1. Description of Business and Organization

We are a leading global cruise company which operates the Norwegian Cruise Line, Oceania Cruises and Regent Seven Seas Cruises brands. As of September 30, 2019, we had 26 ships with approximately 54,400 Berths and had orders for 11 additional ships to be delivered through 2027, subject to certain conditions.

Norwegian Encore was delivered in October 2019. We refer you to Note 15 – “Subsequent Events” for additional information. We have two Explorer Class Ships, Seven Seas Splendor and one additional ship, on order for delivery in the winter of 2020 and fall of 2023, respectively. We have two Allura Class Ships on order for delivery in the winter of 2022 and spring of 2025. Project Leonardo will introduce an additional six ships with expected delivery dates from 2022 through 2027. These additions to our fleet will increase our total Berths to approximately 82,000.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying consolidated financial statements are unaudited and, in our opinion, contain all normal recurring adjustments necessary for a fair statement of the results for the periods presented.

Our operations are seasonal and results for interim periods are not necessarily indicative of the results for the entire fiscal year. Historically, demand for cruises has been strongest during the Northern Hemisphere’s summer months. The interim consolidated financial statements should be read in conjunction with the audited consolidated financial statements for the year ended December 31, 2018, which are included in our most recent Annual Report on Form 10-K filed with the SEC.

Earnings Per Share

A reconciliation between basic and diluted earnings per share was as follows (in thousands, except share and per share data):

	Three Months Ended		Nine Months Ended	
	September 30,		September 30,	
	2019	2018	2019	2018
Net income	\$ 450,584	\$ 470,378	\$ 808,931	\$ 800,209
Basic weighted-average shares outstanding	214,207,716	221,511,630	215,614,098	224,033,156
Dilutive effect of share awards	1,291,746	1,241,108	1,435,957	1,389,229
Diluted weighted-average shares outstanding	215,499,462	222,752,738	217,050,055	225,422,385
Basic earnings per share	\$ 2.10	\$ 2.12	\$ 3.75	\$ 3.57
Diluted earnings per share	\$ 2.09	\$ 2.11	\$ 3.73	\$ 3.55

For the three months ended September 30, 2019 and 2018, a total of 3.5 million and 4.5 million shares, respectively, and for the nine months ended September 30, 2019 and 2018, a total of 4.2 million and 4.8 million shares, respectively, have been excluded from diluted weighted-average shares outstanding because the effect of including them would have been anti-dilutive.

Foreign Currency

The majority of our transactions are settled in U.S. dollars. We remeasure assets and liabilities denominated in foreign currencies at exchange rates in effect at the balance sheet date. Gains or losses resulting from transactions denominated in other currencies are recognized in our consolidated statements of operations within other income, net. We recognized a gain of \$9.9 million and a loss of \$0.2 million for the three months ended September 30, 2019 and 2018, respectively, and a gain of \$5.6 million and a gain of \$10.7 million for the nine months ended September 30, 2019 and 2018, respectively, related to transactions denominated in other currencies.

Depreciation and Amortization Expense

The amortization of deferred financing fees is included in depreciation and amortization expense in the consolidated statements of cash flows; however, for purposes of the consolidated statements of operations they are included in interest expense, net.

Recently Adopted Accounting Guidance

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standard Update ("ASU") No. 2018-15, *Intangibles—Goodwill and Other—Internal-Use Software (Subtopic 350-40): Customer's Accounting for Implementation Costs Incurred in a Cloud Computing Arrangement That Is a Service Contract (a consensus of the FASB Emerging Issues Task Force)*, which is designed to align the accounting for costs of implementing a cloud computing service arrangement, regardless of whether the hosting arrangement conveys a license to the hosted software. For hosting arrangements considered to be a service contract, the update requires that the criteria for capitalization of developing or obtaining internal-use software shall be applied.

On April 1, 2019, we adopted ASU 2018-15 and elected the prospective transition approach. The impact of adopting this accounting policy was not material to the Company's consolidated financial statements.

Recently Issued Accounting Guidance

In June 2016, FASB issued ASU No. 2016-13, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, which will require an entity to present the net amount expected to be collected for certain financial assets, including trade receivables. Under this update, on initial recognition and at each reporting period, an entity will be required to recognize an allowance that reflects the entity's current estimate of credit losses expected to be incurred over the life of the financial instrument. The update will be applied prospectively with a cumulative-effect adjustment to retained earnings. This update will be effective for the Company for fiscal years

beginning after December 15, 2019 and interim periods within those fiscal years. The adoption of this standard will not have a material impact on the Company's consolidated financial statements.

In January 2017, the FASB issued ASU No. 2017-04, *Intangibles—Goodwill and Other (Topic 350) — Simplifying the Test for Goodwill Impairment*, which simplifies the test for goodwill impairment by eliminating Step 2 from the goodwill impairment test. Step 2 measures a goodwill impairment loss by comparing the implied fair value of a reporting unit's goodwill with the carrying amount of that goodwill. The guidance is effective for annual or any interim goodwill impairment tests in years beginning after December 15, 2019, with early adoption permitted for interim or annual goodwill impairment tests performed on testing dates after January 1, 2017. The Company does not expect to early adopt this guidance. The Company will evaluate, upon adoption of this guidance, the impact of this guidance on the Company's consolidated financial statements.

Segment Reporting

We have concluded that our business has a single reportable segment. Each brand, Norwegian, Oceania Cruises and Regent, constitutes a business for which discrete financial information is available and management regularly reviews the brand level operating results and, therefore, each brand is considered an operating segment. Our operating segments have similar economic and qualitative characteristics, including similar long-term margins and similar products and services; therefore, we aggregate all of the operating segments into one reportable segment.

Although we sell cruises on an international basis, our passenger ticket revenue is primarily attributed to U.S.-sourced guests who make reservations in the U.S. Revenue attributable to U.S.-sourced guests has historically approximated 75-80%. No other individual country's revenues exceed 10% in any given period.

Contract Balances

Receivables from customers are included within accounts receivable, net. As of September 30, 2019 and December 31, 2018, our receivables from customers were \$15.9 million and \$17.3 million, respectively.

Our contract liabilities are included within advance ticket sales. As of September 30, 2019 and December 31, 2018, our contract liabilities were \$1.4 billion and \$1.2 billion, respectively. Of the amounts included within contract liabilities, approximately 55% were refundable in accordance with our cancellation policies. For the nine months ended September 30, 2019, \$1.2 billion of revenue recognized was included in the contract liability balance at the beginning of the period.

5. Leases

On January 1, 2019, we adopted ASU No. 2016-02, Leases ("Topic 842"). Topic 842 supersedes the lease accounting requirements in Accounting Standards Codification ("ASC") 840—Leases. In August 2018, the FASB issued ASU 2018-11, Targeted Improvements to Topic 842, which included an option to apply the new leases standard at the adoption date using a modified retrospective approach, which the Company elected.

Nature of Leases

We have finance leases for certain ship equipment and a corporate office. We have operating leases for port facilities, corporate offices, warehouses, and certain equipment. Many of our leases include both lease and non-lease components. We have adopted the practical expedient which allows us to combine lease and non-lease components by class of asset. We have applied this expedient for office leases, port facilities, and certain equipment.

Significant Assumptions and Judgments in Applying Topic 842 and Practical Expedients Elected

Our leases contain both fixed and variable payments. Fixed payments and variable lease payments that depend on a rate or index are included in the calculation of the right-of-use asset. Other variable payments are excluded from the calculation unless there is an unavoidable fixed minimum cost related to those payments such as a minimum annual guarantee. Our lease assets are amortized on a straight-line basis except for our rights to use port facilities. The expenses related to port facilities are amortized based on passenger counts as this basis represents the pattern in which the economic benefit is derived from the right to use the underlying asset.

For non-consecutive lease terms, which relate to our rights to use certain port facilities, the term of the lease is based on the number of days on which we have the right to use a specified asset. We have adopted the practical expedient to exclude leases with terms of less than one year from being included on the balance sheet. Lease expense for agreements that are short-term are disclosed below and include both fixed and variable payments.

Certain leases include one or more options to extend or terminate and are primarily infive-year increments. Lease extensions and terminations, including auto-renewing lease terms, were only included in the calculation of the right-of-use asset to the extent that the right to renew or terminate was at the option of the lessor only or where there was a more than insignificant penalty for termination.

As our leases do not have a readily determinable implicit rate, we used our weighted average cost of debt to determine the net present value of the lease payments at the adoption date. Our weighted average cost of debt is similar to the incremental borrowing rate we would have obtained if we had borrowed collateralized debt over the lease term to purchase the asset, and the rate was adjusted for longer term leases.

We have also adopted the practical expedient which allows us, by class of asset, to not separate lease and non-lease components when we are the lessor in the underlying transaction, the transactions would otherwise be accounted for under ASC 606–Revenue Recognition and the non-lease components are the predominant components of the agreements. We have applied this practical expedient to transactions with cruise passengers and concession service providers related to the use of our ships. We refer you to Note 3 – “Revenue Recognition.”

Impacts on Financial Statements

As a result of the adoption of Topic 842 on January 1, 2019, we recorded operating lease right-of-use assets of \$35.0 million and operating lease liabilities of \$243.8 million. Another \$8.8 million was reclassified to the operating right-of-use assets from other asset and liability accounts relating to the existing leases. The adoption of Topic 842 did not result in the identification of new finance leases. The adoption does not significantly change the timing, classification or amount of expense recognized in our consolidated financial statements nor does it change the timing, classification or amount of cash payments included within the consolidated statement of cash flows.

Leases That Have Not Yet Commenced

We have multiple agreements that have been executed where the lease term has not commenced as of September 30, 2019. These are primarily related to our rights to use certain port facilities currently under construction. Although we may have provided design input, construction management services, or loans related to these assets, we have determined that we do not control these assets during the period of construction. These port facilities are expected to open for use during 2020 and include undiscounted minimum annual guarantees of approximately \$1.1 billion of passenger fees.

8. Long-Term Debt

NCLC entered into a Fourth Amended and Restated Credit Agreement, dated as of January 2, 2019, with a subsidiary of NCLC, as co-borrower and JPMorgan Chase Bank, N.A., as administrative agent, and certain other lenders. This revised facility, among other things, (a) reduced the pricing of our existing \$875 million Revolving Loan Facility, (b) reduced the pricing and increased the approximately \$1.3 billion principal amount outstanding under the term loan A facility to \$1.6 billion, and (c) extended the maturity dates for our Revolving Loan Facility and our term loan A facility to 2024, subject to certain conditions. We used the proceeds from the increase in our term loan A facility to prepay all of the then outstanding amounts under our term loan B facility. The transaction resulted in a loss on extinguishment of debt of \$2.9 million.

The applicable margin under the new term loan A facility and new Revolving Loan Facility is determined by reference to a total leverage ratio, with an applicable margin of between 1.75% and 1.00% with respect to Eurocurrency loans and between 0.75% and 0.00% with respect to base rate loans. The margin as of September 30, 2019 for borrowings under the new term loan A facility and new Revolving Loan Facility was 1.25% with respect to Eurocurrency borrowings. In addition to paying interest on outstanding principal under the borrowings, we are obligated to pay a quarterly commitment fee at a rate determined by reference to a total net leverage ratio, with a maximum commitment fee of 0.30%.

NCLC entered into a \$230 million credit agreement, dated as of January 10, 2019, with Nordea Bank ABP, New York Branch, as administrative agent and collateral agent, and certain other lenders. The proceeds of this term loan will be used for general corporate purposes, including to finance the pre-delivery installments due to the builder under the Company's shipbuilding contracts. The \$230 million term loan is secured by Pride of America Ship Holding, LLC and bears interest at LIBOR plus a margin of 1.00%. The term loan matures on January 10, 2021; however, NCLC may elect to extend the maturity date to January 10, 2022 provided certain conditions are met. Should NCLC elect to extend the maturity date, the interest rate will be LIBOR plus a margin of 1.10% for the third year.

NCLC entered into a \$260 million credit agreement, dated as of May 15, 2019, with Bank of America, N.A., as administrative agent and collateral agent, and certain other lenders. The proceeds of this term loan were used to prepay the then outstanding principal and accrued interest of the Norwegian Epic term loan. The \$260 million term loan is secured by Norwegian Jewel Limited, bears interest at LIBOR plus a margin of 0.80%, and matures on May 15, 2022. The transaction resulted in a loss on extinguishment of debt of \$1.1 million.

9. Fair Value Measurements and Derivatives

Fair value is defined as the price at which an orderly transaction to sell an asset or to transfer a liability would take place between market participants at the measurement date under current market conditions (that is, an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability).

Fair Value Hierarchy

The following hierarchy for inputs used in measuring fair value should maximize the use of observable inputs and minimize the use of unobservable inputs by requiring that the most observable inputs be used when available:

- Level 1 Quoted prices in active markets for identical assets or liabilities that are accessible at the measurement dates.
- Level 2 Significant other observable inputs that are used by market participants in pricing the asset or liability based on market data obtained from independent sources.
- Level 3 Significant unobservable inputs we believe market participants would use in pricing the asset or liability based on the best information available.

Derivatives

We are exposed to market risk attributable to changes in interest rates, foreign currency exchange rates and fuel prices. We attempt to minimize these risks through a combination of our normal operating and financing activities and through the use of derivatives. We assess whether derivatives used in hedging transactions are "highly effective" in offsetting changes in the cash flow of our hedged forecasted transactions. We use regression analysis for this hedge relationship and high effectiveness is achieved when a statistically valid relationship reflects a high degree of offset and correlation between the fair values of the derivative and the hedged forecasted transaction. Cash flows from the derivatives are classified in the same category as the cash flows from the underlying hedged transaction. If it is determined that the hedged forecasted transaction is no longer probable of occurring, then the amount recognized in accumulated other comprehensive income (loss) is released to earnings. There are no amounts excluded from the assessment of hedge effectiveness and there are no credit-risk-related contingent features in our derivative agreements. We monitor concentrations of credit risk associated with financial and other institutions with which we conduct significant business.

Credit risk, including but not limited to counterparty non-performance under derivatives, is not considered significant, as we primarily conduct business with large, well-established financial institutions with which we have established relationships, and which have credit risks acceptable to us, or the credit risk is spread out among many creditors. We do not anticipate non-performance by any of our significant counterparties.

As of September 30, 2019, we had fuel swaps and collars, which are used to mitigate the financial impact of volatility of fuel prices pertaining to approximately 1.3 million metric tons of our projected fuel purchases, maturing through December 31, 2022.

As of September 30, 2019, we had fuel swaps which were not designated as cash flow hedges. Due to a change in our choice of hedged fuel type, we entered into fuel contracts to sell approximately 10 thousand metric tons of fuel and immediately dedesignated fuel contracts to buy approximately 10 thousand metric tons of the same fuel. The agreements mature through December 31, 2019.

As of September 30, 2019, we had foreign currency forward contracts, matured foreign currency options and matured foreign currency collars which are used to mitigate the financial impact of volatility in foreign currency exchange rates related to our ship construction contracts denominated in euros. The notional amount of our foreign currency forward contracts was €2.6 billion, or \$2.8 billion based on the euro/U.S. dollar exchange rate as of September 30, 2019.

As of September 30, 2019, we had interest rate swaps and collars, which are used to hedge our exposure to interest rate movements and manage our interest expense. The notional amount of our outstanding debt associated with the interest rate swaps and collars was \$1.7 billion as of September 30, 2019.

The fair values of swap and forward contracts are determined based on inputs that are readily available in public markets or can be derived from information available in publicly quoted markets. The Company determines the value of options and collars utilizing an option pricing model based on inputs that are either readily available in public markets or can be

derived from information available in publicly quoted markets. The option pricing model used by the Company is an industry standard model for valuing options and is used by the broker/dealer community. The inputs to this option pricing model are the option strike price, underlying price, risk-free rate of interest, time to expiration, and volatility. The fair value of option contracts considers both the intrinsic value and any remaining time value associated with those derivatives that have not yet settled. The Company also considers counterparty credit risk and its own credit risk in its determination of all estimated fair values.

Our derivatives and financial instruments were categorized as Level 2 in the fair value hierarchy, and we had no derivatives or financial instruments categorized as Level 1 or Level 3. Our derivative contracts include rights of offset with our counterparties. We have elected to net certain assets and liabilities within counterparties when the rights of offset exist. We are not required to post cash collateral related to our derivative instruments.

Long-Term Debt

As of September 30, 2019 and December 31, 2018, the fair value of our long-term debt, including the current portion, was \$6,417.1 million and \$6,601.9 million, respectively, which was \$39.3 million higher and \$8.4 million lower, respectively, than the carrying values. The difference between the fair value and carrying value of our long-term debt is due to our fixed and variable rate debt obligations carrying interest rates that are above or below market rates at the measurement dates. The fair value of our long-term debt was calculated based on estimated rates for the same or similar instruments with similar terms and remaining maturities, considered to be Level 2 inputs in the fair value hierarchy.

Market risk associated with our long-term variable rate debt is the potential increase in interest expense from an increase in interest rates.

Other

The carrying amounts reported in the consolidated balance sheets of all other financial assets and liabilities approximate fair value.

11. Commitments and Contingencies

Ship Construction Contracts

Project Leonardo will introduce an additional six ships, each approximately 140,000 Gross Tons with approximately 3,300 Berths, with expected delivery dates from 2022 through 2027, subject to certain conditions. We have a Breakaway Plus Class Ship, Norwegian Encore, with approximately 168,000 Gross Tons and 4,000 Berths, that was delivered in October 2019. We refer you to Note 15 – “Subsequent Events” for additional information. For the Regent brand, we have orders for two Explorer Class Ships, Seven Seas Splendor and an additional ship, to be delivered in 2020 and 2023, respectively. Each of the Explorer Class Ships will be approximately 55,000 Gross Tons and 750 Berths. For the Oceania Cruises brand, we have orders for two Allura Class Ships to be delivered in 2022 and 2025. Each of the Allura Class Ships will be approximately 67,000 Gross Tons and 1,200 Berths.

The combined contract prices of the 11 ships on order for delivery as of September 30, 2019 was approximately €8.3 billion, or \$9.0 billion based on the euro/U.S. dollar exchange rate as of September 30, 2019. We have obtained export credit financing which is expected to fund approximately 80% of the contract price of each ship, subject to certain conditions. We do not anticipate any contractual breaches or cancellations to occur. However, if any such events were to occur, it could result in, among other things, the forfeiture of prior deposits or payments made by us and potential claims and impairment losses which may materially impact our business, financial condition and results of operations.

Litigation

Helms-Burton Act

In August 2019, two lawsuits were filed against NCLH in the United States District Court for the Southern District of Florida under Title III of the Cuban Liberty and Solidarity (Libertad) Act of 1996, also known as the Helms-Burton Act. The complaint filed by Havana Docks Corporation alleges it holds an interest in the Havana Cruise Port Terminal and the complaint filed by Javier Garcia-Bengochea alleges that he holds an interest in the Port of Santiago, Cuba, both of which were expropriated by the Cuban Government. The complaints further allege that the Company “trafficked” in those properties by embarking and disembarking passengers at these facilities. The plaintiffs seek all available statutory remedies, including the value of the expropriated property, plus interest, treble damages, attorneys’ fees and costs. Although we believe we have meritorious defenses to the claims and intend to vigorously defend these matters, as of September 30, 2019, we are unable to reasonably estimate any potential contingent loss from these matters due to a lack of legal precedence.

Other

In the normal course of our business, various other claims and lawsuits have been filed or are pending against us. Most of these claims and lawsuits are covered by insurance and, accordingly, the maximum amount of our liability is typically limited to our deductible amount.

Nonetheless, the ultimate outcome of these claims and lawsuits that are not covered by insurance cannot be determined at this time. We have evaluated our overall exposure with respect to all of our threatened and pending litigation and, to the extent required, we have accrued amounts for all estimable probable losses associated with our deemed exposure. We are currently unable to estimate any other potential contingent losses beyond those accrued, as discovery is not complete nor is adequate information available to estimate such range of loss or potential recovery. However, based on our current knowledge, we do not believe that the aggregate amount or range of reasonably possible losses with respect to these matters will be material to our consolidated results of operations, financial condition or cash flows. We intend to vigorously defend our legal position on all claims and, to the extent necessary, seek recovery.

12. Other Income, Net

For the three months ended September 30, 2019, other income, net was \$10.3 million primarily due to gains from foreign currency exchange. For the nine months ended September 30, 2019, other income, net was \$13.4 million, primarily due to gains from insurance proceeds, a litigation settlement and foreign currency exchange. For the three and nine months ended September 30, 2018, other income, net was income of \$0.1 million and \$11.4 million, respectively, primarily due to foreign currency exchange gains.

