice to the Executive that this Agreement shall not be extended or further extended, the Executive shall be entitled to the following benefits:
 - (i) The Company shall pay the Executive (in addition to the Accrued Obligations), subject to tax withholding and other authorized deductions, an amount equal to two times Executive's Base Salary at the annualized rate in effect on the Severance Date. Such amount is referred to hereinafter as the "Severance Benefit." Subject to Section 5.7(a), the Company shall pay the Severance Benefit to the Executive in substantially equal installments in accordance with the Company's standard payroll practices over a period of twelve (12) consecutive months, with the first installment payable in the month following the month in which the Executive's Separation from Service (as such term is defined in Section 5.5) occurs. (For purposes of clarity, each such installment shall equal the applicable fraction of the aggregate Severance Benefit.)
-

- (ii) Subject to the Executive's continued payment of the same percentage of the applicable premiums as he was paying on the Severance Date, the Company will pay or reimburse the Executive for Executive's premiums charged to continue medical and dental coverage pursuant to the Consolidated Omnibus Budget Reconciliation Act ("COBRA"), and the Executive shall also be entitled to continued participation in the MERP, at the same or reasonably equivalent medical coverage for the Executive (and, if applicable, the Executive's eligible dependents) as in effect immediately prior to the Severance Date, to the extent that the Executive elects such continued coverage (the "COBRA Benefit"); provided that the Company's obligation to make any payment or reimbursement pursuant to this clause (ii) shall, subject to Section 5.7(a), commence with continuation coverage for the month following the month in which the Executive's Separation from Service occurs and shall cease with continuation coverage for the eighteenth month following the month in which the Executive's Separation from Service occurs (or, if earlier, shall cease upon the first to occur of the Executive's death, the date the Executive becomes eligible for coverage under the health plan of a future employer, or the date the Company ceases to offer group medical coverage or the MERP to its active executive employees or the Company is otherwise under no obligation to offer COBRA continuation coverage to the Executive). To the extent the Executive elects COBRA coverage, he shall notify the Company in writing of such election prior to such coverage taking effect and complete any other continuation coverage enrollment procedures the Company may then have in place.
 - (iii) The Company shall pay the Executive, subject to tax withholding and other authorized deductions, a pro-rata portion of the Incentive Bonus for the fiscal year in which the Executive's employment terminates (the "Pro-Rata Bonus"). The Pro-Rata Bonus shall equal the Incentive Bonus for the fiscal year of termination multiplied by a fraction, the numerator of which is the number of days in the current fiscal year through the Severance Date and the denominator is 365. Any Pro-Rata Bonus that becomes payable will be paid if and when the Incentive Bonus for active employees is paid (following the completion of the audit in the following calendar year).
- (c) If, during the Period of Employment and within three months prior to a Change in Control or twenty-four months following a Change in Control, the Executive's employment with the Company is terminated (1) by the Company without Cause (and other than due to the Executive's death or in connection with a good faith determination by the Board that the Executive has a Disability), or (2) by the Executive for Good Reason, or
-

(3) as a result of the Company's provision of notice to the Executive that this Agreement shall not be extended or further extended, the Executive shall be entitled to the following benefits in lieu of the benefits described under Section 5.3(b):

- (i) The Company shall pay the Executive (in addition to the Accrued Obligations), subject to tax withholding and other authorized deductions, an amount equal to two times Executive's Base Salary at the annualized rate in effect on the Severance Date. Such amount is referred to hereinafter as the "Change in Control Severance Benefit." Subject to Section 5.7(a), the Company shall pay the Change in Control Severance Benefit to the Executive in substantially equal installments in accordance with the Company's standard payroll practices over a period of twelve (12) consecutive months, with the first installment payable in the month following the month in which the Executive's Separation from Service (as such term is defined in Section 5.5) occurs. (For purposes of clarity, each such installment shall equal the applicable fraction of the aggregate Change in Control Severance Benefit.)
 - (ii) The Company shall provide the COBRA Benefit described in Section 5.3(b)(ii) above on the terms and conditions specified in that section until the eighteenth month following the month in which the Executive's Separation from Service occurs.
 - (iii) The Company shall pay the Executive, subject to tax withholding and other authorized deductions, the Pro-Rata Bonus, as described in Section 5.3(b)(iii) above.
 - (iv) At the Severance Date, all then outstanding and unvested equity awards granted under the Parent Equity Plan or any predecessor equity incentive plan shall receive full accelerated vesting.
- (d) Notwithstanding the foregoing provisions of this Section 5.3, if the Executive breaches Executive's obligations under Section 6 of this Agreement at any time, from and after the date of such breach and not in any way in limitation of any right or remedy otherwise available to the Company, the Executive will no longer be entitled to, and the Company will no longer be obligated to pay, any remaining unpaid portion of the Severance Benefit or Change in Control Severance Benefit, the Pro-Rata Bonus, or the COBRA Benefit; provided that, if the Executive provides the release contemplated by Section 5.4, in no event shall the Executive be entitled to a Severance Benefit or Change in Control Severance Benefit payment of less than \$5,000, which amount the parties agree is good and adequate consideration, in and of itself, for the Executive's release contemplated by Section 5.4.
-

- (e) The foregoing provisions of this Section 5.3 shall not affect: (i) the Executive's receipt of benefits otherwise due terminated employees under group insurance coverage consistent with the terms of the applicable Company welfare benefit plan; or (ii) the Executive's rights under COBRA to continue participation in medical, dental, hospitalization and life insurance coverage.

