Management’s Discussion and Analysis of Financial Condition and Results of Operations— Terminology” for the capitalized terms used and not otherwise defined throughout these notes to consolidated financial statements.

**1. Description of Business and Organization**

We are a leading global cruise company which operates the Norwegian Cruise Line, Oceania Cruises and Regent Seven Seas Cruises brands. As of June 30, 2023, we had 30 ships with approximately 62,000 Berths and had orders for seven additional ships to be delivered through 2028.

Norwegian Viva was delivered in August 2023. We refer you to Note 13 – “Subsequent Event” for additional information. We have four Prima Class Ships on order with currently scheduled delivery dates from 2025 through 2028. We have one Explorer Class Ship on order for delivery in 2023. We have one Allura Class Ship on order for delivery in 2025. These additions to our fleet will increase our total Berths to approximately 82,000.

**2. Summary of Significant Accounting Policies**

**Liquidity and Management’s Plan**

Due to the impact of COVID-19, in March 2020, the Company implemented a voluntary suspension of all cruise voyages across its three brands. In the third quarter of 2021, we began a phased relaunch of our fleet, which was completed in early May 2022, with all ships now in operation with guests on board. As a result of actions the Company undertook in response to the impacts of the COVID-19 pandemic, we have a substantial debt balance and we require a significant amount of our liquidity and cash flows to service our debt.

The estimation of our future cash flow projections includes numerous assumptions that are subject to various risks and uncertainties. Our principal assumptions for future cash flow projections include:

- Expected normalized Occupancy levels, which are expected to be between approximately 105% to 106% annually;
- Expected sustained increase in revenue per Passenger Cruise Day through a combination of both passenger ticket and onboard revenue as compared to 2019;
- Expected timing of cash collections for bookings;
- Expected fuel prices based on forward curves; and
- Expected impact of inflation on cost items other than fuel.

Our projected liquidity requirements also reflect our principal assumptions surrounding ongoing operating costs, as well as liquidity requirements for financing costs and necessary capital expenditures and our expectation that holders of the 2024 Exchangeable Notes will exchange their 2024 Exchangeable Notes for shares. In addition, as a result of lingering impacts associated with the COVID-19 pandemic and other global events, such as Russia’s ongoing invasion of Ukraine

[Table of Contents](#)

and actions taken by the United States and other governments in response to the invasion, the global economy, including the financial and credit markets, has experienced significant volatility and disruptions, including increases in inflation rates, fuel prices, and interest rates. These conditions have resulted, and may continue to result, in increased expenses and may also impact travel or consumer discretionary spending. We believe the ongoing effects of the foregoing factors and events on our operations and global bookings, including our substantial debt balance, have had, and will continue to have, a significant impact on our financial results and liquidity.

We cannot make assurances that our assumptions used to estimate our liquidity requirements will not change materially due to the dynamic nature of the current economic landscape. We have made reasonable estimates and judgments of the impact of these events within our financial statements; however, there may be material changes to those estimates in future periods. We have taken actions to improve our liquidity, including completing various capital market and financing transactions and making capital expenditure and operating expense reductions, and we expect to continue to pursue further opportunities to improve our liquidity.

Based on these actions and assumptions as discussed above, and considering our liquidity of approximately \$2.4 billion, including cash and cash equivalents of \$899.1 million and borrowings available under our \$875 million undrawn Revolving Loan Facility and \$650 million undrawn commitment less related fees (see Note 7 – “Long-Term Debt”) as of June 30, 2023, we have concluded that we have sufficient liquidity to satisfy our obligations for at least the next twelve months. In addition, we have \$300 million of backstop committed financing for amounts outstanding under the Senior Secured Credit Facility, which is available between October 4, 2023 and January 2, 2024 (see Note 7 – “Long-Term Debt”).

**Basis of Presentation**

The accompanying consolidated financial statements are unaudited and, in our opinion, contain all normal recurring adjustments necessary for a fair statement of the results for the periods presented.

Our operations are seasonal and results for interim periods are not necessarily indicative of the results for the entire fiscal year. Historically, demand for cruises has been strongest during the Northern Hemisphere’s summer months; however, our cruise voyages were completely suspended from March 2020 until July 2021 due to the COVID-19 pandemic and our resumption of cruise voyages was phased in gradually through May 2022. The interim consolidated financial statements should be read in conjunction with the audited consolidated financial statements for the year ended December 31, 2022, which are included in our most recent Annual Report on Form 10-K filed with the SEC on February 28, 2023.

### Earnings (Loss) Per Share

Basic earnings (loss) per share is computed by dividing net income (loss) by the basic weighted-average number of shares outstanding during each period. Diluted earnings (loss) per share is computed by dividing net income (loss) and assumed conversion of exchangeable notes by diluted weighted-average shares outstanding.

A reconciliation between basic and diluted earnings (loss) per share was as follows (in thousands, except share and per share data):

	Three Months Ended June 30,		Six Months Ended June 30,	
	2023	2022	2023	2022
Net income (loss) - Basic EPS	\$ 86,116	\$ (509,321)	\$ (73,205)	\$ (1,492,035)
Effect of dilutive securities - exchangeable notes	4,603	—	—	—
Net income (loss) and assumed conversion of exchangeable notes - Diluted EPS	\$ 90,719	\$ (509,321)	\$ (73,205)	\$ (1,492,035)
Basic weighted-average shares outstanding	424,178,775	419,107,330	423,421,203	418,424,753
Dilutive effect of share awards	2,758,715	—	—	—
Dilutive effect of exchangeable notes	34,137,750	—	—	—
Diluted weighted-average shares outstanding	461,075,240	419,107,330	423,421,203	418,424,753
Basic EPS	\$ 0.20	\$ (1.22)	\$ (0.17)	\$ (3.57)
Diluted EPS	\$ 0.20	\$ (1.22)	\$ (0.17)	\$ (3.57)

Each exchangeable note (see Note 7 – “Long-Term Debt”) is individually evaluated for its dilutive or anti-dilutive impact on EPS. Only the interest expense and weighted average shares for exchangeable notes which are dilutive are included in the effect of dilutive securities above. During the three months ended June 30, 2023, only the 2027 1.125% Exchangeable Notes were dilutive. For the three months ended June 30, 2023 and 2022, a total of 55.7 million and 97.7 million shares, respectively, and for the six months ended June 30, 2023 and 2022, a total of 89.6 million and 92.1 million shares, respectively, have been excluded from diluted weighted-average shares outstanding because the effect of including them would have been anti-dilutive.

### Foreign Currency

The majority of our transactions are settled in U.S. dollars. We remeasure assets and liabilities denominated in foreign currencies at exchange rates in effect at the balance sheet date. The resulting gains or losses are recognized in our consolidated statements of operations within other income (expense), net. We recognized a loss of \$11.1 million and a gain of \$36.4 million for the three months ended June 30, 2023 and 2022, respectively, and a loss of \$19.8 million and a gain of \$44.7 million for the six months ended June 30, 2023 and 2022, respectively, related to remeasurement of assets and liabilities denominated in foreign currencies. Remeasurements of foreign currency related to operating activities are recognized within changes in operating assets and liabilities in the consolidated statement of cash flows.

### Depreciation and Amortization Expense

The amortization of deferred financing fees is included in depreciation and amortization expense in the consolidated statements of cash flows; however, for purposes of the consolidated statements of operations they are included in interest expense, net.

### Accounts Receivable, Net

Accounts receivable, net included \$31.5 million and \$118.4 million due from credit card processors as of June 30, 2023 and December 31, 2022, respectively.

### 3. Revenue Recognition

#### *Disaggregation of Revenue*

Revenue and cash flows are affected by economic factors in various geographical regions. Revenues by destination were as follows (in thousands):

	Three Months Ended June 30,		Six Months Ended June 30,	
	2023	2022	2023	2022
North America	\$ 1,221,177	\$ 673,503	\$ 2,582,230	\$ 1,160,938
Europe	880,129	499,917	961,447	524,714
Asia-Pacific	89,890	13,362	295,552	21,654
Other	14,296	399	188,202	1,815
Total revenue	\$ 2,205,492	\$ 1,187,181	\$ 4,027,431	\$ 1,709,121

North America includes the U.S., the Caribbean, Canada and Mexico. Europe includes the Baltic region, Canary Islands and Mediterranean. Asia-Pacific includes Australia, New Zealand and Asia. Other includes all other international territories.

#### *Segment Reporting*

We have concluded that our business has a single reportable segment. Each brand, Norwegian, Oceania Cruises and Regent, constitutes a business for which discrete financial information is available and management regularly reviews the brand level operating results and, therefore, each brand is considered an operating segment. Our operating segments have similar economic and qualitative characteristics, including similar long-term margins, products and services; therefore, we aggregate all of the operating segments into one reportable segment.

Although we sell cruises on an international basis, our passenger ticket revenue is primarily attributed to U.S.-sourced guests who make reservations through the U.S. Revenue attributable to U.S.-sourced guests has approximated 83-87% of total revenue over the preceding three fiscal years. No other individual country's revenues exceed 10% in any given period.

#### *Contract Balances*

Receivables from customers are included within accounts receivable, net. As of June 30, 2023 and December 31, 2022, our receivables from customers were \$91.6 million and \$94.2 million, respectively, primarily related to in-transit credit card receivables.

Our standard payment and cancellation penalties apply for all sailings after March 31, 2023. Future cruise credits that have been issued as face value reimbursement for cancelled bookings due to COVID-19 are approximately \$81.2 million. The future cruise credits are not contracts, and therefore, guests who elected this option are excluded from our contract liability balance; however, the credit for the original amount paid is included in advance ticket sales.

Our contract liabilities are included within advance ticket sales. As of June 30, 2023 and December 31, 2022, our contract liabilities were \$2.5 billion and \$1.7 billion, respectively. Of the amounts included within contract liabilities as of June 30, 2023, approximately 40% were refundable in accordance with our cancellation policies. Of the deposits included within advance ticket sales, the majority are refundable in accordance with our cancellation policies and it is uncertain to what extent guests may request refunds. Refunds payable to guests are included in accounts payable. For the six months ended June 30, 2023, \$1.7 billion of revenue recognized was included in the contract liability balance at the beginning of the period.

## **6. Property and Equipment, Net**

Property and equipment, net increased \$538.3 million for the six months ended June 30, 2023 primarily due to the delivery of Oceania Cruises' Vista. We determine the weighted average useful lives of our ships based primarily on our estimates of the useful lives of the ships' major component systems on the date of acquisition, such as cabins, main diesels, main electric, superstructure and hull, and their related proportional weighting to the ship as a whole. We have assessed the weighted-average useful life of the components of Oceania Cruises' Vista and assigned a useful life and residual value to the Allura Class Ships consistent with our accounting policy. The useful life and residual value consider the historical useful lives of similar assets, manufacturer recommended lives, planned maintenance programs, anticipated changes in technological conditions and the related proportional weighting of the major components of the Allura Class Ships.

## **7. Long-Term Debt**

In February 2023, NCLC issued \$600.0 million aggregate principal amount of 8.375% senior secured notes due 2028 (the "2028 Senior Secured Notes"). The 2028 Senior Secured Notes and related guarantees are secured by first-priority interests in, among other things and subject to certain agreed security principles, thirteen of our vessels that also secure the Senior Secured Credit Facility. The 2028 Senior Secured Notes are guaranteed by our subsidiaries that own the vessels that secure the 2028 Senior Secured Notes. NCLC may redeem the 2028 Senior Secured Notes at its option, in whole or in part, at any time and from time to time prior to February 1, 2025, at a "make-whole" redemption price, plus accrued and unpaid interest and additional amounts, if any, to, but excluding, the redemption date. NCLC may redeem the 2028 Senior Secured Notes at its option, in whole or in part, at any time and from time to time on or after February 1, 2025, at the redemption prices set forth in the indenture governing the 2028 Senior Secured Notes plus accrued and unpaid interest and additional amounts, if any, to, but excluding, the redemption date. At any time and from time to time prior to February 1, 2025, NCLC may choose to redeem up to 40% of the aggregate principal amount of the 2028 Senior Secured Notes with the net proceeds of certain equity offerings, subject to certain restrictions, at a redemption price equal to 108.375% of the principal amount of the 2028 Senior Secured Notes redeemed plus accrued and unpaid interest to, but excluding, the redemption date, so long as at least 60% of the aggregate principal amount of the 2028 Senior Secured Notes issued remains outstanding following such redemption. The 2028 Senior Secured Notes pay interest at 8.375% per annum, semiannually on February 1 and August 1 of each year, to holders of record at the close of business on the immediately preceding January 15 and July 15, respectively.

The proceeds from the 2028 Senior Secured Notes were used to repay the loans outstanding under our Term Loan A Facility that otherwise would have become due in January 2024, including to pay any accrued and unpaid interest thereon, as well as related premiums, fees and expenses. As a result, all of the remaining term loans outstanding under our Term Loan A Facility will mature in January 2025, subject to, if a one-time minimum liquidity threshold is not satisfied on September 16, 2024, a springing maturity date of September 16, 2024.

The indenture governing the 2028 Senior Secured Notes includes requirements that, among other things and subject to a number of qualifications and exceptions, restrict the ability of NCLC and its restricted subsidiaries, as applicable, to (i) incur or guarantee additional indebtedness; (ii) pay dividends or distributions on, or redeem or repurchase, equity interests and make other restricted payments; (iii) make investments; (iv) consummate certain asset sales; (v) engage in certain transactions with affiliates; (vi) grant or assume certain liens; and (vii) consolidate, merge or transfer all or substantially all of their assets.

In July 2022, NCLC entered into a \$1 billion amended and restated commitment letter (the "commitment letter") with the purchasers named therein (collectively, the "Commitment Parties"), which superseded a \$1 billion commitment letter previously executed in November 2021. The commitment letter, among other things, extended the commitments thereunder through March 31, 2023. In February 2023, the Commitment Parties further amended the commitment letter (the "amended commitment letter") to extend certain commitments thereunder through February 2024, with an option for NCLC to further extend such commitments through February 2025 at its election. Pursuant to the amended commitment letter, the Commitment Parties have agreed to purchase from NCLC an aggregate principal amount of up to \$650 million of senior secured notes at NCLC's option. NCLC has the option to make up to two draws, consisting of (i) \$250 million of senior secured notes due 2028 that, if issued, will accrue interest at a rate of 11.00% per annum subject

[Table of Contents](#)

to a 1.00% increase or decrease based on certain market conditions at the time drawn (the “Class B Notes”) and (ii) \$400 million aggregate principal amount of 8.00% senior secured notes due five years after the issue date (the “Backstop Notes”). The Class B Notes and the Backstop Notes are subject to a quarterly commitment fee of 0.75% for so long as the commitments with respect to Class B Notes or the Backstop Notes, as applicable, are outstanding, which fee will be increased to 1.00% if NCLC extends the commitments through February 2025 at its election. If drawn, the Class B Notes will be subject to an issue fee of 2.00%, and the Backstop Notes will be subject to a quarterly duration fee of 1.50%, as well as an issue fee of 3.00%.

In February 2023, in connection with the execution of the amended commitment letter, NCLC issued \$250 million aggregate principal amount of 9.75% senior secured notes due 2028 (the “Class A Notes” and, collectively with the Class B Notes and the Backstop Notes, the “Notes”), subject to an issue fee of 2.00%. NCLC used the net proceeds from the Class A Notes for general corporate purposes. NCLC may redeem the Class A Notes at its option, in whole or in part, at any time and from time to time prior to February 22, 2025, at a “make-whole” redemption price, plus accrued and unpaid interest and additional amounts, if any, to, but excluding, the redemption date. NCLC may redeem the Class A Notes at its option, in whole or in part, at any time and from time to time on or after February 22, 2025, at the redemption prices set forth in the indenture governing the Class A Notes, plus accrued and unpaid interest and additional amounts, if any, to, but excluding, the redemption date. The Class A Notes pay interest at 9.75% per annum, quarterly on February 15, May 15, August 15 and November 15 of each year, to holders of record at the close of business on the immediately preceding February 1, May 1, August 1 and November 1, respectively.

The Class A Notes are, and the Class B Notes and the Backstop Notes, if issued, will be, secured by first-priority interests in, among other things and subject to certain agreed security principles, shares of capital stock in certain guarantors, our material intellectual property and two islands that we use in the operations of our cruise business. The Class A Notes are, and the Class B Notes and the Backstop Notes, if issued, will be, guaranteed by our subsidiaries that own the property that secures the Notes as well as certain additional subsidiaries whose assets do not secure the Notes.

The indenture governing the Class A Notes includes requirements that, among other things and subject to a number of qualifications and exceptions, restrict the ability of NCLC and its restricted subsidiaries, as applicable, to (i) incur or guarantee additional indebtedness; (ii) pay dividends or distributions on, or redeem or repurchase, equity interests and make other restricted payments; (iii) make investments; (iv) consummate certain asset sales; (v) engage in certain transactions with affiliates; (vi) grant or assume certain liens; and (vii) consolidate, merge or transfer all or substantially all of their assets.

In February 2023, NCLC entered into a Backstop Agreement with Morgan Stanley & Co. LLC (“MS”), pursuant to which MS has agreed to provide backstop committed financing to refinance and/or repay in whole or in part amounts outstanding under the Senior Secured Credit Facility. Pursuant to the Backstop Agreement, we may, at our sole option, issue and sell to MS (subject to the satisfaction of certain conditions) five-year senior unsecured notes up to an aggregate principal amount sufficient to generate gross proceeds of \$300 million at any time between October 4, 2023 and January 2, 2024.

In April 2023, \$82.5 million in aggregate principal amount of the Revolving Loan Facility due January 2024 was assigned to a new lender, and the maturity date was extended by one year to January 2025. The terms of the assigned principal are the same as the existing lenders who extended commitments in December 2022 under Amendment No. 4 to the Senior Secured Credit Facility.

In April 2023, we took delivery of Oceania Cruises’ Vista. We had export credit financing in place for 80% of the contract price. The associated \$632.6 million term loan bears interest at a fixed rate of 3.64% with a maturity date of April 30, 2035. Principal and interest payments are payable semiannually.

In May and June 2023, certain of NCLC’s export-credit backed facilities were amended to replace LIBOR with Term SOFR. In connection with these amendments, the Company adopted Accounting Standards Update (“ASU”) No. 2020-04, *Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting* (“ASU 2020-04”), which provided guidance to alleviate the burden in accounting for reference rate reform by allowing certain expedients and exceptions in applying GAAP to contracts, hedging relationships and other transactions impacted

by reference rate reform. The provisions apply only to those transactions that reference LIBOR or another reference rate expected to be discontinued due to reference rate reform. As of June 30, 2023, we have applied certain optional expedients in our accounting for these amendments and the impact was immaterial.