13. Income Tax Expense

For the three and nine months ended September 30, 2019, we had an income tax expense of \$1.2 million and a benefit of \$16.5 million, respectively.

During 2018, we implemented certain tax restructuring strategies that created our ability to utilize the net operating loss carryforwards of Prestige, for which we had previously provided a full valuation allowance. As disclosed in our Annual Report on Form 10-K, we engaged in a section 382 study to determine the amount of the Prestige net operating loss carryforwards that could be utilized against future taxable income. In March 2019, we completed this study resulting in a tax benefit of \$35.7 million in connection with the reversal of substantially all of the valuation allowance.

14. Supplemental Cash Flow Information

For the nine months ended September 30, 2019 and 2018, we had non-cash investing activities in connection with property and equipment of \$17.4 million and \$17.8 million, respectively.

15. Subsequent Events

In October 2019, we took delivery of Norwegian Encore. We had export financing in place for 80% of the contract price. The associated \$882.9 million term loan bears interest at 3.92% per annum with a maturity date of October 30, 2031. Principal and interest payments shall be paid semiannually.

In October 2019, we entered into a \$75 million revolving credit line agreement that matures in October 2020 and bears interest at LIBOR plus a margin of 0.95%.

Non-GAAP Financial Measures

We use certain non-GAAP financial measures, such as Net Revenue, Net Yield, Net Cruise Cost, Adjusted Net Cruise Cost Excluding Fuel, Adjusted EBITDA, Adjusted Net Income and Adjusted EPS, to enable us to analyze our performance. See "Terminology" for the definitions of these and other non-GAAP financial measures. We utilize Net Revenue and Net Yield to manage our business on a day-to-day basis and believe that they are the most relevant measures of our revenue performance because they reflect the revenue earned by us net of significant variable costs. In measuring our ability to control costs in a manner that positively impacts net income, we believe changes in Net Cruise Cost and Adjusted Net Cruise Cost Excluding Fuel to be the most relevant indicators of our performance.

As our business includes the sourcing of passengers and deployment of vessels outside of the U.S., a portion of our revenue and expenses are denominated in foreign currencies, particularly British pound, Canadian dollar, Euro and Australian dollar which are subject to fluctuations in currency exchange rates versus our reporting currency, the U.S. dollar. In order to monitor results excluding these fluctuations, we calculate certain non-GAAP measures on a Constant Currency basis, whereby current period revenue and expenses denominated in foreign currencies are converted to U.S. dollars using currency exchange rates of the comparable period. We believe that presenting these non-GAAP measures on both a reported and Constant Currency basis is useful in providing a more comprehensive view of trends in our business.

We believe that Adjusted EBITDA is appropriate as a supplemental financial measure as it is used by management to assess operating performance. We also believe that Adjusted EBITDA is a useful measure in determining our performance as it reflects certain operating drivers of our business, such as sales growth, operating costs, marketing, general and administrative expense and other operating income and expense. Adjusted EBITDA is not a defined term under GAAP nor is it intended to be a measure of liquidity or cash flows from operations or a measure comparable to net income, as it does not take into account certain requirements such as capital expenditures and related depreciation, principal and interest payments and tax payments and it includes other supplemental adjustments.

In addition, Adjusted Net Income and Adjusted EPS are non-GAAP financial measures that exclude certain amounts and are used to supplement GAAP net income and EPS. We use Adjusted Net Income and Adjusted EPS as key performance measures of our earnings performance. We believe that both management and investors benefit from referring to these non-GAAP financial measures in assessing our performance and when planning, forecasting and analyzing future periods. These non-GAAP financial measures also facilitate management's internal comparison to our historical performance. In addition, management uses Adjusted EPS as a performance measure for our incentive compensation. The amounts excluded in the presentation of these non-GAAP financial measures may vary from period to period; accordingly, our presentation of Adjusted Net Income and Adjusted EPS may not be indicative of future adjustments or results. For example, for the nine months ended September 30, 2018, we incurred \$0.5 million related to Secondary Equity Offering expenses. We included this as an adjustment in the reconciliation of Adjusted Net Income since the offering expenses are not representative of our day-to-day operations and we have included similar adjustments in prior periods; however, this adjustment did not occur and is not included in the comparative period presented within this Form 10-Q.

You are encouraged to evaluate each adjustment used in calculating our non-GAAP financial measures and the reasons we consider our non-GAAP financial measures appropriate for supplemental analysis. In evaluating our non-GAAP financial measures, you should be aware that in the future we may incur expenses similar to the adjustments in our presentation. Our non-GAAP financial measures have limitations as analytical tools, and you should not consider these

measures in isolation or as a substitute for analysis of our results as reported under GAAP. Our presentation of our non-GAAP financial measures should not be construed as an inference that our future results will be unaffected by unusual or non-recurring items. Our non-GAAP financial measures may not be comparable to other companies. Please see a historical reconciliation of these measures to the most comparable GAAP measure presented in our consolidated financial statements below in the “Results of Operations” section.

Financial Presentation

We categorize revenue from our cruise and cruise-related activities as either “passenger ticket” revenue or “onboard and other” revenue. Passenger ticket revenue and onboard and other revenue vary according to product offering, the size of the ship in operation, the length of cruises operated and the markets in which the ship operates. Our revenue is seasonal based on demand for cruises, which has historically been strongest during the Northern Hemisphere’s summer months. Passenger ticket revenue primarily consists of revenue for accommodations, meals in certain restaurants on the ship, certain onboard entertainment, and includes revenue for service charges and air and land transportation to and from the ship to the extent guests purchase these items from us. Onboard and other revenue primarily consists of revenue from gaming, beverage sales, shore excursions, specialty dining, retail sales, spa services and photo services. Our onboard revenue is derived from onboard activities we perform directly or that are performed by independent concessionaires, from which we receive a share of their revenue.

Our cruise operating expense is classified as follows:

- Commissions, transportation and other primarily consists of direct costs associated with passenger ticket revenue. These costs include travel agent commissions, air and land transportation expenses, related credit card fees, certain port expenses and the costs associated with shore excursions and hotel accommodations included as part of the overall cruise purchase price.
- Onboard and other primarily consists of direct costs incurred in connection with onboard and other revenue, including casino, beverage sales and shore excursions.
- Payroll and related consists of the cost of wages and benefits for shipboard employees and costs of certain inventory items, including food, for a third party that provides crew and other hotel services for certain ships.
- Fuel includes fuel costs, the impact of certain fuel hedges and fuel delivery costs.
- Food consists of food costs for passengers and crew on certain ships.
- Other consists of repairs and maintenance (including Dry-dock costs), ship insurance and other ship expenses.

Critical Accounting Policies

For a discussion of our critical accounting policies and estimates, see “Critical Accounting Policies” included in our Annual Report on Form 10-K for the year ended December 31, 2018 under the caption “Management’s Discussion and Analysis of Financial Condition and Results of Operations.” We have made no significant changes to our critical accounting policies and estimates from those described in our Annual Report on Form 10-K for the year ended December 31, 2018.

Quarterly Overview

Three months ended September 30, 2019 (“2019”) compared to three months ended September 30, 2018 (“2018”)

- Total revenue increased 3.0% to \$1.9 billion compared to slightly less than \$1.9 billion.
- Net Revenue increased 1.4% to \$1.5 billion compared to \$1.4 billion.

- Net income and diluted EPS were \$450.6 million and \$2.09, respectively, compared to \$470.4 million and \$2.11, respectively.
- Operating income was \$511.7 million compared to \$550.3 million.
- Adjusted Net Income and Adjusted EPS were \$481.5 million and \$2.23, respectively, in 2019, which included \$30.9 million of adjustments primarily consisting of expenses related to non-cash compensation and amortization of intangible assets. Adjusted Net Income and Adjusted EPS were \$506.4 million and \$2.27, respectively, in 2018, which included \$36.0 million of adjustments primarily consisting of expenses related to non-cash compensation and amortization of intangible assets.
- Adjusted EBITDA decreased 4.1% to \$693.9 million compared to \$723.5 million.
- In June 2019, the Office of Foreign Assets Control of the United States Department of the Treasury removed the authorization for group people-to-people educational travel by U.S. persons to Cuba. As a result, we have stopped sailings to Cuba effective June 5, 2019 and revised the affected itineraries. The estimated negative impact resulting from this regulatory change was approximately \$0.22 to both diluted EPS and Adjusted EPS for the three months ended September 30, 2019. We expect a negative impact to diluted EPS and Adjusted EPS throughout the remainder of 2019 and into 2020 as a result of the cessation of cruises to Cuba.

We refer you to our “Results of Operations” below for a calculation of Net Revenue, Adjusted Net Income, Adjusted EPS and Adjusted EBITDA.

Three months ended September 30, 2019 (“2019”) compared to three months ended September 30, 2018 (“2018”)

Revenue

Total revenue increased 3.0% to \$1.9 billion in 2019 compared to slightly less than \$1.9 billion in 2018. Gross Yield increased 4.8%. Net Revenue increased 1.4% to \$1.5 billion in 2019 from \$1.4 billion in 2018 due to an increase in Net Yield of 3.3% a decrease in Capacity Days of 1.8%. The increase in Gross Yield and Net Yield was primarily due to an increase in passenger ticket pricing and onboard spending. The decrease in Capacity Days was primarily due to Dry-docks and hurricane relief efforts. On a Constant Currency basis, Net Yield increased 3.9%.

Expense

Total cruise operating expense increased 6.7% in 2019 compared to 2018 primarily due to continuing effects from the redeployment of Norwegian Joy during the second quarter of 2019 and incremental direct costs related to air promotions. Gross Cruise Cost increased 7.0% in 2019 compared to 2018 due to an increase in total cruise operating expense and marketing, general and administrative expenses. Total other operating expense increased 8.5% in 2019 compared to 2018. Marketing, general and administrative expenses increased primarily due to an increase in advertising and promotions. Depreciation and amortization expenses increased primarily due to ship improvement projects. On a Capacity Day basis, Net Cruise Cost increased 8.2% (8.8% on a Constant Currency basis) primarily due to an increase in marketing, general and administrative expenses, Dry-dock expenses and other ship operating costs. Adjusted Net Cruise Cost Excluding Fuel per Capacity Day increased 10.2% (11.0% on a Constant Currency basis).

Interest expense, net was \$60.2 million in 2019 compared to \$69.5 million in 2018. The decrease reflects lower outstanding debt balances and lower margins associated with recent refinancings, partially offset by newbuild financings.

Other income, net was income of \$10.3 million in 2019 compared to \$0.1 million in 2018. In 2019, the income primarily related to gains on foreign currency exchange.

In 2019, we had an income tax expense of \$11.2 million compared to \$10.5 million in 2018.

Nine months ended September 30, 2019 (“2019”) compared to nine months ended September 30, 2018 (“2018”)

Revenue

Total revenue increased 6.6% to \$5.0 billion in 2019 from \$4.7 billion in 2018. Gross Yield increased 4.8%. Net Revenue increased 5.3% to \$3.8 billion in 2019 from \$3.6 billion in 2018 due to an increase in Capacity Days of 1.7% and an increase in Net Yield of 3.5%. The increase in Capacity Days was primarily due to a full nine months of Norwegian Bliss in 2019 and was partially offset by a reduction in Capacity Days while Norwegian Joy was undergoing revitalization and repairs and maintenance including scheduled Dry-docks. The increase in Gross Yield and Net Yield was primarily due to an increase in passenger ticket pricing and an increase in onboard spending. On a Constant Currency basis, Net Yield increased 4.2%.

Expense

Total cruise operating expense increased 8.4% in 2019 compared to 2018 primarily due to a full nine months of Norwegian Bliss in 2019, the redeployment of Norwegian Joy during the second quarter of 2019, and incremental direct costs related to air promotions. Gross Cruise Cost increased 8.4% in 2019 compared to 2018 due to an increase in total cruise operating expense and marketing, general and administrative expenses. Total other operating expense increased 11.1% in 2019 compared to 2018. Marketing, general and administrative expenses increased primarily due to an increase in advertising and promotions. Depreciation and amortization expenses increased primarily due to the additions of Norwegian Bliss, renovation of Norwegian Joy and ship improvement projects. On a Capacity Day basis, Net Cruise Cost increased 5.3% (5.9% on a Constant Currency basis) primarily due to an increase in marketing, general and administrative expenses, costs associated with the cessation of cruises to Cuba and other ship operating costs. Adjusted Net Cruise Cost Excluding Fuel per Capacity Day increased 6.2% (6.9% on a Constant Currency basis).

Interest expense, net was \$199.7 million in 2019 compared to \$202.2 million in 2018. The decrease in interest expense reflects lower outstanding debt balances and lower margins associated with recent refinancings, partially offset by newbuild financings and an increase in LIBOR. Interest expense, net also included losses on extinguishment and modification of debt of \$7.3 million in 2019 and \$6.3 million in 2018.

Other income, net was income of \$13.4 million in 2019 compared to \$11.4 million in 2018. In 2019, the income primarily related to gains from insurance proceeds, a litigation settlement and foreign currency exchange, and in 2018, the income primarily related to gains on foreign currency exchange.

In 2019, we had an income tax benefit of \$16.5 million compared to an expense of \$18.4 million in 2018. During 2018, we implemented certain tax restructuring strategies that created our ability to utilize the net operating loss carryforwards of Prestige, for which we had previously provided a full valuation allowance. As a result, in 2019 we recorded a tax benefit of \$35.7 million in connection with the reversal of substantially all of the valuation allowance.

Liquidity and Capital Resources

General

As of September 30, 2019, our liquidity was \$1.3 billion consisting of \$407.3 million in cash and cash equivalents and \$875.0 million available under our Revolving Loan Facility. Our primary ongoing liquidity requirements are to finance working capital, capital expenditures and debt service.

As of September 30, 2019, we had a working capital deficit of \$2.6 billion. This deficit included \$1.9 billion of advance ticket sales, which represents the total revenue we collect in advance of sailing dates and accordingly is substantially more like deferred revenue balances rather than actual current cash liabilities. Our business model, along with our Revolving Loan Facility, allows us to operate with a working capital deficit and still meet our operating, investing and financing needs.

We evaluate potential sources of additional liquidity, including the capital markets, in the ordinary course of business. We will continue to evaluate opportunities to optimize our capital structure, taking into consideration our current and expected capital requirements, our assessment of prevailing market conditions and expectations regarding future conditions, and the contractual and other restrictions to which we are subject.

Sources and Uses of Cash

In this section, references to “2019” refer to the nine months ended September 30, 2019 and references to “2018” refer to the nine months ended September 30, 2018.

Net cash provided by operating activities was \$1.5 billion in 2019 as compared to \$1.7 billion in 2018. The net cash provided by operating activities included timing differences in cash receipts and payments relating to operating assets and liabilities. Advance ticket sales increased by \$262.9 million in 2019 compared to \$316.3 million in 2018. Deferred tax assets/liabilities decreased by \$25.7 million in 2019 compared to an increase of \$4.0 million in 2018 primarily due to the reversal of valuation allowances.

Net cash used in investing activities was \$644.9 million in 2019 and \$1.3 billion in 2018, primarily related to payments for ships under construction and ship improvement projects.

Net cash used in financing activities was \$592.4 million in 2019 primarily due to the repurchase of \$349.9 million of NCLH’s ordinary shares, net repayments of our Revolving Loan Facility and the net refinancing of term loans partially offset by the issuance of new debt. Net cash used in financing activities was \$313.7 million in 2018 primarily due to net repayments of our Revolving Loan Facility and other loan facilities offset by borrowings on newbuild facilities. During 2018, we redeemed \$135.0 million principal amount of the \$700.0 million aggregate principal amount of outstanding 4.750% Senior Notes due 2021. Additionally, in 2018, we repurchased \$463.5 million of our ordinary shares and incurred deferred financing fees related to financing of newbuild ships.

Future Capital Commitments

Future capital commitments consist of contracted commitments, including ship construction contracts, and future expected capital expenditures necessary for operations as well as our ship refurbishment projects. As of September 30, 2019, our anticipated capital expenditures were \$1.0 billion for the remainder of 2019 and \$1.2 billion and \$0.8 billion for the years ending December 31, 2020 and 2021, respectively. We have export credit financing in place for the anticipated expenditures related to ship construction contracts of \$0.7 billion for the remainder of 2019 and \$0.5 billion for 2020 and \$0.2 billion for 2021. These future expected capital expenditures will significantly increase our depreciation and amortization expense as we take delivery of the ships.

Project Leonardo will introduce an additional six ships, each approximately 140,000 Gross Tons with approximately 3,300 Berths, with expected delivery dates from 2022 through 2027, subject to certain conditions. Norwegian Encore, a Breakaway Plus Class Ship with approximately 168,000 Gross Tons and 4,000 Berths, was delivered in October 2019.

For the Regent brand, we have orders for two Explorer Class Ships, Seven Seas Splendor and an additional ship, to be delivered in 2020 and 2023, respectively. Each of the Explorer Class Ships will be approximately 55,000 Gross Tons and 750 Berths. For the Oceania Cruises brand, we have orders for two Allura Class Ships to be delivered in 2022 and 2025. Each of the Allura Class Ships will be approximately 67,000 Gross Tons and 1,200 Berths.

The combined contract prices of the 11 ships on order for delivery, including Norwegian Encore, which was delivered in October 2019, was approximately €8.3 billion, or \$9.0 billion based on the euro/U.S. dollar exchange rate as of September 30, 2019. We have obtained export credit financing which is expected to fund approximately 80% of the contract price of each ship, subject to certain conditions. We do not anticipate any contractual breaches or cancellations to occur. However, if any such events were to occur, it could result in, among other things, the forfeiture of prior deposits or payments made by us and potential claims and impairment losses which may materially impact our business, financial condition and results of operations.

Capitalized interest for the three and nine months ended September 30, 2019 was \$8.9 million and \$25.3 million, respectively, and for the three and nine months ended September 30, 2018 was \$6.4 million and \$23.2 million, respectively, primarily associated with the construction of our newbuild ships.

Off-Balance Sheet Arrangements

None.

- (1) Long-term debt includes premiums aggregating \$0.2 million and finance leases. Long-term debt excludes deferred financing fees which are a direct deduction from the carrying value of the related debt liability in the consolidated balance sheets.
- (2) Operating leases are primarily for offices, motor vehicles and office equipment.
- (3) Ship construction contracts are for our newbuild ships based on the euro/U.S. dollar exchange rate as of September 30, 2019. Export credit financing is in place from syndicates of banks. The amount does not include the two Project Leonardo ships, one Explorer Class Ship and two Allura Class Ships which were still subject to certain Italian government approvals as of September 30, 2019. The Explorer Class Ship and one Allura Class Ship received Italian government approvals in October 2019. The contractual obligations for these two ships includes the following (in thousands):

	Total	Less than 1 year	1-3 years	3-5 years	More than 5 years
Ship construction contracts	\$ 1,148,527	\$ 90,610	\$ 114,679	\$ 943,238	\$ —

- (4) Port facilities represent our usage of certain port facilities.
- (5) Interest includes fixed and variable rates with LIBOR held constant as of September 30, 2019.

- (6) Other includes future commitments for service, maintenance and other business enhancement capital expenditures contracts.
- (7) \$0.7 million of unrecognized tax benefits were excluded from the "Total" contractual obligations as of September 30, 2019 because an estimate of the timing of future tax settlements cannot be reasonably determined.

Other

Certain service providers may require collateral in the normal course of our business. The amount of collateral may change based on certain terms and conditions.

As a routine part of our business, depending on market conditions, exchange rates, pricing and our strategy for growth, we regularly consider opportunities to enter into contracts for the building of additional ships. We may also consider the sale of ships, potential acquisitions and strategic alliances. If any of these were to occur, they may be financed through the incurrence of additional permitted indebtedness, through cash flows from operations, or through the issuance of debt, equity or equity-related securities.

Funding Sources

Certain of our debt agreements contain covenants that, among other things, require us to maintain a minimum level of liquidity, as well as limit our net funded debt-to-capital ratio, and maintain certain other ratios and restrict our ability to pay dividends. Substantially all of our ships and other property and equipment are pledged as collateral for certain of our debt. We believe we were in compliance with these covenants as of September 30, 2019.