5.4 Release; Exclusive Remedy.

- (a) This Section 5.4 shall apply notwithstanding anything else contained in this Agreement or any stock option or other equity-based award agreement to the contrary. As a condition precedent to any Company obligation to the Executive pursuant to Sections 5.3(b) or (c), the Executive shall, upon or promptly following his or her last day of employment with the Company (and in any event within twenty-one (21) days following the Executive's last day of employment), execute a general release agreement in substantially the form of Exhibit A (with such amendments that may be necessary to ensure the release is enforceable to the fullest extent permissible under then applicable law), and such release agreement shall have not been revoked by the Executive pursuant to any revocation rights afforded by applicable law.
- (b) The Executive agrees that the payments and benefits contemplated by Section 5.3 (and any applicable acceleration of vesting of an equity-based award in accordance with the terms of such award in connection with the termination of the Executive's employment) shall constitute the exclusive and sole remedy for any termination of Executive's employment and the Executive covenants not to assert or pursue any other remedies, at law or in equity, with respect to any termination of employment. The Company and the Executive acknowledge and agree that there is no duty of the Executive to mitigate damages under this Agreement. All amounts paid to the Executive pursuant to Section 5.3 shall be paid without regard to whether the Executive has taken or takes actions to mitigate damages. The Executive agrees to resign, on the Severance Date, as an officer and director of the Company and any Affiliate of the Company, and as a fiduciary of any benefit plan of the Company or any Affiliate of the Company, and to promptly execute and provide to the Company any further documentation, as requested by the Company, to confirm such resignation.

5.5 Certain Defined Terms.

- (a) As used herein, "Accrued Obligations" means:
 - (i) any Base Salary that had accrued but had not been paid on or before the Severance Date (including accrued and unpaid vacation time to the extent that the Executive is entitled to accrued vacation
-

in accordance with the Company's policy in effect at the applicable time); and (ii) any reimbursement due to the Executive pursuant to Section 4.4 for expenses reasonably incurred by the Executive on or before the Severance Date and documented and pre-approved, to the extent applicable, in accordance with the Company's expense reimbursement policies in effect at the applicable time.

- (b) As used herein, "Affiliate" of the Company means a Person that directly or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, the Company. As used in this definition, the term "control," including the correlative terms "controlling," "controlled by" and "under common control with," means the possession, directly or indirectly, of the power to direct or cause the direction of management or policies (whether through ownership of securities or any partnership or other ownership interest, by contract or otherwise) of a Person. For purposes of clarity and without limiting the generality of the foregoing, the term "Affiliate" includes any Person that meets the definition of "Affiliate" and is, directly or indirectly through any other Person, engaged in the Business (as such term is defined in Section 6.2) if that Person is controlled by Apollo Global Management, LLC or any of its affiliated funds or Genting HK and its affiliates. However, any Person that would not otherwise be an Affiliate of the Company but for its ownership by Apollo Global Management, LLC or its affiliated funds shall not be considered an Affiliate if such Person is not, directly or indirectly through any other Person, engaged in the Business (as such term is defined in Section 6.2).
- (c) As used herein, "Cause" shall mean, as reasonably determined by the Chief Executive Officer based on the information then known to him, that one or more of the following has occurred:
- (i) the Executive has committed a felony (under the laws of the United States or any relevant state, or a similar crime or offense under the applicable laws of any relevant foreign jurisdiction), other than through vicarious liability not related to the Company or any of its Affiliates;
 - (ii) the Executive has engaged in acts of fraud, dishonesty or other acts of willful misconduct;
 - (iii) the Executive willfully fails to perform or uphold Executive's duties under this Agreement and/or willfully fails to comply with reasonable directives of the Board and/or Chief Executive Officer, in either case after there has been delivered to the Executive a written demand for performance from the Company and the Executive fails to remedy such condition(s) within ten (10) days of receiving such written notice thereof; or
-

- (iv) any breach by the Executive of the provisions of Section 6, or any material breach by the Executive of any other contract he is a party to with the Company or any of its Affiliates.
 - (d) As used herein, “Change in Control” shall mean the following:
 - (i) The consummation by the Parent of a merger, consolidation, reorganization, or business combination, other than a transaction:
 - (A) Which results in the Parent’s voting securities outstanding immediately before the transaction continuing to represent (either by remaining outstanding or by being converted into voting securities of the Parent or the Person that, as a result of the transaction, controls, directly or indirectly, the Parent or owns, directly or indirectly, all or substantially all of the Parent’s assets or otherwise succeeds to the business of the Parent (the Parent or such person, the “Successor Entity”)) directly or indirectly, at least a majority of the combined voting power of the Successor Entity’s outstanding voting securities immediately after the transaction, and;
 - (B) After which no person or group (as such terms are used in Sections 13(d) and 14(d)(2) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”)) beneficially owns (within the meaning of Rule 13d-3 under the Exchange Act) voting securities representing 50% or more of the combined voting power of the Successor Entity; provided, however, that no person or group shall be treated for purposes of this Section 5.5(d) (i)(B) as beneficially owning 50% or more of combined voting power of the Successor Entity solely as a result of the voting power held in the Parent prior to the consummation of the transaction; or
 - (ii) A sale or other disposition of all or substantially all of the Parent’s assets in any single transaction or series of related transactions; or
 - (iii) A transaction or series of transactions (other than an offering of stock to the general public through a registration statement filed with the Securities and Exchange Commission) whereby any person or group (as such terms are used in Sections 13(d) and 14(d)(2) of the Exchange Act) (other than the Parent, any of its subsidiaries, an employee benefit plan maintained by the Parent or any of its subsidiaries or a person or group that, prior to such transaction, directly or indirectly controls, is controlled by, or is under common control with, the Parent) directly or indirectly acquires beneficial ownership (within the meaning of Rule 13d-3
-

under the Exchange Act) of securities of the Parent and immediately after such acquisition possesses more than 50% of the total combined voting power of the Parent's securities outstanding immediately after such acquisition; or