## Debt Covenants

As of June 30, 2023, we were in compliance with all of our debt covenants. If we do not continue to remain in compliance with our covenants, we would have to seek additional amendments to or waivers of our covenants. However, no assurances can be made that such amendments or waivers would be approved by our lenders. Generally, if an event of default under any debt agreement occurs, then pursuant to cross default and/or cross acceleration clauses, substantially all of our outstanding debt and derivative contract payables could become due, and all debt and derivative contracts could be terminated, which would have a material adverse impact on our operations and liquidity.

## 8. Fair Value Measurements and Derivatives

Fair value is defined as the price at which an orderly transaction to sell an asset or to transfer a liability would take place between market participants at the measurement date under current market conditions (that is, an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability).

### Fair Value Hierarchy

The following hierarchy for inputs used in measuring fair value should maximize the use of observable inputs and minimize the use of unobservable inputs by requiring that the most observable inputs be used when available:

- Level 1 Quoted prices in active markets for identical assets or liabilities that are accessible at the measurement dates.
- Level 2 Significant other observable inputs that are used by market participants in pricing the asset or liability based on market data obtained from independent sources.
- Level 3 Significant unobservable inputs we believe market participants would use in pricing the asset or liability based on the best information available.

### Derivatives

We are exposed to market risk attributable to changes in interest rates, foreign currency exchange rates and fuel prices. We attempt to minimize these risks through a combination of our normal operating and financing activities and through the use of derivatives. We assess whether derivatives used in hedging transactions are “highly effective” in offsetting changes in the cash flow of our hedged forecasted transactions. We use critical terms match or regression analysis for hedge relationships and high effectiveness is achieved when a statistically valid relationship reflects a high degree of offset and correlation between the fair values of the derivative and the hedged forecasted transaction. Cash flows from the derivatives are classified in the same category as the cash flows from the underlying hedged transaction. If it is determined that the hedged forecasted transaction is no longer probable of occurring, then the amount recognized in accumulated other comprehensive income (loss) is released to earnings. There are no amounts excluded from the

[Table of Contents](#)

assessment of hedge effectiveness, and there are no credit-risk-related contingent features in our derivative agreements. We monitor concentrations of credit risk associated with financial and other institutions with which we conduct significant business. Credit risk, including but not limited to counterparty non-performance under derivatives, is not considered significant, as we primarily conduct business with large, well-established financial institutions with which we have established relationships, and which have credit risks acceptable to us, or the credit risk is spread out among many creditors. We do not anticipate non-performance by any of our significant counterparties.

As of June 30, 2023, we had fuel swaps, which are used to mitigate the financial impact of volatility of fuel prices pertaining to approximately 481 thousand metric tons of our projected fuel purchases, maturing through December 31, 2024.

As of June 30, 2023, we had fuel swaps pertaining to approximately 11 thousand metric tons of our projected fuel purchases which were not designated as cash flow hedges maturing through December 31, 2023.

As of June 30, 2023, we had foreign currency forward contracts which are used to mitigate the financial impact of volatility in foreign currency exchange rates related to our ship construction contracts denominated in euros. The notional amount of our hedged foreign currency forward contracts was €1.2 billion, or \$1.3 billion based on the euro/U.S. dollar exchange rate as of June 30, 2023.

The fair values of swap and forward contracts are determined based on inputs that are readily available in public markets or can be derived from information available in publicly quoted markets. The Company determines the value of options and collars utilizing an option pricing model based on inputs that are either readily available in public markets or can be derived from information available in publicly quoted markets. The option pricing model used by the Company is an industry standard model for valuing options and is used by the broker/dealer community. The inputs to this option pricing model are the option strike price, underlying price, risk-free rate of interest, time to expiration, and volatility. The fair value of option contracts considers both the intrinsic value and any remaining time value associated with those derivatives that have not yet settled. The Company also considers counterparty credit risk and its own credit risk in its determination of all estimated fair values.

Our derivatives and financial instruments were categorized as Level 2 in the fair value hierarchy, and we had no derivatives or financial instruments categorized as Level 1 or Level 3. Our derivative contracts include rights of offset

with our counterparties. We have elected to net certain assets and liabilities within counterparties when the rights of offset exist. We are not required to post cash collateral related to our derivative instruments.

## Long-Term Debt

As of June 30, 2023 and December 31, 2022, the fair value of our long-term debt, including the current portion, was \$12.2 billion and \$11.9 billion, respectively, which was \$1.2 billion and \$2.0 billion lower, respectively, than the carrying values, excluding deferred financing costs. The difference between the fair value and carrying value of our long-term debt is due to our fixed and variable rate debt obligations carrying interest rates that are above or below market rates at the measurement dates. The fair value of our long-term revolving and term loan facilities was calculated based on estimated rates for the same or similar instruments with similar terms and remaining maturities. The fair value of our exchangeable notes considers observable risk-free rates; credit spreads of the same or similar instruments; and share prices, tenors, and historical and implied volatilities which are sourced from observable market data. The inputs are considered to be Level 2 in the fair value hierarchy. Market risk associated with our long-term variable rate debt is the potential increase in interest expense from an increase in interest rates or from an increase in share values.

## Other

The carrying amounts reported in the consolidated balance sheets of all other financial assets and liabilities approximate fair value.

## 9. Employee Benefits and Compensation Plans

In January 2013, NCLH adopted the 2013 Performance Incentive Plan, which provided for the issuance of up to 15,035,106 of NCLH's ordinary shares pursuant to awards granted under the plan. In May 2016, May 2021 and June 2022, the plan was amended and restated (the "Restated 2013 Plan") pursuant to approval from the Board of Directors and NCLH's shareholders. Among other things, under the Restated 2013 Plan, the number of NCLH's ordinary shares that could have been delivered pursuant to all awards granted under the plan was increased to a maximum aggregate limit of 39,375,106 shares. In June 2023, NCLH's shareholders approved a further amendment and restatement of the Restated 2013 Plan to increase the number of NCLH ordinary shares that may be delivered by 2,633,900, resulting in an increase in the maximum aggregate limit to 42,009,006 shares.

### Restricted Share Unit Awards

In March 2023, NCLH granted 5.8 million time-based restricted share unit awards to our employees, which primarily vest in substantially equal installments over three years. Additionally, in March 2023, NCLH granted 0.8 million performance-based restricted share units to certain members of our management team, which vest upon the achievement of certain pre-established performance targets established through 2025 and the satisfaction of an additional time-based vesting requirement that generally requires continued employment through March 1, 2026.

## 10. Commitments and Contingencies

### Ship Construction Contracts

For the Norwegian brand, the second Prima Class Ship, Norwegian Viva, at approximately 143,500 Gross Tons and 3,100 Berths, was delivered in August 2023. We refer you to Note 13 – “Subsequent Event” for additional information. For the Norwegian brand, we have four Prima Class Ships on order, each ranging from approximately 156,300 to 169,000 Gross Tons with 3,450 or more Berths, with currently scheduled delivery dates from 2025 through 2028. For the Regent brand, we have an order for one Explorer Class Ship to be delivered in 2023, which will be approximately 55,000 Gross Tons and 750 Berths. For the Oceania Cruises brand, we have an order for one additional Allura Class Ship to be delivered in 2025, which will be approximately 67,000 Gross Tons and 1,200 Berths. The impacts of COVID-19 on the shipyards where our ships are under construction (or will be constructed), Russia's ongoing invasion of Ukraine, initiatives to improve environmental sustainability and modifications the Company plans to make to its newbuilds and/or other macroeconomic events have resulted in delays in expected ship deliveries. These and other impacts could result in additional delays in ship deliveries in the future, which may be prolonged.

The combined contract prices of the seven ships on order for delivery, including Norwegian Viva, as of June 30, 2023 was approximately €7.4 billion, or \$8.1 billion based on the euro/U.S. dollar exchange rate as of June 30, 2023. We have obtained export credit financing which is expected to fund approximately 80% of the contract price of each ship and related financing premiums, subject to certain conditions. We do not anticipate any contractual breaches or cancellations to occur. However, if any such events were to occur, it could result in, among other things, the forfeiture of prior deposits or payments made by us and potential claims and impairment losses which may materially impact our business, financial condition and results of operations.

### Litigation

#### Investigations

In March 2020, the Florida Attorney General announced an investigation related to the Company's marketing during the COVID-19 pandemic. Following the announcement of the investigation by the Florida Attorney General, we received

[Table of Contents](#)

notifications from other attorneys general and governmental agencies that they are conducting similar investigations. The Company is cooperating with these ongoing investigations, the outcomes of which cannot be predicted at this time.

*Helms-Burton Act*

On August 27, 2019, two lawsuits were filed against Norwegian Cruise Line Holdings Ltd. in the United States District Court for the Southern District of Florida under Title III of the Cuban Liberty and Solidarity (Libertad) Act of 1996, also known as the Helms-Burton Act. The complaint filed by Javier Garcia-Bengochea (the “Garcia-Bengochea Matter”) alleges that he holds an interest in the Port of Santiago, Cuba, and the complaint filed by Havana Docks Corporation (the “Havana Docks Matter”) alleges it holds an interest in the Havana Cruise Port Terminal, both of which were expropriated by the Cuban Government. The complaints further allege that the Company “trafficked” in those properties by embarking and disembarking passengers at these facilities, as well as profiting from the Cuban Government’s possession of the property. The plaintiffs seek all available statutory remedies, including the value of the expropriated property, plus interest, treble damages, attorneys’ fees and costs. On September 1, 2020, the district court in the Garcia-Bengochea Matter entered an order staying all case deadlines and administratively closed the case pending the outcome of an appeal in a related case brought by the same plaintiff, in which the district court granted another cruise line defendant judgment on the pleadings. As to the appeal in the related case, in November 2022, the Eleventh Circuit issued an opinion affirming the dismissal and, on February 8, 2023, issued its mandate to the district court. After the April 10, 2023 deadline for filing a petition for certiorari with the U.S. Supreme Court passed in the related appeals with the plaintiff taking no action there, on April 19, 2023, the plaintiff voluntarily dismissed with prejudice the action against the Company. In the Havana Docks Matter, after various motions challenging the sufficiency of plaintiff’s complaint were resolved and voluminous discovery was completed, both sides filed motions for summary judgment. On March 21, 2022, the court issued an order granting plaintiff’s motion for summary judgment on the issue of liability and denying the Company’s cross-motion for summary judgment. The court scheduled a trial on determination of damages only for November 2022. The plaintiff elected to seek what the court ruled to be its baseline statutory damage amount, which was the amount of the certified claim plus interest, trebled and with attorneys’ fees. Given this, there was no fact issue to be tried, and the matter was removed from the trial calendar. On December 30, 2022, the court entered a final judgment of approximately \$112.9 million and, on January 23, 2023, the Company filed a notice of appeal from that judgment. On April 12, 2023, the Company posted a sufficient supersedeas bond with the court to prevent any efforts by the plaintiff to collect on the judgment pending the appeal. On June 30, 2023, the Company filed its opening appellate brief with the United States Court of Appeals for the Eleventh Circuit. For the Havana Docks Matter, we believe that the likelihood of loss is reasonably possible but not probable at this time; therefore, no liability has been recorded. The ability to make such estimates and judgments can be affected by various factors including, among other things: lack of legal precedent, stage of the proceedings, legal uncertainties inherent within the litigation process, availability of appellate remedies, and involvement of numerous parties. We continue to believe we have meritorious defenses to the Havana Docks Matter. However, if the plaintiff prevails in the final outcome of this matter, there may be a material adverse impact on the Company’s financial condition, results of operations and/or cash flows.

*Other*

We are a party to a claim against a vendor which resulted in a verdict of approximately \$159 million in favor of the Company in October 2022. The court entered a final judgment of approximately that amount in February 2023. Thereafter, the vendor posted a bond and appealed the judgment. On July 12, 2023, the vendor filed its initial appellate brief. At this time, there can be no assurance that the Company will ultimately prevail in the final outcome of this claim, and no receivable has been recognized by the Company.

In the normal course of our business, various other claims and lawsuits have been filed or are pending against us. Most of these claims and lawsuits are covered by insurance and, accordingly, the maximum amount of our liability is typically limited to our deductible amount. Nonetheless, the ultimate outcome of these claims and lawsuits that are not covered by insurance cannot be determined at this time. We have evaluated our overall exposure with respect to all of our threatened and pending litigation and, to the extent required, we have accrued amounts for all estimable probable losses associated with our deemed exposure. We are currently unable to estimate any other potential losses beyond those accrued, as discovery is not complete nor is adequate information available to estimate such range of loss or potential recovery. However, based on our current knowledge, we do not believe that the aggregate amount or range of reasonably possible

losses with respect to these matters will be material to our consolidated results of operations, financial condition or cash flows. We intend to vigorously defend our legal position on all claims and, to the extent necessary, seek recovery.

#### **Other Contingencies**

The Company also has agreements with its credit card processors that govern approximately \$3.2 billion in advance ticket sales at June 30, 2023 that have been received by the Company relating to future voyages. These agreements allow the credit card processors to require under certain circumstances, including the existence of a material adverse change, excessive chargebacks and other triggering events, that the Company maintain a reserve which would be satisfied by posting collateral. Although the agreements vary, these requirements may generally be satisfied either through a percentage of customer payments withheld or providing cash funds directly to the card processor. Any cash reserve or collateral requested could be increased or decreased. As of June 30, 2023, we had cash reserves of approximately \$31.5 million with credit card processors recognized in accounts receivable, net. During the three months ended June 30, 2023, the Company received a return of cash collateral from one credit card processor of \$500 million, which was previously classified as other long-term assets. We may be required to pledge additional collateral and/or post additional cash reserves or take other actions in the future that may adversely affect our liquidity.

#### **11. Other Income (Expense), Net**

For the three and six months ended June 30, 2023, other income (expense), net consisted of expense of \$8.0 million and \$17.0 million, respectively, primarily due to losses on foreign currency remeasurements. For the three and six months ended June 30, 2022, other income (expense), net consisted of income of \$31.0 million and \$69.1 million, respectively, primarily due to gains on foreign currency remeasurements.

#### **12. Supplemental Cash Flow Information**

For the six months ended June 30, 2023 and 2022, we had non-cash investing activities consisting of changes in accruals related to property and equipment of \$49.4 million and \$145.5 million, respectively.

#### **13. Subsequent Event**

In August 2023, we took delivery of Norwegian Viva. We had export credit financing in place for 80% of the contract price. The associated \$1.1 billion term loan bears interest at a fixed rate of 2.77% with a maturity date of August 3, 2035. Principal and interest payments are payable semiannually.

## **Non-GAAP Financial Measures**

We use certain non-GAAP financial measures, such as Adjusted Gross Margin, Net Yield, Net Cruise Cost, Adjusted Net Cruise Cost Excluding Fuel, Adjusted EBITDA, Adjusted Net Income (Loss) and Adjusted EPS, to enable us to analyze our performance. See “Terminology” for the definitions of these and other non-GAAP financial measures. We utilize Adjusted Gross Margin and Net Yield to manage our business on a day-to-day basis because it reflects revenue earned net of certain direct variable costs. We also utilize Net Cruise Cost and Adjusted Net Cruise Cost Excluding Fuel to manage our business on a day-to-day basis. In measuring our ability to control costs in a manner that positively impacts net income (loss), we believe changes in Adjusted Gross Margin, Net Yield, Net Cruise Cost and Adjusted Net Cruise Cost Excluding Fuel to be the most relevant indicators of our performance. Per Capacity Day data is not considered meaningful for the three or six months ended June 30, 2022 due to our phased restart of cruise operations, which was completed in May 2022, and is not presented herein.

We believe that Adjusted EBITDA is appropriate as a supplemental financial measure as it is used by management to assess operating performance. We also believe that Adjusted EBITDA is a useful measure in determining our performance as it reflects certain operating drivers of our business, such as sales growth, operating costs, marketing, general and administrative expense and other operating income and expense. In addition, management uses Adjusted EBITDA as a performance measure for our incentive compensation. Adjusted EBITDA is not a defined term under GAAP nor is it intended to be a measure of liquidity or cash flows from operations or a measure comparable to net income (loss), as it does not take into account certain requirements such as capital expenditures and related depreciation, principal and interest payments and tax payments and it includes other supplemental adjustments.

In addition, Adjusted Net Income (Loss) and Adjusted EPS are non-GAAP financial measures that exclude certain amounts and are used to supplement GAAP net income (loss) and EPS. We use Adjusted Net Income (Loss) and Adjusted EPS as key performance measures of our earnings performance. We believe that both management and investors benefit from referring to these non-GAAP financial measures in assessing our performance and when planning, forecasting and analyzing future periods. These non-GAAP financial measures also facilitate management’s internal comparison to our historical performance. In addition, management uses Adjusted EPS as a performance measure for our incentive compensation. The amounts excluded in the presentation of these non-GAAP financial measures may vary from period to period; accordingly, our presentation of Adjusted Net Income (Loss) and Adjusted EPS may not be indicative of future adjustments or results.

You are encouraged to evaluate each adjustment used in calculating our non-GAAP financial measures and the reasons we consider our non-GAAP financial measures appropriate for supplemental analysis. In evaluating our non-GAAP financial measures, you should be aware that in the future we may incur expenses similar to the adjustments in our presentation. Our non-GAAP financial measures have limitations as analytical tools, and you should not consider these measures in isolation or as a substitute for analysis of our results as reported under GAAP. Our presentation of our non-GAAP financial measures should not be construed as an inference that our future results will be unaffected by unusual or non-recurring items. Our non-GAAP financial measures may not be comparable to other companies. ## **Financial Presentation**

We categorize revenue from our cruise and cruise-related activities as either “passenger ticket” revenue or “onboard and other” revenue. Passenger ticket revenue and onboard and other revenue vary according to product offering, the size of the ship in operation, the length of cruises operated and the markets in which the ship operates. Our revenue is seasonal based on demand for cruises, which has historically been strongest during the Northern Hemisphere’s summer months; however, our cruise voyages were completely suspended from March 2020 until July 2021 due to the COVID-19 pandemic and our resumption of cruise voyages was phased in gradually, with full operation of our fleet resumed in May 2022. Passenger ticket revenue primarily consists of revenue for accommodations, meals in certain restaurants on the ship, certain onboard entertainment, port fees and taxes and includes revenue for service charges and air and land transportation to and from the ship to the extent guests purchase these items from us. Onboard and other revenue primarily consists of revenue from casino, beverage sales, shore excursions, specialty dining, retail sales, spa services

and Wi-Fi services. Our onboard revenue is derived from onboard activities we perform directly or that are performed by independent concessionaires, from which we receive a share of their revenue.

Our cruise operating expense is classified as follows:

- Commissions, transportation and other primarily consists of direct costs associated with passenger ticket revenue. These costs include travel advisor commissions, air and land transportation expenses, related credit card fees, certain port fees and taxes and the costs associated with shore excursions and hotel accommodations included as part of the overall cruise purchase price.
- Onboard and other primarily consists of direct costs incurred in connection with onboard and other revenue, including casino, beverage sales and shore excursions.
- Payroll and related consists of the cost of wages and benefits for shipboard employees and costs of certain inventory items, including food, for a third party that provides crew and other hotel services for certain ships.
- Fuel includes fuel costs, the impact of certain fuel hedges and fuel delivery costs.
- Food consists of food costs for passengers and crew on certain ships.
- Other consists of repairs and maintenance (including Dry-dock costs), ship insurance and other ship expenses.