In addition, our existing debt agreements restrict, and any of our future debt arrangements may restrict, among other things, the ability of our subsidiaries, including NCLC, to make distributions and/or pay dividends to NCLH and NCLH's ability to pay cash dividends to its shareholders. NCLH is a holding company and depends upon its subsidiaries for their ability to pay distributions to it to finance any dividend or pay any other obligations of NCLH. However, we do not believe that these restrictions have had or are expected to have an impact on our ability to meet any cash obligations.

The impact of changes in world economies and especially the global credit markets can create a challenging environment and may reduce future consumer demand for cruises and adversely affect our counterparty credit risks. In the event this environment deteriorates, our business, financial condition and results of operations could be adversely impacted.

We believe our cash on hand, expected future operating cash inflows, additional available borrowings under our Revolving Loan Facility and our ability to issue debt securities or additional equity securities, will be sufficient to fund operations, debt payment requirements, capital expenditures and maintain compliance with covenants under our debt agreements over the next 12-month period. There is no assurance that cash flows from operations and additional financings will be available in the future to fund our future obligations.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

General

We are exposed to market risk attributable to changes in interest rates, foreign currency exchange rates and fuel prices. We attempt to minimize these risks through a combination of our normal operating and financing activities and through the use of derivatives. The financial impacts of these derivative instruments are primarily offset by corresponding changes in the underlying exposures being hedged. We achieve this by closely matching the notional, term and conditions of the derivatives with the underlying risk being hedged. We do not hold or issue derivatives for trading or other speculative purposes. Derivative positions are monitored using techniques including market valuations and sensitivity analyses.

Interest Rate Risk

As of September 30, 2019, we had interest rate swap and collar agreements to hedge our exposure to interest rate movements and to manage our interest expense. As of September 30, 2019, 75% of our debt was fixed and 25% was variable, which includes the effects of the interest rate swaps and collars. The notional amount of outstanding debt associated with the interest rate derivative agreements as of September 30, 2019 was \$1.7 billion. As of December 31, 2018, 72% of our debt was fixed and 28% was variable, which includes the effects of the interest rate swaps. The notional amount of our outstanding debt associated with the interest rate swap agreements was \$1.0 billion as of December 31, 2018. The change in our fixed rate percentage from December 31, 2018 to September 30, 2019 was due to an additional interest rate swap executed and the repayment of certain variable rate debt. Based on our September 30, 2019 outstanding variable rate debt balance, a one percentage point increase in annual LIBOR interest rates would increase our annual interest expense by approximately \$11.2 million excluding the effects of capitalization of interest.

Foreign Currency Exchange Rate Risk

As of September 30, 2019, we had foreign currency derivatives to hedge the exposure to volatility in foreign currency exchange rates related to our ship construction contracts denominated in euros. These derivatives hedge the foreign currency exchange rate risk on a portion of the payments on our ship construction contracts. The payments not hedged aggregate €2.0 billion, or \$2.2 billion based on the euro/U.S. dollar exchange rate as of September 30, 2019. As of December 31, 2018, the payments not hedged aggregated €2.2 billion, or \$2.5 billion, based on the euro/U.S. dollar exchange rate as of December 31, 2018. The change from December 31, 2018 to September 30, 2019 was due to additional foreign exchange derivatives executed. We estimate that a 10% change in the euro as of September 30, 2019 would result in a \$0.2 billion change in the U.S. dollar value of the foreign currency denominated remaining payments.

Fuel Price Risk

Our exposure to market risk for changes in fuel prices relates to the forecasted purchases of fuel on our ships. Fuel expense, as a percentage of our total cruise operating expense, was 10.0% and 10.7% for the three months ended September 30, 2019 and 2018, respectively, and 10.7% and 11.3% for the nine months ended September 30, 2019 and 2018, respectively. We use fuel derivative agreements to mitigate the financial impact of fluctuations in fuel prices and as of September 30, 2019, we had hedged approximately 70%, 56%, 50% and 18% of our remaining 2019, 2020, 2021 and 2022 projected metric tons of fuel purchases, respectively. As of December 31, 2018, we had hedged approximately 57%, 53% and 33% of our 2019, 2020 and 2021 projected metric tons of fuel purchases, respectively. Additional hedges executed between December 31, 2018 and September 30, 2019 have lowered our fuel price risk.

We estimate that a 10% increase in our weighted-average fuel price would increase our anticipated 2019 fuel expense by \$10.2 million. This increase would be partially offset by an increase in the fair value of our fuel swap agreements of \$5.4 million. Fair value of our derivative contracts is derived using valuation models that utilize the income valuation approach. These valuation models take into account the contract terms such as maturity, as well as other inputs such as fuel types, fuel curves, creditworthiness of the counterparty and the Company, as well as other data points.

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

Our management has evaluated, with the participation of our Chief Executive Officer and Chief Financial Officer, the effectiveness of our disclosure controls and procedures, as such term is defined in Rule 13a-15(e) under the Securities Exchange Act of 1934, as amended, as of September 30, 2019. There are inherent limitations in the effectiveness of any system of disclosure controls and procedures, including the possibility of human error and the circumvention or overriding of the controls and procedures. Accordingly, even effective disclosure controls and procedures can only provide reasonable assurance of achieving their control objectives. Based upon management's evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective as of September 30, 2019 to provide reasonable assurance that the information required to be disclosed by us in the reports we

file or submit under the Securities Exchange Act of 1934, as amended, is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the SEC, and that it is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure.

Changes in Internal Control Over Financial Reporting

There have been no changes in our internal control over financial reporting during the quarter ended September 30, 2019 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Limitations on the Effectiveness of Controls

It should be noted that any system of controls, however well designed and operated, can provide only reasonable, and not absolute, assurance that the objectives of the system will be met. In addition, the design of any control system is based in part upon certain assumptions about the likelihood of future events. Because of these and other inherent limitations of control systems, there is only the reasonable assurance that our controls will succeed in achieving their goals under all potential future conditions.

Item 1. Legal Proceedings

Booksafe Travel Protection Plan

As previously disclosed in our Quarterly Reports on Form 10-Q for the quarters ended March 31, 2019 and June 30, 2019, on September 21, 2018, a proposed class-action lawsuit was filed by Marta and Jerry Phillips and others against NCL Corporation Ltd. in the United States District Court for the Southern District of Florida relating to the marketing and sales of our Booksafe Travel Protection Plan. The plaintiffs purport to represent an alleged class of passengers who purchased Booksafe Travel Protection Plans. The complaint alleged that the Company concealed that it received proceeds on the sale of the travel insurance portion of the plan. The complaint sought an unspecified amount of damages, fees and costs. The Company moved to invoke the arbitration clause of the ticket contract to move the case out of Federal Court. On May 29, 2019, the Court granted the motion and compelled the plaintiffs to submit their claims to arbitration on an individual basis, dismissing the claims before the Court with prejudice. The plaintiffs have filed a notice of appeal. We believe we have meritorious defenses to the claim and that any liability which may arise as a result of this action will not have a material impact on our consolidated financial statements.

Helms-Burton Act

On August 27, 2019, two lawsuits were filed against Norwegian Cruise Line Holdings Ltd. in the United States District Court for the Southern District of Florida under Title III of the Cuban Liberty and Solidarity (Libertad) Act of 1996, also known as the Helms-Burton Act. The complaint filed by Havana Docks Corporation alleges it holds an interest in the Havana Cruise Port Terminal and the complaint filed by Javier Garcia-Bengochea alleges that he holds an interest in the Port of Santiago, Cuba, both of which were expropriated by the Cuban Government. The complaints further allege that the Company “trafficked” in those properties by embarking and disembarking passengers at these facilities. The plaintiffs seek all available statutory remedies, including the value of the expropriated property, plus interest, treble damages, attorneys’ fees and costs. We believe we have meritorious defenses to the claims and intend to vigorously defend these matters.

Other

In the normal course of our business, various claims and lawsuits have been filed or are pending against us. Most of these claims and lawsuits are covered by insurance and, accordingly, the maximum amount of our liability is typically limited to our deductible amount.

Nonetheless, the ultimate outcome of these claims and lawsuits that are not covered by insurance cannot be determined at this time. We have evaluated our overall exposure with respect to all of our threatened and pending litigation and, to the extent required, we have accrued amounts for all estimable probable losses associated with our deemed exposure. We are currently unable to estimate any other potential contingent losses beyond those accrued, as discovery is not complete nor is adequate information available to estimate such range of loss or potential recovery. However, based on our current knowledge, we do not believe that the aggregate amount or range of reasonably possible losses with respect to these matters will be material to our consolidated results of operations, financial condition or cash flows. We intend to vigorously defend our legal position on all claims and, to the extent necessary, seek recovery.

Item 1A. Risk Factors

We refer you to our Annual Report on Form 10-K for a discussion of the risk factors that affect our business and financial results. We wish to caution you that the risk factors discussed in “Item 1A. Risk Factors” in our Annual Report on Form 10-K, elsewhere in this report or other SEC filings, could cause future results to differ materially from those stated in any forward-looking statements.

Other than updates to the risk factors set forth below, there have been no material changes in our risk factors from those disclosed in our Annual Report on Form 10-K.

Unavailability of ports of call may materially adversely affect our business, financial condition and results of operations.

We believe that attractive port destinations are a major reason why guests choose to go on a particular cruise or on a cruise vacation. The availability of ports, including the specific port facility at which our guests will embark and disembark, is affected by a number of factors, including, but not limited to, existing capacity constraints, security, safety and environmental concerns, adverse weather conditions and natural disasters such as hurricanes, floods, typhoons and earthquakes, financial limitations on port development, political instability, exclusivity arrangements that ports may have with our competitors, local governmental regulations and fees, local community concerns about port development and other adverse impacts on their communities from additional tourists and sanctions programs implemented by the Office of Foreign Assets Control of the United States Treasury Department or other regulatory bodies. For example, we had to temporarily change certain itineraries in the Caribbean due to damage some ports sustained during an active hurricane season in 2017. There can be no assurance that our ports of call will not be similarly affected in the future. Additionally, in June 2019, the Office of Foreign Assets Control of the United States Department of the Treasury removed the authorization for group people-to-people educational travel by U.S. persons to Cuba. Concurrently, the United States Department of Commerce’s Bureau of Industry and Security removed the authorization to travel for most non-commercial aircraft and all passenger and recreational vessels, including cruise ships, on temporary sojourn in Cuba. Combined, these rulings effectively eliminated the ability of cruise lines to offer cruise travel to Cuba. Limitations on the availability of ports of call or on the availability of shore excursions and other service providers at such ports have adversely affected our business, financial condition and results of operations in the past and could do so in the future.

Litigation, enforcement actions, fines or penalties could adversely impact our financial condition or results of operations and damage our reputation.

Our business is subject to various U.S. and international laws and regulations that could lead to enforcement actions, fines, civil or criminal penalties or the assertion of litigation claims and damages. In addition, improper conduct by our employees or agents could damage our reputation and/or lead to litigation or legal proceedings that could result in civil or criminal penalties, including substantial monetary fines. In certain circumstances, it may not be economical to defend against such matters, and a legal strategy may not ultimately result in us prevailing in a matter. Such events could lead to an adverse impact on our financial condition or results of operations.

As a result of any ship-related or other incidents, litigation claims, enforcement actions and regulatory actions and investigations, including, but not limited to, those arising from personal injury, loss of life, loss of or damage to personal property, business interruption losses or environmental damage to any affected coastal waters and the surrounding area, may be asserted or brought against various parties, including us and/or our cruise brands. The time and attention of our

management may also be diverted in defending such claims, actions and investigations. Subject to applicable insurance coverage, we may also incur costs both in defending against any claims, actions and investigations and for any judgments, fines, civil or criminal penalties if such claims, actions or investigations are adversely determined.

The U.S. Government announced that, effective May 2, 2019, it will no longer suspend the right of private parties to bring litigation under Title III of the Cuban Liberty and Solidarity (Libertad) Act of 1996, popularly known as the Helms-Burton Act, allowing certain individuals whose property was confiscated by the Cuban government beginning in 1959 to sue anyone who "traffics" in the property in question in U.S. courts. To date, several claims have now been brought against us and other companies who have done business in Cuba. If these suits are successful, they could result in substantial monetary damages against the Company.

Future changes in applicable tax laws, or our inability to take advantage of favorable tax regimes, could increase the amount of taxes we must pay.

We believe and have taken the position that our income that is considered to be derived from the international operation of ships as well as certain income that is considered to be incidental to such income ("shipping income"), is exempt from U.S. federal income taxes under Section 883, based upon certain assumptions as to shareholdings and other information as more fully described in "Item 1—Business—Taxation." The provisions of Section 883 are subject to change at any time, possibly with retroactive effect.

We believe and have taken the position that substantially all of our income derived from the international operation of ships is properly categorized as shipping income and that we do not have a material amount of non-qualifying income. It is possible, however, that a much larger percentage of our income does not qualify (or will not qualify) as shipping income. Moreover, the exemption for shipping income is only available for years in which NCLH will satisfy complex stock ownership tests or the publicly traded test under Section 883 as described in "Item 1—Business—Taxation—Exemption of International Shipping Income under Section 883 of the Code." There are factual circumstances beyond our control, including changes in the direct and indirect owners of NCLH's ordinary shares, which could cause us or our subsidiaries to lose the benefit of this tax exemption. Finally, any changes in our operations could significantly increase our exposure to either the Net Tax Regime or the 4% Regime (each as defined in "Item 1—Business—Taxation"), and we can give no assurances on this matter.

If we or any of our subsidiaries were not to qualify for the exemption under Section 883, our or such subsidiary's U.S.-source income would be subject to either the Net Tax Regime or the 4% Regime (each as defined in "Item 1—Business—Taxation"). As of the date of this filing, we believe that NCLH and its subsidiaries will satisfy the publicly traded test imposed under Section 883 and therefore believe that NCLH will qualify for the exemption under Section 883. However, as discussed above, there are factual circumstances beyond our control that could cause NCLH to not meet the stock ownership or publicly traded tests. Therefore, we can give no assurances on this matter. We refer you to "Item 1—Business—Taxation."

We may be subject to state, local and non-U.S. income or non-income taxes in various jurisdictions, including those in which we transact business, own property or reside. We may be required to file tax returns in some or all of those jurisdictions. Our state, local or non-U.S. tax treatment may not conform to the U.S. federal income tax treatment discussed above. We may be required to pay non-U.S. taxes on dispositions of foreign property or operations involving foreign property that may give rise to non-U.S. income or other tax liabilities in amounts that could be substantial.

The various tax regimes to which we are currently subject result in a relatively low effective tax rate on our worldwide income. These tax regimes, however, are subject to change, possibly with retroactive effect. For example, legislation has been proposed in the past that would eliminate the benefits of the exemption from U.S. federal income tax under Section 883 and subject all or a portion of our shipping income to taxation in the U.S. Moreover, we may become subject to new tax regimes and may be unable to take advantage of favorable tax provisions afforded by current or future law, including exemption of branch profits and dividend withholding taxes under the U.S. – U.K. Income Tax Treaty on income derived in respect of our U.S.-flagged operation.

The government of Bermuda recently enacted the Economic Substance Act 2018 which sets forth minimum economic substance requirements for entities established in Bermuda. The Company is currently analyzing these rules in anticipation of further guidance from Bermuda authorities on the application of the Economic Substance Act 2018. If the Company is unable to comply with such requirements, the Company may consider alternate jurisdictions or otherwise become subject to tax regimes which may be less favorable.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

Purchases of Equity Securities by the Issuer

On April 17, 2018, NCLH's Board of Directors approved a three-year share repurchase program (the "Repurchase Program") authorizing NCLH to purchase up to \$1.0 billion of NCLH's ordinary shares. Pursuant to the Repurchase Program, NCLH may repurchase its ordinary shares from time to time, in amounts, at prices and at such times as it deems appropriate, subject to market conditions and other considerations. Under the Repurchase Program, shares may be repurchased in open market transactions or privately negotiated transactions, including structured and derivative transactions such as accelerated share repurchase transactions, and may be made under a plan complying with Rule 10b5-1 under the Securities Exchange Act. Our only repurchases of NCLH's ordinary shares during the three months ended September 30, 2019 were made pursuant to the Repurchase Program.

WHEREAS:

- (A) This Agreement is supplemental to a credit agreement dated 14 July 2014 as amended by the supplemental agreement dated 22 December 2015 (the **First Supplemental Agreement**) (together with the First Supplemental Agreement, the **Original Credit Agreement**) made between, inter alia, the Borrower, the banks named therein as lenders and the Facility Agent, where the Lenders originally granted to the Borrower a secured loan in the maximum amount of the Dollar Equivalent of six hundred and sixty-five million, nine hundred and ninety-five thousand, eight hundred and eighty Euro (€665,995,880) for the purpose of enabling the Borrower to finance (among other things) the construction of the Vessel (as such term is defined in the Original Credit Agreement) on the terms and conditions therein contained.
- (B) The amount of the original commitment was reduced by €2,564,685 to €663,431,195 after the signing date of the Original Credit Agreement as a result of the Hermes Premium being less than the amount contemplated in the Original Credit Agreement and was increased to €706,811,000 (the **Revised Total Commitments**) by the First Supplemental Agreement.
- (C) As a result of certain change orders relating to the Vessel as agreed in addendum no.6 dated 26 September 2017 to the Construction Contract as well as in a list of agreement of modifications dated 11 December 2018 to the Construction Contract, the amount payable by the Borrower under the Construction Contract was increased by an aggregate amount of €[*]

and, as a result the Borrower has requested that the Revised Total Commitments be further increased by €41,874,000 (the **Additional Commitment**) to €748,685,000 and that the Original Credit Agreement be amended to reflect such increase.

- (D) The Additional Commitment will be shared amongst the Lenders on the basis set out in the revised Commitments contained in Schedule 1.
- (E) This Agreement sets out the terms and conditions upon which the Facility Agent and the Lenders shall, at the request of the Borrower, agree to increase the Revised Total Commitments by the Additional Commitment and the manner in which each Lender's Commitment shall be increased.

NOW IT IS HEREBY AGREED as follows:

(b) The Loans made on each Borrowing Date shall be disbursed by the Facility Agent to the Borrower and/or its designee(s), as set forth in Section 2.04, in Dollars and shall be in an amount equal to the applicable Dollar Equivalent of the amount of the Total Commitments in respect of any payments of the Initial Construction Price and/or Permitted Change Orders utilized to make such Loans on such Borrowing Date pursuant to this Section 2.02, provided that in the event that the Borrower has not (i) notified the Facility Agent in the Notice of Borrowing that it has entered into Earmarked Foreign Exchange Arrangements with respect to the amount required to be paid to Hermes or to the Yard on such Borrowing Date or (ii) provided reasonably sufficient evidence to the Facility Agent of such Earmarked Foreign Exchange Arrangements in the Notice of Borrowing, the Facility Agent on such Borrowing Date shall convert the Dollar amount of the Loans to be made by each Lender into Euro at the Spot Rate applicable 2 Business Days prior to such Borrowing Date (it being understood that such Spot Rate shall be used for such conversion in order to calculate the Dollar Equivalent referred to in this Section 2.02(b)), and shall inform each Lender thereof, and such Euro amount shall thereafter be disbursed to the Borrower and/or its designee(s) as set forth in Section 2.04 (it being understood that each Lender shall remit its Loans to the Facility Agent in Dollars on such Borrowing Date).

2.02 Notice of Borrowing. Subject to the second parenthetical in Section 2.02(a)(ii), whenever the Borrower desires to make a Borrowing hereunder, it shall give the Facility Agent at its Notice Office at least three Business Days' prior written notice of each Loan to be made hereunder, provided that any such notice shall be deemed to have been given on a certain day only if given before 11:00 A.M. (Frankfurt time) (unless such 11:00 A.M. deadline is waived by the Facility Agent in the case of the Initial Borrowing Date). Each such written notice (each a "Notice of Borrowing"), except as otherwise expressly provided in Section 2.09, shall be irrevocable and shall be given by the Borrower substantially in the form of Exhibit A, appropriately completed to specify (i) the portion of the Total Commitments to be utilized on such Borrowing Date, (ii) if the Borrower and/or the Parent has entered into Earmarked Foreign Exchange Arrangements with respect to the installment payments due and owing under the Construction Contract to be funded by the Loans to be incurred on such Borrowing Date, the applicable Dollar Equivalent of the portion of the Total Commitments to be borrowed on such Borrowing Date and, where applicable, evidence of such Earmarked

Foreign Exchange Arrangements, (iii) the date of such Borrowing (which shall be a Business Day), (iv) when the Loans are to be subject to interest at the Floating Rate, the initial Interest Period to be applicable thereto, (v) to which account(s) the proceeds of such Loans are to be deposited (it being understood that pursuant to Section 2.04 the Borrower may designate one or more accounts of the Yard, Hermes and/or the provider of the foreign exchange arrangements referenced in the definition of Dollar Equivalent) and (vi) that all representations and warranties made by each Credit Party, in or pursuant to the Credit Documents are true and correct in all material respects on and as of the date of such Borrowing (unless stated to relate to a specific earlier date, in which case such representations and warranties shall have been true and correct in all material respects as of such date) and no Event of Default is or will be continuing after giving effect to such Borrowing. The Facility Agent shall promptly give each Lender which is required to make Loans, notice of such proposed Borrowing, of such Lender's proportionate share thereof and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing.