- (iv) Individuals who, on the Effective Date, constitute the Board together with any new director(s) whose election by the Board was not in connection with an actual or threatened proxy contest, cease for any reason to constitute a majority thereof.
 - (e) As used herein, "Disability" shall mean a physical or mental impairment which, as reasonably determined by the Board, renders the Executive unable to perform the essential functions of Executive's employment with the Company, even with reasonable accommodation that does not impose an undue hardship on the Company, for more than 90 days in any 180-day period, unless a longer period is required by federal or state law, in which case that longer period would apply.
 - (f) As used herein, "Good Reason" shall mean that the Executive has complied with the "Good Reason Process" following the occurrence of any of the following events (referred to individually as a "Good Reason Event" and collectively as "Good Reason Events"): (A) any substantial adverse change, not consented to by the Executive in a writing signed by the Executive, in the nature or scope of the Executive's responsibilities, authorities, powers, functions, or duties; (B) an involuntary reduction in the Executive's Base Salary; (C) a breach by the Company of any of its material obligations under this Agreement; or (D) the requirement that the Executive be relocated from the Company's primary offices at which the Executive is principally employed to a location more than sixty (60) miles from the Company's current principal offices, or the requirement by the Company for the Executive to be based anywhere other than the Company's principal offices at such current location (or more than sixty (60) miles therefrom) on an extended basis, except for required travel on the Company's business to an extent substantially consistent with the Executive's current business travel obligations.
 - (g) As used herein, "Good Reason Process" shall mean that (i) the Executive reasonably determines in good faith that a Good Reason Event has occurred; (ii) the Executive notifies the Company in writing (such notice to be delivered in accordance with Section 18) of the occurrence of the Good Reason Event within 10 days thereof and the Executive's intent to terminate employment as a result thereof; and (iii) one or more of the Good Reason Events continues to exist for a period of more than thirty (30) days following such notice and has not been modified or cured in a manner acceptable to the Executive, in which case the Executive's employment shall automatically terminate on the thirty-first (31st) day after the date such notice is given.
-

- (h) As used herein, the term “Person” shall be construed broadly and shall include, without limitation, an individual, a partnership, a limited liability company, a corporation, an association, a joint stock company, a trust, a joint venture, an unincorporated organization and a governmental entity or any department, agency or political subdivision thereof.
- (i) As used herein, a “Separation from Service” occurs when the Executive dies, retires, or otherwise has a termination of employment with the Company that constitutes a “separation from service” within the meaning of Treasury Regulation Section 1.409A-1(h)(1), without regard to the optional alternative definitions available thereunder.

5.6 Notice of Termination. Any termination of the Executive’s employment under this Agreement shall be communicated by written notice of termination from the terminating party to the other party. This notice of termination must be delivered in accordance with Section 18 and must indicate the specific provision(s) of this Agreement relied upon in effecting the termination and the basis of any termination by the Company for Cause or by the Executive for Good Reason.

5.7 Section 409A.

- (a) If the Executive is a “specified employee” within the meaning of Treasury Regulation Section 1.409A-1(i) as of the date of the Executive’s Separation from Service, the Executive shall not be entitled to any payment or benefit pursuant to Sections 5.3(b) or (c) until the earlier of (i) the date which is six (6) months after Executive’s Separation from Service for any reason other than death, or (ii) the date of the Executive’s death. The provisions of this paragraph shall only apply if, and to the extent, required to avoid the imputation of any tax, penalty or interest pursuant to Section 409A of the Code. For purposes of clarity, the six (6) month delay shall not apply in the case of any short-term deferral as contemplated by Treasury Regulation Section 1.409A-1(b)(4) or severance pay contemplated by Treasury Regulation Section 1.409A-1(b)(9)(iii) to the extent of the limits set forth therein. Any amounts otherwise payable to the Executive upon or in the six (6) month period following the Executive’s Separation from Service that are not so paid by reason of this Section 5.7(a) shall be paid (without interest) as soon as practicable (and in all events within thirty (30) days) after the date that is six (6) months after the Executive’s Separation from Service (or, if earlier, as soon as practicable, and in all events within thirty (30) days, after the date of the Executive’s death).
 - (b) To the extent that any benefits pursuant to Sections 5.3(b)(ii) or (c)(ii) or reimbursements pursuant to Section 4 are taxable to the Executive, any reimbursement payment due to the Executive pursuant to any such provision shall be paid to the Executive on or before the last day of the
-

Executive's taxable year following the taxable year in which the related expense was incurred. The benefits and reimbursements pursuant to Sections 5.3(b)(ii) and (c)(ii) and Section 4 are not subject to liquidation or exchange for another benefit and the amount of such benefits and reimbursements that the Executive receives in one taxable year shall not affect the amount of such benefits or reimbursements that the Executive receives in any other taxable year.

- (c) Any installment payments provided for in this Agreement shall be treated as separate payments for purposes of Section 409A of the Code. To the extent required to avoid the imputation of any tax, penalty or interest pursuant to Section 409A of the Code, the definition of Change in Control will be interpreted to mean a change in the ownership, effective control or ownership of a substantial portion of assets of Parent within the meaning of Section 409A of the Code. This Agreement is intended to comply with the requirements of Section 409A of the Code and shall be interpreted consistent with this intent so as to avoid the imputation of any tax, penalty or interest pursuant to Section 409A of the Code.

5.8 Possible Limitation of Benefits in Connection with a Change in Control.

Notwithstanding anything contained in this Agreement to the contrary, if following a change in ownership or effective control or in the ownership of a substantial portion of assets (in each case, within the meaning of Section 280G of the Code), the tax imposed by Section 4999 of the Code or any similar or successor tax (the "Excise Tax") applies to any payments, benefits and/or amounts received by the Executive pursuant to this Agreement or otherwise, including, without limitation, any acceleration of the vesting of outstanding stock options or other equity awards (collectively, the "Total Payments"), then the Total Payments shall be reduced (but not below zero) so that the maximum amount of the Total Payments (after reduction) shall be one dollar (\$1.00) less than the amount which would cause the Total Payments to be subject to the Excise Tax; provided that such reduction to the Total Payments shall be made only if the total after-tax benefit to the Executive is greater after giving effect to such reduction than if no such reduction had been made. If such a reduction is required, the Company shall reduce or eliminate the Total Payments by first reducing or eliminating any cash payments under this Agreement, then by reducing or eliminating any accelerated vesting of stock options, then by reducing or eliminating any accelerated vesting of other equity awards, then by reducing or eliminating any other remaining Total Payments, in each case in reverse order beginning with the payments which are to be paid the farthest in time from the date of the transaction triggering the Excise Tax. The provisions of this Section 5.8 shall take precedence over the provisions of any other plan, arrangement or agreement governing the Executive's rights and entitlements to any benefits or compensation.