**Critical Accounting Policies**

For a discussion of our critical accounting policies and estimates, see “Critical Accounting Policies” included in our Annual Report on Form 10-K under the caption “Management’s Discussion and Analysis of Financial Condition and Results of Operations.” We have made no significant changes to our critical accounting policies and estimates from those described in our Annual Report on Form 10-K.

**Financing Transactions**

In February 2023, NCLC issued \$600 million aggregate principal amount of 8.375% senior secured notes due 2028. The proceeds from the notes were used to repay the loans outstanding under our Term Loan A Facility that otherwise would have become due in January 2024, including to pay any accrued and unpaid interest thereon, as well as related premiums, fees and expenses.

In February 2023, our \$1 billion commitment letter was extended through February 2024, with an option for NCLC to further extend the commitments through February 2025 at its election. Simultaneously, the amount of the commitment was reduced to \$650 million, which may be drawn in up to two draws, and in connection with the execution of the amended commitment letter, NCLC issued \$250 million aggregate principal amount of 9.75% senior secured notes due 2028. NCLC will use the net proceeds for general corporate purposes.

In February 2023, NCLC entered into a Backstop Agreement with MS, pursuant to which MS has agreed to provide backstop committed financing to refinance and/or repay in whole or in part up to \$300 million of amounts outstanding under the Senior Secured Credit Facility at any time between October 4, 2023 and January 2, 2024.

In April 2023, \$82.5 million in aggregate principal amount of the Revolving Loan Facility that was not previously extended was assigned to a new lender under the same terms as the existing lenders who extended commitments in December 2022 under Amendment No. 4 to the Senior Secured Credit Facility.

See Note 7 – “Long-Term Debt” for more information.

## **Update on Bookings**

Occupancy reached approximately 105% for the three months ended June 30, 2023, in line with our expectations and marking a significant milestone with the phased ramp-up now complete. As expected, Occupancy for the three months ended June 30, 2023 is slightly lower compared to the same period in 2019, reflecting the Company's strategic shift to longer, more immersive itineraries. This shift naturally results in lower Occupancy levels and is expected to attract higher quality guests, generate higher Net Yield, improve guest satisfaction and cultivate stronger loyalty over time.

The Company continues to experience strong and resilient consumer demand. The cumulative booked position for the second half of 2023 is ahead of 2019 levels at continued higher pricing. On a 12-month forward basis, the Company continues to be in its optimal booked position of approximately 60-65%. Onboard revenue generation remains robust with broad-based strength across all revenue streams. The Company continues to focus on increasing its pre-sold revenue from guests prior to sailing, as this typically results in higher overall spend throughout the cruise journey as well as earlier and more predictable cash inflow.

## **Macroeconomic Trends and Uncertainties**

As a result of conditions associated with global events, including the lingering effects of the COVID-19 pandemic and Russia's ongoing invasion of Ukraine and actions taken by the United States and other governments in response to the invasion, the global economy, including the financial and credit markets, has experienced significant volatility and disruptions, including impacts to inflation rates, fuel prices, foreign currencies and interest rates. Our costs have been, and are expected to continue to be, adversely impacted by these factors. We have used, and may continue to use, derivative instruments to attempt to mitigate the risk of volatility in fuel prices and interest rates. In an attempt to mitigate risks related to inflation, our supply chain department has negotiated contracts with varying terms, with a goal of providing us with the ability to take advantage of cost declines when they occur, and diversified our sourcing options. These strategies may not fully offset the impact of current macroeconomic conditions; however, cost savings from our ongoing margin enhancement initiative were realized earlier than anticipated, and as a result, we expect operating costs per Capacity Day to show continued improvement in 2023. Furthermore, we are exposed to fluctuations in the euro exchange rate for certain portions of ship construction contracts that have not been hedged. See "Item 1A. Risk Factors" in our Annual Report on Form 10-K for additional information.

## **Climate Change**

We believe the increasing focus on climate change, including the Company's recently established targets for greenhouse gas reductions, and evolving regulatory requirements will materially impact our future capital expenditures and results of operations. We are now targeting a reduction in greenhouse gas intensity of 10% by 2026 and 25% by 2030, compared to a 2019 baseline and measured on a per Capacity Day basis (the targets cover the Company's emissions from its fleet of ships, islands and facilities (Scopes 1 & 2) as well as upstream fuel- and energy-related activities, including well-to-tank emissions (a portion of Scope 3)). We expect to incur significant expenses related to these regulatory requirements and commitments, which may include expenses related to greenhouse gas emissions reduction initiatives and the purchase of emissions allowances, among other things. If requirements become more stringent, we may be required to change certain operating procedures, for example slowing the speed of our ships, which could adversely impact our operations. We are evaluating the effects of global climate change related requirements, which are still evolving, including our ability to mitigate certain future expenses through initiatives to reduce greenhouse gas emissions; consequently, the full impact to the Company is not yet known. Additionally, our ships, port facilities, corporate offices and island destinations have in the past and may again be adversely affected by an increase in the frequency and intensity of adverse weather conditions caused by climate change. For example, certain ports have become temporarily unavailable to us due to hurricane damage and other destinations have either considered or implemented restrictions on cruise operations due to environmental concerns. Refer to "Impacts related to climate change may adversely affect our business, financial condition and results of operations" in "Item 1A. Risk Factors" in our Annual Report on Form 10-K for further information.

**Three months ended June 30, 2023 (“2023”) compared to three months ended June 30, 2022 (“2022”)**

***Revenue***

Total revenue increased to \$2.2 billion in 2023 compared to \$1.2 billion in 2022. In 2023, revenue primarily increased as a result of increases in our Occupancy following our return to service with 5.8 million Passenger Cruise Days compared to 3.0 million in 2022.

***Expense***

Total cruise operating expense increased 28.9% in 2023 compared to 2022. In 2023, our cruise operating expenses increased due to the resumption of voyages, resulting in higher direct variable costs of fully operating ships. In 2022, the three months started with 23 ships operating with guests onboard and ended with the full fleet in service. Gross Cruise Cost increased 23.8% in 2023 compared to 2022 primarily related to the change in costs described above. Total other operating expense increased 7.6% in 2023 compared to 2022 primarily due to an increase in salaries and benefits, which includes higher share-based compensation expenses as well as other expenses related to the retirement of our prior President and Chief Executive Officer.

Interest expense, net was \$177.7 million in 2023 compared to \$144.4 million in 2022. The increase in interest expense is primarily as a result of higher rates.

Other income (expense), net was expense of \$8.0 million in 2023 compared to income of \$31.0 million in 2022. The income and expense primarily related to net gains and losses on foreign currency remeasurements.

**Six months ended June 30, 2023 (“2023”) compared to six months ended June 30, 2022 (“2022”)**

***Revenue***

Total revenue increased to \$4.0 billion in 2023 compared to \$1.7 billion in 2022. In 2023, revenue primarily increased as a result of increases in our Occupancy following our return to service with 11.3 million Passenger Cruise Days compared to 4.4 million in 2022.

***Expense***

Total cruise operating expense increased 47.3% in 2023 compared to 2022. In 2023, our cruise operating expenses increased due to the resumption of voyages, resulting in higher payroll, food and direct variable costs of fully operating ships. In 2022, the six months started with 16 ships operating with guests onboard and ended with the full fleet in service. Gross Cruise Cost increased 37.7% in 2023 compared to 2022 primarily related to the change in costs described above. Total other operating expense increased 9.6% in 2023 compared to 2022 primarily due to an increase in salaries and benefits, which includes higher share-based compensation expenses as well as other expenses related to the retirement of our prior President and Chief Executive Officer. Marketing costs also increased in 2023 compared to 2022 as we returned to historical Occupancy and prepared for three new ship deliveries in 2023.

Interest expense, net was \$348.9 million in 2023 compared to \$472.1 million in 2022. The decrease in interest expense reflects lower losses in 2023 from extinguishment of debt and debt modification costs, which were \$3.2 million in 2023 compared to \$188.4 million in 2022. Excluding these losses, interest expense increased primarily as a result of higher rates.

Other income (expense), net was expense of \$17.0 million in 2023 compared to income of \$69.1 million in 2022. The income and expense primarily related to net gains and losses on foreign currency remeasurements.

## **Liquidity and Capital Resources**

### ***General***

As of June 30, 2023, our liquidity was approximately \$2.4 billion, including cash and cash equivalents of \$899.1 million and borrowings available under our \$875 million fully undrawn Revolving Loan Facility and \$650 million undrawn commitment less related fees. Our primary ongoing liquidity requirements are to finance working capital, capital expenditures and debt service.

In February 2023, NCLC issued \$600 million aggregate principal amount of 8.375% senior secured notes due 2028. The proceeds from the notes were used to repay the loans outstanding under our Term Loan A Facility that otherwise would have become due in January 2024, including to pay any accrued and unpaid interest thereon, as well as related premiums, fees and expenses.

In February 2023, our \$1 billion commitment letter was extended through February 2024, with an option for NCLC to further extend the commitments through February 2025 at its election. Simultaneously, the amount of the commitment was reduced to \$650 million, which may be drawn in up to two draws, and in connection with the execution of the amended commitment letter, NCLC issued \$250 million aggregate principal amount of 9.75% senior secured notes due 2028. NCLC will use the net proceeds for general corporate purposes.

In February 2023, NCLC entered into a Backstop Agreement with MS, pursuant to which MS has agreed to provide backstop committed financing to refinance and/or repay in whole or in part up to \$300 million of amounts outstanding under the Senior Secured Credit Facility at any time between October 4, 2023 and January 2, 2024.

In April 2023, \$82.5 million in aggregate principal amount of the Revolving Loan Facility that was not previously extended was assigned to a new lender under the same terms as the existing lenders who extended commitments in December 2022 under Amendment No. 4 to the Senior Secured Credit Facility. See Note 7 – “Long-Term Debt” for more information on the above financing transactions.

The estimation of our future cash flow projections includes numerous assumptions that are subject to various risks and uncertainties. Refer to Note 2 – “Summary of Significant Accounting Policies” for further information on liquidity. Refer to “Item 1A. Risk Factors” in our Annual Report on Form 10-K for risks and uncertainties that may cause our results to differ from our expectations.

There can be no assurance that the accuracy of the assumptions used to estimate our liquidity requirements will be correct, and our ability to be predictive is uncertain due to the dynamic nature of the current operating environment, including any residual impacts of the COVID-19 global pandemic, Russia’s ongoing invasion of Ukraine and current macroeconomic conditions such as inflation, rising fuel prices and rising interest rates. Based on the liquidity estimates and our current resources, we have concluded we have sufficient liquidity to satisfy our obligations for at least the next 12 months. Within the next twelve months we will pursue refinancings in order to reduce interest expense and/or extend debt maturities. There is no assurance that cash flows from operations and additional financings will be available in the future to fund our future obligations. Beyond the next 12 months, we will pursue refinancings and other balance sheet optimization transactions in order to reduce interest expense and/or extend debt maturities.

We have received amendments to certain financial and other debt covenants, including the modification of our free liquidity requirements. At June 30, 2023, taking into account such amendments, we were in compliance with all of our debt covenants. If we do not continue to remain in compliance with our covenants, we would have to seek additional amendments to or waivers of the covenants. However, no assurances can be made that such amendments or waivers would be approved by our lenders. Generally, if an event of default under any debt agreement occurs, then pursuant to cross default and/or cross acceleration clauses, substantially all of our outstanding debt and derivative contract payables could become due, and all debt and derivative contracts could be terminated, which would have a material adverse impact to our operations and liquidity.

## [Table of Contents](#)

Since March 2020, Moody's has downgraded our long-term issuer rating to B2, our senior secured rating to B1 and our senior unsecured rating to Caa1. Since April 2020, S&P Global has downgraded our issuer credit rating to B, lowered our issue-level rating on our \$875 million Revolving Loan Facility and \$0.8 billion Term Loan A Facility to BB-, our issue-level rating on our other senior secured notes to B+ and our senior unsecured rating to B-. If our credit ratings were to be further downgraded, or general market conditions were to ascribe higher risk to our rating levels, our industry, or us, our access to capital and the cost of any debt or equity financing will be further negatively impacted. We also have capacity to incur additional indebtedness under our debt agreements and may issue additional ordinary shares from time to time, subject to our authorized number of ordinary shares. However, there is no guarantee that debt or equity financings will be available in the future to fund our obligations, or that they will be available on terms consistent with our expectations.

As of June 30, 2023, we had advance ticket sales of \$3.5 billion, including the long-term portion, which included approximately \$81.2 million of future cruise credits. We also have agreements with our credit card processors that, as of June 30, 2023, governed approximately \$3.2 billion in advance ticket sales that had been received by the Company relating to future voyages. These agreements allow the credit card processors to require under certain circumstances, including the existence of a material adverse change, excessive chargebacks and other triggering events, that the Company maintain a reserve which would be satisfied by posting collateral. Although the agreements vary, these requirements may generally be satisfied either through a percentage of customer payments withheld or providing cash funds directly to the card processor. Any cash reserve or collateral requested could be increased or decreased. As of June 30, 2023, we had cash collateral reserves of approximately \$31.5 million with credit card processors recognized in accounts receivable, net. During the three months ended June 30, 2023, the Company received a return of cash collateral from one credit card processor of \$500 million, which was previously classified as other long-term assets. We may be required to pledge additional collateral and/or post additional cash reserves or take other actions in the future that may adversely affect our liquidity.

### ***Sources and Uses of Cash***

***In this section, references to "2023" refer to the six months ended June 30, 2023 and references to "2022" refer to the six months ended June 30, 2022.***

Net cash provided by operating activities was \$1.5 billion in 2023 as compared to net cash used in operating activities of \$108.8 million in 2022. The net cash provided by operating activities included net losses and timing differences in cash receipts and payments relating to operating assets and liabilities. The net cash provided by operating activities includes the return of \$500 million cash collateral from one credit card processor in 2023. Advance ticket sales increased by \$826.2 million in 2023 and by \$755.2 million in 2022. The net losses also include losses on extinguishment of debt of \$188.4 million in 2022.

Net cash used in investing activities was \$992.2 million in 2023 and \$81.1 million in 2022. The net cash used in investing activities was primarily related to newbuild payments in 2023. The net cash used in investing activities was primarily related to newbuild payments and ship improvement projects offset by proceeds from maturities of short-term investments in 2022.

Net cash used in financing activities was \$592.3 million in 2023 primarily due to debt repayments and a net decrease in our Revolving Loan Facility balance, partially offset by the proceeds from newbuild loan facilities and \$850 million from our various note offerings. Net cash provided by financing activities was \$586.5 million in 2022 primarily due to the proceeds of \$2.1 billion from our various note offerings partially offset by debt repayments and related redemption premiums associated with extinguishment of certain senior secured notes.

### ***Future Capital Commitments***

Future capital commitments consist of contracted commitments, including ship construction contracts. Anticipated expenditures related to ship construction contracts as of June 30, 2023 were \$1.7 billion for the remainder of 2023, including Norwegian Viva, and \$0.4 billion and \$2.0 billion for the years ending December 31, 2024 and 2025, respectively, reflecting delays in certain scheduled ship delivery dates. As of June 30, 2023, the Company has export

credit financing in place for the anticipated expenditures related to ship construction contracts of \$1.4 billion for the remainder of 2023 and \$0.2 billion and \$1.5 billion for the years ending December 31, 2024 and 2025, respectively. Anticipated non-newbuild capital expenditures for the remainder of 2023 are approximately \$0.2 billion. Future expected capital expenditures will significantly increase our depreciation and amortization expense.

For the Norwegian brand, the second Prima Class Ship, Norwegian Viva, at approximately 143,500 Gross Tons and 3,100 Berths, was delivered in August 2023. For the Norwegian brand, we have four Prima Class Ships on order, each ranging from approximately 156,300 to 169,000 Gross Tons with 3,450 or more Berths, with currently scheduled delivery dates from 2025 through 2028. For the Regent brand, we have an order for one Explorer Class Ship to be delivered in 2023, which will be approximately 55,000 Gross Tons and 750 Berths. For the Oceania Cruises brand, we have an order for one additional Allura Class Ship to be delivered in 2025, which will be approximately 67,000 Gross Tons and 1,200 Berths. The impacts of COVID-19 on the shipyards where our ships are under construction (or will be constructed), Russia's ongoing invasion of Ukraine, initiatives to improve environmental sustainability and modifications the Company plans to make to its newbuilds and/or other macroeconomic events have resulted in delays in expected ship deliveries. These and other impacts could result in additional delays in ship deliveries in the future, which may be prolonged.

As of June 30, 2023, the combined contract prices of the seven ships on order for delivery, including Norwegian Viva, was approximately €7.4 billion, or \$8.1 billion based on the euro/U.S. dollar exchange rate as of June 30, 2023. We have obtained export credit financing which is expected to fund approximately 80% of the contract price of each ship and related financing premiums, subject to certain conditions. We do not anticipate any contractual breaches or cancellations to occur. However, if any such events were to occur, it could result in, among other things, the forfeiture of prior deposits or payments made by us and potential claims and impairment losses which may materially impact our business, financial condition and results of operations.

Capitalized interest for the three months ended June 30, 2023 and 2022 was \$16.6 million and \$14.8 million, respectively, and for the six months ended June 30, 2023 and 2022 was \$31.3 million and \$28.1 million, respectively, primarily associated with the construction of our newbuild ships.

### **Material Cash Requirements**

As of June 30, 2023, our material cash requirements for debt and ship construction were as follows (in thousands):

	Remainder of 2023	2024	2025	2026	2027	2028	Thereafter	Total
Long-term debt (1)	\$ 800,027	\$ 2,313,371	\$ 2,378,418	\$ 2,488,149	\$ 3,431,756	\$ 1,970,503	\$ 2,390,955	\$ 15,773,179
Ship construction contracts (2)	1,677,969	277,061	1,888,217	1,308,905	1,260,099	1,173,808	—	7,586,059
Total	\$ 2,477,996	\$ 2,590,432	\$ 4,266,635	\$ 3,797,054	\$ 4,691,855	\$ 3,144,311	\$ 2,390,955	\$ 23,359,238

- (1) Includes principal as well as estimated interest payments with Term SOFR held constant as of June 30, 2023. Includes exchangeable notes which can be settled in shares. Excludes the impact of any future possible refinancings and undrawn export-credit backed facilities.
- (2) Ship construction contracts are for our newbuild ships based on the euro/U.S. dollar exchange rate as of June 30, 2023. As of June 30, 2023, we have committed undrawn export-credit backed facilities of approximately \$7.0 billion which funds approximately 80% of our ship construction contracts.