2.03 Disbursement of Funds. No later than 12:00 Noon (Frankfurt time) on the date specified in each Notice of Borrowing, each Lender will make available its pro rata portion of each Borrowing requested in the Notice of Borrowing to be made on such date. All such amounts shall be made available in the currency required by Section 2.02(b) in immediately available funds at the Payment Office of the Facility Agent, and the Facility Agent will make available to (I) in the case of Loans disbursed in Dollars, the designee(s) of the Borrower (with such designee(s) being in such circumstances either Hermes (in the case of the Hermes Premium) or a provider of Earmarked Foreign Exchange Arrangements referenced in the definition of Dollar Equivalent), save that each Loan in respect of the First Hermes Instalment and the Additional Hermes Premium may be paid directly to the Borrower and (II) in the case of Loans disbursed in Euro, designee(s) of the Borrower (with such designee(s) being in such circumstances the Yard), in each case prior to 3:00 P.M. (Frankfurt Time) on such day, to the extent of funds actually received by the Facility Agent prior to 12:00 Noon (Frankfurt Time) on such day, in each case at the Payment Office in the account(s) specified in the applicable Notice of Borrowing, the aggregate of the amounts so made available by the Lenders. Unless the Facility Agent shall have been notified by any Lender prior to the date of Borrowing that such Lender does not intend to make available to the Facility Agent such Lender's portion of any Borrowing to be made on such date, the Facility Agent may assume that such Lender has made such amount available to the Facility Agent on such date of Borrowing and the Facility Agent may, in reliance upon such assumption, make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Facility Agent by such Lender, the Facility Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Facility Agent's demand therefor, the Facility Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Facility Agent. The Facility Agent shall also be entitled to recover on demand from such Lender or the Borrower, as the case may be, interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Facility Agent to the Borrower until the date such corresponding amount is recovered by the Facility Agent, at a percentage rate per annum equal to (i) if recovered from such Lender, at the overnight Eurodollar Rate and (ii) if recovered from the Borrower, the rate of interest applicable to the respective Borrowing, as determined pursuant to Section 2.06. Nothing in this Section 2.04

shall be deemed to relieve any Lender from its obligation to make Loans hereunder or to prejudice any rights which the Borrower may have against any Lender as a result of any failure by such Lender to make Loans hereunder.

2.04 Pro Rata Borrowings. All Borrowings of Loans under this Agreement shall be incurred from the Lenders pro rata on the basis of their Commitments. It is understood that no Lender shall be responsible for any default by any other Lender of its obligation to make Loans hereunder and that each Lender shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Loans hereunder. The obligations of the Lenders under this Agreement are several and not joint and no Lender shall be responsible for the failure of any other Lender to satisfy its obligations hereunder.

2.05 Interest. (a) The Borrower agrees to pay interest in respect of the unpaid principal amount of each Loan from the date the proceeds thereof are made available to the Borrower until the maturity (whether by acceleration or otherwise) of such Loan at the Fixed Rate or if an election is made by the Borrower to elect the Floating Rate pursuant to Section 2.07, at the Floating Rate.

(b) If the Borrower fails to pay any amount payable by it under a Credit Document on its due date, interest shall accrue on the overdue amount (in the case of overdue interest to the extent permitted by law) from the due date up to the date of actual payment (both before and after judgment) at a rate which is (i) where interest is payable at the Fixed Rate, equal to [*] plus the Eurodollar Rate which would have been payable if the overdue amount had, during the period of non-payment constituted a Loan for successive interest periods, each of a duration of three months, or (ii) where interest is payable on the Loan at the Floating Rate and subject to paragraph (c) below, [*] plus the rate (including, for the avoidance of doubt, the margin) which would have been payable if the overdue amount had, during the period of non-payment, constituted a Loan for successive Interest Periods, each of a duration selected by the Facility Agent (acting reasonably). Any interest accruing under this Section 2.06(b) shall be immediately payable by the Borrower on demand by the Facility Agent.

(c) At any time when interest is payable at the Floating Rate, if any overdue amount consists of all or part of a Loan which became due on a day which was not the last day of a Floating Rate Interest Period relating to that Loan:

(i) the first Interest Period for that overdue amount shall have a duration equal to the unexpired portion of the current Floating Rate Interest Period relating to that Loan; and

(ii) the rate of interest applying to the overdue amount during that first Interest Period shall be [*] plus the rate which would have applied if the overdue amount had not become due.

(d) Default interest (if unpaid) arising on an overdue amount will be compounded with the overdue amount at the end of each Interest Period applicable to that overdue amount but will remain immediately due and payable.

(e) Accrued and unpaid interest shall be payable in respect of each Loan on each Fixed Interest Payment Date (if interest is payable on the Loan at the Fixed Rate) or, if interest is payable on the Loan at the Floating Rate, on the last day of each Interest Period applicable thereto, on any repayment or prepayment date (on the amount repaid or prepaid), at maturity (whether by acceleration or otherwise) and, after such maturity, on demand.

(f) At any time when interest is payable on the Loan at the Floating Rate, upon each Interest Determination Date, the Facility Agent shall determine the Eurodollar Rate for each Interest Period applicable to the Loans to be made pursuant to the applicable Borrowing and shall promptly notify the Borrower and the respective Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(g) At any time when interest is payable on the Loan at the Fixed Rate, the Borrower shall reimburse each Lender on demand for the amount by which the 6 month Eurodollar Rate for any Fixed Rate Interest Period plus the fee for administrative expenses of [*] per annum for such Fixed Rate Interest Period less the Fixed Rate exceeds [*] per annum (being the amount by which the interest make-up is limited under any Interest Make-Up Agreement pursuant to Section 1.1 of the CIRR General Terms and Conditions and the KfW Refinancing).

2.06 Election of Floating Rate. (a) By written notice to the Facility Agent delivered (i) in the case of an election prior to the Initial Borrowing Date, at least 10 days after the Signing Date or (ii) in the case of an election after the Initial Borrowing Date, at least 35 days prior to the proposed date on which the interest rate mechanism is to change, the Borrower may elect, without incurring any liability to make any payment pursuant to Section 2.10 (other than in the case of (ii) above, where there will be such a liability) or to pay any other indemnity or compensation obligation, to pay interest on the Loans at the Floating Rate.

(b) Any election made pursuant to this Section 2.07 may only be made once during the term of the Loans.

2.07 Floating Rate Interest Periods. This Section 2.08 shall only apply if the Borrower has elected to pay interest at the Floating Rate pursuant to Section 2.07. At the time the Borrower gives any election notice pursuant to Section 2.07(a) (in the case of the initial Floating Rate Interest Period (as defined below) applicable thereto) or on the third Business Day prior to the expiration of a Floating Rate Interest Period applicable to such Loans (in the case of any subsequent Interest Period), it shall have the right to elect, by giving the Facility Agent notice thereof, the interest period (each a "Floating Rate Interest Period") applicable to such Loans, which Floating Rate Interest Period shall, at the option of the Borrower, be a three or six month period; provided that:

(a) subject to paragraph (b) below, all Loans comprising a Borrowing shall at all times have the same Floating Rate Interest Period;

(b) the initial Floating Rate Interest Period for any Loan shall commence either on the date of Borrowing of such Loan or, in the case of an election under Section 2.07(a)(ii) on the date proposed in the election notice and each Floating Rate Interest

Period occurring thereafter in respect of such Loan shall commence on the day on which the immediately preceding Floating Rate Interest Period applicable thereto expires;

(c) if any Floating Rate Interest Period relating to a Loan begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Floating Rate Interest Period, such Floating Rate Interest Period shall end on the last Business Day of such calendar month;

(d) if any Floating Rate Interest Period would otherwise expire on a day which is not a Business Day, such Floating Rate Interest Period shall expire on the first succeeding Business Day; provided, however, that if any Floating Rate Interest Period for a Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Floating Rate Interest Period shall expire on the immediately preceding Business Day;

(e) no Floating Rate Interest Period longer than three months may be selected at any time when an Event of Default (or, if the Facility Agent or the Required Lenders have determined that such an election at such time would be disadvantageous to the Lenders, a Default) has occurred and is continuing;

(f) no Floating Rate Interest Period in respect of any Borrowing of any Loans shall be selected which extends beyond the Maturity Date; and

(g) at no time shall there be more than ten Borrowings of Loans subject to different Floating Rate Interest Periods.

If upon the expiration of any Floating Rate Interest Period applicable to a Borrowing, the Borrower has failed to elect a new Floating Rate Interest Period to be applicable to such Loans as provided above, the Borrower shall be deemed to have elected a three month Floating Rate Interest Period to be applicable to such Loans effective as of the expiration date of such current Floating Rate Interest Period.

2.08 Increased Costs, Illegality, Market Disruption, etc. (a) In the event that any Lender shall have reasonably determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto):

(i) at any time, that such Lender shall incur increased costs (including, without limitation, pursuant to Basel II and/or Basel III to the extent Basel II and/or Basel III, as the case may be, is applicable), Mandatory Costs (as set forth on Schedule 1.01(b)) or reductions in the amounts received or receivable hereunder with respect to any Loan because of, without duplication, any change since the Effective Date in any applicable law or governmental rule, governmental regulation, governmental order, governmental guideline or governmental request (whether or not having the force of law) or in the interpretation or administration thereof and including the introduction of any new law or governmental rule, governmental regulation, governmental order, governmental guideline or governmental request, such as, for example, but not limited to: (A) a change in the basis of taxation of payment to any Lender of the principal of or interest on such Loan or any other amounts payable hereunder (except for changes in the rate of tax on, or

determined by reference to, the net income or net profits of such Lender, or any franchise tax based on net income or net profits, of such Lender pursuant to the laws of the jurisdiction in which such Lender is organized or in which such Lender's principal office or applicable lending office is located or any subdivision thereof or therein or which is attributable to a FATCA Deduction required to be made by a party to this Agreement), but without duplication of any amounts payable in respect of Taxes pursuant to Section 4.04, or (B) a change in official reserve requirements; or

(ii) at any time, that the making or continuance of any Loan has been made unlawful by any law or governmental rule, governmental regulation or governmental order;

then, and in any such event, such Lender shall promptly give notice (by telephone confirmed in writing) to the Borrower and to the Facility Agent of such determination (which notice the Facility Agent shall promptly transmit to each of the Lenders). Thereafter (x) in the case of clause (i) above, the Borrower agrees (to the extent applicable), to pay to such Lender, upon its written demand therefor, such additional amounts as shall be required to compensate such Lender or such other corporation for the increased costs or reductions to such Lender or such other corporation and (y) in the case of clause (ii) above, the Borrower shall take one of the actions specified in Section 2.09(b) as promptly as possible and, in any event, within the time period required by law. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable, provided that such Lender's determination of compensation owing under this Section 2.09(a) shall, absent manifest error, be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 2.09(a), will give prompt written notice thereof to the Borrower, which notice shall show in reasonable detail the basis for the calculation of such additional amounts; provided that, subject to the provisions of Section 2.10(b), the failure to give such notice shall not relieve the Borrower from its Credit Document Obligations hereunder.

(b) At any time that any Loan is affected by the circumstances described in Section 2.09(a)(i) or (ii), the Borrower may (and in the case of a Loan affected by the circumstances described in Section 2.09(a)(ii) shall) either (x) if the affected Loan is then being made initially, cancel the respective Borrowing by giving the Facility Agent notice in writing on the same date or the next Business Day that the Borrower was notified by the affected Lender or the Facility Agent pursuant to Section 2.09(a)(i) or (ii) or (y) if the affected Loan is then outstanding, upon at least three Business Days' written notice to the Facility Agent, in the case of any Loan, repay all outstanding Borrowings (within the time period required by the applicable law or governmental rule, governmental regulation or governmental order) which include such affected Loans in full in accordance with the applicable requirements of Section 4.02; provided that if more than one Lender is affected at any time, then all affected Lenders must be treated the same pursuant to this Section 2.09(b).

(c) If any Lender determines that after the Effective Date (i) the introduction of or effectiveness of or any change in any applicable law or governmental rule, governmental regulation, governmental order, governmental guideline, governmental directive or governmental request (whether or not having the force of law) concerning capital adequacy, or any change in

interpretation or administration thereof by any governmental authority, central bank or comparable agency will have the effect of increasing the amount of capital required or expected to be maintained by such Lender, or any corporation controlling such Lender, based on the existence of such Lender's Commitments hereunder or its obligations hereunder, (ii) compliance with any law or regulation or any request from or requirement of any central bank or other fiscal, monetary or other authority made after the Effective Date (including any which relates to capital adequacy or liquidity controls or which affects the manner in which a Lender allocates capital resources to obligations under this Agreement, any Interest Rate Protection Agreement and/or any Other Hedging Agreement) or (iii) to the extent that such change is not discretionary and is pursuant to law, a governmental mandate or request, or a central bank or other fiscal or monetary authority mandate or request, any change in the risk weight allocated by such Lender to the Borrower after the Effective Date, then the Borrower agrees (to the extent applicable) to pay to such Lender, upon its written demand therefor, such additional amounts as shall be required to compensate such Lender or such other corporation for the increased cost to such Lender or such other corporation or the reduction in the rate of return to such Lender or such other corporation as a result of such increase of capital. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable, provided that such Lender's determination of compensation owing under this Section 2.09(c) shall, absent manifest error be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 2.09(c), will give prompt written notice thereof to the Borrower, which notice shall show in reasonable detail the basis for calculation of such additional amounts; provided that, subject to the provisions of Section 2.11(b), the failure to give such notice shall not relieve the Borrower from its Credit Document Obligations hereunder.

(d) This Section 2.09(d) applies at any time when interest on the Loan is payable at the Floating Rate. If a Market Disruption Event occurs in relation to any Lender's share of a Loan for any Interest Period, then the rate of interest on each Lender's share of that Loan for the Interest Period shall be the percentage rate per annum which is the sum of:

(i) the Floating Rate Margin;

(ii) the rate determined by such Lender and notified to the Facility Agent by 5:00 P.M. (Frankfurt time) on the Interest Determination Date for such Interest Period to be that which expresses as a percentage rate per annum the cost to each such Lender of funding its participation in that Loan for a period equivalent to such Interest Period from whatever source it may reasonably select; provided that the rate provided by a Lender pursuant to this clause (ii) shall not be disclosed to any other Lender and shall be held as confidential by the Facility Agent and the Borrower; and

(iii) the Mandatory Costs, if any, applicable to such Lender of funding its participation in that Loan.

(e) This Section 2.09(e) applies at any time when interest on the Loan is payable at the Floating Rate. If a Market Disruption Event occurs and the Facility Agent or the Borrower so require, the Facility Agent and the Borrower shall enter into negotiations (for a period of not more than 30 days) with a view to agreeing a substitute basis for determining the rate of interest.

Any alternative basis agreed pursuant to the immediately preceding sentence shall, with the prior consent of all the Lenders and the Borrower, be binding on all parties. If no agreement is reached pursuant to this clause (e), the rate provided for in clause (d) above shall apply for the entire applicable Interest Period.

2.09 Indemnification: Breakage Costs. (a) When interest on the Loan is payable at the Floating Rate, the Borrower agrees to indemnify each Lender, within two Business Days of demand (in writing and which request shall set forth in reasonable detail the basis for requesting and the calculation of such amount and which in the absence of manifest error shall be conclusive evidence as to the amount due), for all losses, expenses and liabilities (including, without limitation, any such loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its Loans but excluding any loss of anticipated profits) which such Lender may sustain in respect of Loans made to the Borrower: (i) if for any reason (other than a default by such Lender or the Facility Agent) a Borrowing of Loans does not occur on a date specified therefor in a Notice of Borrowing (whether or not withdrawn by the Borrower or deemed withdrawn pursuant to Section 2.09(a)); (ii) if any prepayment or repayment (including any prepayment or repayment made pursuant to Section 2.09(a), Section 4.01 or Section 4.02 (in each case other than on the expiry of a Floating Rate Interest Period) or as a result of an acceleration of the Loans pursuant to Section 11) of any of its Loans, or assignment and/or transfer of its Loans pursuant to Section 2.12, occurs on a date which is not the last day of an Interest Period with respect thereto; or (iii) if any prepayment of any of its Loans is not made on any date specified in a notice of prepayment given by the Borrower.

(b) When interest on the Loan is payable at the Fixed Rate, and at the time of any prepayment or commitment reduction pursuant to Sections 3.04, 3.05 or 4.01 or any mandatory repayment or commitment reduction pursuant to Section 4.02 or as a result of an acceleration of the Loans pursuant to Section 11, the Borrower shall indemnify each Lender, within two Business Days of demand in writing, which request shall set forth in reasonable detail the basis for requesting and the calculation of such amount and which in the absence of manifest error shall be conclusive evidence as to the amount due, for all losses, expenses and liabilities which such Lender may sustain in respect of the early repayment or prepayment of the Loans made to the Borrower including, without limitation, the costs of breaking deposits or re-employing funds under any swap agreements or interest rate arrangement products entered into in respect of the Loans or any prepayment compensation as set forth in the CIRRR General Terms and Conditions.

(c) It is understood and agreed that where the Initial Borrowing Date has not occurred, no amounts under this Section 2.10 will be payable by the Borrower if the Total Commitments are terminated no later than 10 days after the Signing Date.

2.10 Change of Lending Office: Limitation on Additional Amounts. (a) Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 2.09 (a), Section 2.09(b), or Section 4.04 with respect to such Lender, it will, if requested by the Borrower, use reasonable good faith efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event or otherwise take steps to mitigate the effect of such event, provided that such designation shall be made

and/or such steps shall be taken at the Borrower's cost and on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage in excess of de minimus amounts, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.11 shall affect or postpone any of the obligations of the Borrower or the rights of any Lender provided in Section 2.09 and Section 4.04.

(b) Notwithstanding anything to the contrary contained in Sections 2.09, 2.10 or 4.04 of this Agreement, unless a Lender gives notice to the Borrower that it is obligated to pay an amount under any such Section within 180 days of the later of (x) the date the Lender incurs the respective increased costs, Taxes, loss, expense or liability, reduction in amounts received or receivable or reduction in return on capital or (y) the date such Lender has knowledge of its incurrence of the respective increased costs, Taxes, loss, expense or liability, reductions in amounts received or receivable or reduction in return on capital, then such Lender shall only be entitled to be indemnified for such amount by the Borrower pursuant to said Section 2.09, 2.10, or 4.04, as the case may be, to the extent the costs, Taxes, loss, expense or liability, reduction in amounts received or receivable or reduction in return on capital are incurred or suffered on or after the date which occurs 180 days prior to such Lender giving notice to the Borrower that it is obligated to pay the respective amounts pursuant to said Section 2.09, 2.10 or 4.04, as the case may be. This Section 2.11(b) shall have no applicability to any Section of this Agreement other than said Sections 2.09, 2.10 and 4.04.