6. Protective Covenants.

6.1 Confidential Information; Inventions.

- (a) The Executive shall not disclose or use at any time, either during the Period of Employment or thereafter, any Confidential Information (as defined below) of which the Executive is or becomes aware, whether or not such information is developed by Executive, except to the extent that such disclosure or use is directly related to and required by the Executive's performance in good faith of duties for the Company. The Executive will take all appropriate steps to safeguard Confidential Information in Executive's possession and to protect it against disclosure, misuse, espionage, loss and theft. The Executive shall deliver to the Company at the termination of the Period of Employment, or at any time the Company may request, all memoranda, notes, plans, records, reports, computer tapes and software and other documents and data (and copies thereof) relating to the Confidential Information or the Work Product (as hereinafter defined) of the business of the Company or any of its Affiliates which the Executive may then possess or have under Executive's control. Notwithstanding the foregoing, the Executive may truthfully respond to a lawful and valid subpoena or other legal process, but shall give the Company the earliest possible notice thereof, shall, as much in advance of the return date as possible, make available to the Company and its counsel the documents and other information sought, and shall assist the Company and such counsel in resisting or otherwise responding to such process. Nothing in this Agreement prohibits Executive from reporting possible violations of federal law or regulation to any governmental agency or entity, or making other disclosures that are protected under the whistleblower provisions of federal law or regulation. Executive does not need the prior authorization to make any such reports or disclosures and is not required to notify the Employer of such reports or disclosures.
- (b) As used in this Agreement, the term "Confidential Information" means information that is not generally known to the public and that is used, developed or obtained by the Company or its Affiliates in connection with their businesses, including, but not limited to, information, observations and data obtained by the Executive while employed by the Company or any predecessors thereof (including those obtained prior to the Effective Date) concerning (i) the business or affairs of the Company (or such predecessors), (ii) products or services, (iii) fees, costs and pricing structures, (iv) designs, (v) analyses, (vi) drawings, photographs and reports, (vii) computer software, including operating systems, applications and program listings, (viii) flow charts, manuals and documentation, (ix) data bases, (x) accounting and business methods, (xi) inventions, devices, new developments, methods and processes, whether patentable or unpatentable and whether or not reduced to practice, (xii) customers and clients and customer or client lists, (xiii) other copyrightable works, (xiv) all production methods, processes, technology and trade secrets, and (xv) all similar and related information in whatever form. Confidential
-

Information will not include any information that has been published (other than a disclosure by the Executive in breach of this Agreement) in a form generally available to the public prior to the date the Executive proposes to disclose or use such information. Confidential Information will not be deemed to have been published merely because individual portions of the information have been separately published, but only if all material features comprising such information have been published in combination.

- (c) As used in this Agreement, the term “Work Product” means all inventions, innovations, improvements, technical information, systems, software developments, methods, designs, analyses, drawings, reports, service marks, trademarks, trade names, logos and all similar or related information (whether patentable or unpatentable, copyrightable, registerable as a trademark, reduced to writing, or otherwise) which relates to the Company’s or any of its Affiliates’ actual or anticipated business, research and development or existing or future products or services and which are conceived, developed or made by the Executive (whether or not during usual business hours, whether or not by the use of the facilities of the Company or any of its Affiliates, and whether or not alone or in conjunction with any other person) while employed by the Company (including those conceived, developed or made prior to the Effective Date) together with all patent applications, letters patent, trademark, trade name and service mark applications or registrations, copyrights and reissues thereof that may be granted for or upon any of the foregoing. All Work Product that the Executive may have discovered, invented or originated during Executive’s employment by the Company or any of its Affiliates prior to the Effective Date or that she may discover, invent or originate during the Period of Employment or at any time prior to the Severance Date, shall be the exclusive property of the Company and its Affiliates, as applicable, and Executive hereby assigns all of Executive’s right, title and interest in and to such Work Product to the Company or its applicable Affiliate, including all intellectual property rights therein. Executive shall promptly disclose all Work Product to the Company, shall execute at the request of the Company any assignments or other documents the Company may deem necessary to protect or perfect its (or any of its Affiliates’, as applicable) rights therein, and shall assist the Company, at the Company’s expense, in obtaining, defending and enforcing the Company’s (or any of its Affiliates’, as applicable) rights therein. The Executive hereby appoints the Company as Executive’s attorney-in-fact to execute on Executive’s behalf any assignments or other documents deemed necessary by the Company to protect or perfect the Company’s (and any of its Affiliates’, as applicable) rights to any Work Product.

6.2 Restriction on Competition. The Executive acknowledges that, in the course of Executive’s employment with the Company and/or its Affiliates, he has become familiar, or will become familiar, with the Company’s and its Affiliates’

and their predecessors' trade secrets and with other Confidential Information concerning the Company, its Affiliates and their respective predecessors and that Executive's services have been and will be of special, unique and extraordinary value to the Company and its Affiliates. The Executive agrees that if the Executive were to become employed by, or substantially involved in, the business of a competitor of the Company or any of its Affiliates following the Severance Date, it would be very difficult for the Executive not to rely on or use the Company's and its Affiliates' trade secrets and Confidential Information. Thus, to avoid the inevitable disclosure of the Company's and its Affiliates' trade secrets and Confidential Information, and to protect such trade secrets and Confidential Information and the Company's and its Affiliates' relationships and goodwill with customers, during the Period of Employment and for a period of twenty-four months after the Severance Date, the Executive will not directly or indirectly through any other Person engage in, enter the employ of, render any services to, have any ownership interest in, nor participate in the financing, operation, management or control of, any Competing Business. For purposes of this Agreement, the phrase "directly or indirectly through any other Person engage in" shall include, without limitation, any direct or indirect ownership or profit participation interest in such enterprise, whether as an owner, stockholder, member, partner, joint venturer or otherwise, and shall include any direct or indirect participation in such enterprise as an employee, consultant, director, officer, licensor of technology or otherwise. For purposes of this Agreement, "Competing Business" means a Person anywhere in the continental United States and elsewhere in the world where the Company and its Affiliates engage in business, or reasonably anticipate engaging in business, on the Severance Date (the "Restricted Area") that at any time during the Period of Employment has competed, or at any time during the twelve month period following the Severance Date competes, with the Company or any of its Affiliates in the passenger cruise ship industry (the "Business"). Nothing herein shall prohibit the Executive from being a passive owner of not more than 2% of the outstanding stock of any class of a corporation which is publicly traded, so long as the Executive has no active participation in the business of such corporation. Notwithstanding the foregoing, the Executive and the Company may agree that the Company shall waive all or a portion of the non-competition restrictions provided for in this Section 6.2 in exchange for the Executive's agreement to forfeit all or a portion of the Severance Benefit payable under Section 5.3(b) or the Change in Control Severance Benefit payable under Section 5.3(c). Any such agreement between the Executive and the Company shall be documented in the general release agreement provided for in Section 5.4 or in such other written agreement between the Executive and the Company determined by the Company.