### **Funding Sources**

Certain of our debt agreements contain covenants that, among other things, require us to maintain a minimum level of liquidity, as well as limit our net funded debt-to-capital ratio and maintain certain other ratios. Substantially all of our ships and certain other assets are pledged as collateral for certain of our debt. We have received amendments to certain financial and other debt covenants, including the modification of our free liquidity requirements. After taking into account such amendments, we believe we were in compliance with these covenants as of June 30, 2023.

[Table of Contents](#)

In addition, our existing debt agreements restrict, and any of our future debt arrangements may restrict, among other things, the ability of our subsidiaries, including NCLC, to make distributions and/or pay dividends to NCLH and NCLH's ability to pay cash dividends to its shareholders. NCLH is a holding company and depends upon its subsidiaries for their ability to pay distributions to it to finance any dividend or pay any other obligations of NCLH. However, we do not believe that these restrictions have had or are expected to have an impact on our ability to meet any cash obligations.

We believe our cash on hand, the availability under the Revolving Loan Facility and undrawn commitment less related fees, the backstop financing available from October 4, 2023 through January 2, 2024, expected future operating cash inflows and our ability to issue debt securities or additional equity securities, will be sufficient to fund operations, debt payment requirements, capital expenditures and maintain compliance with covenants under our debt agreements over the next 12-month period. Refer to “—Liquidity and Capital Resources—General” for further information regarding the debt covenant waivers and liquidity requirements.

***Other***

Certain service providers may require collateral in the normal course of our business. The amount of collateral may change based on certain terms and conditions.

As a routine part of our business, depending on market conditions, exchange rates, pricing and our strategy for growth, we regularly consider opportunities to enter into contracts for the building of additional ships. We may also consider the sale of ships, potential acquisitions and strategic alliances. If any of these transactions were to occur, they may be financed through the incurrence of additional permitted indebtedness, through cash flows from operations, or through the issuance of debt, equity or equity-related securities.

We refer you to “—Liquidity and Capital Resources—General” for information regarding collateral provided to our credit card processors.

**Item 3. Quantitative and Qualitative Disclosures About Market Risk**

**General**

We are exposed to market risk attributable to changes in interest rates, foreign currency exchange rates and fuel prices. We attempt to minimize these risks through a combination of our normal operating and financing activities and through the use of derivatives. The financial impacts of these derivative instruments are primarily offset by corresponding changes in the underlying exposures being hedged. We achieve this by closely matching the notional, term and conditions of the derivatives with the underlying risk being hedged. We do not hold or issue derivatives for trading or other speculative purposes. Derivative positions are monitored using techniques including market valuations and sensitivity analyses.

**Interest Rate Risk**

As of June 30, 2023, 88% of our debt was fixed and 12% was variable. As of December 31, 2022, 75% of our debt was fixed and 25% was variable. The change in our fixed rate percentage from December 31, 2022 to June 30, 2023 was primarily due to the addition of fixed rate debt, which partially replaced variable rate debt. Based on our June 30, 2023 outstanding variable rate debt balance, a one percentage point increase in annual Term SOFR interest rates would increase our annual interest expense by approximately \$16.7 million excluding the effects of capitalization of interest.

**Foreign Currency Exchange Rate Risk**

As of June 30, 2023, we had foreign currency derivatives to hedge the exposure to volatility in foreign currency exchange rates related to our ship construction contracts denominated in euros. These derivatives hedge the foreign currency exchange rate risk on a portion of the payments on our ship construction contracts. The payments not hedged aggregate €5.6 billion, or \$6.1 billion based on the euro/U.S. dollar exchange rate as of June 30, 2023. As of December 31, 2022, the payments not hedged aggregated €4.5 billion, or \$4.8 billion, based on the euro/U.S. dollar

[Table of Contents](#)

exchange rate as of December 31, 2022. The change from December 31, 2022 to June 30, 2023 was due to an increase in contract price for our newbuild agreements. We estimate that a 10% change in the euro as of June 30, 2023 would result in a \$0.6 billion change in the U.S. dollar value of the foreign currency denominated remaining payments.

**Fuel Price Risk**

Our exposure to market risk for changes in fuel prices relates to the forecasted purchases of fuel on our ships. Fuel expense, as a percentage of our total cruise operating expense, was 11.9% and 16.9% for the three months ended June 30, 2023 and 2022, respectively, and 13.5% and 17.5% for the six months ended June 30, 2023 and 2022, respectively. We use fuel derivative agreements to mitigate the financial impact of fluctuations in fuel prices and as of June 30, 2023, we had hedged approximately 51% and 26% of our remaining 2023 and 2024 projected metric tons of fuel purchases, respectively. As of December 31, 2022, we had hedged approximately 50% of our 2023 projected metric tons of fuel purchases. The percentage of fuel purchases hedged changed between December 31, 2022 and June 30, 2023 primarily due to the addition of fuel swaps.

We estimate that a 10% increase in our weighted-average fuel price would increase our anticipated 2023 fuel expense by \$32.2 million. This increase would be offset by an increase in the fair value of all our fuel swap agreements of \$15.7 million. Fair value of our derivative contracts is derived using valuation models that utilize the income valuation approach. These valuation models take into account the contract terms such as maturity, as well as other inputs such as fuel types, fuel curves, creditworthiness of the counterparty and the Company, as well as other data points.

**Item 4. Controls and Procedures**

**Evaluation of Disclosure Controls and Procedures**

Our management has evaluated, with the participation of our Chief Executive Officer and Chief Financial Officer, the effectiveness of our disclosure controls and procedures, as such term is defined in Rule 13a-15(e) under the Securities Exchange Act of 1934, as amended, as of June 30, 2023. There are inherent limitations in the effectiveness of any system of disclosure controls and procedures, including the possibility of human error and the circumvention or overriding of the controls and procedures. Accordingly, even effective disclosure controls and procedures can only provide reasonable assurance of achieving their control objectives. Based upon management's evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective as of June 30, 2023 to provide reasonable assurance that the information required to be disclosed by us in the reports we file or submit under the Securities Exchange Act of 1934, as amended, is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the SEC, and that it is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure.

**Changes in Internal Control Over Financial Reporting**

There have been no changes in our internal control over financial reporting during the quarter ended June 30, 2023 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

**Limitations on the Effectiveness of Controls**

It should be noted that any system of controls, however well designed and operated, can provide only reasonable, and not absolute, assurance that the objectives of the system will be met. In addition, the design of any control system is based in part upon certain assumptions about the likelihood of future events. Because of these and other inherent limitations of control systems, there is only the reasonable assurance that our controls will succeed in achieving their goals under all potential future conditions.

## PART II. OTHER INFORMATION

### Item 1. Legal Proceedings

Our threshold for disclosing material environmental legal proceedings involving a governmental authority where potential monetary sanctions are involved is \$1 million.

See the section titled “Litigation” in “[Item 1—Financial Statements—Notes to Consolidated Financial Statements—Note 10 Commitments and Contingencies](#)” in Part I of this quarterly report for information about legal proceedings.

### Item 1A. Risk Factors

We refer you to our Annual Report on Form 10-K for a discussion of the risk factors that affect our business and financial results. We caution you that the risk factors discussed in “Item 1A. Risk Factors” in our Annual Report on Form 10-K, elsewhere in this report or other SEC filings, could cause future results to differ materially from those stated in any forward-looking statements. You should not interpret the disclosure of a risk to imply that the risk has not already materialized. The impact of macroeconomic conditions have also had the effect of heightening many of the other risks described in the “Risk Factors” included in our Annual Report on Form 10-K, such as those relating to our need to generate sufficient cash flows to service our indebtedness, and our ability to comply with the covenants contained in the agreements that govern our indebtedness.

There have been no material changes in our risk factors from those disclosed in our Annual Report on Form 10-K.

### Item 5. Other Information

#### 10b5-1 Trading Arrangements

During the quarter ended June 30, 2023, none of our directors or Section 16 officers informed us of the adoption or termination of any “Rule 10b5-1 trading arrangement” or “non-Rule 10b5-1 trading arrangement” (in each case, as defined in Item 408(a) of Regulation S-K).

- (b) The Borrower shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Agent accordingly. Similarly, a Lender shall notify the Agent on becoming so aware in respect of a payment payable to that Lender. If the Agent receives such notification from a Lender it shall notify the Borrower and that Obligor.
- (c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.
- (d) A payment shall not be increased under paragraph (c) above if on the date on which the payment falls due the Obligor making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender (having been given notice of the documentation requested under Clause ~~40.7~~11.7 (*Lender Status*) at least 30 Business Days prior to such payment date) complied with its obligations under Clause ~~40.7~~11.7 (*Lender Status*).

  - (ii) to the extent a loss, liability or cost is compensated for by an increased payment under Clause ~~40.2-11.2~~ 11.2 (*Tax gross-up*) or would have been compensated for by an increased payment under Clause ~~40.2-11.2~~ 11.2 (*Tax gross-up*) but was not so compensated solely because an exclusion in paragraph (d) of Clause ~~40.2-11.2~~ 11.2 (*Tax gross-up*) applied, or relates to a FATCA Deduction required to be made by a Party; or
  - (iii) with respect to the Taxes in the nature of a branch profits tax imposed by Section 884(a) of the Code that is imposed by any jurisdiction described in paragraph (b)(i)(B) above.

- (b) that Creditor Party has obtained, retained and utilised that Tax Credit,

the Creditor Party shall pay an amount to the Obligor which that Creditor Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

#### 11.5 ~~40-5~~Stamp taxes

- (b) If VAT is or becomes chargeable on any supply made by any Secured Party (the "**Supplier**") to any other Secured Party (the "**Recipient**") under a Finance Document, and any Party other than the Recipient (the "**Relevant Party**") is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):
  - (i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and
  - (ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.
- (c) Where a Finance Document requires any Party to reimburse or indemnify a Secured Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Secured Party for the full amount of such cost or expense, including such part of it as represents VAT, save to the extent that such Secured Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

- (d) Any reference in this Clause ~~40-6~~11.6 (VAT) to any Party being required to account to a tax authority for VAT shall, at any time when such Party is treated as a member of a group for VAT purposes, include a reference to another member of that group being required to so account to the relevant tax authority.

In addition, any Lender, if reasonably requested by the Agent or the Borrower, shall deliver such other documentation as prescribed by applicable law and reasonably requested by the Agent or the Borrower as will enable the Agent or the Borrower to determine whether or not such Lender is subject to backup withholding or information reporting requirements.
- (b) Any Lender shall, to the extent it is legally entitled to do so, deliver to the Agent and the Borrower on or prior to the date on which such Lender becomes a Lender under this Agreement or promptly thereafter (and from time to time thereafter as prescribed by applicable law or upon the request of the Agent or the Borrower), duly executed and properly completed copies of Internal Revenue Service Form W-9 or W-8, as applicable, certifying that it is not subject to U.S. federal backup withholding or establishing an exemption from, or reduction of, U.S. federal withholding Tax.

**11.8 ~~40-8~~FATCA Deduction**

- (a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
- (b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction) notify the Party to whom it is making the payment and, in addition, shall notify the Borrower, the Agent and the other Secured Parties.

**11.9 ~~40-9~~FATCA Information**

- (b) If a Party confirms to another Party pursuant to paragraph ~~(a)(i)~~ 11.9(a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not, or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.
- (c) Paragraph (a) above shall not oblige any Creditor Party to do anything which would or might in its reasonable opinion constitute a breach of:
  - (i) any law or regulation;
  - (ii) any fiduciary duty; or
  - (iii) any duty of confidentiality.
- (d) If a Party fails to confirm its status or to supply forms, documentation or other information requested in accordance with paragraph (a) above (including, for the avoidance of doubt, where paragraph (c) above applies), then:
  - (i) if that Party failed to confirm whether it is (and/or remains) a FATCA Exempt Party then such Party shall be treated for the purposes of the Finance Documents as if it is not a FATCA Exempt Party; and
  - (ii) if that Party failed to confirm its applicable "passthru payment percentage" then such Party shall be treated for the purposes of the Finance Documents (and payments made thereunder) as if its applicable "passthru payment percentage" is 100 per cent.,

- (v) any of the Lenders suffers any decrease in its rate of return as a result of any changes in the requirements relating to capital ratios, monetary control ratios, the payment of special deposits, liquidity costs or other similar requirements affecting that Lender,

  - (ii) attributable to a FATCA Deduction required to be made by a Party;
  - (iii) compensated for by Clause ~~40.3-11.3~~ 11.3 (*Tax indemnity*) (or would have been compensated for under Clause ~~40.3-11.3~~ 11.3 (*Tax indemnity*) but was not compensated solely because any of the exclusions in paragraph (b) of Clause ~~40.3-11.3~~ 11.3 (*Tax indemnity*) applied); or
  - (iv) attributable to the wilful breach by the relevant Creditor Party or its Affiliates of any law of regulation.
- (c) In this Clause ~~40.40-11.10~~ 11.10 (*Increased Costs*), a reference to a "Tax Deduction" has the same meaning given to the term in Clause ~~40.4-11.1~~ 11.1 (*Definitions*).
- (d) A Lender affected by any provision of this Clause ~~40.40-11.10~~ 11.10 (*Increased Costs*) shall promptly inform the Agent after becoming aware of the relevant change and its possible results (which notice shall be conclusive evidence of the relevant change and its possible results) and the Agent shall, as soon as reasonably practicable thereafter, notify the Borrower of the change and its possible results. Without affecting the Borrower's obligations under this Clause ~~40.40-11.10~~ 11.10 (*Increased Costs*) and in consultation with the Agent and the Italian Authorities, the affected Lender will then take all such reasonable steps as may be open to it to mitigate the effect of the change (for example (if then possible) by changing its Facility Office or transferring some or all of its rights and obligations under this Agreement to another financial institution reasonably acceptable to the Borrower and the Agent and the Italian Authorities). The reasonable costs of mitigating the effect of any such change shall be borne by the Borrower save where such costs are of an internal administrative nature and are not incurred in dealings by any Lender with third parties.

The Borrower shall fully indemnify the Agent and each Lender or SIMEST (but without double counting to the extent that a Lender is making a claim in respect of amounts owing to SIMEST) on the Agent's demand in respect of all claims, expenses, liabilities and losses which are made or brought against or incurred by that Secured Party, or which that Secured Party reasonably and with due diligence estimates that it will incur, as a result of or in connection with:

- (a) the Loan not being borrowed on the date specified in the Drawdown Notice for any reason other than a default by the Lender claiming the indemnity;
- (b) the receipt or recovery of all or any part of the Loan or an overdue sum otherwise than on the last day of an Interest Period or other relevant period;

## **21.2 ~~20-2~~ Breakage costs and SIMEST arrangements**

Without limiting its generality, Clause ~~20-1-21.1~~ ([Indemnities regarding borrowing and repayment of Loan](#)) covers:

- (a) any claim, expense, liability or loss, including a loss of a prospective profit, incurred by a Lender in liquidating or employing deposits from third parties acquired or arranged to fund or maintain all or any part of its Contribution and/or any overdue amount (or an aggregate amount which includes its Contribution or any overdue amount);
- (b) if the Borrower has selected the Fixed Interest Rate in accordance with paragraph (a)(ii) of Clause 3.5 (*No later than sixty (60) days before the Intended Delivery Date*), all of the amounts that SIMEST is entitled to charge, whether for taxes, costs, expenses, indemnities, penalties, losses or liabilities whatsoever, under and in accordance with the Interest Make-Up Agreement, including without limitation, as a result of any prepayment of all or any part of the Loan under this Agreement (whether voluntary, mandatory, following acceleration of the Loan or otherwise), as a result of an Interest Make-Up Event or as a result of the Borrower deciding to switch from the Fixed Interest Rate to another interest rate after the Drawdown Date and/or (z) an Interest Make-Up Event. Such amounts include, without limitation, (i) breakage costs, (ii) any amount due as a consequence of the close-out of any hedging arrangement entered into by SIMEST in relation to this Agreement, (iii) default interest and penalties (*maggiorazioni*) whenever applicable, and (iv) all amounts (if any) to be returned by the Agent to SIMEST under and pursuant to the Interest Make-Up Agreement; and
- (c) any other costs whatsoever or howsoever arising under or in respect of the Interest Make-Up Agreement which are passed to the Agent,

and any such costs imposed by SIMEST shall be paid by the Borrower to SIMEST through the Agent.

For the purposes of this Clause ~~20-2-21.2~~ (*Breakage costs and SIMEST arrangements*) "**Interest Make-Up Event**" means the occurrence of any circumstances which result in the termination, cancellation, revocation, cessation or suspension (in each case, in whole or in part) of the Interest Make-Up Agreement or the Interest Make-Up Agreement otherwise ceases or may cease to be in full force and effect or the Agent notifies the Borrower that the Fixed Interest Rate is not available for any reason, in each case, in accordance with the terms of the Interest Make-Up Agreement.

### 21.3 ~~20-3~~ Miscellaneous indemnities

If any sum due from an Obligor to a Creditor Party under a Finance Document or under any order or judgment relating to a Finance Document has to be converted from the currency in which the Finance Document provided for the sum to be paid (the "**Contractual Currency**") into another currency (the "**Payment Currency**") for the purpose of:

- (a) making or lodging any claim or proof against an Obligor, whether in its liquidation, any arrangement involving it or otherwise; or
- (b) obtaining an order or judgment from any court or other tribunal; or
- (c) enforcing any such order or judgment,

In this Clause ~~20-4-21.4~~ 21.4 (*Currency indemnity*) the "**available rate of exchange**" means the rate at which the Secured Party concerned is able at the opening of business (Paris time) on the Business Day after it receives the sum concerned to purchase the Contractual Currency with the Payment Currency.

This Clause ~~20-4-21.4~~ 21.4 (*Currency indemnity*) creates a separate liability of the Borrower which is distinct from its other liabilities under the Finance Documents and which shall not be merged in any judgment or order relating to those other liabilities.

### 21.5 ~~20-5~~ Certification of amounts

A notice which is signed by 2 officers of a Secured Party, which states that a specified amount, or aggregate amount, is due to that Secured Party under this Clause ~~20-21~~ 21 (*Indemnities*) and which indicates (without necessarily specifying a detailed breakdown) the matters in respect

**21.6 ~~20-6~~Sums deemed due to a Lender**

- (b) Upon receipt of the notice under paragraph (a) above and provided that such illegality is not applicable with immediate effect (in which case paragraph (a) of Clause ~~24-3~~22.3 (*Prepayment; termination of Commitment*) will apply immediately and this paragraph (b) of Clause ~~24-2~~22.2 (*Notification of illegality*) will not apply), the Agent shall, where the Borrower has selected the Fixed Interest Rate pursuant to paragraph (a)(ii) of Clause 3.5 inform SIMEST in writing in order to start consultations between themselves (pursuant to clause 6 of the Interest Make-Up Agreement) with a view to exploring any possible solution to mitigate the unlawfulness preventing that Lender from performing any of its obligations under a Finance Document or funding or maintaining its share in the Loan. Any solution agreed between the Agent and SIMEST at the end of the consultation period (which shall last for a period of ten (10) days from the service of such notice on SIMEST) will be binding among themselves and shall be notified by the Agent to each Obligor immediately thereafter (and in any case no later than ten (10) days following such decision).