2.11 Replacement of Lenders (x) If any Lender becomes a Defaulting Lender or otherwise defaults in its obligations to make Loans, (y) upon the occurrence of any event giving rise to the operation of Section 2.09(a) or Section 4.04 with respect to any Lender which results in such Lender charging to the Borrower material increased costs in excess of the average costs being charged by the other Lenders, or (z) as provided in Section 14.11(b) in the case of certain refusals by a Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders, the Borrower shall (for its own cost) have the right, if no Default or Event of Default will exist immediately after giving effect to the respective replacement, to replace such Lender (the "Replaced Lender") (subject to the consent of (a) the CIRR Representative if at such time interest is payable at the Fixed Rate and (b) the Hermes Agent) with one or more other Eligible Transferee or Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the "Replacement Lender") reasonably acceptable to the Facility Agent (it being understood that all then-existing Lenders are reasonably acceptable); provided that:

(a) at the time of any replacement pursuant to this Section 2.12, the Replacement Lender shall enter into one or more Transfer Certificates pursuant to Section 13.01(a) (and with all fees payable pursuant to said Section 13.02 to be paid by the Replacement Lender) pursuant to which the Replacement Lender shall acquire all of the Commitments and outstanding Loans of the Replaced Lender and, in connection therewith, shall pay to the Replaced Lender in respect thereof an amount equal to the sum (without duplication) of (x) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the Replaced Lender, and (y) an amount equal to all accrued, but unpaid, Commitment Commission owing to the Replaced Lender pursuant to Section 3.01;

(b) all obligations of the Borrower due and owing to the Replaced Lender at such time (other than those specifically described in clause (a) above) in respect of which the assignment purchase price has been, or is concurrently being, paid shall be paid in full to such Replaced Lender concurrently with such replacement; and

(c) if the Borrower elects to replace any Lender pursuant to clause (x), (y) or (z) of this Section 2.12, the Borrower shall also replace each other Lender that qualifies for replacement under such clause (x), (y) or (z).

Upon the execution of the respective Transfer Certificate and the payment of amounts referred to in clauses (a) and (b) above, the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 2.09, 2.10, 4.04, 14.01 and 14.05), which shall survive as to such Replaced Lender.

2.12 Disruption to Payment Systems, Etc. If either the Facility Agent determines (in its discretion) that a Disruption Event has occurred or the Facility Agent is notified by the Parent or the Borrower that a Disruption Event has occurred:

(i) the Facility Agent may, and shall if requested to do so by the Borrower or the Parent, consult with the Borrower with a view to agreeing with the Borrower such changes to the operation or administration of this Agreement as the Facility Agent may deem necessary in the circumstances;

(ii) the Facility Agent shall not be obliged to consult with the Borrower or the Parent in relation to any changes mentioned in clause (i) above if, in its opinion, it is not practicable to do so in the circumstances and, in any event, shall have no obligation to agree to such changes;

(iii) the Facility Agent may consult with the other Agents, the Lead Arrangers and the Lenders in relation to any changes mentioned in clause (i) above but shall not be obliged to do so if, in its opinion, it is not practicable or necessary to do so in the circumstances;

(iv) any such changes agreed upon by the Facility Agent and the Borrower or the Parent pursuant to clause (i) above shall (whether or not it is finally determined that a Disruption Event has occurred) be binding upon the parties to this Agreement as an amendment to (or, as the case may be, waiver of) the terms of the Credit Documents, notwithstanding the provisions of Section 14.11, until such time as the Facility Agent is satisfied that the Disruption Event has ceased to apply;

(v) the Facility Agent shall not be liable for any damages, costs or losses whatsoever (including, without limitation for negligence or any other category of liability whatsoever but not including any claim based on the gross negligence, fraud or willful misconduct of the Facility Agent) arising as a result of its taking, or failing to take, any actions pursuant to or in connection with this Section 2.13; and

(vi) the Facility Agent shall notify the other Agents, the Lead Arrangers and the Lenders of all changes agreed pursuant to clause (iv) above as soon as practicable.

SECTION 3. Commitment Commission; Fees; Reductions of Commitment. Commitment Commission. The Borrower agrees to pay the Facility Agent for distribution to each Non-Defaulting Lender a commitment commission (the "Commitment Commission") for the period from the Effective Date to and including the Commitment Termination Date (or such earlier date as the Total Commitments shall have been terminated) computed at the rate for each relevant period set out in the table below for each day multiplied by the unutilized Commitment (and taking into account for this purpose the increase in the Commitment pursuant to the Supplemental Agreements) for such day of such Non-Defaulting Lender divided by 360. Accrued Commitment Commission shall be due and payable quarterly in arrears on the first Business Day of each April, July, October and January commencing with October 2014 and on the Borrowing Date contemplated by Section 2.02(a)(vi) (or such earlier date upon which the Total Commitments are terminated).

Commitment Commission	Applicable period
[*] p.a.	Date of execution of this Agreement – October 30, 2017
[*] p.a.	October 31, 2017 - October 30, 2018
[*] p.a.	October 31, 2018 - Delivery Date

3.01 CIRR Fees. (a) The Borrower agrees to pay to the Facility Agent for the account of the CIRR Representative a fee of [*] per annum (the "CIRR Fee") on such part of the Total Commitments for which the Federal Republic of Germany grants an interest make-up guarantee and for such period as may be separately agreed between the CIRR Agent and the Borrower.

(b) The CIRR Fee shall be payable by the Borrower in EUR quarterly in arrears from the date of commencement of the period described in Section 3.02(a).

3.02 Other Fees. The Borrower agrees to pay to the Facility Agent the agreed fees set forth in any Fee Letter and the Supplemental Agreements on the dates and in the amounts set forth therein.

3.03 Voluntary Reduction or Termination of Commitments. Upon at least three Business Days' prior notice to the Facility Agent at its Notice Office (which notice the Facility Agent shall promptly transmit to each of the Lenders), the Borrower shall have the right, at any time or from time to time, without premium or penalty, save in respect of amounts payable pursuant to Section 2.10 (b), to reduce or terminate the Total Commitments, in whole or in part, in integral multiples of €5,000,000 in the case of partial reductions thereto, provided that each such reduction shall apply proportionately to permanently reduce the Commitment of each Lender.

3.04 Mandatory Reduction of Commitments. (a) In addition to any other mandatory commitment reductions pursuant to this Section 3.05 or any other Section of this Agreement, the Total Commitments (and the Commitment of each Lender) shall terminate in its entirety on the Commitment Termination Date.

(b) In addition to any other mandatory commitment reductions pursuant to this Section 3.05 or any other Section of this Agreement, the Total Commitments (and the Commitments of each Lender) shall be reduced (immediately after the relevant Loans are made) on each Borrowing Date by the amount of Commitments (denominated in Euro) utilized to make the Loans made on such Borrowing Date.

(c) In addition to any other mandatory commitment reductions pursuant to this Section 3.05 or any other Section of this Agreement, the Total Commitments shall be terminated at the times required by Section 4.02.

(d) Each reduction to the Total Commitments pursuant to this Section 3.05 and Section 4.02 shall be applied proportionately to reduce the Commitment of each Lender.

SECTION 4. Prepayments; Repayments; Taxes. Voluntary Prepayments. The Borrower shall have the right to prepay the Loans, without premium or penalty except as provided by law, in whole or in part at any time and from time to time on the following terms and conditions:

(a) the Borrower shall give the Facility Agent prior to 12:00 Noon (Frankfurt time) at its Notice Office at least 32 Business Days' prior written notice of its intent to prepay such Loans, the amount of such prepayment and the specific Borrowing or Borrowings pursuant to which made, which notice the Facility Agent shall promptly transmit to each of the Lenders;

(b) each prepayment shall be in an aggregate principal amount of at least \$1,000,000 or such lesser amount of a Borrowing which is outstanding, provided that no partial prepayment of Loans made pursuant to any Borrowing shall reduce the outstanding Loans made pursuant to such Borrowing to an amount less than \$1,000,000;

(c) at the time of any prepayment of Loans pursuant to this Section 4.01 on any date other than the last day of any Interest Period applicable thereto or otherwise as set out in Section 2.10, the Borrower shall pay the amounts required pursuant to Section 2.10;

(d) in the event of certain refusals by a Lender as provided in Section 14.11(b) to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders, the Borrower may, upon five Business Days' written notice to the Facility Agent at its Notice Office (which notice the Facility Agent shall promptly transmit to each of the Lenders), prepay all Loans, together with accrued and unpaid interest, Commitment Commission, and other amounts owing to such Lender (or owing to such Lender with respect to each Loan which gave rise to the need to obtain such Lender's individual consent) in accordance with said Section 14.11(b) so long as (A) the Commitment of such Lender (if any) is

terminated concurrently with such prepayment (at which time Schedule 1.01(a) shall be deemed modified to reflect the changed Commitments) and (B) the consents required by Section 14.11(b) in connection with the prepayment pursuant to this clause (d) have been obtained; and

(e) each prepayment in respect of any Loans made pursuant to a Borrowing shall be applied (x) in inverse order of maturity and (y) except as expressly provided in the preceding clause (d), pro rata among the Loans comprising such Borrowing, provided that in connection with any prepayment of Loans pursuant to this Section 4.01, such prepayment shall not be applied to any Loan of a Defaulting Lender until all other Loans of Non-Defaulting Lenders have been repaid in full.

4.02 Mandatory Repayments and Commitment Reductions. (a) In addition to any other mandatory repayments pursuant to this Section 4.02 or any other Section of this Agreement, the outstanding Loans shall be repaid on each Repayment Date (or such other date as may be agreed between the Facility Agent and the Borrower) (without further action of the Borrower being required) in 24 equal semi-annual installments commencing on either (i) the first Business Day that is on or after the sixth month anniversary of the Borrowing Date in relation to the Delivery Date or, (ii) if requested by the Borrower no later than five days prior to the anticipated Delivery Date, such date falling less than 6 months after the Delivery Date as the Borrower may select, and ending on the Maturity Date (each such repayment, a "Scheduled Repayment").

(b) In addition to any other mandatory repayments or commitment reductions pursuant to this Section 4.02 or any other Section of this Agreement, but without duplication, on (i) the Business Day following the date of a Collateral Disposition (other than a Collateral Disposition constituting an Event of Loss) and (ii) the earlier of (A) the date which is 150 days following any Collateral Disposition constituting an Event of Loss involving the Vessel (or, in the case of an Event of Loss which is a constructive or compromised or arranged total loss of the Vessel, if earlier, 180 days after the date of the event giving rise to such damage) and (B) the date of receipt by the Borrower, any of its Subsidiaries or the Facility Agent of the insurance proceeds relating to such Event of Loss, the Borrower shall repay the outstanding Loans in full and the Total Commitments shall be automatically terminated (without further action of the Borrower being required).

(c) In addition to any other mandatory repayments or commitment reductions pursuant to this Section 4.02 or any other Section of this Agreement, but without duplication, if (x) the Construction Contract is terminated prior to the Delivery Date, (y) the Vessel has not been delivered to the Borrower by the Yard pursuant to the Construction Contract by the Commitment Termination Date or (z) any of the events described in Sections 11.05, 11.10 or 11.11 shall occur in respect of the Yard at any time prior to the Delivery Date, within five Business Days of the occurrence of such event the Borrower shall repay the outstanding Loans in full and the Total Commitments shall be automatically terminated (without further action of the Borrower being required).

(d) With respect to each repayment of Loans required by this Section 4.02, the Borrower may designate the specific Borrowing or Borrowings pursuant to which such Loans

were made, provided that (i) all Loans with Interest Periods ending on such date of required repayment shall be paid in full prior to the payment of any other Loans and (ii) each repayment of any Loans comprising a Borrowing shall be applied pro rata among such Loans. In the absence of a designation by the Borrower as described in the preceding sentence, the Facility Agent shall, subject to the preceding provisions of this clause (e), make such designation in its sole reasonable discretion with a view, but no obligation, to minimize breakage costs owing pursuant to Section 2.10.

(e) Notwithstanding anything to the contrary contained elsewhere in this Agreement, all outstanding Loans shall be repaid in full on the Maturity Date.

4.03 Method and Place of Payment. Except as otherwise specifically provided herein, all payments under this Agreement shall be made to the Facility Agent for the account of the Lender or Lenders entitled thereto not later than 10:00 A.M. (New York time) on the date when due and shall be made in Dollars in immediately available funds at the Payment Office of the Facility Agent. Whenever any payment to be made hereunder shall be stated to be due on a day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day (unless the next succeeding Business Day shall fall in the next calendar month, in which case the due date thereof shall be the previous Business Day) and, with respect to payments of principal, interest shall be payable at the applicable rate during such extension.

4.04 Net Payments; Taxes. (a) All payments made by any Credit Party hereunder will be made without setoff, counterclaim or other defense. All such payments will be made free and clear of, and without deduction or withholding for, any present or future taxes, levies, imposts, duties, fees, assessments or other charges of whatever nature now or hereafter imposed by any jurisdiction or by any political subdivision or taxing authority thereof or therein with respect to such payments (but excluding any tax imposed on or measured by the net income, net profits or any franchise tax based on net income or net profits, and any branch profits tax of a Lender pursuant to the laws of the jurisdiction in which it is organized or the jurisdiction in which the principal office or applicable lending office of such Lender is located or any subdivision thereof or therein or due to failure to provide documents under Section 4.04(b) or any FATCA Deduction required to be made by a party to this Agreement, all such taxes "Excluded Taxes") and all interest, penalties or similar liabilities with respect to such non-excluded taxes, levies, imposts, duties, fees, assessments or other charges to the extent imposed on taxes other than Excluded Taxes (all such non-excluded taxes, levies, imposts, duties, fees, assessments or other charges being referred to collectively as "Taxes" and "Taxation" shall be applied accordingly). The Borrower will furnish to the Facility Agent within 45 days after the date of payment of any Taxes due pursuant to applicable law certified copies of tax receipts evidencing such payment by the Borrower. The Borrower agrees to indemnify and hold harmless each Lender, and reimburse such Lender upon its written request, for the amount of any Taxes so levied or imposed and paid by such Lender.

(b) Each Lender agrees (consistent with legal and regulatory restrictions and subject to overall policy considerations of such Lender) to file any certificate or document or to furnish to the Borrower any information as reasonably requested by the Borrower that may be necessary to establish any available exemption from, or reduction in the amount of, any Taxes; provided, however, that nothing in this Section 4.04(b) shall require a Lender to disclose any

confidential information (including, without limitation, its tax returns or its calculations). The Borrower shall not be required to indemnify any Lender for Taxes attributed to such Lender's failure to provide the required documents under this Section 4.04(b).

(c) If the Borrower pays any additional amount under this Section 4.04 to a Lender and such Lender determines in its sole discretion exercised in good faith that it has actually received or realized in connection therewith any refund or any reduction of, or credit against, its Tax liabilities in or with respect to the taxable year in which the additional amount is paid (a "Tax Benefit"), such Lender shall pay to the Borrower an amount that such Lender shall, in its sole discretion exercised in good faith, determine is equal to the net benefit, after tax, which was obtained by such Lender in such year as a consequence of such Tax Benefit; provided, however, that (i) any Lender may determine, in its sole discretion exercised in good faith consistent with the policies of such Lender, whether to seek a Tax Benefit, (ii) any Taxes that are imposed on a Lender as a result of a disallowance or reduction (including through the expiration of any tax credit carryover or carryback of such Lender that otherwise would not have expired) of any Tax Benefit with respect to which such Lender has made a payment to the Borrower pursuant to this Section 4.04(c) shall be treated as a Tax for which the Borrower is obligated to indemnify such Lender pursuant to this Section 4.04 without any exclusions or defenses and (iii) nothing in this Section 4.04(c) shall require any Lender to disclose any confidential information to the Borrower (including, without limitation, its tax returns).

(d) Each party to this Agreement may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no party to this Agreement shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction. Each party to this Agreement shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction), notify the party to this Agreement to whom it is making the payment and, in addition, shall notify the Borrower and the Agent and the Agent shall notify the other Credit Parties.

4.05 Application of Proceeds. (a) All proceeds collected by the Collateral Agent upon any sale or other disposition of such Collateral of each Credit Party, together with all other proceeds received by the Collateral Agent under and in accordance with this Agreement and the other Credit Documents (except to the extent released in accordance with the applicable provisions of this Agreement or any other Credit Document), shall be applied by the Facility Agent to the payment of the Secured Obligations as follows:

(i) first, to the payment of all amounts owing to the Collateral Agent or any other Agent of the type described in clauses (iii) and (iv) of the definition of "Secured Obligations";

(ii) second, to the extent proceeds remain after the application pursuant to the preceding clause (i), an amount equal to the outstanding Credit Document Obligations shall be paid to the Lender Creditors as provided in Section 4.05(d) hereof, with each Lender Creditor receiving an amount equal to such outstanding Credit Document

Obligations or, if the proceeds are insufficient to pay in full all such Credit Document Obligations, its Pro Rata Share of the amount remaining to be distributed;

(iii) third, to the extent proceeds remain after the application pursuant to the preceding clauses (i) and (ii), an amount equal to the outstanding Other Obligations shall be paid to the Other Creditors as provided in Section 4.05(d) hereof, with each Other Creditor receiving an amount equal to such outstanding Other Obligations or, if the proceeds are insufficient to pay in full all such Other Obligations, its Pro Rata Share of the amount remaining to be distributed; and

(iv) fourth, to the extent proceeds remain after the application pursuant to the preceding clauses (i) through (iii), inclusive, and following the termination of this Agreement, the Credit Documents, the Interest Rate Protection Agreements and the Other Hedging Agreements in accordance with their terms, to the relevant Credit Party or to whomever may be lawfully entitled to receive such surplus.

(b) For purposes of this Agreement, "Pro Rata Share" shall mean, when calculating a Secured Creditor's portion of any distribution or amount, that amount (expressed as a percentage) equal to a fraction the numerator of which is the then unpaid amount of such Secured Creditor's Credit Document Obligations or Other Obligations, as the case may be, and the denominator of which is the then outstanding amount of all Credit Document Obligations or Other Obligations, as the case may be.

(c) If any payment to any Secured Creditor of its Pro Rata Share of any distribution would result in overpayment to such Secured Creditor, such excess amount shall instead be distributed in respect of the unpaid Credit Document Obligations or Other Obligations, as the case may be, of the other Secured Creditors, with each Secured Creditor whose Credit Document Obligations or Other Obligations, as the case may be, have not been paid in full to receive an amount equal to such excess amount multiplied by a fraction the numerator of which is the unpaid Credit Document Obligations or Other Obligations, as the case may be, of such Secured Creditor and the denominator of which is the unpaid Credit Document Obligations or Other Obligations, as the case may be, of all Secured Creditors entitled to such distribution.

(d) All payments required to be made hereunder shall be made (x) if to the Lender Creditors, to the Facility Agent under this Agreement for the account of the Lender Creditors, and (y) if to the Other Creditors, to the trustee, paying agent or other similar representative (each, a "Representative") for the Other Creditors or, in the absence of such a Representative, directly to the Other Creditors.

(e) For purposes of applying payments received in accordance with this Section 4.05, the Collateral Agent shall be entitled to rely upon (i) the Facility Agent under this Agreement and (ii) the Representative for the Other Creditors or, in the absence of such a Representative, upon the Other Creditors for a determination (which the Facility Agent, each Representative for any Other Creditors and the Secured Creditors agree (or shall agree) to provide upon request of the Collateral Agent) of the outstanding Credit Document Obligations and Other Obligations owed to the Lender Creditors or the Other Creditors, as the case may be.

Unless it has actual knowledge (including by way of written notice from an Other Creditor) to the contrary, the Collateral Agent, shall be entitled to assume that no Interest Rate Protection Agreements or Other Hedging Agreements are in existence.

(f) It is understood and agreed that each Credit Party shall remain jointly and severally liable to the extent of any deficiency between the amount of the proceeds of the Collateral pledged by it under and pursuant to the Security Documents and the aggregate amount of the Secured Obligations of such Credit Party.

4.06 FATCA Information. (a) Subject to paragraph (c) below, each party to this Agreement shall, within ten Business Days of a reasonable request by another party to this Agreement:

- (i) confirm to that other party to this Agreement whether it is:
 - (A) a FATCA Exempt Party; or
 - (B) not a FATCA Exempt Party;
- (ii) supply to that other party to this Agreement such forms, documentation and other information relating to its status under FATCA as that other party to this Agreement reasonably requests for the purposes of that other party to this Agreement's compliance with FATCA;
- (iii) supply to that other party to this Agreement such forms, documentation and other information relating to its status as that other party to this Agreement reasonably requests for the purposes of that other party to this Agreement's compliance with any other law, regulation, or exchange of information regime.

(b) If a party to this Agreement confirms to another party to this Agreement pursuant to paragraph (a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that party to this Agreement shall notify that other party to this Agreement reasonably promptly.

(c) Paragraph (a) above shall not oblige any Credit Party to do anything, and paragraph (a)(iii) above shall not oblige any other party to this Agreement to do anything, which would or might in its reasonable opinion constitute a breach of:

- (i) any law or regulation;
- (ii) any fiduciary duty; or
- (iii) any duty of confidentiality.

(d) If a party to this Agreement fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in

accordance with paragraph (a)(i) or (ii) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such party to this Agreement shall be treated for the purposes of the Credit Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the party to this Agreement in question provides the requested confirmation, forms, documentation or other information.