6.3 Non-Solicitation of Employees and Consultants. During the Period of Employment and for a period of twenty-four months after the Severance Date, the Executive will not directly or indirectly through any other Person (i) induce or attempt to induce any employee or independent contractor of the Company or any Affiliate of the Company to leave the employ or service, as applicable, of the Company or such Affiliate, or in any way interfere with the relationship between

the Company or any such Affiliate, on the one hand, and any employee or independent contractor thereof, on the other hand, or (ii) hire any person who was an employee of the Company or any Affiliate of the Company until twelve months after such individual's employment relationship with the Company or such Affiliate has been terminated.

6.4 Non-Solicitation of Customers. During the Period of Employment and for a period of twenty-four months after the Severance Date, the Executive will not directly or indirectly through any other Person influence or attempt to influence customers, vendors, suppliers, licensors, lessors, joint venturers, associates, consultants, agents, or partners of the Company or any Affiliate of the Company to divert their business away from the Company or such Affiliate, and the Executive will not otherwise interfere with, disrupt or attempt to disrupt the business relationships, contractual or otherwise, between the Company or any Affiliate of the Company, on the one hand, and any of its or their customers, suppliers, vendors, lessors, licensors, joint venturers, associates, officers, employees, consultants, managers, partners, members or investors, on the other hand.

6.5 Understanding of Covenants. The Executive represents that he (i) is familiar with and has carefully considered the foregoing covenants set forth in this Section 6 (together, the "Restrictive Covenants"), (ii) is fully aware of Executive's obligations hereunder, (iii) agrees to the reasonableness of the length of time, scope and geographic coverage, as applicable, of the Restrictive Covenants, (iv) agrees that the Company and its Affiliates currently conduct business throughout the continental United States and the rest of the world, (v) agrees that the Restrictive Covenants are necessary to protect the Company's and its Affiliates' confidential and proprietary information, good will, stable workforce, and customer relations, and (vi) agrees that the Restrictive Covenants will continue in effect for the applicable periods set forth above in this Section 6 regardless of whether the Executive is then entitled to receive severance pay or benefits from the Company. The Executive understands that the Restrictive Covenants may limit Executive's ability to earn a livelihood in a business similar to the Business of the Company and any of its Affiliates, but he nevertheless believes that he has received and will receive sufficient consideration and other benefits as an employee of the Company and as otherwise provided hereunder or as described in the recitals hereto to clearly justify such restrictions which, in any event (given Executive's education, skills and ability), the Executive does not believe would prevent Executive from otherwise earning a living. The Executive agrees that the Restrictive Covenants do not confer a benefit upon the Company disproportionate to the detriment of the Executive.

6.6 Cooperation. Following the Executive's last day of employment by the Company, the Executive shall reasonably cooperate with the Company and its Affiliates in connection with: (a) any ongoing Company matter, internal or governmental investigation or administrative, regulatory, arbitral or judicial proceeding involving the Company and any Affiliates with respect to matters

relating to the Executive's employment with, or service as a member of the board of directors of, the Company or any Affiliate (collectively, "Litigation"); or (b) any audit of the financial statements of the Company or any Affiliate with respect to the period of time when the Executive was employed by the Company or any Affiliate ("Audit"). The Executive acknowledges that such cooperation may include, but shall not be limited to, the Executive making himself or herself available to the Company or any Affiliate (or their respective attorneys or auditors) upon reasonable notice for: (i) interviews, factual investigations, and providing declarations or affidavits that provide truthful information in connection with any Litigation or Audit; (ii) appearing at the request of the Company or any Affiliate to give testimony without requiring service of a subpoena or other legal process; (iii) volunteering to the Company or any Affiliate pertinent information related to any Litigation or Audit; and (iv) turning over to the Company or any Affiliate any documents relevant to any Litigation or Audit that are or may come into the Executive's possession. The Company shall reimburse the Executive for reasonable travel expenses incurred in connection with providing the services under this Section 6.6, including lodging and meals, upon the Executive's submission of receipts. If, due to an actual or potential conflict of interest, it is necessary for the Executive to retain separate counsel in connection with providing the services under this Section 6.6, and such counsel is not otherwise supplied by and at the expense of the Company (pursuant to indemnification rights of the Executive or otherwise), the Company shall further reimburse the Executive for the reasonable fees and expenses of such separate counsel.

6.7 Enforcement. The Executive agrees that the Executive's services are unique and that he has access to Confidential Information and Work Product. Accordingly, without limiting the generality of Section 17, the Executive agrees that a breach by the Executive of any of the covenants in this Section 6 would cause immediate and irreparable harm to the Company that would be difficult or impossible to measure, and that damages to the Company for any such injury would therefore be an inadequate remedy for any such breach. Therefore, the Executive agrees that in the event of any breach or threatened breach of any provision of this Section 6, the Company shall be entitled, in addition to and without limitation upon all other remedies the Company may have under this Agreement, at law or otherwise, to obtain specific performance, injunctive relief and/or other appropriate relief (without posting any bond or deposit) in order to enforce or prevent any violations of the provisions of this Section 6. The Executive further agrees that the applicable period of time any Restrictive Covenant is in effect following the Severance Date, as determined pursuant to the foregoing provisions of this Section 6, shall be extended by the same amount of time that Executive is in breach of any Restrictive Covenant.