- (b) On the Agent notifying the Borrower under paragraph (c) of Clause ~~21.2-22.2~~ 22.2 (*Notification of illegality*), the Notifying Lender's Commitment shall terminate; and thereupon or, if later, on the date specified in the Notifying Lender's notice under Clause ~~21.4-22.1~~ 22.1 (*Illegality*) as the date on which the notified event would become effective the Borrower shall prepay the Notifying Lender's Contribution and shall pay compensation to the Notifying Lender calculated in accordance with Clause ~~16.2-17.2~~ 17.2 (*Voluntary prepayment*).
- (c) The date for repayment or prepayment of a Lender's share in the Loan will be:
  - (i) the date specified by the Agent in the notification under paragraph (b) above; or
  - (ii) in case the Interest Make-Up Agreement has ceased to be in force and effect or the Fixed Interest Rate has not been selected pursuant to paragraph (a)(ii) of Clause 3.5 (*No later than sixty (60) days before the Intended Delivery Date*), the last day of the current Interest Period for the Loan or, if earlier, the date specified by the Lender in the notification under paragraph (a) above and which must not be earlier than the last day of any applicable grace period allowed by law.

### **22.4 ~~21.4~~ Mitigation**

- (a) Each Secured Party shall, in consultation with the Borrower, take all reasonable steps to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to, or cancelled pursuant to Clause ~~21-22~~ 22 (*Illegality, etc.*) including (but not limited to) transferring its rights and obligations under the Finance Documents to another Affiliate or Facility Office.
- (b) Paragraph (a) above does not in any way limit the obligations of any Obligor under the Finance Documents.

#### **23.1 ~~22.1~~ Application of credit balances**

Each Creditor Party may without prior notice:

- (a) apply any balance (whether or not then due) which at any time stands to the credit of any account in the name of the Borrower at any office in any country of that Creditor Party in or towards satisfaction of any sum then due from the Borrower to that Creditor Party under any of the Finance Documents; and

**23.3 ~~22-3~~ Sums deemed due to a Lender**

For the purposes of this Clause ~~22-23~~ (*Set-Off*), a sum payable by the Borrower to the Agent for distribution to, or for the account of, a Lender shall be treated as a sum due to that Lender; and each Lender's proportion of a sum so payable for distribution to, or for the account of, the Lenders shall be treated as a sum due to such Lender.

**23.4 ~~22-4~~ No Security Interest**

This Clause ~~22-23~~ (*Set-Off*) gives the Creditor Parties a contractual right of set-off only, and does not create any equitable charge or other Security Interest over any credit balance of the Borrower.

**24 ~~23~~ CHANGES TO THE LENDERS**

- (b) The consent of the Borrower to an assignment or transfer must not be unreasonably withheld or delayed. The Borrower will be deemed to have given its consent ten (10) Business Days after the Existing Lender has requested it unless consent is expressly refused by that Borrower within that time.

but the Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Transferor Lender and the Transferee Lender once it is satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to the transfer to that Transferee Lender.

**24.4 ~~23-4~~ Effective Date of Transfer Certificate**

A Transfer Certificate becomes effective on the date, if any, specified in the Transfer Certificate as its effective date, provided that it is signed by the Agent under ~~Clause 23-3-24.3~~ 24.3 (*Transfer Certificate, delivery and notification*) on or before that date.

#### 24.6 ~~23.6~~ Lender re-organisation; waiver of Transfer Certificate

However, if a Lender enters into any merger, de-merger or other reorganisation as a result of which all its rights or obligations vest in another person (the "**successor**"), the Agent may, if it sees fit, by notice to the successor and the Borrower and the Security Trustee waive the need for the execution and delivery of a Transfer Certificate; and, upon service of the Agent's notice, the successor shall become a Lender with the same Commitment and Contribution as were held by the predecessor Lender.

- (i) any reference in the Finance Documents to, and any obligations arising under the Finance Documents in, the currency of that country shall be translated into, or paid in, the currency or currency unit of that country designated by the Agent (after consultation with the Lenders and the Borrower); and
  - (ii) any translation from one currency or currency unit to another shall be at the official rate of exchange recognised by the central bank for the conversion of that currency or currency unit into the other, rounded up or down by the Agent (acting reasonably).
- (b) If a change in any currency of a country occurs, this Agreement will, to the extent the Agent (acting reasonably and after consultation with the Lenders and the Borrower) specifies to be necessary, be amended to comply with any generally accepted conventions and market practice in the Relevant ~~Interbank~~ Market and otherwise to reflect the change in currency.

### **30.9** ~~29-9~~ Distributions under the Interest Make-Up Agreement

Each payment received by the Agent under the Interest Make-Up Agreement for a Lender shall be made available by the Agent as soon as practicable after receipt to the Lender entitled to receive such payment in accordance with this Agreement (for the account of its Facility Office), to such account as that Lender may notify to the Agent by not less than five (5) Business Days' notice with a bank in the principal financial centre of the country of that currency (or, in relation to Euro, in the principal financial centre of a Participating Member State or London).

## **31** ~~30~~ VARIATIONS AND WAIVERS

### **31.1** ~~30-4~~ Variations, waivers etc. by Majority Lenders

Subject to Clause ~~30-2~~ 31.2 (*Variations, waivers etc. requiring agreement of all Lenders*) and Clause ~~30-4~~ 31.4 (*Other exceptions – FATCA*), a document shall be effective to vary, waive, amend, suspend or limit any provision of a Finance Document, or any Creditor Party's rights or remedies under such a provision or the general law, only if the document is signed, or specifically agreed to by email, by the Borrower, by the Agent on behalf of the Majority Lenders, by the Agent and the Security Trustee in their own rights, and, if the document relates to a Finance Document to which an Obligor is party, by an Obligor (provided that no amendment or variation may be made to this Agreement or any other Finance Document without the consent of the Italian Authorities); provided, further, that no amendment or variation may be made before the date falling ten Business Days after the terms of that amendment or variation have been notified by the Agent to the Lenders, unless each Lender is a FATCA Protected Lender. The Agent shall notify the Lenders reasonably promptly of any amendments or variations proposed by the Borrower.

### **31.2** ~~30-2~~ Variations, waivers etc. requiring agreement of all Lenders

However, as regards the following, Clause ~~30-4~~ 31.1 (*Variations, waivers etc. by Majority Lenders*) applies as if the words "by the Agent on behalf of the Majority Lenders" were replaced by the words "by or on behalf of every Lender":

- (a) a reduction in the Margin;

- (b) a postponement to the date for, or a reduction in the amount of, any payment of principal, interest, fees, commission or other sum payable under this Agreement;
- (c) an increase in or extension of any Lender's Commitment or any requirement that a cancellation of Commitments reduces the Commitments rateably under the Loan;
- (d) a change to the definition of "**Majority Lenders**";
- (e) a change to Clause 2 (*Facility*), Clause 6 (*Interest*), Clause ~~23-24~~ (*Changes to the Lenders*) or this Clause ~~30-31~~ (*Variations and Waivers*);
- (f) any release of, or material variation to, a Security Interest, guarantee, indemnity or subordination arrangement set out in a Finance Document; and
- (g) any other change or matter as regards which this Agreement or another Finance Document expressly provides that each Lender's consent is required.

**31.3 ~~30.3~~ Exclusion of other or implied variations**

Except for a document which satisfies the requirements of Clauses ~~30.1 and 30.2~~ 31.1 (*Variations, waivers etc. by Majority Lenders*) and 31.2 (*Variations, waivers etc. requiring agreement of all Lenders*), no document, and no act, course of conduct, failure or neglect to act, delay or acquiescence on the part of the Creditor Parties or any of them (or any person acting on behalf of any of them) shall result in the Creditor Parties or any of them (or any person acting on behalf of any of them) being taken to have varied, waived, suspended or limited, or being precluded (permanently or temporarily) from enforcing, relying on or exercising:

- (a) a provision of this Agreement or another Finance Document; or
- (b) an Event of Default; or
- (c) a breach by the Borrower or an Obligor of an obligation under a Finance Document or the general law; or
- (d) any right or remedy conferred by any Finance Document or by the general law,

and there shall not be implied into any Finance Document any term or condition requiring any such provision to be enforced, or such right or remedy to be exercised, within a certain or reasonable time.

**31.4 ~~30.4~~ Other exceptions – FATCA**

- (a) If the Agent or a Lender reasonably believes that an amendment or waiver may constitute a "material modification" for the purposes of FATCA that may result (directly or indirectly) in a Party being required to make a FATCA Deduction and the Agent or that Lender (as the case may be) notifies the Borrower and the Agent accordingly, that amendment or waiver may, subject to paragraph (b) below, not be effected without the consent of the Agent or that Lender (as the case may be).
- (b) The consent of a Lender shall not be required pursuant to paragraph (a) above if that Lender is a FATCA Protected Lender.

- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, or delay in perfecting, or refusal or neglect to take up or enforce, or delay in taking or enforcing any rights against, or security over assets of, the Borrower or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of the Borrower or any other person;

### **6.3 Tax Credits**

If an additional payment is made by the Guarantor under this Clause and any Secured Party determines that it has received or been granted a credit against or relief of or calculated with reference to the deduction giving rise to such additional payment, such Secured Party shall, to the extent that it can do so without prejudice to the retention of the amount of such credit, relief, remission or repayment and provided that it has received the cash benefit of such credit, relief or remission, pay to the Guarantor such amount as such Secured Party shall in its reasonable opinion have concluded to be attributable to the relevant deduction. - (a) The Borrower shall pay (through the SACE Agent) to SACE an additional SACE premium in relation to Tranche B (the "**Tranche B Premium**"). The Tranche B Premium is payable, in accordance with the SACE Insurance Policy, as follows:
- (i) no later than the earlier of (x) 30 days from the date of issuance of the relevant addendum to the SACE Insurance Policy and (y) the Drawdown Date in respect of the first Advance under Tranche B, an amount equal to \$2,483,946.67, corresponding to fifteen per cent (15%) of the Tranche B Premium; and
- (ii) no later than the Drawdown Date in respect of the first Advance under Tranche B, an amount equal to \$14,075,697.77, corresponding to eighty-five per cent (85%) of the Tranche B Premium.
- (b) The Borrower has requested, and the Tranche B Lenders have agreed to finance the payment of one hundred per cent. (100%) of the Tranche B Premium to the Borrower on the first Drawdown Date under Tranche B, it being agreed that:
- (i) the amount referred to in paragraph (a)(i) above shall, as applicable, be reimbursed to the Borrower or paid to SACE; and
-

- (ii) the amount referred to in paragraph (a)(ii) above shall be paid to SACE,
- and upon notification by SACE to the SACE Agent and the Borrower of the amount of the Tranche B Premium.
- (c) Consequently, the Borrower hereby irrevocably instructs the Agent on behalf of the Tranche B Lenders to:
- (i) reimburse to the Borrower or pay to SACE, as applicable, the amount of the Tranche B Premium referred to in paragraph (a)(i) above; and
- (ii) pay to SACE the amount of the Tranche B Premium referred to in paragraph (a)(ii) above,
- no later than the first Drawdown Date under Tranche B in accordance with paragraphs (b)(ii) and (b)(iii) of Clause 2.1 (*Amount of facility*) of this Agreement.
- (d) The Tranche B Premium financed by part of Tranche B will be repayable in any event by the Borrower to the Tranche B Lenders in the manner specified in Clause 5 (*Repayment*) and under any and all circumstances including but without limitation in the event of prepayment or acceleration of the Loan.
- (e) The Borrower shall, at the latest on the date falling sixty (60) days before the Intended Delivery Date, provide a notice in writing to the SACE Agent (who will promptly forward it to other Lenders and SACE), signed by an authorised signatory of the Borrower, indicating the amount of the Delivery Advance under Tranche B, being the amount set out in Part B of Schedule 6 (*Drawdown Schedules*) under the column entitled "Advance to be drawn under this Agreement" to be drawn on the Delivery Date less (i) any amount cancelled based on the Conversion Rate and (ii) the Tranche B Refund (as defined below) to be refunded in accordance with paragraph (f), such amount of the Tranche B Refund to be confirmed by SACE at least six (6) Business Days prior to the Delivery Date. The Borrower hereby agrees and shall confirm in such notice that the remaining Tranche B Commitments shall be deemed to be cancelled. The Borrower acknowledges, for the avoidance of doubt, that the shortfall (if any) to be paid to the Builder at the Delivery Date shall be funded and paid directly by the Borrower to the Builder.
- (f) If the sum of the Advances under Tranche B drawn by the Borrower together with the amount notified by the Borrower pursuant to paragraph (e) above (being the amount set out in Part B of Schedule 6 (*Drawdown Schedules*) under the column entitled "Advance to be drawn under this Agreement" to be drawn on the Delivery Date, less any amount cancelled based on the Conversion Rate) equals an aggregate of less than the Total Tranche B Commitments, and provided that no Event of Default has occurred and is then continuing and no loss has occurred under the SACE Insurance Policy, the Borrower shall be entitled to a refund of the Tranche B Premium in an amount calculated by SACE on the undrawn amount (the "**Tranche B Refund**"). For the avoidance of doubt, the amount of the SACE Premium referred to in paragraph (a)(i) of this Clause 8.6 (*Tranche B Premium*) is non-refundable, irrespective of whether any disbursements have been made under this Agreement and irrespective of whether the SACE Insurance Policy has been terminated.
- (g) Any refund of the amount of the Tranche B Premium referred to in paragraph (a)(ii) of this Clause 8.6 (*Tranche B Premium*), whether in whole or in part, must be expressly requested by the SACE Agent to SACE in writing following receipt by the SACE Agent of the Borrower's notice referred to in paragraph (e) above.
-

- (h) To the extent the Borrower is entitled to the Tranche B Refund, SACE shall transfer the Tranche B Refund as soon as practicably possible to the SACE Agent who shall as soon as practicably possible following receipt thereof transfer such amount to the Borrower. The Borrower hereby acknowledges that SACE shall not be liable to pay interest to the Borrower on the amount of the Tranche B Refund.
- (i) Under the terms of the SACE Insurance Policy, the Parties acknowledge that SACE will withhold an amount of five per cent. (5%) from the amount of the Tranche B Premium to be refunded. Such withholding, charged as a lump sum to cover administration and management costs for the SACE Insurance Policy, may not, in any event, amount to less than the equivalent of three thousand Euros (€3,000) or more than the equivalent of twenty-five thousand Euros (€25,000), calculated by SACE at the European Central Bank EUR/USD exchange rate as at the date of the refund request.
- (j) Except as set out in paragraph (e) and (g) above, no part of the Tranche B Premium is refundable to any Obligor.
- (k) In no event shall the SACE Agent be liable for any refund of the Tranche B Premium to be made by SACE or for the calculation of any Refund and/or withholding thereof.

- (b) The Borrower shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Agent accordingly. Similarly, a Lender shall notify the Agent on becoming so aware in respect of a payment payable to that Lender. If the Agent receives such notification from a Lender it shall notify the Borrower and that Obligor.
- (c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.
- (d) A payment shall not be increased under paragraph (c) above if on the date on which the payment falls due the Obligor making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender (having been given notice of the documentation requested under Clause ~~40.7-11.7~~ 11.7 (*Lender Status*) at least 30 Business Days prior to such payment date) complied with its obligations under Clause ~~40.7-11.7~~ 11.7 (*Lender Status*).

### **11.3 ~~40.3~~ Tax indemnity**

- (a) The Borrower shall (within three Business Days of demand by the Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.
  - (b) Paragraph (a) above shall not apply:
    - (i) with respect to any Tax assessed on a Secured Party:

      - (B) under the law of the jurisdiction in which that Lender's Facility Office is located in respect of amounts received or receivable in that jurisdiction,
- if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Secured Party; or
-

- (ii) to the extent a loss, liability or cost is compensated for by an increased payment under Clause ~~10.2-11.2~~ (Tax gross-up) or would have been compensated for by an increased payment under Clause ~~10.2-11.2~~ (Tax gross-up) but was not so compensated solely because an exclusion in paragraph (d) of Clause ~~10.2-11.2~~ (Tax gross-up) applied, or relates to a FATCA Deduction required to be made by a Party; or
  - (iii) with respect to the Taxes in the nature of a branch profits tax imposed by Section 884(a) of the Code that is imposed by any jurisdiction described in paragraph (b)(i)(B) above.

#### **11.4 ~~10.4~~ Tax Credit**

If an Obligor makes a Tax Payment and the relevant Creditor Party determines that:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and
- (b) that Creditor Party has obtained, retained and utilised that Tax Credit,

the Creditor Party shall pay an amount to the Obligor which that Creditor Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

#### **11.5 ~~10.5~~ Stamp taxes**

The Borrower shall pay and, within three Business Days of demand, indemnify each Secured Party against any cost, loss or liability that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

#### **11.6 ~~10.6~~ VAT**

- (a) All amounts expressed to be payable under a Finance Document by any Party to a Secured Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Secured Party to any Party under a Finance Document and such Secured Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Secured Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Secured Party must promptly provide an appropriate VAT invoice to that Party).
  - (b) If VAT is or becomes chargeable on any supply made by any Secured Party (the "**Supplier**") to any other Secured Party (the "**Recipient**") under a Finance Document, and any Party other than the Recipient (the "**Relevant Party**") is required by the terms of any Finance Document to pay
-

an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):

- (i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and
  - (ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.
- (c) Where a Finance Document requires any Party to reimburse or indemnify a Secured Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Secured Party for the full amount of such cost or expense, including such part of it as represents VAT, save to the extent that such Secured Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.
  - (d) Any reference in this Clause ~~10.6~~ 11.6 (VAT) to any Party being required to account to a tax authority for VAT shall, at any time when such Party is treated as a member of a group for VAT purposes, include a reference to another member of that group being required to so account to the relevant tax authority.
  - (e) In relation to any supply made by a Secured Party to any Party under a Finance Document, if reasonably requested by such Secured Party, that Party must promptly provide such Secured Party with details of that Party's VAT registration and such other information as is reasonably requested in connection with such Secured Party's VAT reporting requirements in relation to such supply.

#### **11.7 ~~10.7~~ Lender Status**

- (a) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under a Finance Document shall deliver to the Agent and the Borrower, at the time or times reasonably requested by the Agent or the Borrower, such properly completed and executed documentation reasonably requested by the Agent or the Borrower (and which it is reasonable for the Lender to complete and execute) as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Agent or the Borrower, shall deliver such other documentation as prescribed by applicable law and reasonably requested by the Agent or the Borrower as will enable the Agent or the Borrower to determine whether or not such Lender is subject to backup withholding or information reporting requirements.
  - (b) Any Lender shall, to the extent it is legally entitled to do so, and where it is entitled to an exemption from, or reduction of, U.S. federal withholding tax, deliver to the Agent and the Borrower on or prior to the date on which such Lender becomes a Lender under this Agreement or promptly thereafter (and from time to time thereafter as prescribed by applicable law or upon the request of the Agent or the Borrower), duly executed and properly
-

completed copies of Internal Revenue Service Form W-9 or W-8, as applicable, certifying that it is not subject to U.S. federal backup withholding and, in the case of a non-U.S. Lender that is eligible for an exemption from, or reduction of, U.S. federal withholding Tax establishing an exemption from, or reduction of, U.S. federal withholding Tax.