(e) If the Borrower is a U.S. Tax Obligor or the Facility Agent reasonably believes that its obligations under FATCA or any other applicable law or regulation require it, each Lender shall, within ten (10) Business Days of:

- (i) where the Borrower is a U.S. Tax Obligor, the date of this Agreement;
- (ii) the date a new U.S. Tax Obligor accedes as a Borrower; or
- (iii) where the Borrower is not a U.S. Tax Obligor, the date of a request from the Facility Agent,

supply to the Facility Agent:

- (A) a withholding certificate on Form W-8, Form W-9 or any other relevant form; or
- (B) any withholding statement or other document, authorisation or waiver as the Facility Agent may require to certify or establish the status of such Lender under FATCA or that other law or regulation.

(f) The Facility Agent shall provide any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) above to the Borrower.

(g) If any withholding certificate, withholding statement, document, authorisation or waiver provided to the Facility Agent by a Lender pursuant to paragraph (e) above is or becomes materially inaccurate or incomplete, that Lender shall promptly update it and provide such updated withholding certificate, withholding statement, document, authorisation or waiver to the Facility Agent unless it is unlawful for the Lender to do so (in which case the Lender shall promptly notify the Facility Agent). The Facility Agent shall provide any such updated withholding certificate, withholding statement, document, authorisation or waiver to the Borrower.

(h) The Facility Agent may rely on any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) or (g) above without further verification. The Facility Agent shall not be liable for any action taken by it under or in connection with paragraph (e), (f) or (g) above.

SECTION 5. Conditions Precedent to the Initial Borrowing Date. SECTION 12. Agency and Security Trustee Provisions Appointment and Declaration of Trust (a) The Lenders hereby designate KfW IPEX Bank GmbH, as Facility Agent (for purposes of this Section 12, the term “Facility Agent” shall include KfW IPEX Bank GmbH (and/or any of its Affiliates) in its capacity as Collateral Agent under the Security Documents and as CIRR Agent) to act as specified herein and in the other Credit Documents. Each Lender hereby irrevocably authorizes the Agents to take such action on its behalf under the provisions of this Agreement, the other Credit Documents and any other instruments and agreements referred to herein or therein and to exercise such powers and to perform such duties hereunder and thereunder as are specifically delegated to or required of the Agents by the terms hereof and thereof and such other powers as are reasonably incidental thereto. Each Agent may perform any of its duties hereunder by or through its respective officers, directors, agents, employees or affiliates and, may transfer from time to time any or all of its rights, duties and obligations hereunder and under the relevant Credit Documents (in accordance with the terms thereof) to any of its banking affiliates.(b) With effect from the Initial Syndication Date, KfW IPEX Bank GmbH in its capacity as Collateral Agent pursuant to the Security Documents declares that it shall hold the Collateral in trust for the Secured Creditors. The Collateral Agent shall have the right to delegate a co-agent or sub-agent from time to time to perform and benefit from any or all of rights, duties and obligations hereunder and under the relevant Security Documents (in accordance with the terms thereof and of the Security Trust Deed) and, in the event that any such duties or obligations are so delegated, the Collateral Agent is hereby authorized to enter into additional Security Documents or amendments to the then existing Security Documents to the extent it deems necessary or advisable to implement such delegation and, in connection therewith, the Parent will, or will cause the relevant Subsidiary to, use its commercially reasonable efforts to promptly deliver any opinion of counsel that the Facility Agent may reasonably require to the reasonable satisfaction of the Facility Agent.

(c) The Lenders hereby designate KfW IPEX Bank GmbH, as Hermes Agent, which Agent shall be responsible for any and all communication, information and negotiation required with Hermes in relation to the Hermes Cover. All notices and other communications provided to the Hermes Agent shall be mailed, telexed, telecopied, delivered or electronic mailed to the Notice Office of the Hermes Agent.

12.02 Nature of Duties. The Agents shall have no duties or responsibilities except those expressly set forth in this Agreement and the Security Documents. None of the Agents nor any of their respective officers, directors, agents, employees or affiliates shall be liable for any action taken or omitted by it or them hereunder, under any other Credit Document, under the Hermes Cover or in connection herewith or therewith, unless caused by such Person’s gross negligence or willful misconduct (any such liability limited to the applicable Agent to whom such Person relates). The duties of each of the Agents shall be mechanical and administrative in nature; none of the Agents shall have by reason of this Agreement or any other Credit Document any fiduciary relationship in respect of any Lender; and nothing in this Agreement or any other Credit Document, expressed or implied, is intended

to or shall be so construed as to impose upon any Agents any obligations in respect of this Agreement, any other Credit Document or the Hermes Cover except as expressly set forth herein or therein.

12.03 Lack of Reliance on the Agents. Independently and without reliance upon the Agents, each Lender, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of the Credit Parties in connection with the making and the continuance of the Loans and the taking or not taking of any action in connection herewith, (ii) its own appraisal of the creditworthiness of the Credit Parties and (iii) its own appraisal of the Hermes Cover and, except as expressly provided in this Agreement, none of the Agents shall have any duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. None of the Agents shall be responsible to any Lender for any recitals, statements, information, representations or warranties herein or in any document, certificate or other writing delivered in connection herewith or for the execution, effectiveness, genuineness, validity, enforceability, perfection, collectibility, priority or sufficiency of this Agreement, any other Credit Document, the Hermes Cover or the financial condition of the Credit Parties or any of them or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement, any other Credit Document, the Hermes Cover, or the financial condition of the Credit Parties or any of them or the existence or possible existence of any Default or Event of Default.

12.04 Certain Rights of the Agents. If any of the Agents shall request instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement, any other Credit Document or the Hermes Cover, the Agents shall be entitled to refrain from such act or taking such action unless and until the Agents shall have received instructions from the Required Lenders; and the Agents shall not incur liability to any Person by reason of so refraining. Without limiting the foregoing, no Lender shall have any right of action whatsoever against the Agents as a result of any of the Agents acting or refraining from acting hereunder or under any other Credit Document in accordance with the instructions of the Required Lenders.

12.05 Reliance. Each of the Agents shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, statement, certificate, telex, email, teletype or telecopier message, cablegram, radiogram, order or other document or telephone message signed, sent or made by any Person that the applicable Agent believed to be the proper Person, and, with respect to all legal matters pertaining to this Agreement, any other Credit Document, the Hermes Cover and its duties hereunder and thereunder, upon advice of counsel selected by the Facility Agent.

12.06 Indemnification. To the extent any of the Agents is not reimbursed and indemnified by the Borrower, the Lenders will reimburse and indemnify the applicable Agents, in proportion to their respective "percentages" as used in determining the Required Lenders (without regard to the existence of any Defaulting Lenders), for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or

incurred by such Agents in performing their respective duties hereunder or under any other Credit Document, in any way relating to or arising out of this Agreement or any other Credit Document; provided that no Lender shall be liable to an Agent for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct.

12.07 The Agents in their Individual Capacities. With respect to its obligation to make Loans under this Agreement, each of the Agents shall have the rights and powers specified herein for a "Lender" and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term "Lenders," "Secured Creditors", "Required Lenders" or any similar terms shall, unless the context clearly otherwise indicates, include each of the Agents in their respective individual capacity. Each of the Agents may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with any Credit Party or any Affiliate of any Credit Party as if it were not performing the duties specified herein, and may accept fees and other consideration from the Borrower or any other Credit Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders.

12.08 Resignation by an Agent. (a) Any Agent may resign from the performance of all its functions and duties hereunder and/or under the other Credit Documents at any time by giving 15 Business Days' prior written notice to the Borrower and the Lenders. Such resignation shall take effect upon the appointment of a successor Agent pursuant to clauses (b) and (c) below or as otherwise provided below.

(b) Upon notice of resignation by an Agent pursuant to clause (a) above, the Required Lenders shall appoint a successor Agent hereunder or thereunder who shall be a commercial bank or trust company reasonably acceptable to the Borrower; provided that the Borrower's consent shall not be required pursuant to this clause (b) if an Event of Default exists at the time of appointment of a successor Agent.

(c) If a successor Agent shall not have been so appointed within the 15 Business Day period referenced in clause (a) above, the applicable Agent, with the consent of the Borrower (which shall not be unreasonably withheld or delayed), shall then appoint a commercial bank or trust company with capital and surplus of not less than \$500,000,000 as successor Agent who shall serve as the applicable Agent hereunder or thereunder until such time, if any, as the Lenders appoint a successor Agent as provided above; provided that the Borrower's consent shall not be required pursuant to this clause (c) if an Event of Default exists at the time of appointment of a successor Agent.

(d) If no successor Agent has been appointed pursuant to clause (b) or (c) above by the 25th Business Day after the date such notice of resignation was given by the applicable Agent, the applicable Agent's resignation shall become effective and the Required Lenders shall thereafter perform all the duties of such Agent hereunder and/or under any other Credit Document until such time, if any, as the Required Lenders appoint a successor Agent as provided above.

(e) The Agent shall resign in accordance with paragraph (a) above (and, to the extent applicable, shall use reasonable endeavours to appoint a successor Facility Agent pursuant to paragraph (c) above) if on or after the date which is three months before the earliest FATCA Application Date relating to any payment to the Facility Agent under the Finance Documents, either:

- (i) the Facility Agent fails to respond to a request under Section 4.06 (*FATCA Information*) and the Borrower or a Lender reasonably believes that the Facility Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;
- (ii) the information supplied by the Facility Agent pursuant to Section 4.06 (*FATCA Information*) indicates that the Facility Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date; or
- (iii) the Facility Agent notifies the Borrower and the Lenders that the Facility Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date,

and (in each case) the Borrower or a Lender reasonably believes that a party to this Agreement will be required to make a FATCA Deduction that would not be required if the Facility Agent were a FATCA Exempt Party, and the Borrower or that Lender, by notice to the Agent, requires it to resign.

12.09 The Lead Arrangers. Notwithstanding any other provision of this Agreement or any provision of any other Credit Document, KfW IPEX Bank GmbH is hereby appointed as a Lead Arranger by the Lenders to act as specified herein and in the other Credit Documents. Each of the Lead Arrangers in their respective capacities as such shall have only the limited powers, duties, responsibilities and liabilities with respect to this Agreement or the other Credit Documents or the transactions contemplated hereby and thereby as are set forth herein or therein; it being understood and agreed that the Lead Arrangers shall be entitled to all indemnification and reimbursement rights in favor of any of the Agents as provided for under Sections 12.06 and 14.01. Without limitation of the foregoing, none of the Lead Arrangers shall, solely by reason of this Agreement or any other Credit Documents, have any fiduciary relationship in respect of any Lender or any other Person.

12.10 Impaired Agent. (a) If, at any time, any Agent becomes an Impaired Agent, a Credit Party or a Lender which is required to make a payment under the Credit Documents to such Agent in accordance with Section 4.03 may instead either pay that amount directly to the required recipient or pay that amount to an interest-bearing account held with an Acceptable Bank within the meaning of paragraph (a) of the definition of "Acceptable Bank" and in relation to which no Insolvency Event has occurred and is continuing, in the name of the Credit Party or the Lender making the payment and designated as a trust account for the benefit of the party or parties hereto beneficially entitled to that payment under the Credit Documents. In each case such payments must be made on the due date for payment under the Credit Documents.

(b) All interest accrued on the amount standing to the credit of the trust account shall be for the benefit of the beneficiaries of that trust account pro rata to their respective entitlements.

(c) A party to this Agreement which has made a payment in accordance with this Section 12.10 shall be discharged of the relevant payment obligation under the Credit Documents and shall not take any credit risk with respect to the amounts standing to the credit of the trust account.

(d) Promptly upon the appointment of a successor Agent in accordance with Section 12.11, each party to this Agreement which has made a payment to a trust account in accordance with this Section 12.10 shall give all requisite instructions to the bank with whom the trust account is held to transfer the amount (together with any accrued interest) to the successor Agent for distribution in accordance with Section 2.04

12.11 Replacement of an Agent. (a) After consultation with the Parent, the Required Lenders may, by giving 30 days' notice to an Agent (or, at any time such Agent is an Impaired Agent, by giving any shorter notice determined by the Required Lenders) replace such Agent by appointing a successor Agent (subject to Section 12.08(b) and (c)).

(b) The retiring Agent shall (at its own cost if it is an Impaired Agent and otherwise at the expense of the Borrower) make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Credit Documents.

(c) The appointment of the successor Agent shall take effect on the date specified in the notice from the Required Lenders to the retiring Agent. As from such date, the retiring Agent shall be discharged from any further obligation in respect of the Credit Documents but shall remain entitled to the benefit of this Section 12.11 (and any agency fees for the account of the retiring Agent shall cease to accrue from (and shall be payable on) that date).

(d) Any successor Agent and each of the other parties to this Agreement shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original party to this Agreement.

12.12 Resignation by the Hermes Agent. (a) The Hermes Agent may resign from the performance of all its functions and duties hereunder and/or under the other Credit Documents at any time by giving 15 Business Days' prior written notice to the Borrower and the Lenders. Such resignation shall take effect upon the appointment of a successor Hermes Agent pursuant to clauses (b) and (c) below or as otherwise provided below.

(b) Upon any such notice of resignation by the Hermes Agent, the Required Lenders shall appoint a successor Hermes Agent hereunder or thereunder who shall be a commercial bank or trust company reasonably acceptable to the Borrower; provided that the Borrower's consent shall not be required pursuant to this clause (b) if an Event of Default exists at the time of appointment of a successor Hermes Agent.

(c) If a successor Hermes Agent shall not have been so appointed within such 15 Business Day period, the Hermes Agent, with the consent of the Borrower (which shall not be unreasonably withheld or delayed), shall then appoint a commercial bank or trust company with capital and surplus of not less than \$500,000,000 as successor Hermes Agent who shall serve as Hermes Agent hereunder or thereunder until such time, if any, as the Lenders appoint a successor Hermes Agent as provided above; provided that the Borrower's consent shall not be required pursuant to this clause (d) if an Event of Default exists at the time of appointment of a successor Hermes Agent.

(d) If no successor Hermes Agent has been appointed pursuant to clause (b) or (c) above by the 25th Business Day after the date such notice of resignation was given by the Hermes Agent, the Hermes Agent's resignation shall become effective and the Required Lenders shall thereafter perform all the duties of the Hermes Agent hereunder and/or under any other Credit Document until such time, if any, as the Required Lenders appoint a successor Hermes Agent as provided above.

SECTION 13. Benefit of Agreement. This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto, subject to the provisions of this Section 13.

13.01 Assignments and Transfers by the Lenders. (a) Subject to Section 13.06, 13.07 and the First Supplemental Agreement, any Lender (or any Lender together with one or more other Lenders, each an "Existing Lender") may:

(i) with the consent of the Hermes Agent and the written consent of the Federal Republic of Germany, where required according to the applicable Hermes General Terms and Conditions (*Allgemeine Bedingungen*) and the supplementary provisions relating to the assignment of Guaranteed Amounts (*Ergänzende Bestimmungen für Forderungsabtretungen-AB (FAB)*), assign any of its rights or transfer by novation any of its rights and obligations under this Agreement or any Credit Document to which it is a party (including, without limitation, all of the Commitments and outstanding Loans, or if less than all, a portion equal to at least \$10,000,000 in the aggregate for such Lender's rights and obligations (but which minimum portion shall not apply in relation to any transfer as set out in (z) below)), to (w) its parent company and/or any Affiliate of such assigning or transferring Lender which is at least 50% owned (directly or indirectly) by such Lender or its parent company, (x) in the case of any Lender that is a fund that invests in bank loans, any other fund that invests in bank loans and is managed or advised by the same investment advisor of such Lender or by an Affiliate of such investment advisor, (y) an Existing Lender who is a Refinanced Bank as contemplated by clause 3.2 of the First Supplemental Agreement or (z) an Existing Lender as contemplated by clause 3.3 of the First Supplemental Agreement, or

(ii) with the consent of the Hermes Agent, the written consent of the Federal Republic of Germany, where required according to the applicable Hermes General Terms and Conditions (*Allgemeine Bedingungen*) and the supplementary provisions relating to the assignment of Guaranteed Amounts (*Ergänzende Bestimmungen für Forderungsabtretungen-AB (FAB)*) and the consent of the Borrower

(which consent, in the case of the Borrower (x) shall not be unreasonably withheld or delayed, (y) shall not be required if a Default or Event of Default shall have occurred and be continuing at such time and (z) shall be deemed to have been given ten Business Days after the Existing Lender has requested it in writing unless consent is expressly refused by the Borrower within that time) assign any of its rights in or transfer by novation any of its rights in and obligations under all of its Commitments and outstanding Loans, or if less than all, a portion equal to at least \$10,000,000 in the aggregate for such Existing Lender's rights and obligations, hereunder to one or more Eligible Transferees (treating any fund that invests in bank loans and any other fund that invests in bank loans and is managed or advised by the same investment advisor of such fund or by an Affiliate of such investment advisor as a single Eligible Transferee),

each of which assignees or transferees shall become a party to this Agreement as a Lender by execution of (I) an Assignment Agreement (in the case of assignments) and (II) a Transfer Certificate (in the case of transfers under Section 13.06); provided that (x) at such time, Schedule 1.01(a) shall be deemed modified to reflect the Commitments and/or outstanding Loans, as the case may be, of such New Lender and of the Existing Lenders, (y) the consent of the Facility Agent shall be required in connection with any assignment or transfer pursuant to the preceding clause (ii) (which consent, in each case, shall not be unreasonably withheld or delayed) and (z) the consent of the CIRR Representative and the Federal Republic of Germany shall be required in connection with any assignment or transfer pursuant to preceding clause (i) or (ii) if the New Lender elects to become a Refinanced Bank or enter into an Interest Make-Up Agreement; and provided, further, that at no time shall a Lender assign or transfer its rights or obligations under this Agreement to a hedge fund, private equity fund, insurance company or other similar or related financing institution that is not in the primary business of accepting cash deposits from, and making loans to, the public.

(b) If (x) a Lender assigns or transfers any of its rights or obligations under the Credit Documents or changes its Facility Office and (y) as a result of circumstances existing at the date the assignment, transfer or change occurs, a Credit Party would be obliged to make a payment to the New Lender or Lender acting through its new Facility Office under Sections 2.09, 2.10 or 4.04, then the New Lender or Lender acting through its new Facility Office is only entitled to receive payment under that section to the same extent as the Existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred. This Section 13.01(b) shall not apply in respect of an assignment or transfer made in the ordinary course of the primary syndication of the Credit Agreement.

(c) Each New Lender, by executing the relevant Transfer Certificate or Assignment Agreement, confirms, for the avoidance of doubt, that the Facility Agent has authority to execute on its behalf any amendment or waiver that has been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement on or prior to the date on which the transfer or assignment becomes effective in accordance with this Agreement and that it is bound by that decision to the same extent as the Existing Lender would have been had it remained a Lender.

(d) The Borrower and Bookrunner hereby agree to discuss and co-operate in good faith in connection with any initial syndication and transfer of the Loans.

13.02 Assignment or Transfer Fee. Unless the Facility Agent otherwise agrees and excluding an assignment or transfer (i) to an Affiliate of a Lender, (ii) made in connection with primary syndication of this Agreement, (iii) as set forth in Section 13.03, (iv) to an Existing Lender who is a Refinanced Bank pursuant to clause 3.2 of the First Supplemental Agreement or (iv) to an Existing Lender pursuant to clause 3.3 of the First Supplemental Agreement, each New Lender shall, on the date upon which an assignment or transfer takes effect, pay to the Facility Agent (for its own account) a fee of \$3,500.

13.03 Assignments and Transfers to Hermes or KfW. Nothing in this Agreement shall prevent or prohibit any Lender from assigning its rights or transferring its rights and obligations hereunder to (x) Hermes and (y) KfW in support of borrowings made by such Lender from KfW pursuant to the KfW Refinancing, in each case without the consent of the Borrower and without being required to pay the non-refundable assignment fee of \$3,500 referred to in Section 13.02 above.

13.04 Limitation of Responsibility to Existing Lenders. (a) Unless expressly agreed to the contrary, an Existing Lender makes no representation or warranty and assumes no responsibility to a New Lender for:

- (i) the legality, validity, effectiveness, adequacy or enforceability of the Credit Documents, the Security Documents or any other documents;
- (ii) the financial condition of any Credit Party;
- (iii) the performance and observance by any Credit Party of its obligations under the Credit Documents or any other documents; or
- (iv) the accuracy of any statements (whether written or oral) made in or in connection with any Credit Document or any other document,

and any representations or warranties implied by law are excluded.