7. Withholding Taxes. Notwithstanding anything else herein to the contrary, the Company may withhold (or cause there to be withheld, as the case may be) from any amounts otherwise due or payable under or pursuant to this Agreement such federal, state and local

income, employment, or other taxes as may be required to be withheld pursuant to any applicable law or regulation.

8. Successors and Assigns.

- (a) This Agreement is personal to the Executive and without the prior written consent of the Company shall not be assignable by the Executive otherwise than by will or the laws of descent and distribution. This Agreement shall inure to the benefit of and be enforceable by the Executive's legal representatives.
- (b) This Agreement shall inure to the benefit of and be binding upon the Company and its successors and assigns. Without limiting the generality of the preceding sentence, the Company will require any successor (whether direct or indirect, by purchase, merger, consolidation or otherwise) to all or substantially all of the business and/or assets of the Company to assume expressly and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform it if no such succession had taken place. As used in this Agreement, "Company" shall mean the Company as hereinbefore defined and any successor or assignee, as applicable, which assumes and agrees to perform this Agreement by operation of law or otherwise.

9. Number and Gender; Examples. Where the context requires, the singular shall include the plural, the plural shall include the singular, and any gender shall include all other genders. Where specific language is used to clarify by example a general statement contained herein, such specific language shall not be deemed to modify, limit or restrict in any manner the construction of the general statement to which it relates.

10. Section Headings. The section headings of, and titles of paragraphs and subparagraphs contained in, this Agreement are for the purpose of convenience only, and they neither form a part of this Agreement nor are they to be used in the construction or interpretation thereof.

11. Governing Law. THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF FLORIDA, WITHOUT GIVING EFFECT TO ANY CHOICE OF LAW OR CONFLICTING PROVISION OR RULE (WHETHER OF THE STATE OF FLORIDA OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF FLORIDA TO BE APPLIED. IN FURTHERANCE OF THE FOREGOING, THE INTERNAL LAW OF THE STATE OF FLORIDA WILL CONTROL THE INTERPRETATION AND CONSTRUCTION OF THIS AGREEMENT, EVEN IF UNDER SUCH JURISDICTION'S CHOICE OF LAW OR CONFLICT OF LAW ANALYSIS, THE SUBSTANTIVE LAW OF SOME OTHER JURISDICTION WOULD ORDINARILY APPLY.

12. Severability. It is the desire and intent of the parties hereto that the provisions of this Agreement be enforced to the fullest extent permissible under the laws and public policies

applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, prohibited or unenforceable under any present or future law, and if the rights and obligations of any party under this Agreement will not be materially and adversely affected thereby, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction, and to this end the provisions of this Agreement are declared to be severable; furthermore, in lieu of such invalid or unenforceable provision there will be added automatically as a part of this Agreement, a legal, valid and enforceable provision as similar in terms to such invalid or unenforceable provision as may be possible. Notwithstanding the foregoing, if such provision could be more narrowly drawn (as to geographic scope, period of duration or otherwise) so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

13. Entire Agreement; Legal Effect. This Agreement embodies the entire agreement of the parties hereto respecting the matters within its scope. This Agreement supersedes all prior and contemporaneous agreements of the parties hereto that directly or indirectly bear upon the subject matter hereof. Any prior negotiations, correspondence, agreements, proposals or understandings relating to the subject matter hereof shall be deemed to have been merged into this Agreement, and to the extent inconsistent herewith, such negotiations, correspondence, agreements, proposals, or understandings shall be deemed to be of no force or effect. There are no representations, warranties, or agreements, whether express or implied, or oral or written, with respect to the subject matter hereof, except as expressly set forth herein.

14. Modifications. This Agreement may not be amended, modified or changed (in whole or in part), except by a formal, definitive written agreement expressly referring to this Agreement, which agreement is executed by both of the parties hereto.

15. Waiver. Neither the failure nor any delay on the part of a party to exercise any right, remedy, power or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege preclude any other or further exercise of the same or of any right, remedy, power or privilege, nor shall any waiver of any right, remedy, power or privilege with respect to any occurrence be construed as a waiver of such right, remedy, power or privilege with respect to any other occurrence. No waiver shall be effective unless it is in writing and is signed by the party asserted to have granted such waiver.

16. Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT.

17. Remedies. Each of the parties to this Agreement and any such person or entity granted rights hereunder whether or not such person or entity is a signatory hereto shall be entitled to enforce its rights under this Agreement specifically to recover damages and costs for

any breach of any provision of this Agreement and to exercise all other rights existing in its favor. The parties hereto agree and acknowledge that money damages may not be an adequate remedy for any breach of the provisions of this Agreement and that each party may in its sole discretion apply to any court of law or equity of competent jurisdiction for specific performance, injunctive relief and/or other appropriate equitable relief (without posting any bond or deposit) in order to enforce or prevent any violations of the provisions of this Agreement. Each party shall be responsible for paying its own attorneys' fees, costs and other expenses pertaining to any such legal proceeding and enforcement regardless of whether an award or finding or any judgment or verdict thereon is entered against either party.

18. Notices. Any notice provided for in this Agreement must be in writing and must be either personally delivered, transmitted via telecopier, mailed by first class mail (postage prepaid and return receipt requested) or sent by reputable overnight courier service (charges prepaid) to the recipient at the address below indicated or at such other address or to the attention of such other person as the recipient party has specified by prior written notice to the sending party. Notices will be deemed to have been given hereunder and received when delivered personally, when received if transmitted via telecopier, five days after deposit in the U.S. mail and one day after deposit with a reputable overnight courier service.

19. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original as against any party whose signature appears thereon, and all of which together shall constitute one and the same instrument. This Agreement shall become binding when one or more counterparts hereof, individually or taken together, shall bear the signatures of all of the parties reflected hereon as the signatories. Photographic or other electronic copies of such signed counterparts may be used in lieu of the originals for any purpose.