**11.8 ~~10.8~~ FATCA Deduction**

- (a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
- (b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction) notify the Party to whom it is making the payment and, in addition, shall notify the Borrower, the Agent and the other Secured Parties.

**11.9 ~~10.9~~ FATCA Information**

- (a) Subject to paragraph (c) below, each Party shall, within ten Business Days of a reasonable request by another Party:
    - (i) confirm to that other Party whether it is:
      - (A) a FATCA Exempt Party; or
      - (B) not a FATCA Exempt Party;
    - (ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and
    - (iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.
  - (b) If a Party confirms to another Party pursuant to paragraph (i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.
  - (c) Paragraph (a) above shall not oblige any Creditor Party to do anything, and paragraph (a)(iii) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:
    - (i) any law or regulation;
    - (ii) any fiduciary duty; or
    - (iii) any duty of confidentiality.
  - (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a)(i) or (a)(ii) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such
-

Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.

- (e) Each Lender shall, within ten Business Days of (i) where the relevant Lender is a Lender at the date of the Original Facility Agreement, the date of the Original Facility Agreement, (ii) where the relevant Lender becomes a Lender at the date of this Agreement, the date of this Agreement and (iii) where the relevant Lender is a Transferee Lender, the effective date of a Transfer Certificate under Clause ~~24.4~~ 25.4 (*Effective Date of Transfer Certificate*), supply to the Agent:
  - (i) a withholding certificate on Form W-8, Form W-9 or any other relevant form; or
  - (ii) any withholding statement or other document, authorisation or waiver as the Agent may require to certify or establish the status of such Lender under FATCA or that other law or regulation.
- (f) The Agent shall provide any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) above to the relevant Borrower.
- (g) If any withholding certificate, withholding statement, document, authorisation or waiver provided to the Agent by a Lender pursuant to paragraph (e) above is or becomes materially inaccurate or incomplete, that Lender shall promptly update it and provide such updated withholding certificate, withholding statement, document, authorisation or waiver to the Agent unless it is unlawful for the Lender to do so (in which case the Lender shall promptly notify the Agent). The Agent shall provide any such updated withholding certificate, withholding statement, document, authorisation or waiver to the relevant Borrower.
- (h) The Agent may rely on any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) or (g) above without further verification. The Agent shall not be liable for any action taken by it under or in connection with paragraphs (e), (f) or (g) above.
- (i) CDP confirms, and the Borrower acknowledges, that as at the date of this Agreement CPD is a FATCA Exempt Party.

#### **11.10 ~~40.40~~ Increased Costs**

- (a) If after the date of the Original Facility Agreement by reason of (x) any change in law or in its interpretation or administration and/or (y) compliance with any request from or requirement of any central bank or other fiscal, monetary or other authority including but without limitation the Basel Committee on Banking Regulations and Supervisory Practices whether or not having the force of law:
    - (i) any of the Lenders incurs a cost as a result of its performing its obligations under this Agreement and/or its making available its Commitment hereunder; or
    - (ii) there is any increase in the cost to any of the Lenders of funding or maintaining all or any of the advances comprised in a class of advances formed by or including its Commitment advanced or to be advanced by it hereunder; or
-

- (iii) any of the Lenders incurs a cost as a result of its having entered into and/or its assuming or maintaining its commitment under this Agreement; or
- (iv) any of the Lenders becomes liable to make any payment on account of Tax or otherwise (other than Tax on its overall net income) on or calculated by reference to the amount of its Commitment advanced or to be advanced hereunder and/or any sum received or receivable by it hereunder; or
- (v) any of the Lenders suffers any decrease in its rate of return as a result of any changes in the requirements relating to capital ratios, monetary control ratios, the payment of special deposits, liquidity costs or other similar requirements affecting that Lender,

then the Borrower shall on demand pay to the Agent for the account of the relevant Lender or Lenders amounts sufficient to indemnify the relevant Lender or Lenders against, as the case may be, such cost, such increased cost (or such proportion of such increased cost as is in the reasonable opinion of the relevant Lender or Lenders attributable to the funding or maintaining of its or their Commitment(s) hereunder) or such liability.

- (b) This Clause ~~40.40-11.10~~ 11.10 (*Increased Costs*) does not apply to the extent any increased cost is:
  - (i) attributable to a Tax Deduction required by law to be made by an Obligor;
  - (ii) attributable to a FATCA Deduction required to be made by a Party;
  - (iii) compensated for by Clause ~~40.3-11.3~~ 11.3 (*Tax indemnity*) (or would have been compensated for under Clause ~~40.3-11.3~~ 11.3 (*Tax indemnity*) but was not compensated solely because any of the exclusions in paragraph (b) of Clause ~~40.3-11.3~~ 11.3 (*Tax indemnity*) applied); or
  - (iv) attributable to the wilful breach by the relevant Creditor Party or its Affiliates of any law of regulation.

In this Clause ~~40.40-11.10~~ 11.10 (*Increased Costs*), a reference to a "Tax Deduction" has the same meaning given to the term in Clause ~~40.4-11.1~~ 11.1 (*Definitions*).

- (c) A Lender affected by any provision of this Clause ~~40.40-11.10~~ 11.10 (*Increased Costs*) shall promptly inform the Agent after becoming aware of the relevant change and its possible results (which notice shall be conclusive evidence of the relevant change and its possible results) and the Agent shall, as soon as reasonably practicable thereafter, notify the Borrower of the change and its possible results. Without affecting the Borrower's obligations under this Clause ~~40.40-11.10~~ 11.10 (*Increased Costs*) and in consultation with the Agent and the Italian Authorities, the affected Lender will then take all such reasonable steps as may be open to it to mitigate the effect of the change (for example (if then possible) by changing its Facility Office or transferring some or all of its rights and obligations under this Agreement to another financial institution reasonably acceptable to the Borrower and the Agent and the Italian Authorities). The reasonable costs of mitigating the effect of any such change shall be borne by the Borrower save where such costs are of an internal administrative nature and are not incurred in dealings by any Lender with third parties.

#### **11.11 ~~40.44~~ Transaction Costs**

The Borrower undertakes to pay to the Agent, upon demand, all costs and expenses, duties and fees, including but without limitation pre-agreed legal costs (which, for avoidance of doubt

---

are exclusive of VAT and disbursements) out of pocket expenses and travel costs, reasonably incurred by the Italian Authorities, the Joint Mandated Lead Arrangers and the Lenders (but not including any bank which becomes a Lender after the date of the Original Facility Agreement) in connection with the negotiation, preparation and execution of all agreements, guarantees, security agreements and related documents entered into, or to be entered into, for the purpose of the transaction contemplated hereby as well as all costs and expenses, duties and fees incurred by the Agent or the Lenders in connection with the registration, filing, enforcement or discharge of the said guarantees or security agreements, including without limitation the fees and expenses of legal advisers and insurance experts (provided that such insurance costs are not to exceed ten thousand Dollars (\$10,000)) and the fees and expenses of the Italian Authorities (including the fees and expenses of its legal advisers) payable by the Joint Mandated Lead Arrangers to the Italian Authorities, the cost of registration and discharge of security interests and the related travel and out of pocket expenses; the Borrower further undertakes to pay to the Agent all costs, expenses, duties and fees incurred by the Lenders and the Italian Authorities in connection with any variation of this Agreement and the related documents, guarantees and security agreements, any supplements thereto and waiver given in relation thereto, in connection with the investigation of any potential Event of Default, the enforcement or preservation of any rights under this Agreement and/or the related guarantees and security agreements, including in each case the fees and expenses of legal advisers, and in connection with the consultations or proceedings made necessary or in the opinion of the Agent desirable by the acts of, or failure to act on the part of, the Borrower.

#### **11.12 ~~40-42~~ Costs of delayed Delivery Date**

The Borrower undertakes to pay to the Agent, upon demand, any costs incurred by the Lenders and/or the Italian Authorities in funding the Loan in the event that the Delivery Date is later than the Intended Delivery Date unless the Borrower has given the Agent at least three (3) Business Days' notification of such delay in the Delivery Date.

#### **11.13 ~~40-43~~ SACE obligations**

However any rights and obligations of the Transferor Lender in its capacity as Agent or Security Trustee will have to be dealt with separately in accordance with the provisions of Clauses ~~26~~ 27 (*Role of the Agent and the Joint Mandated Lead Arrangers*) and ~~27~~ 28 (*The Security Trustee*) respectively.

### **25.2 24.2 Conditions of assignment or transfer**

- (a) The consent of the Borrower is required at all times (subject to the provisions of Clauses ~~24.5~~ 25.5 (*No transfer without Transfer Certificate*) and ~~24.17~~ 25.17 (*Assignment or transfer to SACE*)) for an assignment or transfer by a Lender (the "**Existing Lender**"), unless (i) there is an Event of Default or (ii) the assignment or transfer is to another Lender or an Affiliate of a Lender.
- (b) The consent of the Borrower to an assignment or transfer must not be unreasonably withheld or delayed. The Borrower will be deemed to have given its consent ten (10) Business Days after the Existing Lender has requested it unless consent is expressly refused by that Borrower within that time.
- (c) The assignment or transfer must be with respect to a minimum Commitment of [\*] Dollars (\$[\*]) or, if less, the Existing Lender's full Commitment.

but the Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Transferor Lender and the Transferee Lender once it is satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to the transfer to that Transferee Lender.

#### **25.4 ~~24.4~~Effective Date of Transfer Certificate**

A Transfer Certificate becomes effective on the date, if any, specified in the Transfer Certificate as its effective date, provided that it is signed by the Agent under Clause ~~24.3~~25.3 (*Transfer Certificate, delivery and notification*) on or before that date.

#### **25.5 ~~24.5~~No transfer without Transfer Certificate**

Except as provided in Clause ~~24.16~~25.16 (*Security over Lenders' rights*), no assignment or transfer of any right or obligation of a Lender under any Finance Document is binding on, or effective in relation to, the Borrower, any Obligor, the Agent or the Security Trustee unless it is effected, evidenced or perfected by a Transfer Certificate.

#### **25.6 ~~24.6~~Lender re-organisation; waiver of Transfer Certificate**

However, if a Lender enters into any merger, de-merger or other reorganisation as a result of which all its rights or obligations vest in another person (the "**successor**"), the Agent may, if it sees fit, by notice to the successor and the Borrower and the Security Trustee waive the need for the execution and delivery of a Transfer Certificate; and, upon service of the Agent's notice, the successor shall become a Lender with the same Commitment and Contributions as were held by the predecessor Lender.

#### **25.7 ~~24.7~~Effect of Transfer Certificate**

A Transfer Certificate takes effect in accordance with English law as follows:

- (a) to the extent specified in the Transfer Certificate, all rights and interests (present, future or contingent) which the Transferor Lender has under or by virtue of the Finance Documents are assigned to the Transferee Lender absolutely, free of any defects in the Transferor Lender's title and of any rights or equities which the Borrower or any Obligor had against the Transferor Lender;
  - (b) the Transferor Lender's Commitment is discharged to the extent specified in the Transfer Certificate;
  - (c) the Transferee Lender becomes a Lender with the Contributions previously held by the Transferor Lender and a Commitment of an amount specified in the Transfer Certificate;
  - (d) the Transferee Lender becomes bound by all the provisions of the Finance Documents which are applicable to the Lenders generally, including those about pro-rata sharing and the
-

exclusion of liability on the part of, and the indemnification of, the Agent and the Security Trustee and, to the extent that the Transferee Lender becomes bound by those provisions (other than those relating to exclusion of liability), the Transferor Lender ceases to be bound by them;

- (e) any part of the Loan which the Transferee Lender advances after the Transfer Certificate's effective date ranks in point of priority and security in the same way as it would have ranked had it been advanced by the transferor, assuming that any defects in the transferor's title and any rights or equities of the Borrower or any Obligor against the Transferor Lender had not existed;
- (f) the Transferee Lender becomes entitled to all the rights under the Finance Documents which are applicable to the Lenders generally, including but not limited to those relating to the Majority Lenders and those under Clause ~~6-8~~7.8 (*Market Disruption*) and Clause ~~9-10~~ (*Fees*), and to the extent that the Transferee Lender becomes entitled to such rights, the Transferor Lender ceases to be entitled to them; and
- (g) in respect of any breach of a warranty, undertaking, condition or other provision of a Finance Document or any misrepresentation made in or in connection with a Finance Document, the Transferee Lender shall be entitled to recover damages by reference to the loss incurred by it as a result of the breach or misrepresentation, irrespective of whether the original Lender would have incurred a loss of that kind or amount.

The rights and equities of the Borrower or any Obligor referred to above include, but are not limited to, any right of set off and any other kind of cross-claim.

#### **25.8 ~~24.8~~ Maintenance of register of Lenders**

During the Security Period the Agent shall maintain a register in which it shall record the name, Commitment, Contributions and administrative details (including the Facility Office) from time to time of each Lender holding a Transfer Certificate and the effective date (in accordance with Clause ~~24.4~~25.4 (*Effective Date of Transfer Certificate*)) of the Transfer Certificate; and the Agent shall make the register available for inspection by any Lender, the Security Trustee and the Borrower during normal banking hours, subject to receiving at least 3 Business Days' prior notice.

#### **25.9 ~~24.9~~ Reliance on register of Lenders**

The entries on that register shall, in the absence of manifest error, be conclusive in determining the identities of the Lenders and the amounts of their Commitments and Contributions and the effective dates of Transfer Certificates and may be relied upon by the Agent and the other parties to the Finance Documents for all purposes relating to the Finance Documents.

#### **25.10 ~~24.10~~ Authorisation of Agent to sign Transfer Certificates**

The Borrower, the Security Trustee and each Lender irrevocably authorise the Agent to sign Transfer Certificates on its behalf.

**25.13 ~~24.13~~Disclosure of information**

Subject to the prior written consent of SACE, a Lender may change its Facility Office by giving notice to the Agent and the change shall become effective on the later of:

- (a) the date on which the Agent receives the notice; and
- (b) the date, if any, specified in the notice as the date on which the change will come into effect, provided that if (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office, and (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, an Obligor would be obliged to make a payment or an increased payment to the new Lender or Lender acting through its new Facility Office under Clause ~~40-11~~11 (*Taxes, Increased Costs, Costs and Related Charges*), then the new Lender or Lender acting through its new Facility Office is only entitled to receive payment under that Clause to the same extent as the existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred.

  - (c) The Agent may disclose any Funding Rate or any Reference Bank Quotation, and each Obligor may disclose any Funding Rate, to:
-

- (i) any of its Affiliates and any of its or their officers, directors, employees, professional advisers, auditors, partners and representatives, if any person to whom that Funding Rate or Reference Bank Quotation is to be given pursuant to this sub-paragraph (i) is informed in writing of its confidential nature and that it may be price sensitive information except that there shall be no such requirement to so inform if the recipient is subject to professional obligations to maintain the confidentiality of that Funding Rate or Reference Bank Quotation or is otherwise bound by requirements of confidentiality in relation to it;
  - (ii) any person to whom information is required or requested to be disclosed by any court of competent jurisdiction or any governmental, banking, taxation or other regulatory authority or similar body, the rules of any relevant stock exchange or pursuant to any applicable law or regulation if the person to whom that Funding Rate or Reference Bank Quotation is to be given is informed in writing of its confidential nature and that it may be price sensitive information except that there shall be no requirement to so inform if, in the opinion of the Agent or the relevant Obligor, as the case may be, it is not practicable to do so in the circumstances;
  - (iii) any person to whom information is required to be disclosed in connection with, and for the purposes of, any litigation, arbitration, administrative or other investigations, proceedings or disputes if the person to whom that Funding Rate or Reference Bank Quotation is to be given is informed in writing of its confidential nature and that it may be price sensitive information except that there shall be no requirement to so inform if, in the opinion of the Agent or the relevant Obligor, as the case may be, it is not practicable to do so in the circumstances; and
  - (iv) any person with the consent of the relevant Lender or Reference Bank, as the case may be.
- (d) The Agent's obligations in this Clause ~~39-40~~ (*Confidentiality of Funding Rates and Reference Bank Quotations*) relating to Reference Bank Quotations are without prejudice to its obligations to make notifications under Clause ~~6-5-7.5~~ (*Notification of Interest Periods and Floating Interest Rate*) provided that (other than pursuant to sub-paragraph (i) of paragraph (b) above) the Agent shall not include the details of any individual Reference Bank Quotation as part of any such notification.

**40.2 ~~39-2~~ Related obligations**

- (a) The Agent and each Obligor acknowledge that each Funding Rate (and, in the case of the Agent, each Reference Bank Quotation) is or may be price sensitive information and that its use may be regulated or prohibited by applicable legislation including securities law relating to insider dealing and market abuse and the Agent and each Obligor undertake not to use any Funding Rate or, in the case of the Agent, any Reference Bank Quotation for any unlawful purpose.
  - (b) The Agent and each Obligor agree (to the extent permitted by law and regulation) to inform the relevant Lender or Reference Bank, as the case may be:
    - (i) of the circumstances of any disclosure made pursuant to sub-paragraph (ii) of (c) of Clause ~~39-1-40.1~~ (*Confidentiality and disclosure*) except where such disclosure is made to any of the persons referred to in that paragraph during the ordinary course of its supervisory or regulatory function; and

### 11.2 ~~40.2~~ **Tax gross-up**

-

- (b) The Borrower shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Agent accordingly. Similarly, a Lender shall notify the Agent on becoming so aware in respect of a payment payable to that Lender. If the Agent receives such notification from a Lender it shall notify the Borrower and that Obligor.
- (c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.
- (d) A payment shall not be increased under paragraph (c) above if on the date on which the payment falls due the Obligor making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender (having been given notice of the documentation requested under Clause ~~40.7-11.7~~ 11.7 (*Lender Status*) at least 30 Business Days prior to such payment date) complied with its obligations under Clause ~~40.7-11.7~~ 11.7 (*Lender Status*).
- (e) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.
- (f) Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Agent for the Secured Party entitled to the payment evidence reasonably satisfactory to that Secured Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

### **11.3 ~~40.3~~ Tax indemnity**

- (a) The Borrower shall (within three Business Days of demand by the Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.
  - (b) Paragraph (a) above shall not apply:
    - (i) with respect to any Tax assessed on a Secured Party:
      - (A) under the law of the jurisdiction in which that Secured Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Secured Party is treated as resident for tax purposes; or
      - (B) under the law of the jurisdiction in which that Lender's Facility Office is located in respect of amounts received or receivable in that jurisdiction,  
  
if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Secured Party; or
    - (ii) to the extent a loss, liability or cost is compensated for by an increased payment under Clause ~~40.2-11.2~~ 11.2 (*Tax gross-up*) or would have been compensated for by an increased payment under Clause ~~40.2-11.2~~ 11.2 (*Tax gross-up*) but was not so compensated solely
-

because an exclusion in paragraph (d) of Clause ~~40-2~~11.2 (*Tax gross-up*) applied, or relates to a FATCA Deduction required to be made by a Party; or

- (d) A Protected Party shall, on receiving a payment from an Obligor under this Clause ~~40-3~~11.3 (*Tax indemnity*), notify the Agent.