(b) Each New Lender confirms to the Existing Lender, the other Lender Creditors and the Secured Creditors that it (1) has made (and shall continue to make) its own independent investigation and assessment of the financial condition and affairs of each Credit Party and its related entities in connection with its participation in this Agreement and has not relied exclusively on any information provided to it by the Existing Lender or any other Lender Creditor in connection with any Credit Document or any Lien (or any other security interest) created pursuant to the Security Documents and (2) will continue to make its own independent appraisal of the creditworthiness of each Credit Party and its related entities whilst any amount is or may be outstanding under the Credit Documents or any Commitment is in force.

(c) Nothing in any Credit Document obliges an Existing Lender to:

- (i) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred under this Section 13; or

(ii) support any losses directly or indirectly incurred by the New Lender by reason of the non-performance by any Credit Party of its obligations under the Credit Documents or otherwise.

13.05 [Intentionally Omitted].

13.06 Procedure and Conditions for Transfer. (a) Subject to Section 13.01, a transfer is effected in accordance with Section 13.06(c) when the Facility Agent executes an otherwise duly completed Transfer Certificate delivered to it by the Existing Lender and the New Lender. The Facility Agent shall, subject to Section 13.06(b), as soon as reasonably practicable after receipt by it of a duly completed Transfer Certificate appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Transfer Certificate.

(b) The Facility Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary “know your customer” or similar checks under all applicable laws and regulations in relation to the transfer to such New Lender.

(c) On the date of the transfer:

(i) to the extent that in the Transfer Certificate the Existing Lender seeks to transfer by novation its rights and obligations under the Credit Documents to which it is a party and in respect of the Security Documents each of the Credit Parties and the Existing Lender shall be released from further obligations towards one another under the Credit Documents and in respect of the Security Documents and their respective rights against one another under the Credit Documents and in respect of the Security Documents shall be cancelled (being the “Discharged Rights and Obligations”);

(ii) each of the Credit Parties and the New Lender shall assume obligations towards one another and/or acquire rights against one another which differ from the Discharged Rights and Obligations only insofar as that Credit Party or other member of the NCLC Group and the New Lender have assumed and/or acquired the same in place of that Credit Party and the Existing Lender;

(iii) the Facility Agent, the Collateral Agent, the Hermes Agent, the New Lender and the other Lenders shall acquire the same rights and assume the same obligations between themselves and in respect of the Security Documents as they would have acquired and assumed had the New Lender been an original Lender with the rights, and/or obligations acquired or assumed by it as a result of the transfer and to that extent the Facility Agent, the Collateral Agent, the Hermes Agent and the Existing Lender shall each be released from further obligations to each other under the Credit Documents, it being understood that the indemnification provisions under this Agreement (including, without limitation, Sections 2.09, 2.10, 4.04, 14.01 and 14.05) shall survive as to such Existing Lender; and

(iv) the New Lender shall become a party to this Agreement as a “Lender”

13.07 Procedure and Conditions for Assignment. (a) Subject to Section 13.01, an assignment may be effected in accordance with Section 13.07(c) below when the Facility Agent executes an otherwise duly completed Assignment Agreement delivered to it by the Existing Lender and the New Lender. The Facility Agent shall, subject to Section 13.07(b) below, as soon as reasonably practicable after receipt by it of a duly completed Assignment Agreement appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Assignment Agreement.

(b) The Facility Agent shall only be obliged to execute an Assignment Agreement delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary “know your customer” or similar checks under all applicable laws and regulations in relation to the assignment to such New Lender.

(c) On the date of the assignment:

(i) the Existing Lender will assign absolutely to the New Lender its rights under the Credit Documents and in respect of any Lien (or any other security interest) created pursuant to the Security Documents expressed to be the subject of the assignment in the Assignment Agreement;

(ii) the Existing Lender will be released from the obligations (the “Relevant Obligations”) expressed to be the subject of the release in the Assignment Agreement (and any corresponding obligations by which it is bound in respect of any Lien (or any other security interest) created pursuant to the Security Documents), it being understood that the indemnification provisions under this Agreement (including, without limitation, Sections 2.09, 2.10, 4.04, 14.01 and 14.05) shall survive as to such Existing Lender; and

(iii) the New Lender shall become a Party as a “Lender” and will be bound by obligations equivalent to the Relevant Obligations.

13.08 Copy of Transfer Certificate or Assignment Agreement to Parent. The Facility Agent shall, as soon as reasonably practicable after it has executed a Transfer Certificate or an Assignment Agreement, send to the Parent a copy of that Transfer Certificate or Assignment Agreement.

13.09 Security over Lenders’ Rights. In addition to the other rights provided to Lenders under this Section 13, each Lender may without consulting with or obtaining consent from any Credit Party, at any time charge, assign or otherwise create a Lien (or any other security interest) or declare a trust in or over (whether by way of collateral or otherwise) all or any of its rights under any Credit Document to secure obligations of that Lender including, without limitation:

(i) any charge, assignment or other Lien (or any other security interest) or trust to secure obligations to a federal reserve or central bank or the CIRR Representative; and

(ii) in the case of any Lender which is a fund, any charge, assignment or other Lien (or any other security interest) granted to any holders (or trustee or representatives)

of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,

except that no such charge, assignment or Lien (or any other security interest) or trust shall:

(i) release a Lender from any of its obligations under the Credit Documents or substitute the beneficiary of the relevant charge, assignment or other Lien (or any other security interest) or trust for the Lender as a party to any of the Credit Documents; or

(ii) require any payments to be made by a Credit Party or grant to any person any more extensive rights than those required to be made or granted to the relevant Lender under the Credit Documents.

13.10 Assignment by a Credit Party. No Credit Party may assign any of its rights or transfer by novation any of its rights, obligations or interest hereunder or under any other Credit Document without the prior written consent of the Hermes Agent, the CIRP Representative, and the Lenders.

13.11 Lender Participations. (a) Although any Lender may grant participations in its rights hereunder, such Lender shall remain a "Lender" for all purposes hereunder (and may not transfer by novation its rights and obligations or assign its rights under all or any portion of its Commitments hereunder except as provided in Sections 2.12 and 13.01) and the participant shall not constitute a "Lender" hereunder;

(b) no Lender shall grant any participation under which the participant shall have rights to approve any amendment to or waiver of this Agreement or any other Credit Document except to the extent such amendment or waiver would (x) extend the final scheduled maturity of any Loan in which such participant is participating, or reduce the rate or extend the time of payment of interest or Commitment Commission thereon (except (m) in connection with a waiver of applicability of any post-default increase in interest rates and (n) that any amendment or modification to the financial definitions in this Agreement shall not constitute a reduction in the rate of interest for purposes of this clause (x)) or reduce the principal amount thereof, or increase the amount of the participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Total Commitments shall not constitute a change in the terms of such participation, and that an increase in any Commitment or Loan shall be permitted without the consent of any participant if the participant's participation is not increased as a result thereof), (y) consent to the assignment by the Borrower of any of its rights, or transfer by the Borrower of any of its rights and obligations, under this Agreement or (z) release all or substantially all of the Collateral under all of the Security Documents (except as expressly provided in the Credit Documents) securing the Loans hereunder in which such participant is participating. In the case of any such participation, the participant shall not have any rights under this Agreement or any of the other Credit Documents (the participant's rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the participant relating thereto) and all amounts payable by the Borrower hereunder shall be determined as if such Lender had not sold such participation; and

(c) Where the Borrower notifies the Lenders that a Participant Register is required by the Borrower, each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under the Credit Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any commitments, loans, letters of credit or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Facility Agent (in its capacity as Facility Agent) shall have no responsibility for maintaining a Participant Register.

13.12 Increased Costs. To the extent that a transfer of all or any portion of a Lender's Commitments and related outstanding Credit Document Obligations pursuant to Section 2.12 or Section 13.01 would, at the time of such assignment, result in increased costs under Section 2.09, 2.10 or 4.04 from those being charged by the respective assigning Lender prior to such assignment, then the Borrower shall not be obligated to pay such increased costs (although the Borrower shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment).

SECTION 14. Miscellaneous.

14.01 Payment of Expenses, etc. The Borrower agrees that it shall: whether or not the transactions herein contemplated are consummated, (i) pay all reasonable documented out-of-pocket costs and expenses of each of the Agents (including, without limitation, the reasonable documented fees and disbursements of Norton Rose Fulbright LLP, Bahamian counsel, Bermuda counsel, other counsel to the Facility Agent and the Lead Arrangers and local counsel) in connection with (a) the preparation, execution and delivery of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein and any amendment, waiver or consent relating hereto or thereto, and (b) any initial transfers by KfW IPEX Bank GmbH as original Lender pursuant to Section 5.11 carried out during the period falling 6 months after the Effective Date including, without limitation, all documents requested to be executed in respect of such transfers, and all respective syndication efforts with respect to this Agreement; (ii) pay all documented out-of-pocket costs and expenses of each of the Agents and each of the Lenders in connection with the enforcement of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein (including, without limitation, the fees and disbursements of counsel (excluding in-house counsel) for each of the Agents and for each of the Lenders); (iii) pay and hold the Facility Agent and each of the Lenders harmless from and against any and all present and future stamp, documentary, transfer, sales and use, value added, excise and other similar taxes with respect to the foregoing matters, the performance of any obligation under this Agreement or any Credit Document or any payment thereunder, and save the Facility Agent and save each of the Lenders

harmless from and against any and all liabilities with respect to or resulting from any delay or omission (other than to the extent attributable to the Facility Agent or such Lender) to pay such taxes; and (iv) other than in respect of a wrongful failure by any Lender to fund its Commitments as required by this Agreement, indemnify the Agents and each Lender, and each of their respective officers, directors, trustees, employees, representatives and agents from and hold each of them harmless against any and all liabilities, obligations (including removal or remedial actions), losses, damages, penalties, claims, actions, judgments, suits, costs, expenses and disbursements (including reasonable attorneys' and consultants' fees and disbursements) incurred by, imposed on or assessed against any of them as a result of, or arising out of, or in any way related to, or by reason of, (a) any investigation, litigation or other proceeding (whether or not any of the Agents or any Lender is a party thereto) related to the entering into and/or performance of this Agreement or any other Credit Document or the proceeds of any Loans hereunder or the consummation of any transactions contemplated herein, or in any other Credit Document or the exercise of any of their rights or remedies provided herein or in the other Credit Documents, or (b) the actual or alleged presence of Hazardous Materials on the Vessel or in the air, surface water or groundwater or on the surface or subsurface of any property at any time owned or operated by the Borrower, the generation, storage, transportation, handling, disposal or Environmental Release of Hazardous Materials at any location, whether or not owned or operated by the Borrower, the non-compliance of the Vessel or property with foreign, federal, state and local laws, regulations, and ordinances (including applicable permits thereunder) applicable to the Vessel or property, or any Environmental Claim asserted against the Borrower or the Vessel or property at any time owned or operated by the Borrower, including, without limitation, the reasonable fees and disbursements of counsel and other consultants incurred in connection with any such investigation, litigation or other proceeding (but excluding any losses, liabilities, claims, damages, penalties, actions, judgments, suits, costs, disbursements or expenses to the extent incurred by reason of the gross negligence or willful misconduct of the Person to be indemnified or by reason of a failure by the Person to be indemnified to fund its Commitments as required by this Agreement). To the extent that the undertaking to indemnify, pay or hold harmless each of the Agents or any Lender set forth in the preceding sentence may be unenforceable because it violates any law or public policy, the Borrower shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

Notwithstanding the above, it is agreed that costs, fees, expenses and other compensation arising in respect of the initial syndication of the Loans of the type referred to in Section 6.05 shall not include any such costs, fees and expenses and other compensation arising solely in respect of legal advice to the Lenders to explain the technical and/or structural aspects of the Hermes and CIRR issues.

14.02 Right of Set-off. In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to the Parent or any Subsidiary of the Parent or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other Indebtedness at any time held or owing by such Lender (including, without limitation, by branches and agencies of such Lender wherever located) to or for the

credit or the account of the Parent or any Subsidiary of the Parent but in any event excluding assets held in trust for any such Person against and on account of the Credit Document Obligations and liabilities of the Parent or such Subsidiary of the Parent, as applicable, to such Lender under this Agreement or under any of the other Credit Documents, including, without limitation, all interests in Credit Document Obligations purchased by such Lender pursuant to Section 14.05(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not such Lender shall have made any demand hereunder and although said Credit Document Obligations, liabilities or claims, or any of them, shall be contingent or unmatured. Each Lender upon the exercise of its rights to set-off pursuant to this Section 14.02 shall give notice thereof to the Facility Agent.

14.03 Notices. Except as otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including telexed, telegraphic, telecopier or electronic (unless and until notified to the contrary) communication) and mailed, telexed, telecopied, delivered or electronic mailed: if to any Credit Party, at the address specified on Schedule 14.03A; if to any Lender, at its address specified opposite its name on Schedule 14.03B; and if to the Facility Agent or the Hermes Agent, at its Notice Office; or, as to any other Credit Party, at such other address as shall be designated by such party in a written notice to the other parties hereto and, as to each Lender, at such other address as shall be designated by such Lender in a written notice to the Parent, the Borrower and the Facility Agent; provided that, with respect to all notices and other communication made by electronic mail or other electronic means, the Facility Agent, the Hermes Agent, the Lenders, the Parent, the Borrower and the Pledgor agree that they (x) shall notify each other in writing of their electronic mail address and/or any other information required to enable the sending and receipt of information by that means and (y) shall notify each other of any change to their address or any other such information supplied by them. All such notices and communications shall, (i) when mailed, be effective three Business Days after being deposited in the mails, prepaid and properly addressed for delivery, (ii) when sent by overnight courier, be effective one Business Day after delivery to the overnight courier prepaid and properly addressed for delivery on such next Business Day, (iii) when sent by telex or telecopier, be effective when sent by telex or telecopier, except that notices and communications to the Facility Agent or the Hermes Agent shall not be effective until received by the Facility Agent or the Hermes Agent (as the case may be), or (iv) when electronic mailed, be effective only when actually received in readable form and in the case of any electronic communication made by a Lender, the Parent, the Borrower or the Pledgor to the Facility Agent or the Hermes Agent, only if it is addressed in such a manner as the Facility Agent shall specify for this purpose. A copy of any notice to the Facility Agent shall be delivered to the Hermes Agent at its Notice Office. If an Agent is an Impaired Agent the parties to this Agreement may, instead of communicating with each other through such Agent, communicate with each other directly and (while such Agent is an Impaired Agent) all the provisions of the Credit Documents which require communications to be made or notices to be given to or by such Agent shall be varied so that communications may be made and notices given to or by the relevant parties to this Agreement directly. This provision shall not operate after a replacement Agent has been appointed.

14.04 No Waiver; Remedies Cumulative. No failure or delay on the part of an Agent or any Lender in exercising any right, power or privilege hereunder or under any other

Credit Document and no course of dealing between the Borrower or any other Credit Party and an Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which an Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of an Agent or any Lender to any other or further action in any circumstances without notice or demand.

14.05 Payments Pro Rata. (a) Except as otherwise provided in this Agreement, the Facility Agent agrees that promptly after its receipt of each payment from or on behalf of the Borrower in respect of any Credit Document Obligations hereunder, it shall distribute such payment to the Lenders (other than any Lender that has consented in writing to waive its pro rata share of any such payment) pro rata based upon their respective shares, if any, of the Credit Document Obligations with respect to which such payment was received.

(b) Other than in connection with assignments and participations (which are governed by Section 13), each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise), which is applicable to the payment of the principal of, or interest on, the Loans, Commitment Commission, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Credit Document Obligation then owed and due to such Lender bears to the total of such Credit Document Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Credit Document Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all the Lenders in such amount; provided that if all or any portion of such excess amount is thereafter recovered from such Lender, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the preceding Sections 14.05(a) and (b) shall be subject to the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders.

14.06 Calculations; Computations. (a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with generally accepted accounting principles in the United States consistently applied throughout the periods involved (except as set forth in the notes thereto or as otherwise disclosed in writing by the Parent to the Lenders). In addition, all computations determining compliance with the financial covenants set forth in Sections 10.06 through 10.09, inclusive, shall utilize accounting principles and policies in conformity with those used to prepare the historical financial statements delivered to the Lenders for the fiscal year of the Parent ended December 31, 2013

(with the foregoing generally accepted accounting principles, subject to the preceding proviso, herein called “GAAP”). Unless otherwise noted, all references in this Agreement to “generally accepted accounting principles” shall mean generally accepted accounting principles as in effect in the United States.

(b) All computations of interest and Commitment Commission hereunder shall be made on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest or Commitment Commission are payable.

14.07 Governing Law; Exclusive Jurisdiction of English Courts; Service of Process. (a) This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

(b) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute relating to the existence, validity or termination of this Agreement or any non-contractual obligation arising out of or in connection with this Agreement) (a “Dispute”). The parties hereto agree that the courts of England are the most appropriate and convenient courts to settle disputes and accordingly no party hereto will argue to the contrary. This section 14.07 is for the benefit of the Lenders, Agents and Secured Creditors. As a result, no such party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Lenders, Agents and Secured Creditors may take concurrent proceedings in any number of jurisdictions.

(c) Without prejudice to any other mode of service allowed under any relevant law, each Credit Party (other than a Credit Party incorporated in England and Wales): (i) irrevocably appoints EC3 Services Limited, having its registered office at The St Botolph Building, 138 Houndsditch, London, EC3A 7AR, as its agent for service of process in relation to any proceedings before the English courts in connection with any credit document and (ii) agrees that failure by an agent for service of process to notify the relevant Credit Party of the process will not invalidate the proceedings concerned. If any person appointed as an agent for service of process is unable for any reason to act as agent for service of process, the Parent (on behalf of all the Credit Parties) must immediately (and in any event within five days of such event taking place) appoint another agent on terms acceptable to the facility agent. Failing this, the Facility Agent may appoint another agent for this purpose.

Each party to this Agreement expressly agrees and consents to the provisions of this Section 14.07.

14.08 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Borrower and the Facility Agent.

14.09 Effectiveness. This Agreement shall take effect as a deed on the date (the “Effective Date”) on which (i) the Borrower, the Guarantor, the Agents and each of the Lenders who are initially parties hereto shall have signed a counterpart hereof (whether the same or different counterparts) and shall have delivered the same to the Facility Agent or, in the case of the Lenders and the other Agents, shall have given to the Facility Agent written or facsimile notice (actually received) at such office that the same has been signed and mailed to it, (ii) the Borrower shall have paid to the Facility Agent for its own account and/or the account of Lenders and/or Agents, as the case may be, the fees required to be paid pursuant to the heads of terms, dated June 11, 2014, among the Parent and KfW IPEX Bank GmbH (the “Heads of Terms”) and (iii) the Credit Parties shall have provided (x) the “Know Your Customer” information required pursuant to the USA PATRIOT Act (Title III of Pub.: 107-56 (signed into law October 26, 2001)) (the “PATRIOT Act”) and (y) such other documentation and evidence necessary in order to carry out and be reasonably satisfied with other similar checks under all applicable laws and regulations pursuant to the Transaction and the Hermes Cover, in each case as requested by the Facility Agent, the Hermes Agent or any Lender in connection with each of the Facility Agent’s, the Hermes Agent’s, Hermes’ and each Lender’s internal compliance regulations. The Facility Agent will give the Parent, the Borrower and each Lender prompt written notice of the occurrence of the Effective Date.