20. Legal Counsel; Mutual Drafting. Each party recognizes that this is a legally binding contract and acknowledges and agrees that they have had the opportunity to consult with legal counsel of their choice. Each party has cooperated in the drafting, negotiation and

preparation of this Agreement. Hence, in any construction to be made of this Agreement, the same shall not be construed against either party on the basis of that party being the drafter of such language. The Executive agrees and acknowledges that he has read and understands this Agreement, is entering into it freely and voluntarily, and has been advised to seek counsel prior to entering into this Agreement and has had ample opportunity to do so.

21. Clawback. All bonuses and equity awards granted under this Agreement, the Parent Equity Plan or any other incentive plan are subject to the terms of the Company's or Parent's recoupment, clawback or similar policy as it may be in effect from time to time, as well as any similar provisions of applicable law, any of which could in certain circumstances require repayment or forfeiture of bonuses or awards or any shares or other cash or property received with respect to the bonuses or awards (including any value received from a disposition of the shares acquired upon payment of the bonuses or equity awards).

FORM OF RELEASE AGREEMENT

This Release Agreement (this "Release Agreement") is entered into this ___ day of _____, 20___, by and between [____], an individual ("Executive"), and NCL (Corporation) Ltd., a company organized under the laws of Bermuda (the "Company").

WHEREAS, Executive has been employed by the Company or one of its subsidiaries; and

WHEREAS, Executive's employment by the Company or one of its subsidiaries has terminated and, in connection with the Executive's Employment Agreement with the Company, dated as of [____] (the "Employment Agreement"), the Company and Executive desire to enter into this Release Agreement upon the terms set forth herein;

NOW, THEREFORE, in consideration of the covenants undertaken and the releases contained in this Release Agreement, and in consideration of the obligations of the Company to pay severance and other benefits (conditioned upon this Release Agreement) under and pursuant to the Employment Agreement, Executive and the Company agree as follows:

1. Termination of Employment. Executive's employment with the Company terminated on [____, _____] (the "Separation Date"). Executive waives any right or claim to reinstatement as an employee of the Company and each of its affiliates. Executive hereby confirms that Executive does not hold any position as an officer, director or employee with the Company and each of its affiliates. Executive acknowledges and agrees that Executive has received all amounts owed for Executive's regular and usual salary (including, but not limited to, any overtime, bonus, accrued vacation, commissions, or other wages), reimbursement of expenses, sick pay and usual benefits.

2. Release. Executive, on behalf of Executive, Executive's descendants, dependents, heirs, executors, administrators, assigns, and successors, and each of them, hereby covenants not to sue and fully releases and discharges the Company and each of its parents, subsidiaries and affiliates, past and present, as well as its and their trustees, directors, officers, members, managers, partners, agents, attorneys, insurers, employees, stockholders, representatives, assigns, and successors, past and present, and each of them, hereinafter together and collectively referred to as the "Releasees," with respect to and from any and all claims, wages, demands, rights, liens, agreements or contracts (written or oral), covenants, actions, suits, causes of action, obligations, debts, costs, expenses, attorneys' fees, damages, judgments, orders and liabilities of whatever kind or nature in law, equity or otherwise, whether now known or unknown, suspected or unsuspected, and whether or not concealed or hidden (each, a "Claim"), which he now owns or holds or he has at any time heretofore owned or held or may in the future hold as against any of said Releasees (including, without limitation, any Claim arising out of or in any way connected with Executive's service as an officer, director, employee, member or manager of any Releasee, Executive's separation from Executive's position as an officer, director, employee, manager and/or member, as applicable, of any Releasee, or any other transactions, occurrences, acts or omissions or any loss, damage or injury whatever), whether known or unknown, suspected or

unsuspected, resulting from any act or omission by or on the part of said Releasees, or any of them, committed or omitted prior to the date of this Release Agreement including, without limiting the generality of the foregoing, any Claim under Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act of 1967, the Americans with Disabilities Act, the Family and Medical Leave Act of 1993, or any other federal, state or local law, regulation, or ordinance, or any Claim for severance pay, equity compensation, bonus, sick leave, holiday pay, vacation pay, life insurance, health or medical insurance or any other fringe benefit, workers' compensation or disability (the "Release"); provided, however, that the foregoing Release does not apply to any obligation of the Company to Executive pursuant to any of the following: (1) any equity-based awards previously granted by the Company or its affiliates to Executive, to the extent that such awards continue after the termination of Executive's employment with the Company in accordance with the applicable terms of such awards (and subject to any limited period in which to exercise such awards following such termination of employment); (2) any right to indemnification that Executive may have pursuant to the Bylaws of the Company, its Articles of Incorporation or under any written indemnification agreement with the Company (or any corresponding provision of any subsidiary or affiliate of the Company) or applicable state law with respect to any loss, damages or expenses (including but not limited to attorneys' fees to the extent otherwise provided) that Executive may in the future incur with respect to Executive's service as an employee, officer or director of the Company or any of its subsidiaries or affiliates; (3) with respect to any rights that Executive may have to insurance coverage for such losses, damages or expenses under any Company (or subsidiary or affiliate) directors and officers liability insurance policy; (4) any rights to continued medical or dental coverage that Executive may have under COBRA (or similar applicable state law); (5) any rights to the severance and other benefits payable under Section 5.3 of the Employment Agreement in accordance with the terms of the Employment Agreement; or (6) any rights to payment of benefits that Executive may have under a retirement plan sponsored or maintained by the Company or its affiliates that is intended to qualify under Section 401(a) of the Internal Revenue Code of 1986, as amended. In addition, this Release does not cover any Claim that cannot be so released as a matter of applicable law. Executive acknowledges and agrees that he has received any and all leave and other benefits that she has been and is entitled to pursuant to the Family and Medical Leave Act of 1993.