#### **11.4 ~~40-4~~Tax Credit**

If an Obligor makes a Tax Payment and the relevant Creditor Party determines that:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and
- (b) that Creditor Party has obtained, retained and utilised that Tax Credit,

the Creditor Party shall pay an amount to the Obligor which that Creditor Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

#### **11.5 ~~40-5~~Stamp taxes**

The Borrower shall pay and, within three Business Days of demand, indemnify each Secured Party against any cost, loss or liability that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

#### **11.6 ~~40-6~~VAT**

- (a) All amounts expressed to be payable under a Finance Document by any Party to a Secured Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Secured Party to any Party under a Finance Document and such Secured Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Secured Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Secured Party must promptly provide an appropriate VAT invoice to that Party).
  - (b) If VAT is or becomes chargeable on any supply made by any Secured Party (the "**Supplier**") to any other Secured Party (the "**Recipient**") under a Finance Document, and any Party other than the Recipient (the "**Relevant Party**") is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):
-

- (i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this [sub-paragraph \(i\)](#) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and
  - (ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.
- (c) Where a Finance Document requires any Party to reimburse or indemnify a Secured Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Secured Party for the full amount of such cost or expense, including such part of it as represents VAT, save to the extent that such Secured Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.
- (d) Any reference in this Clause ~~40-6~~ [11.6](#) (VAT) to any Party being required to account to a tax authority for VAT shall, at any time when such Party is treated as a member of a group for VAT purposes, include a reference to another member of that group being required to so account to the relevant tax authority.
- (e) In relation to any supply made by a Secured Party to any Party under a Finance Document, if reasonably requested by such Secured Party, that Party must promptly provide such Secured Party with details of that Party's VAT registration and such other information as is reasonably requested in connection with such Secured Party's VAT reporting requirements in relation to such supply.

#### **11.7 ~~40-7~~ Lender Status**

- (a) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under a Finance Document shall deliver to the Agent and the Borrower, at the time or times reasonably requested by the Agent or the Borrower, such properly completed and executed documentation reasonably requested by the Agent or the Borrower (and which it is reasonable for the Lender to complete and execute) as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Agent or the Borrower, shall deliver such other documentation as prescribed by applicable law and reasonably requested by the Agent or the Borrower as will enable the Agent or the Borrower to determine whether or not such Lender is subject to backup withholding or information reporting requirements.
  - (b) Any Lender shall, to the extent it is legally entitled to do so, and where it is entitled to an exemption from, or reduction of, U.S. federal withholding tax, deliver to the Agent and the Borrower on or prior to the date on which such Lender becomes a Lender under this Agreement or promptly thereafter (and from time to time thereafter as prescribed by applicable law or upon the request of the Agent or the Borrower), duly executed and properly completed copies of Internal Revenue Service Form W-9 or W-8, as applicable, certifying that it is not subject to U.S. federal backup withholding and, in the case of a non-U.S. Lender that is

#### **11.8 ~~40-8~~FATCA Deduction**

- (a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
- (b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction) notify the Party to whom it is making the payment and, in addition, shall notify the Borrower, the Agent and the other Secured Parties.

  - (b) If a Party confirms to another Party pursuant to paragraph (i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.
  - (c) Paragraph (a) above shall not oblige any Creditor Party to do anything, and paragraph (a)(iii) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:
    - (i) any law or regulation;
    - (ii) any fiduciary duty; or
    - (iii) any duty of confidentiality.
  - (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a)(i) or (a)(ii) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them)
-

- (e) Each Lender shall, within ten Business Days of (i) where the relevant Lender is a Lender at the date of the Original Facility Agreement, the date of the Original Facility Agreement, (ii) where the relevant Lender becomes a Lender at the date of this Agreement, the date of this Agreement and (iii) where the relevant Lender is a Transferee Lender, the effective date of a Transfer Certificate under Clause ~~24.4~~ 25.4 (*Effective Date of Transfer Certificate*), supply to the Agent:

- (g) If any withholding certificate, withholding statement, document, authorisation or waiver provided to the Agent by a Lender pursuant to paragraph (e) above is or becomes materially inaccurate or incomplete, that Lender shall promptly update it and provide such updated withholding certificate, withholding statement, document, authorisation or waiver to the Agent unless it is unlawful for the Lender to do so (in which case the Lender shall promptly notify the Agent). The Agent shall provide any such updated withholding certificate, withholding statement, document, authorisation or waiver to the relevant Borrower.
- (h) The Agent may rely on any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) or (g) above without further verification.   - (iv) attributable to the wilful breach by the relevant Creditor Party or its Affiliates of any law of regulation.

In this Clause ~~40.40~~ 11.10 (*Increased Costs*), a reference to a "Tax Deduction" has the same meaning given to the term in Clause ~~40.4~~ 11.1 (*Definitions*).

- (c) A Lender affected by any provision of this Clause ~~40.40~~ 11.10 (*Increased Costs*) shall promptly inform the Agent after becoming aware of the relevant change and its possible results (which notice shall be conclusive evidence of the relevant change and its possible results) and the Agent shall, as soon as reasonably practicable thereafter, notify the Borrower of the change and its possible results. Without affecting the Borrower's obligations under this Clause ~~40.40~~ 11.10 (*Increased Costs*) and in consultation with the Agent and the Italian Authorities, the affected Lender will then take all such reasonable steps as may be open to it to mitigate the effect of the change (for example (if then possible) by changing its Facility Office or transferring some or all of its rights and obligations under this Agreement to another financial institution reasonably acceptable to the Borrower and the Agent and the Italian Authorities). The reasonable costs of mitigating the effect of any such change shall be borne by the Borrower save where such costs are of an internal administrative nature and are not incurred in dealings by any Lender with third parties.

#### **11.11 ~~40.44~~ Transaction Costs**

On, or at any time after, the occurrence of an Event of Default the Agent may, and if so instructed by the Majority Lenders and SACE, the Agent shall:

The Agent shall send to the Italian Authorities, each Lender and each Obligor a copy or the text of any notice which the Agent serves on the Borrower under Clause ~~48-24-19.21~~ (*Actions following an Event of Default*); but the notice shall become effective when it is served on the Borrower, and no failure or delay by the Agent to send a copy or the text of the notice to any other person shall invalidate the notice or provide any Obligor with any form of claim or defence.

**19.27 ~~48-27~~ Lender's rights unimpaired**

Nothing in this Clause ~~48-19~~ (*Events of Default*) shall be taken to impair or restrict the exercise of any right given to individual Lenders under a Finance Document or the general law; and, in particular, this Clause is without prejudice to Clauses 2.4 (*Creditor Parties' rights and obligations*) and 2.6 (*Obligations of Lenders several*).

**19.28 ~~48-28~~ Exclusion of Secured Party liability**

## 21 ~~20~~ INDEMNITIES

### 21.1 ~~20.4~~ Indemnities regarding borrowing and repayment of Loan

The Borrower shall fully indemnify the Agent and each relevant Lender or SIMEST (but without double counting to the extent that a Lender is making a claim in respect of amounts owing to SIMEST) on the Agent's demand in respect of all claims, expenses, liabilities and losses which are made or brought against or incurred by that Secured Party, or which that Secured Party reasonably and with due diligence estimates that it will incur, as a result of or in connection with:

- (a) any part of the Loan not being borrowed on the date specified in a Drawdown Notice for any reason other than a default by the Lender claiming the indemnity;
  - (b) the receipt or recovery of all or any part of the Loan or an overdue sum otherwise than on the last day of an Interest Period or other relevant period;
  - (c) any failure (for whatever reason) by the Borrower to make payment of any amount due under a Finance Document on the due date or, if so payable, on demand (after giving credit for any default interest paid by the Borrower on the amount concerned under Clause ~~47-18~~ 18 (*Interest on Late Payments*)); and
  - (d) the occurrence and/or continuance of an Event of Default and/or the acceleration of repayment of the Loan under Clause ~~48-19~~ 19 (*Events of Default*).
-

## 21.2 ~~20.2~~ Breakage costs and SIMEST arrangements

Without limiting its generality, Clause ~~20.1~~21.1 (*Indemnities regarding borrowing and repayment of Loan*) covers:

- (a) any claim, expense, liability or loss, including a loss of a prospective profit, incurred by a Lender in liquidating or employing deposits from third parties acquired or arranged to fund or maintain all or any part of its Contributions and/or any overdue amount (or an aggregate amount which includes its Contributions or any overdue amount);
- (b) if the Borrower has selected the Fixed Interest Rate in accordance with Clause ~~6.1~~7.1 (*Fixed or Floating Interest Rate*), all of the amounts that SIMEST is entitled to charge, whether for taxes, costs, expenses, indemnities, penalties, losses or liabilities whatsoever, under and in accordance with the Interest Make-Up Agreement, including without limitation, as a result of any prepayment of all or any part of the Loan under this Agreement (whether voluntary, mandatory, following acceleration of the Loan or otherwise), as a result of an Interest Make-Up Event or as a result of the Borrower deciding to switch from the Fixed Interest Rate to another interest rate after the Drawdown Date and/or an Interest Make-Up Event. Such amounts include, without limitation, (i) breakage costs, (ii) any amount due as a consequence of the close-out of any hedging arrangement entered into by SIMEST in relation to this Agreement, (iii) default interest and penalties (*maggiorazioni*) whenever applicable, and (iv) all amounts (if any) to be returned by the Agent to SIMEST under and pursuant to the Interest Make-Up Agreement; and
- (c) any other costs whatsoever or howsoever arising under or in respect of the Interest Make-Up Agreement which are passed to the Agent,

and any such costs imposed by SIMEST shall be paid by the Borrower to SIMEST through the Agent.

For the purposes of this Clause ~~20.2~~21.2 (*Breakage costs and SIMEST arrangements*) "**Interest Make-Up Event**" means the occurrence of any circumstances which result in the termination, cancellation, revocation, cessation or suspension (in each case, in whole or in part) of the Interest Make-Up Agreement or the Interest Make-Up Agreement otherwise ceases or may cease to be in full force and effect or the Agent notifies the Borrower that the Fixed Interest Rate is not available for any reason, in each case, in accordance with the terms of the Interest Make-Up Agreement.

## 21.3 ~~20.3~~ Miscellaneous indemnities

The Borrower shall fully indemnify each Secured Party severally on their respective demands in respect of all claims, expenses, liabilities and losses which may be made or brought against or incurred by a Secured Party, in any country, as a result of or in connection with:

- (a) any action taken, or omitted or neglected to be taken, under or in connection with any Finance Document by the Agent or any other Secured Party or by any receiver appointed under a Finance Document;
- (b) any other Pertinent Matter,

other than claims, expenses, liabilities and losses which are shown to have been directly and mainly caused by the dishonesty or wilful misconduct of the officers or employees of the Secured Party concerned.

---

Without prejudice to its generality, this Clause ~~20.3~~21.3 (*Miscellaneous indemnities*) covers (i) any claims, expenses, liabilities and losses which arise, or are asserted, under or in connection with any law relating to safety at sea, the ISM Code or any Environmental Laws or any Sanctions and (ii) any claims, expenses, liabilities (including, without limitation, under a reputational standpoint) and losses which arise, or are asserted, against CDP under or in connection with any breach by the Borrower of any of the provisions paragraphs (nn) to (rr) of Clause ~~41.2~~12.2 (*Continuing representations and warranties*) and/or of Clause ~~42.28~~13.28 (*Code of Ethics and Model*).

#### **21.4** ~~20.4~~**Currency indemnity**

If any sum due from an Obligor to a Secured Party under a Finance Document or under any order or judgment relating to a Finance Document has to be converted from the currency in which the Finance Document provided for the sum to be paid (the "**Contractual Currency**") into another currency (the "**Payment Currency**") for the purpose of:

- (a) making or lodging any claim or proof against an Obligor, whether in its liquidation, any arrangement involving it or otherwise; or
- (b) obtaining an order or judgment from any court or other tribunal; or
- (c) enforcing any such order or judgment,

the Borrower shall indemnify the Secured Party concerned against the loss arising when the amount of the payment actually received by that Secured Party is converted at the available rate of exchange into the Contractual Currency.

In this Clause ~~20.4~~21.4 (*Currency indemnity*) the "**available rate of exchange**" means the rate at which the Secured Party concerned is able at the opening of business (Paris time) on the Business Day after it receives the sum concerned to purchase the Contractual Currency with the Payment Currency.

This Clause ~~20.4~~21.4 (*Currency indemnity*) creates a separate liability of the Borrower which is distinct from its other liabilities under the Finance Documents and which shall not be merged in any judgment or order relating to those other liabilities.

#### **21.5** ~~20.5~~**Certification of amounts**

A notice which is signed by 2 officers of a Secured Party, which states that a specified amount, or aggregate amount, is due to that Secured Party under this Clause ~~20~~21 (*Indemnities*) and which indicates (without necessarily specifying a detailed breakdown) the matters in respect of which the amount, or aggregate amount, is due shall be prima facie evidence that the amount, or aggregate amount, is due.

#### **21.6** ~~20.6~~**Sums deemed due to a Lender**

For the purposes of this Clause ~~20~~21 (*Indemnities*), a sum payable by the Borrower to the Agent for distribution to a Lender shall be treated as a sum due to that Lender.

#### **21.7** ~~20.7~~**SACE obligations**

---

To the extent that this Clause ~~20-21~~ (*Indemnities*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

## 22 ~~24~~ILLEGALITY, ETC.

### 22.1 ~~24.1~~Illegality and Sanctions

This Clause ~~24-22~~ (*Illegality, etc.*) applies if:

- (a) a Lender (the "**Notifying Lender**") notifies the Agent that:

  - (ii) it becomes unlawful or contrary to any law, regulation or Sanctions – including by way of civil, administrative or criminal liability - in any applicable jurisdiction for the Notifying Lender to maintain its participation in the Loan; or
- (b) an Obligor is or becomes a Prohibited Person,  
(such event, an "**Illegality or Sanctions Event**").

### 22.2 ~~24.2~~Notification of illegality

- (a) The Agent shall promptly notify the Borrower, the Obligors and the other Lenders of the notice under Clause ~~24-22~~ (*Illegality, etc.*) which the Agent receives from the Notifying Lender.
- (b) Upon receipt of the notice under paragraph (a) above and provided that such Illegality or Sanctions Event is not applicable with immediate effect (in which case paragraph (a) of Clause ~~24.3-22.3~~ (*Prepayment; termination of Commitment*) will apply immediately and this paragraph (b) will not apply), the Agent shall, where the Borrower has selected the Fixed Interest Rate pursuant to Clause ~~6.4-7.1~~ (*Fixed or Floating Interest Rate*), inform SIMEST in writing in order to start consultations between themselves (pursuant to clause 6 of the Interest Make-Up Agreement) with a view to exploring any possible solution to mitigate the Illegality or Sanctions Event preventing that Lender from performing any of its obligations under a Finance Document or funding or maintaining its share in the Loan. Any solution agreed between the Agent and SIMEST at the end of the consultation period (which shall last for a period of ten (10) days from the service of such notice on SIMEST) will be binding among themselves and shall be notified by the Agent to each Obligor immediately thereafter (and in any case no later than ten (10) days following such decision).
- (c) If at the end of the consultation procedure set out in paragraph (b) above, no solution is agreed between the Agent and SIMEST, the Agent must immediately notify the Lenders and the Obligors.

### 22.3 ~~24.3~~Prepayment; termination of Commitment

- (a) After notification under paragraph (c) of Clause ~~24.2-22.2~~ (*Notification of illegality*) or (in case the Interest Make-Up Agreement has ceased to be in force and effect or the Fixed Interest Rate has not been selected pursuant to Clause ~~6.4-7.1~~ (*Fixed or Floating Interest Rate*)) after
-

notification under paragraph (a) of Clause ~~21.2-22.2~~ (*Notification of illegality*) and subject to Clause ~~21.4-22.4~~ (*Mitigation*) below the Borrower must repay or prepay that Lender's share in the Loan on the date specified in paragraph (c) below together with any breakage costs payable under Clause ~~20.2-21.2~~ (*Breakage costs and SIMEST arrangements*) and any indemnity payable under paragraph (c) of Clause ~~20.2-21.2~~ (*Breakage costs and SIMEST arrangements*) in respect of the Interest Make-Up Agreement;

- (b) On the Agent notifying the Borrower under paragraph (c) of Clause ~~21.2-22.2~~ (*Notification of illegality*), the Notifying Lender's Commitment shall terminate; and thereupon or, if later, on the date specified in the Notifying Lender's notice under Clause ~~21.4-22.1~~ (*Illegality and Sanctions*) as the date on which the notified event would become effective the Borrower shall prepay the Notifying Lender's Contributions and shall pay compensation to the Notifying Lender calculated in accordance with Clause ~~16.2-17.2~~ (*Voluntary prepayment*).
- (c) The date for repayment or prepayment of a Lender's share in the Loan will be:
  - (i) the date specified by the Agent in the notification under paragraph (b) above; or
  - (ii) in case the Interest Make-Up Agreement has ceased to be in full force and effect or the Fixed Interest Rate has not been selected pursuant to Clause ~~6.4-7.1~~ (*Fixed or Floating Interest Rate*), the last day of the current Interest Period for the relevant Advance or Advances under a Tranche or, if earlier, the date specified by the Lender in the notification under paragraph (a) above and which must not be earlier than the last day of any applicable grace period allowed by law.

#### **22.4 ~~21.4~~ Mitigation**

- (a) Each Secured Party shall, in consultation with the Borrower, take all reasonable steps to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to, or cancelled pursuant to Clause ~~21.4-22.1~~ (*Illegality and Sanctions*) including (but not limited to) transferring its rights and obligations under the Finance Documents to another Affiliate or Facility Office.
- (b) Paragraph (a) above does not in any way limit the obligations of any Obligor under the Finance Documents.

#### **23 ~~22~~ SET-OFF**

##### **23.1 ~~22.4~~ Application of credit balances**

Each Creditor Party may without prior notice:

- (a) apply any balance (whether or not then due) which at any time stands to the credit of any account in the name of the Borrower at any office in any country of that Creditor Party in or towards satisfaction of any sum then due from the Borrower to that Creditor Party under any of the Finance Documents; and
  - (b) for that purpose:
    - (i) break, or alter the maturity of, all or any part of a deposit of the Borrower;
    - (ii) convert or translate all or any part of a deposit or other credit balance into Dollars;
-

- (iii) enter into any other transaction or make any entry with regard to the credit balance which the Creditor Party concerned considers appropriate.