14.10 Headings Descriptive. The headings of the several sections and subsections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

14.11 Amendment or Waiver; etc. (a) Neither this Agreement nor any other Credit Document nor any terms hereof or thereof may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing signed by the respective Credit Parties party thereto, the Hermes Agent and the Required Lenders, provided that no such change, waiver, discharge or termination shall, without the consent of each Lender (other than a Defaulting Lender), (i) extend the final scheduled maturity of any Loan, extend the timing for or reduce the principal amount of any Scheduled Repayment, increase or extend any Commitment (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the Commitments shall not constitute an increase of the Commitment of any Lender), or reduce the rate (including, without limitation, the Floating Rate Margin and the Fixed Rate) or extend the time of payment of interest on any Loan or Commitment Commission or fees (except (x) in connection with the waiver of applicability of any post-default increase in interest rates and (y) any amendment or modification to the definitions used in the financial covenants set forth in Sections 10.06 through 10.09, inclusive, in this Agreement shall not constitute a reduction in the rate of interest for purposes of this clause (i)), or reduce the principal amount thereof (except to the extent repaid in cash), (ii) release any of the Collateral (except as expressly provided in the Credit Documents) under any of the Security Documents, (iii) amend, modify or waive any provision of Section 13 or this Section 14.11, (iv) change the definition of Required Lenders (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the extensions of Loans and Commitments are included on the Effective Date) or a provision which expressly requires the consent of all the Lenders, (v) consent to the assignment and/or transfer by the Parent and/or Borrower of any of its rights

and obligations under this Agreement, or (vi) replace the Parent Guaranty or release the Parent Guaranty from the relevant guarantee to which such Guarantor is a party (other than as provided in such guarantee); provided, further, that no such change, waiver, discharge or termination shall (u) without the consent of Hermes, amend, modify or waive any provision that relates to the rights or obligations of Hermes and (v) without the consent of each Agent, the CIRR Representative and/or each Lead Arranger, as applicable, amend, modify or waive any provision relating to the rights or obligations of such Agent, the CIRR Representative and/or such Lead Arranger, as applicable.

(b) If, in connection with any proposed change, waiver, discharge or termination to any of the provisions of this Agreement as contemplated by clauses (i) through (vi), inclusive, of the first proviso to Section 14.11(a), the consent of the Required Lenders is obtained but the consent of each Lender (other than any Defaulting Lender) is not obtained, then the Borrower shall have the right, so long as all non-consenting Lenders are treated as described in either clauses (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 2.12 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) terminate such non-consenting Lender's Commitment (if such Lender's consent is required as a result of its Commitment), and/or repay outstanding Loans and terminate any outstanding Commitments of such Lender which gave rise to the need to obtain such Lender's consent, in accordance with Section 4.01(d), provided that, unless the Commitments are terminated, and Loans repaid, pursuant to preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of the Commitments and/or outstanding Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B) the Required Lenders (determined before giving effect to the proposed action) and the Hermes Agent shall specifically consent thereto, provided, further, that in any event the Borrower shall not have the right to replace a Lender, terminate its Commitment or repay its Loans solely as a result of the exercise of such Lender's rights (and the withholding of any required consent by such Lender) pursuant to the second proviso to Section 14.11(a).

14.12 Survival. All indemnities set forth herein including, without limitation, in Sections 2.09, 2.10, 2.11, 4.04, 14.01 and 14.05 shall, subject to Section 14.13 (to the extent applicable), survive the execution, delivery and termination of this Agreement and the making and repayment of the Loans.

14.13 Domicile of Loans. Each Lender may transfer and carry its Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Loans pursuant to this Section 14.13 would, at the time of such transfer, result in increased costs under Section 2.09, 2.10, or 4.04 from those being charged by the respective Lender prior to such transfer, then the Borrower shall not be obligated to pay such increased costs (although the Borrower shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer).

14.14 Confidentiality. Each Lender agrees that it will use its best efforts not to disclose without the prior consent of the Parent or the Borrower (other than to their respective

Affiliates or their respective Affiliates' employees, auditors, advisors or counsel or to another Lender if the Lender or such Lender's holding or parent company, Affiliates or board of trustees in its sole discretion determines that any such party should have access to such information, provided such Persons shall be subject to the provisions of this Section 14.14 to the same extent as such Lender) any information with respect to the Parent or any of its Subsidiaries which is now or in the future furnished pursuant to this Agreement or any other Credit Document, provided that the Hermes Agent and the CIRR Agent may disclose any information to Hermes or the CIRR Representative, provided, further, that any Lender may disclose any such information (a) as has become generally available to the public other than by virtue of a breach of this Section 14.14 by the respective Lender, (b) as may be required in any report, statement or testimony submitted to any municipal, state or Federal regulatory body having or claiming to have jurisdiction over such Lender or similar organizations (whether in the United States, the United Kingdom or elsewhere) or their successors, (c) as may be required in respect to any summons or subpoena or in connection with any litigation, (d) in order to comply with any law, order, regulation or ruling applicable to such Lender, (e) to an Agent, (f) to any prospective or actual transferee or participant in connection with any contemplated transfer or participation of any of the Commitments or any interest therein by such Lender, provided that such prospective transferee expressly agrees to be bound by the confidentiality provisions contained in this Section 14.14 and (g) to Hermes and/or the Federal Republic of Germany and/or the European Union and/or any agency thereof or any person acting or purporting to act on any of their behalves. In the case of Section 14.14(g), each of the Parent and the Borrower acknowledges and agrees that any such information may be used by Hermes and/or the Federal Republic of Germany and/or the European Union and/or any agency thereof or any person acting or purporting to act on any of their behalves for statistical purposes and/or for reports of a general nature.

14.15 Register. The Facility Agent shall maintain a register (the "Register") on which it will record the Commitments from time to time of each of the Lenders, the Loans made by each of the Lenders and each repayment and prepayment in respect of the principal amount of the Loans of each Lender. Failure to make any such recordation, or any error in such recordation shall not affect the Borrower's obligations in respect of such Loans. With respect to any Lender, the assignment or transfer of the Commitments of such Lender and the rights to the principal of, and interest on, any Loan made pursuant to such Commitments shall not be effective until such assignment or transfer is recorded on the Register maintained by the Facility Agent with respect to ownership of such Commitments and Loans. Prior to such recordation all amounts owing to the transferor with respect to such Commitments and Loans shall remain owing to the transferor. The registration of an assignment or transfer of all or part of any Commitments and Loans (as the case may be) shall be recorded by the Facility Agent on the Register only upon the acceptance by the Facility Agent of a properly executed and delivered Transfer Certificate or Assignment Agreement pursuant to Section 13.06(a) or 13.07(a), respectively.

14.16 Third Party Rights. Other than the Other Creditors with respect to Section 4.05 and Hermes with respect to Sections 5.15 and 9.06, a person who is not a party to this Agreement has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce or enjoy the benefit of any term of this Agreement unless expressly provided to the contrary in a Credit Document. Notwithstanding any term of any Credit Document, the consent of any

person who is not a party to this Agreement is not required to rescind or vary this Agreement at any time.

14.17 Judgment Currency. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due from the Borrower hereunder in the currency expressed to be payable herein (the “specified currency”) into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Facility Agent could purchase the specified currency with such other currency at the Facility Agent’s Frankfurt office on the Business Day preceding that on which final judgment is given. The obligations of the Borrower in respect of any sum due to any Lender or an Agent hereunder shall, notwithstanding any judgment in a currency other than the specified currency, be discharged only to the extent that on the Business Day following receipt by such Lender or an Agent (as the case may be) of any sum adjudged to be so due in such other currency such Lender or an Agent (as the case may be) may in accordance with normal banking procedures purchase the specified currency with such other currency; if the amount of the specified currency so purchased is less than the sum originally due to such Lender or an Agent, as the case may be, in the specified currency, the Borrower agrees, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding any such judgment, to indemnify such Lender or an Agent, as the case may be, against such loss, and if the amount of the specified currency so purchased exceeds the sum originally due to any Lender or an Agent, as the case may be, in the specified currency, such Lender or an Agent, as the case may be, agrees to remit such excess to the Borrower.

14.18 Language. All correspondence, including, without limitation, all notices, reports and/or certificates, delivered by any Credit Party to an Agent or any Lender shall, unless otherwise agreed by the respective recipients thereof, be submitted in the English language or, to the extent the original of such document is not in the English language, such document shall be delivered with a certified English translation thereof. In the event of any conflict between the English translation and the original text of any document, the English translation shall prevail unless the original text is a statutory instrument, legal process or any other document of a similar type or a notice, demand or other communication from Hermes or in relation to the Hermes Cover.

14.19 Waiver of Immunity. The Borrower, in respect of itself, each other Credit Party, its and their process agents, and its and their properties and revenues, hereby irrevocably agrees that, to the extent that the Borrower, any other Credit Party or any of its or their properties has or may hereafter acquire any right of immunity from any legal proceedings, whether in the United Kingdom, the United States, Bermuda, the Bahamas, Germany or elsewhere, to enforce or collect upon the Credit Document Obligations of the Borrower or any other Credit Party related to or arising from the transactions contemplated by any of the Credit Documents, including, without limitation, immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, the Borrower, for itself and on behalf of the other Credit Parties, hereby expressly waives, to the fullest extent permissible under applicable law, any such immunity, and agrees not to assert any such right or claim in any such

proceeding, whether in the United Kingdom, the United States, Bermuda, the Bahamas, Germany or elsewhere.

14.20 “Know Your Customer” Notice. Each Lender hereby notifies each Credit Party that pursuant to the requirements of the PATRIOT Act and/or other applicable laws and regulations, it is required to obtain, verify, and record information that identifies each Credit Party, which information includes the name of each Credit Party and other information that will allow such Lender to identify each Credit Party in accordance with the PATRIOT Act and/or such other applicable laws and regulations, and each Credit Party agrees to provide such information from time to time to any Lender.

14.21 Release of Liens and the Parent Guaranty; Flag Jurisdiction Transfer. (a) In the event that any Person conveys, sells, leases, assigns, transfers or otherwise disposes of all or any portion of the Collateral to a Person that is not (and is not required to become) a Credit Party in a transaction permitted by this Agreement or the Credit Documents (including pursuant to a valid waiver or consent), each Lender hereby consents to the release and hereby directs the Collateral Agent to release any Liens created by any Credit Document in respect of such Collateral, and, in the case of a disposition of all of the Equity Interests of any Credit Party (other than the Borrower) in a transaction permitted by this Agreement and as a result of which such Credit Party would not be required to guaranty the Credit Document Obligations pursuant to Sections 9.10(c) and 15, each Lender hereby consents to the release of such Credit Party’s obligations under the relevant guarantee to which it is a party. Each Lender hereby directs the Collateral Agent, and the Collateral Agent agrees, upon receipt of reasonable advance notice from the Borrower, to execute and deliver or, at the Borrower’s expense, file such documents and perform other actions reasonably necessary to release the relevant guarantee, as applicable, and the Liens when and as directed pursuant to this Section 14.21. In addition, the Collateral Agent agrees to take such actions as are reasonably requested by the Borrower and at the Borrower’s expense to terminate the Liens and security interests created by the Credit Documents when all the Credit Document Obligations (other than contingent indemnification Credit Document Obligations and expense reimbursement claims to the extent no claim therefore has been made) are paid in full and Commitments are terminated. Any representation, warranty or covenant contained in any Credit Document relating to any such Equity Interests or asset of the Borrower shall no longer be deemed to be made once such Equity Interests or asset is so conveyed, sold, leased, assigned, transferred or disposed of.

(b) In the event that the Borrower desires to implement a Flag Jurisdiction Transfer with respect to the Vessel, upon receipt of reasonable advance notice thereof from the Borrower, the Collateral Agent shall use commercially reasonable efforts to provide, or (as necessary) procure the provision of, all such reasonable assistance as any Credit Party may request from time to time in relation to (i) the Flag Jurisdiction Transfer, (ii) the related deregistration of the Vessel from its previous flag jurisdiction, and (iii) the release and discharge of the related Security Documents provided that the relevant Credit Party shall pay all documented out of pocket costs and expenses reasonably incurred by the Collateral Agent or a Secured Creditor in connection with provision of such assistance. Each Lender hereby consents, in connection with any Flag Jurisdiction Transfer and subject to the satisfaction of the requirements thereof to be satisfied by the relevant Credit Party, to (i) deregister the Vessel from its previous flag jurisdiction and (ii) release and hereby direct the Collateral Agent to release the

Vessel Mortgage. Each Lender hereby directs the Collateral Agent, and the Collateral Agent agrees to execute and deliver or, at the Borrower's expense, file such documents and perform other actions reasonably necessary to release the Vessel Mortgage when and as directed pursuant to this Section 14.21(b).

14.22 Partial Invalidity. If, at any time, any provision of the Credit Documents is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired. Any such illegal, invalid or unenforceable provision shall to the extent possible be substituted by a legal, valid and enforceable provision which reflects the intention of the parties to this Agreement.

SECTION 15. Parent Guaranty.

15.01 Parent Guaranty and Indemnity.

The Parent irrevocably and unconditionally:

(i) guarantees to each Lender Creditor punctual performance by each other Credit Party of all that Credit Party's Credit Document Obligations under the Credit Documents; or

(ii) undertakes with each Lender Creditor that whenever another Credit Party does not pay any amount when due under or in connection with any Credit Document, the Guarantor shall immediately on demand pay that amount as if it was the principal obligor; and

(iii) agrees with each Lender Creditor that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Lender Creditor immediately on demand against any cost, loss or liability it incurs as a result of a Credit Party not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Credit Document on the date when it would have been due. The amount payable by the Guarantor under this indemnity will not exceed the amount it would have had to pay under this Section 15 if the amount claimed had been recoverable on the basis of a guarantee.

15.02 Continuing Guaranty. This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Credit Party under the Credit Documents, regardless of any intermediate payment or discharge in whole or in part.

15.03 Reinstatement. If any discharge, release or arrangement (whether in respect of the obligations of any Credit Party or any security for those obligations or otherwise) is made by a Lender Creditor in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of the Guarantor under this Section 15 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

15.04 Waiver of Defenses. The obligations of the Guarantor under this Section 15 will not be affected by an act, omission, matter or thing which, but for this Section 15, would reduce, release or prejudice any of its obligations under this Section 15 (without limitation and whether or not known to it or any Lender Creditor) including:

- (i) any time, waiver or consent granted to, or composition with, any Credit Party or other person;
- (ii) the release of any other Credit Party or any other person under the terms of any composition or arrangement with any creditor of any member of the NCLC Group;
- (iii) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Credit Party or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realize the full value of any security;
- (iv) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Credit Party or any other person;
- (v) any amendment, novation, supplement, extension restatement (however fundamental and whether or not more onerous) or replacement of a Credit Document or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Credit Document or other document or security;
- (vi) any unenforceability, illegality or invalidity of any obligation of any person under any Credit Document or any other document or security; or
- (vii) any insolvency or similar proceedings.

15.05 Guarantor Intent. Without prejudice to the generality of Section 15.04, the Guarantor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Credit Documents and/or any facility or amount made available under any of the Credit Documents for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

15.06 Immediate Recourse. The Guarantor waives any right it may have of first requiring any Credit Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from the Guarantor under this Section 15. This waiver applies irrespective of any law or any provision of a Credit Document to the contrary.

15.07 Appropriations. Until all amounts which may be or become payable by the Credit Parties under or in connection with the Credit Documents have been irrevocably paid in full, each Lender Creditor (or any trustee or agent on its behalf) may:

- (i) refrain from applying or enforcing any other moneys, security or rights held or received by that Lender Creditor (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and the Guarantor shall not be entitled to the benefit of the same; and
- (ii) hold in an interest-bearing suspense account any moneys received from the Guarantor or on account of the Guarantor's liability under this Section 15.

15.08 Deferral of Guarantor's Rights. Until all amounts which may be or become payable by the Credit Parties under or in connection with the Credit Documents have been irrevocably paid in full and unless the Facility Agent otherwise directs, the Guarantor will not exercise any rights which it may have by reason of performance by it of its obligations under the Credit Documents or by reason of any amount being payable, or liability arising, under this Section 15:

- (i) to be indemnified by a Credit Party;
- (ii) to claim any contribution from any other guarantor of any Credit Party's obligations under the Credit Documents;
- (iii) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Lender Creditors under the Credit Documents or of any other guarantee or security taken pursuant to, or in connection with, the Credit Documents by any Lender Creditor;
- (iv) to bring legal or other proceedings for an order requiring any Credit Party to make any payment, or perform any obligation, in respect of which the Guarantor has given a guarantee, undertaking or indemnity under Section 15.01;
- (v) to exercise any right of set-off against any Credit Party; and/or
- (vi) to claim or prove as a creditor of any Credit Party in competition with any Lender Creditor.

If the Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Lender Creditors by the Credit Parties under or in connection with the Credit Documents to be repaid in full on trust for the Lender Creditors and shall promptly pay or transfer the same to the Facility Agent or as the Facility Agent may direct for application in accordance with Section 4.

15.09 Additional Security. This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Credit Party.

m.v. Norwegian Getaway

To: Breakaway Two, Ltd. (the **Borrower**)
NCL Corporation Ltd. (the **Parent**)
NCL International, Ltd. (the **Shareholder**)

From: KfW IPEX-Bank GmbH (as Facility Agent, Collateral Agent and CIRR Agent and Lender)

Date: 7 August 2019

Dear Sirs

m.v. Norwegian Getaway (the Vessel)

- 1 We refer to the credit agreement dated 18 November 2010 between, amongst others, the Borrower, the Parent, the Joint Lead Arrangers (as defined therein), the Lenders (as defined therein), Nordea Bank Norge ASA as documentation agent, Commerzbank Aktiengesellschaft as Hermes Agent and KfW IPEX-Bank GmbH as Facility Agent, Collateral Agent and CIRR Agent (as amended, restated or supplemented from time to time, the **Credit Agreement**) pursuant to which the Lenders made a loan facility of up to €529,846,154 available to the Borrower on the terms and subject to the conditions set out in the Credit Agreement.
- 2 Unless otherwise defined in this letter, words and expressions defined in the Credit Agreement have the same meanings when used in this letter.
- 3 It is hereby agreed that the Credit Agreement shall be amended as follows:
 - (a) with effect from 7 August 2019, the definition of **Applicable Margin** shall be amended by replacing “1.40%” with “1.00%”; and
 - (b) on the date hereof, section 9.01(c) shall be deleted and replaced with the following new clause:

“**Valuations.** After the Delivery Date, together with delivery of the financial statements described in Section 9.01(b) for each fiscal year, and at any other time within 15 days of a written request from the Facility Agent, an appraisal report of recent date (but in no event earlier than 90 days before the delivery of such reports) from one Approved Appraiser or such other independent firm of shipbrokers or shipvaluers nominated by the Borrower and approved by the Facility Agent (acting on the instructions of the Required Lenders) or failing such nomination and approval, appointed by the Facility Agent (acting on such instructions) in its sole discretion (each such valuation to be made without, unless reasonably required by the Facility Agent, physical inspection and on the basis of a sale for prompt delivery for cash at arm’s length on normal commercial terms as between a willing buyer and a willing seller without taking into account the benefit of any charterparty or other engagement concerning the Vessel), stating the then current fair market value of the Vessel. All such appraisals shall be conducted by, and made at the expense of, the Borrower (it being understood that the Facility Agent may and, at the request of the Lenders, shall, upon prior written notice to the Borrower (which notice shall identify the names of the relevant appraisal firms), obtain such appraisals and that the cost of all such appraisals will be for the account of the Borrower); provided that, unless an Event of Default shall then be continuing, in no event shall the Borrower be required to pay for appraisal reports from one appraiser on more than one

occasion in any fiscal year of the Borrower, with the cost of any such reports in excess thereof to be paid by the Lenders on a pro rata basis.”

- 4 The Borrower, the Parent and the Shareholder hereby agree to provide the Facility Agent with copies of such corporate authorisations as the Facility Agent may reasonably require to evidence their respective authority to execute this letter.
- 5 By their execution of the acknowledgement to this letter:
- (a) the Borrower and the Parent consent to the arrangements set out in this letter and the amendments to the Credit Agreement set out in this letter;
 - (b) the Borrower and the Parent each agree and confirms that its obligations set out in the Credit Agreement, shall be and continue in full force and effect notwithstanding the said amendments contained in this letter;
 - (c) the Borrower, the Parent and the Shareholder acknowledge and agree that (i) each of the Credit Documents to which it is a party, and its obligations thereunder, shall remain in full force and effect notwithstanding the amendments made to the Credit Agreement by this letter and each of the Security Documents to which it is a party shall remain in full force and effect as security for the obligations of the Borrower under the Credit Agreement as amended by this letter, and (ii) it will do or procure the doing of all such acts and/or execute or procure the execution of all such documents as the Lenders reasonably consider necessary to give full effect to the Credit Agreement and the Security Documents.
- 6 The Borrower agrees to pay to the Facility Agent all reasonable and documented expenses (including external legal and out-of-pocket expenses and disbursements) incurred by the Facility Agent or the Hermes Agent in connection with the negotiation, preparation, execution and, where relevant, registration of this letter and of any amendment or extension of or the granting of any waiver or consent under this letter.
- 7 All expenses payable pursuant to paragraph 6 shall be paid together with value added tax or any similar tax (if any) properly chargeable thereon.