3. ADEA Waiver. Executive expressly acknowledges and agrees that by entering into this Release Agreement, Executive is waiving any and all rights or Claims that he may have arising under the Age Discrimination in Employment Act of 1967, as amended (the "ADEA"), which have arisen on or before the date of execution of this Release Agreement. Executive further expressly acknowledges and agrees that:

- A. In return for this Release Agreement, the Executive will receive consideration beyond that which the Executive was already entitled to receive before entering into this Release Agreement;
 - B. Executive is hereby advised in writing by this Release Agreement to consult with an attorney before signing this Release Agreement;
 - C. Executive has voluntarily chosen to enter into this Release Agreement and has not been forced or pressured in any way to sign it;
-

D. Executive was given a copy of this Release Agreement on [_____, 20__] and informed that he had twenty one (21) days within which to consider this Release Agreement and that if he wished to execute this Release Agreement prior to expiration of such 21-day period, he should execute the Endorsement attached hereto;

E. Executive was informed that he had seven (7) days following the date of execution of this Release Agreement in which to revoke this Release Agreement, and this Release Agreement will become null and void if Executive elects revocation during that time. Any revocation must be in writing and must be received by the Company during the seven-day revocation period. In the event that Executive exercises Executive's right of revocation, neither the Company nor Executive will have any obligations under this Release Agreement;

F. Nothing in this Release Agreement prevents or precludes Executive from challenging or seeking a determination in good faith of the validity of this waiver under the ADEA, nor does it impose any condition precedent, penalties or costs from doing so, unless specifically authorized by federal law.

4. Non-Disparagement. Executive agrees not to make, directly or indirectly, whether verbal or in writing, any damaging or disparaging statements, representations or remarks about or concerning Employer or any of the Released Parties.

5. No Transferred Claims. Executive warrants and represents that the Executive has not heretofore assigned or transferred to any person not a party to this Release Agreement any released matter or any part or portion thereof and she shall defend, indemnify and hold the Company and each of its affiliates harmless from and against any claim (including the payment of attorneys' fees and costs actually incurred whether or not litigation is commenced) based on or in connection with or arising out of any such assignment or transfer made, purported or claimed.

6. Severability. It is the desire and intent of the parties hereto that the provisions of this Release Agreement be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Release Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, prohibited or unenforceable under any present or future law, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Release Agreement or affecting the validity or enforceability of such provision in any other jurisdiction; furthermore, in lieu of such invalid or unenforceable provision there will be added automatically as a part of this Release Agreement, a legal, valid and enforceable provision as similar in terms to such invalid or unenforceable provision as may be possible. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Release Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

7. Counterparts. This Release Agreement may be executed in separate counterparts, each of which is deemed to be an original and all of which taken together constitute one and the

same agreement. This Release Agreement shall become binding when one or more counterparts hereof, individually or taken together, shall bear the signatures of all of the parties reflected hereon as the signatories. Photographic or other electronic copies of such signed counterparts may be used in lieu of the originals for any purpose.

8. Successors. This Release Agreement is personal to Executive and shall not, without the prior written consent of the Company, be assignable by Executive. This Release Agreement shall inure to the benefit of and be binding upon the Company and its respective successors and assigns and any such successor or assignee shall be deemed substituted for the Company under the terms of this Release Agreement for all purposes. As used herein, "successor" and "assignee" shall include any person, firm, corporation or other business entity which at any time, whether by purchase, merger, acquisition of assets, or otherwise, directly or indirectly acquires the ownership of the Company, acquires all or substantially all of the Company's assets, or to which the Company assigns this Release Agreement by operation of law or otherwise.

9. Governing Law. THIS RELEASE AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH UNITED STATES FEDERAL LAW AND, TO THE EXTENT NOT PREEMPTED BY UNITED STATES FEDERAL LAW, THE LAWS OF THE STATE OF FLORIDA, WITHOUT GIVING EFFECT TO ANY CHOICE OF LAW OR CONFLICTING PROVISION OR RULE (WHETHER OF THE STATE OF FLORIDA OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE LAWS OF ANY JURISDICTION OTHER THAN UNITED STATES FEDERAL LAW AND THE LAW OF THE STATE OF FLORIDA TO BE APPLIED. IN FURTHERANCE OF THE FOREGOING, APPLICABLE FEDERAL LAW AND, TO THE EXTENT NOT PREEMPTED BY APPLICABLE FEDERAL LAW, THE INTERNAL LAW OF THE STATE OF FLORIDA, WILL CONTROL THE INTERPRETATION AND CONSTRUCTION OF THIS RELEASE AGREEMENT, EVEN IF UNDER SUCH JURISDICTION'S CHOICE OF LAW OR CONFLICT OF LAW ANALYSIS, THE SUBSTANTIVE LAW OF SOME OTHER JURISDICTION WOULD ORDINARILY APPLY.

10. Amendment and Waiver. The provisions of this Release Agreement may be amended and waived only with the prior written consent of the Company and Executive, and no course of conduct or failure or delay in enforcing the provisions of this Release Agreement shall be construed as a waiver of such provisions or affect the validity, binding effect or enforceability of this Release Agreement or any provision hereof.

11. Descriptive Headings. The descriptive headings of this Release Agreement are inserted for convenience only and do not constitute a part of this Release Agreement.

12. Construction. Where specific language is used to clarify by example a general statement contained herein, such specific language shall not be deemed to modify, limit or restrict in any manner the construction of the general statement to which it relates. The language used in this Release Agreement shall be deemed to be the language chosen by the parties to express their mutual intent, and no rule of strict construction shall be applied against any party.

13. Nouns and Pronouns. Whenever the context may require, any pronouns used herein shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns and pronouns shall include the plural and vice-versa.

14. Legal Counsel. Each party recognizes that this is a legally binding contract and acknowledges and agrees that they have had the opportunity to consult with legal counsel of their choice. Executive acknowledges and agrees that he has read and understands this Release Agreement completely, is entering into it freely and voluntarily, and has been advised to seek counsel prior to entering into this Release Agreement and he has had ample opportunity to do so.

The undersigned have read and understand the consequences of this Release Agreement and voluntarily sign it. The undersigned declare under penalty of perjury under the laws of the State of Florida that the foregoing is true and correct.