### **23.2 ~~22.2~~ Existing rights unaffected**

No Creditor Party shall be obliged to exercise any of its rights under Clause ~~22.4~~ 23.1 (*Application of credit balances*); and those rights shall be without prejudice and in addition to any right of set-off, combination of accounts, charge, lien or other right or remedy to which a Creditor Party is entitled (whether under the general law or any document).

### **23.3 ~~22.3~~ Sums deemed due to a Lender**

For the purposes of this Clause ~~22-23~~ (*Set-Off*), a sum payable by the Borrower to the Agent for distribution to, or for the account of, a Lender shall be treated as a sum due to that Lender; and each Lender's proportion of a sum so payable for distribution to, or for the account of, the Lenders shall be treated as a sum due to such Lender.

### **23.4 ~~22.4~~ No Security Interest**

This Clause ~~22-23~~ (*Set-Off*) gives the Creditor Parties a contractual right of set-off only, and does not create any equitable charge or other Security Interest over any credit balance of the Borrower.

## **24 ~~23~~ BAIL-IN**

Notwithstanding any other term of any Finance Document or any other agreement, arrangement or understanding between the parties to a Finance Document, each Party acknowledges and accepts that any liability of any party to a Finance Document under or in connection with the Finance Documents may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

- (a) any Bail-In Action in relation to any such liability, including (without limitation):
  - (i) a reduction, in full or in part, in the principal amount, or outstanding amount due (including any accrued but unpaid interest) in respect of any such liability;
  - (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership that may be issued to, or conferred on, it; and
  - (iii) a cancellation of any such liability; and
- (b) a variation of any term of any Finance Document to the extent necessary to give effect to any Bail-in Action in relation to any such liability.

## **25 ~~24~~ CHANGES TO THE LENDERS**

### **25.1 ~~24.1~~ Transfer by a Lender**

Subject to Clause ~~24.5~~ 25.5 (*No transfer without Transfer Certificate*), Clause ~~24.17~~ 25.17 (*Assignment or transfer to SACE*) and Clause ~~24.14~~ 25.14 (*Change of Facility Office*), a Lender (the "**Transferor Lender**") may at any time provided they have obtained the prior written consent of the Italian Authorities cause:

---

- (a) its rights in respect of all or part of its Contributions; or
- (b) its obligations in respect of all or part of its Commitment; or
- (c) a combination of (a) and (b),

to be (in the case of its rights) transferred to, or (in the case of its obligations) assumed by, in whole or in part any of its Affiliates or another bank or financial institution or a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (a "Transferee Lender") by delivering to the Agent a completed certificate in the form set out in Schedule 4 (*Form of Transfer Certificate*) with any modifications approved or required by the Agent (a "Transfer Certificate") executed by the Transferor Lender and the Transferee Lender.

However any rights and obligations of the Transferor Lender in its capacity as Agent or Security Trustee will have to be dealt with separately in accordance with the provisions of Clauses ~~26-27~~ (*Role of the Agent and the Joint Mandated Lead Arrangers*) and ~~27~~ the SACE Agent and ~~28~~ (*The Security Trustee*) respectively.

#### **25.2 ~~24.2~~ Conditions of assignment or transfer**

- (a) The consent of the Borrower is required at all times (subject to the provisions of Clauses ~~24.5-25.5~~ (*No transfer without Transfer Certificate*) and ~~24.17-25.17~~ (*Assignment or transfer to SACE*)) for an assignment or transfer by a Lender (the "Existing Lender"), unless (i) there is an Event of Default or (ii) the assignment or transfer is to another Lender or an Affiliate of a Lender.
- (b) The consent of the Borrower to an assignment or transfer must not be unreasonably withheld or delayed. The Borrower will be deemed to have given its consent ten (10) Business Days after the Existing Lender has requested it unless consent is expressly refused by that Borrower within that time.
- (c) The assignment or transfer must be with respect to a minimum Commitment of [\*] Dollars (\$[\*]) or, if less, the Existing Lender's full Commitment.

#### **25.3 ~~24.3~~ Transfer Certificate, delivery and notification**

As soon as reasonably practicable after a Transfer Certificate is delivered to the Agent, it shall (unless it has reason to believe that the Transfer Certificate may be defective):

- (a) sign the Transfer Certificate on behalf of itself, the Borrower, any other Obligors, the Security Trustee and each of the other Lenders;
- (b) on behalf of the Transferee Lender, send to the Borrower and each Obligor letters or emails notifying them of the Transfer Certificate and attaching a copy of it; and
- (c) send to the Transferee Lender copies of the letters or emails sent under paragraph (b) above,

but the Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Transferor Lender and the Transferee Lender once it is satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to the transfer to that Transferee Lender.

---

#### **25.4 ~~24.4~~Effective Date of Transfer Certificate**

A Transfer Certificate becomes effective on the date, if any, specified in the Transfer Certificate as its effective date, provided that it is signed by the Agent under Clause ~~24.3-25.3~~ (*Transfer Certificate, delivery and notification*) on or before that date.

#### **25.5 ~~24.5~~No transfer without Transfer Certificate**

Except as provided in Clause ~~24.16-25.16~~ (*Security over Lenders' rights*), no assignment or transfer of any right or obligation of a Lender under any Finance Document is binding on, or effective in relation to, the Borrower, any Obligor, the Agent or the Security Trustee unless it is effected, evidenced or perfected by a Transfer Certificate.

#### **25.6 ~~24.6~~Lender re-organisation; waiver of Transfer Certificate**

However, if a Lender enters into any merger, de-merger or other reorganisation as a result of which all its rights or obligations vest in another person (the "**successor**"), the Agent may, if it sees fit, by notice to the successor and the Borrower and the Security Trustee waive the need for the execution and delivery of a Transfer Certificate; and, upon service of the Agent's notice, the successor shall become a Lender with the same Commitment and Contributions as were held by the predecessor Lender.

#### **25.7 ~~24.7~~Effect of Transfer Certificate**

A Transfer Certificate takes effect in accordance with English law as follows:

- (a) to the extent specified in the Transfer Certificate, all rights and interests (present, future or contingent) which the Transferor Lender has under or by virtue of the Finance Documents are assigned to the Transferee Lender absolutely, free of any defects in the Transferor Lender's title and of any rights or equities which the Borrower or any Obligor had against the Transferor Lender;
  - (b) the Transferor Lender's Commitment is discharged to the extent specified in the Transfer Certificate;
  - (c) the Transferee Lender becomes a Lender with the Contributions previously held by the Transferor Lender and a Commitment of an amount specified in the Transfer Certificate;
  - (d) the Transferee Lender becomes bound by all the provisions of the Finance Documents which are applicable to the Lenders generally, including those about pro-rata sharing and the exclusion of liability on the part of, and the indemnification of, the Agent and the Security Trustee and, to the extent that the Transferee Lender becomes bound by those provisions (other than those relating to exclusion of liability), the Transferor Lender ceases to be bound by them;
  - (e) any part of the Loan which the Transferee Lender advances after the Transfer Certificate's effective date ranks in point of priority and security in the same way as it would have ranked had it been advanced by the transferor, assuming that any defects in the transferor's title and any rights or equities of the Borrower or any Obligor against the Transferor Lender had not existed;
  - (f) the Transferee Lender becomes entitled to all the rights under the Finance Documents which are applicable to the Lenders generally, including but not limited to those relating to the
-

Majority Lenders and those under Clause ~~6-8~~7.8 (*Market Disruption*) and Clause ~~9-10~~ (*Fees*), and to the extent that the Transferee Lender becomes entitled to such rights, the Transferor Lender ceases to be entitled to them; and

- (g) in respect of any breach of a warranty, undertaking, condition or other provision of a Finance Document or any misrepresentation made in or in connection with a Finance Document, the Transferee Lender shall be entitled to recover damages by reference to the loss incurred by it as a result of the breach or misrepresentation, irrespective of whether the original Lender would have incurred a loss of that kind or amount.

The rights and equities of the Borrower or any Obligor referred to above include, but are not limited to, any right of set off and any other kind of cross-claim.

#### **25.8 ~~24.8~~ Maintenance of register of Lenders**

During the Security Period the Agent shall maintain a register in which it shall record the name, Commitment, Contributions and administrative details (including the Facility Office) from time to time of each Lender holding a Transfer Certificate and the effective date (in accordance with Clause ~~24.4~~25.4 (*Effective Date of Transfer Certificate*)) of the Transfer Certificate; and the Agent shall make the register available for inspection by any Lender, the Security Trustee and the Borrower during normal banking hours, subject to receiving at least 3 Business Days' prior notice.

#### **25.9 ~~24.9~~ Reliance on register of Lenders**

The entries on that register shall, in the absence of manifest error, be conclusive in determining the identities of the Lenders and the amounts of their Commitments and Contributions and the effective dates of Transfer Certificates and may be relied upon by the Agent and the other parties to the Finance Documents for all purposes relating to the Finance Documents.

#### **25.10 ~~24.10~~ Authorisation of Agent to sign Transfer Certificates**

The Borrower, the Security Trustee and each Lender irrevocably authorise the Agent to sign Transfer Certificates on its behalf.

#### **25.11 ~~24.11~~ Fees and Costs**

In respect of any Transfer Certificate:

- (a) the Agent shall be entitled to recover a registration fee of five thousand Euros (€5,000) from the Transferor Lender or (at the Agent's option) the Transferee Lender;
- (b) the Transferee Lender shall pay to the Agent, upon demand, all reasonable costs and expenses, duties and fees, including but without limitation legal costs and out of pocket expenses, incurred by the Agent or the Lenders in connection with any necessary amendment to or supplementing of the Transaction Documents or any of them or the SACE Insurance Policy as a consequence of the assignment or transfer; and
- (c) the Transferee Lender shall pay to the Agent, upon demand, such amount as is payable to the Italian Authorities to cover its costs of giving its approval under Clause ~~24.1~~25.1 (*Transfer by a Lender*).

#### **25.12 ~~24.12~~ Sub-participation; subrogation assignment**

---

A Lender may sub-participate all or any part of its rights and/or obligations under or in connection with the Finance Documents without the consent of, or any notice to, the Borrower, any Obligor, the Agent or the Security Trustee but with the prior written consent of SACE.

**25.13 ~~24.13~~ Disclosure of information**

A Lender may disclose to a potential Transferee Lender or sub participant any information which the Lender has received in relation to the Borrower, any Obligor or their affairs under or in connection with any Finance Document, unless the information is clearly of a confidential nature.

**25.14 ~~24.14~~ Change of Facility Office**

Subject to the prior written consent of SACE, a Lender may change its Facility Office by giving notice to the Agent and the change shall become effective on the later of:

- (a) the date on which the Agent receives the notice; and
- (b) the date, if any, specified in the notice as the date on which the change will come into effect, provided that if (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office, and (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, an Obligor would be obliged to make a payment or an increased payment to the new Lender or Lender acting through its new Facility Office under Clause ~~40-11~~ (*Taxes, Increased Costs, Costs and Related Charges*), then the new Lender or Lender acting through its new Facility Office is only entitled to receive payment under that Clause to the same extent as the existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred.

**25.15 ~~24.15~~ Notification**

On receiving such a notice, the Agent shall notify the Borrower and the Security Trustee; and, until the Agent receives such a notice, it shall be entitled to assume that a Lender is acting through the Facility Office of which the Agent last had notice.

**25.16 ~~24.16~~ Security over Lenders' rights**

In addition to the other rights provided to Lenders under this Clause ~~24-25~~ (*Changes to the Lenders*) each Lender may without consulting with or obtaining consent from the Borrower or any Obligor but subject to the prior written consent of SACE, at any time charge, assign or otherwise create a Security Interest in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender (i) to the benefit of any Affiliate and/or (ii) within the framework of its, or its Affiliates, direct or indirect funding operations including, without limitation:

- (a) any charge, assignment or other Security Interest to secure obligations to a federal reserve, central bank or a multilateral development bank (including the European Investment Bank and the European Investment Fund); and

### **1.4 Inconsistency between Loan Agreement and this Guarantee**

This Guarantee shall be read together with the Loan Agreement, but in case of any conflict between the Loan Agreement and this Guarantee, unless expressly provided to the contrary in this Guarantee, the provisions of the Loan Agreement shall prevail.

### **1.5 Non-applicable provisions between the Guarantor and German Lenders**

The Guarantor acknowledges and agrees that to the extent required for compliance with Section 7 of the Foreign Commerce Regulation (*Außenwirtschaftsverordnung*) (the "Foreign Commerce Regulation") and any other anti-boycott legislation, in connection with section 4 paragraph (1)(a)(3) of the Foreign Trade Law (*Außenwirtschaftsgesetz*) by any Lender incorporated or having its registered office or Facility Office in the Federal Republic of Germany (a "**German Lender**"), the Guarantor does not make (a) any representation under Clause 10.12 (*Sanctions*) or (b) any undertakings under any of Clause 11.19 (*Illicit Payments*), Clause 11.23 (*Prohibited Payments*), and Clause 11.24 (*Sanctions*) of this Guarantee, to or in favour of any German Lender.

## **2 GUARANTEE**

### **2.1 Guarantee and indemnity**

The Guarantor unconditionally and irrevocably:

- (a) guarantees to the Security Trustee punctual performance by the Borrower of all the Borrower's obligations under or in connection with the Loan Agreement and every other Finance Document;
- (b) undertakes to the Security Trustee that whenever the Borrower does not pay any amount when due under or in connection with the Loan Agreement and the other Finance Documents, the Guarantor shall immediately on demand pay that amount as if it was the principal obligor;
- (c) agrees that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify the Security Trustee and each other Secured Party immediately on demand by the Security Trustee against any cost, loss or liability it incurs as a result of the Borrower not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under the Loan Agreement or any other Finance Document on the date when it would have been due. Any such demand for indemnification shall be made through the Security Trustee, for itself or on behalf of the Secured Parties. The amount payable by the Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 2.1 (*Guarantee and indemnity*) if the amount claimed had been recoverable on the basis of a guarantee.

The Security Trustee may serve any number of demands under Clause 2.1 (*Guarantee and indemnity*).

### **3 LIABILITY AS PRINCIPAL AND INDEPENDENT DEBTOR**

#### **3.1 Principal and independent debtor**

#### **3.2 Waiver of rights and defences**

Without limiting the generality of Clause 3.1 (*Principal and independent debtor*), the obligations of the Guarantor under this Guarantee will not be affected or discharged by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Guarantee (without limitation and whether or not known to it or any Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, the Borrower or other person;
- (b) the release of the Borrower or any other person under the terms of any composition or arrangement with any creditor of any affiliate of the Borrower;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, or delay in perfecting, or refusal or neglect to take up or enforce, or delay in taking or enforcing any rights against, or security over assets of, the Borrower or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of the Borrower or any other person;
- (e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including without limitation any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- (f) any insolvency or similar proceedings;
- (g) any arrangement or concession (including a rescheduling or acceptance of partial payments) relating to, or affecting, the Finance Documents;
- (h) any release or loss whatsoever of any guarantee, right or Security Interest created by the Finance Documents;

- (k) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security.

#### **4 EXPENSES**

##### **4.1 Costs of preservation of rights, enforcement etc**

The Guarantor shall pay to the Security Trustee on its demand the amount of all expenses incurred by the Security Trustee or any other Secured Party in connection with any matter arising out of this Guarantee or any Security Interest connected with it, including any advice, claim or proceedings relating to this Guarantee or such a Security Interest.

##### **4.2 Fees and expenses payable under Loan Agreement**

Clause 4.1 (*Costs of preservation of rights, enforcement etc*) is without prejudice to the Guarantor's liabilities in respect of the Borrower's obligations under clauses 9 (*Fees*) and 10 (*Taxes, Increased Costs, Costs and Related Charges*) of the Loan Agreement and under similar provisions of other Finance Documents.

#### **5 ADJUSTMENT OF TRANSACTIONS**

##### **5.1 Reinstatement of obligation to pay**

The Guarantor shall pay to the Security Trustee on its demand any amount which any Secured Party is required, or agrees, to pay pursuant to any claim by, or settlement with, a trustee in **bankruptcy** [Bankruptcy](#) of the Borrower or of any other Obligor (or similar person) on the ground that the Loan Agreement or any other Finance Document, or a payment by the Borrower or of such other Obligor, was invalid or on any similar ground.

#### **6 PAYMENTS**

##### **6.1 Method of payments**

Any amount due under this Guarantee shall be paid:

- (a) in immediately available funds;
- (b) to such account as the Security Trustee may from time to time notify to the Guarantor;
- (c) without any form of set-off, cross-claim or condition; and
- (d) free and clear of any tax deduction except a tax deduction which the Guarantor is required by law to make.

##### **6.2 Grossing-up for taxes**

If the Guarantor is required by law to make a tax deduction, the amount due to the Security Trustee shall be increased by the amount necessary to ensure that the Security Trustee and (if the payment is not due to the Security Trustee for its own account) the Secured Party beneficially interested in the payment receives and retains a net amount which, after the tax deduction, is equal to the full amount that it would otherwise have received.

### **6.3 Tax Credits**

If an additional payment is made by the Guarantor under this Clause and any Secured Party determines that it has received or been granted a credit against or relief of or calculated with reference to the deduction giving rise to such additional payment, such Secured Party shall, to the extent that it can do so without prejudice to the retention of the amount of such credit, relief, remission or repayment and provided that it has received the cash benefit of such credit, relief or remission, pay to the Guarantor such amount as such Secured Party shall in its reasonable opinion have concluded to be attributable to the relevant deduction. Any such payment shall be conclusive evidence of the amount due to the Guarantor hereunder and shall be accepted by the Guarantor in full and final settlement of its rights of reimbursement hereunder in respect of such deduction. Nothing herein contained shall interfere with the right of each Secured Party to arrange its tax affairs in whatever manner it thinks fit.

- 6.4** To the extent that this Clause 6 (*Payments*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

## **7 INTEREST**

### **7.1 Accrual of interest**

Any amount due under this Guarantee shall carry interest after the date on which the Security Trustee demands payment of it until it is actually paid, unless interest on that same amount also accrues under the Loan Agreement.

### **7.2 Calculation of interest**

Interest on sums payable under this Guarantee shall be calculated and accrue in the same way as interest under clause 6 (*Interest*) of the Loan Agreement.

### **7.3 Guarantee extends to interest payable under Loan Agreement**

For the avoidance of doubt, it is confirmed that this Guarantee covers all interest payable under the Loan Agreement, including that payable under clause 17 (*Interest on Late Payments*) of the Loan Agreement.

## **8 SUBORDINATION**

### **8.1 Subordination of rights of Guarantor**

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Agent otherwise directs, all rights which the Guarantor at any time has (whether in respect of this Guarantee or any other transaction) against the Borrower, any other Obligor or their respective assets shall be fully subordinated to the rights of the Secured Parties under the Finance Documents; and in particular, the Guarantor shall not:
